COMMITTEE ON CONSTITUTIONAL AMENDMENTS

The Bishop called upon Mrs. Jean Sublette, Conference representative to the Constitutional Study Committee of the General Board of Discipleship, to introduce the 11 Constitutional Amendments, which come to us from the last General Conference, and which are found in the Brochure of Reports, pages 173-178. She explained that the amendments, in order to take effect, must be passed by a two-thirds aggregate vote of all Annual Conferences in the Connection. She explained that a number of the amendments-numbered 1, 2, 3, and 6-are concerned with correcting and updating our constitutional language regarding the merger with the Evangelical United Brethren denomination, which took place decades ago. Amendment number 5 addresses the issue of racial justice. Mrs. Sublette explained that Amendment number 9 would establish two new age categories for young people elected as members of annual conferences. Amendments numbered 4, 7, 8, 10, 11 all related to the issues of baptism, profession of faith and the definition of church membership.

Bishop Goodpaster then stated that Amendments numbered 1, 2, 3, 6, regarding the 1968 EUB merger, would be discussed first. There were no questions or debate on these. Mrs. Sublette next presented Amendment 5, regarding racial justice throughout the world. The Bishop invited discussion or questions, and again, there were none.

Mrs. Sublette brought forward Amendment number 9, which identifies two new age categories. Discussion ensued. The Rev. Rob Gullledge, Fairhope UMC, expressed concerns about changes to the terminology in this amendment, regarding professing members," which would be affected by the other amendments on baptized/professing members. Bishop Goodpaster answered, saying that concern would be addressed in the separate discussion, and would recognize Rev. Gullledge again when the "professing members" amendments are discussed. Mr. Gary Swanson, Trinity UMC, Opelika, questioned the wisdom of referring to "30 year olds" as "young people." (A speech against the amendment.)

Ms. Olivia Poole, Youth Delegate, shared a youth perspective on the amendment. Mrs. Carolyn OCain, St. Mark UMC, Montgomery, stressed that we need to encourage participation by our youth and children. (A speech for the amendment.)? Mr. Alan Keel, Myrtle Grove UMC, also stated that this amendment might be a way to help include young persons more in the polity/government of the church. (A speech for the amendment.)

The Rev. Dr. Doug Newton, Panama City, Florida, expressed concerns about how the

amendment would affect the attendance of young people at meetings. Ms. Jeni Lee, Assistant Director of CCOM, expressed mixed feelings about the amendment. She reported that the current dates for Annual Conference are difficult calendar times for youth/college-age delegates, hindering their attendance. She felt the amendment was ambiguous in how we might identify and categorize people under the new language.

Mr. Joshua Claunch, Youth Delegate, Panama/Mariana District, also questioned how this amendment would affect elections of youth to other functions and positions. The Rev. Neil Epler offered a point of clarification regarding how youth delegates are currently elected.

The Rev. Alan McBride, Camden Charge, shared concerns about the lowering of young adult participation by this new language. (A speech against the amendment.) Bishop Goodpaster then opened discussion on the Amendments 4, 7, 8, 10, and 11.

Again Mrs. Jean Sublette explained that some of the purposes of these amendments are to clarify the definition of baptized members and professing members, to attempt to recover the Biblical meaning of a church “member,” and keeping with the paper “By Water and the Spirit,” to emphasize God’s grace toward children. She suggested that our theology and our liturgical practice (as in the rituals found in the Book of Worship and the UM Hymnal) are not aligned, and these amendments aimed at making that language more consistent.

Rev. Rob Gullede, Fairhope UMC, raised a question of whether these amendments would have the result of keeping inactive “members” on the rolls past age 18. Mrs. Sublette answered that she believed later legislation would address that concern regarding roll keeping.

The Bishop shared his understanding that a new category would be created for current constituents who are baptized but not professing.

Rev. Gullede then said he was hesitant to make a change in wording prior to receiving legislation regarding how the wording would be implemented. He spoke against the amendments.

The Rev. Ronnie Beardon, appointed to attend seminary, spoke against the amendment by suggesting that the definition of “member” is blurred.

The Rev. Joe Reams, St. Mark UMC, Mobile, cited the positive message of a theology of grace evoked by these amendments, and spoke for passage. The Rev. Dr. Roy Sublette, Retired Clergy, rose to speak against the amendments, citing a variety of reasons, including Wesleyan Tradition and concerns for how the amendments might hamper evangelistic outreach.

The Rev. Dr. Gorman Houston, Prattville 1st UMC, spoke for the amendments by pointing to the fact that families do not have “preparatory” members, but include everyone as members of the family.

Rev. Charles Smith, Woodbine UMC, spoke against the amendment. While supportive of the concept of prevalent grace, he stated that we cannot be “robed in Christ” until we can make an adult decision.

The Rev. Dr. Larry Teasley, York UMC, questioned whether adoption of these amendments might somehow lay the groundwork for a later compromise of the homosexuality legislation in the UM Discipline.

The Rev. James Meadows, Brantley UMC, cited John Wesley and spoke against the amendments

The Rev. Dr. Henry Roberts affirmed the amendments as ones which might bring clarity to a confused situation.

Mr. Billy Joe Rish, Port St. Joe UMC, called the previous question. His motion was seconded and approved, and the amendments came to a vote.

Bishop Goodpaster explained that we will vote for each amendment one at a time on written ballots. Lay and Clergy tellers will collect each ballot, count the votes, and report the vote on Tuesday. A vote was taken. The Bishop thanked everyone for the good spirit in which this vote was taken.

ANNOUNCEMENTS by Rev. Neil Epler: A prayer concern was lifted up for Rev. Floyd Enfinger who has been ill. Also, Melissa Miller of Millbrook UMC, will be facing brain tumor surgery in Australia. Prayer is requested. The Secretary also reported that 1183 delegates were registered for Conference.

COMMITTEE ON RESOLUTIONS AND PETITIONS

The Rev. Dr. Mark Labranche, Chair, brought the report of the Committee on Resolutions and Petitions. On all resolutions where Book of Discipline references were cited, Dr. Labranche updated these to match the new 2000 Discipline.

Dr. Labranche presented the resolution on Scouting. Mr. Robert Powell, First UMC. Dothan, spoke to the resolution concerning Scouting. Mrs. Boots Guthrie, Point Washington, offered an amendment to include "Girl Scouts" along with "Boys." The Rev. Rob Gullede argued that the issue of concern was only Boy Scouting in particular, not Girl Scouts. Mr. James Meadows of Brantley UMC gave information concerning Scouting. The Guthrie amendment was defeated. Mrs. Guthrie proposed another amendment that would change the phrase "Scouting Programs" to "Boy Scout programs" and "Scouting organizations" to "Boy Scout organizations." The amendment passed. Mr. Matthew McCawley, Youth Delegate from Kingswood UMC, spoke in support of Boy Scouting. Resolution passed.

The Resolution regarding the Wesleyan Biblical Seminary was presented by Dr. LaBranche. The Rev. Sam Persons Parkes, Union Springs UMC, had a question of the school. The Rev. Andy Gartman of Pleasant Valley UMC asked a question regarding the purpose of the resolution. The resolution passed.

Resolution Number 1 was presented with changes from the committee: in paragraph 2, delete the phrase "and the United Methodist Church is a willing partner in the act of abortion"; in paragraph 3, delete the phrase "and this nation has seemingly lost the will to discern right from wrong." The Committee also recommended changing the wording of the "Now Therefore Be It Resolved Section" to "—withhold any funds used in the performing of abortion services", and deleting the remainder of the section. Mr. Allen Keel, Myrtle Grove UMC, spoke against the changes. The conference approved it as amended.

Resolution Number 2 was presented. The committee recommended concurrence after striking some phrases in the final paragraph, so that it might read, "Now be it therefore resolved: that the AWF Conference affirm this position and petition the General Board of Higher Education and Ministry to ask all United Methodist affiliated Education Institutions to prohibit the presence of alcoholic beverages on their campuses." Rev. Harold Bordages spoke against the changes. The resolution passed as amended by the Committee.

Chairperson of the Committee, the Rev. Dr. Mark Labranche, then called attention to

the Resolution Calling for the Boycott of Kraft Products, owned by the R. J. Reynolds Tobacco Company. Said Resolution was recently passed by the General Board of Church and Society, endorsed by the Conference Board of Church and Society and recommended by them for action by the Annual Conference. Rev. Dennis Carlson of Fort Deposit, Chairperson of our Conference Board of Church and Society, spoke in favor of the committee's recommendations. Ms. Tern Howard from St. Paul made an inquiry of the products. Mr. George Davis, Tanner-Williams, asked a question. Rev. John Thomas, Summerville UMC, spoke against. The Rev. Mrs. Amy Persons Parkes reported that Phillip Morris/Reynolds Tobacco Co. has made plans to sell Kraft. To answer an inquiry, the Bishop stated that the Social Principles do stand in opposition to the use of Tobacco Products. Rev. Rob Gullede said the sale of Kraft would not change the need for this boycott. Mr. Brian Cowley asked if we were dealing only with Macaroni and Cheese or all Kraft Products? Response: all products. The Resolution passed, 315 yes, 254 no.

Dr. LaBranche referred to Petition 1 on page 164, stating that the committee would concur, after striking the third full paragraph. After brief discussion, the conference supported the committee's recommendation and voted concurrence.

Petition 2 was presented by the Committee, with changes in the "We Respectfully Petition—:" section i.e. after SEJ Conference substitute "—in its current effort to provide more oversight and direction to Emory University." The Rev. Dan Morris, Millbrook UMC, offered a substitute motion "I move that Petitions 2 through 8 and 10 be referred to our Conference Board of Higher Education and Campus Ministry for the purpose of study, clarification, and action. A progress report is requested from that Board for the 2002 session of The Alabama-West Florida Conference." Rev. James Meadows of Brantley asked a question. Rev. Morris responded. Mr. Charles Holston, Montgomery-Opelika District, spoke in support of the original petition and against the amendment. Ms. Elizabeth Andrews of First UMC Pensacola addressed the conference, stating she would like to hear a representative of Emory speak to this matter. Bishop Joel McDavid spoke in support of the integrity of Emory University and of the graduates of Candler School of Theology who are present. Rev. Amy Persons Parkes stated that, according to the Discipline, the Board of Higher Education does indeed have the authority to study and take some action on this matter. Mr. George Morris asked a point of clarification. Mr. Charles Holston stated that efforts had already been made to receive answers from Emory, without satisfactory responses. The substitute motion failed. Original Petition, with the striking of paragraph three, passed.

On Petition Number 3, the Committee recommended non-concurrence. The delegate from East Brewton UMC made an inquiry. The committee was supported.

On Petition Number 4, the Committee recommended nonconcurrence. The Rev. James Meadows spoke against the committee's recommendation. The Rev. Rob Gullede spoke against nonconcurrence. Nonconcurrence failed, the petition was then approved in its original form, and will be presented to the 2004 Jurisdictional Conference.

On Petition Number 5, the Committee recommended concurrence. The Petition passed.

Petition Number 6 was presented by the Committee, which recommended concurrence after slight changes as follows: change the first full paragraph to read, "We respectfully petition the Emory University Board of Trustees to hereby rescind its previous decisions, that under specific circumstances, permits same-sex union to be performed on Emory University property, i.e., United Methodist property and now declare a complete ban on any/all such ceremonies." The Rev. Dr. Lawson Bryan of Dothan First UMC spoke on behalf of the committee's recommendation. Mr. George Morris of Forest Park, Pensacola, spoke against the committee's changes. The Petition was passed as per committee recommendations.

Petition Number 7 was presented by the Committee with a recommendation of noncon-

currence. Mr. Charles Holston commented in favor of the petition. The Rev. Ralph Sigler, Harvest UMC, spoke against the committee's recommendation. Mr. Scott Hohn spoke in support of the committee's recommendation, stating that it would be insulting to Jewish students at Emory. Rev. Harold Bordages spoke against the committee's recommendation. The Rev. Dr. Wesley Wachob, Ashland Place UMC, spoke in support of nonconcurrency. The committee's recommendation of nonconcurrency passed.

On Petition 8, the Committee recommended concurrence, after deleting the last two paragraphs. The conference voted to support the Committee's recommendation.

On Petition 9, the Committee recommends postponement by way of nonconcurrency. Mr. Billy Turner of Rutledge UMC offered an amendment that if the Committee's suggestion were to fail, then the original petition would be put into effect. Bishop Goodpaster offered direction. Mr. Turner withdrew his amendment. The Rev. John Thomas of Summerville UMC spoke against the Committee's recommendation. Rev. Steve Wiley supported the committee. Mr. Charles Holston made a statement in favor of passing the Petition immediately. Recommendation of nonconcurrency and delay was supported by a vote of the conference.

On Petition 10, the Committee recommends concurrence. Mr. Jody Thompson, First UMC Montgomery, asked the conference to re-think our goals and the problems that we have, and instead of devoting such energy to concerns over Emory, direct our efforts toward taking Jesus Christ to the world. The conference voted to approve Petition 10.

On a resolution regarding the need for peace in Middle East, Dr. Labranche asked the Conference to refer this to the Conference Board of Church and Society. Ms. Diane Harris, Mt. Zion East UMC, asked if such resolutions and petitions require a signature or identification of the person or group drafting it. The answer was yes. Conference supported the committee. The petition was referred.

Dr. Wesley Wachob took a moment of personal privilege to stress the need for intelligent biblical scholarship when debating these moral issues, and recommended the book, *The Moral Vision of the New Testament*, by former Emory scholar Richard B. Hayes.

Mr. Gus Howerton, Honeyville UMC, made a comment concerning the need for a Biblical basis concerning this issue.

Bishop Goodpaster called for a brief break, and prayer. The Bishop then introduced the Fraternal Delegate from the North Alabama Conference, the Reverend William D. Prickett. Rev. Prickett brought greetings and shared remarks for his "sister Conference."

CONFERENCE COUNCIL ON MINISTRIES

Rev. Jim Carpenter, Executive Director of CCOM, began his report by discussing the planning process and seeking of opinion which is being called "Visioning." He shared a story and video from the book, *Who Moved My Cheese?* Bishop Goodpaster asked, "Can we move to the new cheese?" The Bishop encouraged everyone to attend the small groups to participate in the Visioning process. The conference session recessed until the evening service.

WORSHIP AND BIBLE STUDY

The Bishop led the conference in singing a hymn. Bishop Larry Goodpaster presented our Bible Study on the topic, "Vocabulary of Vision."

BUSINESS SESSION: Bishop Goodpaster reconvened the session. Mr. Curtis Henderson, Committee on the Journal, gave the report on the minutes from the previous day and moved its adoption. It was approved. Minutes for this day, Wednesday, were approved in advance, pending review of the Committee on the Journal. Bishop Goodpaster then extended thanks to the Committee on the Journal, the Rev. Dr. Roy Sublette and Mr. Curtis Henderson, to the Conference Secretary, the Rev. Neil Epler, and the Assistant Secretaries.

ARCHIVES AND HISTORY REPORT

The Rev. Leonard Shults presented the report, and listed some of the award winners which include: Small Membership Church of the Year Award: Korea UMC (1-75 member category), Stuart UMC (75-150 member category); Local Church Heritage Award: Lafayette Street UMC; Special Heritage Award, Morgan's Chapel, Bon Secour.

CCOM REPORT (continued from the previous day)

The Rev. Chip Hale referenced their report on page 30 of the Brochure, and reported on the "Visioning" process of the previous day. He then invited Mr. Curtis Henderson to the podium, who presented a Crusade Scholarship award to Mr. Kevin Simpson, Toulminville-Warren St. UMC.

COMMISSION ON THE STATUS AND ROLE OF WOMEN (COSROW) Mrs. Martha Woods, Chair of COSROW, presented the Alice Lee Award, given to an outstanding Christian woman who has broken barriers and forged new pathways, especially for women. The award-winner for 2001 was Mrs. Nell Chance of Monroeville First UMC, previous Conference President of United Methodist Women. Mrs. Chance accepted the award with gratitude both to COSROW and to Ms. Alice Lee herself, who Mrs. Chance cited as a mentor.

The Rev. Dr. Joe Lisenby asked for prayers for Leon Hilyard, who is hospitalized. The Total Offering from Tuesday night was \$6,374. The total registration for the year 2001 Annual Conference was 1,074. (How could this be correct when on Monday, Neil Epler announced the registration of 1183 delegates toward conclusion of Monday's session?)

BOARD OF PENSIONS

Mr. Jim Hall, Chair, brought the report (found on pages 122-131 in the Brochure of Reports). He reported that health insurance claims will rise an estimated 13% in the year ahead, and he shared some of the challenges the Board and the CFA office face in dealing with health insurance, and the continuing need for additional voluntary contributions from participants. Under the category of "Pensions," Mr. Hall explained that increased apportionments needed in that category stem partly from significant increases in disability coverage. The Rev. Thad Chesser called attention to page 127 of the Brochure of Reports, where a typographical error should be corrected in item 1: the year 2000 should have read "2001." The Report was approved.

The Rev. Dr. Karl Stegall, First UMC, Montgomery, corrected the agenda by stating that Spouses Luncheon had been changed to a 10 a.m. Brunch.

COMMISSION ON EQUITABLE COMPENSATION The Rev. Davis W. Rhodes, Chair of the Commission on Equitable Compensation, lifted up the report found on page 103 of the Brochure of Reports. He spoke of the value of equitable salaries, and of their commitment to be good stewards with this apportionment. Then he moved to page 106, where the Schedule for Equitable Salaries is found. A correction: the year in line 17 should read "2002." Rev. Rhodes moved the schedule's adoption. It was approved.

COUNCIL ON FINANCE AND ADMINISTRATION: Rev. Gary Daniel, Chair of CFA, brought the report, found on pages 132-142. He thanked Ms. Lynn Hamric, Journal Editor, and the Rev. Tim Meadows, Conference Registrar, for their work in preparation for this conference. He emphasized the importance of keeping deadlines on submitting reports to the Journal Editor. He then lifted up for vote Report Number 10 on District Superintendent's reimbursement, page 140 in the Brochure of Reports. Report No. 10 was approved. Report Number 7 on 2002 Apportionments was lifted up from page 137. He noted an increase in the item for Archives and History. The total Conference Budget is \$12,610,169, a 5% increase. The Rev. Dr. Joe Lisenby cited an error in the Brochure; the Interdenominational Cooperation Fund on page 137; it should read \$39,148.

Mr. Doug Merkle, First UMC, Panama City, raised concerns about the continuing increase in apportionments and a loss of confidence in the Conference's fiscal practices. Motion to table the Report Number 7 until such time as the proposed rate of increase in the budget from 2001 from 2002 does not exceed the rate of increase of the Conference financial strength from 1999 to 2000. The motion was defeated.

Mr. Jim Barnes, Demopolis District, asked a question regarding apparent deficits as indicated by parentheses. Rev. Daniels explained that these were not deficits, but were a breakdown of a larger number. The Apportionments were approved as presented.

In response to the concerns voiced in the previous motion to table, Rev. Daniel explained that indeed there are concerns about the combination of lower apportionment giving and increased spending which will need to be addressed, and both Rev. Daniel and the

Bishop reassured the conference that their leadership were committed to dealing with these stewardship issues.

The Bishop placed all of the first 12 reports of CFA before the Conference for a package vote of approval.

The Rev. Brad McClain, Fairhope, moved an amendment to Report No. 8, item 2, to read as follows: First Year: no apportionment; 2nd year: 25%; 3rd year 50%; 4th year 75%; 5th year 100%. The amendment passed.

The full report as amended, with the exception of Report Number 13, was adopted.

Then Rev. Daniel presented Report Number 13, Health Insurance Campaign Feasibility Study, on page 141 the Brochure of Report. While the concensus was that the Health Insurance is worthy of our financial support, but that a Capital Funds campaign was ruled out for the time being. He stated they will continue to work on possible solutions and will later bring ideas to the Conference. Mr. Alan Keel, Myrtle Grove UMC, stated his strong feelings that the Conference find ways to support those, especially the youngest and the oldest, who are unable to pay health premiums. He suggested that we raise as much as \$25 million to subsidize our health fund apportionment. The Bishop then brought Report 13 to a vote. It was adopted. In conclusion, Rev. Daniel thanked the CFA members for their work. Mr. Frank Dunnwind reported that due to some churches filing their reports late, we only now could present the Statisticians Report (attached). The Conference celebrated a net gain of 306 members in the Annual Conference in the year 2000.

DISTRICT PROPOSALS

The Rev. Dr. Doug Williams brought several items of business from the Cabinet. First, Charge line changes were presented (see attached). These were approved as a package. Second, he presented the proposed property sales and changes (see attached). Judge Dale Segrest, Tallahassee UMC, expressed concern that the retention of mineral rights would be problematic. He moved that we reconsider the Carrville property resolution, deleting the line concerning retention of property rights. The motion was seconded. Rev. Rob Gullede spoke against the amendment. Judge Segrest's motion failed. All the property resolutions were passed individually.

ANNOUNCEMENTS: The Conference Secretary sent greetings and sympathies to Mrs. Margaret McCaren, whose husband recently died.

COMMITTEE ON COURTESIES AND APPRECIATION: The Rev. Dr. Wesley Wachob, Chair of Courtesies, expressed thanks to Dr. John Ed Mathison and the Staff and People of Frazer Memorial UMC. He expressed gratitude to First UMC, Montgomery, for hosting the ordination service. He thanked Bishop Meadors for his preaching. And finally, he thanked all the delegates who participated in Annual Conference.

Bishop Goodpaster thanked his Secretary, Mrs. Laura Hughes, for her good work, and presented her to the Conference for an ovation. He expressed his appreciation for, and enjoyment of, this conference.

2001 CONFERENCE LOCATION: In answer to the Bishop's question, "Where shall the next Annual Conference be held?", the Rev. Dr. John Ed Mathison invited the Conference to be held next year at Frazer Memorial United Methodist Church, provided the Rev. Rusty Taylor was reappointed to the staff at Frazer Memorial. The Conference so moved. The Bishop then presented and thanked the Rev. Rusty Taylor, who oversees the logistical and building administration for the conference.

SENDING FORTH SERVICE:

The hymn, "He Lives," was led by The Rev. Michael Bryan. Bishop Goodpaster called the Denman Award Winners to the platform. Their names are listed in the Sending Forth Service bulletin (attached). The Rev. Andy Gartman, Chair of the Denman committee, presented them and announced the Lay Winner, Patricia Luna, and the Clergy Winner, the Rev. Ed Glaize. The Worship Service continued with music by "The Seventh Hour Quartet" from St. Mark UMC, Pensacola, and congregational singing of a hymn medley. Bishop Goodpaster delivered a sermon which challenged the churches to emulate the good habits of the Christian church in the Book of Acts, to be grounded in the Word, to focus on people, be nourished by worship, be devoted to prayer, follow a shared vision, be inspired to be generous, and be centered on Jesus. Then the conference sang the hymn, "The Church's One Foundation."

FIXING OF APPOINTMENTS: (The Bishop did not read as first recorded) Each District Superintendent, with their spouses, joined the Bishop at the podium and each DS reported that the appointments were correct as printed. They were pronounced fixed by the Bishop. He also greeted the new District Superintendents, and the Conference extended standing ovations to each of the retiring District Superintendents. The conference was led in singing a song by the Rev. Michael Bryan, while the Superintendents handed out the appointment booklets. Bishop Goodpaster then offered the benediction and adjourned the conference. The 2001 Alabama-West Florida Conference adjourned. SINE DIE.

Reports of Boards and Agencies

CONFERENCE COUNCIL ON MINISTRIES

Report No. 1

The Conference Council on Ministries always seeks to promote the Church's primary task--making disciples for Jesus Christ. The Council seeks to use the Church's vast resources in accomplishing this mission. We are truly a connectional church in every sense of the word. Vast resources lie outside the bounds of our Annual Conference. The general church with its' many boards and agencies have given valuable resources---money, personnel, and printed resources to our conference. The local church also has access to these resources from the general church.

The council in this past year has helped coordinate programs and resources for the annual conference, for district council on ministries, and local churches. The council is able to do this because of the work and faithfulness of God's people. The boards and agencies and commissions and committees of the council are volunteer workers wanting to be faithful to the primary mission of the Church.

The mission and ministry groups that relate directly to the Conference Council on Ministries are:

The Board of Education
 The Board of Evangelism
 The Commission on Worship and Spiritual Formation
 The Board of Higher Education
 The Board of Global Ministries
 The Board of Church and Society
 The Commission on Religion and Race
 The Commission on the Role and Status of Women
 The Commission on Church Development and Revitalization
 The Commission on Small Membership Church
 The Committee on Ethnic Local Church Concerns
 The Committee on Native American Ministries
 The Conference Committee on Hispanic Ministries

The Council on Ministries also has relationships established with the following:

Pastoral Care, Counseling, Training
 Board of Communications/Advocate
 Panama City Beach Ministry
 Mobile Inner City Mission
 Mobile Metro Mission
 Dumas Wesley Center
 Nellie Burge Center

As you can see, the work of the Council on Ministries is far reaching and varied. Through the Conference Council on Ministries, the churches of the Alabama-West Florida Conference are truly seeking to make disciples for Jesus Christ. The Conference benevolence budget for the year 2000 planned to expend over \$600,000 to help accomplish this mission.

Within the Conference Council on Ministries there are persons that serve. Each person

on staff has unique gifts and graces for ministry. Not only do the Council staff relate to and resource the nine districts with programming aids and helps, we also are available to work in individual local churches giving resources and training. This is provided to the local churches without cost. Our staff is talented and dedicated to assist local churches in every ministry. Areas of expertise are varied and many. We can assist in stewardship, education and financial campaigns, teacher training, congregational development, mission studies and understanding, spiritual gifts workshops, visioning, program planning and interpretation. Please use your conference staff as additional staff members of your local church.

In the following pages as you read parts of the story of the work done in the conference you will begin to see that people have been busy in mission and ministry and we celebrate that involvement. Each report is like a piece in a puzzle. It fits with the other reports to make a picture. A very big picture. It's the picture of the Church.

REPORT NO. 2—DISTRICT COUNCIL ON MINISTRIES

Andalusia District

The Andalusia District found itself in a state of flux during the conference year 2000. By action of the Annual Conference a re-districting plan was implemented in the dissolving of the current Andalusia District on January 1, 2001. Churches of the Andalusia District were re-aligned into the Dothan, Pensacola, Greenville and Baypines Districts.

Celebration of the work done by the Andalusia District occurred at the district conference held at First United Methodist Church, Opp, October 1, 2000. During the worship service testimonies were given of churches in the Andalusia District who had benefited by the United Methodist connectional system. Mt. Zion United Methodist Church in the Staughn community was a past recipient of the \$10.00 Club aiding them in the construction of a new sanctuary. Elba First United Methodist Church received help during some of the worst flooding in history by both monetary and physical labor through UMCOR. UMVIM was also celebrated for help during local storms.

Judge Marion Bunson of the Elba United Methodist Church was awarded a plaque for his tireless service to the Andalusia District by serving as the District Lay Leader.

A training event for filling out charge conference reports was held at First United Methodist Church Opp. Mr. Frank Dunnewind led the informative event from the Conference Council on Ministries Staff.

Forty-six years prior the newly formed Andalusia District got its start as the conference experienced growth. We hope that the spreading of churches from this district will help fuel the growth of the Kingdom of God in the Alabama-West Florida Conference.

REPORT NO. 3—DISTRICT COUNCIL ON MINISTRIES

Demopolis District

The Demopolis District Council on Ministries, under the leadership of the Reverend Charles R. Walker, has continued to assist local churches to minister more effectively and to serve as a channel of communication between the local churches, the Conference Council on

Ministries, and general agencies of The United Methodist Church. This has been accomplished by providing training and encouragement for various ministry leaders at the Super Sunday Training event; by providing an introduction to the mission studies at the Annual Mission Sampler held August 19th at the Linden United Methodist Church; by providing pastors an opportunity to take a “Day Apart” to study with Rev. Dr. Larry Teasley the topic of “Biblical Preaching”, and by encouraging United Methodist Women and Men events.

The Demopolis District experienced a first with a mission trip to Honduras. The district also participated in a Disciple 2 Bible Study led by Jim DuFriend and Monette Walker.

An expression of thanks is extended to all who have been part of the Council on Ministries during this year and have planned and made each event a success. Special thanks is given to the editor of the district newsletter, Monette Walker, who has been of immeasurable help in keeping the churches of the Demopolis District informed and connected with news of the many activities around the District.

REPORT NO. 4—DISTRICT COUNCIL ON MINISTRIES

Dothan District

The Dothan District Council on Ministries planned, coordinated, and implemented a number of outstanding programs and projects in 2000 that include the following highlights:

The *Dothan District Conference and Super Sunday Training Event* was held on Sunday, January 9, 2000, at Dothan First UMC. The worship service included inspirational singing led by Reverend Ken Spivey followed by reports from Dr. Jerry Dooling concerning 2000 nominations and budget approval. Faith-sharing was presented by Reverend Don Lolley, pastor of Asbury UMC. Dr. Jerry M. Dooling gave the District Challenge. The offering was designated for District Children’s Ministries and for Youth Services Fund. Eight adult workshops and a Youth Rally were provided, with a total attendance of approximately 550 people. A youth choir participated in the joint worship and business session prior to the Youth Rally, where the youth experienced drama, praise and worship, and a dynamic message from the group “Days of Lot.” Leadership for the Training Event was provided by Gip Kingry, education coordinator.

Laity Banquets and Rallies provided great opportunities for worship, outstanding programs, fellowship, and delicious food. Four rallies were held throughout the Dothan District in the year 2000: January 31, Pleasant Hill UMC, Ozark; May 22, Sardis UMC, Hartford; July 31, First UMC, Enterprise; October 30, Headland UMC. Program topics and presenters included Vision for 2000 and Beyond, various speakers; Music, Music, Music, many churches and individuals from the Dothan District; Wind-up Radio Project for Africa, Curtis Henderson; Practical Evangelism, various presenters; Mission Opportunities, SIFAT Mission Team, with special music by the children’s choir from First UMC in Ozark. All of the events included congregational singing, reports and success stories from local churches, district and conference updates, with special emphasis on the connectional features of our United Methodist Church. Special offerings were taken, with over \$500 for the Wind Up Radio project for Africa and \$700 for the SIFAT Mission Program. Lay Leader Bill Piper coordinated these four rallies that were well attended.

Dothan District churches were blessed by a growing number of participants in *UMVIM* efforts during the 2000 calendar year. Thirteen exciting mission ventures involved 215 per-

sons in hands-on mission experiences. Mission teams traveled to Costa Rica, Mexico, and Russia in international efforts while venturing into Chicago, IL, Ashville, NC, West Virginia, and Montgomery, aaaaaaal on the stateside front, expending \$90,300 in team expenses. The direct investments in materials, equipment, and supplies to assist these mission points totaled \$82,000. Rev. Glen Butler is the UVMIM Coordinator for the Dothan District.

