HPE Training Credits for Total Education is a “currency-based account” of funds that you can redeem for purchasing any course from our “Total” suite of education and training offerings including HPE Education Consulting solutions.

They are an ideal way to manage tighter training budgets in today’s economy. With these Training Credits, you can greatly simplify your budgeting and purchasing processes and make sure that training requirements are met as needed.

If you need help and advice with what training you need, then book a Training Advisement Service to learn about which training courses as well as tailored training options we have specific to your business needs.

HPE Training Credits for Total Education come in two versions:

- **HPE Credits for Total Education Services:** This is sold in increments of \$1000 or approximate equivalent in local currency.
- **HPE Credits for Total Education One Services:** This is sold in increments of \$100 or approximate equivalent in local currency.

HPE Credits for Total Education Services and HPE Credits for Total Education One Services allow volume purchase of training credits and give you a pre-funded account, waiting for you to draw on it. Within 12 months of purchase, you can redeem credits as needed for any service offered through HPE Education Services.

<sup>1</sup> Or approximate equivalent in local currency.

<sup>2</sup> A minimum purchase amount is required in some countries.

## Benefits

- **Planning flexibility:** No need to know student names, dates, or even locations in advance. Flexibility to attend training and order Education Consulting solutions as needed.
- **Simplified budgeting:** Lock in budget dollars by pre-purchasing credits while funding is available.
- **Reduced purchasing effort:** Avoid spending time and money on approving purchases throughout the year. After initial setup, you can register for training by phone or online using your HPE Credits for Total Education Services or HPE Credits for Total Education One Services. You can track number of students trained, courses taken, and remaining training funds on our secure website.
- **Free planning assistance:** Receive ongoing course recommendations by working with your HPE authorized resellers or by calling the HPE customer registration center.
- **Attach training with other HPE orders:** HPE Credits for Total Education Services and HPE Credits for Total Education One Services can be purchased standalone or as part of another HPE order, complementing a larger IT solution.

HPE Training Credits for Total Education are a key component of the HPE service portfolio. Our mission-critical and multi-technology expertise, proactive processes, and collaborative approach are designed to help you increase the availability of your IT environment and give your employees the skills they need to keep pace with change.

## Terms and conditions

HPE Training Credits can be redeemed for any course offered by HPE Education Services. Qualifying courses and solutions may be found at [hpe.com/ww/purchaseoptions](http://hpe.com/ww/purchaseoptions)

- Your purchase of HPE Training Credits can only be used for training provided by HPE's Education Services. For example, funds from your HPE Training Credits cannot be used for training on HPE Software, Indigo, Scitex, Autonomy, or Vertica products and services. Qualifying courses and solutions are provided at the link above.
- The duration of the HPE Training Credits is 12 months; all training must be scheduled prior to expiration of your applicable 12-month period. Once purchased, HPE will provide you with information regarding the start and end date of the 12-month ordering period in which you are required to redeem your HPE Training Credits. "Refills" can be purchased any time during this period; however, those funds are subject to the same expiration date.
- Any unused funds at expiration of your 12-month ordering period are forfeited and no extension beyond expiration is permitted.
- You may only redeem Training Credits for eligible courses that are delivered in the same country of your Training Credits purchase.
