Welcome to Creativation 2017!

It is with great pleasure I welcome you to the heart of creativity. We are thrilled this exciting new chapter of our premier creative industries event is finally here. We invite you to explore the vibrant creative city we built for you on the Show floor, bursting with energy and opportunity for your business.

Creativation is where the global creative community comes together to grow their businesses and drive the industry into the future. As you walk the streets of Creativation, I encourage you to find your inspiration for success, whether it is a new technique, tool or business partner! This is the creative destination for you to learn, connect and discover.

Learn We are excited to present a range of new educational opportunities this year at Creativation University, the new mecca of education for our industry. Learn new techniques and insights to help shape the future of your business and the industry. For the first time, we have seminars and workshops that specifically focus on the growing sewing and fabric product categories.

Connect Creativation is an active exchange of ideas. Take time to network with your fellow creative friends and peers in our many meeting places around the city, like the Town Square or International Pub. Introduce yourself to at least one person at one of our many Creativation events. Or, just relax in our park and take in the creative energy!

Discover Creativation is your resource for nurturing new ideas, expanding your creativity and accessing the latest product innovations. Find new and inventive techniques and materials at our Maker Space and Innovations Center. Discover your muse to create the next big thing in the industry!

I hope you will take advantage of all the opportunities for insights, inspiration and community that Creativation has to offer. I look forward to seeing what you uncover, and getting to know you while you explore our new venue in Phoenix! Meanwhile, don't forget to share your discoveries using the hashtags #Creativation and #CHAShow.

This is your event, and we are your partners for success. Our Association has a lot more excitement in store. Learn about our direction for fostering creativity, business growth and inclusiveness to stimulate industry success at our Annual Business Meeting here on Sunday, January 22 at 7:30am.

Stay tuned for more exciting news and events! If you have any questions, please contact me at (201) 835-1201 or mhill@craftandhobby.org.

Enjoy Creativation!

Sincerely,

Mark Hill
