## SOLAR PROJECT EQUIPMENT LEASE-PURCHASE AGREEMENT

1. **Agreement.** Subject to the terms and conditions contained in this Solar Project Equipment Lease-Purchase Agreement dated May 15, 2018 (this "Lease Agreement"), HOLMAN CAPITAL CORPORATION, as lessor ("Lessor"), whose mailing address is 25201 Paseo de Alicia, Suite 290, Laguna Hills, CA 92653, hereby purchases from and agrees to sell, transfer and lease back to the WILLIAM S. HART UNION HIGH SCHOOL DISTRICT, as lessee ("Lessee"), whose mailing address is 21380 Centre Point Parkway, Santa Clarita, CA 91350, and Lessee hereby sells to and agrees to acquire, purchase and lease back from Lessor, the items of personal property (together with any replacement parts, additions, substitutions, repairs or accessories now or hereafter incorporated in or affixed to it, hereinafter referred to collectively as the "Equipment") described in Exhibits A attached hereto. The Lease Agreement and Equipment Schedule shall constitute the "Lease."

2. **Term.** The term of this Lease (the "Lease Term") begins as of the Commencement Date stated in Exhibit A and shall continue so long as any amounts remain unpaid hereunder. The Lease Term will terminate upon the first to occur of: (a) the exercise by Lessee of the option to purchase the Equipment pursuant to Paragraph 10, (b) Lessor's election to terminate this Lease Agreement pursuant to Paragraph 16, (c) Lessee's option to terminate this Lease Agreement pursuant to Section 3, and (d) the payment by Lessee of all sums required to be paid by Lessee hereunder.

2.5. **Escrow Agreement.** On the Commencement Date, Lessor and Lessee shall enter into an escrow agreement (an "Escrow Agreement") dated the Commencement Date, between Lessor, Lessee, and Mega Bank, as escrow agent, relating to the escrow fund (an "Escrow Fund") created thereunder. On the Commencement Date, Lessor shall deposit \$4,331,862.00 into the Escrow Fund to be held in escrow and applied upon the express terms and conditions of the Escrow Agreement; for the acquisition of the equipment which shall be disbursed as provided for in the Closing Memorandum and/or Escrow Agreement, each of even date herewith.

3. **Rental Payments.** Lessee agrees to pay the rental payments hereunder for the Lease Term in the amounts and on the dates identified in Exhibit A. Payment of all rental payments and other amounts payable hereunder shall be made to Lessor at its above-stated address or as it shall otherwise designate in writing. As set forth in Exhibit A, a portion of each rental payment is paid as, and represents payment of, interest, and the balance of each rental payment is paid as, and represents payment of, principal.

Notwithstanding any provision to the contrary in this Lease Agreement, Lessee may terminate this Lease at the end of any fiscal year of Lessee as identified in Exhibit A (a "Fiscal Year") if sufficient funds are not appropriated by Lessee's governing body to pay rental payments and other amounts due hereunder during the next succeeding Fiscal Year (an "Event of Nonappropriation"). Lessee hereby agrees to notify Lessor at least 30 days prior to the last day of its then current Fiscal Year of the occurrence of an Event of Nonappropriation or, if nonappropriation has not occurred by that date, promptly upon the occurrence of an Event of Nonappropriation.

Lessee represents and warrants that: (a) it has made sufficient appropriations or has other legally available funds to pay all rental payments hereunder due during the first Fiscal Year hereunder; (b) the officer of Lessee responsible for budget preparation will do all things lawfully within his/her power to obtain appropriated funds for the payment of rental payments and other amounts required to be paid hereunder in each next succeeding Fiscal Year for the Lease Term; and (c) Lessee acknowledges that Lessor has relied upon these representations as an inducement to enter into this Lease. If an Event of Nonappropriation hereunder shall occur, Lessee agrees, at Lessee's sole cost and expense, peaceably to deliver the corresponding Equipment to Lessor at such location in the continental United States as is specified by Lessor, in the condition required by Paragraph 7 of this Lease Agreement, on or before the effective date of termination.

Lessee's obligation to pay rental payments and any additional amounts payable hereunder constitutes a current obligation payable exclusively from legally available funds and shall not be construed to be an indebtedness within the meaning of any applicable constitutional or statutory limitation or requirement.

4. **Essentiality.** Subject to Paragraph 3 of this Lease Agreement, Lessee's present intention is to make rental payments for the Lease Term as long as it has sufficient appropriations or other legally available funds. Lessee represents that, with respect hereto, (a) the use and operation of the Equipment is essential to its proper, efficient, and economic governmental operation and (b) the functions performed by the Equipment could not be transferred to other equipment available for its use. Lessee does not intend to sell or otherwise dispose of the Equipment or any interest

therein prior to the last rental payment scheduled to be paid hereunder. On the Commencement Date, Lessee shall complete and provide Lessor a certificate in the form of Exhibit D.

5. **Disclaimer of Warranties.** LESSEE REPRESENTS THAT IT HAS SELECTED THE EQUIPMENT PRIOR TO HAVING REQUESTED LESSOR TO FINANCE THE SAME. LESSEE AGREES THAT LESSOR HAS NOT MADE ANY, AND MAKES NO, REPRESENTATIONS OR WARRANTIES OF ANY KIND OR NATURE, DIRECTLY OR INDIRECTLY, EXPRESS OR IMPLIED, AS TO ANY MATTER WHATSOEVER, INCLUDING (WITHOUT LIMITATION) THE SUITABILITY OF THE EQUIPMENT, ITS DURABILITY, ITS FITNESS FOR ANY PARTICULAR PURPOSE, ITS MERCHANTABILITY, ITS CONDITION, ITS CAPACITY, ITS OPERATION, ITS PERFORMANCE, ITS DESIGN, ITS MATERIALS, ITS WORKMANSHIP AND/OR ITS QUALITY. AS BETWEEN LESSEE AND LESSOR, LESSEE LEASES, PURCHASES AND ACQUIRES THE EQUIPMENT "AS IS" "WHERE IS" AND "WITH ALL FAULTS." Lessor hereby assigns to Lessee, to the extent that it may lawfully do so, so long as no Event of Default and no Event of Nonappropriation shall have occurred and be continuing hereunder, all rights and benefits that Lessor may have under any warranty, guaranty or the like that may be made with respect to the Equipment by the manufacturer, seller and/or supplier (collectively, the "Vendor") thereof. Lessor shall not be liable to Lessee or any third party for any loss, damage, injury or expense of any kind or nature caused directly or indirectly by any of the Equipment or the use or maintenance thereof or any defect therein, the failure of operation thereof or by any interruption of service or loss of use thereof or for any loss of business or damage whatsoever and howsoever caused. Lessor makes no warranty as to the treatment of this Lease for tax or accounting purposes or as to the compliance of the Equipment with applicable government regulations or requirements. Lessee agrees to look solely to the Vendor for any claim arising from any defect, breach of warranty, failure or delay in delivery, mis-delivery or inability to use the Equipment for any reason whatsoever and Lessee's obligations to Lessor hereunder shall not in any manner be affected thereby, including (without limitation) Lessee's obligations to pay Lessor all rental payments and other amounts payable hereunder. Lessee has selected both the Equipment and the Vendor and acknowledges that Lessor has not participated in any way in Lessee's selection of the Equipment or the Vendor. Lessor has no obligation to install, erect, test, adjust, service or maintain the Equipment.

6. **Delivery and Acceptance; Quiet Enjoyment.** Lessee shall accept the Equipment for which disbursement is requested from the Escrow Fund upon its delivery and authorizes Lessor to insert on Exhibit A the serial numbers and any additional description of the items of Equipment so delivered. As evidence of that acceptance, Lessee shall execute and deliver to Lessor a Certificate of Acceptance in the form attached as Exhibit A to the Escrow Agreement. Regardless of whether Lessee has furnished a Certificate of Acceptance pursuant to this Paragraph 6, by making a rental payment after its receipt of the Equipment, Lessee shall be deemed to have accepted the Equipment on the date of such rental payment for purposes hereof. During the Lease Term, Lessee shall be entitled to quiet enjoyment of the Equipment, subject to the terms of this Lease Agreement.

7. **Use of Equipment; Maintenance and Repairs.** Lessee shall keep the Equipment within the State at the "Equipment Location" stated in Exhibit A and Lessee shall not remove any of the Equipment therefrom without Lessor's prior written consent. Lessee shall use the Equipment in a careful manner and shall at all times, at its sole expense, keep the Equipment in good operating condition, repair and appearance and comply with all laws, ordinances, regulations or requirements of any governmental authority, official, board or department relating to its installation, possession, use or maintenance. Lessee shall not make any alterations, additions, or improvements to the Equipment that are not readily removable without causing damage to or reducing the value of the Equipment. All alterations, additions, or improvements not readily removable shall become property of Lessor.

8. **Security Interest; Title to Equipment.** (a) The provisions of this Section 8(a) apply generally to all Equipment, regardless of the type, and the Escrow Fund (if any/applicable): To secure the performance of all of Lessee's obligations hereunder, Lessee hereby grants to Lessor, and Lessor shall have and retain, a security interest constituting a first priority and perfected lien and security interest on the Equipment delivered hereunder and on any attachments, proceeds therefrom. Lessee agrees to execute and deliver such additional documents, including, without limitation, opinions of counsel, financing statements, landlord-tenant or mortgagee waivers, notices and similar instruments, in form satisfactory to Lessor, that Lessor deems necessary or appropriate to establish and maintain its security interest in the Equipment or for the confirmation or perfection of Lessor's rights hereunder. As further security therefor, Lessee hereby grants to Lessor a first priority security interest in the cash and negotiable instruments from time to time in the Escrow Fund and all proceeds (cash and non-cash) thereof, and agrees with respect thereto that Lessor shall have all the rights and remedies of a secured party under the applicable Uniform Commercial Code. Lessee, at its expense, will protect and defend Lessee's rights in the Equipment and Lessor's rights and interests therein and will keep the Equipment free and clear from any and all claims, liens, encumbrances and legal processes of Lessee's creditors and

other persons. Lessor shall have the right during normal hours, upon reasonable prior notice to Lessee, to enter upon the premises where the Equipment is located in order to inspect the Equipment.

