Each bid will be submitted in a clearly marked sealed container or envelope, with the project title, Bid #, date and time of bid opening marked clearly on the outside of the package. If a selected bidder chooses not to submit a bid, the bid should be returned and marked "No Bid" for the project title, Bid #, date and time of bid opening on the envelope or package. All bids must be sent to:

**Lucas County Support Services, Purchasing Division
One Government Center, Suite 480
Toledo OH 43604-2247**

The entire set of completed ITB documents must be returned intact and in the following order:

- a. Original completed Request for Bid (ITB) and **one (1) copy**; this includes any amendments applicable to this ITB.
- b. Completed Affidavits: (1) Delinquent Property Tax, (2) Non-Discrimination, (3) Non-collusion, (4) No Findings for Recovery, (5) Compliance Affidavit for Businesses, (6) Transparency Purchasing Policy Disclosure and (7) Sweatfree Affidavit; all signed by your legally authorized representative and notarized.
- c. Bid Bond - Separated from (ITB) and Marked "Bid Bond", your Company's Name, Project Title and Bid Number. **The bid bond is mandatory.** A bidder will be disqualified if the bid bond is not submitted.
- d. The ITB Pricing Response Form completed in its entirety **(Section B)**.

Faxed transmissions of bid are unacceptable. Sealed bids received through the mail after the specified date and time will also be returned.

Lucas County reserves the right to postpone the bid opening for its convenience. Bidders are required to submit firm and fixed prices in the format specified on the pricing sheet **(Section B)**. When there are errors in multiplication or addition in a bid, the unit price quoted will be used for calculating the correct total bid. If the error is in the unit price, the bid will be automatically disqualified.

All bid pricing will be valid for 60 (sixty) calendar days from the bid opening date to permit adequate evaluation of bid responses.

Lucas County may make this award as a whole or on a partial basis, based on the individual bid specifications.

The Board of County Commissioners does not obligate itself to purchase the full quantities indicated and the unit price bid must be effective if purchase is less. Conversely, the Board's requirements may be in excess of the quantities shown and the successful bidder shall be required to furnish all requirements under the specification at the unit price bid for an agreed period of time.

Lucas County does not assume any late payment penalties. No condition will alter this statement.

Ohio Revised Code sections 307.90 and 307.91 permits Lucas County to reject all bids, waive technicalities, and to amend the original estimate and to advertise for new bids on the required items, products or services. Lucas County reserves the right to reject any or all of the bids on any basis without disclosure of a reason. The failure to make such a disclosure will not result in the accrual of any right, claim or cause of action by any unsuccessful bidder against Lucas County.

Bidders may withdraw their bids at any time prior to the bid opening date. After the bid opening, bidders may only withdraw their bids as provided in Section 9.31 of the Ohio Revised Code. Withdrawal of a bid after a bid opening exposes a bidder to legal liability for sanctions, including costs for re-bid, or may result in a bid being awarded to the next lowest bidder. Bidders failing to respond to all requirements specified in this ITB may result in the rejection of the bid.

Questions regarding the specifications outlined in this ITB should be directed in writing to:

Lynn DiPierro Email: ldipierr@co.lucas.oh.us
Support Services Manager Voice: (419) 213-4509
One Government Center Fax: (419) 213-4533
Suite 480
Toledo OH 43604

Bidders should carefully review all elements of their bids. Once opened, bids may not be altered. Each response in regard to this ITB shall be completed, self-contained and meet the requirements of the ITB. The County may initiate clarifications after the bid opening. However, these clarifications will not constitute an alteration of the bid submitted.

References to a particular trade name, manufacturer's catalog, or model number are made for descriptive purposes to guide the Bidder in interpreting the bid requirements. They should not be construed as excluding proposals on other types of materials, equipment and supplies. However, the successful Bidder will be required to furnish the particular item referred to in the bid specifications unless a departure or substitution is clearly noted and described in the proposal shown to be compatible with the specifications and accepted by the Board. Lucas County reserves the right to be the sole judge of suitability and fitness of the product bid.