The Dothan District *Committee on Small Membership Churches* has continued to encourage the growth of small membership churches through Cluster Groups. On March 14, 2000, the Committee sponsored a District-wide Seder Meal at Covenant UMC in Dothan. Israel Cohen from Chosen People Ministries took the over 180 people in attendance through an explanation of Christ in the Passover. After paying all expenses, the Committee donated \$896 to Chosen People Ministries. The District SMC Committee recognized two churches for their outstanding work during the year of 1999: in the category of 1-75 members, Taylor UMC under the leadership of Rev. Tommy Cumbie; and in the category of 76-150 members, Sardis (Hartford) UMC under the leadership of Rev. Sam Williams.

Dothan District *United Methodist Women* under the leadership of Marie Bird and other faithful members of the Mission Team, fulfilled its mission in 2000, meeting its pledge of \$25,000 for undesignated giving. Units participated in the three mission studies held at three churches in the district as well as spiritual day apart, leadership training, and annual day. The highlight of the year was to welcome the new Malvern unit into the District UMW. Members were very generous in sharing gifts with Dumas Wesley and the Settlement, a local group home of the United Methodist Children's Home. The district membership of 979 United Methodist Women has been a conduit of Christ working on behalf of the voiceless. Members seek to be grounded spiritually in God's word, to understand God's mission, and to know what God would have us do in His world: What does the Lord require of us?

The Dothan District *Youth* had an exciting year, continuing to build continuity among churches through worship and activities. To begin the year, a Youth Rally was held on January 9, 2000, with 241 youth attending and raising over \$1300 for the Youth Service Fund. The youth were challenged to understand what it means to be children of God. In addition to this event, youth were well represented at conference rallies, Spring Fling, and Energize.

The goal of the DCOM for *Communications* is to empower the laity in ministry by providing timely information directly to the local church member. In 2000, Rev. Michael Lawler, communications coordinator, increased publishing *The Wiregrass Witness Sunday Edition* to six times per year. This copy-ready bulletin insert is provided to all district ministers for use in their Sunday bulletins. Major articles in 2000 included the following: Super Sunday Training Event, 100 Days of Prayer, Episcopal Elections and Appointments, Farewell to Bishop and Mary Morris, Welcome to Bishop and Deborah Goodpaster, District Youth Rally, Children's Day, Laity Banquets and Rallies, and other training events and activities. Advice on church WEB Page design and office automation is provided to district churches to help move communications into the 21st century.

To promote *Children's Ministries*, Coordinator Cynthia Riley lead a Children's Workers Planning Workshop on July 24, 2000, at the District Office. The primary purpose of the meeting was to finalize plans for the upcoming Fall Children's Day. Dothan District Children's Day was then held on Saturday, August 12, 2000, from 9:00 AM to 12 Noon for children ages 4-12. This second annual event was well attended and enjoyed by young and old alike. The children enjoyed a time of fun and spiritual growth activities, with games, crafts, music, and a special presentation by the Piney Grove Puppeteers. The theme for this event was "Celebrate Jesus." The Biblical text was 1 Timothy 1:17 - "Now unto the King eternal, immortal, invisible, the only wise God, be honor and glory forever and ever."

The Dothan District Response Plan calls for working through the District

Superintendent's office, with the District Superintendent having authority over all *Disaster Response*. Each church in the district was asked to nominate a disaster response coordinator at the 2000 Charge Conference, and UMW local units have been contacted for help with doing case work. Each county in the Dothan District will have a disaster response contact person who will pass the information to the District Office. On December 16, 2000, a tornado hit four counties in the Dothan District. The local people moved in and helped their neighbors in a wonderful manner. Three outside work crews also came in to help. To this point there has been very little expense for UMCOR in this area because of the way the local people worked together. Continued training will be offered for the churches and local coordinators. Disaster response efforts will be led by Rev. Marquis M. Wingard, Disaster Response Coordinator.

REPORT NO. 5—DISTRICT COUNCIL ON MINISTRIES

Marianna-Panama City District

The Marianna/Panama City District Council on Ministries met regularly in the 2000-2001 conference year to plan and implement ministries for the seventy-one churches within the district. On the second Sunday of the conference year, June 11, 2000, the new District Superintendent, J. Wesley Spivey and his wife, Voncile, were welcomed to the Marianna/Panama City area with a district-wide reception at the Forest Park United Methodist Church in Panama City, Florida. Later, in the month of June, we celebrated and made welcome the new ministers and their families with a picnic at the First United Methodist Church in Marianna, Florida.

Through the leadership of the District Council, the ministers and the United Methodist Men, a large number of men attended the Bishop's invitational in Tallahassee, Florida, at the Leon County Civic Center. Inspirational speakers and singing brought spiritual renewal to the men and women present at this event.

The United Methodist Women have a strong ministry in the District under the leadership of Eva Mason and Mary Jo Morton, past and present presidents. A district-wide UMW meeting was held at Chipley First United Methodist Church on September 23, 2000.

It was a pleasure to welcome Bishop Larry M. Goodpaster and his wife, Deborah, to the district by meeting with the clergy and spouses at DeFuniak Springs First United Methodist Church, Marianna First United Methodist Church, Noah's Ark and the Mathison Retirement Center in Panama City, Florida. Bishop Goodpaster and Deborah were appreciated by the clergy families for their openness and cordial interaction with everyone. Bishop Goodpaster also preached at Marianna First United Methodist Church, Panama City First United Methodist Church, and Forest Park United Methodist Church, where he was well received by the laity of the district.

On November 5, 2000, the Rev. M.C. Mathison (Si) preached for the District Conference and Marianna First United Methodist Church hosted with delicious refreshments and fellowship after the conference.

The District Board on Building and Location and the District Board of Trustees researched the need for a new church in North Bay County or South Washington County. Eleven point four (11.4) acres of land was found in South Washington County and was purchased to build a new church on the property or to sell and use the proceeds to purchase property in another location. The land now owned by the district has three hundred and thirty feet(330) fronting Highway 77 on the east side, approximately two miles north of the Bay County line.

On January 21, 2001, Super Sunday was a special event, featuring a number of classes to train church leaders. The worship team from Lynn Haven First, led in a contemporary worship service and District Superintendent, J. Wesley Spivey, brought the message.

On February 8, 2001, the District Council on Ministries met at Noah's Ark for a planning retreat. Conference Council Director, Rev. Jim Carpenter, led our District Council in visioning where God wanted the Marianna/Panama City District to concentrate their ministries.

DeFuniak Springs First United Methodist Church hosted a Great Night of Signing event on March 4, 2001. Combined choirs from the northern half of the district led in a full hour of inspirational singing and a time of fellowship and good food followed in the historic Chautaugua Building across the street from the church.

The United Methodist Men continued to thrive under the leadership of Juddy Stephenson. On March 24, 2001, a United Methodist Men's Rally was held at First United Methodist Church in Marianna. Speakers included Tom Carter, Conference President, Church Christian, Dr. Sherwood Fannin, Rev. J. Wesley Spivey, Rev. Bobby Ellis, Rev. Larry Anderson, Dr. Doug Pennington, Rev. Ron Ball, Barry Edgewaard, Wayne Hall, and Harold Rathburn. The rally concluded with Holy Communion led by Dr. Frank Hyles and Rev. Cecil Jackson.

JoAnn Turner heads the Lay Speaking program in the district. Lay speakers have given a vital ministry to the churches of the district, filling in for ministers who were ill and where churches had no pastor.

REPORT NO. 6—DISTRICT COUNCIL ON MINISTRIES

Mobile District

The Mobile District Council on Ministries meets every other month to coordinate, to listen and to plan district wide ministries that meet the needs of our congregations. Many people sit around the table with specific responsibilities and knowledge to work together in this process.

Dr. Ervin Dailey has completed his fourth year as Chair.

Some highlights:

- The booth at the Greater Gulf Sate Fair in Mobile was the most creative of all we have done. The communications committee gave leadership.

- The Souper Bowl of caring was promoted in the churches during January to raise money and food for hunger programs.
- The Inner City Mission rented the educational building at St. Francis Christian Center to the Mobile Homeless Coalition for a day care facility. Major renovation has been done that includes washers and dryers, showers, and office space for agencies that work with the homeless.
- The Wesley Foundation has placed a retainer on two pieces of property across from the University of South Alabama. In March 2001, they purchased the land for \$435,000 on which a Wesley Foundation building for students will be built. This is a 25-year dream that has taken place.

REPORT NO. 7-DISTRICT COUNCIL ON MINISTRIES

Montgomery District

The Montgomery District Council on Ministries accomplished two primary tasks the year prior to the reorganization of districts within the Annual Conference. First, its members met faithfully to coordinate the ministries of the district work areas. Highlights from this work included the following:

- A growing and well-equipped lay speaking ministry.
- Active ministry of service through United Methodist Volunteers in Mission.
- Vital ministries through UMW and UMM.
- Involvement of the laity through quarterly Koinonia meetings.
- Interpretation of Annual, Jurisdictional and General Conference initiatives.
- Leadership in responding to the social issue of state (Alabama) tax equity.
- Improved communication of district ministries through a web page.

Second, the DCOM provided opportunities for fellowship and training to local churches. Highlights in this area included the Great Night of Singing for the Montgomery churches and a Super Sunday training event. Both of these events were well-attended and received good evaluations.

The Montgomery DCOM worked to facilitate a smooth transition during redistricting. To this end, the Montgomery DCOM collaborated with its counterparts in the Troy and Selma Districts to plan a joint Super Sunday-Convening Conference event for the new Montgomery-Opelika and Montgomery-Prattville Districts in January, 2001.

REPORT NO. 8—DISTRICT COUNCIL ON MINISTRIES

Pensacola District

The last year has been a transition for the Pensacola District. With the realignment of this and other districts, some churches have left us to become part of a newly formed district; other churches have joined us. At the district rally, which highlighted the call to ministry, a segment of time was devoted to saying farewell to the Alabama churches that had been a part of the Pensacola District for decades and expressing confidence in God's presence and direction for the reconfigured districts. The Reverends Janie MacBeth, Steve Spining, and John Brooks addressed three subjects related to the call to ministry -- "How God Calls," "Who God Called?" and "Answering God's Call." In the fall the Pensacola District also recognized and expressed appreciation to Mrs. Jeannie Stewart, who had been administrative secretary and treasurer for fifteen years and welcomed Mrs. Mary Hernandez to the same position. The Reverend Martha Erinkitola came on board as Director of the Wesley Foundation at Pensacola Junior College and the University of West Florida, filling the position left vacant by the resignation of the Reverend Paula Roane, who joined the staff of Destin United Methodist Church. The Reverend Rian Kegereis was elected director of the District Council on Ministries after the Reverend Neil McDavid, who had served in this position for four years, was appointed to a church in the Mobile District.

To enhance the ministries of the local churches of the district, numerous clergy and lay persons planned and implemented a variety of events. The annual Leadership Inspirational Training Event (LITE), directed by Ms. Cheryl Patrick of Destin, offered over twenty courses for officers and other persons who were interested in growing spiritually and developing and employing their gifts in specific ways. The DCOM/NOW Team planned a walk-a-thon, "Methodist Miles for Mission," to take place on an historic trail in Milton. The proceeds from the walk were to be divided among the Dogwood Camp at Blue Lake, jail ministries, and the Pensacola District Wesley Foundation. In December a seminar for pastors of small membership churches was held in Pensacola. With the help of the Reverend Gerald Munday, District Coordinator of Small Membership Churches, several hours were spent reviewing the book, *Turn Around Strategies for the Small Church*, by Ron Crandall, and hearing from Dr. Tom Butts on the subject of sermon preparation. Other significant events included the great nights of Methodist singing in Niceville and Gulf Breeze and Meltdown, the annual youth retreat, which drew more than twelve hundred youth. Disciple II Bible Study was offered for lay and clergy persons and was led by the Reverend John Brooks and the Reverend Dr. Charles Avery, District Superintendent. By the grace of God, the leadership and witness of countless persons in local churches, and the District Board of Mission, chaired by Mr. Don Lehman, the Pensacola District again showed a significant gain in membership.

Although the Pensacola District has been reduced in size, it remains committed to mak-

ing disciples of Jesus Christ and will pursue this goal by sharing God's love with all people, nurturing its members, witnessing to God's grace in word and deed, and establishing new congregations.

REPORT NO. 9—DISTRICT COUNCIL ON MINISTRIES

Selma District

Since 1870 there has been a Selma District in what is now The Alabama West Florida Conference. That 30 year history closed on January 7, 2001, as the work of the Selma District was brought to an end with the formation of the Montgomery-Prattville District. Most of our churches are now a part of that new district with others going to the Demopolis District as well as the newly formed Greenville District.

In this final report we take notice of a solid year of witness and ministry. In evangelism we posted a net gain of 90 with the greatest number of new members coming by Profession of Faith. While we missed our goal of having 200 Professions of Faith we moved closer to that goal during 2000.

Our first new church start in over 25 years is becoming a reality. Services began in April and are going well as North Ridge UMC reaches out to the unchurched families in the Millbrook/Prattville area. Prior to the start of services churches in the area joined a cluster of folks from northridge in making thousands of telephone calls along with follow-up mailings. Ten acres of property was purchased on County Line Road in Autauga County just off I-65 north of Alabama 14. We are hopeful and working toward a goal of chartering this congregation in 2001.

The work of the San Juan United Methodist Mission continues in Clanton under the leadership of Hispanic Ministries. Also, White Water Camp meeting continues to grow as it meets the first Sunday, Monday, and Tuesday evening in October for worship and fellowship.

It is fitting that we thank our District Superintendent Bill Calhoun who has provided able leadership to the churches and clergy of the Selma District with special thanks to Ann Calhoun for her graceful leadership as well. We also are very appreciative of the services of Mrs. Peggy Smith who has done a wonderful job as Administrative Assistant gently and lovingly encouraging laity and clergy alike. The close of this chapter marks the beginning of a new venture and a very bright future indeed as our new district is shaped and molded and takes a leadership role in the life of the Conference.

REPORT NO. 10—DISTRICT COUNCIL ON MINISTRIES

Troy District

The Troy District celebrated its final year of existence by successfully continuing to promote and enable growth in commitment to the cause of christ in its designated area of the conference in the year 2000. The program and activities included:

- 1) Emphasis on the expression of faithfulness to the United Methodist mission and ministry to the Annual Conference and world by the the acceptance and payment of apportionments. The year saw the Troy District pay over 92% of all apportionments to the local churches therein.

- 2) The final Charge Conference season of the district gave opportunity for celebration of the long and rich history of the district as a part of the Alabama West Florida Annual Conference. Mr. Roy Dunnaway, District Lay Leader, again attended virtually all the charge conference sessions and challenged and encouraged the laity to be co-partners in ministry at the local church, district and conference level.
- 3) The 2000 District Conference was held at Union Springs UMC and our new Bishop and his wife were welcomed to our area. Bishop Goodpaster brought an inspiring and challenging message.
- 4) The district again gave successful, aggressive promotion to the United Methodist Children's Home program and noted its continued achievement of being the District with the highest per member average of giving to UMCH in the annual conference.
- 5) The district again gave thanks and celebrated the excellent Lay Speaking Corp within its bounds under the direction of Mrs. Barbara Smith.
- 6) Sub-district Leadership Training events were held and well attended across the district. Special note is given to excellent cooperative effort within the Phenix City/Russell County area in worship, leadership training and United Methodist promotion of Habitat for Humanity.
- 7) The district celebrated and acknowledged the outstanding program of ministry-to students at Troy University Wesley Foundation, under the direction of Rev. amy Persons-Parke.
- 8) The district celebrated its concerted entrance into ministry to Hispanic's with the formation of a District Committee on Hispanic Ministry and the development of a program within the communities of White Oak (Eufaula), Union Springs, and Brundidge. The local United Methodist congregations provided space for programming and gave financial and participatory support through worship services and assistance/educational classes.

COMMISSION ON NEW CONGREGATIONAL DEVELOPMENT

Your commission on New Congregational Development works in compliance with Standing Rule #41 of the 1999 Alabama West Florida Conference Journal: "There shall be a Commission on New Congregational Development. The membership of the Commission shall be determined by the Standing Rule 38. Included in the fifteen members shall be a representative of the Conference Board of Missions, the Commission on Equitable Compensation, and the executive director of the United Methodist Foundation."

The 1999 Journal report cites the 1994 Journal in detailing the work of the commission more clearly: "The Commission shall develop standards and guidelines for congregational development and annually establish the conference priorities for new congregational development. It shall administer funds made available to it from all sources." We continue to work with two funds. One fund is an endowment fund. The other fund, which receives interest from the endowment fund, is the one from which grants are made.

In its 2000-2001 meeting, the Commission took action that continues our support and new church starts of the Alabama West Florida Conference. Several projects in our conference have requested our support. It takes the effort of everyone in the Conference to support a vision for the United Methodist Church to grow. It is with your continued support, we will continue to expand and reach souls for Christ.

Our church starts continue to show progress and growth. Names like Good News, Harvest and Jubilee Shores continue to play vital roles in their area. New church starts in 1999-2000 included: Celebration, Cornerstone, and North Ridge. In the Bon Secour area at Baldwin County, Morgan Chapel continues to grow.

Those approved for grants in 2001 are: Cornerstone in Auburn, Celebration in Baldwin County, and North Ridge in the Millbrook-Prattville area. We anticipate another new church start this year in the Marianna/Panama City area and have plans in place to assist.

The CNCD would like to thank the Conference Council for the funds provided by the Council that assist us, and the United Methodist Foundation for its investments and financial communication and reporting.

BOARD OF EVANGELISM AND WORSHIP

The Board of Evangelism and Worship is excited to report to you that our attempts, as a Conference, to grow the Kingdom of God within our churches, is reaping a plentiful harvest. The year 2000 and 2001 has seen our Board look seriously and pro-actively at ways in which we can become more intentional in leading persons of all ages to a saving knowledge of Jesus Christ. With this vision and with the leadership skills of several board members, we have put into place ongoing programming to help us examine the small numbers of young adults and children we are reaching with the gospel.

A special word of thanks is extended to Rev. Cecil Jackson for his tireless leadership in our annual Confirmation event. It was initially anticipated that about 150 children would attend, but when over 400 adults and children gathered at Blue Lake, we felt extremely blessed and anxious. However, Cecil and all those involved in preparing for this day did a great job adjusting. We are very excited about the future of our Confirmation events and the potential they have to reach youth and children for Jesus.

The year 2000 also saw Board of Evangelism and Worship sponsor an event aimed at Reaching Young Adults for Christ. We are very concerned that there is an absence of young adults in many churches in our conference. This event, held August 23-25 emphasized the church's need to realize the needs of this generation and to respond. We are thankful for leadership of Rev. Mark McCarty as he diligently worked to make this event a great success.

Our deepest gratitude is also extended to Rev. Michael Bryan, our Conference Worship Chairperson, for his hard work and creative leadership in preparing this year's worship services. Worship is such a integral part of our heritage as God's people and Michael gives us effective guidance and inspiration. We are convinced that the growing churches of the future are the ones that seek to connect the worshippers with the Lord.

Finally, our Board of Evangelism and Worship asks for your prayers. We are continually seeking to hear God's voice as He leads us in the awesome and wonderful task of making disciples for Him.

Chair

COMMISSION ON THE SMALL MEMBERSHIP CHURCH

The Commission on the Small Membership Church was established by the 1993 Annual Conference and formalized by action of the 1994 Conference. For the purposes of the Alabama West Florida Conference, a small membership church was defined as one with a membership of 150 members or less.

The COSMC identified its purpose and responsibility to the AWF Conference as follows:

1. To affirm the small membership churches and to celebrate their efforts to know and glorify Christ in their communities.
2. To establish and encourage communication between small membership churches throughout the Conference.
3. To help and enable the small membership church to develop a vision for their future both in their local setting and in the world through the connectional United Methodist Church, and to recognize the importance of their faithfulness in Jesus Christ.

An annual awards and recognition program has been established to celebrate the outstanding accomplishments achieved by small membership churches at two levels of membership -- churches whose membership is 75 or less and churches whose membership falls between 76 and 150. District winners are recognized in their districts and at annual conference. A selection board, composed of SMC clergy and lay leaders, evaluates the district winners and then selects one church from each membership category to receive the conference "Belman C. Maddox Award". Bishop Morris presented certificates to all district winners and plaques to the conference winner in each category.

The following churches were recognized as 1999 district winners at the 2000 Annual Conference. The number after the church name is the membership for each church.

DISTRICT	CHURCH	PASTOR
Andalusia	Oakley Street (25)	Rev. Andy Till
Demopolis	Myrtlewood (16)	Rev. Devereaux Riddleburg
	Oak Grove (131)	Rev. John Bratcher
Dothan	Taylor (40)	Rev. Tommy Crumble
	Sardis (139)	Rev. Sam Williams
Marianna/PC	Bruce (56)	Rev. William Young
Mobile	Midway (56)	Rev. Mark Dees
	Mt. Vernon (94)	Rev. Prentiss Taylor
Montgomery	Pintlala (58)	Rev. David Stewart
	Notasulga (148)	Rev. Turpin Ashurst
Pensacola	McDavid (71)	Rev. Scott Todd
	St. Paul (127)	Rev. John E. Brooks
Selma	Lime Springs (66)	Rev. Jim Shannon
Troy	Banks (16)	Rev. Kent Denby
	Brantley (128)	Rev. James Meadows

The 1999 Conference winners of the "Belman C. Maddox Award" for the Outstanding Small Membership church at the "75 or less" membership level and at the "75-150" membership level were Pintlala UMC from the Montgomery District and the Sardis UMC from the Dothan District, respectively. Each year the selection of conference winners becomes increasingly more difficult because the small membership churches continue to grow and develop outstanding ministries for God in their communities and beyond. Their efforts to serve give us all great joy and we praise God for their efforts and commitment.

The COSMC continued to be active in 1999:

Training

Super Sunday events along with workshops conducted within individual districts by the district representatives on the Commission continue to provide motivation and inspiration for the local small membership churches.

Communication

Information concerning workshops and training events are passed through several challenges: direct mailing to pastors, conference coordinated mailing and lay/clergy meetings.

Planning

Further emphasis was placed on the creation of an inter-conference task force designed to assist small membership churches who desire to expand their ministry and to more effectively achieve their vision for their ministries in the communities they serve. A workshop, lead by Dr. Lee Schafer was held at Blue Lake on March 24-25, 2000. This event provided good dialogue concerning the development of a "Task Force on Church Potential" within our conference. Each district was represented by both clergy and lay delegates. Rev. Tim Trent, the Conference staff representative to the commission, continued to carry workshops and seminars across the conference. His efforts focused upon the opportunities and responsibilities for ministry in the local church. We also continued to refine the tools with the "adopt-a-church program."

In 2001, we will continue the emphasis on the "adopt-a-church program" and utilization of the "task force on church potential" in the local church as we seek to find ways to be the church God has called us to be. A workshop lead by Dr. Don Patterson entitled "Doing Ministry in the Small Membership church" will be held February 23-24. This workshop will also be a delegated meeting with delegates coming from all districts.

The members of the Commission on Small Membership Churches are dedicated and committed to strengthening the congregations of small membership churches. They accept this challenge along with their day-to-day duties and responsibilities to their own congregations and jobs. They are to be commended for their accomplishments. We have only touched the tip of the iceberg for ministry in the small membership churches. Some of the districts have yet to realize the potential available within their boundaries. There must never be any attempt to romanticize smallness, but every effort should be made to help release the enormous energy stored in those congregations for the glory of God. I am delighted to say the ministries of most small membership churches are alive and well in the Kingdom of God as they do what they alone can do for the Lord in ministry. These churches represent a vital part of the Body of our Lord Jesus Christ in this conference and must continue to be the subject of concern, effort, resources, priority and prayer, so that they might be enabled for ministry.

PASTORAL CARE, COUNSELING, AND TRAINING, INC.

Report 1

PCCT offers a service of pastoral care, counseling and training to members of the clergy and their families residing within the boundaries of the Alabama West Florida Conference of the United Methodist Church. This is done with a network of Christian counselors who have agreed to provide a designated number of counseling sessions at a reduced fee to eligible clergy and family members. This subsidized counseling is made available to the clergy by calling the PCCT office (toll free number) and requesting a subsidy application that includes guidelines to follow in order to obtain this subsidy. You may be assured that the highest degree of confidentiality is maintained at all times.

During the year 2000, PCCT assisted with 276.5 subsidized counseling sessions for clergy and their families. These sessions may have been individual or included a spouse and/or children. The total number of counselors utilized for the year 2000 was 20 and the counseling related dollars was \$18,389.05. Dr. Ronald King, Director of the Pastoral Institute, is the

Professional Review Consultant for the PCCT office. The counselor contacts Dr. King for approval of extended sessions. The counselors that are part of PCCT's network are licensed professionals who adhere to a recognized canon of ethics and are Christian in orientation and outlook. They agree to provide services to PCCT clients at a reduced fee. This list of Christian counselors is often used as a referral list by clergy for their laity.

A secondary but increasingly prominent goal is to provide growth/enrichment opportunities for ministers and/or their families. Scholarships were made available for clergy to attend the Three-year Covenant Community. PCCT's services are geared to crisis intervention, but prevention remains a key goal.

PCCT sponsors three clergy workshops a year, usually held in different Districts. This past year the workshop Healthy Congregations was offered at Montgomery FUMC, Daphne UMC, and Cloverdale UMC by Alan Swindall, MA, M.Div., who has been professionally trained by Peter Steinke, the workshop developer. Plans will be made to offer the second part of this workshop in the future.

You may obtain information about the services of PCCT by calling Zanatta Hagan, Assistant Administrator of the PCCT office, or Rev. Stephen T. King, Conference Counseling Consultant.

THE CONFERENCE COMMISSION ON RELIGION AND RACE

Over the past quadrennium, the Commission on Religion and Race has been diligent about striving to achieve justice, reconciliation, and true inclusiveness throughout the conference. We have been very deliberate about spreading the message of the love of Christ as we planned the Bishop's Convocations, Sensitivity Workshops, etc. We have consciously worked to enable the districts and the conference to gain a greater understanding and appreciation for the cultural talents and gifts with which the United Methodist Church is blessed. We as a church are blessed with diversity; we are multi-racial, multi-cultural, multi-talented; we are gifted with all age groups (children, youth, young adults, middle age and older adults) and yet we are one in Christ Jesus.

As the Commission does its planning/visioning for 2001 and the remainder of the quadrennium, it will be very deliberate about including adults, youth and children of all ages in its plans. As we work to make justice, reconciliation, and inclusiveness a reality, we will encourage the members of the districts to join hands - one with another - to affirm, understand, appreciate, and celebrate diversity as a gift from God. Even though some districts as well as Conference Boards have moved in that direction, and we want to applaud them for it, there is still much to be accomplished. We want to applaud those districts which have appointed ethnic minorities to leadership positions, those which have moved ahead in making cross-racial appointments, as well as those districts and local churches that have appointed ethnic minorities to leadership positions, those that have moved ahead in making cross-racial appointments, as well as those districts and local church that are working to bring youth and adults of all races together as one. We especially want to express appreciation to those Conference Boards and Agencies that have appointed or elected ethnic minorities to leadership positions on the Boards and Agencies, for they are truly putting into practice the teachings of Jesus Christ as stated by the Apostle Paul, "We are all members of one body - the body of Christ."

In planning for the future, the Commission will continue to be focused and committed to achieving justice, reconciliation, and true inclusiveness in the Conference. In accomplishing this mission, special attention will be given to the following: Planning for the Bishop's Convocation for 2001 and 2003; the monitoring of Conference Boards, Agencies, etc.; writing an "Inclusiveness Plan" for the conference; sensitizing the conference, districts and local churches to cross-racial appointments; holding sensitivity training for districts or clusters of districts as well as local churches or clusters of churches; etc. We will work closely with the Youth Directors to make all our youth a part of what takes place within our conference or districts, recognizing that they are not only a major part of the church of today, they are the church of tomorrow.

Finally, as we strive to achieve these goals, we will continue to spread the love of Christ and challenge others to become ambassadors, seeking to bring about togetherness among the children, youth and adults in our districts and conference. We will continue to have a loving spirit as we work together to achieve the will of God for the church, for though we are many, we are one in Him. Needless to say, we solicit the prayers and commitment of everyone throughout the conference as we work to accomplish the vision that Christ has for his Church.

THE COMMISSION ON THE STATUS AND ROLE OF WOMEN

The Commission on the Status and Role of Women has continued its role of advocacy in behalf of women in the church. Through programs and recognitions which highlight the contributions of women, COSROW strives to positively empower the women of the Alabama-West Florida Conference in their ministries and service to God. In addition, COSROW challenges the church to be inclusive of women in decision-making roles in the church.

The 2000-2001 COSROW church year began at Annual Conference with the presentation of the Alice Lee Award to Boots Guthrie, a member of the Point Washington Church in the Marianna-Panama City District. Boots exemplified the criteria for the award by having served in numerous leadership positions both within the church and the community. A few of her responsibilities have been Chair of the Mobile Inner City Mission, President of the Walton County Habitat for Humanity Board, District Lay Leader, Chair of the Urban Workers Network of the Southeast, and missionary to Russia. The Alice Lee Award is given annually by the Commission to a woman in the Conference who has broken barriers in behalf of women.

Also at Annual Conference, COSROW sponsored their annual breakfast where seminary student Jackie Slaughter, a member of the Touminville-Warren Street Church in Mobile, spoke on "A Sister Image." The Jane Walker Honorary Scholarship was presented to Gail Bauchman, a student at Memphis Theological Seminary and resident of Prattville.

In February, the Rev. Beth Hood, a clergywoman from the North Carolina Conference and Duke graduate, led a COSROW retreat entitled "A Match Made in Heaven," where participants were challenged to reflect on and appreciate God's grace in their lives.

Through the work of the Commission, we are hopeful that all members of this Conference have a heightened awareness and appreciation of the gifts women have to share.

BOARD OF MISSION (BOARD OF GLOBAL MINISTRIES)

It is truly an exciting time to be a United Methodist and to be about the business of missions, whether at home or abroad! Despite our imperfections, our connection lends itself to boundless opportunities to reach others through concrete actions of ministry in the name of our blessed Lord and Savior Jesus Christ. The global (literally!) presence of people called Methodist enables us to be among the first and, quite often, among the most generous of all faith-based groups or secular organizations when disaster strikes. That same global presence enables us to be just as effective in sharing the gospel of Jesus Christ and reaching lost and hurting persons through daily acts of ministry, under "normal" conditions, apart from needs related to disaster.

