General Instructions

Section references are to the Internal Revenue Code.

Section 501(c)(3) states that an organization exempt under that section will lose its tax-exempt status and its qualification to receive deductible charitable contributions if a substantial part of its activities are carried on to influence legislation. Section 501(h), however, permits certain eligible 501(c)(3) organizations to elect to make limited expenditures to influence legislation. An organization making the election will, however, be subject to an excise tax under section 4911 if it spends more than the amounts permitted by that section. Also, the organization may lose its exempt status if its lobbying expenditures exceed the permitted amounts by more than 50% over a 4-year period. For any tax year in which an election under section 501(h) is in effect, an electing organization must report the actual and permitted amounts of its lobbying expenditures and grass roots expenditures (as defined in section 4911(c)) on its annual return required under section 6033. See Schedule A (Form 990). Each electing member of an affiliated group must report these amounts for both itself and the affiliated group as a whole.

To make or revoke the election, enter the ending date of the tax year to which the election or revocation applies in item **1** or **2**, as applicable, and sign and date the form in the spaces provided

Eligible Organizations.—A section 501(c)(3) organization is permitted to make the election if it is not a disqualified organization (see below) and is described in:

1. Section 170(b)(1)(A)(ii) (relating to educational institutions),
2. Section 170(b)(1)(A)(iii) (relating to hospitals and medical research organizations),
3. Section 170(b)(1)(A)(iv) (relating to organizations supporting government schools),
4. Section 170(b)(1)(A)(vi) (relating to organizations publicly supported by charitable contributions),
5. Section 509(a)(2) (relating to organizations publicly supported by admissions, sales, etc.), or
6. Section 509(a)(3) (relating to organizations supporting certain types of public charities other than those section 509(a)(3) organizations that support section 501(c)(4), (5), or (6) organizations).

Disqualified Organizations.—The following types of organizations are not permitted to make the election

- a. Section 170(b)(1)(A)(i) organizations (relating to churches),

- b. An integrated auxiliary of a church or of a convention or association of churches, or
- c. A member of an affiliated group of organizations if one or more members of such group is described in a or b of this paragraph.

Affiliated Organizations.—Organizations are members of an affiliated group of organizations only if (1) the governing instrument of one such organization requires it to be bound by the decisions of the other organization on legislative issues, or (2) the governing board of one such organization includes persons (i) who are specifically designated representatives of another such organization or are members of the governing board, officers, or paid executive staff members of such other organization, and (ii) who, by aggregating their votes, have sufficient voting power to cause or prevent action on legislative issues by the first such organization.

For more details, see section 4911 and section 501(h).

Note: A private foundation (including a private operating foundation) is not an eligible organization.

FORM 990, PART III, Organization's Primary Exempt Purpose

The Susan G. Komen Breast Cancer Foundation was established in 1982 by Nancy Brinker to honor the memory of her sister, Susan G. Komen, who died from breast cancer at the age of 36. Today, the Foundation is an international organization with a network of over 75,000 volunteers working through local Affiliates and events like the Komen Race for the Cure® to eradicate breast cancer as a life-threatening disease. A global leader in the fight against breast cancer, the Foundation fulfills its mission through support of innovative breast cancer research grants, meritorious awards and community-based outreach programs.

The Susan G. Komen Breast Cancer Foundation Race for the Cure® Series is the largest series of 5K runs/fitness walks in the world. Since its origination in Dallas, Texas, in 1983, the Komen Race for the Cure® Series has grown from one local Race with 800 participants to a national series of more than 100 Races with nearly 1.4 million people expected to participate in 2004.

Proceeds from events like the Komen Race for the Cure® Series fund global research efforts, meritorious awards and local breast health and breast cancer outreach programs. Up to 75 percent of the net monies raised by Komen Affiliates stay at the local level to fund outreach programs and initiatives that address the specific unmet breast health needs of the community. Such initiatives include breast cancer screening programs, health fairs, wellness clinics, speakers' bureaus and educational outreach and treatment projects. In order to ensure their funds are making the greatest impact, Komen Affiliates work with local medical experts and community leaders to conduct comprehensive community needs assessments. These community profiles are then used to develop local grant applications and guide the awards process so that it is consistent with the Foundation's standards and mission.

Research and Awards: Remaining net monies (a minimum of 25 percent) from Komen Affiliate events, along with the generous support of our corporate partners, donors and Foundations, help fund the Komen Foundation Award and Research Grant Program, which provides funding for innovative breast cancer research and a variety of meritorious awards. From its inception in 1982, the Foundation has awarded more than \$157 million for breast cancer research. Oftentimes, the Komen Foundation is the only source of funding for cutting-edge breast cancer research, some of which has led to landmark discoveries in the quest to find a cure for and eventually prevent breast cancer. The Komen Foundation adheres to a peer-review process that is recognized by the National Cancer Institute (NCI). In the case of basic, clinical and translational research grants, applications are reviewed through a blind, or anonymous, peer-review process. The current program includes:

- Training grants to doctoral dissertation students and postdoctoral fellows to recruit and retain young scientists in the field of breast cancer research;

- Basic, clinical and translational grants that encompass a broad number of focus areas including detection, diagnosis, prognosis, risk, prevention, treatment, tumor cell biology, and complementary and alternative therapies;
- Imaging technology research to improve breast cancer screening and diagnosis; and
- Epidemiological research to address the disparities that exist in breast cancer incidence and mortality rates among specific populations.

In addition to funding research grants, the Foundation supports a meritorious award program that includes the Komen Foundation's Brinker Award for Scientific Distinction, the Komen Scholarship Program, Interdisciplinary Fellowships and the Professor of Survivorship Awards.

Education and Outreach: The Susan G. Komen Breast Cancer Foundation is a trusted source of breast health and breast cancer information for people all over the world and is instrumental in connecting people with the resources they need in their fight against breast cancer. The Foundation is an educational resource for various audiences including the general public, Komen Affiliates and staff, health care providers, corporate partners, and congressional leaders. Education and outreach are accomplished through a Web site, a National Toll-Free Breast Care Helpline, newsletters, conferences, trainings, print and audio visual educational materials and partnerships.

The Foundation's award-winning Web site, www.komen.org, is one of the most comprehensive breast cancer resources online today. In addition to educational information and resources, the site offers an online breast self-examination instruction tool, up-to-the-minute information about research findings, local outreach initiatives, volunteer opportunities, events and Komen Foundation programs and partners. The Foundation also operates a National Toll-Free Breast Care Helpline, 1.800 I'M AWARE®, that is answered by a trained and caring staff.

