

## SecureBack™ M Series Kiosk Enclosure Bundle for iPad® 2/3/4 — Black

The Most Flexible, Secure Payments Enclosure

K67773WW

### Product Description

Add security and strength to your Point of Sale (POS) system while maintaining the sleek, lightweight profile of the iPad with the SecureBack M Series Kiosk Enclosure Bundle for iPad 2/3/4. It's ideal in businesses like retail stores and restaurants for fast, secure transactions or interactive customer engagement. The all-in-one solution wraps your iPad in a strong, low-profile case to guard against bumps and scratches, mounts seamlessly to the Countertop Tablet Stand and stays secure with ClickSafe™ lock. The bundle provides a convenient, comfortable user experience while offering total protection and security for your iPad. It also elevates service, provides new opportunities for data mining, and allows for mobile payments with Square™ or PayPal® devices.

### Features

- Preserves iPad aesthetics and mobility while adding security and protection
- Credit Card Reader can be attached through a strategic cutout to facilitate mobile payments
- ClickSafe™ enabled, securing in one click with a high-security ClickSafe lock
- Pass-through and enclosed power cord management options
- Cover plates for power button and volume control prevent tampering
- Countertop Tablet Stand includes mounting hardware
- Adjustable Kickstand (K67786WW) and Hand/Shoulder Strap (K67832WW) also available (sold separately)