Shortly before my assuming responsibility as Chair of the Alabama West Florida Conference Board of Missions (aka Board of Global Ministries) on January 1, 2001, it became apparent to me that we would be entering an era of both great opportunity as well as tremendous challenge. Not unlike most boards in our conference, we have embarked upon a journey highlighted by extraordinary transitions--e.g. a change in many leadership positions, turnovers typical in years marking a quadrennial change, changes in budgeting and financial procedures and attendant cutbacks in available funds, the realignment of districts which has, in turn, hampered efforts to correctly identify members of our board and then, of districts which has, in turn, hampered efforts to correctly identify members of our board and then, finally, in our case--even a name change! Thought these transitions have served to be a time of trial and at times hindered our efforts to formulate plans, initiate ministries and to meet

needs, they have also served to strengthen our resolve, to build unity on our board, and will ultimately enhance our effectiveness as a Board of Global Ministries. With Martin Luther's timely maxim "frogs need storks" in mind, we celebrate the victories of the past year and accept with excitement and determination the challenges of the new one!

The Mission/Advance Committee

Oversight of the Advance Special program is entrusted to this committee as outlined in the Book of Discipline. Funding requests from churches and agencies are reviewed and recommendations are found within this report. If you feel your agency or church qualifies for funding from this source you should contact your District Superintendent or Conference Headquarters for detailed instructions. The instructions are being revised to make the conference program consistent with the General Advance program. Each ministry will be assigned a Conference /District Advance Number, a specified monetary asking, and a CFA review before approving the application.

It is the goal of the Advance Committee to expand the understanding of and pledge to advance giving throughout our conference. We are pleased to report that you have not only responded to our requests but have increased your giving over the last year. Your second mile giving through the Advance assists mission work throughout the world.

For churches paying World Service apportioned funds, you are providing help for mission work not only in the United States but in numerous other countries as well. You are assisting in building new churches, rescuing children from poverty and violence, training church leaders, and preventing the spread of communicable disease. Contributing to the Advance also allows you to select specific types and areas as recipients of your generosity. The Advance Committee truly feels that this avenue of giving is a way for every church in the Alabama West Florida Conference, regardless of size, to participate in the mission outreach of the United Methodist Church. If you need assistance in making a specific selection you may contact the Conference Mission Secretary or the Advance Committee Chair for additional information and suggestions.

Our Committee is charged with the responsibility of: 1) enabling and encouraging churches, individuals and organizations to become involved in mission related activities; 2) overseeing the Advance Special program of the conference and 3) administering the trusts designed for mission that are currently deposited in The Methodist Foundation.

In expanding our conference understanding of Advance giving, the Advance Committee will set up training sessions in each of the districts, with an emphasis on the new districts. All local coordinators and pastors will also receive an expanded and up-dated mission handbook specific to our conference. This handbook not only explains mission outreach and how you can become involved, but also provides the necessary forms for reporting and recognition of your mission efforts. If you do not receive this resource feel free to contact your Conference Mission Secretary at Conference Headquarters.

DISASTER RESPONSE

The Alabama West Florida United Methodist Conference Disaster Response activities have been mostly centered in the Dothan District as of the writing of this report. The tornadoes of December 2000 and January 2001 affected several individuals and families in the Pinckard area and the Geneva area. Pastoral care, debris clearing and a roof rebuilding was done in the Pinckard area. There is on-going direct assistance and cooperative assistance through the Wire Grass Interfaith Unmet Needs Committee in Geneva. The formation of this committee was initiated by and is strongly supported by this conference.

Training is on-going for those involved in disaster response. A basic response course was held at Blue Lake in November 2000. Participants included Bishop Goodpaster.

There remains a need for essential ground tools, debris removal equipment, a trailer(s) with which to transport the equipment and a vehicle(s) with which to pull the trailers(s). All donations should be sent to conference headquarters marked Conference Disaster Relief Fund (Equipment).

UNITED METHODIST VOLUNTEERS IN MISSION (UMVIM)

United Methodist Volunteers in Mission were busy in the year 2000 - visiting more than 14 countries outside the U.S. and were very active within the U.S. Reports indicate that over one million dollars was spent by 1500 plus volunteers in an effort to help others around the world in the name of Jesus.

The Rev. Don Brill Scholarship fund continues to help volunteers with financial needs, but this fund itself is in need of additional contributions.

The Alabama West Florida Conference association to the Southeast Jurisdiction UMCIM office in Atlanta, GA is a mutually beneficial one and this relationship continues to flourish.

Events of note were the Central Texas Conference Youth, some 1500 strong, coming to both the North Alabama and the Alabama West Florida Conference in the summer of 2000. They worked among the poor repairing homes, cleaning, mending and sharing their faith. They were a true blessing!

We continue to support our project in Honduras and the ARM Program, so well directed by Lisa Pierce.

Our annual UVMIM breakfast was especially successful this year with Rev. Nick Elliott of SEJ UVMIM as our featured speaker.

A school kit project went extremely well with many churches participating. Mrs. Mary Morris was most helpful in supporting this effort.

We are still far short of registering potential volunteers to help in times of disaster but Lawrence Bowdin's efforts are bearing some fruit.

Our Habitat house was dedicated at annual conference. More than \$42,000 was raised for this project and dozens of volunteers from all over the conference participated in the building of this home for a deserving family.

HISPANIC MINISTRIES

Hispanic Ministries continues to help meet the needs of Hispanics within our conference and it is because of your continued concern, your continued financial support and all your prayers for the people we help as well as for us. For this we are truly thankful.

In order for us to continue to serve all the people who keep calling on us from different parts of our conference, we must make changes from time to time. To us this spells success and acceptance by the families we serve as well as by each of you and your churches. It is you who continue to refer Spanish speaking people to us for help. It is you who volunteer to help us in the teaching of English as a second language. It is you who volunteer to help us in our worship services. It is you who volunteer to deliver a meal to the people who come to the church on Sundays. It is you who continue to serve in so many ways and with so much love that we find we need to make some more changes in order to continue to grow and keep pace with all the calls for our services. You will be hearing about some good things that are taking place within the Hispanic Ministries and to you who are a vital part of our past, of the present and now the future, we shout! Rejoice! We could not have done it without you!

As a new Board is elected by the conference and it begins its vision for this ministry I pray that God may guide them in their decisions and leadership for the coming years. I wish to extend a special thanks to Rev. Dan Nixon for his leadership, guidance, and friendship in these past years.

May God continue to Bless us and hold us close to His heart. Your missionary to all the Spanish speaking people in the Alabama West Florida Conference.

Rev. Louis Caballero

HISPANIC MINISTRIES COMMITTEE Report to Annual Conference

Due to the tremendous influx of Hispanic people into our conference, social ministries, cell groups, Bible Studies and Mission Churches have expanded into new areas of our conference. Currently, areas being served by the United Methodist Hispanic Ministries of the Alabama/West Florida Conference are:

Clanton
Gulf Breeze
Summerdale
Brewton
Union Springs
Summit Park

On February 22nd the Board of the United Methodist Hispanic Ministries of the Alabama/West Florida Conference met with Rev. Jim Carpenter to discuss the possibility of dissolving the Board and petitioning you and the Conference Nominating Committee to form a Conference Hispanic Committee which would perform its duties under the auspices of the Conference Council on Ministries. After discussing this issue, those members present voted unanimously to dissolve the Board of the United Methodist Hispanic Ministries of the Alabama/West Florida Conference effective June 1st and an ad hoc committee was appointed to handle the matters concerning dissolution.

The Hispanic Ministries of the Alabama/West Florida Conference is currently seeking missionaries to be appointed to this Conference through the Board of Global Ministries, the Bishop and Conference Cabinet.

Rev. Dan Nixon

HEALTH AND WELFARE

The Health and Welfare section of the conference has been undergoing considerable reorganization. The connection with the Children's Home, Golden Cross and Homes for the Aging continues. Their reports follow this one.

Support for Accessibility Sunday on the second Sunday in September also continues. The board chair and the conference office have the necessary surveys for a congregation to assess its facility and the conference office also has the materials needed to plan and carry out a successful and worshipful Accessibility Sunday. There are available through General Board of Global Ministries Health & Welfare Ministries incentive grants to churches willing to make their facilities and activities accessible to persons with handicapping conditions. June 30 is the deadline to apply. Please contact the conference office for details.

Guthrie Child's has attended the Board of Global Ministries training for parish health ministries for the past two years. She, as the current chair of this board committee, is well able to carry out the plan within the conference. As a registered nurse, she is capable of assisting congregations and districts plan health related events.

GOLDEN CROSS REPORT

I am happy to report that we have been able to respond to every request that we have received during this conference year. Our funds come only from local United Methodist

churches within our conference. All the funds we receive are given to those who apply for medical assistance through pastors and district superintendents.

The program of Golden Cross is an opportunity for all to share in the spirit of love and concern for others. We ask that Mother's Day be recognized as Golden Cross Sunday in each local church. This lets our people have the opportunity of sharing in such a worthy cause. You and your gift do make a difference.

The guidelines are as follows:

1. Assistance is available for payment toward hospitals, doctors and pharmacy bills.
2. No assistance shall be granted to any person except upon the recommendation of their pastor or district superintendent who is in a position to know of the needs and circumstances.
3. The Golden Cross Director will provide the applicant with a form that is to be filled out in advance of receiving assistance.
4. The amount of assistance granted to any person shall be limited to a total of \$1,000 as long as the funds are available.
5. When there are extreme situations, and funds are available, the Golden Cross Director may make an additional payment of \$400 to the same person within a period of one year.

Director

UNITED METHODIST INNER CITY MISSION/METRO MINISTRY

The United Methodist Inner City Mission is continually demonstrating the love of Christ in the Oakdale, Maysville, Downtown Mobile, and West Wilmer communities by ministering opportunities for the needy which will empower them to reach their greatest potential and lift their spirits. This past year has seen us make dramatic progress increasing the improvements in the lives of those we serve.

The four components that make up the United Methodist Inner City Mission/Mobile Metro Ministry are each experiencing growth and transformation far beyond what we expected. Some of those include:

The Mission on Broad Street: This is our administrative headquarters and where the majority of our ministries are housed. Outreach has been greatly enhanced by the hiring of our new Program Director, Tyloria Y. Jones. She has really used her expertise in the community to greatly enhance our programs.

We have established partnerships with several other agencies to aide us in providing complete educational assistance to our youth. Those agencies include: The Independent Living Center of Mobile, Goodwill Easter Seals, Alabama Department of Vocational Rehabilitation. 100 Black Men of Greater Mobile, Bishop State Community College, The Exchange Club Family Center, The Clinton L. Johnson Center for Economic Development, Spring Hill College and Mobile County Cooperative Extension Services, Junior League of Mobile, The Monday Nighters Sports Club and the Progressive Black Fire Fighters, Inc., and LensCrafters.

We have expanded our youth programs with after school tutoring and youth groups. Students from Spring Hill College provide tutoring in the afternoons. We have provided college preparatory tutoring, outreach and assistance to our Middle School and High School students through Bishop State Community College's Educational Talent Search and Upward Bound programs. We currently have 19 students enrolled in those programs. There are 47 students enrolled in the after school tutoring program. 60 students attended a University of Alabama Football Game, Junior League of Mobile provided incentive via an art contest for elementary students, and our youth have been able to attend cultural exhibits at the Exploreum Museum, the Mobile Ballet and most recently a Black History Trip to Selma and Birmingham. Operation CPR in the fall yielded over \$1,000 to the mission that we used to purchase school uniforms and supplies for more than 30 students in our area. We have also re-chartered our Boy Scouts and Girl Scouts.

Our Summer Program included 60 children who went to Camp Discovery Blue Lake this year and another 57 children who were enrolled in our first Annual Summer Enrichment Program. This program was provided through partnerships established with the Mobile Weed and Seed Program and Craighead Elementary. The Auburn Interns provided the guidance and instruction and assist with other daily activities at the Mission and West Wilmer. Some of our other summer programs are daily swimming for agencies like Dumas Wesley and the Summer Lunch Program administered by the Prichard Housing Authority.

Our Community Enrichment Program has been enhanced by the hiring of our newest Community Enrichment Officer, Mrs. Josephine Chaney. We have seen the establishment of a new initiative with Voices for Alabama's Children, a state-funded agency that provides assistance to parents who keep relatives' children. Support group meetings are held at the mission monthly and 35 members from our community are enrolled and have directly benefited from guidance and assistance. Job placement and referral has been expanded with a 100% success rate and CED/Continuing Education Assistance has allowed more than 17 adults to commit to improving their education and career outlooks. Other collaborations

include the Mobile Police Department's Enhanced Neighborhood Policing Program, Mobile County Public School System with the Red Ribbon March Against Drugs. We also work closely with the Mobile Housing Board and the City of Mobile to provide assistance with home improvement and neighborhood cleanups through our ever expanding Block Captains Program.

Our Daily Senior Citizens Program has expanded to include 35 senior citizens who meet at the mission every day for fellowship and outreach. They are treated to weekly grocery shopping, birthday parties, daily devotion, playing cards, dominoes, etc. Once a month they go on a field trip to places like the Burris Farm Market in Loxley, Bienville Square or Municipal Park. This year they attended the Mobile International Festival and participated in Bishop State Community College's Central Weekend. We have hosted health fairs for the seniors that allow them to have their blood pressure and cholesterol checked and other health questions answered. We also collaborated with LensCrafters through their "Gift of Sight Program," to provide eye exams and glasses to 30 seniors in our community.

Camp Discovery/Blue Lake where 60 children from the Oakdale/Maysville Communities and West Wilmer traveled to Blue Lake for a time of learning, adventure, spiritual growth and fun. There were physical activities and challenges and the value of teamwork was learned. This program really used the Auburn Interns who planned most of the activities. Many of our youth were able to act as "Junior Counselors."

Other highlights include: The purchase of a new van with additional funds requested from the Community Enrichment Grant administered by the Mobile Housing Board; Auburn Intern Program; District Youth Week; Trips to the Mobile International Festival; University of Alabama Football Game; U.S. Civil Rights Museum in Birmingham and the National Voting Rights Institute in Selma, AL., Annual Summer Enrichment Program; Tools for Schools Partnership; Sports Programs and Annual Awards and Appreciation Banquet.

St. Francis Street United Methodist Christian Center: After a long, difficult process it was decided to relocate the Homeless Multi-Service Center in the former educational facility of the St. Francis Street. The lease with the Homeless Coalition has significantly boosted the budget and enhanced the ministry at St. Francis Street.

The Waterfront Rescue Mission is now holding weekly AA Meetings in the Chapel at St. Francis Street.

Sunday School, which is now located at the Mission on Broad Street is growing and now averages about 32 children per Sunday.

Sunday worship services average 76 person per Sunday.

Renovations in the parlor and office space are now complete.

West Wilmer United Methodist Christian Center: West Wilmer has seen an influx of several new families with Methodist church background and enthusiasm.

Sunday School is held on Sunday afternoons and averages 31 per Sunday.

Friday Night is the Youth Program and there are 17 active participants.

We had another successful Summer Day Camp led by the Auburn Wesley Foundation Interns, and over 60 participated.

Taylor Park Recreation Center: This is the site for our recreation, after school tutoring and senior citizens programs, special events, annual summer camp and summer lunch

program. Primarily, this is where the sports programs are housed. Under the direction of our Park Superintendent, Brian Smith and Athletic Director, Ron Robinson, we have hosted 12 teams which include football, softball, basketball, baseball and cheerleaders. A total of 137 youth from our community participate with weekly practices and games! This is an awesome undertaking for one facility. They are supported by an excellent volunteer staff and a very active booster club.

Our sports program is active with 12 teams and more than 137 youth participating from our community. Six teams made it to championships this year and three were invited to the Alabama Sports Festival in Birmingham. currently three teams are undefeated in their division.

The highlight of our Park Activities includes the naming of the **John Frederick Toland, Jr. Gymnasium**. Look for more information about a formal dedication service which has been planned for April. The gym was also painted and the park facility renovated. We are looking forward to an exciting summer. Our summer program includes summer youth workers formerly sponsored by JTPA.

This summer will continue the Summer Splash that was started last year and continue offering a structured program of crafts, sports, education and enrichment. Between sports and other community programs, the Taylor Park Recreation has served to relieve the tension and strain in the inner city. Other agencies and local radio stations and volunteer groups have used the park as an arena for positive efforts in the community. All in all, approximately 9,000 participants were served in various programs. It has really been a means to channel positive energy and keep our streets safe.

The Mission is continuing to seek new sources of funding through resource grants and capital funds campaigns. There is always the constant pressure of inadequate funds but we will continue to rely on your support and your prayers. We are proud to be part of an organization that cares.

DUMAS WESLEY COMMUNITY CENTER

Dumas Wesley Community Center is completing the final phase of our capital campaign to expand the existing facility and services encompasses a variety of programs, including the Sybil Smith Family Village, youth programs and our ongoing senior services. The Board of Directors has completed an extensive strategic planning process and is focusing on the goals and initiatives, particularly the emphases referred to in our program expansion. Our capital campaign is now concentrating on Phase II - expansion of our kitchen and cafeteria wing in order to address the nutritional and health related issues of our neighborhood residents, day care families, the senior citizens we serve in the existing programs and the families residing in the Sybil Smith Family Village. Expansion of our local, state, and federal regulations. This expansion will also demonstrate our commitment to the Crichton neighborhood and allow us to serve the residents with programs in a functional and attractive facility - a new standard for the community. An investment in this facility will sustain neighborhood stability and encourage more home and business ownership in the area.

We will continue and expand the existing community education and prevention programs to include home visitation, community outreach, and neighborhood revi-

talization in the immediate neighborhood. Utilizing strong community ties and a large group of volunteers and staff, future programs will incorporate building powerful community partnerships, strategic neighborhood planning for solving problems, developing leadership, and strengthening capacities of community members. Over three generations of families have utilized the many services we provide. We serve a low-income, disadvantaged, predominantly African-American neighborhood of over 13,000 inner-city residents. The Crichton area has struggled economically for many decades and is home to many single parent families caught in the struggle of poverty, welfare reform and hopelessness.

Of particular concern are the needs of the disadvantaged and at risk families residing in the Sybil Smith Family Village, our transitional housing program. The residents come from a variety of shelters and programs through our homeless family referral system. The population residing in the transitional housing facility includes single mothers with an average of three dependent children. The women range in age from 18-69 years. Racial and ethnic groups are mixed and most have never been employed on a full-time basis. Most of the jobs have been held in the service sector. Over 95% are separated or divorced. The program serves 45-70 homeless individuals annually in a family based congregate housing facility.

Dumas Wesley Community Center recognizes the importance of prevention of future problems, intervention to address current needs, and strategic planning and implementation for long-term change. We also recognize the importance of collaboration at the local and state level and seek to demonstrate and support a spirit of cooperation in the social service community. Intermediate prevention programs will specifically include nutrition education, life skill programs, home maintenance and repair and financial management that will strengthen families, reduce stress, and build a sense of pride in the immediate neighborhood.

UNITED METHODIST CHILDREN'S HOME

The types of children requiring out-of-home care have changed dramatically through the years. Today, the Children's Home serves very few orphans and dependent children as most of these youngsters are either cared for by relatives or are placed in foster homes. The emphasis now is on finding a home for the more seriously disturbed child. Over 45% of the youngsters living in one of our homes had a psychiatric diagnosis with over 50% having been physically or sexually abused. The average age was 12 years and the average length of stay was 25 months.

Residential care was provided to 57 children at the Village while 84 residents lived in our eight group homes located throughout Alabama and northwest Florida. This was in addition to the 44 young boys and 49 girls who received temporary housing and evaluation services in our two emergency shelter facilities in Selma. UMCH maintained an overall occupancy rate of 72%.

Therapeutic Foster Care, which enables severely disturbed youth to live with specially trained families rather than in institutions, was made available to 93 children in 16 Alabama counties this past year. Family Preservation services, which allow children to remain in their own homes while receiving protective and supportive services from licensed social workers, touched the lives of 312 families, 734 children, and 424 adults. Ten young men and women received scholarships from the Children's Home to either pursue college or vocational training this past year. Additionally, six youngsters took advantage of housing in our transitional living homes, while eight families received temporary financial assistance through our Family Aid program.

Whether it was building or renovating a house, serving as a mentor for a child, sponsoring a benefit singing, cutting Campbell’s soup labels or promoting UMCH through White Christmas activities, volunteers once again responded to the call. Over 1400 volunteer’s contributed in excess of 2300 hours of their time and energy to benefit our children in 2000. Approximately 1100 individuals served as Local Church Representatives, acting as liaisons between their churches and the Children’s’ Home.

Public Relations also expanded in 2000 with the completion of a comprehensive public relations assessment. UMCH established its first independent web site at umch.net, and 159 advertisements were aired on four television stations. Four issues of the *UMCH News* and three solicitation letters were mailed to over 20,000 constituents, and a children’s art calendar was once again distributed to approximately 10,000 donors.

The life-changing ministry of UMCH continues to touch the lives of children of all ages throughout both conferences. Without the services of the Children’s Home, many youngsters would never have a chance to reach their potential. We are truly making a difference, one child at a time.

METHODIST HOME FOR THE AGING—REPORT TO THE ANNUAL CONFERENCE

The mission of The Methodist Homes For The Aging shall be to provide, from a Christian perspective, health and welfare services, through facilities and/or programs to persons sixty-two (62) years of age and older, based on their needs. These facilities and/or programs shall reflect our Wesleyan Heritage.

It is our purpose to provide a comprehensive array of services which are:

- wholistic to persons
- responsive to community needs
- meet the highest standards of professional competence
- offer these services in an atmosphere of love and caring

To fulfill our commitment, we will develop and provide needed services, including, but not limited to: housing, health care and community services as deemed advisable by the Board of Trustees.

We recognize that America's future will be filled with older faces. Because of this we are working today that our efforts not only address our present needs and the needs of tomorrow's older Americans, but that we exceed their expectations. We along with other providers, policy makers, researchers, advocates and regulators must develop programs, policies and practices that will make retirement communities the center of innovative, quality care for our senior citizens.

During this year we have opened new homes, provided programs, and received approval for new facilities.

In July we opened our new affordable housing units in Pensacola, had ground breaking on our new nursing home which is a joint effort with Sacred Heart Hospital in Pensacola and the Methodist Homes For The Aging and began the demolition of a building where we will build a new retirement center in downtown Pensacola.

In September we opened the new Mathison Retirement Center in Panama City.

In September we were awarded a certificate of need for twenty new nursing beds to be built at Fair Haven.

In November we began an addition of twenty apartments at Wesley Acres in Decatur.

In December we were awarded the approval from the Alabama Housing and Finance Authority to build 56 new affordable housing units in Anniston.

In December we filed an application for special care facility license for new levels of assisted living units at Fair Haven, Wesley Gardens in Montgomery, Wesley Terrace in Auburn and Wesley Manor in Dothan.

In January we began meeting with Providence Hospital in Mobile to explore the possibilities of developing a continuing care retirement community with them.

This month we have begun studies as to where we should consider developing other affordable housing facilities in both the North Alabama and Alabama-West Florida Conferences.

As we develop other facilities it is also most important that we provide programs and services that are encouraging and inspirational. Our new Director of Life Enrichment assists implementing various activities and events that get our residents out of their rooms where they are able to “enjoy living” and not just exist.

In developing our facilities and our programs we need the help from the churches throughout the conference with our Fountain of Love Program. This program is essential in assisting persons who look to us to help them with their personal needs or their monthly expenses.

We also need employees who can help our residents with the most basic aspects of living - eating, bathing, taking needed medications and participating in enriching activities. Persons who will care for and comfort residents, treating them with the dignity and respect they deserve.

We also need your prayers as we continue in our ministry of caring for God’s “Older Children”.

FAR EAST EVANGELISTIC MISSIONS

On January 31, 2001, The Far East Evangelistic Mission celebrated 20 years of ministry in support of the dedicated pastors, itinerant evangelists, missionaries and seminary students, that go into China and Taiwan, at risk of imprisonment and great bodily harm, to recruit and teach underground house church Christians, that they may have hope for salvation through a relationship with Jesus Christ.

During these past twenty years, we have personally witnessed and have heard testimony of the mighty works that God is doing in China. The underground house church Christian movement in China is estimated to be 80 million strong and is growing at a phenomenal rate. An average of 3500 new Christians are converted throughout China each day. The loyal financial supporters of our mission outreach, can in part, be credited with this expansion of Gods' kingdom.

The Far East Evangelistic Missions has been showered with God's lessons throughout

the year 2000. We witnessed an increase of more than 20% in contributions received in 2000, as compared to 1999. We had a very successful visit to China and Taiwan in October 2000, and we expanded our support to include an Aboriginal Free Methodist Church in the tribal area of Taiwan.

At home, our computer graphics presentations have kept us quite busy; we provided 30 presentations to; church congregations, men & women's groups, mission committee meetings, Sunday school classes, etc., as we witnessed to more than 2000 people, and traveled more than 3000 miles in the Alabama-West Florida Conference.

As we strive to serve Jesus, we are committed to; solicit contributions and to disburse those funds to insure that the Gospel of Jesus Christ is available to and through the Chinese speaking people of the world.

NELLIE BURGE COMMUNITY CENTER

Nellie Burge Community Center is an Advance Special of the United Methodist Church.

We provide social services to those in need. Our food pantry provides food to those who are hungry and the thrift store provides clothing, furniture, appliances, and other household items.

Our day care keeps working parents' children and children whose mothers attend the Adult Basic Education School. This school teaches the students the basic educational subjects and moves them up to the level of proficiency required for successfully completing their GED. The students are taught basic computer skills and are engaged in a county extension course that teaches nutrition among other subjects. They are also provided lunch and transportation to and from home to the center, free of charge. A nutritional lunch is served to them daily. For those who have problems which interfere with their studies, counseling sessions are made available to them.

Nellie Burge is also a sponsor for licensed day care home providers. These women keep other people's children in their homes. Our sponsorship provides two monitors who visit these homes to monitor the preparations and the serving of meals to the children in their care along with the record keeping involved. Giving, caring, nurturing, and helping others is what Nellie Burge Community Center is all about.

NOAH'S ARK

The ministry of Noah's Ark has continued to make the only permanent year round outreach especially to the visitors of Panama City Beach. God has blessed this ministry of Noah's Ark and has created a community through which He touches the world from the Southeast to Canada and beyond. In the midst of sometimes negative press about Panama City Beach, the mission and ministry remains stronger than ever reaching out to a diverse crowd from young teenagers, to partying spring breakers, all the way to retired senior citizens.

The summer season of 2000 was one of our best seasons in years with churches as far away as Illinois and all denominations staying with us. There is always increased competition from other retreat facilities on the beach and due to their mass marketing techniques, we too have had to adapt in reaching out far beyond our conference and denomination. We have not only utilized our own conference mailings but now direct mail to our own conference and

around the Southeast to many denominations. Our new web site gives us national exposure with the address being www.noahsarkpcb.com and many of our new contacts are coming to us via the internet. Our summer mission retreats not only involve groups with ministry at the ark, afternoon beach ministry with the tourists, and nightly worship concerts, but also gives them the opportunity to serve at the Rescue Mission, Council On Aging, work projects throughout Panama City, and other such mission experiences. Give us a call to book your next youth mission trip at our toll free line 1-888-438-5561. Our intent is to involve groups in ministry and mission, not just provide a place to stay.

During the summer 2000, we had 55 youth groups from all over the Southeast spend their summer mission trip with us. Of these groups 40 of them were United Methodist groups with eight of these being from our own conference. The nightly worship programs averaged just over 700 youth a week, all summer long! With up to four youth groups at a time staying with us in our dorm facilities there are always many youth to fellowship with, sometimes up to 170 every week. Our summer season for 2001 is filling up fast and promises to be a banner year.

The past snowbird season of 2000-2001 was very successful with around 800 snowbirds involved regularly on a weekly basis; seven days a week, 9:00 AM to 9:00 PM. The activities this year grew more than ever with nearly 80 different activities going on a week with the focal point being our Sunday Worship. The age span of this group encompasses ages 55 to 85 with the average being around 70 years of age but the trend is showing the retiree's are getting younger. The need for a pastoral ministry with this group has continued to grow. Being there for them in the midst of death or sickness when far away from home and family is very important. Amidst the love and fellowship shared, it is easy to understand why the snowbird ministry is their home and family when they are in Panama City Beach. As in the summer, our main purpose is to encourage a personal encounter with God's Kingdom and it is through the ordinary routine of life, through our weekly activities, where this door of encounter opens to the many snowbirds that find their home in Panama City Beach during the winter months.

With the support of the Alabama West Florida Conference, especially that of the Marianna-Panama City District, between twenty and thirty percent of our annual operating budget is funded through UMC sources including apportionment, advance special gifts, UMW, and special donations. The additional funds for operating are generated by Noah's Ark through its summer and winter ministries. Our Endowment fund, created a few years ago, continues to slowly grow and we hope this will become a major support for us down the road. We are still 100% debt free and all financial support to the Ark is used entirely for ministry expense. We are also currently exploring the feasibility of building a new dorm building for our facility since we have reached a point where the need is present for both the summer and winter ministry. We hope that maybe by next year we may be well on the way to our first expansion since the mid 1980's.

As Noah's Ark continues into the new century, we hope to continue our close relationship and connection with the United Methodist Church. It is only through the continuing support of the church that the ministry is able to stay afloat from year to year. We are an approved advance special ministry of the United Methodist church and appreciate greatly the financial support through the mission giving of the church.

BOARD OF HIGHER EDUCATION AND CAMPUS MINISTRY

Report No. 1 – COLLEGES

Our conference is directly related to two fine colleges, Huntingdon College in Montgomery and Birmingham -Southern College in Birmingham. We encourage all United Methodists in our conference to support these wonderful schools in every way possible and to pay the Huntingdon/BSC Fund apportionments.

The mission of United Methodist related campus ministry in the Alabama West Florida Conference is to know Christ and make Christ known on college and university campuses. Our thanks more than support for institutions, rather it is to connect with students on campuses and to help them leave school with more than a degree or a dream for a future. We want them to face the world not merely as conquerors, but as the Apostle Paul states in Romans 8:37, "in all these things we are more than conquerors through him who love us."

We should be proud of those who work to fulfill this mission on our campuses and universities. They are missionaries on the front lines of God's work among the hardest group for our Church to find a solid connection. In their respective places of ministry we find them faithfully mentoring, challenging, witnessing, praying, traveling on mission trips, holding Bible studies, leading meaningful praise and worship, and being Christ to these young men and women who step boldly into the future. Because they live out the Gospel, students are passionately embracing Jesus Christ.

Both colleges have been most responsive to our board. Their individual reports follow.

BIRMINGHAM-SOUTHERN COLLEGE

February 1, 2001 marked the 25th anniversary of the tenure of Dr. and Mrs. Neal R. Berte as President and First Lady of Birmingham-Southern College. Not only does that make Dr. Berte the longest-serving president by several years in the history of the College, it encompasses a record of leadership and service at a single institution matched by few college or university presidents in the nation.

This quarter of a century marking the Berte years has truly been one of remarkable progress on the Hilltop. We celebrate that progress.