(b) Solely with respect to Equipment that is *not* comprised of vehicles and during the Lease Term, ownership and legal title of all of the Equipment and all substitutions, repairs, modifications, and replacements shall be in Lessee, and Lessee shall take all necessary action to vest such ownership and title in Lessee. Lessor does not own the Equipment, and, by this Lease Agreement, Lessor is merely financing the acquisition of the Equipment for the Lessee. Lessor has not been in the chain of title, does not operate, control or have possession or control over the Equipment, or Lessee's use, maintenance, operation, storage, or maintenance of the Equipment. Lessee is entitled to use and possession of the Equipment, subject to the rights of Lessor hereunder (including its interest in the Equipment as the lessor hereunder). If Lessor terminates this Lease Agreement pursuant to Paragraph 16 hereof or an Event of Nonappropriation occurs hereunder, all rights, title, and interests in the Equipment shall immediately vest in Lessor free and clear of any right, title or interest of Lessee. Lessee, at its expense, will protect and defend Lessee's rights in the Equipment and Lessor's rights and interests therein and will keep the Equipment free and clear from any and all claims, liens, encumbrances and legal processes of Lessee's creditors and other persons. Lessor shall have the right during normal hours, upon reasonable prior notice to Lessee, to enter upon the premises where the Equipment is located in order to inspect the Equipment.

(c) Solely with respect to Equipment consisting of vehicles, the provisions of this Section 8(c) shall apply: Lessee agrees to either cause the original registration of Lessor or its assignee as legal owner of the Equipment or endorse the certificate of ownership showing Lessor or its assignee as legal owner (as required by Section 6301 of the California Vehicle Code). Lessee agrees to execute and deliver such additional documents, including, without limitation, opinions of counsel, MSOs/Certificates of Origin, Title Applications, notices and similar instruments, in form satisfactory to Lessor, that Lessor deems necessary or appropriate to establish and maintain its security interest in the Equipment or for the confirmation or perfection of Lessor's rights hereunder. During the Lease Term, Lessee shall be the owner (as defined in Section 460 of the California Vehicle Code) of the Equipment entitled to use and possession of the Equipment, subject to the rights of Lessor hereunder, which is the legal owner (as defined in Section 370 of the California Vehicle Code) of the Equipment. If Lessor terminates this Lease Agreement pursuant to Paragraph 16 hereof or an Event of Nonappropriation occurs hereunder, all rights, title, and interests in the Equipment shall immediately vest in Lessor free and clear of any right, title or interest of Lessee.

9. **Personal Property.** The Equipment shall be and remain personal property notwithstanding the manner in which it may be attached or affixed to realty. Lessee covenants that, unless Lessee owns the premises in which the Equipment is to be located and such premises are not subject to any mortgage or lease, at Lessor's request, Lessee shall provide Lessor with a waiver from each landlord and/or mortgagee of the premises in which the Equipment is to be located of any rights that such landlord and/or mortgagee may have in respect of any of the Equipment.

10. **Purchase of Equipment by Lessee; Prepayment.** At the option of Lessee, and provided that no Event of Default has occurred and is continuing hereunder, Lessor's interest in all, but not less than all, of the Equipment will be transferred, conveyed and assigned to Lessee, and this Lease shall terminate: (a) upon payment in full of the rental payments and all other payments then due hereunder or (b) on any rental payment date hereunder, provided Lessee shall have delivered written notice at least 30 days prior to such date of Lessee's intention to purchase the Equipment pursuant to this provision, by paying to Lessor, in addition to the rental payment due on such date, an amount equal to the concluding payment (the "Concluding Payment") shown for such rental payment date in the rental payment schedule in Exhibit A. Lessee shall not have the option to purchase the Equipment hereunder as provided in the foregoing clause (b) on any rental payment date hereunder for which a Concluding Payment is not stated in the rental payment schedule.

11. **Risk of Loss.** Lessee shall bear the entire risk of loss, theft, destruction of or damage to the Equipment or any part thereof from any cause whatsoever during the Lease Term and thereafter until redelivery to a location designated by Lessor, and shall not be relieved of the obligation to pay rental payments or any other obligation hereunder because of any such occurrence. If (a) the Equipment or any portion thereof hereunder is destroyed (in whole or in part) or is damaged by fire or other casualty or (b) title to, or the temporary use of, the Equipment or any part thereof hereunder is taken under the exercise of the power of eminent domain, Lessee shall immediately notify Lessor. Lessee and Lessor shall cause the net proceeds of any insurance claim (including self-insurance) or condemnation award to be applied, at Lessor's option, to (i) the prompt repair, restoration, modification or replacement of the Equipment so affected or (ii) the payment in full of the then applicable Concluding Payment. Any balance of net proceeds remaining after completion of such work or payment of such Concluding Payment shall be paid promptly to Lessee. If the net proceeds are

insufficient to pay the costs of such repair, restoration, modification or replacement or to pay such Concluding Payment in full, Lessee shall, at Lessor's direction, either complete the work or pay the then applicable Concluding Payment in full and in either case pay any cost in excess of the amount of net proceeds, but only from legally available funds.

12. **Insurance.** (a) **Insurance Policies.** If Lessee is not self-insured (as hereafter provided), Lessee shall, at its expense, keep the Equipment fully insured against loss, fire, theft, damage or destruction from any cause whatsoever in an amount not less than the greater of (a) the total rental payments for the Lease Term, and (b) the full replacement cost of the Equipment without consideration for depreciation. Lessee shall also provide such additional insurance against injury, loss or damage to persons or property arising out of the use or operation of the Equipment as is customarily maintained by the owners of like property, with companies satisfactory to Lessor. Each policy shall provide that, as to the interest or coverage of Lessor or Lessor's assignee, the insurance afforded thereby shall not be suspended, forfeited or in any manner prejudiced by any default or by any breach of warranty, condition or covenant on the part of Lessee. If Lessee shall fail to provide any such insurance required hereunder or, within ten (10) days after Lessor's request therefor, shall fail to deliver the policies or certificates thereof to Lessor, then Lessor, at its option, shall have the right to procure such insurance and to add the full cost thereof to the rental payment next becoming due, which Lessee agrees to pay as additional rent. All such insurance shall be in form, issued by such insurance companies and be in such amounts as shall be satisfactory to Lessor, and shall provide that losses, if any, shall be payable to Lessor and its successors and/or assigns as "loss payee," and all such liability insurance shall name Lessor and its successors and/or assigns as an "additional insured." Lessee shall pay the premiums for such insurance and deliver to Lessor a certification in the form of Exhibit C-1 and satisfactory evidence of the insurance coverage required hereunder on or before the Commencement Date of the Lease, but in no event not later than the date on which an Acceptance Certificate is executed with respect to any Equipment hereunder. Lessee hereby irrevocably appoints Lessor as Lessee's attorney-in-fact to make claim for, receive payments of and execute and endorse all documents, checks or drafts received in payment for loss or damage under any such insurance policy.

(b) **Self-Insurance.** If Lessee is self-insured (including any self-insured retentions and deductibles) with respect to equipment such as the Equipment, the Equipment will be self-insured under an actuarially sound self-insurance program that is subject to Lessor's prior written consent and approval. If the Lessee shall maintains during the Lease Term such actuarially sound self-insurance program and in lieu of the coverage required under Section 16(a) hereunder, Lessee will, at all times, provide Lessor a certification in the form of Exhibit C-2 together with evidence of the self-insurance program in form and substance satisfactory to Lessor. The approval of self-insurance, self-insured retentions, and deductibles are all subject to Lessor's approval and prior written consent, which shall be based on the Lessor's then current credit underwriting practices.

13. **Fees; Taxes and Other Governmental Charges; Liens.** Lessee covenants and agrees at all times to keep the Equipment free and clear of all levies, liens (other than those created hereunder) and encumbrances, and to pay all charges, taxes and fees (including any recording or stamp fees or taxes) that may now or hereafter be imposed upon the ownership, leasing, rental, sale, purchase, possession or use of the Equipment and shall give Lessor immediate written notice of any of the foregoing. If any of same shall remain unpaid when due, Lessor may pay same and add such payment to the rental payment next becoming due, as additional rent. Lessee shall execute and deliver to Lessor upon Lessor's request such further instruments and documents containing such other assurances as Lessor deems necessary or advisable for the confirmation or perfection of Lessor's rights hereunder or to otherwise effectuate the intent of this Lease Agreement and the Lease.

