Community Grant Guidelines

Applying for a Grant from
The Oregon Community Foundation

THE OCF COMMUNITY GRANTS PROGRAM

The Oregon Community Foundation (OCF) is a statewide foundation that administers private, permanently endowed charitable funds on behalf of individuals, families and businesses to benefit Oregon. Today the Foundation's assets total over \$370 million and consist of almost 1,000 separate funds. Earnings from these funds support a range of charitable and educational activities through grants and scholarships.

Each of The Oregon Community Foundation's funds has been established with a unique purpose determined by the donor. Many of the funds are restricted to particular areas of community need or particular organizations of interest to the donor. Donors have also established discretionary funds which are applied by the OCF board of directors through a competitive Community Grants Program to address changing community needs throughout Oregon. This brochure describes the principles, objectives, and guidelines of the Community Grants Program.

GUIDING PRINCIPLES

The Oregon Community Foundation's Community Grants Program is an expression of the Foundation's commitment to enhance the livability of the state of Oregon.

We seek to build an inclusive spirit of community encompassing all of Oregon's population groups and promote a sense of individual responsibility for the common good.

We seek to influence the future by giving highest priority to investments that attempt to resolve problems at their source rather than addressing them as they develop later.

We believe that the most creative solutions arise from gatherings of private citizens who come together to work in partnership addressing their common needs and aspirations.

We believe Oregon is a special place and, with care and nurturing, will continue to be so for many generations to come.

OCF FUNDING OBJECTIVES

1. To nurture children, strengthen families and foster the self-sufficiency of Oregonians (40-50% of OCF grants)

Of particular interest

- supporting parents and others who care for children and the elderly
- providing youth with experiences that build character and judgment through recreation and mentoring
- involving communities in assisting people in crisis
- helping individuals and families achieve long-term self-sufficiency

2. To enhance the educational experience of Oregonians (15-20% of OCF grants)

Of particular interest

- helping young children enter school ready to learn
- improving access to education using models proven to be effective
- involving parents and communities with schools in the educational process
- linking learning and community service activities for students

3. To increase cultural opportunities for Oregonians (15-20% of OCF grants)

Of particular interest

- reaching under-served audiences
- strengthening arts organizations to achieve self-sufficiency
- showcasing Oregon's history and culture

4. To preserve and improve Oregon's livability through citizen involvement (10-15% of OCF grants)

Of particular interest

- building community spirit and consensus about key issues facing Oregonians
- training and involving volunteers and leaders to solve problems
- helping residents improve their local communities and the state

COMMUNITY GRANTS PROGRAM GUIDELINES

The Community Grants Program is intended to support a wide variety of projects that address one or more of OCF's four primary funding objectives. Grant proposals may range from modest short-term projects and one-time capital expenses to extended projects (up to three years) promising significant long-term benefits for Oregon.

In recent years OCF has awarded approximately 200 discretionary grants annually. **Please note that 90 percent of Community Grants are less than \$35,000.** Awards may range up to \$150,000 for projects with exceptional impact in communities. Such larger grants are extremely competitive and are often spread over two to three years. Requests for large grants as general contributions to multi-million dollar campaigns are unlikely to be approved.

WHO MAY APPLY?

Applicants for the Community Grants Program

- Must be a 501(c) (3) tax-exempt organization further classified as a public entity rather than a private foundation under Section 509(a) of IRS code or must have a qualified sponsoring organization
- Must have submitted required evaluation reports for all prior grants
- May submit only one proposal in each funding cycle

The Oregon Community Foundation seeks to build an inclusive spirit of community encompassing all of Oregon's population groups. Accordingly, with respect to the discretionary grants program (including Community Grants and initiatives), OCF does not discriminate on the basis of race, religion, sexual preference, physical circumstances or national origin. Applicants for grants from the discretionary grants program must hold similar standards. Discretionary grant applications from organizations known to have discriminatory policies will not be considered.

WHAT ACTIVITIES ARE NOT ELIGIBLE FOR SUPPORT?

The following are not normally funded

- annual funds appeals
- sponsorship of one-time events or performances
- proposals for projects in individual schools
- scholarship funds
- subsidies for individuals to participate in conferences, classes, training, camps, or travel
- general support of capital campaigns
- capital projects that will not clearly advance the organization's mission, or change or enhance the community it serves
- items purchased or activities taking place prior to grant decisions
- deficit funding
- replacement of government funding
- influencing of legislation
- scientific research
- religious activities
- operating support, except in special circumstances where a grant may have strategic impact on the long-term viability of programs of high priority to OCF

If, after carefully reading these guidelines, you have a question about the eligibility of your project, it may be wise to call OCF and test your idea with a staff member rather than spend the time to prepare and submit a proposal with little chance of success. Staff members will advise you on eligibility but will not estimate your chances for approval of a grant, read draft proposals, or help you prioritize among several possible proposals

HOW TO APPLY FOR A GRANT

This brochure and OCF's Website each contain the complete guidelines for application to the Community Grants Program

Application forms are enclosed with these guidelines and also available through OCF's Website at www.ocfl.org. If you download forms from the Website, it is very important to retain the spacing as it appears on the form