To aid in efforts to reach minority populations with culturally appropriate breast health information, the Foundation supports three advisory councils: the African American National Advisory Council, the National Hispanic/Latina Advisory Council and the Asian American/Pacific Islander National Advisory Council. Their mission is to provide guidance and direction on programs designed to reduce the disparities in mortality of breast cancer among their respective communities.

Financial Reporting: The Susan G. Komen Breast Cancer Foundation has elected to file a Headquarters 990 and a Group 990, consolidating its 112 Affiliates. In order to fully assess the organization's Fiscal Year Ending March 31, 2004, financial results, the Group 990 and Headquarters 990 must be consolidated. A copy of the Foundation's consolidated audited financial statements is available at www.komen.org.

FORM 990, PART III, Organization's Accomplishments

The Susan G. Komen Breast Cancer Foundation

The Susan G. Komen Breast Cancer Foundation was founded in 1982 on a promise made between two sisters – Nancy Goodman Brinker and her dying sister, Susan Goodman Komen. Suzy was diagnosed with breast cancer in 1978, a time when little was known about the disease and it was rarely discussed in public. Before she died at the age of 36, Suzy asked her sister to do everything possible to bring an end to breast cancer. Nancy kept her promise by establishing the Komen Foundation in 1982.

The Komen Foundation is an agent of change. It has pioneered the breast cancer movement, bringing the disease into the public consciousness and changing how the disease is perceived, how it is studied and how it is treated. As the world's largest private funder of breast cancer research and community outreach programs, the Foundation continues to be an integral force in changing the cultural and clinical landscape of breast cancer through its mission-related activities.

The Komen Foundation has led the nation's charge in the fight against breast cancer for the past 22 years. The Foundation's milestone achievements and current initiatives fuel the passion for its mission to create a world free of breast cancer.

Meeting unmet needs in communities around the globe

The Foundation continually identifies and funds unmet breast health and breast cancer needs in more than 1,700 counties across the United States through its Affiliate network. One of the main areas of community outreach involves providing life-saving services for specific underserved populations by funding more than 1,200 community-based programs annually.

Examples include:

- A breast health program for adult women with learning disabilities and a disabilities awareness training for health care providers (Komen Albany Affiliate).
- Breast health workshops for refugee women from Eastern Europe, Africa and the Middle East (Komen Oregon and Southwest Washington Affiliate).
- A program that works with churches, housing projects and senior centers to reduce barriers to breast cancer care within the African American and Latino communities. (Komen Dallas County Affiliate).
- A program that provides screening, diagnostic and treatment services to women who don't qualify for state assistance programs due to income and/or age (Komen Puget Sound Affiliate).
- A community-based program that provides practical, hands-on information to breast cancer patients about breast cancer, nutrition and exercise (Komen Oregon and Southwest Washington Affiliate).
- A video and pamphlet specially designed to help families with children understand a breast cancer diagnosis and cope with it effectively together (Komen North Jersey Affiliate).

Through research we will find a cure

Because of Komen Foundation funding, significant advancements in breast cancer research have been made, bringing us one step closer to eradication of the disease.

Highlights include:

- The discovery of multiple genes linked to breast cancer (Mary Claire King, Ph.D., Michael Lisanti, M.D., Ph.D., Kum Kum Khana, Ph.D.).
- Understanding how blocking the blood supply to tumors stops them from growing (Judah Folkman, M.D.).
- Discovering why many breast tumors stop responding to hormone treatment (Rakesh Kumar, Ph.D.).
- Initiating the development of a new imaging tool that allows doctors to see inside the breast without X-ray or surgery (Steven Harms, M.D.).
- Funding breakthroughs that have improved the lives of people living with breast cancer (Charles Loprinzi, M.D., Vicki Davis, Ph.D.).
- Uncovering clues as to why breast cancer is more fatal in African American women (Indra Poola, Ph.D.).

Serving specific populations

The Foundation supports an educational agenda designed to help reduce breast cancer death rates, especially among special populations such as minorities and young women by:

- Producing culturally sensitive breast health and breast cancer materials in more than 10 languages.
- Encouraging young women to develop healthy breast and lifestyle habits through a specially designed initiative. Program elements include bilingual educational materials.
- Providing patients and their loved ones with Questions to Ask the Doctor About Breast Cancer, a customized set of questions used to facilitate discussion with their physicians.
- Addressing the breast health and breast cancer needs of specific populations by forming representative advisory councils (African American National Advisory Council, National Hispanic/Latina Advisory Council, Asian American/Pacific Islander National Advisory Council).

Providing much needed resources

- The Komen Foundation offers a comprehensive bilingual (Spanish and English) Web site dedicated solely to breast health and breast cancer information.
 - On average per month, more than 6,000 individuals use the Komen Foundation's interactive video to learn how to perform breast self-exam properly.
 - More than 4,000 individuals per month learn about breast cancer, risk, diagnosis and treatment through the Komen Foundation's audiovisual tutorial, Anatomy of Breast Cancer.
 - Provides a safe community where people can exchange information, share their experiences and receive support 24/7.

- A highly visited section of the Web site, About Breast Cancer provides a vast array of user-friendly, reliable, up-to-date breast cancer information developed by the Harvard School of Public Health under the direction of Komen Foundation staff.
- The Komen Foundation offers a national toll-free breast care Helpline to empower patients and their families by providing personalized support, educational information and resources.
 - Trained Helpline volunteers and staff have personally assisted more than half a million patients and their families.
 - Offer Helpline assistance to the hearing impaired through TDD and to those who speak Spanish.

Advancing the breast cancer cause

The collective efforts of the Susan G. Komen Breast Cancer Foundation have advanced the cause of breast cancer in America and around the world. The Foundation has not only raised awareness of breast cancer, it has been a pioneer in raising the standards of care that patients receive today. The Komen Foundation is funding some of the most promising and exciting research in breast cancer – research that will lead to more saved lives, provide better treatment options and, hopefully, find a way to prevent breast cancer from occurring in the first place.

The Komen Foundation is proud of its achievements, yet we recognize there is still much more to be done. And until a cure is found, we will continue to make a positive difference in how breast cancer affects people today. Our efforts have contributed to the decrease we have seen in breast cancer death rates have decreased since 1990. And while widespread awareness and early detection mean more people are being diagnosed with the disease, more women are surviving breast cancer and enjoying a higher quality of life than ever before.