14. **Indemnification.** (a) To the extent authorized by law, Lessee shall indemnify and save Lessor, its officers, employees, agents, servants, successors and assigns, harmless from any and all liabilities (including, without limitation, negligence, tort and strict liability), damages, expenses, claims, actions, proceedings, judgments, settlements, losses, liens and obligations, including (without limitation) attorneys' fees and costs ("Claims"), arising out of the ordering, purchase, delivery, rejection, non-delivery, ownership, selection, possession, operation, control, use, condition, maintenance, transportation, storage, repair, return or other disposition of the Equipment, any claims arising under federal, state or local environmental protection and hazardous substance clean up laws and regulations and any claims of patent, trademark or copyright infringement or, if Lessee shall be in default hereunder, arising out of the condition of any item of Equipment sold or disposed of after use by Lessee, including (without limitation) claims for injury to or death of persons and for damage to property. The indemnities, assumption of liabilities and obligations herein provided shall be payable solely from funds legally available for such purpose and shall continue in full force and effect notwithstanding the expiration, termination or cancellation of this Lease Agreement for any reason whatsoever. However, Lessee shall not be obligated to indemnify Lessor from Claims arising from the actual, proven and proximate gross negligence, bad faith, fraud or willful misconduct of Lessor.

(b) **Lessor's Indemnification of Lessee.** Lessor shall indemnify, defend, and hold harmless Lessee, its Governing Board, boards, commissions, officials, employees, and volunteers ("Indemnitees") from and against any and all Claims arising from or in any manner connected to Lessor's willful misconduct or any negligent act or omission, whether alleged or actual, regarding performance of services or work conducted or performed pursuant to this Lease Agreement. If Claims are filed against Indemnitees that allege negligence on behalf of Lessor, Lessor shall have no right of reimbursement against Indemnitees for the costs of defense even if negligence is not found on the part of Lessor. However, Lessor shall not be obligated to indemnify Indemnitees from Claims arising from the sole or active negligence or willful misconduct of Indemnitees.

15. **Assignment; Subleasing.** LESSEE SHALL NOT ASSIGN, PLEDGE, MORTGAGE, SUBLET OR OTHERWISE TRANSFER OR ENCUMBER ANY OF ITS RIGHTS UNDER THIS LEASE, THE ESCROW AGREEMENT (INCLUDING THE ESCROW FUND CREATED THEREUNDER) OR IN THE EQUIPMENT OR ANY PART THEREOF, NOR PERMIT ITS USE BY ANYONE OTHER THAN LESSEE AND ITS REGULAR EMPLOYEES, WITHOUT LESSOR'S PRIOR WRITTEN CONSENT. ANY SUCH PURPORTED TRANSFER, ASSIGNMENT OR OTHER ACTION WITHOUT LESSOR'S PRIOR WRITTEN CONSENT SHALL BE VOID.

Lessor may, at any time and from time to time, assign, transfer or otherwise convey all or any part of its interest in the Equipment, this Lease, and the Escrow Agreement (including the Escrow Fund created thereunder), including, but not limited to, Lessor's rights to receive the rental payments hereunder or any part thereof (in which event Lessee agrees to make all rental payments thereafter to the assignee designated by Lessor) without the necessity of obtaining Lessee's consent, *provided, however*, Lessor will deliver to Lessee prior written notice of an assignment. No such assignment, transfer or conveyance shall be effective until Lessee shall have received a written notice of assignment that discloses the name and address of each such assignee. During the term of this Lease, Lessee shall keep, or cause to be kept, a complete and accurate record of all such assignments with respect hereto in form necessary to comply with Section 149 of the Internal Revenue Code of 1986, as amended (the "Code"). Lessee agrees (unless otherwise stated), if so requested, to acknowledge any such assignment in writing within 15 days after request therefor in the form attached as Exhibit B hereto. Lessee further agrees that any moneys or other property received by Lessor as a result of any such assignment, transfer or conveyance shall not inure to Lessee's benefit.

16. **Events of Default; Remedies.** Each of the following events constitutes an "Event of Default" hereunder: (a) Lessee fails to pay in full the rental payment due hereunder on any date upon which such rental payment is due; (b) Lessee fails to comply with any other agreement or covenant of Lessee hereunder for a period of 30 days following receipt of written notice of violation of such agreement or covenant and demand that such violation be remedied; (c) Lessee institutes any proceedings under any bankruptcy, insolvency, reorganization or similar law or a receiver or similar officer is appointed for Lessee or any of its property; (d) any warranty, representation or statement made in writing by or on behalf of Lessee in connection herewith is found to be incorrect or misleading in any material respect on the date made; (e) actual or attempted sale, lease or encumbrance of any of the Equipment or the making of any levy, seizure or attachment thereof or thereon; or (f) Lessee defaults in its obligations under any other agreement for borrowing money, lease financing of property, or otherwise receiving credit and the obligee thereunder (or trustee on its behalf) is permitted to exercise any remedies under the agreement.

Immediately upon the occurrence of an Event of Default hereunder, Lessor may terminate this Lease Agreement, the Lease, or Lessee's rights hereunder and in any such event repossess the Equipment, which Lessee hereby agrees, at its expense, to surrender promptly to Lessor at such location in the continental United States as Lessor shall direct. Such right of repossession and other rights as specifically provided in this Paragraph 16 shall constitute the sole remedies for Lessee's failure to make payments or otherwise perform its obligations when required hereunder. If Lessor is entitled to repossess the Equipment under any provision of this Lease Agreement, Lessee shall permit Lessor or its agents to enter the premises where the Equipment is then located. In the event of any such repossession, Lessee shall execute and deliver such documents as may reasonably be required to restore title to and possession of the Equipment to Lessor, free and clear of all liens and security interests to which the Equipment may have become subject. Upon repossession, if the Equipment is damaged or otherwise made less suitable for the purposes for which it was manufactured than when delivered to Lessee, Lessee agrees, at its option, to (a) repair and restore the Equipment to the same condition in which it was received by Lessee (reasonable wear and tear excepted) or (b) pay to Lessor the reasonable costs of such repair and restoration. If Lessor sells or otherwise liquidates the Equipment following an Event of Default or an Event of Nonappropriation as herein provided and realizes net proceeds (after payment of costs) in excess of total rental payments that would have been paid during the Lease Term plus any other amounts then due hereunder, Lessor shall immediately pay the amount of any such excess to Lessee.

If Lessor terminates this Lease Agreement and/or the Lease under this Paragraph 16 or an Event of Nonappropriation occurs hereunder and in either case Lessee continues to use the Equipment or if Lessee otherwise refuses to pay rental payments hereunder due during a Fiscal Year for which Lessee's governing body has appropriated sufficient legally available funds to pay such rental payments due hereunder, Lessor (i) may declare the rental payments due and owing for the Fiscal Year for which such appropriations have been made to be immediately due and payable and (ii) shall be entitled to bring such action at law or in equity to recover money and other damages attributable to such holdover period for the Equipment.

Lessor shall also be entitled to exercise any or all remedies available to a secured party under the applicable Uniform Commercial Code and all other rights and remedies that Lessor may have at law or in equity. All rights and remedies of Lessor shall be cumulative and not alternative. Lessor's failure to exercise or delay in exercising any right or remedy shall not be construed as a waiver thereof, nor shall a waiver on one occasion be construed to bar the exercise of any right or remedy on a future occasion. Lessee agrees to reimburse Lessor for any expenses reasonably incurred by Lessor with respect to the enforcement of any of the remedies listed above or any other remedy available to Lessor, but only from legally available funds.

17. **Late Payments.** Whenever any rental payment or other amount payable to Lessor by Lessee hereunder is not paid within thirty (30) days of the regularly scheduled due date (or if not a regularly scheduled due date, then the due date specified in an undisputed invoice), Lessee agrees to pay Lessor a late charge on the delinquent amount at the rate of one percent (1%) per month, or the maximum amount permitted under applicable law, whichever is less. Such amount(s) shall be payable solely from legally available funds in addition to all amounts payable by Lessee as a result of the exercise of any of the remedies herein provided.

18. **Rental Payments to Be Unconditional.** Except as expressly set forth in this Lease Agreement (including Paragraph 3), Lessee agrees that as of the Commencement Date, Lessee's obligations under the Lease are absolute and unconditional and shall continue without set-off, deduction, counterclaim, abatement, recoupment, or reduction and regardless of any disability of Lessee to use the Equipment or any part thereof because of any reason including, but not limited to, war, act of God, governmental regulations, strike, loss, damage, destruction, obsolescence, failure of or delay in delivery or failure of the Equipment to operate properly.

19. **Tax Covenants.** Lessee agrees that it will not take any action that would cause the interest component of rental payments hereunder to be or to become ineligible for the exclusion from gross income of the owner or owners thereof for federal income tax purposes, nor will it omit to take or cause to be taken, in a timely manner, any action which omission would cause the interest component of rental payments hereunder to be or to become ineligible for the exclusion from gross income of the owner or owners thereof for federal income tax purposes. Lessee agrees to (a) execute and deliver to Lessor, upon Lessor's request, a tax certificate and agreement in form and content acceptable to Lessor and Lessee, relating to the establishment and maintenance of the excludability from gross income of the interest component of rental payments hereunder for federal income tax purposes; (b) complete and file in a timely manner an information reporting return as required by the Code; and (c) rebate an amount equal to excess earnings on the Escrow Fund to the federal government if required by, and in accordance with, Section 148(f) of the Code, and make the determinations and maintain the records required by the Code. Any tax certificate or agreement executed pursuant hereto shall be fully incorporated by reference herein.

Lessee represents that neither Lessee nor any agency or unit of Lessee has on hand any property, including cash and securities, that is legally required or otherwise restricted (no matter where held or the source thereof) to be used directly or indirectly to purchase the Equipment. Lessee has not and will not establish any funds or accounts (no matter where held or the source thereof) the use of which is legally required or otherwise restricted to pay directly or indirectly rental payments hereunder. Lessor and Lessee certify that, so long as any rental payments hereunder remain unpaid, moneys on deposit in the Escrow Fund will not be used in a manner that will cause this Lease to be classified as an "arbitrage bond" within the meaning of Section 148(a) of the Code.

