

Epson FX-2190N

DATASHEET

At a class-leading 680 cps up to A3 size, this 9-pin printer handles medium to large volume printing quicker than ever.

This wide carriage printer combines high speed printing with outstanding reliability.

A mean volume between failure of 52 million lines makes this printer suitable for medium and large print volumes. The paper can be fed from the front, top, rear or bottom and an optional additional push/pull tractor unit can store a second continuous form, which is ideal for commercial and industrial environments.