In addition, we are appreciative of the countless contributions which Dr. and Mrs. Berte have made to the quality of life in the city of Birmingham and in this region of the nation.

Above all, however, we give thanks for the Bertes' lives of Christian service in their local church. They are faithful Christian disciples. Dr. Berte faithfully serves the United Methodist Church on conference, jurisdictional, and general church levels.

The Birmingham-Southern College family counts itself fortunate indeed that the Berte years continue in this new millennium.

Jerry E. Sisson, Chair
Board of Trustees

BIRMINGHAM-SOUTHERN COLLEGE

Birmingham-Southern College is committed to its calling as a United Methodist institution of higher education and strives to meet demands and expectations through opportunities that nurture and strengthen the whole student - mind, body, and spirit. Academic excellence, faith discovery and self-understanding, leadership development, wellness, and service to others in the name of Christ are emphases and products of the Birmingham-Southern experience.

There is a deep spirituality inherent in education. The Dean of the Chapel, College Chaplain, and Director of Wesley Fellowship seek to make the presence of God known in ways that are appropriate to learning, service, and campus living. Dr. Stewart Jackson, Dean of the Chapel, provides pastoral leadership and supervision to the Office of the College Chaplain and Service-Learning. Dr. Jackson also works in the Counseling Office providing pastoral counseling to students, faculty, and staff. In addition to preaching and participating in the weekly worship services, he offers administrative leadership for the Religion Life Council that coordinates the various religious life groups on the campus. For the past 16 years, Dr. Jackson has been organizing the Interims in Service-Learning, this past year working in Mozambique, with 30 of our students and four other faculty and staff persons, as part of the conference effort to build a school there.

Birmingham-Southern continues to host a thriving religious life community, with five services, several fellowship groups, and countless Bible studies offered on a weekly basis. Rev. Brian Erickson, Chaplain, develops and coordinates opportunities for faith development for students, faculty, and staff. Monday night ecumenical services, held in the United Methodist liturgical tradition, seek to gather our community in worship around the unique rhythms and needs of college spirituality. A variety of speakers, singers, and musicians, from on and off campus lend their talents to the services, ensuring that our worship is always an

expression of who we are as a community before God. In addition to the regularly scheduled services and fellowship groups, the Chapel sponsors a number of other activities, including morning prayer during Lent, a spiritual discipline group, and a Covenant group that meets weekly for Bible Study and support. The Chaplain also works closely with the Service-Learning Office to offer programs such as CommuniTea, a weekly gathering for the campus community in which various speakers are invited to casually share stories over a cup of tea, and school break service projects.

Well into its third year at BSC, the Wesley Foundation continues to build a community of faith through exploration of Christian beliefs, prayer and fellowship and provides a source of support for all students. Meeting weekly for a common meal and a time of study and sharing, our group has grown to over 60 active members. This spring, we also had the opportunity to hear from group members about their experiences tracing the Footsteps of Paul during Interim Term, sponsored a Prayer Retreat, and participated in Folk Festival at Camp Sumatanga. Programs included a reflection on the life and writing of C.S. Lewis, an understanding of Passover and the Seder Meal, folk music and games, and speakers on social justice and activism. Kristin Harper, Director, and 2001 Wesley Interns John Brush (Anderson, SC) and Carrie Kramer (Sylacauga, AL) provide key leadership as we continue to expand our circle of support across campus.

Service-Learning continues to be at the heart of what we do outside the classroom. Sixty-seven percent of the student body is involved in volunteer work, with 32% committed on an ongoing basis serving a specific need and establishing relationships with persons in need across the community. Ongoing projects include: every Wednesday dinners and overnight assistance at the Firehouse Men's Shelter and First Light Women's Shelter; every weekday deliveries for Meals on Wheels; Success Story enrichment program in Metropolitan Gardens Housing community; companionship, outing and bridge for residents of Trades Towers; a nurture and care for animals and assistance with projects at the Humane Society; and tutoring international residents in English speaking and writing skills. Programs, developed and led by students, include: The Woodlawn Project- community revitalization, business assistance, urban gardening, healthcare, community ministries, tutoring and after school care, and housing concerns; and Woodrow Wilson Elementary Project - tutoring and after school care, and housing concerns; and Woodrow Wilson Elementary Project - tutoring weekly, scout activities, chess team, seasonal and host activities. This year students, faculty and staff worked on the Cumberland Trail during Fall Break and with the Appalachian Service Project during Spring Break. Spring Break also found students in Washington, D.C. and San Francisco soup kitchens and housing programs.

While these programs define and support who we are as an academic community, our dedication to the student as student remains strong. Our student community is comprised of 1291 day students from 25 states and 23 countries, 162 Adult Studies students, and 75 in graduate programs. The entering class in the fall of 2000 brought 303 freshmen and 48 transfers, with a mean ACT composite of 26.27 and mean SAT composite of 1190, thirteen National Merit scholars, again the highest profile in the state, bringing the total to 43.

Our commitment to education sometimes goes beyond our campus. In 2000-2001, 297 students studied abroad - work in interim studies (267 in group and 37 in independent projects); 19 studying this summer at Oxford University; and 74 in fall and spring break studies. Approximately 70% of our graduating senior class studied abroad while a student at Birmingham-Southern. Also in 2000-2001, 194 students served as interns in the areas such as accounting, art, biology, business, economics, education, journalism, photography, political science, pre-engineering, pre-health, pre-law, psychology, sculpture, and theater.

Birmingham-Southern continues to be recognized for its academic programs: named again among the Top 80 Liberal Arts Colleges in the Country by U.S. News and World

Report's 2000 "America's Best Colleges" issue; for the fourth year as one of the 200 Most Wired Colleges by Yahoo! Internet Life magazine; one of only 7 colleges and universities and only Alabama school recognized in America's est Christian Colleges; and only Alabama college or university to be named in the John Templeton Roll for Character Building Colleges. With a 12 to 1 student/faculty ratio, faculty are able to support learning in and out of the classroom. Excellence in the classroom is reflected in the exceptionally high acceptance rate to leading medical, law, and other graduate and professional schools, and exceptionally high number of national and international scholarships, fellowships, and study programs awarded to BSC students.

In keeping with its liberal arts tradition while recognizing today's ever-changing society, Birmingham-Southern introduces Foundations, a new plan for general education. Foundations expands the College's liberal arts mission to address the talents and skills needed to be successful in an increasingly complex and technological society by building upon such strengths as quality academics, collaborative learning, internship, non-traditional teaching, technology use, community involvement, service learning, and values and character development, among other things. With an emphasis on practice, theory, and real-world applications, Foundations will better prepare Birmingham-Southern students to be lifelong and participatory learners and leaders, to be active and successful in their careers and communities, and be individuals who better understand and help shape the world around them as they enter the work force or continue their education at the graduate level.

Our commitment to the Religion Department, additional courses, and excellence in faculty is reflected in the growing number of religion majors, pre-ministerial students, and graduates in seminaries and graduate-religion programs over the past three years. Dr. Larry Brasher and Bishop Robert Morgan join the campus ministry staff in identifying and nurturing gifts in ministry, and guiding students in discerning the call of God upon their lives toward ministry and service.

Birmingham-Southern continues to seek ways to be faithful to the United Methodist Church and to lead students to a life of service and faith. We are grateful for your many expressions of support.

HUNTINGDON COLLEGE

At any college, each student has his or her own voice, mind, spirit, goals, strengths, talents, and passions. But in a world where connections and relationships are often forged electronically, where education is delivered “over the wires” or through large lecture-based classes, and where communication transpires by Instant Messenger rather than by voice, the power of the individual is sometimes lost. At Huntingdon, we are happy to “buck the trend.” Although we’ve been recognized as the “most wired” college in the state of Alabama (by Yahoo’s *Internet Life* magazine last spring), our focus is on providing a values-centered education which celebrates humanity, one student at a time. Students actively participate in their own educational experiences because classes are small, interaction is both meaningful and encouraged, and students know that their professors know them and value their input.

Huntingdon’s story is best told through the individual by their involvement with the College. I’d like to share a few of those stories with you.

Pedro Mayor

Pedro Mayor is a senior who will graduate in May. A native of Cuba, he first applied to Huntingdon in 1995 but his English language skills didn’t meet Huntingdon’s minimum standards for admission, and his application was denied. For the next year, he studied hard to improve his English skills. His father, a United Methodist minister in Cuba, and his moth-

er, an English translator, prayed daily that he would have the chance to extend his talents in music and to find a life beyond that which he knew in Cuba. Despite fervent efforts to communicate by mail, missives sent through the postal service, whether by Pedro or by the College, mysteriously disappeared. That's when the Church intervened.

United Methodist ministers traveling back and forth to Cuba as missionaries carried documents hidden in their clothing to and from Huntingdon and to and from the Mayors. After a year and a half of trying, Pedro's English skills met the College's standards, and he was admitted and given a 3/4 tuition scholarship. But there were still costs of attendance remaining; costs which the Mayors weren't able to pay. Again, the church stepped in. The congregation of First United Methodist Church in Millbrook voted to cover all remaining expenses. Pedro arrived at Huntingdon shortly thereafter.

In four years, Pedro has become one of the most celebrated young men on campus, voted as a finalist for Mr. Huntingdon twice, forming and performing in his own jazz trio, reveling in the American experience, and offering an invaluable international perspective in his classes. Pedro is a hero here. Everyone knows him, though few know the whole story of how difficult it was to get him here. No one will ever forget Pedro. He plans to pursue a graduate degree in music ministry and then return to his home country.

“Enter to Grow in Wisdom, Go Forth to Apply Wisdom in Service.”

The Huntingdon motto is inscribed over the front door to historic, John Jefferson Flowers Hall, embodying the spirit of a Huntingdon education. More than lectures and tests, the Huntingdon experience connects the spiritual, emotional, physical, and intellectual aspects of life by getting students *involved* through service, internship, research, and/or work.

In the College's community service programs, Huntingdon students reach out to others, and are thereby transformed through the experience of giving. Wisdom in Service of Education (WISE), Partners in Education, Habitat for Humanity, SuperSports Saturday, and Circle K are just a few of the service organizations and activities on campus. Each student organization and each intercollegiate athletic team participates in two community service projects each semester. Student groups reach out to the world community through mission trips to places such as Nicaragua (summer 2000) and to an American Indian Reservation (planned for summer 2001).

Marquell Johnson

Marquell Johnson is a graduating senior whose college experience has transformed his goals, his outlook, and his life. Much of the transformation has taken place through Marquell's participation in service organizations.

He came to the College as a basketball player. Like many students who have passions, his sport was his foremost concern. But circumstances intervened and Marquell found he was off the team after just one semester. He was then at a crossroads—re-invent his personal identity and stay at Huntingdon, or pursue the old identity at a different college. To the surprise of many, he chose to stay.

What saved this passionate young man was the quiet magic of passion mingled with compassion. It began when Marquell volunteered with the College's Super Sports Saturday program, a monthly adapted sports program for children with physical disabilities. Marquell found that his time as a volunteer was appreciated sincerely by students with whom he worked, by their parents, and by the faculty in the department of human performance and kinesiology, which sponsors the program in conjunction with a grant from the Lakeshore Foundation.

Marquell quickly became the lead volunteer, and then the volunteer recruiter, and then the student director of the monthly program. His leadership assures the College that there are always an adequate number of trained and compassionate volunteers to help with the program, and that the equipment and schedules and facilities will be ready each month. The leadership skills Marquell perfected through this organization spilled out into the rest of his life. He has served as student assistant to the HP&K department, as president of the Health Sciences Club, and as a resident assistant for two years.

Marquell Johnson not only expanded his mind at Huntingdon, he found his heart. He plans to pursue graduate work with special populations.

Those who are interested in working in youth ministry or serving community churches can readily find those opportunities in the Montgomery region. There are currently five students who serve community churches as youth ministers. Four graduating seniors have been accepted for interviews with the Board of Global Ministries for mission service next year. One of those students is **LeeAnn Matthews:**

"I honestly have to say that Huntingdon College has been a very big part of my spiritual life. Huntingdon College has helped to advance my Christian walk by teaching me how to defend my beliefs, respect the beliefs of others, and by providing a positive Christian atmosphere."

"Through required courses, such as the Liberal Arts Symposium, I have been able to see other students' beliefs in a different light. Huntingdon teaches tolerance and respect by providing students with the opportunity to learn about other cultures and religions. At the same time, students learn how to defend and strengthen their own beliefs. It was here at Huntingdon College that I learned who I truly am. I came out an even stronger Christian because of it."

"Here at Huntingdon College I have been able to explore my Christianity to the fullest. I have also been provided with the opportunity, on many different levels, to test my leadership potential as not only a student but a Christian."

LeeAnn Matthews

A Youth Ministry Academy co-sponsored by the College is planned for the 2001-2002 academic year.

Religious Life at Huntingdon College

Huntingdon College proudly offers a broad-based liberal arts education with a denominational heritage. Related to The United Methodist Church since our founding in 1854, Huntingdon is a place where intellect and free inquiry, religious faith and ethical concern combine. In classes, in the residence halls, in religious organizations, in small groups with other students, in Chapel, and in discussions with faculty, students are encouraged to develop their own spiritual ideas and beliefs.

Spiritual and religious life opportunities on a campus include:

- Religious fellowship
- Students Actively Learning the Truth (SALT), a weekly Bible study group
- Fellowship of Christian Athletes
- Dance to Glorify
- Christian Ministries Association (CMA)
- Religious study led by an off-campus United Methodist minister
- Student-led small study and discussion groups in residence halls
- Student-Faculty devotional breakfasts

Weekend Spiritual Life retreats
Religious internship
Involvement in community churches
Weekly Chapel services.

Guest speakers this year have greatly contributed to discussions of Christian discipleship on campus. Dr. Noel Leo Erskine, of the Chandler School of Theology, Emory University, presented the 2001 Martin Luther King, Jr. Convocation address. Sister Helen Prejean discussed the relationship between justice and mercy. The College's Chapman Benson lecture, presented by Dr. William A. Schweiker of The Divinity School of the University of Chicago, provoked us to think about ethics, theological students, and globalization.

A new traveling Lively Spirit Tour involves students, faculty and staff in the effort to encourage more students to consider United Methodist higher education opportunities. Included in the tour are youth group gatherings at which Huntingdon students perform and present information about what it's like to be part of a United Methodist-related college, faculty and staff present morning messages at worship services and teach Sunday School classes, and gatherings sometimes include breakfasts for area ministers and alumni and guidance counselor events.

University Senate

The University Senate of The United Methodist Church reviews the eligibility of institutions to list themselves as United Methodist-related institutions. A visit is usually made following the College's regional accreditation review, which successfully took place last spring at Huntingdon. The University Senate review was held this fall and the College was approved for the coming ten years, the maximum time-frame allowed.

You are Welcome at Huntingdon

I invite each of you to bring your youth groups to explore, in depth, the valuable and values-centered educational experience Huntingdon College provides. I can promise you that your students will be known at Huntingdon. They will grow personally and professionally in an environment where everybody is somebody.

May God bless your ministry this year,

Wanda D. Bigham

WESLEY FOUNDATION

AUBURN UNIVERSITY

We are very thankful to the Alabama West Florida Conference. Through your support we are able to reach out to the university campus and share Christs' love. Listed below are most of the programs we offer and the level of regular participation. What it does not indicate is the number of lives touched through these students. In addition, it does not tell you the growing number out in service and those considering full-time christian service. With God's help we have developed a "Culture of the Call" in Auburn and the excitement is real and growing.

In addition to the programs and categories listed above, my year as a campus minister as been spent with a decided focus on the three following areas:

Board Development : Upon arriving at the Wesley Foundation in May of 1998, one of the most pressing needs was a major restructuring of the Board of Directors and a re-evaluation of the constitution and by-laws. In the past year and a half the board and I have spent a considerable amount of time performing this task.

We contacted several campus ministries across the United States for information on their structures and the functions of their boards so that we could gain some new ideas about how our board might function. We enlisted the help of a facilitator for a board retreat with our directors to teach us how better to function as a board. Currently, with new term limits in place, no rotating member has been on the board more than three years. The board now has new life and sense of purpose, more well-defined goals and job descriptions.

Student Ministry Team Development : In addition to trying to cultivate a campus ministry over the past two and a half years, I have also engaged the hard task of cultivating student leadership to help that ministry continue. It is vital that the students gain ownership of what's happening at their campus ministry. The process has been formidable. We have tried several paths. We first attempted a highly structured Council on Ministries, an organization favored by many other campus ministries. Our students felt that this model was too restrictive and artificial. We then established a ministry team with no concrete job descriptions. Students who felt called to a particular ministry would help to organize and execute that ministry with resources provided by the campus minister and the rest of the team. The team met twice a month. But with little structure, the students simply didn't follow through with their designs, thinking that someone else would do it. A core group of students did not form to give direction to the Wesley Foundation's total ministry. We are now searching out some ground between freedom and structure. A student task force has been appointed to redefine the ministry team, and we await their findings. The process of trying to figure this out has been a huge challenge in our ministry.

Student Servant Leadership : The fourth component of our mission statement is knowing and making Christ known by serving others. Without this component, our mission would be incomplete. Despite our mission team struggles, we've had 15-20 students in some kind of service ministry on a regular basis throughout the school year. Also, over the summer of 2000, out of a core group of fifteen students, ten of them were serving in some kind of ministry-oriented day camp or camp. Seeing this kind of response to service opportunities is encouraging. The church's young people really do want to put their gifts in the service of Jesus Christ. When this need in the students' lives became obvious to me, I began an effort to establish a ministry intern program that would place students in local churches with opportunities for ministry. In a weekly seminar, students would take time to reflect in a group of their peers on the work they were doing. Though local churches initially responded with enthusiasm for the program, none were able to follow through. Nonetheless, student response to the program has been overwhelming. Even though the program did not take shape, students are still very much in service. Ministry internship is something that we want to re-evaluate and try again at a later date.

In summary, a major emphasis of our Wesley Foundation is to find ways for the students to make a difference in the lives of others in the name of Christ.

On behalf of the students and the Board of Directors of the TSU Wesley Foundation, I would again like to express my appreciation for the many ways this annual conference continues to encourage the ministries of young adults on our college and university campuses.

WESLEY FOUNDATION

TUSKEGEE INSTITUTE

The Tuskegee University Wesley Foundation is a great place for campus ministry. During the past year seven students attended the Joint Wesley Foundation Retreat at Camp Sumatanga near Gadsden. We sponsored an evening worship service with Bishop Larry Goodpaster for promotion purposes. Our students have been active in mentoring community youth as well as tutoring them. Every Wednesday while school is in session Bible study is held on campus. During the spring season Friday fellowship luncheons are held with various board members speaking to the students

Other activities include:

- a campus prayer breakfast
- high school visitation
- after game fellowship time.
- Mr. & Mrs. Wesley Foundation served as representatives during campus Homecoming activities.

Our goals are:

- increase board membership and support
- enhance recruiting ministry for freshmen and sophomores
- increase funding for adequate budget
- host to incoming new students
- Habitat for Humanity involvement
- conduct retreat for community youth
- acquire a full-time director

Evangelism Empower students with the Holy Spirit which contains all things necessary for salvation. Students, faculty and staff will be received with compassion. They will be

taught biblical principles with passion and excitement through an environment of study and fellowship. It is through sanctification that renewal of our fallen nature by the Holy Spirit, received through faith in Jesus Christ, whose blood of atonement cleanse from all sin; whereby we are not only delivered from the guilt of sin, but are washed from its pollution, and saved from its power.

Community Outreach We will mentor and tutor youth in the community. While we help develop young minds for productive citizenship, we will also lead them to a Christian life. Through grace, they will love God with all their hearts and to walk in his holy commandments blameless.

We will maintain our focus on service to God as a group and work together in unity for the cause of Jesus Christ. We will also perform neighborhood cosmetic projects.

University Relations - We will recruit participants for Wesley Foundation through outreach at high schools and churches. Our recruiting efforts will bring in new students for Tuskegee University. We also will assist in the university goals and aims of improving life at the university.

Facilities - We are in the process of communicating our need for a university owned property that will meet our needs for Bible study, fellowship, special events, and clerical work. The property is located at 1502 Franklin Road, Tuskegee, AL.

WESLEY FOUNDATION

ALABAMA STATE UNIVERSITY

Metropolitan United Methodist Church and the Montgomery/Prattville District are currently providing initial leadership for the Foundation. Students have been meeting on campus at ASU since the latter part of January. There are about 25 students that are affiliated with an average weekly attendance of 15-17 students. Ross Bettis, a member of Metropolitan, is serving as director. His name will be presented to the Bishop for consideration as a part-time director. Ross teaches mathematics at Sidney Lanier High School in Montgomery. There have been several members of Metropolitan that have served on a committee to help organize the ASU Wesley Foundation. This committee has established a constitution and by-laws. They have also been instrumental in securing current operating funds and developing a vision for future funding.

Alabama State University has a student body population of 5100. It is our hope to attract a good number of these students. ASU does not have a university chaplain and there is no other denominational group present on campus. Metropolitan has seven faculty members at Alabama State University that want to participate in getting students involved in the Wesley Foundation. Dr. Bill Calhoun has been very supportive and desires to see the ASU Wesley Foundation become a district apportionment item. We will be the only Wesley Foundation in the Montgomery/Prattville District. The ASU Wesley Foundation is operating off funds provided through the district office that were a carry over from an earlier ASU Foundation. Dr. Calhoun will be retiring in June, but we are very pleased to know that Dr. Larry Bryars will be the new District Superintendent. Larry offers a great deal of hope for the ASU Wesley Foundation and the Montgomery/Prattville District. In addition, Metropolitan will place the Foundation in its annual budget which we believe will be a substantial amount. The church realizes the benefits of partnering with the Foundation in hope of appealing to more young adults. Also, we want to promote one grand fund raiser for the ASU Wesley Foundation. Furthermore, we are requesting from this board to be included in the 2002 funding cycle. Any assistance in 2001 will be greatly appreciated. The ASU Wesley Foundation was previously part of this board's budget.

Auburn State University Wesley Foundation has the potential to become a major model of ministry within this annual conference. Thank you for all of your assistance in making this happen.

WESLEY FOUNDATION

UNIVERSITY OF WEST FLORIDA/PENSACOLA JUNIOR COLLEGE

The Wesley Foundation at the University of West Florida and Pensacola Junior college are predominantly commuter campuses which make ministry challenging. We have experienced hurdles in getting students to become active in the traditional campus ministry format. We found that many students commutes an average of 50 miles round trip between home and school with an additional ten or more miles commute to work. After surveying the problem of effective ministry on commuter campuses utilization of enterprising and imaginative methods were developed. Below are the various outreach ministries used to reach students.

“E-mail Bible Study” Presently we have 75 students actively involved

“Do Drop In” Private one-on-one chat/counseling sessions with students upon request

“Mid-Week Mid-Day Praise Break” Prayer, scripture, testimonies and group discussions

“Bread Ministry” free day old bread & pastries are made available to students

“Job Information Referrals”

Information that may lead to part-time employment for students

“SWAT-ITP/Saints With A Testimony/Intercessory Prayer Team” Student’s prayer requests

Like our Lord and Savior we don’t want to see anyone (student) left out. Therefore, we developed additional ministries to reach another segment of students. The ideas below was developed in the fall semester, with implementation in the spring semester (January 2001).

“Spring Semester 2001 Welcome Party” A Contemporary Christian Rap Group provided music and a variety of snack foods, drinks, and desserts were served.

“Tape Ministry” Bible Study and sermons are available for commuter students.

“Monthly Group Worship & Fellowship Meal” Four churches are selected each semester to host our group worship. Group worship introduces out-of-state students to our local churches. We have found that the monthly group worship allows congregants to interact with students and allow students to share in the worship via scripture reading or singing/playing an instrument. A fellowship meal follows the worship. This activity allows students and church congregants to fellowship and bond.

“Wesley 12th Grade Ambassadors” These students will be allowed to participate in one Monthly Group Worship & Fellowship Meal, e-mail devotionals and Spring Beach Retreat. The goal is to plant the seed of Campus Ministry into the hearts of our high school seniors before they start their higher education journey.

I am happy to report that the efforts and progress of our unit is made possible due to cooperation, in kind, financial and spiritual support from the district churches. The District United Methodist Women and Men groups assist with all social activities. St. Luke UMC provides office space and St. Mark UMC provides tape duplication service.

We continue to address financial support throughout the district and have asked our churches and various groups to make a stronger financial commitment to the ministry. We have many areas that need growth and improvement, yet we are excited and thankful for the blessings that has been received.

WESLEY FOUNDATION

UNIVERSITY OF SOUTH ALABAMA

The Wesley Foundation of the University of South Alabama has continued to grow this year. Though we have not seen a staggering growth percentage we have maintained our size and depth while losing key student leaders. We will be concentrating our efforts to welcome into the Foundation larger numbers of students as our visibility and program space problems are being corrected. We have over 100 students on our roll and are seeing 60-70 percent participation. We will be taking six to seven students to Quito, Ecuador in May. This will be helping to restore day-care centers. We have and will continue to be active in the Mobile community and the Alabama West Florida Conference through such activities as Mobile Inner-City Mission, Habitat for Humanity, Disaster Response and various other causes in association with other campus organizations.

We are working to establish a small group ministry as well as strengthening our community growth. Our overall goal is to provide a well rounded ministry to students that meet their needs and encourage them to grow spiritually.

Land & Building

The Board of Directors of the Wesley Foundation of the University of South Alabama is pleased to announce that we are scheduled to close on just over two acres of property on March 23rd.

We have retained the services of Denson & Reed Marketing, Inc., to assist us in a capital campaign with a goal of one million dollars. We will be meeting with CFA on March 12th to request permission to raise funds conference-wide without apportionment to local congregations. The campaign is designed to last no more than two (2) years.

Our plan is to approach interested individuals and churches as well as area foundations to assist us in the purchase of the property and to build a student center. The Mobile District has agreed to co-sign a loan through the United Methodist Development Fund in the amount of \$450,000 to be paid in monthly installments for a period of ten (10) years. Funds generated through our campaign will be directly applied to the elimination of the debt. We have just over \$50,000 in our building fund to be used to make monthly installment payments until our campaign is in full swing.

Finances

The Board of Directors had a comprehensive review of our books for 1998 and 1999. The audit was completed and he found that everything was in order. We will be going to on-line banking and bill paying within the next couple of months as well as the use of computer software for the maintenance of account information.

We had a shortfall of just over \$800 for the year 2000. Thanks to a small reserve we were able to cover all of our debts. USA Wesley Foundation serves students primarily from our conference, the gulf coast, and the southeast. We believe that we have a vital ministry with tremendous potential. We need churches and individuals willing to invest in the United Methodist ministry to and from our students. We have a 30 member Board of Directors who do a fantastic job of oversight and really care about the ministry we represent. It is our view that we are stewards of financial and other resources at our disposal. It is our hope that campus ministry does not get lost in the shuffle of all the other fine ministries and investments of our conference. Thanks.

To often we take one another for granted, maybe even expect support and complain too much about our lack of resources. It stems from frustration about seeing potential and not having resources to achieve that potential. But, I want to thank those who have contributed to the Wesley Foundation of the University of South Alabama.

First of all, thanks to all the churches who look down at the bottom of your apportionment sheets and give generously to Campus Ministries.

Thanks to all the United Methodist Women. You support us by preparing lunch every Thursday and providing money from your organization to support our programs. Thank you for all the invitations to speak at your circles and the encouragement you so graciously give.

Thank you to the churches, missions committees, and mens groups who go the extra mile and either support us directly through advance special giving.

To the ministers, lay folk, and board members who give graciously of their time, talents and resources to make campus ministry part of their life.

Finally, to my Board of Directors who have been working tirelessly to support the upcoming campaign and the on-going ministry, my heart-felt thanks.

UNIVERSITY OF WEST ALABAMA WESLEY FOUNDATION

PROPOSAL

As the Conference Board of Higher Education begins to initiate another talent fund drive, we at UWA have many areas where we could use this potential surge of funding. Below are listed reasons why we desire consideration for receiving these monies once the fund is established and ready for dispersal.

1. Most all of the smaller units are under funded. UWA is no different. UWA also is the smallest school as far as number of students attending. However, our list of events and various ministry opportunities are in line with other units whose university populations are grossly larger than ours.

2. Due to the nature of UWA, there is not a large alumni base in the university much less the campus ministry. Since its organization in 1963, UWA Wesley has only 149 alumni on its data base. Because of the transitional nature of Wesley Foundation leadership throughout the years, the alumni have never truly “gelled”. Thus, we do not have any significant line item in our budget for alumni support.
3. With UWA existing in an extremely rural area with many “small membership churches”, there isn’t any large church(s) making great contributions to our ministry. We are definitely thankful for the faithfulness of our smaller churches but it does not fully meet our needs.
4. Although we have made tremendous progress in the past five years, the director’s salary and benefits are still below a national average of income for a bachelor’s degree much less a master’s from seminary. To continue having quality leadership in the future, we need to assist in this area. (The current salary is \$18,900 and \$870 for insurance).
5. The UWA unit must make major decisions in repairing a building suffering from settling and structural damage. However, we sense a need to grow as well and are pursuing the addition of a new wing for student housing.

We believe UWA has offered a viable and dynamic ministry to college students. The potential is even greater in the upcoming years. We are limited however in supporting the leadership and must also deal with the building issues we can no longer put off. We thank you for considering our request and pray for the committee in its discernment process.

WESLEY FOUNDATION

UNIVERSITY OF WEST ALABAMA

The 2000-2001 year has served as a source of joy, challenge and change as we have faced the ebb and flow of ministries which ceased while others here birthed. Jesus told the parable of the wineskins as a reminder that we must approach Him freshly and with willingness to take on new wine. I believe He would say this to ministries as well as individuals. Thus, we have seen some wonderful changes which have also come with certain challenges. Below is a synopsis of our weekly and semester events. These are broken down into ministry program areas.

Receive:

I. Outreach events

- | | |
|--|----------------|
| A. Freshmen dinner | 20-25 students |
| B. Fall Kickoff | 30-40 students |
| (The first week of the semester has events every evening in order to draw in as many people as possible) | |
| C. Weekly lemonade/hot chocolate stand | on campus |
| D. Student visitation | |

II. Related to God

- | | |
|---------------------|------------------------|
| A. Worship (weekly) | 6-10 fall/25-35 spring |
|---------------------|------------------------|

(We dove-tailed into an inter-denominational worship event called Overflow. This has greatly increased our effectiveness ad ministry to students. A steady increase in numbers to all events has occurred since this summer.)