If Lessor either (i) receives notice, in any form, from the Internal Revenue Service or (ii) reasonably determines, based on an opinion of nationally recognized independent tax counsel selected by Lessor, that Lessor may not exclude any interest paid under any Lease from its Federal gross income (each an "Event of Taxability"), the Lessee shall pay to Lessor upon demand (x) an amount which, with respect to Rental Payments previously paid and taking into account all penalties, fines, interest and additions to tax (including all federal, state and local taxes imposed on the interest due through the date of such event), will restore to Lessor its after-tax yield (assuming tax at the highest marginal tax rate and taking into account the time of receipt of Rental Payments and reinvestment at the after-tax yield rate) on the

transaction evidenced by such Lease through the date of such event and (y) as additional Rental Payments to Lessor on each succeeding Payment Date such amount as will maintain such after-tax yield to Lessor.

It is Lessor's and Lessee's intention that this Lease not constitute a "true" lease for federal income tax purposes and, therefore, it is Lessor's and Lessee's intention that Lessee be considered the owner of the Equipment hereunder for federal income tax purposes.

20. **Lessee Representations and Warranties.** Lessee hereby represents and warrants to and agrees with Lessor that:

(a) Lessee is a school district and body corporate and politic of the State of California, within the meaning of Section 103(c) of the Code, and will do or cause to be done all things necessary to preserve and keep in full force and effect its existence as such.

(b) Lessee has the power and authority under applicable law to enter into the transactions contemplated by this Lease and the Escrow Agreement and has been duly authorized to execute and deliver this Lease and the Escrow Agreement and to carry out its obligations hereunder and thereunder. Lessee has provided to Lessor a full, true and correct copy of a resolution or other appropriate official action of Lessee's governing body specifically authorizing Lessee to execute and deliver this Lease and the Escrow Agreement and all documents contemplated hereby and thereby. Lessee has provided to Lessor a full, true, and correct copy of an Incumbency Certificate in substantially the form attached as Exhibit E hereto relating to the authority of the officers who have executed and delivered this Lease and who will execute and deliver this Lease and the Escrow Agreement and all documents in connection herewith and therewith on behalf of Lessee.

(c) All requirements have been met and procedures have occurred in order to ensure the enforceability of this Lease and the Escrow Agreement, and Lessee has complied with such public bidding requirements, if any, as may be applicable to the transactions contemplated by this Lease and the Escrow Agreement.

(d) Lessee is not subject to any legal or contractual limitation or provision of any nature whatsoever that in any way limits, restricts or prevents Lessee from entering into this Lease and the Escrow Agreement, or performing any of its obligations hereunder or thereunder, except to the extent that such performance may be limited by bankruptcy, insolvency, reorganization or other laws affecting creditors' rights generally.

(e) There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, public board or body, known to be pending or threatened against or affecting Lessee, nor to the best knowledge of Lessee is there any basis therefor, wherein an unfavorable decision, ruling or finding would materially adversely affect the transactions contemplated by this Lease or the Escrow Agreement, or any other agreement or instrument to which Lessee is a party and that is used or contemplated for use in the consummation of the transactions contemplated by this Lease or the Escrow Agreement. All authorizations, consents, and approvals of governmental bodies or agencies required in connection with the execution and delivery by Lessee of this Lease and the Escrow Agreement or in connection with the carrying out by Lessee of its obligations hereunder and thereunder have been obtained.

(f) The payment of the rental payments or any portion thereof hereunder is not (under the terms of this Lease) directly or indirectly (i) secured by any interest in property used or to be used in any activity carried on by any person other than a state or local governmental unit or payments in respect of such property; or (ii) on a present value basis, derived from payments (whether or not to Lessee) in respect of property, or borrowed money, used or to be used in any activity carried on by any person other than a state or local governmental unit. The Equipment will not be used, directly or indirectly, in any activity carried on by any person other than a state or local government unit. No portion of the purchase price for the Equipment will be used, directly or indirectly, to make or finance loans to any person other than Lessee. Lessee has not entered into any management or other service contract with respect to the use and operation of the Equipment.

(g) The entering into and performance of this Lease Agreement, the Lease, and the Escrow Agreement will not violate any judgment, order, law or regulation applicable to Lessee or result in any breach of, or constitute a default under, or result in the creation of any lien, charge, security interest, or other encumbrance upon any assets of Lessee or on the Equipment pursuant to an indenture, mortgage, deed of trust, bank loan or credit agreement, or other instrument to which Lessee is a party or by which it or its assets may be bound, except as herein provided.

(h) Lessee's name as indicated on the first page of this Lease Agreement is its true, correct, and complete legal name.

(i) The useful life of the Equipment will not be less than the Lease Term hereof.

(j) Lessee has entered into this Lease for the purpose of purchasing, acquiring, and leasing the Equipment and not for the purpose of refinancing any outstanding obligation of Lessee more than 90 days in advance of its payment or prepayment date. The purchase price for the Equipment has been or will be paid directly by Lessor from the Escrow Fund to the Vendor, and no portion of the purchase price for the Equipment has been or will be paid to Lessee as reimbursement for any expenditure paid by Lessee more than 60 days prior to the execution and delivery hereof.

(k) The application, statements, and credit or financial information submitted by it to Lessor are true and correct and made to induce Lessor to enter into this Lease and the Escrow Agreement.

(l) During the term of this Lease, Lessee shall (i) provide Lessor, no later than ten days prior to the end of each Fiscal Year (commencing with the current Fiscal Year), with current budgets or other proof of appropriation for the ensuing Fiscal Year and such other information relating to Lessee's ability to continue the Lease Term for the next succeeding Fiscal Year as may be reasonably requested by Lessor and (ii) furnish or cause to be furnished to Lessor, at Lessee's expense, as soon as available and in any event not later than 180 days after the close of each Fiscal Year, the audited financial statements of Lessee at the close of and for such Fiscal Year, all in reasonable detail, audited by and with the report of Lessee's auditor.

(m) On the Commencement Date, Lessee shall cause to be executed and delivered to Lessor an Opinion of Lessee's Counsel in substantially the form attached as Exhibit F hereto.

(n) Lessee shall pay the excess (if any) of the actual costs of acquiring the Equipment hereunder over the amount deposited by Lessor in the Escrow Fund and interest earnings thereon.

(o) Lessee has experienced no material change in its financial condition since the date of its last prepared financial statements, which was June 30, 2017.

(p) Lessee acknowledges that: (a) Lessor is acting solely for its own account and not as a fiduciary for Lessee or in the capacity of broker, dealer, municipal securities underwriter or municipal advisor; (b) Lessor has not provided, and will not provide, financial, legal, tax, accounting or other advice to or on behalf of Lessee with respect to its acquisition of the Equipment; and (c) Lessee has sought and obtained financial, legal, tax, accounting and other advice (including as it relates to structure, timing, terms and similar matters) with respect to this Lease from its financial, legal and other advisors (and not Lessor) to the extent that Lessee desired to obtain such advice.

21. **Execution in Counterparts; Chattel Paper.** This Lease Agreement and the Equipment Schedule may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument; *provided, however*, that only Counterpart No. 1 of this Lease Agreement and Equipment Schedule hereof shall constitute chattel paper for purposes of the applicable Uniform Commercial Code.

22. **Applicable Law.** This Lease Agreement shall be construed under the laws of the State of California.

23. **Binding Effect; Severability; Survival.** This Lease shall not become effective until accepted by Lessor at its herein-described office, and upon such acceptance shall inure to and bind the parties, their successors, legal representatives, and assigns. No provision of this Lease that may be construed as unenforceable shall in any way invalidate any other provision hereof, all of which shall remain in full force and effect.

24. **Miscellaneous Provisions.** Any notice to a party hereunder shall be deemed given when mailed to that party by certified mail, return receipt requested, at its address set forth herein or such other address as either may designate for itself in such notice to the other. This Lease and the Escrow Agreement constitute the entire mutual understanding of the parties regarding the subject matter hereof and thereof and may not be modified except in writing, signed by the party against whom such modification is asserted. Upon the request of Lessor, Lessee shall at any time and from time to time execute and deliver such further documents and do such further acts as Lessor may reasonably request in order fully to effect the purposes hereof and any assignment hereof. If a court with competent jurisdiction rules that the interest rate charged hereunder exceeds the maximum rate of interest allowed by applicable law, then the effective rate of interest hereunder shall be automatically reduced to the maximum lawful rate allowable under the applicable laws.

Re: Solar Project Equipment Lease-Purchase Agreement dated May 15, 2018

I, Ralph Peschek, appointed, or designated representative and Chief Financial Officer of the William S. Hart Union High School District, as lessee (the "Lessee"), am qualified to answer the questions set forth below regarding the Equipment to be acquired by Lessee in connection with the above-referenced Lease Agreement:

1. *What is the specific use of the Equipment?*  
Through installing solar equipment at four District facilities, we will generate solar electricity and reduce our use of utility-provided electricity.
2. *What increased capabilities will the Equipment provide?*  
The new solar equipment at four facilities to be located at the District, is expected to generate a cumulative combined capacity of approximately 875 Kilowatt-DC.
3. *Why is the Equipment essential to your ability to deliver governmental services?*  
The new equipment will provide green benefits for the District, reduce use of non-renewable energy sources, and provide cost savings over the life of the project. The operating savings produced from the new equipment will also provide net General Fund relief and help us save time and financial resources for our Facilities Department.
4. *Does the Equipment replace existing equipment? (If so, please explain why you are replacing the existing equipment)*  
No. The solar installations are new features of the four facilities.
5. *Why did you choose this specific Equipment?*  
The selected equipment is suitable as solar installations for the identified facilities and matches the brand preferences for our trained Facilities Staff.
6. *For how many years do you expect to utilize the Equipment?*  
The District expects to operate the equipment beyond its individual expected service life, which ranges from 20 to 30 years.

