

Angled Lightning to USB Cable - 1 m (3 ft.), White

StarTech ID: USBLT1MWR

This right-angled Lightning cable is great for charging your Apple mobile devices in a car, or for accessing your phone or tablet while it's connected to a wall charger or computer.

Connect with ease

The cable features a right-angled Lightning connector that lets you connect to ports that are difficult to reach, which is perfect for charging your car-mounted mobile devices. Even while you're charging your mobile device, you can use it to text, work or game, without the cable getting in the way.

The angled connector also prevents the cable from bending awkwardly or from straining too much to make a connection. It offers a more natural fit at the connection point, preventing unnecessary stress and damage to the cable and device port.

Charge and sync your USB mobile devices

Replace the Lightning cable that came with your mobile device, or keep one as a spare while traveling so that your mobile devices will be ready to use while you're on the road.

The USBLT1MWR 1-meter cable is Apple MFi certified and backed by StarTech.com's 2-year warranty.

Applications

- Text, work, or game on your iPhone, iPod, or iPad, even while it's charging, without the cable getting in the way
- Charge and sync Lightning mobile digital devices
- Replace the cable that came with your Apple Lightning device or keep one as a spare while traveling

Features

- Connect to your device even in hard-to-reach areas and tight spaces
- Guaranteed reliability with our 2-year warranty
