Symbol	Description
MEETS BIFMA	Meets or exceeds ANSI/BIFMA standards for safety and durability
(tools)	Assembly required
(leaf)	Because there is no universally accepted standard to designate products as environmentally preferable, we have adopted the green leaf symbol to highlight products that have one or more of the following attributes: reduced VOCs, compostable, biodegradable, contains recycled content, or other environmental attributes that make this product† less harmful to the environment or humans, when compared to its traditional counterparts. Many of the products marked with the green leaf symbol have been endorsed by third-party certifying organizations, and where applicable, the certifying body's logo appears next to the product's name. Please note that we have not independently verified the environmental attributes.

†These environmental attributes refer to the products themselves and to the processes for manufacturing and transporting the products. |

AVERY

A Durable View Binder with DuraHinge® and Slant Rings Durable construction is ideal for frequent referencing. Tear-resistant DuraHinge® design is stronger and lasts longer. DuraEdge® feature makes the sides and top more pliable, providing greater split resistance. Deeply textured film offers a smoother finish and features a linen pattern for a high-quality look and feel. Wider front and back panels fully cover standard dividers and sheet protectors. Organize and secure papers within two interior pockets. Slant rings have a higher page capacity when compared to the same size round rings. Pages lie flat with back-mounted rings; exposed rivets on back. Clear cover and spine for easy customization. Customize your binder with free templates and designs at Avery® Design & Print Online.

C Slant-Ring View Binder Matte-finish, transparent plastic overlays on front cover, back cover and spine present limitless label customization options. Slant rings allow smooth page turning and hold more documents than the same-size round rings. Open and close triggers provide fast, nearly effortless access to single sheets. Binder features back-mounted rings for added convenience. Two inside pockets provide extra storage for loose documents. Poly material is non-stick so inserts, pockets and cover won't lift print.

GP PRO PERFORMANCE AT WORK™

I Pacific Blue Select™ Folded Paper Towel Universal folded paper towels are an essential supply for a wide range of professional, away-from-home facilities. Typically dispensed from 'universal folded towel' dispensers that are mounted on the wall. In smaller business environments and restrooms, folded towels are sometimes 'set out' in an open tray or simply stacked on the side of a sink or work space. GP PRO is a division of Georgia-Pacific Consumer Products. We deliver well-designed, durable and easy-to-maintain professional solutions to meet the hand-washing and cleaning needs for a range of business applications.