Any deviations from the specifications must be clearly detailed on the exception form. **(Section C)**

If any items being bid have an expiration date, items delivered cannot be expired and must carry a good date for at least 6 (six) months after receipt.

There will be no incidental charges for services. If Lucas County has left any information out of these specifications where the Vendor would foresee additional charges/fees, bidder must include that information on the attached exception form.

All materials in the bid will become the property of Lucas County and may be returned only at the County's discretion. Materials received constitute public information as a matter of statutory law and will be made available for public inspection and copying upon request by members of the public pursuant to ORC Section 149.43. Any portion of the bid to be held confidential should be marked to that effect and will not be considered public record if it clearly falls within an exemption enumerated in ORC Section 149.43.

Additional information, such as brochures, glossies and or promotional materials, is to be provided in a separate section at the back of the response.

6.1 Additional Administrative Requirements - Compliance with Support Order(s)

Financial responsibility, integrity, and accountability are essential for operating a business that services the public. Unpaid obligations are a social problem, which threatens the welfare of children and increases the burden on taxpayers to provide social services. Due to the public's growing concern with non-paying parents, government initiatives to create additional, effective enforcement mechanisms are necessary. It is in the County's interest that all contractors doing business with Lucas County demonstrate financial responsibility and integrity and accountability.

All bidders must submit the completed "Compliance Affidavit For Businesses" with their bid. Once a lowest and best bidder has been determined and prior to award, this form will be submitted by Lucas County to the Child Support Enforcement Agency for certification of substantial compliance of court ordered and/or agency ordered child support of any individuals of the company who have twenty-five (25%) percent or greater vested interest in the company. If the individual is found to be not in compliance, said bidder will be notified that the individual is not in compliance and therefore the bidder/company/contractor is not in compliance and will have five (5) days to be in compliance from date of notification. Failure to comply will cause disqualification of the bidder's/company's /contractor's bid.

Bidders should contact Lucas County Child Support Enforcement Agency, (419) 213-3106, regarding this requirement should they have questions.

7.0 Contract Administration

The Lucas County Purchasing Department will administer the contract.

8.0 Bid Evaluation Criteria and Award

An award will be made to the provider who is considered lowest and best bid for the County's needs.

Lucas County Board of Commissioners reserves the right to reject any and all bids, to waive minor technicalities and to request a re-bid through the bid process. Lucas County reserves the right to conduct site visits of proposed facilities (at County expense) to determine capability of the bidder to perform.

9.0 Bid Alterations, Amendments, and Alternate Bids

No alterations, additions (alternate bids), or exceptions to the specifications contained herein are permitted except by amendments issued by the Lucas County Purchasing Department to all bidders that have received an ITB.

During the bid process, bidders may be furnished certain amendments covering additions or deletions to the ITB documents. Amendments will be included in the scope of work and will become a part of contract documents. Amendments may be issued up to seventy-two (72) hours preceding the bid opening date, excluding weekends and holidays.

Any prospective bidder desiring an explanation or interpretation of the ITB or specifications must request it in writing soon enough to allow a reply to reach all prospective bidders before the submission of their bids but no later than 5 (five) business days prior to the bid opening. Oral explanations or instructions given before the award of a contract will not be binding. Any information given a prospective bidder concerning the ITB will be furnished promptly to all other prospective bidders as an amendment, if that information is necessary in submitting bids or if the lack of it would be prejudicial to other prospective bidders.

10.0 Equal Opportunity Provisions Required

All bidders must be willing to enter a contract containing the express language contained in Section 125.111 of the ORC, which requires the following:

All bidders who contract with the state or any of its political subdivisions for materials, equipment, supplies, contracts of insurance, or services shall have a written affirmative action program for the employment and effective utilization of economically disadvantaged persons, as defined in Section 122.71 of the Revised Code. Annually, each such bidder shall file a description of the affirmative action program and a progress report on its implementation with the Ohio Civil Rights Commission and the Minority Business Development Office established under Section 122.92 of the Ohio Revised Code.

The bidder will not sublet or assign the contract nor shall any subcontractor commence performance of any part of the work included in the resulting contract, without the previous written consent of Lucas County.

