HP P174 17-inch Monitor

Meet your business needs and your budget with solid front-of-screen visuals and easy PC connectivity of the stylish, reliable, and affordable HP P174 17-inch Monitor.

Crisp, clear views
- Navigate your everyday content and specific line of business programs on a sleek display that complements your modern workspace and has a standard 17-inch diagonal 1280 x 1024 resolution screen.

Simple connectivity
- Connect to your current and legacy devices through the VGA port.

Create an efficient workspace
- Attach your HP Desktop Mini, HP Chromebox or select HP Thin Client directly behind the display.[1] Keep things tidy with an integrated power supply and cable management features.

Featuring
- Filter blue light emission and shift colors to a warmer spectrum for more comfortable viewing with HP Low Blue Light mode. Adjust tilt for your best view.
- Free up valuable desk space with mounting options enabled by the 100-mm VESA pattern.
- Customize a total solution with options designed for your display, like the HP S100 Speaker Bar, which attaches easily to the lower bezel to add stereo audio without the desktop clutter.
- Energy efficiency and environmental sustainability are built into every ENERGY STAR® and TCO certified, EPEAT® Silver registered, and low halogen display.
- Manage your display and make it work for you. HP Display Assistant allows you to quickly resize screen partitions so you can work in separate regions of the screen and helps deter theft by dimming a display that's disconnected without approval.
- We're just a call or click away. Rest assured that your IT investment is supported with our three-year standard limited warranty. To extend your protection, select an optional HP Care service.