FORM 990, PART III, Organization's Primary Exempt Purpose

The Susan G. Komen Breast Cancer Foundation was established in 1982 by Nancy Brinker to honor the memory of her sister, Susan G. Komen, who died from breast cancer at the age of 36. Today, the Foundation is an international organization with a network of over 75,000 volunteers working through local Affiliates and events like the Komen Race for the Cure® to eradicate breast cancer as a life-threatening disease. A global leader in the fight against breast cancer, the Foundation fulfills its mission through support of innovative breast cancer research grants, meritorious awards and community-based outreach programs.

The Susan G. Komen Breast Cancer Foundation Race for the Cure® Series is the largest series of 5K runs/fitness walks in the world. Since its origination in Dallas, Texas, in 1983, the Komen Race for the Cure® Series has grown from one local Race with 800 participants to a national series of more than 100 Races with nearly 1.4 million people expected to participate in 2004.

Proceeds from events like the Komen Race for the Cure® Series fund global research efforts, meritorious awards and local breast health and breast cancer outreach programs. Up to 75 percent of the net monies raised by Komen Affiliates stay at the local level to fund outreach programs and initiatives that address the specific unmet breast health needs of the community. Such initiatives include breast cancer screening programs, health fairs, wellness clinics, speakers' bureaus and educational outreach and treatment projects. In order to ensure their funds are making the greatest impact, Komen Affiliates work with local medical experts and community leaders to conduct comprehensive community needs assessments. These community profiles are then used to develop local grant applications and guide the awards process so that it is consistent with the Foundation's standards and mission.

Research and Awards: Remaining net monies (a minimum of 25 percent) from Komen Affiliate events, along with the generous support of our corporate partners, donors and Foundations, help fund the Komen Foundation Award and Research Grant Program, which provides funding for innovative breast cancer research and a variety of meritorious awards. From its inception in 1982, the Foundation has awarded more than \$157 million for breast cancer research. Oftentimes, the Komen Foundation is the only source of funding for cutting-edge breast cancer research, some of which has led to landmark discoveries in the quest to find a cure for and eventually prevent breast cancer. The Komen Foundation adheres to a peer-review process that is recognized by the National Cancer Institute (NCI). In the case of basic, clinical and translational research grants, applications are reviewed through a blind, or anonymous, peer-review process. The current program includes:

- Training grants to doctoral dissertation students and postdoctoral fellows to recruit and retain young scientists in the field of breast cancer research;

- Basic, clinical and translational grants that encompass a broad number of focus areas including detection, diagnosis, prognosis, risk, prevention, treatment, tumor cell biology, and complementary and alternative therapies;
- Imaging technology research to improve breast cancer screening and diagnosis; and
- Epidemiological research to address the disparities that exist in breast cancer incidence and mortality rates among specific populations.

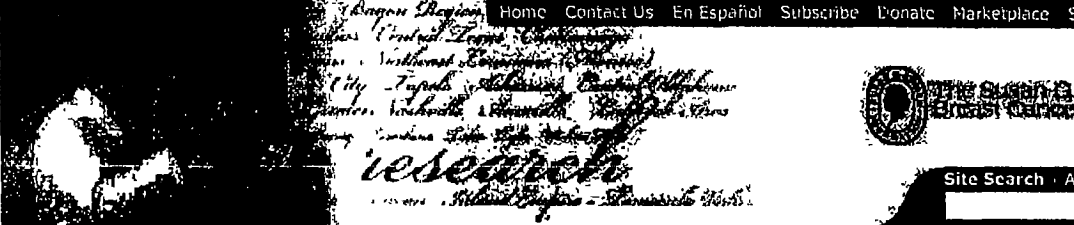

In addition to funding research grants, the Foundation supports a meritorious award program that includes the Komen Foundation's Brinker Award for Scientific Distinction, the Komen Scholarship Program, Interdisciplinary Fellowships and the Professor of Survivorship Awards.

Education and Outreach: The Susan G. Komen Breast Cancer Foundation is a trusted source of breast health and breast cancer information for people all over the world and is instrumental in connecting people with the resources they need in their fight against breast cancer. The Foundation is an educational resource for various audiences including the general public, Komen Affiliates and staff, health care providers, corporate partners, and congressional leaders. Education and outreach are accomplished through a Web site, a National Toll-Free Breast Care Helpline, newsletters, conferences, trainings, print and audio visual educational materials and partnerships.

The Foundation's award-winning Web site, www.komen.org, is one of the most comprehensive breast cancer resources online today. In addition to educational information and resources, the site offers an online breast self-examination instruction tool, up-to-the-minute information about research findings, local outreach initiatives, volunteer opportunities, events and Komen Foundation programs and partners. The Foundation also operates a National Toll-Free Breast Care Helpline, 1.800 I'M AWARE®, that is answered by a trained and caring staff.

To aid in efforts to reach minority populations with culturally appropriate breast health information, the Foundation supports three advisory councils: the African American National Advisory Council, the National Hispanic/Latina Advisory Council and the Asian American/Pacific Islander National Advisory Council. Their mission is to provide guidance and direction on programs designed to reduce the disparities in mortality of breast cancer among their respective communities.

Financial Reporting: The Susan G. Komen Breast Cancer Foundation has elected to file a Headquarters 990 and a Group 990, consolidating its 112 Affiliates. In order to fully assess the organization's Fiscal Year Ending March 31, 2004, financial results, the Group 990 and Headquarters 990 must be consolidated. A copy of the Foundation's consolidated audited financial statements is available at www.komen.org.

Section 1.04. **Purposes.** In furtherance of the purposes set forth in Section 1.02 hereof, the Corporation may receive property by gift, devise or bequest, invest or reinvest the same, and apply the income and principal thereof, as the Board of Directors may from time to time determine, either directly or through contributions to any charitable organization or organizations, exclusively for charitable, scientific, or educational purposes provided such purposes are substantially related to the support of education, research, detection, prevention and treatment or study of breast cancer and to support services for people affected by breast cancer in the service area described in the Corporation's Affiliation Agreement with the Susan G. Komen

ARTICLE II
Members

Section 2.01. Membership. The Corporation may have one or more classes of members. The Board of Directors shall set forth the rights and benefits of membership provided, however, that, subject to Section 7.04 of these Bylaws, no class of member shall have the power to vote on any matter regarding the governance or affairs of the Corporation.