Very truly yours,  
WILLIAM S. HART UNION HIGH SCHOOL DISTRICT, as Lessee

Re: Solar Project Equipment Lease Agreement and Equipment Schedule both dated  
May 15, 2018

**Opinion of Special District Counsel**

Ladies and Gentlemen:

We have acted as special counsel to the William S. Hart Union High School District ("School District") in connection with the Non-Bank-Qualified Appropriations-Based Escrow Funded Tax-Exempt Solar Project Equipment Lease-Purchase Agreement, including the Equipment Schedule both dated May 15, 2018. The transaction documents have been approved pursuant to a resolution (Resolution No. 2017-18-36) approved by the Governing Board of the School District adopted on May 2, 2018 ("District Resolution").

As counsel to the William S. Hart Union High School District ("District" or "Lessee"), we have examined the Solar Project Equipment Lease Agreement and Equipment Schedule both dated May 15, 2018 (collectively, "Lease Agreement"), between the Lessee and Holman Capital Corporation, as lessor ("Lessor"), the form of the Escrow Agreement, together with the Disbursement Request Form and Certificate of Acceptance (collectively, "Escrow Agreement"), and the proceedings taken by the Governing Body of the Lessee to authorize on behalf of the Lessee the execution and delivery of the Lease Agreement and the Escrow Agreement. The Lease Agreement and the Escrow Agreement are herein collectively referred to as the "Transaction Documents."

This opinion is provided as a condition of the Transaction Documents.

Unless otherwise defined herein, capitalized terms used herein shall have the meaning(s) set forth in the Lease Agreement.

In connection with the issuance, sale and delivery of the Transaction Documents, we have reviewed the District Resolution, the Lease Agreement and various certifications provided by the School District as they relate to the Transaction Documents, other factual matters and such other documents as we have deemed necessary to render the opinions set forth herein.

The opinions expressed herein are based on an analysis of existing laws, regulations, rulings and court decisions and cover certain matters not directly addressed by such authorities. The opinions may be affected by actions taken or omitted or events occurring (or not occurring) after the date hereof. We have not undertaken to determine or to inform any person whether (or not) any such actions are taken or omitted or events occur or any other matters that may come to our attention after the date hereof. As to questions of fact material to our opinions, we have relied upon the documents and matters referred to herein, and we have not undertaken by independent investigation to verify the authenticity of signatures or the accuracy of the factual matters represented, warranted or certified therein. Whenever our opinion herein is qualified by the phrase "to our knowledge," or equivalent wording, it is intended to indicate that in the course of our representation of the School District in connection with the issuance, sale and delivery of the Transaction Documents, no information has come to the attention of the lawyers in our firm which would give them current actual knowledge (as distinguished from constructive or inquiry knowledge) of the existence of such fact(s). In making our examination of the documents referenced herein, we have assumed that each party to one or more of the documents referenced herein, other than the School District, has the power to enter into and perform its obligations thereunder, has duly authorized, executed and delivered such documents, and that such documents constitute the legal, valid and binding obligations of such party. Furthermore, we have assumed compliance with all covenants contained in the District Resolution, the Lease Agreement and in certain other documents. We express no opinion with respect to any indemnification, contribution, penalty, choice of law, choice of forum, choice of venue, waiver or severability provisions contained in the Transaction Documents.

In connection with the opinions expressed herein, we have assumed, without investigation: (i) the genuineness of all signatures, the authenticity of all documents submitted to us as originals, the conformity to original documents of all documents submitted to us as certified or photostatic copies and the authenticity of the originals from which such copies were made, and (ii) the truth and accuracy of the representations, covenants and warranties made by the School District.

With regard to the opinion expressed in numbered paragraph 8 below, we have conducted an electronic search for existing civil actions as against the School District which has consisted of an electronic search of records within the Los Angeles County Superior Court and the Federal District Court with jurisdiction over the boundaries of the School District. We have also expressly relied upon the factual representations made to us by the School District as to such matters. With respect to the provision of such opinion, we have presumed that the School District

maintains normal and customary liability insurance, insurance coverage or equivalent self-insurance, and requires normal and customary liability coverage to be carried or provided by its contractors and consultants, with respect to the protection of the School District's financial position.

Attention is called to the fact that we have not been requested to examine, and have not examined, any documents or information relating to the School District other than the record of proceedings herein referred to, and no opinion is expressed as to any information other than the record of proceedings.

It is to be understood that the rights and obligations under the District Resolution, the Lease Agreement and related documents and agreements are subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws heretofore or hereafter enacted, affecting the enforcement of creditors' rights and remedies, to the application of equitable principles when equitable remedies are sought, and to the exercise of judicial discretion in appropriate cases, and by the limitations on legal remedies against public agencies and public school districts in the State of California ("State").

We express no opinion as to provisions of the Transaction Documents (i) expressly or by implication waiving broadly or vaguely described rights or future rights or stating that rights or remedies are not exclusive, (ii) stating that rights or remedies are cumulative, any right or remedy may be exercised in addition to or with any other right or remedy, or that the election of some particular remedy or remedies does not preclude recourse to one or more other remedies, (iii) stating that the failure to exercise or delay in exercising rights or remedies will not operate as a waiver of any such rights or remedies, or (iv) imposing any penalties, forfeitures, late charges or increases in interest rates in the event of delinquency or default. We express no opinion as to the enforceability of those provisions in the Transaction Documents that provide for the payment or reimbursement of costs and expenses or indemnification for claims, loss or liabilities in excess of a reasonable amount determined by a court or other tribunal. This letter is limited in all respects to the laws of the State and the federal laws of the United States of America.

Based on and subject to the foregoing and in reliance thereon and our consideration of such questions of law as we have deemed relevant to the circumstances, we are of the following opinions:

1. The School District is a public school district duly organized and existing under the Constitution and laws of the State.
2. The Legislative Body of the School District is its Governing Board.

Holman Capital Corporation  
**Opinion of Special District Counsel**  
May 15, 2018

3. The School District operates under the laws of the State, with full legal right, power and authority to enter into and to perform all of its obligations under the Transaction Documents.
4. The Transaction Documents have each been duly authorized, executed and delivered by the Lessee. Assuming due authorization, execution and delivery thereof by Lessor, the Transaction Documents constitute legal, valid and binding obligations of the Lessee, enforceable against the Lessee in accordance with their respective terms, subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws heretofore or hereafter enacted, affecting the enforcement of creditors' rights and remedies, to the application of equitable principles when equitable remedies are sought, and to the exercise of judicial discretion in appropriate cases, and by the limitations on legal remedies against public agencies and public school districts in the State.
5. The Equipment to be leased pursuant to the Lease Agreement constitutes personal property and, when subjected to use by the Lessee, will not be a fixture under applicable law.
6. Under the provisions of existing State law, the Lessee is exempt from public bidding requirements in connection with the Transaction Documents and the transactions contemplated thereby.
7. By proper action, the Governing Board of the Lessee authorized the execution and delivery of the Transaction Documents and certain other matters through the adoption of the District Resolution, was adopted at a meeting of the Governing Board that was held in compliance with all applicable laws relating to the holding of open and public meetings under the laws of the State.
8. To our knowledge, without conducting any independent inquiry or investigation (except for (A) litigation searches over the Internet with respect to litigation where the School District is named as a party of the (i) Superior Court records (civil filings only) of the County of Los Angeles, and (ii) United States District Court Records, Central District of California, and (B) inquiry of the School District and District, there are no legal or governmental actions, proceedings, inquiries or investigations pending with respect to which the School District has been served with process or overtly threatened in writing against the School District before or by any court, regulatory agency, public board or body wherein an unfavorable decision, ruling or finding threatened to restrain or enjoin the execution, delivery or performance by the Lessee of the Transaction Documents or in any way to contest the validity of the Transaction Documents, to contest or

question the creation or existence of the Lessee or the Governing Body of the Lessee or the authority or ability of the Lessee to execute or deliver the Transaction Documents or to comply with or perform its obligations thereunder. There is no litigation pending or, to the best of my knowledge, threatened seeking to restrain or enjoin the Lessee from annually appropriating sufficient funds to pay the rental payments or other amounts contemplated by the Lease Agreement.

9. To our knowledge, the School District is not in breach of or in default under any applicable law or administrative rule or regulation of the State or the United States of America, or of any department, division, agency or instrumentality of either thereof, or under any applicable court or administrative decree or order, or under any loan agreement, note, resolution, indenture, contract, agreement or other instrument to which the School District is a party or is otherwise subject or bound, a consequence of which could be to materially and adversely affect the ability of the School District to perform its obligations under the Transaction Documents or which, with the passage of time or the giving of notice or both, would constitute an event of default thereunder and which default or event of default could materially and adversely affect the ability of the School District to perform its obligations under the Transaction Documents.
10. To our knowledge, the entering into and performance of the Transaction Documents do not and will not violate any judgment, order, law or regulation applicable to the Lessee or result in any breach of, or constitute a default under, or result in the creation of any lien, charge, security interest, or other encumbrance upon any assets of the Lessee or on the Equipment (as such term is defined in the Lease Agreement) pursuant to any indenture, mortgage, deed of trust, bank loan or credit agreement, or other instrument to which the Lessee is a party or by which it or its assets may be bound. Notwithstanding the foregoing, upon the due and timely filing of a UCC-1 and a Title Application and/or Certificate of Title (the latter solely with respect to Equipment constituting titled vehicles), the Lessor will have a perfected security interest in the Equipment.