B. Ash Wednesday Service	20 students
C. Overflow planning meetings	5 students
D. Retreats	
a. Mini-retreat (fall)	5 students
b. Joint Wesley (winter)	2 students

III. Related to Others

A. Fellowship	
1. Study Break (spring/fall 2000)	7-10 students
2. Fellowship dinner (spring 2001)	10-15 students
3. Weekend activities	numbers vary
B. Intramural sports	10-15 students
(flag football, volleyball, basketball, softball)	

IV. Equip

A. Disciple I Bible study	
B. Freshmen Bible study	5 students
C. "The Rock" Bible study	5-8 students
D. Leadership	6 students/Spring 2000
(We took a tremendous hit by losing many student leaders to graduation and transfers. We ran without any formal leadership this academic year. They are in the election process and we have six positions being filled.)	

V. Send Out Missions

1. Summer Day Camp	3 student leaders (33 children)
2. Foster Children's Easter Egg Hunt	
3. Clothing Drive	
4. Food Drive (Lighthouse Movement)	
5. Disaster Response (Hale County Flooding)	
6. Mentoring/Tutoring	

Joint Ministry: Alabama Rural Ministry: We hired six college students, three from Auburn Wesley Foundation and three from UWA, to work with the summer ministry. A summer camp was begun that involved 33 African-American children ages 5-12. The kids were involved in VBS type activities with recreation, arts/crafts and tutoring. They also participated in various field trips. Three other students hosted the incoming home repair teams. We hosted 14 teams and repaired homes for 30 families. We expect to increase this number this summer.

Our local board is also pursuing two joint endeavors. First of all, the Wesley building is facing serious problems resulting from an improper foundation. Large cracks are found throughout. We are at a point where we must repair the structure. Secondly, the board is working to build a wing that would house up to eight students per year. The rationale behind this is to further the Wesley community, provide a christian atmosphere, and eventually to help with budget struggles. We believe God is stretching us and calling us to higher levels of ministry. As we prayerfully plan these challenges we solicit your prayers and support.

As always, I am thankful for the position I have been given and the opportunity to minister with college students.

BOARD OF EDUCATION**Report No. 1 – CHAIRPERSON**

During conference year 2000-2001 the Board of Education has experienced the same turmoil that the other conference boards and agencies have experienced. The change in the quadrennium, the change in district lines, and the change in the Standing Rules have been a lot to absorb in the course of one year. Fortunately, both the outgoing and incoming personnel have cared that ministries with persons of all ages continue to flourish in the Alabama

West Florida Conference.

As you will read in the following reports, the summer camping program continued to build on the successes of the quadrennium just past. The older adult one-day event that has become so popular in the spring at Jasmine Hill Gardens grew into a fall event at the Gulfarium in Fort Walton Beach, Florida. A magnificent children's Day held at Blue Lake in March led to a fun fall campout in October. Christian Education weekend, a mainstay in our program offerings, brought new insights into the Cokesbury curriculum changes that occurred this past year as well as inspiration to return home more of our committed to the educational ministries of the local church. We also continued to build our new commitment with the Cooperative School of Christian Missions. The dean of the school will come from the Board of Education in 2002. Plans were begun for a Family Campout to be held at Blue Lake in the spring of 2001.

Those of us who have left the Board of Education through all of the changes of the year just past do so with a sense of gratitude for the opportunity we had to share our gifts and abilities with the annual conference. To those who will provide leadership in the years ahead we offer our prayers, support, and good wishes. May God truly bless you as you seek to help all of us in the annual conference grow in our discipleship to Jesus Christ.

Rev. Libba Stinson
Immediate Past Chair

Report No. 2 – CHRISTIAN EDUCATION WEEKEND

Christian Education Weekend was held September 15-16 at Blue Lake with approximately 200 people in attendance. The theme was "A Time of New Beginnings." Mrs. Judy Phender, Christian Education Consultant for the United States Air Force, was the keynote speaker and inspired participants with her enthusiastic messages. Over 20 workshops were offered and were led by both professional and volunteer Christian educators in our conference. Mrs. Mary Jane Pierce Norton from the General Board of Discipleship also led two excellent workshops on ministering to the millennial generation and nurturing faith in the home. We hope those who participated in this event returned to their home churches inspired and equipped to enable others to come to know, love, and follow Jesus Christ.

Rev. Alecia Curtis Glaize
Planned Committee Chairperson

Report No. 3 – VISIONARY SUNDAY SCHOOL TEACHER CERTIFICATION PROGRAM

The Visionary Sunday School Teacher (VSST) training program was developed by the Sunday School Committee of the Conference Board of Education in 1994. The purpose of the program is to provide training to enhance the skills of the Sunday School teacher of all age levels.

The program calls for attending a beginning session consisting of two to three hours of training, then following prescribed requirements of selected readings, and attending local, district, and conference events. It is suggested that the candidate complete the program within a year. However, the uniqueness of this program is that a candidate can complete the program at his or her own timing.

During 1996, with the help of Cokesbury personnel, the committee revised the reading/video lists. In 1998, the committee revised the documentation papers so that they would be more "user-friendly."

The VSST committee will organize and staff a VSST training session anywhere in the Conference when there is a request. The committee will also provide mentors for candidates. Some of the churches in the conference are teaching basic sessions and enrolling new teacher candidates as an ongoing teacher-training enterprise. The VSST committee highly recommends this to the churches of the conference, and the committee is always ready to assist.

And may God continue to bless us in His service.

Report No. 4 – OLDER ADULT REPORT

Rev. Stephen McGucken was chair of the Older Adult Ministries Committee of the Conference Board of Education during the past quadrennium and served through June of 2000, after which he stepped down to concentrate on projects at his local church. Prior to leaving the committee he led two events and secured leadership for the third event held during year 2000.

The first of these Older Adult events was reported in last year's Journal -- the largest gathering of Older Adults in our area for a single day event! Approximately 300 Older Adults from all over the conference gathered at Jasmine Hill just outside Montgomery on April 13th for a day of visiting and worshipping. Special music was provided by "The Speeder's Choir" from Frazer UMC as well as by an acclaimed group, "Three-On-A-String." Dr. M.C. "Si" Mathison brought an inspiring message from the perspective of a very active "older adult".

Older Adult Assembly was held at Blue Lake May 15th-18th. After several years of growth, attendance this year was disappointing at just over 40, and the committee will address concerns about how to better publicize the event as well as the possibility of changing the format to reduce the number of nights and expense. Rev. McGucken was Dean, Dr. Syd Locke was the inspirational speaker, Charlotte Robinson and Judy Kingry were the music team, and Sarah Sheppard was volunteer coordinator for our afternoon options programs. (Sarah left this life in early 2001. She was an indispensable member of the Older Adult assembly staff and an inspiration to us all.) Banquet speaker was Rev. Will Berkner who wrote last year's theme book covering our Judeo-Christian history in literature.

The final Older Adult event of 2000 was held at the Gulfarium in Fort Walton Beach on October 26th under the leadership of Diane Lothrop. Almost 70 adults, primarily from the southern part of our conference, enjoyed the fellowship, the Gulfarium shows, and lunch.

We commend Rev. McGucken for the leadership he provided to our Older Adult Ministries and for the high standards he has set, and we thank Rev. Jimmy D. DuFriend for picking up the mantle of leadership for 2001 and into the future. We will continue the successful programs of the past and search for ways to better serve the growing population of "older adults" in our conference.

Report No. 5 – CHILDREN’S MINISTRIES

The Conference Children’s Committee had several exciting programs in the year 2000. We concentrated on three priorities:

- 1) to help with the Christian Education Weekend
- 2) to offer an overnight camping experience in the fall
- 3) to offer a Children’s Day at Blue Lake

Children’s Day was held at Blue Lake on March 4, 2000. We had a total of 704 in attendance. The purpose of this day is to provide a fun-filled day for elementary age children to discover Blue Lake. The children had opportunities to make crafts, go on nature walks, learn new songs, play games with new friends, eat lunch on the camp grounds, and experience an outdoor children’s worship service. The amazing success of this event continues to bless us all.

The overnight campout was held on October 27-28, 2000 with 205 in attendance. We had to turn away eight churches as we ran out of room. We filled both the Pinewood and Dogwood camps. The campers were introduced to Bible stories, vespers, recreation, canteen, crafts, bonfires, Blue Lake meals, nature walks, canoeing, pumpkin carving using Christian symbols, and lots of bug bites! This event continues to be blessed with wonderful volunteers who love camping and make it fun for everyone!

Members of the Children’s Committee also served as Deans for the summer camping program and helped with the Christian Education Weekend event in September. We look forward to designing more programming for all churches in our conference.

Report No. 6 – CHURCH FAMILIES MINISTRIES

Two main focuses of the Church Family Committee during the year 2000 were:

- 1) to secure committee members who have a passion for family ministries
- 2) to plan Family Retreat 2001

The first meeting in August was spent brainstorming possible additions to the committee, definitions of family ministry in the light of what churches need, and ideas for Family Retreat 2001. A budget was set, and a proposed theme was chosen, “Family Responsibilities: What Are Mine?” The retreat would be at Blue Lake, and the date was set for March 30 - April 1, 2001. By the second meeting in October, new committee members - people who cared deeply about family ministries - were in place. Brainstorming continued about a definition of family ministries. Dr. Wayne Perry was proposed as the leader of the retreat. Dr. Perry would be asked to conduct some sessions as parent/child sessions, while other sessions would be divided into separate leadership positions and tasks. It was agreed that a brochure about the retreat would be mailed during November, 2000, and January, 2001. After the October meeting, Dr. Perry was secured as the leader of the retreat. During the month of December, Ron Mashburn was secured as music director. The Family Committee plans to write a Family Ministries Mission Statement in January 2001. Once the statement is finalized, the committee will begin to see that it is put into action during the year to come.

YOUTH, YOUNG ADULT AND SINGLES MINISTRIES

Ministry with youth and young adults is flourishing. Replacing Katrina Keefer (in only August 2000) has been no easy task. The ministries already thriving in the Alabama West Florida Conference are due to the hard work and foundation Katrina achieved in her short tenure. Those ministries that continue include:

- **Leading Young Adults to Christ**, sponsored by the Board of Evangelism, was intentional in its efforts to reach as many churches as possible by holding the same seminar in two parts of the conference (August 23 & 24 in Pensacola, FL and August 24 & 25 in Prattville, AL). Rev. Ray Jones came to share information regarding reaching post-moderns for Christ today.
- **The Well**, a true Sabbath for youth workers, is a wonderful time of spiritual renewal in both September and April. Sponsored by the AWF Youth Worker's Fellowship, this twenty-four hour retreat rejuvenates the spirit and reaffirms the call to be in ministry with youth.
- **Energize 2000** was held September 23 & 24 with over 350 in attendance at Blue Lake. *days of lot* was the worship band, and Rev. Jack Kale was the speaker.
- **Exploration 2000** held November 10-12 in Dallas, TX is the bi-annual gathering of high school and college students interested in ordained ministry sponsored by the General Board of Higher Education and Ministry, Division of Ordained Ministry. The Alabama-West Florida Conference took 14 participants (8 youth, 6 young adults) and had a lengthy waiting list. One young adult has decided to begin seminary this fall and is looking towards ordination.
- March 3, 2001 was our annual **Ultimate Training Event** at Frazer Memorial UMC sponsored by the AWF Youth Worker's Fellowship. The day of work shops and worship covering topics related to youth ministry is for both youth and adults who work with youth. Rev. Allen Newton was the keynote speaker.
- CCYM participated in **SEJYMO** (Southeastern Jurisdiction Youth Ministry Organization) at Lake Junaluska March 9-11, 2001, representing our conference and serving on the design team for Convo 2002.
- March 31, 2001 marked the second annual **Confirm!** sponsored by the Board of Evangelism. Rev. Bill Pearce and Bishop Larry Goodpaster led young people in understanding what it means to discover, choose, and follow Christ. Stuart McMahan and his band created excitement as they led the crowd in praise and worship.
- **Spring Fling**, our annual retreat held this year at Laguna Beach Christian Retreat April 20-22, 2001, was a success with over 400 in attendance. The SEJ band *Kadasha* led worship music and brothers Robby and Rick McMahan walked us through the *BIG, BIG HOUSE* of God as we discussed Wesley's understanding of the faith journey. Small group leaders came from various conference campus ministries.
- **Youth Service Fund** raised significant funds (over \$2,500) this year to distribute among ministries to and with youth related to missions.

The Conference Council on Youth Ministry undertook the revision of its Constitution and By-laws this year with hopes for improving its effectiveness in the future. CCYM also spent much time discussing ways to energize the districts to become more active locally and on the conference level. Future projects for CCYM include a leadership forum where two youth from every church/charge gather for three days to focus on becoming effective leaders for the church today and tomorrow, a conference mission project, an historical account of the year's activities presented creatively, and participation in the life of the larger church by actively serving on conference boards and agencies.

My overall vision for ministry within the Alabama West Florida Conference is one of unity. I would like to see all boards and agencies include within their work opportunities for youth and young adults to be part of the process of planning and implementing programs, assessing and addressing relevant issues, and contributing their perspectives to help strengthen the desire to reach young adults (August event) and its emphasis on confirmation (March event). They are also seeking a young adult representative for each district to help address specific concerns. The Committee on Ethnic Local Church Concerns is devoted to youth ministry within the local church. Plans are underway to support churches in the establishment of youth programs. I encourage others to follow suit.

Dreams I have for the Alabama West Florida Conference Youth and Young Adult Ministries are being realized. Working in conjunction with the Office of Church Relations at Huntingdon College, our first class for the **Youth Ministry Academy** begins fall 2001. Persons from across the conference will receive tools that equip them for United Methodist ministry with youth.

Plans are in full swing for **Connection 2002: Come to the Water**, a gathering of United Methodist Youth Workers to be held January 23-27, 2002, in Panama City Beach, FL. How exciting to be the host conference for such an important event in the life of our church! I invite you to be part of the excitement by supplying your prayers, your presence, your gifts, and your service.

Campus ministry has exploded this year and continues to expand as we look towards full time directors for existing and new Wesley Foundations. Rest is needed for the leaders of these vibrant ministries. A **Campus Ministry Director's Retreat** is forthcoming as a means for directors to recharge their souls in order to continue their important ministry with our college students.

Combining youth and young adults, another vision on the horizon is a **Citizenship Seminar** that addresses issues facing society and the world today from a christian perspective by giving persons the opportunity for open dialogue. Both high school students and college age young adults will benefit from this program as they begin to form their own world view.

The remainder of 2001 promises to be exciting. Please join me in celebrating our youth and young adults as well as guiding them along the journey we are called to travel together.

CONFERENCE BOARD OF CHURCH AND SOCIETY

As we begin a new quadrennium (2001-2004), your board has reorganized to be a link with the General Board through our Conference Council on Ministries to assist the local church to be in mission for Christ in their community. Your board is in the process of developing programs that will provide **“education and action on issues confronting the Church consistent with the Social Principles and policies adopted by the General Conference.”** (par.627) We are a voice of “advocacy” for the lonely, the least, and the lost. We are the voice of the “prophet” to stir our hearts to do justice, to love mercy, and to walk humbly in Christ’s love and mercy. The culture of the world would press us, the Church, to conform to it, but together our voice and life would encourage us as a conference to rise to the heights of Christ’s love. Our theological task is to think Biblically in a world that does not.

The issues that we will be working on with you in the next four years will support **The Bishop’s Initiative on Children and Poverty**. You will be learning about mentoring ministries; such as “Kids Hope U.S.A.” and “America’s Promise - The Alliance for Youth.”

THE BOARD OF THE LAITY**Report No. 1 – LAY LEADER**

The Board began this year with the Conference Council on Ministries Planning retreat in October at Blue lake with the visioning process for the new quadrennium with our new Bishop. The Board participated as a small group where we were to identify the conference strengths and weaknesses. The laity in general and their desire to do God's will were identified as strengths while partners in ministry with the clergy and accomplishing our mission of making disciples of Jesus Christ were identified as weaknesses. It was indeed painful to report our feelings on the weaknesses. Partners in Ministry has been the goal of the board for a number of years but many have felt it has not been as effective as it should have been. Some of the areas that we felt could be changed were discussed with the Bishop and we firmly believe that we will truly become Partners in Ministry in this quadrennium.

This year has seen many changes for the Board of Laity. Changes began with the change to Standing Rule 20 at the Annual Conference, which extended the tenure of the Board until December 31. This provided that both Jean Sublette and I have shared the leadership of the Board this year. The Annual Conference officially thanked Jean for her eight years on the Board, four as President of United Methodist Women and four as the conference Lay Leader. She has been a great Lay Leader and I certainly appreciate the help she has given me in the transition. This caused the new Board to coincide with the District realignment. Our new Board includes three new District Lay Leaders. Mr. Ed Hand of the new Baypines District, Mrs. Mary Edwards of the new Greenville District, and Mr. Don Lilly of the Marianna/Panama City District as the replacement for Mr. Glenn Bowmon who asked for the change due to his health. Glenn was an excellent Lay Leader who will be greatly missed. We wish him a speedy recovery and will keep him in our prayers. Other changes include Mrs. Dorothy Booker, Conference President of United Methodist Women, Dr. Steve Grice, Conference Director of Stewardship and Ms. Olivia Poole, President of the conference Counselor Youth Ministries. This seems like a lot of changes, even for a new quadrennium.

The National Association of Annual Conference Lay Leaders met in Nashville in February and established Laity Day themes for the quadrennium. The overall theme is again Partners in Ministry: All God's People - 2001 Setting the Table; 2002 Welcoming the Stranger; 2003 Telling the Story; 2004 Singing the Song and Living the Life. The General Board of Discipleship has been asked to facilitate resourcing the themes.

The 2001 Southeastern Jurisdiction Laity Conference will be held again this year at Lake Junaluska, N.C. The conference will begin with registration and lay leader training the afternoon of July 26 and conclude with a worship service at noon Sunday, July 29. The theme this year is "A Day of New Beginning With Jesus Christ." In addition to lay leader training, the weekend will include Bible Study with Dr. Ellsworth Kalas, the author of the study manual for christian believers: Knowing God *With Heart and Mind*, a new study that concentrates on the classical doctrines of the christian faith; the fantastic Junaluska Singers and sessions on Call to Discipleship and Evangelism by Dr. Bill Phares of the North Alabama Conference and Rev. Chris Buskirk and Dr. James Burskirk from Tulsa, Oklahoma. Participation is strongly encouraged as it is a wonderful weekend for all laity and especially for lay leaders.

The Annual Conference Laity Banquet for 2001 will again be held in the Frazer Memorial UMC Fellowship Hall. We are extremely fortunate this year to have Associate Justice Gorman Houston as your speaker and Mrs. Nancy Hastings Hornsby, who grew up in our conference as the guest soloist.

The Board of Laity looks forward to the visioning process of the conference and fully expects to become full time partners in ministry with our clergy.

UNITED METHODIST MEN

The Alabama West Florida United Methodist Men continue to strongly support the mission of the General Commission on United Methodist Men, "...to assist men to know Jesus Christ, to serve Him, to grow spiritually, and seek daily to do his will." There is no better proof of this than the support given by the men to the General Commission and its programs.

The conference UMMEN met for their Annual Spiritual Retreat at Blue Lake, January 19-20, with inspiring speakers Rev. Walter Albritton and Rev. Lawson Bryan. This retreat was enjoyed by 170 UMMEN. While the retreat was in progress some men created a special project for a covered, lighted walkway from the lodge to the gym at Blue Lake. Some funds were collected for the project at that time and are continuing to increase. Also an on-line prayer phone was set up during the retreat to receive prayer request from the Upper Room Prayer Ministry in Nashville, TN.

A Men's Ministry meeting has been planned for March 24, 2001 at Marianna, Florida. This will be the first Ministry meeting since the training session in Montgomery over a year ago. Another Ministry meeting will be planned toward the end of 2001 or the first part of 2002. The purpose of this ministry is to help build servant leaders for Christ.

A Bishop Scot Dinner is in the planning stages for this year in Montgomery. This meeting is to show our support for the scouting program and the participants.

Many of the individual men's organizations are collecting money for the hungry through the Society of St. Andrews by encouraging members to bring their loose pennies to each meeting.

UMMEN Congress, 2001 Odyssey, Christ's Men in the New Millennium will be July 13-15 at Purdue University. The Keynote speaker will be Dr. Tony Campolo and many other well known spiritual leaders. Workshops will be conducted by several familiar authors.

With the programs mentioned and many more we hope to increase the awareness of the importance of every man in the United Methodist Church to join or start a Men's Organization with their church. There is no better way of developing your stewardship responsibility than to become a active member of a UMMEN'S group.

Report No. 3**UNITED METHODIST WOMEN**

“The organized unit of United Methodist Womens shall be a community of women whose purpose is to know God and to experience freedom as a whole persons through Jesus Christ; to develop a creative, supportive fellowship, and to expand concepts of mission through participation in the global ministries of the church.” This community of women continues to maintain the specific purpose and work towards meeting new challenges in the 21st century.

With the new re-distracting of the conference, we were successful in getting officers for the new district. We worked hard to include all the counties represented in the new district. The District Presidents are: Betty Dean - Bay Pines; Becky Jordan- Demopolis; Marie Byrd -Dothan; Joyce Maddox - Greenville; Mary Jo Morton - Marianna/Panama City; Jewel Turner - Mobile; Glenda Bush - Montgomery/Opelika; Frank Bush - Montgomery/Prattville; and Linda Sherry - Pensacola.

“Sowing Seeds of Bounty” was the theme of Regional School in Blackstone, VA, June 21-25, 2000. The studies included: Paul’s Letters to the Corinthians, God’s People in an Urban Culture and Children of Africa. Members of the Conference Mission Team attended the school and told us of our conference’s beautiful display on the Children of Africa. The display included art activities for the participants, the Big Tree and other items of interest. Our Mission Team members returned from the Regional School and cheerfully planted their experiences throughout the nine districts at the Cooperative School of Christian Mission at Blue Lake.

At the Blue Lake Assembly Grounds, July 27-30,2000, the Cooperative School of Christian Mission followed the theme “Sowing Seeds of Bounty” for each of the three studies which were taught by teams of two. Spiritual Growth Study: Paul’s Letter to the Corinthians - Rev. Ted Peterson and Rev. Robert Spicer; Geographical Study - Children of Africa - Ruth Ann Powers and Sue C. Johnson; General Issues: God’s People In An Urban Culture - Dr. Audrey R. Milo and Barbara Strauss.

Our 28th Annual Meeting held on October 6-7, 2000 at Blue Lake Assembly Grounds focused on the theme, “God’s Mission in the New Millennium.” It called us to seek new ways to faithfully answer the gospel call to mission in the 21st century. How can we as United Methodist Women, individually and corporately make the necessary preparations and adaptations for mission in the ever-changing world—and how can we as inheritors of the Purpose, which is essentially the same as it was more than a hundred years ago, listen, learn and be inspired to discern God’s spirit in an ever-changing world? Hopefully we can begin this journey. Ruth Daugherty, Secretary of the General Commission on Christian Unity and Interreligious Concerns was our keynote speaker. It was a great weekend and the music led by Rick and Heidi Branch from the First United Methodist Church in Pensacola, FL was excellent. The total attendance was 351.

A Leadership Training Event was held at Blue Lake on November 11, 2000. Sue C. Johnson, Executive Secretary for Leadership Education, led the training event for district and conference officers.

Leadership training was held in St. Louis, MO on November 17-19, 2000. This training allowed the newly elected conference officers to receive training in their respective conference positions. Five newly elected officers from the Alabama West Florida Conference attended this event.

“Young Women, Rise Up!”, was the theme of the National Gathering of teens and

College/University Women in United Methodist Women, at St. Charles, IL on December 28-31, 2000. The thrust of this one-time National Gathering of Teens and College/University Women is to generate and sustain support, interest, and momentum for the emerging programs with teens and College/University women in the organization of United Methodist Women. Our conference was represented by four teens, two college women and three adult leaders.

The Spiritual Enrichment Retreat was held March 23-25, 2001 at Blue Lake. Our theme "A Journey in Song: Lenten Reflections on Hymns by Women" is also the title of our Retreat Leader, Joyce D. Sohl's book. Joyce is the Deputy General Secretary, Women's Division, General Board of Global Ministries. Our musician was Nell Chance, past president of UMW and the song leader, Nancy Deabler who has been an active UMW member for 24 years.

"And the Beat Goes On!" was the theme of our fourth Conference Mother-Daughter Day, which was held on April 21, 2001, at Blue Lake Assembly Grounds. Our worship leader for this one-day inter-generational event was Rev. Libba Stinson.

As United Methodist Women, we are continuing the journey, ---making the necessary preparations and adaptations for mission in this every-changing world.

LAY SPEAKING MINISTRIES

We began the new century with a new name. We are now officially called the Lay Speaking Ministries. This new name more clearly represents the scope of the ministry. Our emphasis includes all forms of lay ministry and church leadership, including pulpit supply.

The 2000 Training Event was truly blessed. This was our twelfth annual event and was held at Blue Lake Assembly on May 4-6, 2000. The Basic Course and four Advanced Courses were offered. For the first time, the Basic Course and one Advanced Course were offered in Spanish. We had our highest attendance and our largest Basic class at this event. District level training events have been held in the following districts: Troy, Dothan, Selma, Demopolis, Montgomery and Pensacola.

The Thirteenth Annual Training Weekend, May 4-6, 2001 promises to be an exciting one. We are planning to have three sections of the Basic Course and will offer the Basic Course in Spanish. We feel that smaller classes will encourage participation and bring opportunities for sharing. We will teach the following advanced courses: "Lay Speakers Preach", "Lay Speakers are Servant Leaders", "Lay Speakers Lead In Worship," "Teaching the Basic Course With a Spiritual Attitude", and "Lay Speakers Interpret To Others Our United Methodist Heritage" (Spanish Only).

The various districts will lead worship with lay speakers from the district participating in the services.

Working toward our goal of improving understanding of the ministry, we participated in the Board of Laity's display at Annual Conference in 2000. Our display focused on the many aspects of service and leadership for lay speakers. We plan to have a display at the Annual Conference 2001. Lay speakers are involved in leadership roles throughout the church and community. Another area of service for lay speakers is caring ministries. These include Prison Ministry, Nursing Home Ministry, Hospice Volunteers and many others individuals feel called by God to do. Communicating our faith takes many forms, including filling empty pulpits. We will actively support the Every Church Open Every Sunday (ECHOES) initia-

tive. This ministry offers every church the opportunity to have services every Sunday through the use of Lay Speakers. We also place emphasis on communicating faith through daily living. Our own commitment to spiritual growth and credible living is the basis of our effectiveness as ministers for God. The training offered to lay speakers focuses first on Gods calling them to ministry (Basic Course), and then on the many areas of services through the Advanced Courses. It is our desire that the perception of the Lay Speaking Ministries be broadened to include all areas of the ministry.

The Lay Speaking Ministries of the Alabama West Florida Conference were represented at the annual SEJ Lay Speakers Workshop in July of 2000. The workshop was held at Lake Junaluska. A high point of this event was the presentation of a plaque to Mr. Collier Martin in appreciation of many years of service and dedication to the Lay Speaking Ministries on the district, conference and jurisdictional levels. Our conference provided instructors for the Basic Course. Our Conference Director serves as Treasurer of the SEJ Association of Conference Directors of Lay Speaking. We also were well represented at the National Association of Conference Directors of Lay Speaking meeting at Scarritt Bennet Center in Nashville, TN in late January 2001. Our conference also provided instructors for the "Introduction Partners in Ministry" seminar at this conference.

The majority of the responsibility and the work done to support the lay speaking ministries is done by the nine (9) districts directors and their committees. These directors are the record keepers; they plan training events, develop service options and provide local support. They are also the heart of the conference committee. Their efforts enable the Conference Director to function successfully. Several districts are planning special events for the year 2001 and it promises to be a challenging and exciting year. The District Directors are:

We are grateful for the continuing support of our Bishop, our Cabinet, our Council on Ministries Director and Staff, the Conference Lay Leader and Board of Laity, and the Director and Staff at Blue Lake Assembly. COMMISSION ON ARCHIVES AND HISTORY

Report No. 1

Archives And History Commission

The Commission on Archives and History has many challenges ahead for the quadrennium just entered - challenges for which we pray we can meet.

Available space for new acquisitions in the archives and Information Center (aka Depository) located within Houghton Memorial Library at Huntingdon College is critically low. Some recent acquisitions remain in shipping boxes.

As background as to the scope and vitality of the Archives Center, permit a brief digression.

On August 3, 1976, just two days before his death, the records created and accumulated by the Reverend Franklin Shackelford Moseley, were transferred from his home in Eutaw, Alabama to Huntingdon College in Montgomery, Alabama to establish an archives depository for the Conference and the college under the leadership of Dr. R. Glenn Massengale. At this time the Reverend Moseley was the historian of the Alabama-West Florida Conference of the United Methodist Church and Dr. Massengale was Director of the Houghton Memorial Library and also a pastor in the Alabama West Florida Conference. An agreement between the Conference and the College was reached whereby the college would provide the space and the Conference would provide the staff and equipment to administer the depository. Dr. R. Glenn Massengale was named the Conference Archivist/Historian and supervised the depository on a volunteer basis. Mary Ann Pickard was employed to assist him and took training in archive administration. She became a member of the Academy of Certified Archivist in 1989. Upon Dr. Massengale's retirement in 1986, Mrs. Pickard became the Archivist and Depository Administrator.

The mission of the Archives and Information Center is to serve as the institutional memories of the college and the Conference as well as to play an important and vital role in the management of their respective information resources. It identifies, acquires, and maintains records of enduring value, which document the history of the institutions - the conference from 1832 and the college from 1854.

In August of 2001 the Center will celebrate its 25th anniversary under the management of a part-time, as she refers to herself, "lone arranger."

At age 25, the Archives Center has reached a critical stage in its development. It needs more space and staff. For its part, Huntingdon College is actively pursuing grants to fund the cost of making an unfinished room in the basement of the library into a workroom for the depository and for replacing the shelving in the vault with compact mobile shelving. By removing unprocessed records and supplies to the work room and having more shelving space available, the capacity of the vault will almost double. For its part the Conference Commission on Archives and History has asked and received from the Conference Council on Finance and Administration additional funds to hire an administrative assistant for the Archivist and required supportive equipment.

As the current Archivist is nearing retirement, additional funds will be required to elevate the salary for that position to a level where a professional individual with the necessary education and background can be attracted and subsequently hired.

On other fronts, the long-awaited history of the Conference being pursued since 1993 has hit another stumbling block. It is the prayer of the Commission that this project will be back on track - a faster one - and well on its way to completion this quadrennium.

The Commission is also continuing to provide clergy grave markers to the families of our deceased brother and sister pastors. The cost for these bronze markers obtained from Cokesbury, has been steadily rising over the years and funds to purchase are not always available in the budget. The Commission, in the past, has sold old issues of the Journal and other books to help pay for these markers. We have also had to ask other boards to assist, but as the families continue to report back to us their appreciation and love for this gesture, the

Commission will continue to find a way to provide this small token of our appreciation for a life committed to our Lord.

The Commission, “in one accord” asks for your prayers and assistance as we labor in the fields of ministry together.