Section 2.02 Meetings of Members The Board of Directors may provide, by resolution, the time and place for the holding of meetings of the members, if any. Meetings of the members may be held at such places within or without the State of Delaware as may be fixed by the Board in the notice of meeting.

Notice of any meeting shall be given at least fourteen (14) days prior thereto by written notice delivered personally or mailed to each member at her business address, or by telegram, telex, telecopy or similar means of visual data transmission, or by publication in a newsletter published by the Corporation and mailed to members. If mailed, such notice shall be deemed to be delivered three (3) days after being deposited in the United States mail so addressed, with postage thereon prepaid. If notice is provided by telegram, telex, telecopy or similar means of visual data transmission, such notice shall be deemed to be delivered when transmitted for delivery to the recipient. The notice of any meeting shall set forth the purpose, time and place of such meeting. The presence of at least a majority of the members shall be considered a quorum for the conduct of such meeting.

ARTICLE III
Board of Directors

Section 3.01 Power of Board The business and affairs of the Corporation shall be managed by or under the direction of its Board of Directors.

Section 3.02 Number and Qualification of Directors. The number of directors constituting the entire Board of Directors shall be fixed by the Board of Directors and, except as otherwise set forth below, shall be neither less than five (5) nor more than fifteen (15). The number of directors may be increased or decreased within the aforementioned limits by action of the Board; provided, however, that no decrease in the number of directors shall have the effect of shortening the term of any incumbent director. Unless otherwise required by law, the Certificate of Incorporation or these Bylaws, a director need not be a member of the Corporation. A paid employee of the Corporation is not eligible to serve as a director until one (1) year after such employment relationship has ceased, except that such employee may serve as an *ex-officio* member of the Board.

Section 3.03 Election and Term of Directors. Directors shall be elected at the annual meeting of the Board of Directors by an affirmative vote of a majority of the directors then in office, and each shall continue in office for a term of three (3) years and until her successor is elected or qualified (unless the Board, at the annual meeting, determines that there is to be no such immediate successor), or until her death, resignation, or removal. The tenure of incumbent members of the Board of Directors shall not be affected by an increase or decrease in the number of directors. The terms of office of directors shall be staggered so that the term of no more than one-third (1/3) of the directors shall expire in any single year. If the number of directors is increased, the term of a director elected to such a newly created vacancy shall end at such time as is consistent with the immediately preceding sentence.

Section 3.04 Term Limits for Directors. No person shall serve more than two (2) complete consecutive terms (i.e. no more than six [6] consecutive years); provided however, that any person who has served two (2) such complete consecutive terms shall be eligible for reelection after a one (1) year absence.

Section 3.05 Vacancies and Newly-Created Directorships. Vacancies and newly-created directorships, resulting from any increase in the authorized number of directors, may be filled by a majority vote of the directors then in office although less than a quorum, or by a sole remaining director. A director elected to fill a vacancy shall hold office until the expiration of the term of the vacant directorship being filled and until her successor is elected and qualified or until her death, resignation, or removal.

Section 3.06 Removal of Directors. Any one or more of the directors may be removed, with or without cause, at any duly convened special or regular meeting of the directors by the affirmative vote of a majority of the then-serving directors; provided, however, that notice of the intent to take such action shall have been given in the notice calling such meeting and the affected director shall be given the opportunity to make a presentation to the Board on her behalf.

Section 3.07 Resignations. Any director may resign at any time upon written notice to the Corporation. Such resignation shall take effect at the time specified therein (or immediately if no time is specified), and unless otherwise specified therein no acceptance of such resignation shall be necessary to make it effective.

Section 3.08 Quorum of Directors and Action of the Board. Unless a greater proportion is required by law or by the Certificate of Incorporation or these Bylaws, a majority of the total number of directors shall constitute a quorum for the transaction of business, and except as otherwise provided by law or by the Certificate of Incorporation or these Bylaws, a vote of the majority of the directors present at a meeting at the time of such vote if a quorum is then present shall be the act of the Board.

Section 3.09 Meetings of the Board. An annual meeting of the Board of Directors shall be held each year at such time and place as shall be fixed by the Board of Directors, for the election of officers and directors and for the transaction of such other business as may properly come before the meeting. If the day fixed for the annual meeting shall be a legal holiday, such meeting shall be held on the next succeeding business day. The Board of Directors shall meet no less frequently than once each calendar quarter. The Board of Directors may provide, by resolution, the time and place for the holding of additional regular meetings without notice other than the notice provided by such resolution. Special meetings of the Board may be held at any time whenever called by the President, or any two directors. Meetings of the Board of Directors may be held at such places within or without the State of Delaware as may be fixed by the Board for annual and regular meetings and in the notice of meeting for special meetings.

Section 3.10 Notice. Notice of any special meeting shall be given at least seven (7) days prior thereto by written notice delivered personally or mailed to each director at her business address, or by telegram, telex, telecopy or similar means of visual data transmission ,or by e-

mail If mailed, such notice shall be deemed to be delivered three (3) days after being deposited in the United States mail so addressed, with postage thereon prepaid. If notice is provided by telegram, telex, telecopy or similar means of visual data transmission, or by e-mail, such notice shall be deemed to be delivered when transmitted for delivery to the recipient. The notice of any special meeting shall set forth the purpose, time and place of such meeting. Any director may waive notice of any meeting. The attendance of a director at a meeting shall constitute a waiver of notice of such meeting, except where a director attends a meeting expressly to object, at the beginning of the meeting, to the manner in which the meeting was called or convened.

~~Section 3.11 Action of Directors Without a Meeting; Meetings by Conference Telephone.~~ Unless otherwise restricted by law, the Certificate of Incorporation or these Bylaws, any action required or permitted to be taken at any meeting of the Board of Directors may be taken without a meeting if all of the members of the Board of Directors consent thereto in writing, and the writing or writings are filed with the minutes of proceedings of the Board.

Unless otherwise restricted by law, the Certificate of Incorporation or these Bylaws, any one or more members of the Board may participate in a meeting of such Board by means of conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other. Participation in a meeting by such means shall constitute presence in person at the meeting.

