SURVIVOR™

All-Terrain

All-Terrain raises tablet protection and versatility to the next level.

When maximum tablet protection and versatility matter, choose All-Terrain. 4 layers of shock-absorbing materials deliver Military-grade drop protection, while sealed ports and integrated screen protector keep out dust and grit. The highly versatile and detachable Kickstand/Handstrap enables stable hands-free portrait and landscape viewing and comfortable, secure on-the-go device operation. All-Terrain is compatible with all accessories in the Survivor Modular Ecosystem.

Drop Protection

Durability Layer: Exterior hard TPU provides scratch-resistance, discoloration defense, and durability.

Shock Layer: Interior soft TPU absorbs the force of impact before it reaches the device.

Structure Layer: Polycarbonate gives the product structure and rigidity and enables asset tagging.

Screen Layer: Integrated PET screen protector seals the device's screen and protects it from scratches.

360° Encapsulated Protection

Integrated Screen Protector: Protects the device's screen from scratches and foreign debris.

Sealed Ports & Buttons: Protects the device's vital connectors.

Camera Ring Gasket: Seals camera opening from dust and water.

Dust-proof Mesh Speaker Liner: Blocks out dust particles without impeding the audio.

Health & Safety

Antimicrobial Protection: Infused antimicrobial protection that eliminates 99.9% of surface bacteria.

No Bacteria Traps: Smooth edges limit areas for bacteria growth.

Cleaner Tough: Durable materials withstand most alcohol-based medical-grade cleaning agents.

Essential Functionality

Stylus Protection: Protective sleeve for Apple Pencil.

Asset Tagging: Clear back enables asset tagging and scanning through the case.

Charge Cart-Compatible: Fits inside industry-standard charging carts.