15.0 Taxes

Lucas County does not pay local, state or Federal taxes. If requested, the bidder will be furnished with an exemption certificate.

Bidders must utilize pricing forms supplied in this document contained with **(Section B)**.

It is the County's intent to establish a contractual arrangement for specified commodity or service. Any services not specifically named on the pricing pages are to be named and priced on Additional Response Area **(Section C)**. Additional pricing may be submitted on subsequent pages so long as presented in a manner consistent with supplied format.

There will be no incidental charges for services. If Lucas County has left any information out of these specifications where the Bidder would foresee additional charges/fees, the bidder must include that information on the exception sheet found in **(Section C)**.

19.0 Termination for Convenience

Lucas County reserves the right to terminate the resulting contracts for its convenience by giving the bidder 30 (thirty) days written notice. Lucas County reserves the right to terminate during the contract period or any subsequent renewal period.

20.0 Termination for Default

Lucas County may terminate the contract at any time the bidder fails to carry out its provision under the terms and conditions of the specified contract after issuance of a cure notice. The bidder will have thirty days after notice of required improvement to make necessary corrections. If, after such notice, the bidder fails to remedy the conditions, Lucas County will issue an order to stop work immediately and terminate the contract without obligation.

21.0 Non-Acceptance Criteria for Work, Materials and Service

No certificate of payment, no provision in the bidding documents, or any partial shipment of materials or entire occupancy of government shall constitute an acceptance of work, materials or service not done or provided in accordance with the contract

documents, or relieve the bidder of liability for any express or implied warranties or responsibility for faulty materials or workmanship. The bidder shall remedy any defects in the work, material or service and pay for any other resulting damage to other work, material or equipment which appears within one year of final acceptance of the work, materials, or service unless a longer period is elsewhere specified. Nothing stated herein should relieve the bidder of common law liability for latent defects, which may appear after the expiration of the warranty period.

22.0 Performance Requirements

The delivery of any material, equipment, or the performance of any service that does not conform in all respects to the specifications will be rejected and the Board of Commissioner's representative and reasons for the rejection shall notify the Bidder. The Board of Commissioner's performance of the work, when the Bidder is not doing the work in accordance with the specifications of the contract, shall result in a claim against the bidder for all costs and damages which will be allowed by reason of such non-performance.

If the Bidder defaults or neglects to carry out the work in any respect in accordance with the contract documents and fails to correct the default, except where an extension of time is granted in writing by the County, the County upon written notice to the Bidder may, without prejudice to any other remedies the County may have, make the correction required. If the default or neglect results in a threat to the safety of persons or property, the Bidder must immediately commence to correct such default or neglect upon written or oral notice.

23.0 Indemnification

The Bidder awarded this contract shall assume the defense of, indemnify, and save harmless the County or any authorized political subdivision receiving services under this contract from any claims or liabilities of any type or nature to any person, bidder, or corporation arising in any manner from the bidders performance of the work required under this contract and shall pay any judgment obtained or growing out of said claims, liabilities, or any of them.

24.0 Non-Appropriation of Funds

Bidders are advised that although the term of this contract may span several fiscal years, this contract is contingent upon the County budgeting and appropriating the funds necessary for the

continuation of this contract in the current year. It is in the County's interest that all contractors doing business with Lucas County demonstrate financial responsibility and integrity and accountability.

All bidders **must submit** the **completed** "Compliance Affidavit For Businesses" with their bid. Once a lowest and best bidder has been determined and prior to award, this form will be submitted by Lucas County to the Child Support Enforcement Agency for certification of substantial compliance of court ordered and/or agency ordered child support of any individuals of the company who have twenty-five percent (25%) or greater vested interest in the company. If the individual is found to be not in compliance, said bidder will be notified that the individual is not in compliance and therefore the bidder/company/contractor is not in compliance and will have five (5) days to be in compliance from date of notification. Failure to comply will cause disqualification of the bidder's/company's/contractor's bid.

Bidders should contact Lucas County Child Support Enforcement Agency, 419-213-3106, regarding this requirement should they have questions.