~~Section 3.12 Compensation of Directors, Reimbursement of Expenses.~~ The Corporation shall not pay any compensation to directors for services rendered to the Corporation as a director. Directors may nonetheless be reimbursed for reasonable expenses incurred in the performance of their duties to the Corporation, including expenses for attendance at meetings of the Board of Directors, in reasonable amounts as approved by a majority of the entire Board. Members of Committees of the Board may, by appropriate resolution of the Board of Directors, be allowed similar reimbursement of expenses.

~~Section 3.13 Proxies.~~ A director may not confer by proxy the authority to attend any meeting and vote on such director's behalf

ARTICLE IV
Committees; Advisors

Section 4.01 Executive Committee. The Board of Directors at its annual meeting may appoint from among its members an Executive Committee to serve at the direction of the Board. If the Corporation has an Executive Committee, such committee shall consist of no less than three (3) persons and no more than five (5) persons, all of whom shall be directors, and shall include the President, Secretary and Treasurer. The Executive Committee shall have the authority to (i) authorize disbursements by the Corporation not to exceed the greater of (a) \$10,000 or (b) ten percent (10%) in excess of any line item approved for such disbursement in the annual budget approved by the Board of Directors in any one disbursement, but not to exceed, in the aggregate, the annual budget approved by the Board of Directors for all disbursements, (ii) authorize contracts subject to such financial limits, (iii) employ agents, and (iv) carry into execution such other measures as it may deem appropriate to promote the purposes of the Corporation, subject to the supervision of the Board of Directors. Subject to the foregoing and Section 4.03, the Executive Committee shall possess and exercise all other powers and functions of the Board of Directors during the intervals between meetings of the Board of Directors in all cases in which specific directions shall not have been given by the Board of Directors.

Section 4.02 Grants Committee; Race Committee. The Corporation shall establish a Grants Committee. The Grants Committee shall establish standards and procedures for grant-making by the Corporation. Such standards and procedures shall comply, in all respects, with the grant making guidelines and policies promulgated by the Komen Foundation. The Grants Committee shall also make recommendations to the Board of Directors for all grants, but the Board of Directors must approve all grants. If the Corporation sponsors a Komen Race for the Cure®, the Board of Directors shall appoint a Race Committee. The Grants Committee and Race Committee shall each consist of at least one (1) or more directors of the Corporation, and the chair of the committee shall be a director. A majority of the members of either of these committees shall not serve on the other committee.

Section 4.03 General Committee Provisions. The Board of Directors may, by resolution passed by a majority of the entire Board, designate and appoint one or more other committees under such name or names and for such purpose or function as may be deemed

appropriate. Any such committee, to the extent provided in the resolution of the Board of Directors, shall have and may exercise all the powers and authority of the Board in the management of the business and affairs of the Corporation, and may authorize the seal of the Corporation to be affixed to all papers which may require it; provided, however, that no Committee (including the Executive Committee) shall have the power or authority in reference to amending the Certificate of Incorporation, adopting an agreement of merger or consolidation, recommending to the members the sale, lease, or exchange or all or substantially all of the Corporation's property and assets, recommending to the members a dissolution of the Corporation or a revocation of dissolution, amending the Bylaws of the Corporation, filling any vacancy on the Board of Directors, repealing any action taken by the Board of Directors, or taking any action required to be taken by the Board of Directors under the General Corporation Law of the State of Delaware. Moreover, to the extent that any committee has a majority of its members who are not directors, such committee shall be subject to the oversight of the Board of Directors. The designation of any such committee and delegation thereto of authority shall not alone relieve any director of her duty under law to the Corporation.

Section 4.04. Committee Rules. In the absence of a contrary provision by the Board of Directors, a majority of the entire authorized number of members of each committee shall constitute a quorum for the transaction of business, the vote of a majority of the members present at a meeting at the time of such vote if a quorum is then present shall be the act of such committee, and each committee shall otherwise conduct its business in the same manner as the Board of Directors conducts its business under Article III of these Bylaws.

Unless otherwise restricted by the Certificate of Incorporation or these Bylaws, any action required or permitted to be taken at any meeting of such committee may be taken without a meeting if all members of such committee consent in writing to the adoption of a resolution authorizing the action. The resolution and the written consents thereto by the members of the committee shall be filed with the minutes of proceedings of such committee.

Any one or more members of such committee may participate in a meeting of the committee by means of a conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other. Participation in a meeting by such means shall constitute presence in person at the meeting.

Section 4.05. Committee Vacancies; Changes; Discharge Each committee of the Board of Directors, and each member thereof, shall serve at the pleasure of the Board and the Board shall have the power at any time to fill vacancies in, to change the membership of, or to discharge any committees or any member thereof, with or without cause.

Section 4.06. Committee Records. Minutes shall be kept of each meeting of each committee. Copies of the minutes of each such meeting shall be filed with the corporate records and supplied to each member of the Board of Directors.

Section 4.07. Advisors to the Corporation. The Corporation may have one or more Advisory Boards, which shall serve solely in an advisory capacity to the Corporation and which shall function in the manner provided for directors in Article III hereof. The Board of Directors, by resolution adopted by a majority of Directors in office, may elect or appoint any person or persons to act in any other advisory capacity to the Corporation, including, but not limited to, special councils and advisory boards, or in any honorary capacity with respect to the Corporation.

ARTICLE V Officers, Agents, and Employees

Section 5.01 Officers. The Board of Directors shall elect or appoint a President, a Secretary, and a Treasurer of the Board. The Board may also elect or appoint one or more Vice Presidents, Assistant Secretaries, Assistant Treasurers, and other officers of the Board, and may give any of them such further designation or alternative titles as it considers desirable. The same person may hold any two or more offices except that the President and Treasurer may not simultaneously hold another office. In addition, the Chairs of the Grants Committee and Race Committee may not serve as officers of the Board.

Section 5.02 Term of Office; Vacancies; Removal. Subject to the limitations set forth in Section 3.04 herein, each officer shall hold office for a term of one year and until her successor is elected or appointed and qualified or until her earlier death, resignation, or removal. All officers shall be elected or appointed at the annual meeting of the Board of Directors. Vacancies resulting from any resignation or removal may be filled by the Board of Directors. An officer appointed or elected to fill a vacancy shall hold office for the unexpired term of her

predecessor in office, and until her successor is elected and qualified. Any officer may be removed by the Board, with or without cause at any time, whenever in its judgment the best interests of the Corporation would be served thereby; provided, however, that any such removal shall be without prejudice to the contract rights, if any, of the person so removed. Election or appointment as an officer or agent of the Corporation shall not in and of itself create any contract rights.