Many more records were received during the year 2000, mainly district superintendents' copies of quarterly conference records. However, these records have not been processed because of the crisis that has developed with the depository. There is no more space and the workload is too much for one person who is employed only part time. The Commission on Archives and History is facing this crisis. One of the main additions to the membership of the commission is a representative from Huntingdon College. When the new commission was formed for the quadrennium, Rev. Linda Vance with the College Department of Church Relations was appointed to be this representative. The College is concentrating on writing grants to get funds for completing a large unfinished room in the basement of the library as a workroom for the depository. The Commission is concentrating on getting additional staff and equipment for the depository.

OTHER ACTIVITIES: I continue to manage the depository on a daily basis as a "lone arranger" administrator and am my own secretary. I am accountable directly to the Commission on Archives and carry out assignments given to me. At the last meeting of the 1997-2000 Commission, Bishop Morris suggested that that periodically our Personnel Records Policy, which was first created and published in the 1987 Journal, be reviewed and published in the Journal. The policy is included as "2001 Report Number Three" for the Commission to be published in the 2001 Journal.

As in years before, I again express deep appreciation for having the opportunity of serving in this ministry--a ministry I enjoy very much.

PERSONNEL RECORDS POLICY

(The first constitution of the Commission on Archives and History was approved at the Annual Conference Session May 24-27, 1987, and published in the Journal on pages 293-298. The Personnel Records Policy is bylaw #1. Also refer to paragraph 606.9, *The Book of Discipline*, 2000).

The records created by the conference agencies related to ordination procedures, employment of personnel, ministers' appointments, and all other personal matters are the property of the annual conference and are governed by a policy on personnel records. The Alabama West Florida Conference accords the protection of privacy to persons--both ministerial and lay (henceforth referred to as the referent) who are employed or appointed by or within said conference.

- by providing a written conference policy.
- by notifying persons of their privacy rights, and
- by establishing retention schedules for the disposition of personnel records.

No one shall have access to nor will the conference disclose any information from referents' records without the written consent of the referent except the following:

- authorized personnel within the annual conference,
- officials of other annual conferences with permission granted by the Bishop of the Alabama West Florida Conference,
- persons in compliance with a judicial order only after the custodian of the records receives permission of the bishop, and
- authorized persons in an emergency order to protect the health or safety of referents.

Within the annual conference only the persons designated below have authorized access to personnel records:

- The referent and the referents legal representative after his or her death;
- Designated members of the Board of Ordained Ministry for records collected in the process of meeting the requirements of ordination. Retention schedules and the disposition of these records include guidelines from the Board of Ordained Ministry;
- Designated members of the Board of Diaconal Ministry for records collected in the process of meeting the requirements of consecration and certification. Retention schedules for the disposition of these records include guidelines from the Board of Ordained Ministry;
- Designated members of the Personnel Committee of the Conference Council on Ministries for records pertaining to lay employees;
- The Board of Pensions in regard only to retirement benefits;
- The conference secretary;
- The Bishop; and
- The district superintendents.

At its discretion the conference may provide and keep as public records in its depository the following data:

- Genealogical information including name, birth date, place of birth, parents' names, date of marriage(s), name(s) of spouse(s), names of spouses' parents, names of children, their birth dates, dates of marriage and names of spouses, ethnic origin, sex, death data, wills, and other genealogical data of public records;
- Educational degrees and continuing educational units'
- Records of conference relations, appointments, and other significant positions in Church and Society;
- Published information and other public records (newspaper clippings, honors, certificates, community service records, etc..c).

Let it be known to all that the referent has the right to inspect and to review information in his or her personnel record, to inform the custodian of the records of corrections or amendments, to have a hearing with the conference Committee on Records, if the referent is not first satisfied, and if the hearing is unacceptable to the referent he or she may submit explanatory statements for inclusion in his or her files.

The chairperson of the Conference Committee on Records is designated by the conference to coordinate the inspection and the review procedures for all personnel records which include those of the Board of Ordained Ministry, the Board of Diaconal Ministry, lay personnel employment records, district superintendents, the Bishop and Board of Pensions.

Referents may not inspect and review confidential letters and recommendations associated with ordination procedures, appointments, employment or job placement, or records con-

taining information about more than one person, in which case access will be to the part of the record pertaining to the inquirer.

Revisions and clarifications of this policy will be published as experience with the policy and conference actions warrant.

PASTOR'S ASSEMBLY

Pastor's Assembly 2000 was held at Blue Lake Assembly Grounds, September 18-20, 2000, *The Pastor's Life* was our theme. Our faculty included Bishop Larry M. Goodpaster, Dr. L. Gregory Jones, Dean of the Divinity School and Professor of Theology at Duke University, and John and Carol Cotton Winn, Directors of the Center for Pastoral Effectiveness. Attendance at all sessions was so large that we were forced out of the chapel and into the gym. Additionally, the Reverend J. Michael Bryan led us in a praise service on Tuesday evening. The Bishop's address on Monday night was a time in which we all began to understand his approach to forming a vision for the Church in the Alabama West Florida Conference. The highlight for many was the panel discussion which involved all four of our leaders.

Our theme for the 2001 pastor's Assembly will be *Conflict Resolution*. We have invited Edwin Chase and Dr. Cain Hope Felder to be our faculty for this year's assembly. Bishop Goodpaster has agreed to be in attendance again this year and to be our preacher.

Again, our District Superintendents have expressed an interest in having all pastors in the conference attend. Therefore, anyone needing scholarship assistance can contact their district office.

COMMISSION ON EQUITABLE COMPENSATION

It is the purpose of the Commission on Equitable Compensation to support full-time clergy serving as pastors in the charges of the annual conference by: (a) recommending conference standards for clergy support; (b) administering funds to be used in base compensation supplementation; and (c) providing counsel and advisory material on clergy support to district superintendents and committees on pastor-parish relations.

The Book of Discipline, 1996 (622.2)

In keeping with the purpose stated above; the Commission of Equitable Compensation has established the following guidelines for its work of supporting ministry in the local churches of our Annual Conference. In extraordinary or special situation, exceptions to these guidelines may be made by the Executive Committee of the Commission.

1. Only full time pastors who are full connection, probationary, associate, seminary students, full-time local pastors, student local pastors, and retired pastors (as specified in paragraph 2) are eligible for equitable compensation support. These pastors must be certified by the Board of Ordained Ministry, approved by the Annual Conference, and appointed to a church or charge. Each pastor who is in good standing and who is appointed by the bishop to less than full-time service is eligible for Equitable Compensation in one-quarter increments. No associate or supply pastor shall receive salary support from this fund.
2. To receive fully scheduled equitable compensation for the minister's category, the church must pay 80% of the equitable compensation for 2001, except as defined in paragraphs 8-12 of this report.
3. The amount of equitable compensation a minister is eligible to receive is based upon the total of his/her salary, travel allowance and utilities and other approved church related allowances.

4. No minister of any classification shall receive aid from the fund if he/she receives income from any other church source, if the income, plus salary from the charge he/she serves, is more than the equitable compensation, except as approved in paragraphs 8-10 of this report.
5. No person qualifying for equitable compensation which amounts to less than \$100 per year will receive any equitable compensation. The Commission expects the local churches to take care of that amount.
6. We recommend that no minister serving outside the bounds of the Alabama-West Florida Conference be eligible to receive equitable compensation unless there is no appointment available for him/her in the Conference and he/she is assigned by the Presiding Bishop to an appointment outside the Conference, or unless it be a special appointment by the Presiding Bishop. Appointment for the convenience of the minister shall not be considered sufficient reason to receive equitable compensation aid.
7. The Commission on Equitable Compensation recognizes there may exist from time to time certain situations within our Conference where special funding consideration beyond the stipulated requirements may assist a church to become self-sustaining more quickly. In such situations, a supplement, determined by the Commission on Equitable Compensation, above the regular equitable compensation, may be given the minister/ provided the money is available for the purpose. Normally no situation will receive this special consideration for more than three years. Such cases will be called Growth Potential Situations. In order to be considered, every case will be evaluated by certain criteria, such as: growth potential, leadership requirements, age of church, and indebtedness. The final determination will be made in consultation with the Board of Missions.
8. Ministers of newly organized congregations will be eligible for Equitable Compensation for five years based on the following schedule applied to the minimum compensation approved by the Annual Conference.

First year	120% of Equitable Compensation This pay period may be extended to adjust the pay period to the calendar year. In any case the pay period will not be less than 12 months.
Second year	100% of Equitable Compensation
Third Year	80% of Equitable Compensation
Fourth year	60% of Equitable Compensation
Fifth year	40% of Equitable Compensation

As shown there will be a 20% decrease each year with assistance ending after the fifth year. This schedule does not apply to churches presently receiving Equitable Compensation as a "new church." The commission suggests to the cabinet that consideration be given to ministers with background in church planning and growth development.

9. In case of cooperative parish ministries or specialized ministries, the District Superintendent may recommend that the Commission on Equitable Compensation, in consultation with the District Board of Missions, give consideration to supplementing the salary of a minister/director or any associate director of a larger parish or specialized ministry even though the person comes under the benefits of equitable compensation, without any reduction in the equitable compensation support.
10. The Commission on Equitable Compensation recognizes that there may exist from time to time hardship cases, which should be considered for financial assistance. Sensing a need for such assistance for a charge, the District Superintendent should assess the situation, hold the Charge Conference before the November meeting of the Commission on Equitable Compensation, and present the findings of the Commission upon whom rests the final decision.
11. To motivate churches toward the goal of total pastoral support, the Commission proposes to give the ministerial 60% of an salary increase above the amount currently paid by the church after minimum support required for his/her category has been reached. This would apply to the charge which he/she is presently serving at the beginning of the payment period, January 1. This supplement will be based on the yearly increase of the minister's

- salary. The commission recommends that the cabinet consider this cumulative amount as part of the salary when appointment is made to another charge. The actions of this paragraph do not apply to newly organized congregations as defined in paragraph 8.
12. The Commission recommends that all charges receiving equitable compensation assistance develop and continue a program with a goal to eliminate dependency on salary supplements for their pastors. The Commission further recommends that no charge be eligible to receive equitable compensation for more than 10 consecutive years (beginning June 1998). An annual report of this program shall be submitted through the District Superintendent to this Commission.
 13. The District Superintendents are required to review all equitable compensation situations in their districts to ascertain the necessity for such funds and whenever possible seek to reduce the need for this supplement. No charge shall receive equitable compensation assistance when divided unless the Small Membership Church Commission has surveyed and recommended, and the Commission on Equitable Compensation has approved the division. The Commission recommends that churches or charges, to be eligible for equitable compensation aid, should consist of a minimum of 100 members per charge, except in the case of a new church.
 14. It is the responsibility of the District Superintendents to follow the guidelines set forth by the Commission when recommending pastors for equitable compensation rules. Also, the District Superintendents shall be responsible for the accurate completion and submission to the Secretary of the Commission the forms provided by the Commission for this purpose. The secretary shall not issue check orders for equitable compensation funds until all criteria have been met. When the status of a pastor receiving these funds changes, the District Superintendents should immediately file with the Commission the changed status.
 15. The Commission requests that the Council on Finance and Administration recommend to the conference the estimated amount required to support the schedule of minimum salaries and salary supplements for the pastors, as adopted by the Conference.
 16. The Secretary of the Commission on Equitable Compensation shall file with the Assistant Secretary of the Journal for publication in the Conference *Journal* each year a report listing the payments from the equitable compensation fund during the year, giving names of the pastors and charges, and amounts paid to each. This report is to be made by June 30, following annual conference for the past calendar year.
 17. The Commission recommends the following Equitable Compensation Schedule for 2002. The figures are rounded to the nearest 0 or 5.

	Minimum Compensation 2002	Minimum Church 80%

THE BOARD OF COMMUNICATIONS

The Board of Communications is excited about the future of communications within the Alabama West Florida Conference. With the support and vision of our new Bishop Larry M. Goodpaster, the board is looking ahead with great anticipation of the opportunities the future will provide in the arena of communications. Earlier this year, the board launched the, What

You Need To Know subscription campaign for The Christian Advocate. The campaign included a special brochure and encouraged members of the Cabinet, as well as local churches to join us as we sought to raise the subscription levels of The Christian Advocate. We are extremely grateful to Bishop Goodpaster for his support and leadership in this campaign. Our appreciation also is extended to the District Superintendents, the Rev. Jim Carpenter and the conference staff, lay leaders, pastors, the United Methodist Men, the United Methodist Women, our own board members and everyone who had a hand in making this campaign a success. The Christian Advocate and the AWF Today newsletter continue to receive recognition beyond the boards of the Annual Conference. In January, both publications were honored during the United Methodist Association of Communicators Annual Awards Banquet in San Diego. The AWF Today newsletter received Certificates of Merit in the General Excellence, Editorial Content/Writing and Layout/Design categories. The Christian Advocate received Certificates of Merit in the General Excellence and Editorial Content/Writing categories. The board continues to examine ways to improve the publications, as well as other avenues of communications such as our web site, www.awftoday.org, to more effectively serve the United Methodists of Alabama and West Florida. The board also is extremely excited about the potential of the denominational Igniting Ministry campaign, which will launch nationally in September 2001. The media portion of the campaign includes quality television, radio, print and outdoor advertising. The television ads will be placed nationally on major cable television networks, but also are available to local churches, districts and conferences for placement. The other part of the campaign focuses on training churches to become more welcoming and discipline. The board is working with the bishop and the conference staff on the conference's participation in the Igniting Ministry campaign. Churches interested in learning more about the Igniting Ministry campaign may contact the Office of Communications at 334/834-3424 or by e-mail at awfcom@awftoday.org. Your Board of Communications is committed to fulfilling the communications needs of this annual conference. We encourage your continued support of this ministry as we face the opportunities and challenges that the future will bring. We welcome your input that will help us to make our ministry more effective. Any suggestions you might have can be sent to Alabama West Florida Conference Office of Communications, 1500 East Fairview Ave., Montgomery, AL 36106, by phone at 334/834-3424 or by e-mail at awfcom@awftoday.org. We would greatly appreciate your input as we seek to serve the Alabama West Florida Conference.

BLUE LAKE METHODIST ASSEMBLY TRUSTEES

Blue Lake Methodist Assembly continues to be a retreat and camping facility sought after by many. The successes for the year of 2000 are many. All of which are due to coordinated efforts and many expressions of love through sacrificial service by numerous volunteers, a hard working staff of full time and part-time employees, and much needed financial support generously given. All of this came together to make this past year another rewarding and successful year.

RESERVATIONS: It is becoming increasingly important for us to continually explain Blue Lake Methodist Assembly's reservation policy. Since there continues to be an increase in the number of individuals, church groups, and other organizations using our facilities we solicit your support in making sure that we all understand how important it is to follow our policies. These policies have been painstakingly created in order that as many organizations and individuals as possible will get a chance to come to Blue Lake. Also, the more that use our facilities the better the chance that we will be able to continue to keep our rates low. It is the policy of Blue Lake United Methodist Assembly that all who wish to reserve our facilities must pay a \$250.00 deposit. All reservations are considered to be tentative and subject

to be given to someone else unless and until this deposit is received. It is imperative that you schedule your activities as early as possible, including the paying of the deposit. One caution, if you have to cancel your activity for any reason you must do so 60 days prior to the start date of the activity in order for the deposit to be returned. In addition, we need to remember that Blue Lake Methodist Assembly requires your final personnel count two weeks prior to the start of your event. Please let us know if you wish to have a complete copy of the Blue Lake United Methodist Assembly Policies.

RATES: There are two rate schedules, Conference Rates and Standard Rates. The Standard Rates are higher than the Conference Rates and can be obtained by contacting Blue Lake Methodist Assembly. This is the third year for these rates. The Conference Rates are as follows:

Meals		Room Rate	
Breakfast	\$4.75	Oakwood I	15.00
Lunch	\$6.00	Private	25.00
Supper	\$7.00	Oakwood II (Linwood)	25.00

Children (10 years and under) one-half of the above meal rate. This half-price discount applies only to family related programs that normally take place at Oakwood.

Toddlers (18 months and younger are Free)

Picnics, \$2.00 per day per person

Recreation Vehicle/Trailer Park: \$10.00 per day for up to four persons per vehicle/trailer; \$1.00 per day for each additional person.

Family Reunions and non-conference activities are contracted separately. All rates are subject to change at the discretion of the Board of Trustees of Blue Lake United Methodist Assembly.

SUPPORTERS: Our records indicate that many persons, families, churches and organizations contributed in various ways to Blue Lake United Methodist Assembly. Along with our financial supporters, one of those ways has been to sponsor a Cabin, Building or particular room. We wish to honor all our 2000 supporters by listing them in our report each year and let them know how so very much we appreciate their continued support. Without this support Blue Lake United Methodist Assembly would have major difficulty.

With the help of your resources of time and money our consolidated efforts continue to make major strides in improving our facilities. Although several sponsoring groups/activities are doing great work to the various cabins in Pinewood and Dogwood. Special mention for the year 2000 are the sponsoring groups from Farm Hill United Methodist Church, youth and adult groups; Rosinton United Methodist Church and the Frazer Memorial United Methodist Church RVs In Mission Service. These groups put in many hours on their cabins and surrounding areas making them model sites for all others to emulate. We hope other sponsors will find the time to concentrate on their areas.

In conclusion, the Blue Lake United Methodist Assembly staff has worked hard to make our buildings and grounds a clean and safe place. We have just received our new 2001 inspection for our food service from the Alabama Department of Public Health and our lowest grade was a 93 and Pinewood Kitchen received the highest grade of 97. Blue Lake United Methodist Assembly is most fortunate to have such dedicated people who care deeply about their service to all those who attended functions in our facilities and on our grounds. On behalf of the Board of Trustees and each member of the Blue Lake United Methodist

Assembly Staff we wish to thank each of you for all of your support during the year 2000. We look forward to each and every opportunity given to us to serve you as we continually dedicate Blue Lake United Methodist Assembly to the glory of God.

ALABAMA-WEST FLORIDA UNITED METHODIST FOUNDATION, INC.

The Alabama West Florida United Methodist Foundation has been providing investment and financial administrative services to the local churches and agencies of this Conference for over 20 years. These fiscal services support and encourage long-term financial planning in our United Methodist Churches and institutions conference wide. The Foundation manages approximately \$38 million of permanent and reserve funds in over 300 accounts representing support for over 70 local churches, 56 scholarship funds, 15 cemeteries, the U.M. Children's Home, Homes for the Aging, Blue Lake Assembly, our United Methodist colleges and the list goes on and on. Through the many services the Foundation offers, we are encouraging good stewardship of our resources in the local church and at home.

One of the services being used is the availability of Foundation staff to meet with donors or donor advisors to provide guidance in the gift making process. These consultations are confidential and can provide invaluable information necessary to completing a planned gift such as deduction calculations and information on various gift tools. Throughout the year 2000 and into 2001 we have experienced an increase in the number of gifts being established by individuals and families to benefit long-term ministries. In 2000 there were 16 new funds established totaling \$1,103,346 and we have received five (5) more in this first few months of 2001 totaling \$709,900. What a joy it has been to be a part of something so meaningful and long-lasting. In addition to meeting with individual donors, the Foundation Director is available to present special programs and seminars on charitable giving and estate planning for your church or church organization. Many of the programs in the past year dealt with the establishment of an "Endowment Fund Program" in the local church. The Foundation assists the church through a series of steps/meetings and provides them with the documentation to develop guidelines and to administer endowment funds for the long-term.

Administrative services through the Foundation includes accounting and record keeping of all transactions of funds; annual audits and issuance of periodic statements to the donor or the church. All funds entrusted to the Foundation are managed in strict accordance with the guidelines and wishes of the donor and/or church body responsible for the gift. Use of the Foundation's services can benefit church staff by providing a central location of record keeping and accountability for ongoing management in light of changing boards and committees.

Investment Services of the Foundation offers professional investment management, diversification of assets and exceptional returns through our three "Common Funds". By pooling investment funds with similar objectives we can provide greater investment opportunities to all churches and donor trusts. Our investment managers are overseen by a third party consultant as well as the Investment Committee of the Foundation's Board of Directors. With all of our funds established to benefit ministry, we have incorporated conservative guidelines and United Methodist Church principles into our investment policy. All three of our Common Funds have outperformed comparable indices for the last five year and ten year time frames. With constantly changing economic and investment climates, fund management of these meaningful gifts has become a vital part of good stewardship.

All of the funds of this ministry are the result of team work with our Board of Directors, pastors, donors professional advisors, and countless United Methodists throughout the Conference who embrace the vision of building a strong financial foundation for ministry. We appreciate all who have entered into partnerships with the Foundation, strengthening our work for future service to this Conference. A special thank-you to our Board of Directors for their continuous commitment of time and resources to the United Methodist Foundation.

**ALABAMA WEST FLORIDA
UNITED METHODIST DEVELOPMENT FUND, INC**

The year 2000 was a record year for your United Methodist Development Fund in providing low cost loans to churches in our Conference. Nine (9) loans were approved in 2000 for a total of \$1,409,150 in financing. These funds were used for parsonages, new church buildings, land purchases and building renovations. In the first few months of 2001 we have already committed to four (4) churches for financing of approximately \$1,807,000. These loans are made possible by "Certificates of Participation" deposits from local churches, agencies and church members. We offer competitive rates of return and high liquidity of these deposits. We welcome new depositors and appreciate the faithfulness of those who have contributed to church growth and development through their investments into the Development Fund.

Any church or individual can invest in the United Methodist Development Fund accounts. Applications are available through the United Methodist Foundation office. Interest earned on the deposits may be mailed to you as frequently as quarterly or reinvested into the same.

Loans through the Development Fund are only offered on a first mortgage basis or by assigning assets already held through the United Methodist Foundation. The Development Fund does not charge points or closing costs for establishing a loan, however there are certain filing requirements. The Development Fund staff works diligently to respond promptly to the needs of the church and works as a consultant to determine the financial impact on the church of the debt amount. For information on rates and availability of funds please call Terri Truner at (334) 793-6820.

We appreciate the hard work of our Board of Directors and their commitment to providing the services vital to church growth in our Conference.

COOPERATIVE SCHOOL OF CHRISTIAN MISSION

The Alabama West Florida Conference Cooperative School of Christian Mission was held July 27-30, 2000 at Blue Lake Assembly Grounds under the sponsorship of the Alabama West Florida Conference United Methodist Women, the Board of Missions, the Board of Church and Society and the Board of Education. The Reverend Jamie H. Pickard served as Dean with one hundred and eighteen persons attending the school.

The theme for the 2000 School of Christian Mission was, "Sowing Seeds of Bounty", based on II Corinthians 9:6 where Paul's letter to the struggling church in Corinth tells of new Christians facing challenges dealing with diversity. Paul writes, "the one who sows sparingly will also reap sparingly, and the one who sows bountifully will also reap bountifully..."

The Spiritual Growth study, "Paul's Letters to the Corinthians" was led by the Reverend Ted Peterson and the Reverend Robert Spicer. The geographic study, "The Children of Africa" was led by Ruth Ann Powers and Sue C. Johnson. Study leaders, Dr. Audrey R. Milo and Barbara Stauss led the general issue study, "God's People in An Urban Culture". Adults teaching mission to children study group, "The Children of Africa" was led by Candy Spitzer.

Delbert and Sandy Groves, missionaries in residence from the General Board of Global Ministries shared their mission experiences at the school. They told of their work in evangelism and church development, local printing and medical dispensaries in the North Shaba Annual Conference, Democratic Republic of Congo, Africa where they served.

An International Gathering, that brought together elementary and Jr. High campers with the school participants for a cook-out and fellowship, was one of the highlights of the school. Fifty eight elementary campers and 44 Jr. Highs along with ten counselors attended the gathering.

The Bishop's Initiative: Hope for the Children of Africa was the designated recipient of the school's offering.

SOUTHEASTERN JURISDICTIONAL ADMINISTRATIVE COUNCIL

For the Administrative Council of the Southeastern Jurisdiction the year 2000 was a year of change and transition. A new Executive Director began in May and Bishop Robert Fannin, from the Birmingham area, finished his two years of service as President of the Administrative Council with Bishop William Morris, from the Nashville area, becoming President in December. David Snipes the Business Manager/Treasurer after eleven years of wonderful service to the Council resigned to return to his home in South Georgia.

The position of Director of Ministry was filled by Joy Carr, a diaconal minister in the Mississippi Conference. She had previously served as Director of Christian Education related to Annual Conferences with the Board of Discipleship and Associate Director of the Conference Council in the Mississippi and Tennessee Conferences.

Clyde McDonald, the North Georgia Conference Treasurer for 17 years, has filled the position of Business Manager/Treasurer. He brings a varied background in city government, real estate, and business and technology to the Jurisdiction that will be of great value to our diverse organization.

Several years of planning was culminated in the establishment and filling of a new position of Director of Development and Foundation. Rev. James Hanna, an elder in the north Georgia Conference moved from Charleston, Illinois where he had been working with the General Board of Global Ministries in development. He brings a rich history of development in higher education, private consulting and service in the local church. His first task will be leading the Administrative Council in a capital funds drive and the establishment of our foundation.

A communication audit will be finished in May. United Methodist Communications is working with the Administrative Council to access understanding and future projections for the diverse ministry of the Jurisdiction. Twenty-six focus groups involving over two hundred people from around the Jurisdiction along with an extensive survey will provide a solid foundation for future development of ministry options as well as more effective connection with our constituents.

The Administrative Council continues to be committed to strengthening the local church. Our mission is to work with Annual Conferences providing support and expertise. It is our intent to enrich and supplement the work of Annual Conferences with leader development, spiritual formation and technical training in order to make disciples of Jesus Christ.

The Ministry Team is planning its work for the quadrennium around three priorities:

1. Small membership church.
2. Training and discerning of new persons for the call to ministry.
3. Ministry with the poor.

These priorities will enrich and influence the existing ministry options provided around the Jurisdiction through our seven agencies and ministry areas and will help us to create new opportunities for ministry.

The Junaluska team continues to give direction in making the Lake Junaluska Conference and Retreat Center and Residential Services a community committed to our mission of making more effective the ministry of all Christians. During the year 2000 there were 104,850 guests/nights at Lake Junaluska, the jewel of the Southeastern Jurisdiction. The participants came for conferences, continuing education events, worship, spiritual enrichment, training and relaxation. We are a group center facility and 261 of our groups were United Methodist.

We have embarked on a program of restoration of the Lake by removing over 100,000 cubic yards of sedimentation at the cost of almost \$700,000. This was done with the help of private contributions and local organizations and an unprecedented grant of \$500,000 from the State of North Carolina.

Progress is being made with our goal to make the Conference Center a year-round facility. The first quarter of 2001 was the best in our history. There is a strong support of the ministry at Lake Junaluska from the persons who own homes around the Lake making for a good partnership.

The Southeast Jurisdictional Administrative council continues to be the most unique agency in the United Methodist Church providing a myriad of ministry opportunities in our seven agencies, at Lake Junaluska and around the Jurisdiction. We desire to be a servant of the Southeast as well as the entire United Methodist Church. Please pray with us that it will be so!

DUKE DIVINITY SCHOOL

Duke Divinity School, which opened in 1926 as Duke University's first graduate professional school, is celebrating 75 years of preparing leaders for the transformative ministry of the church through distinguished academic and field programs for education of both the clergy and laity.

During the past fiscal year, the Divinity School received a record-breaking \$11.4 million in contributions, surpassing its original goal for the five-year Duke University Capital Campaign. Such success encouraged the university trustees to approve a revised goal of \$85 million for the Divinity School by the end of 2003, which will include funds for endowment and for building an addition, including a new Divinity School chapel.

Enrollment for 2000-01 was 484 full-time students from 32 states and ten foreign countries. Sixty percent of the student body is United Methodist, with the balance representing 37 other denominations.

The Divinity School began several new endeavors in the past year. *The Learned Clergy Initiative* is an innovative effort to help develop a new generation of strong pastors. Funded by a \$10 million grant from Lilly Endowment Inc., the initiative is designed to inspire vital leadership for congregations. The program includes a total of 60 three-year master's degree fellowships, six five-year Ph.D. scholarships, and a series of sustained learning opportunities to bring together clergy and lay leaders with divinity faculty and students to cultivate good habits of study, reflection and conversation.

The Duke Youth Academy for Christian Formation will hold its initial two-week residential session, July 8-21, on the Duke University campus. The academy, also funded by a Lilly Endowment grant, will accept 70 rising high school juniors and seniors of diverse races, cultures and Christian faith traditions.

The Duke Pastoral Leadership Projects focuses on strengthening the quality of clergy and lay leadership across the country. Twenty separate research studies are planned, under way or, in some cases, already completed. The first five of 10 Ph.D. research fellowships—each carrying a \$15,000 stipend—have been awarded, and more than 3,000 pastoral leaders are being surveyed.

"*Living a Sunday Faith in a Monday World*" was the title of *Laity Weekend*, a conference designed to help people learn how to live their faith in the weekday world.

A new *Partnership* between Duke Divinity School and the Methodist Church of Southern Africa has been established. This will have a particular connection with John Wesley College, the theological school for the MCSA. Student internship and other student and faculty exchanges are being developed to enhance the education and formation of people in both contexts.

CANDLER SCHOOL OF THEOLOGY

During 2000-01, Candler participated actively in the "Year of Reconciliation" a university-wide theme for Emory's special events, research, teaching and service. The university's faculty, students, alumni and the public engaged various societal issues--global, ethnic, religious and regional conflicts; race relations; health care access, delivery and financing; social justice; the environment. A high point was the Symposium on Reconciliation Jan. 25-28, 2001 featuring talks by Emory faculty members and former President Jimmy Carter; former Candler Dean, Emory President and U.S. Ambassador to Korea, James Lancy; U.S. Rep. John Lewis and former Southern Christian Leadership Conference President, Joseph Lowery. The reconciliation theme ran through the wonderful chapel services throughout the year. Reconciliation became as well the motif for the annual Fall Reformation Day at Candler, jointly sponsored by the Kessler Reformation Collection of the Pitts Theology Library and by the Aquinas Center of Theology (Emory University), with special focus on the Joint Declaration on Justification, signed by the Lutheran World Federation and the Roman Catholic Church in 1999. The day concluded pertinently with another fine performance by the Candler Choraliers, directed by Professor Marian Dolan. Homecoming 2001 also focused on the theme of reconciliation.

Thomas G. Long, described by Baylor University and Newsweek magazine as one of the 12 most effective preachers in the English speaking world, joined the faculty in more than 20 years, at Erskine Theological Seminary, Columbia Theological Seminary and Princeton Theological Seminary, from which he holds a Ph.D. An Atlanta native, Long has written or edited more than a dozen books, including *The Witness of Preaching* (1989), a standard preaching text; *Preaching and the Literary Forms of the Bible* (1989), and commentaries on the book of Hebrews (1997) and Matthew (1997). Since 1991 he has served as senior homiletics editor of the *New Interpreter's Bible*.

