**Implementation Phase Pricing**

Description	Price
Due to the unique nature of each customer or location, Implementation would be priced based specific to the requirements and size of each location or project. Implementation could be priced either as a one time charge, or hourly with a statement of work. However, the implementation would not exceed an hourly rate of \$90 per hour.	

**Training**

Description	Price
Training is included at no additional cost.	

**Fleet Management**

Description	Price

**Service/Help Desk**

Description	Price
Hourly rates for Service/ Help Desk Integration	Notes: Pricing has general ROM pricing for integration, however, this really requires an appropriate SOW and is a complex project. Bids should have content on this as this is not an uncommon request.
