

# HIGH-PERFORMANCE MADE AFFORDABLE

Epson's high-performance monochrome printers combine fast, no-compromise printing with class-leading total cost of ownership.

Ideal for workgroups of all sizes, these printers are compact, reliable and easy to maintain. Features include scan, copy and fax, double-sided printing, network and Wi-Fi flexibility and enhanced paper handling. With Epson monochrome printers, the professional choice is yours.

Not all features are applicable to all models – please refer to individual model data sheets for more information. Products are not to scale.

## Epson AcuLaser M1400

- **A4 mono laser:** compact footprint
- **Fast output:** prints up to 24ppm\*1
- **High-quality output:** with a print resolution of up to 1200x1200dpi

## Epson AcuLaser MX14 Series

AL-MX14NF model shown

NF model

- **All-in-one:** print, copy and scan (fax available on the AL-MX14NF)
- **A4 mono laser:** compact footprint, high-performance, professional printer
- **Fast output:** prints up to 24ppm\*1, first-page-out in 11 seconds
- **High-quality output:** with a print resolution of up to 1200x1200dpi

## Epson WorkForce AL-M200 Series

WF AL-M200DN model shown

- **Economical:** one of the best TCO in its class
- **High-performance:** 30ppm\*1, 30,000 pages duty cycle and network connectivity
- **Save paper:** double-sided printing as standard
- **User friendly:** a compact printer with an easy-to-replace toner cartridge

## Epson WorkForce AL-MX200 Series

WF AL-MX200DWF model shown

- **All-in-one:** print, copy, scan and fax
- **Economical:** one of the best TCO in its class
- **High-performance:** 30ppm\*1, 30,000 pages duty cycle and network connectivity
- **Save paper:** double-sided printing as standard
- **Flexible printing:** print wirelessly from smartphones and tablet PCs with Epson iPrint\*2

## Epson AcuLaser MX20DNF

- **Save money and paper:** with double-sided printing, copying, scanning and faxing
- **Fast output:** print and copy up to 28ppm\*1, first-page-out in 6 seconds
- **Easily share with workgroups:** using the built-in network interface
- **Fewer paper refills:** with up to two optional additional paper trays

## Epson AcuLaser M2400D Series

DN models

AL-M2400D model shown

- **Fast output:** prints up to 35ppm\*1, with first-page-out in 7 seconds
- **Save money and paper:** with automatic double-sided printing
- **High-quality output:** with a print resolution of up to 1200x1200dpi
- **Versatile paper handling:** optional 250 sheet paper tray – up to a total of 800 sheets

## Epson EPL-N3000 Series

D models

EPL-N3000 model shown

- **A4 mono laser printer:** high-performance and high-productivity for demanding workgroups
- **Fast output:** prints up to 34ppm\*1, first-page-out in 7 seconds
- **Low cost-per-page:** an affordable option for business users
- **Upgrades and extras:** optional 550 sheet paper tray (up to a total of 1,800 sheets), duplex unit, stacker and hard disk drive

## Epson AcuLaser M4000N Series

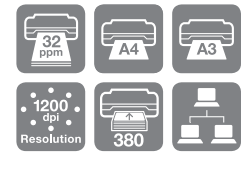

DN/DTN models

AL-M4000N model shown

- **High-performance mono laser:** ideal for handling high-volume monochrome printing
- **Fast results:** prints up to 43ppm\*1 at a full 1200x1200dpi resolution
- **Built for high-duty use:** works harder with high-yield toners and standard 700 sheet paper capacity (expandable to 1,800)

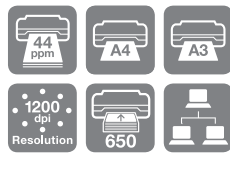

## Epson AcuLaser M7000N Series

AL-M7000N model shown

- **Fast output:** print A6 to A3 with fast printing at 32ppm\*1 in A4
- **High-quality output:** 1200x1200dpi resolution with dot correction function
- **High-durability:** with a duty cycle of up to 100,000 pages
- **Easy to integrate:** Ethernet, PCL6 and Genuine Adobe® PostScript® 3™\*5 emulations

## Epson AcuLaser M8000N Series

AL-M8000N model shown

- **Top-performing mono laser:** up to 44ppm\*1 in A4 and up to 25ppm\*1 in A3
- **High-productivity, low TCO:** return cartridge and double pack, long life components
- **Advanced security:** built-in SSL data encryption, Confidential Job and optional EpsonNet Authentication print solution
- **Versatile paper handling:** optional 500 sheet paper tray – up to a total of 2,150 sheets

## Epson Return and Recycle Incentive Programme

Epson has a global commitment to conserving the environment and reducing waste. Our Return and Recycle Incentive Programme offers a simple, easy-to-use collection process to recycle laser supplies cartridges in a responsible way.

What's more, we offer special return cartridges at a discounted price\*, saving you up to 29% on replacement toners. All you need to do is commit to buying these specially priced cartridges and join our initiative. This means, every time you buy a return toner cartridge you're saving money and helping the environment.

### Better Products for a Better Future™

The Return Toner Cartridge can only be sold if:

- An Epson collection scheme is available within the country.
- When opening the Return Toner Cartridge box, the user commits to send back the Return Toner Cartridge once empty.

Return Toner Cartridges are available for Epson AcuLaser M1200, M1400, MX14, M2000, M2300, M2400, MX20, M4000, M7000 and M8000 printer series and Epson WorkForce AL-M200 and AL-MX200 printer series.

\*Save up to 29% compared to the equivalent regular priced toner cartridge.

Regular priced toner cartridges are also available as an alternative.

Epson Return and Recycle Incentive Programme is not available in all countries.

For more information on products concerned and service availability per country, please visit [www.epson.com/recycle](http://www.epson.com/recycle) or contact your local Epson representative for details.

### 1 GET INVOLVED

Choose the specially packaged return toner cartridge and benefit from a special price. It has all you need for quick and easy collection of your empty cartridge.

### 2 RETURNING YOUR CARTRIDGES

Simply send us your empty toner cartridges using the Epson free collection scheme. For more information please visit: [www.epson.com/recycle](http://www.epson.com/recycle)

### 3 COMPLETE RECYCLING

Every part of our toner cartridge is recovered and recycled, helping us to actively reduce the impact on the environment.