Section 5.03 Resignation Any officer may resign at any time by giving written notice to the Corporation. Unless otherwise specified in the written notice, the resignation shall be effective upon delivery to the Corporation and no acceptance of such resignation shall be necessary to make it effective.

Section 5.04 Powers and Duties of Officers of the Board Subject to the control of the Board of Directors, all officers of the Board as between themselves and the Corporation shall have such authority and perform such duties in the management of the Corporation as may be provided by the Board and, to the extent not so provided, as generally pertain to their respective offices.

A. **President.** The President shall serve as the chief executive officer of the Corporation. The President shall preside at all meetings of the Board of Directors and the Executive Committee, if any, and, subject to the supervision of the Board of Directors, shall perform all duties customary to that office and shall supervise and control all of the affairs of the Corporation in accordance with policies and directives approved by the Board of Directors. The President shall serve as an *ex officio* member of all committees of the Corporation.

B. **Vice Presidents.** In the absence of the President or in the event of her inability or refusal to act, the Vice President (or should there be more than one Vice President, the Vice Presidents in the order designated at the time of their election, or in the absence of any such designation, then in the order of their election) shall perform the duties of the President, and, when so acting, shall have all the powers of, and be subject to all the restrictions upon, the President. The Vice Presidents shall perform such other duties and have such other powers as the Board of Directors may from time to time

prescribe by standing or special resolution, or as the President may from time to time provide, subject to the powers and the supervision of the Board of Directors.

C. Secretary. The Secretary shall be responsible for the keeping of an accurate record of the proceedings of all meetings of the Board of Directors, shall give or cause to be given all notices in accordance with these Bylaws or as required by law, and, in general, shall perform all duties customary to the office of Secretary. The Secretary shall have custody of the corporate seal of the Corporation, if any; and she shall have the authority to affix the same to any instrument requiring it; and, when so affixed, it may be attested by her signature. The Board of Directors may give general authority to any officer to affix the seal of the Corporation, if any, and to attest the affixing by her signature.

D. Treasurer. The Treasurer shall have the custody of, and be responsible for, all funds and securities of the Corporation. She shall keep or cause to be kept complete and accurate accounts of receipts and disbursements of the Corporation, and shall deposit all monies and other valuable property of the Corporation in the name and to the credit of the Corporation in such banks or depositories as the Board of Directors may designate. Whenever required by the Board of Directors, the Treasurer shall render a statement of accounts. She shall at all reasonable times exhibit the books and accounts to any officer or director of the Corporation, and shall perform all duties incident to the office of Treasurer, subject to the supervision of the Board of Directors, and such other duties as shall from time to time be assigned by the Board of Directors. The Treasurer shall, if required by the Board of Directors, give such bond or security for the faithful performance of her duties as the Board of Directors may require, for which she shall be reimbursed. The Treasurer shall satisfy such standards as may be set forth in the Affiliate Policies and Affiliation Agreement of and with the Komen Foundation.

Section 5.05 Agents and Employees. The Board of Directors may appoint agents and employees who shall have such authority and perform such duties as may be prescribed by the Board. The Board may remove any agent or employee at any time with or without cause. Removal without cause shall be without prejudice to such person's contract rights, if any, and the appointment of such person shall not itself create contract rights.

Section 5.06 Compensation of Officers, Agents, and Employees. The Corporation shall not pay any compensation to officers of the Board for their services rendered to the corporation as officers. Officers may nonetheless be reimbursed for reasonable expenses incurred in the performance of their duties to the corporation. The Corporation may pay compensation in reasonable amounts to agents and employees for services rendered, such amount to be fixed by the Board or, if the Board delegates power to any officer or officers, then by such officer or officers. The Board may require officers, agents, or employees to give security for the faithful performance of their duties

ARTICLE VI
Transactions of the Corporation

Section 6.01 Checks, Notes, Contracts, Deposits. The Board of Directors shall determine who shall be authorized from time to time on the Corporation's behalf (a) to sign checks, drafts, or other orders for payment of money; (b) to sign acceptances, notes, or other evidences of indebtedness; (c) to enter into contracts; or (d) to execute and deliver other documents and instruments. All funds of the Corporation shall be deposited to the credit of the Corporation in banks, trust companies, or other depositories that are selected by the Board of Directors.

Section 6.02 Contributions to and by the Corporation. The Board of Directors, or its designee, may solicit and accept on behalf of the Corporation any contribution, gift, bequest, or devise for the general purposes or for any particular purpose of the Corporation set forth in Section 1.04 hereof; provided, however, that no restricted contribution shall be accepted on behalf of the Corporation until the Board of Directors has determined that acceptance of the restricted contribution is in the best interest of the Corporation and is in accordance with the Affiliate Policies and Affiliation Agreement of and with the Komen Foundation. The Board of Directors may make gifts, contributions, and grants to the extent not prohibited by these bylaws, the Certificate of Incorporation, state law, or any requirements for maintaining the Corporation's status as an organization described in Code section 501(c)(3).

Section 6.03 Loans to Directors and Officers. The Corporation shall make no loans to its officers, directors, advisors, or members; provided, however, that the Corporation shall not be prohibited from making advances to cover the costs of expenses incurred on behalf of the

Corporation to the extent such advances are consistent with policies and procedures established by the Board of Directors.

Section 6.04 Participation of Directors, Advisors, and Officers in Related Business.

Unless otherwise provided by contract or resolution of the Board of Directors, and subject to the disclosure obligations set forth in the Corporation's Conflict of Interest Policy described in Section 6.05 below, officers, directors, and advisors of the Corporation may hold any position as officers and directors of other corporations, whether for-profit or not-for-profit, in related businesses, and their efforts to advance the interests of those corporations shall not create a breach of fiduciary duty to this Corporation in the absence of bad faith.

Section 6.05 Conflict of Interest Policy. The Corporation shall adopt a conflict of interest policy for officers and directors substantially in the form described from time to time in the Affiliation Agreement with the Komen Foundation (the "Conflict of Interest Policy").

Section 6.06 Distribution of Assets on Dissolution of the Corporation. Upon the dissolution of the Corporation, its assets shall be distributed in accordance with the Corporation's Certificate of Incorporation.