We express no opinion herein with respect to the effect of laws, other than the laws and regulations of the State in full force and effect on the date hereof, upon the validity and binding effect of the Lease Agreement or upon any other matter set forth in this opinion. The opinions set forth in this letter do not extend to any other financing or lease transaction(s) or agreements other than those expressly described herein.

We have not undertaken any duty and expressly disclaim any responsibility to advise you as to events occurring after the date hereof with respect to the School District. Furthermore, future acts or omissions of the parties may serve to modify, alter or change the circumstances

under which this opinion letter was prepared and upon which the opinions herein were rendered. Also, actions, conduct or omissions by a party may create a situation of waiver, estoppel or novation which would supplant the opinions set forth in this opinion letter.

The opinions expressed herein are based on the facts (as we know, believe or have assumed them to be) and law as in effect on the date of this opinion and, as such, this opinion shall be effective only as of the date of this letter. This opinion is limited to the matters expressly set forth above, and no opinion is implied or may be inferred beyond the matters expressly so stated. ### POST-ISSUANCE TAX COMPLIANCE PROCEDURES

Dated: May 15, 2018

The following certificate is delivered in connection with the execution and delivery of the Solar Project Equipment Lease-Purchase Agreement dated May 15, 2018 (the "Lease Agreement"), entered into between the William S. Hart Union High School District (the "Lessee") and Holman Capital Corporation (the "Corporation"). Capitalized terms used herein have the meanings defined in the Lease Agreement.

#### Section 1. In General.

1.1. This Certificate is executed for the purpose of establishing the reasonable expectations of Lessee as to future events regarding the financing of certain equipment (the "Equipment") to be acquired by Lessor and leased to Lessee pursuant to and in accordance with the Equipment Schedule executed under the Agreement (together with all related documents executed pursuant thereto and contemporaneously herewith, the "Financing Documents"). As described in the Financing Documents, Lessor shall apply \$4,331,862.00 (the "Principal Amount") toward the acquisition of the Equipment and closing costs, and Lessee shall make Rental Payments under the terms and conditions as set forth in the Financing Documents.

1.2. The individual executing this Certificate on behalf of Lessee is an officer of Lessee delegated with the responsibility of reviewing and executing the Financing Documents, pursuant to the governing board's approval or other official action of Lessee adopted with respect to the Financing Documents, a copy of which has been delivered to Lessor.

1.3. The Financing Documents are being entered into for the purpose of providing funds for financing the cost of acquiring, equipping and installing the Equipment which is essential to the governmental functions of Lessee, which Equipment is described in the Equipment Schedule. The Principal Amount will be deposited in escrow by Lessor on the date of issuance of the Financing Documents and held by MEGA BANK, as escrow agent (the "Escrow Agent") pending acquisition of the Equipment under the terms of that certain Escrow Agreement dated as of May 15, 2018 (the "Escrow Agreement"), by and between Lessor, Lessee and Escrow Agent.

1.4. Lessee will timely file for each payment schedule issued under the Lease a Form 8038-G (or, if the invoice price of the Equipment under such schedule is less than \$100,000, a Form 8038-GC) relating to such Lease with the Internal Revenue Service in accordance with Section 149(e) of the Internal Revenue Code of 1986, as amended (the "Code").

1.5. The Lease is not a "qualified tax-exempt obligation" for the purposes and within the meaning of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended.

#### Section 2. Non-Arbitrage Certifications.

2.1. The Rental Payments due under the Financing Documents will be made with monies retained in Lessee's general operating fund (or an account or subaccount therein). No sinking, debt service, reserve or similar fund or account will be created or maintained for the payment of the Rental Payments due under the Financing Documents or pledged as security therefor.

2.2. There have been and will be issued no obligations by or on behalf of Lessee that would be deemed to be (i) issued or sold within fifteen (15) days before or after the date of issuance of the Financing Documents, (ii) issued or sold pursuant to a common plan of financing with the Financing Documents and (iii) paid out of substantially the same source of funds as, or deemed to have substantially the same claim to be paid out of substantially the same source of funds as, the Financing Documents.

2.3. Lessee does not and will not have on hand any funds that are or will be restricted, segregated, legally required or otherwise intended to be used, directly or indirectly, as a substitute, replacement or separate source of financing for the Equipment.

2.4. No portion of the Principal Amount is being used by Lessee to acquire investments which produce a yield materially higher than the yield realized by Lessor from Rental Payments received under the Financing Documents.

2.5. The Principal Amount does not exceed the amount necessary for the governmental purpose for which the Financing Documents were entered into. Such funds are expected to be needed and fully expended for payment of the costs of acquiring, equipping and installing the Equipment.

2.6. Lessee does not expect to convey, sublease or otherwise dispose of the Equipment, in whole or in part, at a date which is earlier than the final Payment Date under the Financing Documents.

**Section 3. Disbursement of Funds; Reimbursement to Lessee.**

3.1 It is contemplated that the entire Principal Amount will be used to pay the acquisition cost of Equipment to the vendors or manufacturers thereof or for any financial advisory or closing costs, provided that, if applicable, a portion of the principal amount may be paid to Lessee as reimbursement for acquisition cost payments already made by it so long as the conditions set forth in Section 3.2 below are satisfied.

3.2 Lessee shall not request that it be reimbursed for Equipment acquisition cost payments already made by it unless each of the following conditions have been satisfied:

(a) If applicable, Lessee adopted a resolution or otherwise declared its official intent in accordance with Treasury Regulation § 1.150-2 (a copy of which will be provided to Lessor, if applicable, the "Declaration of Official Intent"), wherein Lessee expressed its intent to be reimbursed from the proceeds of a borrowing for all or a portion of the cost of the Equipment, which expenditure was paid to the Vendor not earlier than sixty (60) days before Lessee adopted the Declaration of Official Intent.

(b) The reimbursement being requested will be made by a written allocation before the later of eighteen (18) months after the expenditure was paid or eighteen (18) months after the items of Equipment to which such payment relates were placed in service.

(c) The entire payment with respect to which reimbursement is being sought is a capital expenditure, being a cost of a type properly chargeable to a capital account under general federal income tax principles; and

(d) Lessee will use any reimbursement payment for general operating expenses and not in a manner which could be construed as an artifice or device under Treasury Regulation § 1.148-10 to avoid, in whole or in part, arbitrage yield restrictions or arbitrage rebate requirements.

**Section 4. Use and Investment of Funds; Temporary Period.**

4.1 Lessee has incurred or will incur, within six (6) months from the date of issuance of the Financing Documents, binding obligations to pay an amount equal to at least five percent (5%) of the Principal Amount toward the costs of the Equipment. An obligation is not binding if it is subject to contingencies within Lessee's control. The ordering and acceptance of the items of Equipment will proceed with due diligence to the date of final acceptance of the Equipment.

4.2 An amount equal to at least eighty-five percent (85%) of the Principal Amount will be expended to pay the cost of the Equipment by the end of the three-year period commencing on the date of this Certificate. No portion of the Principal Amount will be used to acquire investments that do not carry out the governmental purpose of the Financing Documents and that have a substantially guaranteed yield of four (4) years or more.

4.3(a) Lessee covenants and agrees that it will rebate an amount equal to excess earnings on the Principal Amount deposited under the Escrow Agreement to the Internal Revenue Service if required by, and in accordance with, Section 148(f) of the Code, and make the annual determinations and maintain the records required by and otherwise comply with the regulations applicable thereto. Lessee reasonably expects to cause the Equipment to be acquired by May 15, 2020.

(b) Lessee will provide evidence to Lessor that the rebate amount has been calculated and paid to the Internal Revenue Service in accordance with Section 148(f) of the Code unless (i) the entire Principal Amount is expended on the Equipment by the date that is the six-month anniversary of the Financing Documents or (ii) the Principal Amount is expended on the Equipment in accordance with the following schedule: At least fifteen percent (15%) of the Principal Amount and interest earnings thereon will be applied to the cost of the Equipment within six months from the date of issuance of the Financing Documents; at least sixty percent (60%) of the Principal Amount and interest earnings thereon will be applied to the cost of the Equipment within 12 months from the date of issuance of the Financing Documents; and one hundred percent (100%) of the Principal Amount and interest earnings thereon will be applied to the cost of the Equipment prior to eighteen (18) months from the date of issuance of the Financing Documents.

(c) Lessee hereby covenants that (i) Lessee is a governmental unit with general tax powers; (ii) the Lease is not a "private activity bond" under Section 141 of the Code; (iii) at least ninety-five percent (95%) of the Principal Amount is used for the governmental activities of Lessee; and (iv) the aggregate principal amount of all tax-exempt obligations (including the Lease) issued by Lessee and its subordinate entities, if any, during the current calendar year is reasonably expected to exceed \$10,000,000. Accordingly, the rebate requirements of Section 148(f) of the Code are treated as being met, in lieu of the spending exceptions set forth in paragraph (b) above.

**Section 5. Escrow Account.**

The Financing Documents provide that the monies deposited in escrow shall be invested until payments to the vendor(s) or manufacturer(s) of the Equipment are due. Lessee will ensure that such investment will not result in

Lessee's obligations under the Financing Documents being treated as an "arbitrage bond" within the meaning of Section 148(a) of the Internal Revenue Code of 1986, as amended (the "Code"), respectively. Any monies which are earned from the investment of these funds shall be labeled as interest earned. All such monies will be disbursed on or promptly after the date that Lessee accepts the Equipment. Lessee acknowledges that the provisions of Sections 2 and 4 herein are particularly applicable when the Principal Amount is funded into an Escrow Fund subject to the Escrow Agreement.

