ADVANCED TECHNOLOGIES FOR YOUR HOME AND OFFICE

Print Documents On the Go

Print a variety of file types, Web pages, and images on the go with the **Canon PRINT Business**** app, **Apple AirPrint,†** **Mopria Print Service,***** and **Google Cloud Print,††** using your compatible mobile device.

Secure Print

Secure Print

The Color imageCLASS MF700 Series features Secure Print to help protect the privacy of your printed documents.

imageCLASS Touch & Print

NFC Capability

Tap and print with Near Field Communication (NFC^{†††}) capability or print and scan on the go in various ways.

Scan to Cloud

Scan-to-Cloud Capability

One-Click, Scan-to-Cloud[□] Services (Dropbox,^{□□} Evernote^{□□□}) makes scanning stress-free, allowing you to easily access documents and photos from anywhere on your computer or mobile device.

Department ID Management

The color imageCLASS MF700 Series feature password-protected Department ID Management. To help reduce costs, device usage and color access can be monitored and controlled, for up to 300 IDs.

Environmentally Conscious

Help decrease power consumption and energy costs with Canon's efficient Energy Saving Mode. In this mode, the MF700 Series uses just two watts of energy and meets ENERGY STAR[®] guidelines.

Generation Green

The MF700 Series is part of Canon's Generation Green Program, which highlights the company's commitment to sustainability. Learn more at www.usa.canon.com/green.

Color Touch-Panel LCD

The intuitive, seven-line, color touch-panel LCD allows users to navigate through the touch-menu seamlessly. The user-friendly wide screen and color display are easy to read, helping you to complete tasks more quickly.

** Canon PRINT Business is a new app, available free on the App Store[™] and Google Play Store, compatible with iPhone 6 Plus, iPhone 6, iPhone 5S, iPhone 5C, iPhone 5, iPhone 4S, iPhone 4, iPad Air 2, iPad Air, iPad 4, iPad 3, iPad 2, Original iPad, iPad mini, iPad mini Retina, iPad mini 3 running iOS 7.0 - 8.0. Supports Android Tablets and Phones running OS 4.0 - 5.0. Canon PRINT Business combines the functions of Canon Mobile Printing and Canon Mobile Scanning for Business apps into one, streamlining both apps and adds new features and functionality for users of all types, from small or home offices to large enterprise offices. Users of Canon Mobile Printing can simply update the app to use Canon PRINT Business. Users who have installed Canon Mobile Scanning for Business should install Canon PRINT Business. After Canon PRINT Business is installed, users can reregister their Canon Mobile Scanning for Business device list and local documents.

*** Mopria Print Service, available free at the Google Play Store, requires a compatible Android 4.0 - 5.0 smartphone or tablet. The printer must be either wirelessly connected to the network router or with an Ethernet cable. The mobile device and printer must be connected to the same network.

† Apple AirPrint functionality requires an iPad, iPad Mini, iPad 2, the new iPad, iPhone 3GS or later, or iPod touch 3rd generation or later device running iOS 7.0 - 8.0 or later, and an AirPrint-enabled printer connected to the same network as your iOS device. A printer connected to the USB port of your Mac, PC, AirPort Base Station, or Time Capsule is not supported.

†† Google Cloud Print requires an Internet connection and Google Account. Printer firmware update may be necessary for Google Cloud Print[™] function. Certain exceptions may apply. A PC running Windows XP or later or a Mac running OS 10.4.11 or later and USB cable are required to perform firmware update.

††† Requires an Android mobile device with NFC hardware running Android 4.0 or later and the Canon Print Business app, available for free at Google Play. Canon Print Business app must be open to use tap and print functionality.

□ Subscription to a third-party cloud service required. Subject to third-party cloud service providers' terms and conditions.