Applicants are expected to complete all parts of the application form and provide all required attachments and copies. Applications will not be considered unless complete. Applicants may be asked to submit further information during the proposal review process

For the initial application, please submit two complete packets of the following information, assembled in the following order

- a completed and signed application summary on one sheet of paper, two-sided
- a detailed project narrative, no more than three pages in length, using at least a 12 point font size for readability
- a detailed project budget showing revenue and expenses
- the organization's budget for the current year
- a list of the board of directors with daytime phone numbers
- a copy of the organization's 501(c)(3) determination letter of tax-exempt status

In addition to the two complete packets, please submit the following

- four copies of the completed and signed application summary
- one copy of the detailed project narrative
- one copy of the detailed project budget

Please assemble packets with removable clips. Do not send video tapes, cassette recordings, folders or binders

The project narrative should address the following points in order

Project Description

- Document a compelling need for the project. Be as specific as you can.
- Present a detailed project overview including activities, timetable, description of who and how many are directly benefited by the project, and how it fits within OCF's funding objective(s).
- Give reasons why this project is especially important now for your organization and for the community.
- Show ways in which this project will help to prepare your organization to meet future needs associated with changing population and demographics in your community.

Qualifications

- Make the case for why your organization is appropriate to conduct the project, including identification of the key personnel for the project, their qualifications, and their roles in the project.
- Show how collaboration with others in your community, if applicable, will strengthen, extend, or otherwise be a factor in this project.

Results and Follow-up

- Describe specific outcomes of the project and why project activities are expected to achieve these outcomes.
- Present plans for evaluating the effectiveness of the project.
- Describe the future funding plan, if applicable, to sustain the project after the grant period.

DEADLINES FOR THE COMMUNITY GRANTS PROGRAM

Applications for the OCF Community Grants Program are accepted twice a year. The **Spring Cycle** application window is the month of January, with a final deadline of **February 1** for an OCF board of directors' decision in June. The **Fall Cycle** application window is the month of July with a final deadline of **August 1** for a decision in November. Complete applications must be received by OCF on or before the deadline. **Faxed applications are not accepted.** Applicants will be notified of the board's decision within three weeks after each meeting.

STEPS IN THE APPLICATION PROCESS

Once you've submitted a grant proposal, OCF begins a process that includes the following steps: an initial review of all proposals, further review of selected proposals including requests for further information, site visits and/or phone calls, and evaluation and recommendation by staff to the OCF distribution committee and board of directors.

The process takes approximately 14 weeks from start to finish. Applications that are not selected for further review following the initial review may receive a notice to that effect. All final decisions about applications are made by the OCF board of directors.

APPLICATIONS FOR RENEWED SUPPORT

If your organization has been awarded a multi-year grant and you are applying for your second or third year of support, please use the same application form as in the initial proposal. Check the appropriate box on the form to indicate that you are applying for renewed support. Attach to your proposal the grant evaluation report form that was enclosed with your grant award letter. Be as specific as possible in your responses to the evaluation questions.

DEVELOPING A STRONG GRANT PROPOSAL

To have the best chance for approval of an OCF grant, proposals should be clearly written and present a strong case for support. Projects that have many of the following characteristics will be more competitive than those that do not:

- involvement of a broad cross-section of community members in planning, implementing, and supporting the project, including financial support from donors in the community that the organization serves
- projected results showing tangible benefits and solutions to community problems
- a project budget and grant request commensurate in size with the proposed impact of the project
- an impact on the organization's capacity to meet future needs
- a carefully planned timetable, ideally beginning at least four months after the Community Grants application deadline
- origination in the private, nonprofit sector rather than in government or primarily government-supported organizations
- direct relationships between proposed capital efforts and the applicant organization's capacity to carry out its mission
- linking of several organizations in creative partnerships

-
- development of new sources of support from private funding sources and volunteers
 - use of best practices as established by research in Oregon or elsewhere
 - programs or services that are unique in a community

In the case of larger requests and complex or multi-year projects, OCF may give special attention to the applicant organization's history, including

- leadership in its field
- stability in its staff and board
- uniqueness of its programs in Oregon
- breadth and depth of its private fundraising
- competency in financial management
- collaboration with other organizations
- projects previously supported by OCF

OTHER OCF GRANT PROGRAMS

In addition to Community Grants, OCF operates other grant programs including donor advised fund grants, field of interest fund grants, and special initiatives **Proposals to these programs are generally by invitation only** For examples and summaries of some of these programs, please refer to OCF's Website

CONTACTING OCF

OCF staff members are available to answer questions about a project's eligibility or other specific questions that may come up in the process of preparing a grant application To save time for staff and applicants, OCF encourages phone calls rather than personal meetings to present ideas for proposals Please call 503-227-6846, or e-mail OCF at info@ocf1.org if you have questions about these guidelines or your proposal

GOVERNANCE

The Foundation is governed by a 14-member, volunteer board of directors. They are selected from around the state for their knowledge and active involvement in community affairs. The directors make grant decisions and supervise investment of the Foundation's assets. They serve four-year terms for a maximum of two terms.