Section 7.03 Books and Records. The Corporation shall keep at its office correct and complete books and records of account, the activities and transactions of the Corporation, minutes of the proceedings of the Board of Directors and any committee of the Corporation, and a current list of the members, directors, and officers of the Corporation and their residence

addresses. Any of the books, minutes, and records of the Corporation may be in written form or in any other form capable of being converted into written form within a reasonable time.

Section 7.04 Amendment of Certificate of Incorporation and Bylaws. The Certificate of Incorporation of the Corporation may be amended in whole or in part with consent of the Komen Foundation and a majority of the directors voting at a meeting with a quorum (or by unanimous consent) pursuant to the procedure outlined in Title 8, Section 242(b)(3) of the Delaware General Corporation Law. The Bylaws of the Corporation may be adopted, amended, or repealed in whole or in part with the consent of the Komen Foundation and a majority of the directors voting at a meeting with a quorum (or by unanimous consent). Solely for these purposes, to the extent required under Delaware law, the Komen Foundation shall be treated as a voting member of the Corporation.

To the extent you need or wish to have this information in your files, attached please find a copy of the official Certificate of Withdrawal issued by the Secretary of State of Connecticut evidencing the referenced Affiliate has withdrawn their Certificate of Authority to conduct business in the State effective as of April 7, 2003. Please note this change for your records.

RE: Greater Amarillo Affiliate of the Susan G. Komen Breast Cancer Foundation, Inc.
File Number: 800215792

It has been our pleasure to file the application for certificate of authority and issue the enclosed certificate of authority authorizing the referenced foreign non-profit corporation to conduct its affairs in Texas.

Corporations authorized to conduct affairs in Texas under the Texas Non-Profit Corporation Act do not automatically qualify for an exemption from state taxes. Shortly, the Comptroller of Public Accounts will be contacting the corporation at its registered office for information that will assist the Comptroller in setting up the franchise tax account for the corporation. If you need to contact the Comptroller about franchise taxes or exemption therefrom, you may contact the agency by calling (800) 252-1381, by e-mail to tax.help@cpa.state.tx.us or by writing P. O. Box 13528, Austin, TX 78711-3528. Telephone questions regarding other business taxes, including sales taxes, should be directed to (800) 252-5555. Information on exemption from federal taxes is available from the Internal Revenue Service.

Non-profit corporations do not file annual reports with the Secretary of State, but do file a report not more often than once every four years as requested by the Secretary. It is important for the corporation to continuously maintain a registered agent and office in Texas as this is the address to which the Secretary of State will send a request to file a periodic report. Failure to maintain a registered agent or office in Texas, failure to file a change to the agent or office information, or failure to file a report when requested may result in involuntary revocation of the certificate of authority of the corporation. Additionally, an application for amended certificate of authority must be filed with the Secretary of State if the corporation changes its name, changes the purposes to be pursued in Texas, or changes the assumed name it elected to use on its certificate of authority.

If we can be of further service at any time, please let us know.

Sincerely,
Corporations Section

(a Texas nonprofit corporation) (the "Komen Foundation"), and to engage in any lawful activity for which corporations may be organized under the Delaware General Corporation Law that are incidental to the foregoing purposes or may be otherwise necessary or appropriate to more fully accomplish the foregoing purposes of the Corporation, and which are not inconsistent with its qualification under Code Section 501(c)(3).

3. In furtherance of its corporate purposes, the Corporation shall have all the general powers enumerated in Sections 121 and 122 of the Delaware General Corporation Law as now in effect or as may hereafter be amended, together with the power to solicit grants and contributions for such purposes.

FOURTH: The Corporation is not organized for profit and shall not have authority to issue capital stock.

NINTH: The duration of the existence of the Corporation is perpetual.

TENTH: 1. No part of the net earnings of the Corporation shall inure to the benefit of, or be distributable to, any director, officer, or member of the Corporation or any other private person, except that the Corporation shall be authorized and empowered to pay reasonable compensation for services rendered to or for the Corporation and to make payments and distributions in furtherance of the purposes set forth in Article **THIRD** hereof.

2. No substantial part of the activities of the Corporation shall be the carrying on of propaganda, or otherwise attempting to influence legislation (except as otherwise permitted by Section 501(h) of the Code and in any corresponding laws of the State of Delaware), and the Corporation shall not participate in or intervene in (including the publishing or distribution of statements concerning) any political campaign on behalf of or in opposition to any candidate for public office.

3. During such period, or periods, of time as the Corporation is treated as a "private foundation" pursuant to Section 509 of the Code, the directors must distribute the Corporation's income at such time and in such manner so as not to subject the Corporation to tax under Section

4942 of the Code, and the Corporation is prohibited from engaging in any act of self-dealing (as defined in Section 4941(d) of the Code), from retaining any excess business holdings (as defined in Section 4943(c) of the Code) which would subject the Corporation to tax under Section 4943 of the Code, from making any investments or otherwise acquiring assets in such manner so as to subject the Corporation to tax under Section 4944 of the Code, from retaining any assets which would subject the Corporation to tax under Section 4944 of the Code if the directors have acquired such assets, and from making any taxable expenditures (as defined in Section 4945(d) of the Code).

4. Notwithstanding any other provision of this Certificate of Incorporation, the Corporation shall not directly or indirectly carry on any activity which would prevent it from obtaining exemption from Federal income taxation as a corporation described in Section 501(c)(3) of the Code, or cause it to lose such exempt status, or carry on any activity not permitted to be carried on by a corporation, contributions to which are deductible under Sections 170(e)(2), 2055(a)(2), and 2522(a)(2) of the Code.

ELEVENTH: In the event of dissolution or final liquidation of the Corporation, all of the remaining assets and property of the Corporation shall, after paying or making provision for the payment of all of the liabilities and obligations of the Corporation and for necessary expenses thereof, be distributed as the Board of Directors shall determine for one or more exempt purposes within the meaning of Section 501(c)(3) of the Code, provided such purposes are consistent with Article THIRD hereof, including to such organization or organizations organized and operated exclusively for charitable, scientific, or educational purposes as shall at the time qualify as an exempt organization or organizations under Section 501(c)(3) of the Code. Such distributions shall be made to organizations within the Corporation's service area described in Article THIRD, paragraph 2 and/or the Komen Foundation in the same proportions that such assets would have been distributed had the Corporation continued in existence. In no event shall any of such assets or property be distributed to any director or officer, or any private individual for other than a charitable purpose.