Rebecca S. Chopp, Provost and C.H. Candler Professor of Systematic Theology, has assumed the presidency of the American Academy of Religion (AAR). The AAR, the overarching scholarly association for religious studies, is an international organization with more than 9,000 faculty and researchers as members. Gail R. O'Day, A. H. Shatford Professor of Preaching and New Testament, recently became editor of *The Journal of Biblical Literature* (JBL), the quarterly of the Society of Biblical Literature, the other umbrella scholarly religious organization. Theodore Brelsford, newly appointed as Assistant Professor of Religion and Education, has become editor of the scholarly journal for his field, *Religious Education*. Brent Strawn will join us as Assistant Professor of Old Testament. He currently teaches at Asbury Theological Seminary.

With the SEJ and United Methodism generally, Candler mourns the death of one of the university's trustees, Bishop Cornelius L. Henderson. In other "Episcopal" news, Candler welcomed two bishops-in-residence this year, Frank Kellogg Allan, Episcopal Bishop of Atlanta from 1989-2000 and founder of The Work of Our Hands Inc., and Marshall L.

Meadors Jr., recently of the Mississippi Area and Chair of the Council of Bishops' Initiative on Children and Poverty. L. Bevel Jones III remained as bishop-in-residence for another year. Emory elected two bishops to the Board of Trustees in 2000, Kenneth Carder, resident bishop for the Jackson Area and Michael Watson bishop of the South Georgia area. Also elected to the university board was Ms. Rhoda Peters, the Kentucky Conference provost for the United Methodist Church and editor-in-chief of the conference newspaper, NetNews.

Emory has received a five-year, \$3.2 million grant from the Pew Charitable Trusts to help establish a new Center for the Interdisciplinary Study of Religion. "Emory aspires to make religion one of the five or six cardinal themes that suffuses its scholarship and defines its educational mission nationally and internationally," said Provost Rebecca Chopp. "Emory faculty are doing path breaking work in the study of religion and practice, religion and the professions, and comparative religions. This support will help the university become a permanent center for world-class religious scholarship." The new center will be housed at the law school and will draw the University's well-known Law and Religion Program into collaboration with a variety of other campus initiatives and institutions, including the School of Theology, the Graduate Division of Religion and the Department of Religion. John Witte, director of the Law and Religion Program and Jonas Robitscher Professor Law, will head the center.

Candler further benefits from a \$2.5 million grant for a "Faith and the City" project, jointly undertaken with the Interdenominational Theological Center, Atlanta and Columbia Theological Seminary, Decatur, GA. Leading Candler in involvement in this venture to train, develop and deliver skilled, informed, articulate and morally based leadership for North America's urban centers is Dr. David Jenkins. Dr. Jenkins was previously Executive Director of the Christian Council of Metropolitan Atlanta and prior to that United Methodist Campus Minister at Duke University. See <http://www.faithandthecity.org/index.shtml>. Two major grants from Lilly Endowment support the work of the school, \$1.5 million for the Contextual Education program, now in its third year and another for the Youth Theological Initiative (YTI) currently in planning for its eighth summer. YTI is an innovative program based at Candler, the model for similar ventures in other theological schools, "whose goal is to reconceive the way youth are viewed within society and within the church," The centerpiece of YTI is a four-week summer academy for rising seniors in high school which explores Christian Theology and Public Issues. See <http://www.emory.edu/CANDLER/yti/>.

Through another year, Candler has functioned effectively in its various endeavors --in its teaching and courses, in the Contextual Education program, through continuing education and in research and publication -- to live out its purpose, to remain grounded in the Christian faith and to be constantly shaped by the Wesleyan tradition of evangelical piety, ecumenical openness, and social concern. It remains faithful to its mission to educate -- through scholarship, teaching, and service --faithful and creative leaders for the church's ministries in the world. If you cannot come to see us and witness Candler's fidelity first-hand, then visit us online at <http://www.emory.edu/CANDLER/>.

We call attention to the resolution adopted by the Annual Conference of 1988, which designated the United Methodist Foundation as the official depository for discretionary endowment funds owned by the Annual Conference and its related Boards and Agencies. Local churches are encouraged to use the Foundation for endowment funds in order to insure proper management and fiduciary accountability.

2000 maintenance costs on the Andalusia parsonages and Conference Office Building totaled \$7,443.61.

REPORT NO. 2**SIGNATURE AUTHORITY**

In keeping with Paragraph 2515 of the 2000 Book of Discipline of the United Methodist Church, any two of the following officers of the Board of Trustees may sign any required written instruments necessary to carry out the action authorized by the Annual Conference regarding the sale, transfer, lease or purchase of Annual Conference property: The Chair, The Vice Chair, or the Secretary.

Mr. Jack Kerby
Chairman,

Report No. 1 - PENSIONS, ANNUITY RATES, and APPORTIONMENTS

The Conference Board of Pensions pursued the goal of a pension rate equal to 1% of the Conference Average Compensation as the Ministerial Pension Plan directs. Local church salaries have continued to move up so rapidly that we had difficulty gaining ground. The 2000 session of Annual Conference approved the recommendation of this board to move to .97 level for 2001. For 2002 we are recommending continuing a rate of .97 which will result in a 4.46% increase in the annuity rate. This increase brings to a total of 11.1% for the period 2001 - 2002.

The Conference Board of Pensions recommends that for the year 2002, the total annuity rate for service years prior to 1982 be four hundred seventy-one dollars (\$471) per service year with pension credit, the total rate for surviving spouses be three hundred twenty-nine dollars and seventy cents (\$329.70) provided that, for those living in homes furnished by the Annual Conference, the pension amounts be adjusted by a reduction of \$50.00 per month for ministers and \$35.00 per month for surviving spouses.

We recommend that the apportionment to the local church for the pension and benefit program of the annual conference be set at \$3,058,600 for 2002.

We call attention to paragraph 619 of the 2000 Book of Discipline of The United Methodist Church relative to the requirement that the apportionment for the pension and benefit programs be paid in proportion to the payment of the minister's salary by the local church. The Discipline gives the church treasurer the primary responsibility for the application of proportional payment. If the church treasurer fails to do this, the pastor is then required to adjust his/her cash salary. Also, the Discipline states that the pastor cannot receive a bonus or other supplementary compensation tending to defeat proportional payment. For example, if a church only pays 70% of the pension and benefits apportionment, the minister should receive only 70% of his/her cash salary as set by the Charge Conference.

Report No. 2 - DEATH BENEFIT PROGRAM

Since January 1, 1995 the conference has participated in The General Board of Pensions and Health Benefits' Basic Protection Plan (BPP). BPP is an additional death benefit added to the regular death benefit provided by the Comprehensive Protection Plan (CPP) in which each full-time minister with a base compensation and housing equal to 60% or more of the Denominational Average Compensation participates.

2002 Basic Protection Plan Death Benefit

Active participant CPP death benefit:	\$50,000.00
Active participant BPP death benefit:	\$25,000.00
Total Benefit	\$75,000.00
Retired participant, receiving pension upon retirement, CPP death benefit:	\$12,879
Retired participants eligible for BPP benefit:	\$ 5,000
Total Benefit	\$17,879

Minimum Surviving Spouse Annuity Benefits

The surviving spouse of an active participant is eligible to receive a minimum annual pension 20% of the Denominational Average Compensation (DAC) \$8,446.60. The Comprehensive Protection Plan will supplement pension payments as needed to assure that eligible surviving spouses receive at least the 20% minimum pension.

Surviving Child Benefits

Children under age 18: \$4,223.30 annually (10% of the DAC.)

Children between the ages of 18-25: \$8,446.60 annually (20% of the DAC) for up to four years, if enrolled in school full time.

The amounts for surviving children are based on percentages of the DAC in effect on the benefit starting date. Once initiated, these benefits increase 3% annually on the anniversary of the benefit starting date.

Report No. 3 - ATTACHMENT 1 TO THE MINISTERIAL PENSION PLAN

This attachment 1 is applicable to the Alabama-West Florida Conference and is effective January 1, 2001. It replaces any previously executed Addendum A (or Attachment 1) and shall be in effect until amended by the Annual Conference in accordance with the provisions of the Ministerial Pension Plan and the Comprehensive Protection Plan revised January 1, 2001.

The MPP and CPP contribution base shall be the active participant's plan compensation for a plan year not to exceed the Denominational Average Compensation (DAC). [MPP Section 2.12, 2.17(a), 2.18; CPP Sections 2.07, 4.02(h).]

The MPP and CPP church contribution rate shall be 12% of the MPP contribution base of each active participant. The CPP contribution rate shall be 4.4% of the contribution base of each active participant. [MPP Section 4.01(a) & CPP Section 4.01(a).]

The MPP and CPP church contribution shall be made monthly to the plans by the Annual Conference in accordance with the Plan Document. Such MPP and CPP church contributions shall be transferred monthly from the deposit account of the Alabama-West Florida Conference by the General Board of Pension and Health Benefits to each active participant's account and the Comprehensive Protection Benefit Fund, respectively. The Annual Conference shall maintain an amount in its deposit account sufficient to provide for the monthly transfer of the church contributions on behalf of its active participants. In the event the deposit account is overdrawn, an interest charge shall be made by the General Board of Pension and Health Benefits. Such charge shall be made at the monthly rate of interest credited to the Diversified Fund (6 1/2% per annum) or the current monthly rate of interest credited to the Short Term Interest Rate Account (STIRA) whichever is greater. [MPP Section 4.01(k); CPP Section 4.02(a-f)(h)]

The Alabama-West Florida Conference Board of Pension and Health Benefits is hereby authorized, at its discretion, to arrange with the General Board of Pension and Health Benefits for active participation in MPP by persons who are eligible under special rules but not automatically included as Active Participants. [MPP Section 4.010]

Any full or associate member appointed to a sabbatical leave may continue to participate in MPP, provided the Conference makes the required church contribution based on the

participant's annualized Plan Compensation immediately prior to such leave. [Disciplinary Paragraph 349; MPP Section 4.010j(1), 4.03, 4.04]

Any full member appointed to attend school after having served under appointment other than to attend school may continue to participate in MPP to extent allowable under applicable Federal Law. [MPP Section 4.01j(1), 4.03, 4.04.]

The Alabama-West Florida Annual Conference Board of Pensions and Homes for Claimants is hereby authorized, at its discretion, to arrange with The General Board of Pension and Health Benefits for active participation in CPP by persons who are eligible under special rules but not automatically included as active participants. [CPP Section 3.03.1]

All full and associate members appointed to Sabbatical Leave shall continue to participate in CPP, provided the Conference makes the required contribution based on 4.4% of the DAC. [Disciplinary Paragraph 349; CPP Section 3.02(a).]

All full, associate, and probationary members granted a Leave of Absence may be continued in CPP provided the Conference makes a contribution of 4.4% of the DAC. [Disciplinary Paragraph 351, CPP Section 3.02(a)]

All full, associate, and probationary members granted family leave may continue in CPP, provided the Conference makes the required contribution based on 4.4% of the DAC. [Disciplinary Paragraph 352; CPP Section 3.02(a).]

On January 1, 2001, the ministerial pension rate shall be \$450.00, and local pastor's pension rate shall be \$450.00. Should the pension rate, as a percentage of the 2000 Conference Average Compensation (CAC), be below .9 of 1%, then the Annual Conference Board of Pensions and Homes for Claimants shall be authorized, after consultation with the General Board of Pension and Health Benefits, to arrange to have the Past Service Pension Rate be the minimum dollar amount which would permit a 12% MPP church contribution rate. If this occurs, the required funding amounts may be different from the amounts listed below, and the Conference would be required to make the revised annual past service deposit. (Disciplinary Paragraphs 1506.2(b), 1506.7, & 1506.21(a); MPP Supplement One, Article D.)

In accordance with MPP Supplement One, paragraph E.01 (b), the surviving spouse benefit shall be 70% of the participant's formula benefit.

In accordance with MPP Supplement One, paragraph B.03 and elections made in Section 7 of the Adoption Agreement, the Unfunded Past Service Liability as of January 1, 2001 has been actuarially projected to be \$402,632. Annual Past Service Deposits are required to fund the Unfunded Past Service Liability and shall be in the amounts shown below:

Payment Years Outstanding	Amount	Remaining Balance
	\$45,481	14
		\$402,632

These Annual Past Service Deposits shall be made at the end of each calendar year as required by the General Board of Pension and Health Benefits. The Annual Past Service Deposits shall be transferred from the Alabama-West Florida Annual Conference deposit account to the Alabama-West Florida Annual Conference Past Service Funding Account on December 31, 2001. If the Cash Flow Requirement, as determined by the General Board of Pension and Health Benefits, exceeds the Annual Past Service Deposits, then the Cash Flow Requirement shall become the required Annual Past Service Deposit. (MPP Supplement One (f))

The actuarially projected amount indicated above is based upon certain assumptions, including mortality, interest, number of covered participants and beneficiaries, the Supplement One Pension Rate of \$450 and the surviving spouse rate of 70%.

Report No. 4 - CLAIMANTS MEMORIAL FUND

We recommend the continuation of the Claimant's Memorial Fund, such funds being invested by this Board with the interest being used for the benefits of the Conference Claimants. Individuals and groups are invited to make voluntary contributions in any amount to the fund as memorials to deceased ministers, members of minister families, or lay persons. Checks should be made payable to the Alabama-West Florida Conference and sent to the Conference treasurer, Andalusia, with the name or names of the persons being memorialized. Families of those so memorialized will be notified of the memorial gifts.

By special arrangement those ministers on leave of absence or probationary members appointed to attend school may qualify for the Comprehensive Protection Plan by a personal payment of 3.45% of the DAC to the Conference Claimants Fund. (See Attachment 1.)

We recommend that special appointments to non-Methodist institutions shall be listed without pension responsibility on this Annual Conference

We recommend that all missionaries shall be listed with pension responsibility on the General Board of Global Ministries.

Report No. 6**DEPOSITORIES**

We recommend that the official depository for pension funds shall be the same as that designated by the Conference for other Conference funds as well as the General Board of Pension and Health Benefits of The United Methodist Church.

Report No. 7**PENSIONS FOR LAY EMPLOYEES**

We strongly endorse the Cumulative Pension and Benefit Plan and the Basic Protection Plan administered by the General Board of Pension and Health Benefits for lay employees of United Methodist local churches and agencies. We recommend and urge our churches to use these plans provided by the Church to provide pension and death and disability coverage for the lay persons who serve our churches.

Report No. 8**FULL TIME SERVICE AS A REQUIREMENT FOR PENSION CREDIT**

We call attention to the following provisions relative to full time service, rendered prior to January 1, 1982, as a normal condition for pension credit which appear in paragraph 1506.4 of the 2000 Discipline.

- A. Full time service of a ministerial member or a lay pastor shall be required as a normal condition for pension credit; provided, however, that such credit may be granted for part time service by a three-fourth vote of those present and voting in the Annual Conference, on recommendation of the conference Board of Pensions and Homes for Claimants.
- B. Full time service shall mean that full time is devoted to the work of a pastor by one who has not attained the mandatory age of retirement for a Conference member, who is not attending school as a regular student, who is not substantially employed in non-pastoral work; and whose cash support per annum from all church sources is not less than the schedule of equitable compensation adopted by the Annual Conference for those in this person's classification.

It should be noted that service of either a ministerial member or lay pastor is without pension credit if it is not full time service as defined, except in cases of approved part time service.

Report No. 9**RESOLUTION RELATING TO RENTAL/HOUSING ALLOWANCES FOR RETIRED OR DISABLED MINISTERS OF THIS ANNUAL CONFERENCE**

WHEREAS, the religious denomination known as The United Methodist Church has and functions through ministers of the Gospel who are duly ordained or licensed; and

WHEREAS, the practice of The United Methodist Church is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained or licensed ministers; and

WHEREAS, pensions paid to retired ordained or licensed ministers of The United Methodist Church are considered as deferred compensation and are paid to said retired ordained or licensed ministers in consideration of previous, active service, and

WHEREAS, the Internal Revenue Service has recognized that the Alabama-West Florida Conference is the appropriate organization to designate a housing/rental allowance for retired ordained or licensed ministers who are members of this Conference; and

WHEREAS, the disabled minister has the same legal relationship to an Annual Conference as does the retired minister, and thus, this Annual Conference is also the appropriate organization to designate a housing/rental allowance for a disabled ordained or licensed minister who is a member of this Conference;

NOW THEREFORE BE IT RESOLVED:

1. An amount equal to 100% of the pension payments received by a retired ordained or licensed minister, or 100% of the disability benefit payments received by a disabled ordained or licensed minister, during the year of 2001 and 2002 be and is hereby designated as rental/housing allowance respectively for each retired or disabled ordained or licensed minister of The United Methodist Church who is or was a member of the Alabama-West Florida Conference at the time of his or her retirement or disability;
2. The pension or disability payment to which this rental/housing allowance applies shall be the pension or disability payment resulting from all service of such retired or disabled ordained or licensed minister from all employment by any local church, Annual Conference, General Agency or institution of The United Methodist Church or any former denomination that is now a part of The United Methodist Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension or benefit funds of The United Methodist Church for such retired ordained or licensed minister's pension or disabled ordained or licensed minister's benefits.

NOTE: It should be noted that the above applies only to the minister and not the surviving spouse. The amount you can exclude for housing is the lesser of (1) the amount of your pension; (2) the amount it costs you to provide your housing; or (3) the fair market rental value of your home including furnishings. If you need further information concerning this, please contact your CPA or the Fiscal Office.

Report No. 12

HEALTH INSURANCE

The Board is charged with the responsibility of providing the best possible coverage at the most economical rate and is authorized by the Annual Conference to design a plan and establish rates and policies to that end. The partial self-funded health insurance plan has been in operation since February 1991. Blue Cross/Blue Shield of Alabama continues as the third party administrator of the plan. In 2000 claims again outpaced the income to the insurance fund. The short fall in 2000 was \$563,277.73. The Board has taken the following steps to reverse the continuing annual short fall: Maintained the "Stop-Loss" reinsurance amount at \$50,000.00. Increased the asking in the year 2001 by \$750,000 and \$250,000 in 2002; Increased the family coverage premium for pastors and lay employees; Increased the assessment of active pastors to \$33.00 - \$108.00 per month depending on appointment salary; Initiated a \$60.00 per month assessment for each retired paster and spouse and surviving spouse participating in the MEDSUPP insurance plan; Offered only a PPO plan for coverage; Increased copay requirements to \$25.00; Established a third level of drug reimbursement - 60% for non-preferred name brand drugs and finally, renewed the \$750,000, three year, renewable line of credit for the second year.

The Board has established the policy that coverage will be terminated if premium payments are over thirty days late.

The Group Health Benefits Plan is not a form of entitlement and it should be noted that Conference Board of Pensions and Health Benefits, with the approval of the Annual Conference, reserves the right to amend or possible eliminate both the active and retired plan of benefits.

Local churches may cover their lay employees who work 30 or more hours a week. For information on premiums and enrollment requirements, contact Mrs. Pat Rathel at 1-888-873-3127 or (334) 222-3127.

Report No. 13

GUIDELINES AND POLICIES FOR OCCUPANCY - CLAIMANTS HOMES

- 1) Priority for homes of the Board of Pensions and Homes for Claimants shall be for claimants of the Alabama-West Florida Conference. A claimant is to be defined as:
 - A. A minister who retires with a minimum of 20 years full-time service with pension credit on the Alabama-West Florida Conference and is receiving his/her pension.
 - B. A surviving spouse of an active minister with a minimum of ten (10) years full-time service in the Alabama-West Florida Conference. He/she must have been mar-

ried to the minister during the years of qualifying service. Exceptions may be considered in the case of death prior to 10 years service.

- C. The surviving spouse of a retired minister who was married to that minister at the time of his/her retirement.
 - D. Ministers who are placed on disability may be permitted to live in a Conference home, depending upon the availability of a home and subject to the prevailing financial charge for said home.
- 2) Applicants who meet the above qualifications shall furnish evidence of need by completing the financial disclosure of assets and liability form provided by the Board. Then the following priorities will be followed:
- A. Years of continuous full-time service with pension responsibility on the Alabama-West Florida Conference.
 - B. Years of service in the Alabama-West Florida Conference under special appointment NOT under pension credit on said Conference.
 - C. Years of service as a spouse of a minister who has served a minimum of ten (10) years full-time service.
 - D. Ministers placed on disability subject to 1.D above.
- 3) APPLICATION FOR CLAIMANT'S HOMES SHALL BE MADE NO LATER THAN DECEMBER 31 PRECEDING THE ANNUAL CONFERENCE OF RETIREMENT. In the event of the death of an active minister prior to the date for home assignments being made, assistance shall be granted in providing temporary housing until all home assignments are made. If a home is vacant and available at the time of the death of the minister, the Board, at its discretion, may assign that home to the surviving spouse rather than providing temporary housing. Home assignments will be made by the Board at its Winter meeting from an evaluation of the total needs and the homes available. Requests for homes after the December 31 deadline will be considered on availability of homes after other home assignments have been made.
- 4) Claimants shall provide the following information to the Director of Homes:
- A. Name of claimant and immediate family members.
 - B. Name of persons to be housed.
 - C. Name(s) and address(es) of person(s) who will be responsible for the personal affairs in the event of disability or death. The Director of Homes will meet with the Claimant following assignment of the homes to discuss conditions of occupancy. A signed agreement between the Claimant and the Board is required prior to acceptance of the home.
- 5) The Board will furnish each home with a stove, heating and air conditioning equipment, refrigerator, and water heater.
- 6) NO repairs, alterations, or extensive painting can be done at any time except those specifically authorized by the Director of Homes. NO ONE can obligate the Board for expenditures without permission of said Board. Payments for repairs, alterations, or painting, not so authorized, will be the responsibility of the person contracting for such repairs, alterations or painting. A lien will be placed upon the pen-

sion of those who fail to assume responsibility for unauthorized repairs and alterations. THE FIRST \$50.00 OF MAINTENANCE AND REPAIR COSTS WILL BE THE RESPONSIBILITY OF THE OCCUPANT.

- 7) If an occupant plans to be gone for 90 days or longer, they must notify the Executive Director of Homes. If the absence will exceed 6 months because of health reasons, a doctor's evaluation stating projected return date is required. If the occupant does not reside in the home for a period of 6 months, arrangements must be made to vacate the home.
- 8) Care must be exercised by the occupant in the erection of TV antenna so that existing property is not damaged.
- 9) No Claimant who serves a church, under appointment, which has a livable parsonage, will be provided a claimants home unless said church pays to the AWFC Board of Pensions and Homes for Claimants a monthly amount deemed by the Claimants Homes Committee to be equitable rent for said claimants home as long as the claimant serves that church under appointment.
- 10) When a claimant vacates a home, he/she should release the home in writing to the Director of Homes, and remove all personal belongings by the end of the month in which the home is vacated.
- 11) Upon the death of a claimant, the heirs or responsible person(s) shall remove all personal property belonging to the claimant within thirty (30) days. All property left beyond 30 days will be disposed of by the Board.
- 12) When a home is not utilized by a claimant, it may be rented. However, when there is a claim for a rented house by a claimant, a minimum of 30 days notice will be given for the home to be vacated at which time the occupant must release the home. Homes are for the express use of claimants of the Alabama-West Florida Conference.
- 13) Claimants occupying a home for claimants will have their pension adjusted by a reduction of six hundred (\$600.00) dollars annually or fifty (\$50.00) dollars per month for MINISTERS; four hundred (\$400.00) annually or thirty-five (\$35.00) dollars per month for SURVIVING SPOUSES.
- 14) Information and questions concerning the homes and related matters should be directed to: Frank Dunnewind, Director of Homes, P.O. Box 700, Andalusia, AL 36420.

It is intended that all programs, projects and functions, old and new, be analyzed and reevaluated on a year-to-year basis. Groups requesting budgeted funds shall be required to justify those requests in detail to explain why money is needed, specifically what it will be used for, the resulting benefits, and what would result if the request were denied.
3. At the end of the fiscal year, the unused balances for each board and agency shall be transferred to a reserve account, which shall be designated the "Mission and Ministry Fund."
4. The Mission and Ministry Fund shall consist of:
 - a. Unused balances of boards and agencies
 - b. Funds which may be budgeted for the Mission and Ministry Fund
 - c. Funds received from terminated activities which remain unused for those activities when transferred by the Council on Ministries
 - d. Interest earned from sources as may be provided by the Council on Finance and administration.
 - e. Funds from other sources that may be deposited by any board or agency or group within the Conference
5. (See complete listing of approved Conference Advance Special programs in the Journal Report of the Board of Missions or the General Conference catalog of Mission Handbook.)

Report No. 8

Stewardship Responsibilities and Local Church Concerns

1. CFA believes that all apportionments are needed in the amounts apportioned. Further, CFA believes that it is within the capacity of the churches to pay the apportionments in full. Effort has been made to hold apportionments for which CFA has responsibility to minimum increases. The 2002 Conference budget reflects an increase of 5.84% over 2001.

2. We recommend that in setting apportionments for new churches, the following be the policy:

1st full yearno apportionment

2nd year	25% apportioned
3rd year	50% apportioned
4th year	75% apportioned
5th year & following	100% apportioned

3. We recommend that apportionments be made to all churches developed by the formula method. However, the district superintendent and CFA may meet jointly prior to mailing of apportionments to churches and make adjustments with appropriate explanation by the district superintendent to the church involved.
4. We recommend that local churches provide for the audits of local church records as provided in paragraph 258.4c of the 2000 Book of Discipline of the United Methodist Church.

Report No. 9 Formula and Allocations

1. We recommend that the Apportionments be developed using a formula based on financial strength of the local churches (see Standing Rule No. 27) and the membership of the local churches. Financial strength will be weighted 75% and membership weighted 25% in the formula. Apportionments will be determined by local church decimal applied to the amount of each budget item at the conference level.
2. We recommend that the financial strength of a local church in calculating the decimal formula be based on all local expenditures (lines 61-69) of the Local Church Report to the Annual Conference. This eliminates all apportionments and special giving from the formula. (Listing: Standing Rule No. 27)
3. We recommend that the winter/spring meeting of the Council on Finance and Administration be the time for receiving requests from the Council on Ministries and boards and agencies for allocations from the benevolence budget for the ensuing year. All boards and agencies funded through the benevolence budget should be advised that they place their allocations of funds for their program in jeopardy when they fail to comply with requested information required by the Council on Ministries.
4. We recommend the pastor and chairperson of the Committee on Finance or the church treasurer sign the annual local church report as being correct. The Fiscal Office will enter the data in the computer, print a copy and send it to the local pastor to check. The Fiscal Office will establish a date by which it should be notified if corrections are necessary. If no corrections are identified by that date, the Fiscal officer will consider the report accurate. When the new year's apportionments are run in July, there will be only one set of apportionments, which will be the final set. There will not be a "Trial Set" of apportionments.

Report No. 10 Superintendents' Compensation

We recommend that:

1. The salary of the district superintendents be set at \$81,849 for 2002 with travel expense paid on voucher from a travel pool not to exceed \$74,200. The rate per mile shall be adjusted by the executive committee of CFA, as needed, within the above limit.

2. District superintendents receive no supplementary travel funds from district administration or district work funds.
3. Each district shall place funds in its budget for district parsonage utilities, up to a total of \$3,600, for each calendar/budget year. Utilities to be included are water, electricity, gas, sewage, basic TV cable, and basic telephone and trash collection.
4. Each district place in its district administration or district work fund an amount not to exceed \$1,000 for continuing education.
5. Since 1989, the base salary of the district superintendent for the ensuing year has been the average increase of the highest base pastor's salary in each of the nine districts. We recommend the continuation of this formula.

Report No. 11

Moving Guidelines and Expenses

We recommend that the Tuesday following the adjournment of Annual Conference be set as the official moving date for each conference year. All June salary shall be paid to the incoming minister. No minister shall receive June salary from the church from which he/she is moving.

We recommend that upon retirement, disability or death of a minister, the conference pay up to \$2,000 for documented moving expenses to the first place of retirement or disability. Moving expenses to be reimbursed shall not be incurred prior to retirement notification to the Bishop and will be reimbursed after the retirement move is completed. Likewise, the conference shall assist the surviving spouse of a minister to the first place of dwelling following the death of the minister.

We recommend the following guidelines for clergy under appointment:

1. Following notification of appointment change by the district superintendent, the Chairperson of the PPRC should contact the minister to be appointed, to communicate the church's policy in paying moving expenses and to discuss moving plans.
2. The receiving church is responsible for up to a maximum of \$2,000 documented moving expenses for the incoming ministerial family.

Report No. 12

Annual Conference Expense

By action of the Annual Conference in 1991, in response to the motion presented at the 1990 session of the Annual Conference, CFA makes the following recommendations:

1. In order to have a more accurate accounting for meals served, the Conference will provide meal tickets for all Conference members, guests, and other official visitors. Unused tickets are to be returned to the conference registrar, not the cafeteria.
2. A charge of \$21.00 per person will be made for all who use Conference provided housing on the Huntingdon College campus. (Standing Rule No. 8) CFA will be responsible for studying and investigating possible locations for future sessions of the Annual Conference.

3. The Brochure of Reports will contain an order blank requiring orders to be placed for the Conference Journal at \$15.00, including the cost of mailing. (Paid upon Order.) Deadline for ordering will be the last day of the Annual Conference Session. Order forms will be available in other places as well. (Standing Rule 18 a.)
4. Retired ministers and surviving spouses of ministers may receive one copy of the Conference Journal free, provided it is ordered using the order blank.

Council on Finance and Administration
Alabama - West Florida Conference of
the United Methodist Church
Andalusia, Alabama

We have audited the accompanying schedule of cash receipts, disbursements and transfers of the Council on Finance and Administration of the Alabama - West Florida Conference of the United Methodist Church for the conference year 2000. This schedule is the responsibility of the Council's management. Our responsibility is to express an opinion on this schedule based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the schedule of recorded cash receipts, disbursements and transfers is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the schedule. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall schedule presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the schedule referred to above presents fairly, in all material respects, the cash receipts, disbursements and transfers for the conference year 2000, of the Council on Finance and Administration of the Alabama - West Florida Conference of the United Methodist Church in conformity with accounting principles generally accepted in the United States of America.

Council on Finance and Administration
Alabama - West Florida Conference of
the United Methodist Church
Andalusia, Alabama

We have audited the accompanying schedule of cash receipts, disbursements and transfers of the Council on Finance and Administration of the Alabama - West Florida Conference of the United Methodist Church - Conference Administration Account for the conference year 2000. This schedule is the responsibility of the Council's management. Our responsibility is to express an opinion on this schedule based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the schedule of recorded cash receipts, disbursements and transfers is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the schedule. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall schedule presentation. We believe that our audit provides a reasonable basis for our opinion.

This schedule has been prepared on the cash receipts and disbursements basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles. Under this method of accounting, revenues are recognized when received rather than when earned and expenses are recognized when paid rather than when incurred.

