Print, fax, scan and copy from this easy- to-use, compact all-in-one.

WHAT DO YOU HAVE TO SAY?

HP Photosmart C4345 All-in-One

Print, fax, scan or copy – at a touch.

HP Photosmart C4345 All-in-One Printer, fax, scanner, copier

Enjoy the versatility of a compact all-in-one with print, fax, scan and copy functions. This easy-to-use all-in-one is ideal for everyday and photo printing, as well as copying, scanning and faxing. Print laser-quality text and vivid graphics, plus, with optional 6-ink colour printing¹, you can enjoy beautiful lab-quality photos that last for generations². What's more, convenient features such as a built-in 1.5" colour graphics display, HP Smart Web Printing, one touch buttons for scanning/copying, and last number fax redial help you get more done with ease. Now, you can have everything you need right on your desk.

HP – chosen by consumers as the easiest to use printers.*

* Based on worldwide consumer research in 2006 by Millward Brown

Stay in touch with colour faxing
Send and receive colour faxes with the built-in 33.6Kbps fax modem. For added convenience, the fax function has a last number redial feature as well as a distinctive ringtone³ so you will know when a fax is being received.

HP Photosmart Essential software
Print different photo sizes, adjust exposure/colour, create album pages and share photos via email or web albums with this powerful HP software. Even organise and search for your photos by date, file name or keywords.

Built-in 1.5-inch colour graphics display
Take the guesswork out of photo printing with the integrated colour display. Now you can select and preview your photos before printing.

Automatic paper-type detection
Save paper, ink and time with HP's automatic paper-type detection. This feature identifies the type of paper in the in-tray to deliver the best possible results on plain, photo, brochure or other high-quality papers – automatically.

HP Smart Web Printing⁴
Web pages are designed for on-screen viewing. As such, printing them on paper usually result in pages being cut-off or unwanted, trailing pages being printed.

HP Smart Web Printing prevents this paper and ink waste by automatically reformatting web pages into printable pages before printing, so web content gets printed efficiently.

Fast printing
Print a 4 x 6-inch photo in just 25 seconds, or documents at up to 30 ppm black, 23 ppm colour.

PC-free photo printing
Print directly from your camera's memory card. The built-in memory card slot is compatible with virtually every memory card⁵ in the market. You simply insert the memory card into the built-in memory card slot, select the images and print.

Compact design
Make the most of tight spaces with this compact, lightweight machine – featuring a 100-sheet front-loading tray that folds up for easy storage and protects your printer from dust.

Simple control panel
The one-touch buttons make it easy to start a scan or copy without turning on your computer. You can even make brilliant photo reprints, and produce professional-quality copies of text documents.

Supports high-capacity HP cartridges
Print more photos and text when you choose an HP 74XL Black or HP 75XL Tri-colour cartridge. Designed for frequent printing, these cartridges complement your printer for superior reliability and performance.

1. 6-ink colour printing available with purchase of HP photo inkjet cartridge, not included; sold separately.
2. Display-permanence rating by Wilhelm Imaging Research, Inc., or HP Image Permanence Lab, using HP Premium Plus Photo Paper. For details: www.hp.com/apac/longlasting
3. Requires the purchase of distinctive ring service from phone company, for details go to www.hp.com/go/inkjetprinter
4. Requires Internet Explorer 6.0 or higher
5. Supports CompactFlash™, Memory Stick™, Memory Stick™ Duo (adapter not included), Secure Digital™/MultiMediaCard™ and xD-Picture Card™

Convenient colour faxing and a distinctive ringtone³ so that you will know when a fax is being received

View and print photos with the built-in 1.5-inch colour graphics display

HP Smart Web Printing saves paper and prevents cut-off edges

Print directly from memory cards using the built-in memory card reader

One-touch buttons for easy scanning or copying without a PC

Get lab-quality photos with HP Vivera optional 6-ink¹ colour printing

Choose the right inks for your projects.

Go blue for standard
Reliable ink for precise, everyday printing.

Go green for value
Print more, save more with high capacity cartridges.

Photos, work or school projects. HP offers both standard or high-volume ink cartridge solutions.

Go red for specialty
Enhanced performance for outstanding results.

Print gallery-quality photos that will resist fading for generations when using HP specialty photo papers.