**Section 6. No Private Use; No Consumer Loan.**

6.1. Lessee will not exceed the private use restrictions set forth in Section 141 of the Code. Specifically, Lessee will not permit more than 10% of the Principal Amount to be used for a Private Business Use (as defined herein) if, in addition, the payment of more than ten percent (10%) of the Principal Amount plus interest earned thereon is, directly or indirectly, secured by (i) any interest in property used or to be used for a Private Business Use or (ii) any interest in payments in respect of such property or derived from any payment in respect of property or borrowed money used or to be used for a Private Business Use.

6.2. In addition, if both (A) more than five percent (5%) of the Principal Amount is used as described above with respect to Private Business Use and (B) more than five percent (5%) of the Principal Amount plus interest earned thereon is secured by Private Business Use property or payments as described above, then the excess over such five percent (5%) (the "Excess Private Use Portion") will be used for a Private Business Use related to the governmental use of the Equipment. Any such Excess Private Use Portion of the Principal Amount will not exceed the portion of the Principal Amount used for the governmental use of the particular project to which such Excess Private Use Portion is related. For purposes of this paragraph 6.3, "Private Business Use" means use of bond proceeds or bond financed property directly or indirectly in a trade or business carried on by a natural person or in any activity carried on by a person other than a natural person, excluding, however, use by a state or local governmental unit and excluding use as a member of the general public.

6.4. No part of the Principal Amount or interest earned thereon will be used, directly or indirectly, to make or finance any loans to non-governmental entities or to any governmental agencies other than Lessee.

**Section 7. No Federal Guarantee.**

7.1. Payment of the principal or interest due under the Financing Documents is not directly or indirectly guaranteed, in whole or in part, by the United States or an agency or instrumentality thereof.

7.2. No portion of the Principal Amount or interest earned thereon shall be (i) used in making loans the payment of principal or interest of which are to be guaranteed, in whole or in part, by the United States or any agency or instrumentality thereof, or (ii) invested, directly or indirectly, in federally insured deposits or accounts if such investment would cause the financing under the Financing Documents to be "federally guaranteed" within the meaning of Section 149(b) of the Code.

**Section 8. Miscellaneous.**

8.1. Lessee shall keep a complete and accurate record of all owners or assignees of the Financing Documents in form and substance satisfactory to comply with the registration requirements of Section 149(a) of the Code unless Lessor or its assignee agrees to act as Lessee's agent for such purpose.

8.2. Lessee shall maintain complete and accurate records establishing the expenditure of the Principal Amount and interest earnings thereon for a period of five (5) years after payment in full under the Financing Documents.

8.3. To the best of the undersigned's knowledge, information and belief, the above expectations are reasonable and there are no other facts, estimates or circumstances that would materially change the expectations expressed herein.

8.4. The Lessee's Tax Identification Number is: 95-6001532.

IN WITNESS WHEREOF, this Post-Issuance Tax Compliance Procedures Certificate has been executed on behalf of Lessee as of May 15, 2018,

**LESSEE:**

THIS ESCROW AGREEMENT (this "*Escrow Agreement*") is made as of May 15, 2018, between Holman Capital Corporation ("*Lessor*"), the William S. Hart Union High School District ("*Lessee*"), and Mega Bank (the "*Escrow Agent*").

Lessor and Lessee have heretofore entered into that certain Energy Conversation Equipment Lease-Purchase Agreement and Equipment Schedule both dated May 15, 2018 (the "*Lease Agreement*"). The Lease Agreement contemplates that certain Equipment described therein (the "*Equipment*") is to be acquired from the vendor(s) or manufacturer(s) thereof.

After acceptance of the Equipment by Lessee, the Equipment is to be leased by Lessor to Lessee pursuant to the terms of the Lease Agreement.

The Lease Agreement contemplates that Lessor will deposit with the Escrow Agent cash in the amount of \$4,331,862.00 (the "*Deposit Amount*"), for deposit into the escrow fund (the "*Escrow Fund*"), to be held in escrow by the Escrow Agent and applied on the express terms and conditions set forth herein. Such deposit into the Escrow Fund, together with all interest and additions received with respect thereto, is to be applied from time to time to pay the vendor(s) or manufacturer(s) of the Equipment its invoice cost (a portion of which may, if required, be paid prior to final acceptance of the Equipment by Lessee). The Escrow Fund is to be held for the account and benefit of Lessee, and Lessee has granted to Lessor a first priority and perfected lien on and security interest in the Escrow Fund and any all proceeds, interest and other earnings thereon and investments therein to the Lessor by virtue of the execution of this Escrow Agreement without the need for any additional filings or financing statements.

The parties desire to set forth the terms on which the escrow is to be created and to establish the rights and responsibilities of the parties hereto.

NOW, THEREFORE, the parties agree as follows:

1. The Escrow Agent hereby agrees to serve as escrow agent upon the terms and conditions set forth herein. The Escrow Agent agrees that the Escrow Fund shall be held irrevocably in trust for the account and benefit of Lessee and all interest earned with respect to the Escrow Fund shall accrue to the benefit of Lessee and shall be applied as expressly set forth herein.

To the limited extent required to perfect the first priority security interest hereby granted by Lessee to Lessor in the cash and negotiable instruments from time to time held in the Escrow Fund, Lessor hereby appoints the Escrow Agent as its security agent, and the Escrow Agent hereby accepts the appointment as security agent, and agrees to hold physical possession of such cash and negotiable instruments on behalf of Lessor.

2. On such day as determined to the mutual satisfaction of the parties (the "*Commencement Date*"), Lessor shall deposit with the Escrow Agent cash in the amount of the Deposit Amount to be held by the Escrow Agent on the express terms and conditions set forth herein. The Escrow Agent agrees to accept the deposit of the Deposit Amount by Lessor with the Escrow Agent, and further agrees to hold the amount so deposited together with all

interest and other additions received with respect thereto in escrow on the express terms and conditions set forth herein.

3. The Escrow Agent shall at all times segregate the Escrow Fund into an account maintained for that express purpose, which shall be clearly identified on the books and records of the Escrow Agent as being held in its capacity as Escrow Agent. Securities and other negotiable instruments held in the Escrow Fund from time to time shall be held or registered in the name of the Escrow Agent (or its nominee). The Escrow Fund shall not, to the extent permitted by applicable law, be subject to levy or attachment or lien by or for the benefit of any creditor of any of the parties hereto (except with respect to the security interest therein held by Lessor).
4. Lessee hereby directs the Escrow Agent to invest the cash held in the Escrow Fund from time to time in a Mega Bank non-interest bearing demand deposit account with no fees or costs or, in the event such fund is not at the time available, such other investments as Lessee may specify in writing, to the extent the same are at the time legal for investment of the funds being invested. Interest or other amounts earned and received by the Escrow Agent with respect to the Escrow Fund shall be deposited in and become a part of the Escrow Fund. No investment shall be made that would cause the Lease Agreement to be deemed to be an arbitrage bond within the meaning of Section 148(a) of the Internal Revenue Code of 1986, as amended.
5. Lessor and Lessee hereby authorize the Escrow Agent to take the following actions with respect to the Escrow Fund:
  - a. From time to time, the Escrow Agent shall pay the vendor or manufacturer of the Equipment payments then due and payable, or reimburse Lessee for amounts that it has paid to the vendor or manufacturer of the Equipment, upon receipt of the following: (a) a duly executed Certificate of Acceptance and Payment Request in the form attached as Exhibit A hereto; (b) the vendor(s) or manufacturer(s) invoice(s) specifying the acquisition price of the Equipment described in the requisition request; and (c) any additional documentation required by Lessor.
  - b. If Lessor provides to the Escrow Agent written notice of the occurrence of an Event of Default or an Event of Nonappropriation by Lessee under the Lease Agreement, the Escrow Agent shall thereupon promptly remit to Lessor the entire balance of the Escrow Fund.
  - c. Upon receipt by the Escrow Agent of a duly executed Certificate of Acceptance and Payment Request identified as the final such request, the Escrow Agent shall transfer the then remaining balance of the Escrow Fund to Lessee, upon the express condition that Lessee hereby agrees to use such excess amount solely for capital expenditures as shall be approved by Lessee or, at the written direction of Lessee, for application against the interest component of the Lessee's payment obligation under the Lease Agreement, as provided therein, unless otherwise agreed by Lessor.
6. The Escrow Agent shall have no liability for acting upon any written instruction presented by Lessee and Lessor in connection with this Escrow Agreement that the Escrow Agent in good faith believes to be genuine. Furthermore, the Escrow Agent shall not be liable for any act or omission in connection with this Escrow Agreement except for its own gross negligence, willful misconduct, or bad faith. The Escrow Agent shall not be liable for any loss or diminution in value of the Escrow Fund as a result of the investments made pursuant to Section 4.
7. To the extent authorized by law, Lessee hereby agrees to indemnify and save the Escrow Agent harmless against any liabilities that it may incur in the exercise and performance of its powers and duties hereunder and that are not due to the Escrow Agent's gross negligence or willful misconduct. No indemnification will be made under this Section or elsewhere in this Escrow Agreement for damages arising solely out of gross negligence, willful misconduct, or bad faith by the Escrow Agent, its officers, agents, employees, successors or assigns.
8. The Escrow Agent may at any time resign by giving at least 30 days' prior written notice to Lessee and Lessor, but such resignation shall not take effect until the appointment of the successor Escrow Agent. The substitution of another bank or trust company to act as Escrow Agent under this Escrow Agreement may occur by written agreement of Lessor and Lessee. In addition, the Escrow Agent may be removed at any time, with or without cause, by instrument in writing executed by Lessor and Lessee. Such notice shall set forth the effective date of

the removal. In the event of any resignation or removal of the Escrow Agent, a successor Escrow Agent shall be appointed by an instrument in writing executed by Lessor and Lessee. Such successor Escrow Agent shall indicate its acceptance of such appointment by an instrument in writing delivered to Lessor, Lessee and the predecessor Escrow Agent.