TWELFTH: No director shall be personally liable to the Corporation or to any member for monetary damages for any breach of fiduciary duty by such director as a director. Notwithstanding the foregoing sentence, a director shall be liable to the extent provided by applicable law (a) for breach of the director's duty of loyalty to the Corporation, (b) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, or (c) for any transaction from which the director derived an improper personal benefit. Moreover, such relief from liability shall not apply in any instance when such relief is inconsistent with Code Section 4958 or any provision of the Code applicable to corporations described in Code Section 501(c)(3). No amendment to or repeal of this Article TWELFTH shall apply to or have any effect on the liability or alleged liability of any director of the Corporation for or with respect to any acts or omissions of such director occurring prior to such amendment.

THIRTEENTH: 1. Each person (including a volunteer,) who was or is made a party or is threatened to be made a party to or is involved in any action, suit, or proceeding, whether civil, criminal, administrative, or investigative (hereinafter, a "proceeding"), by reason of the fact that she or a person of whom she is the legal representative, is or was a director, officer, employee, or agent of the Corporation or is or was serving at the request of the Corporation as a director, officer, employee, or agent of another corporation or of a partnership, joint venture, trust, or other

enterprise, including, without limitation, service with respect to employee benefit plans, whether the basis of such proceeding is alleged action in an official capacity as a director, officer, employee, or agent or in any other capacity while serving as a director, officer, employee, or agent, shall be indemnified and held harmless by the Corporation to the fullest extent authorized by the General Corporation Law of Delaware, as the same exists or may hereafter be amended (but, in the case of any such amendment, only to the extent that such amendment permits the Corporation to provide broader indemnification rights than said law permitted the Corporation to provide prior to such amendment), against all expense, liability, and loss (including attorneys' fees, judgments, fines, excise taxes, or penalties arising under the Employee Retirement Income Security Act of 1974, as amended, and amounts paid or to be paid in settlement) reasonably incurred or suffered by such person in connection therewith and such indemnification shall continue as to a person who has ceased to be a director, officer, employee, or agent and shall inure to the benefit of her heirs, executors, and administrators; provided, however, that, except as provided in Section 2 of this Article THIRTEENTH with respect to proceedings seeking to enforce rights to indemnification, the Corporation shall indemnify any such person seeking indemnification in connection with a proceeding (or part thereof) initiated by such person only if such proceeding (or part thereof) was authorized by the Board of Directors. The right to indemnification conferred in this Section 1 shall be a contract right and shall include the right to be paid by the Corporation the expenses incurred in defending any such proceeding in advance of its final disposition; provided, however, that if the General Corporation Law of Delaware permits the payment of such expenses incurred by a director, officer, employee or agent in her capacity as a director, officer, employee or agent (and not in any other capacity in which service was or is rendered by such person while a director, officer, employee or agent including, without limitation, service to an employee benefit plan) in advance of the final disposition of a proceeding, such payments shall be made only upon delivery to the Corporation of an undertaking, by or on behalf of such director, officer, employee or agent to repay all amounts so advanced if it shall ultimately be determined that such director, officer, employee or agent is not entitled to be indemnified under this Section 1 or otherwise.

2. If a claim under Section 1 of this Article THIRTEENTH is not paid in full by the Corporation within thirty (30) days after a written claim has been received by the Corporation, the claimant may at any time thereafter bring suit against the Corporation to recover the unpaid amount of the claim and, if successful in whole or in part, the claimant shall also be entitled to be paid the expense of prosecuting such claim. It shall be a defense to any such action (other than an action brought to enforce a claim for expenses incurred in defending any proceeding in advance of its final disposition where the required undertaking, if any is required, has been tendered to the Corporation) that the claimant has not met the standards of conduct which make it permissible under the General Corporation Law of Delaware for the Corporation to indemnify the claimant for the amount claimed, but the burden of proving such defense shall be on the Corporation. Neither the failure of the Corporation (including its Board of Directors or independent legal counsel) to have made a determination prior to the commencement of such action that indemnification of the claimant is proper in the circumstances because she has met the

applicable standard of conduct set forth in the General Corporation Law of Delaware, nor an actual determination by the Corporation (including its Board of Directors or independent legal counsel) that the claimant has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that the claimant has not met the applicable standard of conduct.

3. The right to indemnification and the payment of expenses incurred in defending a proceeding in advance of its final disposition conferred in this Article THIRTEENTH shall not be exclusive of any other right which any person may have or hereafter acquire under any statute, provision of this Certificate of Incorporation, the Bylaws of the Corporation, agreement, vote of disinterested directors, or otherwise.

4. The Corporation may maintain insurance, at its expense, to protect itself and any director, officer, employee, or agent of the Corporation or another corporation, partnership, joint venture, trust, or other enterprise against any expense, liability, or loss, whether or not the Corporation would have the power to indemnify such person against such expense, liability, or loss under the General Corporation Law of Delaware.

5. In performing her duties, a director of the Corporation shall be entitled to rely on information, opinions, reports or statements, including financial statements and other financial data, in each case prepared or presented by (a) one or more officers or employees of the Corporation whom the director reasonably believes to be reliable and competent in the matters presented; (b) counsel, public accountants, or other persons as to matters which the director reasonably believes to be within such person's professional or expert competence; or (c) a committee of the Board of Directors upon which she does not serve, duly designated in accordance with a provision of the Bylaws as to matters within its designated authority, which committee the director deems to merit confidence, but she shall not be considered to be acting in good faith if she has knowledge concerning the matter in question that would cause such reliance to be unwarranted. A person who so performs her duties shall have no liability to the Corporation by reason of being or having been a director of the Corporation.

6. In no case, however, shall the Corporation indemnify, reimburse, or insure any person for any taxes imposed on such individual under Subchapter A of Chapter 42 of the Code, as now in effect or as may hereafter be amended. Further, if at any time the Corporation is deemed to be a private foundation within the meaning of Section 509 of the Code then, during such time, no payment shall be made under this Article THIRTEENTH if such payment would constitute an act of self-dealing or a taxable expenditure, as defined in Section 4941(d) or 4945(d), respectively, of the Code. Moreover, the Corporation shall not indemnify, reimburse, or insure any person in any instance where such indemnification, reimbursement, or insurance is inconsistent with Code Section 4958 or any provision of the Code applicable to corporations described in Code Section 501(c)(3).

7. If any part of this Article THIRTEENTH shall be found in any action, suit, or proceeding to be invalid or ineffective, the validity and the effectiveness of the remaining parts shall not be affected.