Upon the effective date of resignation or removal, the Escrow Agent will transfer the Escrow Fund then held by it to the successor Escrow Agent selected by Lessor and Lessee.

9. This Escrow Agreement shall terminate upon receipt by the Escrow Agent of the written notice from Lessor specified in Section 5(c) or Section 5(d) hereof.
10. All notices hereunder shall be in writing, sent by certified mail, return receipt requested, or by mutually recognized overnight carrier addressed to the other party at its respective address shown on page 1 of this Escrow Agreement or at such other address as such party shall from time to time designate in writing to the other parties; and shall be effective on the date of receipt.
11. This Escrow Agreement shall inure to the benefit of and shall be binding upon the parties hereto and their respective successors and assigns. No rights or obligations of the Escrow Agent under this Escrow Agreement may be assigned without the prior written consent of Lessor and Lessee.
12. This Escrow Agreement constitutes the entire agreement between the parties hereto with respect to the subject matter hereof, and no waiver, consent, modification, or change of terms hereof shall bind any party unless in writing signed by all parties.
13. The Escrow Agent may employ agents, attorneys and accountants in connection with its duties hereunder and shall not be liable for any action taken or omitted in good faith in accordance with the advice of counsel, accountants, or other skilled persons.
14. This Escrow Agreement shall be governed by and be construed and interpreted in accordance with the internal laws of the State of California.

**RESOLUTION NO. 17/18-36**

**RESOLUTION OF THE BOARD OF EDUCATION OF  
WILLIAM S. HART UNION HIGH SCHOOL DISTRICT  
APPROVING AGREEMENT FOR ENERGY  
CONSERVATION FACILITY FINANCING CONTRACT  
PURSUANT TO GOVERNMENT CODE SECTIONS  
4217.10-4217.18, MAKING CERTAIN FINDINGS  
REQUIRED THEREFORE AND TAKING RELATED  
ACTIONS**

WHEREAS, the William S. Hart Union High School District ("District") finds it to be in the best interests of the District to implement projects to promote energy efficiency and renewable energy production to achieve energy cost reductions;

WHEREAS, Government Code sections 4217.10 through 4217.18 authorize the District's Governing Board ("Governing Board"), without advertising for bids, to enter into one or more energy service contracts with any person or entity, pursuant to which that person or entity will provide electrical or thermal energy or conservation services to the District, which may comprise or include an energy conservation facility, if the anticipated cost to the District for thermal or electrical energy or conservation services provided under the contract(s) is less than the anticipated marginal cost to the District of thermal, electrical, or other energy that would have been consumed by the District in the absence of those energy service contracts ("Savings");

WHEREAS, Government Code sections 4217.10 through 4217.18 authorize the Governing Board, without advertising for bids, to enter into one or more facility financing contracts if funds for the repayment thereof are projected to be available from the Savings, representing funds that otherwise would have been used for purchase of electrical, thermal, or other energy required by the District in the absence of the energy conservation services and facilities financed by proceeds available through the facility financing contracts;

WHEREAS, Government Code sections 4217.10 through 4217.18 require that a public hearing be held, and public comment be taken, at a regularly scheduled meeting of the Governing Board, at which meeting the Governing Board may consider and adopt the findings described herein and award facility financing contracts based thereon, and that notice of such public hearing be must given at least two weeks prior to such public hearing;

WHEREAS, the District has provided notice of its intent to conduct such a public hearing and take public comment upon the subject matter of this Resolution at least two weeks prior the regularly scheduled public meeting of the Governing Board at which the Governing Board has held a public hearing and taken public comment and the Governing Board has now considered this Resolution, all as required under Government Code sections 4217.10 through 4217.18;

WHEREAS, the Governing Board previously adopted Resolution No. 17/18-33, finding that the anticipated cost of an energy conservation facilities contract offered by Alliance Building Solutions, Inc. ("ECFA") to the District for thermal or electrical energy or conservation services provided thereunder was less than the anticipated marginal cost to the District of thermal, electrical, or other energy that would have been consumed by the District in the absence of the

ECFA and that it was in the best interest of the District to approve and enter into the ECFA, which the Board approved and ratified;

WHEREAS, the District has been presented with an Equipment Lease-Purchase Agreement ("Financing Agreement," the form of which has been provided to this Governing Board) between the District, as Lessee, and Holman Capital Corporation, as Lessor, to secure financing of the ECFA under terms beneficial to the District;

WHEREAS, District staff reviewed the qualifications presented by Alliance Building Solutions, Inc., to conduct and provide assessment of District energy usage, energy needs and opportunities to reduce energy expenses, found Alliance Building Solutions, Inc.' qualifications to appear bona fide and adequate;

WHEREAS, Alliance Building Solutions, Inc. assessed the feasibility of various potential energy conservation measures to reduce the District's energy consumption and expense and recommended specific energy conservation measures based thereon ("Analysis," the summary form of which has been provided to this Governing Board), upon which the Governing Board and District administration and staff have relied;

WHEREAS, the Analysis demonstrates that the cost of the ECFA to the District for the thermal or electrical energy or conservation services provided thereunder is less than the anticipated marginal cost to the District of thermal, electrical, or other energy that would have been consumed by the District in the absence of the ECFA ("Savings");

WHEREAS, the Analysis indicates that funds for the repayment of the Financing Agreement are projected to be available from the Savings, which are in excess of the cost of the ECFA and represent funds that otherwise would have been used for purchase of electrical, thermal, or other energy required by the District in the absence of the energy conservation services and facilities provided under the ECFA and financed by proceeds available through the Financing Agreement;

WHEREAS, based upon documentation presented to the Governing Board, the Governing Board is prepared to make certain findings and determinations concerning approval of the Financing Agreement and various related matters; and

WHEREAS, based on the foregoing, the District Board has determined that it is appropriate to adopt this Resolution, including making certain findings and directing certain related actions, providing for the approval of the Financing Agreement and related actions.

NOW, THEREFORE, THE BOARD OF EDUCATION OF THE WILLIAM S. HART UNION HIGH SCHOOL DISTRICT DOES HEREBY FIND, RESOLVE, DETERMINE, AND ORDER AS FOLLOWS:

Section 1. Recitals. All of the recitals herein contained are true and correct and are incorporated herein by this reference.

Section 2. Financing Agreement Findings. The District's Governing Board finds that funds for the repayment of the Financing Agreement are projected to be available from the Savings, which are in excess of the cost of the ECFA, and represent funds that otherwise would have been used for purchase of electrical, thermal, or other energy required by the District in the absence of the energy conservation services and facilities provided under the ECFA and financed by proceeds available through the Financing Agreement.

Section 3. Financing Agreement Approval, Execution and Delivery. The form of the Financing Agreement by and between the District and Lessor, presented to the Governing Board and on file with the District, is hereby approved, subject to final approval by the Superintendent and District Legal Counsel. The Superintendent or Superintendent's designee ("Designated Officers") is hereby authorized and directed, for and in the name of and on behalf of the District, to execute and deliver to Lessor the Financing Agreement and such other financing and related documents as necessary to complete the transaction contemplated by the Financing Agreement with such changes therein as such officer or person may require and approve, such approval to be conclusively evidenced by the execution and delivery thereof.

Section 4. Tax-Exemption Matters.

(a) The Governing Board, on behalf of the District, in order to maintain the exclusion from gross income for federal income tax purposes of the interest on the payments under the Financing Agreement, hereby authorizes the Financing Agreement to include covenants to comply with each applicable requirement of Section 103 and Sections 141 through 150 of the Internal Revenue Code of 1986, as amended.

(b) The Governing Board hereby authorizes District Counsel and District staff to complete, execute and include in the documents delivered in connection with the Financing Agreement, such statements and directives as may be necessary and convenient in order to meet federal tax goals or requirements in connection with maintaining the tax-exempt status of the payments under the Financing Agreement. In addition to the foregoing, District staff is authorized to provide a post-issuance compliance policy and procedures (in the form provided by District Counsel and consistent with the District's Debt Management Policy) to provide for ongoing monitoring and compliance actions in connection with the terms of the Financing Agreement.

Section 5. Compliance with District Debt Management Policy. The Governing Board hereby determines that the adoption of this Resolution is in general compliance with the provisions and requirements of the District's adopted Debt Management Policy (as set forth in the District's policies and guidelines). To the extent this Resolution is not in strict compliance therewith, this District Board waives such requirements for the reasons, and upon the determinations, set forth herein. The Governing Board hereby directs that all periodic filings and reports required under the School District's Debt Management Policy, which are applicable to the Financing Agreement, shall be completed and made in a timely manner.

Section 6. Other Actions. The President and Clerk of the Governing Board, and the Designated Officers of the District, are authorized and directed to execute all documents and to take all actions necessary to carry out the directives of this Resolution.

Section 7. Effective Date. This Resolution shall take effect upon adoption.