In our opinion, the schedule referred to above presents fairly, in all material respects, the cash receipts, disbursements and transfers for the conference year 2000, of the Council on Finance and Administration of the Alabama - West Florida Conference of the United Methodist Church - Conference Administration Account on the basis of accounting described above.

CLERGY OBITUARIES

The Reverend Joe Curtis, former Historian for the Alabama-West Florida Conference, did the vast majority of the "leg work", writing and editing for the memorials appearing in the 2001 Journal of Proceedings. For that we are most thankful and grateful and thank him for all his years of service as Conference Historian.

The Reverend Samuel Curtis Shirah, Sr.

The Reverend Samuel Curtis Shirah, Sr., died Sunday, July 30, 2000, at his daughter's residence in Mobile. He was born March 5, 1920, the son of Rev. Angus Morgan Shirah, Sr., and the former Elizabeth Mable Crutchfield. He graduated from Rehobeth High School, just outside Dothan, and continued his education at Birmingham-Southern College. He earned a Bachelor of Science in education from Troy State and a Master of Divinity from Candler School of Theology at Emory University.

Rev. Sam Shirah married a Dothan girl, Fredna Oneita Hodges, at her parents' home on June 3, 1942. Sam and Oneita were blessed with three children and a ministry that took them to many cities and towns throughout South Alabama and the Florida panhandle during his thirty-nine years as an itinerant Methodist minister.

It wasn't all easy for Sam and his family, though, for he chose to be a vocal proponent of the Civil Rights movement. Though he was a man of small physical stature, he walked tall and served courageously throughout those difficult and dangerous times. His willingness to stick with his convictions and to boldly speak out for what he believed was right is a source of great pride for his family and for many others who were witnesses to his ministry.

The Shirahs retired to Dothan in 1981 and made the First United Methodist Church there their church home. Sam also served on the staff there as a retired associate minister for several years. Sam and Oneita had been married almost fifty-eight years when she passed away on May 16, 2000. Only weeks later, on July 30, 2000, Sam joined her in glory.

Rev. Shirah's funeral service was held Wednesday, August 2, in the sanctuary of the First United Methodist Church of Dothan, with Dr. Lawson Bryan and Rev. Wayne Helms officiating. The burial took place in Memory Hill Cemetery.

Rev. Shirah was preceded in death by a son, Samuel Curtis Shirah, Jr., who passed away in 1980. He is survived by his daughter, Dr. Sue Shirah-Sands; a son, Richard B. Shirah of Dothan; a sister, Joy Shirah Grimmitt of Chamblee, Georgia; five grandchildren: Lisa Ann Shirah-Hiers, Austin, Texas; Rebecca Sue Shirah-Zambrano, San Francisco, California; Beverly Sue Dennis Cleverdon, Walter Joseph Dennis and Robbin Renee Dennis, all of Mobile; and four great-grandchildren.

He then returned to Pensacola where he worked for a while as the religion reporter for the Pensacola Journal. In responding to God's call to ordained ministry, Jim returned to school, earning a Master of Divinity from Candler School of Theology.

Jim was very intelligent, well-read, and well-spoken. He was committed to ministry and was an effective preacher. Engaging, creative, and loving, Jim was always, at heart, a pastor.

The Reverend Jake Bufford Brown

The Reverend Jake Bufford Brown, the son of John Isham and Hattie Strickland Brown, was born July 3, 1930 in Millry, Alabama. His sisters are Sally B. Jordan, Thelma B. Chavers and Marge B. Huxford. His brothers are Jim I. Brown, Theason E. Brown, the Reverend J. Lamar Brown, also a minister in the Alabama-West Florida Conference and Ted A. Brown, who predeceased him. The Reverend Emory Hill Brown was his uncle. Jake and his wife of fifty-one years, Juanita Newell Brown, were married by the Reverend Robert Howard on June 11, 1949. Juanita was born May 28, 1932. Their children are Katherine B. Merritt, Karl David Brown, Marsha B. Taylor and John I. Brown. Jacob C. Brown, William Morton Taylor and Jake C. Brown are his grandsons. Jake graduated from Millry High

School in 1949, Troy University in 1955 and Candler School of Theology at Emory University in 1960 when he was also received into Full Membership in the Alabama-West Florida Conference. During his ministry he held various district and conference officers including Conference Board of Ordained Ministry, Council on Finance and Administration, Wesley Foundation Board of Directors, Auburn University and District Committee on the Superintendency. After being diagnosed with pancreatic cancer in February 2000, Jake died in Jackson, Alabama on October 13, 2000. Dr. Steve Furr was his attending physician. At the time of his death he resided at 432 Golfview Drive, Jackson, Alabama 36545, 334/246-4987.

Jake Brown served forty-one years as an Active minister in the Alabama-West Florida Conference and four and one-half more years as a Retired Supply. Organization, planning and interpersonal relationships were among his strong points. He enjoyed being with people where they lived and where they worked.

Jake was an avid athlete. During his ministry he coached Little League baseball and Pop Warner football, was a volunteer assistant coach for junior high football, coached church youth basketball and also coached and played on church softball teams. Jake loved golf and played on a regular basis, especially during retirement. He also enjoyed fishing, hunting and just enjoying nature. He ran and jogged for many years and then made working out in the gym one of his regular activities.

During Jake's illness, his Christian faith shone like a beacon of light. He prepared his

family for his death when that time neared and died the way he lived, a true champion. His memorial service was conducted at Jackson First United Methodist Church by his brother Lamar and the Reverend Dr. Larry Davis. At his request his ashes were placed at the foot of his parents' grave at Barlow United Methodist Church cemetery in Millry. *The Reverend J. Lamar Brown*

Our daddy, Jake Brown, never stopped ministering; he always put the needs of others first. We sometimes told him he expected too much of us, but he expected even more of himself. When we had doubts, he would tell us, "You can do it," and hearing his confidence in us gave us more confidence in ourselves.

Even at the end of his life, his calling to help others far outweighed his own personal physical suffering. He continued to use his gifts to uplift, inspire, and most of all, to comfort. We knew he loved us and he knew we loved him. Daddy was a gift to us, a true gift from God for which we are most grateful. His love and strength will remain in our hearts always. He taught us how to live and he taught us how to die. What more could any father do! *Kathy Brown Merritt*

We have great memories to share about our dad, Jake Brown. Daddy knew and loved people from all walks of life. Whether he was dressed in a Sunday suit or a pair of jeans and boots, he fit right in. His presence was almost magical. With his infectious smile and kind words, he had a way of putting others at ease and making everyone feel special.

We, his family, always breathed a sigh of relief when he rounded the corner in times of crisis. His presence brought comfort, support, love and a faith in God which strengthened our own faith. After talking with him, we were able to realize that indeed, everything would be fine, no matter what happened. Ironically, Daddy told us before his diagnosis of cancer that everything would be fine, no matter how it turned out. This faith sustained him throughout his life, at his death, and today lives on in our own lives. He was a devoted husband, a loving father to his children, enjoyed a special relationship with his three grandsons who adored their Pa Pa, and was a wonderful brother, uncle and friend. He nurtured and shared his life with us and was completely committed to his faith and ministry.

One of my Daddy's favorites sermons included these words: "The very thought that there might be a 'clear day' when we 'can see forever' is a human dream, and one we may occasionally glimpse. Easter reminds us that we are headed for that day, although we're not there yet... I remember a hymn we sang in my home church, 'The Land of the Unclouded Day', which includes this verse, 'O they tell me of a home far away.. O the land of the uncloudy day.'" We take comfort in knowing that our dad is experiencing that clear, uncloudy day and can now see forever. *Marsha Brown Taylor*

It's hard to put into a few words all the things I would like to say about our dad, Jake Brown. He taught me, my brother and sisters, and his grandsons so much about people and life, even during his last days. He had a special way of making people feel comfortable and never judged or excluded anyone. I remember his saying, "Everyone is worthy in the eyes of God." That is not to say that he didn't dish out "tough love" on a regular, although well-deserved, basis. He was known around our home as the Benevolent Dictator, a title our mother gave him that always caused him to smile.

Many of our friends could not believe Jake was a minister. They would marvel at the fact that he was a "regular guy." This did not surprise me. He could, however, play a round of golf or cut a load of firewood and never utter a bad or ugly word or phrase. Talk about a higher calling!

Jake was one we all counted on to get us through those tough times in life. I know he was my "rock" for 35 years, and others have told me he was theirs.

One of the valuable lessons he taught us was that we must be able to separate the natural or physical world from the spiritual world. "Many of these tough things that happen to all people are part of the natural life - cause and effect, coincidence, accidents, errors in judg-

ment. God does not make bad things happen to people,” he would say, “but God does grieve with us, and his strength and love sustain us.” We will always remember and miss our dad, but we rejoice in the life he lived before us and with us and in the legacy he left us to cherish. *John Brown*

The life our father, Jake Brown, lived was a wonderful example to our family as well as to the congregations he served. He taught us that all people have good in them and made sure the doors of the church were open to all. He looked for ways to help others and always lent a helping hand with no fanfare. He believed we could all be loving, sharing, and better people through Christ.

We found his faith unshakable and admired that quality even more as we ourselves grew older. I say this because we were allowed to grow and make mistakes. Even though he could lay down the law, he had an uncanny ability to know when to let us experience life on our own. Knowing that he was there for us as we experienced those difficulties and trials of growing up was our silent strength and comfort. Bringing up four strong-willed, and at times irreverent, children was surely a parenting challenge; however, his will always prevailed.

Our father often said he himself was a man with many faults, and our journey of faith as Christians never ended. He did not fear his own demise, but he did feel that he had a lot to live for. He loved life and was deeply involved in it. This was never more evident than in his devotion to and enjoyment of his three grandsons - Jacob, William and Jake. They, in turn, loved nothing better than being with him. As he neared the end of his life, his concern was for all of us, and he helped pave the way so we would be able to face it. Then, when his journey was over, he left this life as he had lived it - prepared and with quiet dignity. He was, and the life he lived continues to be, an inspiration to us. *David Brown*

We are all going to miss our special friend and minister, the Reverend Jake Brown. Jake was a good Christian man and a good-hearted, compassionate person, a leader in the church and a leader in the community. He cared about his church family and he was deeply devoted to his own family.

Jake was also a fun person. We loved golf and hunting together - if you could call it that. Mostly we enjoyed laughing and talking, sharing life's experiences and looking at deer. We might not have brought any game home, but we made lasting memories of good times together.

We will remember Jake and the person he was, always there with assuring words of kindness and support, and touching the lives of each and every one of us in his special Christian way. These words come from my heart: To my good friend, “I love you Jake Brown, and thank God for your life.” *Wayne Brunson*

When I think of Jake Brown, I think of someone with a special combination of gifts. He loved doing and being around the things that men do. Whether at the golf course, Legion Field on Friday night, or at the hunting camp, Jake was the one everybody wanted to be around. On the other hand, he was the most caring, compassionate person I have ever known. He had many strengths as a person and as a minister, but his greatest strength was the knowledge all of us had that Jake genuinely and deeply cared about each of us. That compassionate and caring demeanor, however, never got in the way when the time came to answer his call and be serious about this church and his ministry. We all knew what he expected of us.

When Jake had been here only a year or two, an individual had been in a fairly controversial situation in her personal life, and frankly, was being ostracized and judged in her own church. When she began attending out church, there was some comments and some heads turned. At a pastor-staff meeting, Jake was questioned about this. He responded calmly and typically, “If she is not welcome here, if we do not affirm and love her, where in the world can she go?” This was his way of saying, “Hate the sin, but love the sinner.” After all, that's all of us. There were no more questions.

All of us, at some point, have said, “I wish I could make a difference.” Jake's life tells

us that we can - one person at a time and one day at a time. He spoke a kind word, he made each and every one feel important, his quiet elegance was a source of comfort and strength for all of us.

We are all better, much better, because we knew him. *Gaines McCorquodale*

The Reverend Ray Clinton Lane, Sr

The Reverend Ray Clinton Lane, Sr., 69, went to be with the Lord December 12, 2000, from the Druid City Hospital Regional Medical Center in Tuscaloosa, Alabama. A service of celebration was held on December 14, 2000 at St. Mark United Methodist Church in Northport, Alabama, with Dr. Steve Screws and Rev. Douglas Wells, both of the North Alabama Conference, officiating. Burial was in the Sunset Cemetery in Northport.

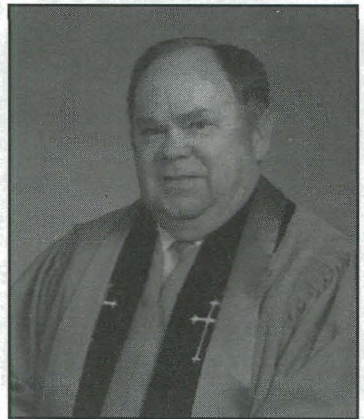

Rev. Lane was born August 18, 1931, in Escambia County, Alabama, to Clifford and Bessie Mae Beasley Lane. As a child he attended and became a member of the Coley Chapel Methodist Church of the Uriah Charge. During his teen years he felt the call of Christ on his life. However, it was not until after a tour of military duty during the Korean conflict and his honorable discharge from the U.S. Army that he answered that call. In his own words, "It was on Thanksgiving night in 1952 at the St. Mark Methodist Church in Pensacola, Florida, that I knelt at the altar and answered the call to preach. I knew that after six years of hearing this call, I could no longer refuse. It was the greatest night of my life."

In the Spring of 1953, Ray began his preparation for this call by attending Asbury College in Wilmore, Kentucky, and later, Troy State College. He participated in the Course of Study program at Emory.

He began his ministry in the summer of 1954 when he was appointed to the newly formed Tabernacle-Wesley Chapel Charge, a portion of the former New Brockton Charge. He continued serving churches throughout south Alabama until his retirement in June 1993.

Ray suffered from bladder cancer from 1993 but was declared well in October 2000. He had other health problems, but he declared with Job, "Though He slay me, yet I will trust in him." On December 11, he had gall bladder surgery and did well. Three hours after he returned to his hospital room, his heart began racing and continued until he went to be with the Lord. He died of cardiac arrest.

Reverend Lane is survived by his wife of forty-six years, Tina Sue Ward Lane; one son, Reverend Ray C. Lane, Jr. (5/4/56) presently serving the Bayou La Batre UMC; daughter Phyllis L. Tate (4/7/60) and son-in-law Reverend Russell M. Tate, presently serving the

Gordo UMC in the North Alabama Conference; and daughter Gloria L. McGahey and son-in-law Major Quentin McGahey of Savannah, Georgia; nine grandchildren, three sisters, and four brothers.

We as a family miss him dearly, but we know that he is having a great time singing in the heavenly choir, at last on key and in perfect time.

The Reverend Letcher Calhoun Mitchell Jr

The Reverend Letcher Calhoun Mitchell Jr. was born February 22, 1926, in Selma, Alabama. He graduated from Parrish High School in Selma in 1944. He received his Bachelor of Arts degree from Huntingdon College in 1955 and received his Master of Divinity from Candler School of Theology at Emory University in 1957.

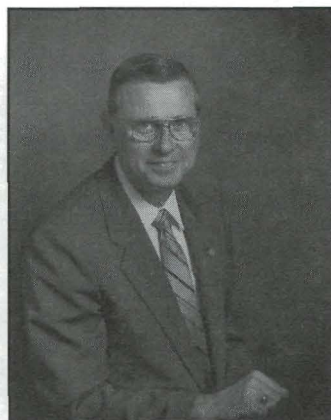

The Reverend Mr. Mitchell served the United Methodist Church as a Traveling Elder for 33 years before his retirement in June 1985. He served the church with distinction and dedication until his retirement; then he served several churches as unofficial associate in Mobile and Chickasaw,

Alabama until his health left him unable to continue. He was a gentle man of God in every sense of the word.

The Reverend Mr. Mitchell served his country as a soldier during World War II. He saw his twin brother, Harry, killed by small arms fire during The Battle of The Bulge. From that day on he seemed to feel that he had to fill a place in the world for his brother and himself. Through many obstacles, unbidden troubles, and disappointments, he never surrendered his dedication to the Gospel of the Lord, Jesus Christ. Only God knows the extent of sacrifice through which this man went to become and remain a minister of the Gospel.

On December 28, 2000, after an extended illness, the Reverend Mr. Mitchell left on the "Long Journey." Funeral services were held at First United Methodist Church on December 31st. Officiating clergy were the Reverend J. Walker Epps, the Reverend Talmadge Butler and the Reverend Louie Reynolds. He is survived by his wife, Betty J. Mitchell; two sons, Letcher C. The Reverend Laurel Leverette Davis, Jr.

The Reverend Laurel Leverette Davis, Jr., was born in Montgomery, Alabama on October 1, 1952, to Laurel Leverette Davis, Sr., and Eloise Manning Davis. He was the oldest of two children.

Upon graduation from Robert E. Lee High School in Montgomery, he then received a Bachelor of Arts degree from Huntingdon College. Larry continued his ministerial studies at the Candler School of Theology at Emory University in Atlanta, Georgia. He was awarded the Master of Divinity and Doctor of Ministry degrees in 1977 and 1986, respectively.

He served God through his faithful service to the churches of the Alabama-West Florida Conference for almost twenty-eight years.

While attending Huntingdon College he met Leslie Burson from Selma, Alabama. They were united in marriage in the Church Street United Methodist Church, Selma, Alabama, on September 6, 1975, by the Reverend R. Neil McDavid. Larry and Leslie are blessed with two sons, Lane Edward and Lyle Andrew.

During his ministry, Larry served as a registrar for the Conference Board of Ordained Ministry, a member of the Board of Pensions and Health Benefits, treasurer of Pastoral Care, Counseling and Training, Chairman of the Demopolis District Committee on Ministry, a member of the Huntingdon College Pastoral Advisory Board, on the Advisory Board of Lake Junaluska Assembly Grounds for the past five years, Associate Dean of the Southeastern Jurisdiction Ministers Week, and was preparing to serve as Dean of Ministers Week for 2002.

Larry was an avid reader and loved all sports. Due to his severe diabetic condition as an adolescent he was prevented from playing sports. However, he still contributed to the Generals of Robert E. Lee High School as team manager and statistician.

In 1993, Larry received a kidney transplant. On April 5, 2001, he experienced a massive heart attack. His service of celebration was held on Friday, April 6, 2001, from the First United Methodist Church in Jackson, Alabama. Burial was in Greenwood Cemetery in Montgomery. Those officiating in these services were Rev. Charles R. Walker, Rev. Paul D. Wolfe, Rev. George M. Sedberry, Rev. Dr. George W. Gilbert, Jr., and Bishop Larry M. Goodpaster.

Larry is survived by his wife, Leslie Burson Davis, two sons, Lane and Lyle Davis, and his mother, Eloise Manning Davis. He was preceded in death by his father, Laurel L. Davis, Sr., and his brother, William Andrew Davis.

Larry was a scholar in academic achievement. He had magnificent insights into the Holy Scriptures and how they could be applied to everyday living. Larry touched people's lives wherever he went by simply living the love of God that he preached.

SPOUSE OBITUARIES

The Reverend Joe Curtis, former Historian for the Alabama-West Florida Conference, did the vast majority of the "leg work", writing and editing for the memorials appearing in the 2001 Journal of Proceedings. For that we are most thankful and grateful and thank him for all his years of service as Conference Historian.

Mrs. Selma Theodocia White Richardson

Mrs. Selma Theodocia White Richardson of Atlanta, Georgia, died at her home on Friday, April 30, 1999. She was born the oldest of three children to Frank D. White and Roxie Jones White on May 5, 1903, in Jacksonville, Florida. It was there that she received her early education. She later attended Cheyney State Teachers College in Philadelphia, Pennsylvania, and Tuskegee Institute in Tuskegee, Alabama. She received her Master of Arts Degree in Early Childhood Development from Columbia University in New York City in 1944.

Miss White married a fellow Jacksonville native, Harry V. Richardson, on June 22, 1927. An outstanding scholar, he earned degrees from Western Reserve University, Harvard University, and Drew University. The Richardsons moved from Tuskegee, Alabama to Atlanta in 1948, when he became the President of Gammon Theological Seminary. In 1959, Dr. Richardson became the founder and first President of the Interdenominational Theological Center, a position he held until his retirement in 1975. He died of heart failure on December 13, 1990.

As a professional educator, Mrs. Richardson taught in the public schools of Newport News, Virginia. She also served as the principal of Oglethorpe Elementary School in Atlanta and the director of Spelman College's Child Development Center.

During the 1940s and 1950s, Mrs. Richardson and her late husband began introducing young boys and girls to the ocean and beach environment by taking them to their cottage at American Beach on Amelia Island - an historic beach owned by African Americans near Jacksonville, Florida. More recently, this cottage has been donated for use by Clark Atlanta University to promote and encourage the study of Oceanography and Marine Sciences by African American students.

In the early days of the Civil Rights Movement and when there was a call for integration and change, Mrs. Selma Richardson and a group of other women, both black and white, traveled throughout Georgia to demonstrate that integration could occur peacefully. They traveled in pairs, one black and one white, to restaurants, the state capitol, and to the state legislature to promote the causes in which they strongly believed. "In those days," said Selma, "people looked at us funny and wondered why we were traveling together." Her response was: "Don't look at me as a black woman; I am a woman, and that is all that matters." Reflecting on that period of her very active life, Mrs. Richardson said, "...we learned to love each other and that is the most important force in the

world." She would readily challenge everyone to fill their hearts with love so that there would be no room for hatred. "When we love each other," she said, "our lives become like beautiful gardens."

Mrs. Richardson, affectionately known as 'Selma,' belonged to many organizations,

having held several leadership positions in most of them. She was the first black president of Church Women United of Georgia, former chairperson of the Phyllis Wheatley Branch of the YWCA and the Florence Crittenden Home for Unwed Mothers. She also served in many capacities on the boards of several organizations, including the AARP, Wesley Community Centers, Villa International and the Emory School of Nursing. Mrs. Richardson was a member of the Henry M. White United Methodist Church, Alpha Kappa Alpha Sorority, the Atlanta Housing Coalition and served as a delegate to the White House Conference on Aging.

In deserved recognition of her exceptional and outstanding leadership and services, Mrs. Richardson has received numerous awards and honors. Included among these are: Wesley Woods Foundation's Heroes, Saints and Legends Award, Church Women of the Year Award, the Lamp Lighter Award presented by the Committee on Status and Role of Women, Christian Council of Metropolitan Atlanta, and Women of ITC.

Mrs. Richardson's survivors at the time of her death include her brother and sister-in-law, Mr. Milton J. and Barbara White of Atlanta; two nephews, Col. Milton J. White, II, USAF, Ret. (and his wife, Ann) of Nashville, Tennessee; Wendell F. White (and his wife, Carolyn) of Atlanta; a 108-year old aunt, Estelle Eaton, of Greensboro, North Carolina; many grandnieces and nephews; a sister-in-law, Betsy Bazier, of Atlanta; a cousin, Harriett Witsell Bowens (and her husband, Eugene) of Atlanta and a host of other cousins, god-children, and many beloved and cherished friends.

An angel has gone on before us. Glory to God in the highest.

Mrs. Thelma Melrose Williamson Wolfe

Mrs. Thelma Melrose Williamson Wolfe, wife of the retired Reverend Asbury F. Wolfe Jr., died unexpectedly on May 20, 2000. Mellie, as she was fondly called by friends and family, was a native of Lexington County, South Carolina. She married Asbury Francis Wolfe Jr. on March 18, 1948. Asbury served in the United States Army from 1948 until 1972. Melrose followed Asbury to duty posts across America and she spent twelve years living in Europe. Repeated assignments to Fort Rucker connected the Wolfe family to the United Methodist Church of the Alabama-West Florida Conference.

Her Christian conversion occurred when she was a young adult. Her home was Christ-centered and she offered Christian and southern hospitality to everyone God brought into her life and home. Countless young military men and women found welcome weekly in her home through the years. On holidays a steady stream of homesick soldiers enjoyed a home cooked meal and a motherly welcome at her table. She worked with her husband Asbury in both the German and American Youth for Christ Ministries. Missionaries from Africa and Europe found lodging and welcome in her home as they returned from or embarked to the mission field. Her famous southern fried chicken was often

their first taste of American food. The children of missionaries often visited in her home while they sat for their college entrance exams for American universities on the campus of the University of Heidelberg. She never seemed to tire of offering Christian hospitality wherever her life journey took her. Her transition to her role as the spouse of a pastor for the last twenty years of active service was a natural step.

The central focus of Melrose's life were her five children. Wherever the family traveled, wherever they lodged, whether in a basement apartment, a Methodist parsonage, military housing, a home in rural Alabama, or in a European city, she made a secure loving home for them. Her greatest gift to them in addition to life itself was the lessons she taught of the value of responsibility, hard work, an education and the importance of a personal relationship with God. She taught her children that a vital Christian faith should make a difference in their lives and in their world every day.

When Melrose and Asbury retired they continued their tent-making ministry by founding and sponsoring Christian Missions for Honduras. Her home became a collection and shipping center for medical, dental, mechanical and school supplies, clothing, and hospital linens. Four water wells and systems in Comayagua and one in Tugucigalpa were drilled, constructed and dedicated in her memory.

Graveside services were held in the cemetery near the Poole's Mill crossroads in South Carolina on the grounds of the Ebenezer United Methodist Church where Bishop Francis Asbury held Charge Conference.

We give God thanks for entrusting life to Thelma Melrose Wolfe. She was a good steward of every gift and blessing. Her children rise up and call her blessed! Glory and honor and praise belong to the God who gave her life.

The Wolfes have lived in South Carolina at 6447 Edmund Highway, Lexington, South Carolina 29073-8234; 803/755-0987 since his retirement. Mrs. Wolfe is also the mother of the Reverend Paul Wolfe, who at the time of his mother's death was pastor of the Trinity UMC in Ft. Walton Beach, Florida. Paul became District Superintendent for the Greenville District at the 2001 Annual Conference.

Thea Olean Rhodes

Thea Olean Rhodes entered into Life Eternal on December 25, 2000. She was born June 24, 1911 in the Union Community, near Dadeville, Alabama, daughter of Thomas A. Walls and Arizona Smith Walls. Most of her years were spent in and around the community where she grew up. She was a member of the Union United Methodist Church, formerly of the Old Macon Circuit and the Tallapoosa Circuit. She was baptized at an early age by the Rev. E.B. Paul.

She met and married her husband, Daniel Whitfield Rhodes, in 1937. Together they reared five children: Virginia Rhodes (Gene) Knowles, Roger Wayne Rhodes (deceased), Wylodene Rhodes Foshee, Bobbie Rhodes (Dan) Graham, and Daniel (Cheryl) Rhodes. She spent many of her early years taking care of her family and doing the things that help to make a strong family.

When our father, the Reverend Daniel W. Rhodes felt God was calling him into pastoral ministry, mother was not all that excited. After all, they were both in mid-life: he was 53 and

she was 56. After some time of prayer and searching, they obeyed God and were appointed by the Alabama-West Florida Conference to the Williams-Tennille Charge near Brundidge, Alabama. They were both excited to be sent there. Mother became an excellent pastor's wife and was an inspiration to those who became acquainted with her. She and daddy would serve for fifteen years in the Annual Conference, only to be curtailed by our dad's illness and eventual death in 1984.

Mother was a joy to be with. She had a great sense of humor and took great joy in being with friends and family. She loved people, and that was quite evident. In the face of adversity, she showed everyone that life was still worth living.

Through the years, we watched as her body was ravaged with problems often associated with aging. One of the most difficult days our family ever spent was in August 1998 when she made the decision to move to Wilder's Nursing Facility in Dadeville. Much to our surprise, she adapted extremely well. She became the favorite patient of all those who worked there. She also helped to make the days better for many of the patients who lived there.

This was our "Mama." She was full of life until her last day. Our family had planned to spend Christmas Day with her. Early on Christmas morning, she was stricken with a stroke. We did spend the day with her at the hospital. At about 5:45 that evening, God said it was enough. With all her children and many of her grandchildren and great-grandchildren present, she joined the Church Triumphant. God gave her to us for 89 years. She was our joy and our inspiration. Abraham Lincoln said these words about his own mother: "No man is poor who has had a Godly mother."

Funeral services were held on December 28 at 11:00 at the Union United Methodist Church, where she had been a member for more than eighty years. The Rev. John Wilson, pastor of the Union Church, and the Rev. Cecil Coleman, longtime friend, officiated. The service was a great celebration of Thanksgiving for her life among us.

D.A. Marcum wrote some prose several years ago that says for our family what we would like to say about our Mother.

Every sentimental day
 Brings back to memory
 So many fond and cherished thoughts
 of days that used to be...
 The loving things you always did
 Your understanding, too
 And all our happy times at home
 That centered around you -
 And as these thoughts come back to mind
 Just thought you'd like to hear
 That you're just as special now as then...
 Except ten times as dear!

Sarah Fay Forwood Sheppard

Sarah Fay Forwood was born in Mobile, Alabama on August 31, 1933. She was the daughter of Gosport, Alabama native Walter Woodrow Forwood and a Mobilian, Maggie Gertrude Doran Forwood. She graduated from Murphy High School and attended Livingston College before taking a long break to raise children. When she resumed her studies, she earned an Associate Degree from Jefferson Davis Junior College, a Bachelor of Science Degree from the University of West Florida, and a Master of Education Degree from Troy State University.

As she grew up in the Toulminville neighborhood of Mobile, one of the most familiar faces around was Tom Sheppard. They went to school together and they went to church together at the

Toulminville Methodist Church. They were married there on August 29, 1953. Tom answered the call to preach the next year, and the year after that the children began arriving: Suzanne Marie (9/18/55), Thomas Jefferson, Jr. "Jeff" (3/27/57), Walter Daniel "Dan" (11/24/58), Melinda Diane (3/24/60), John Doran (8/2/62), and Sharon Cecile (12/28/63).

The following are excerpts from a tribute to Sarah compiled by Whitfield UMC:

"The most meaningful memory I have of Mom has to do with her love for the Word of God. I recall the daily devotions with our family at breakfast as Mom read the Bible, then the Upper Room. I was always deeply impressed with the tremendous knowledge of scripture and the Biblical encouragement Mom gave me." Dan Sheppard

"There are so many ways that we will miss Sarah because she was always quietly doing things for us. If someone became ill, Sarah was there with her sweet smile, doing what she could do for the patient. She must have strained the family budget by mailing so many birthday and get-well cards. If there was a death, Sarah was always there standing in the background." Bettye Martin

"Sarah Sheppard was one of the most selfless people I have ever encountered. She loved and served her God in a very real and visible way each and every day. Oh how I will miss that cheerful, smiling face, the enthusiastic "Good Morning" over the telephone, the bounty of compliments and encouragements, and the true and serious concern for older adults that she shared. Thank you, God, for using Sarah to show us more of what we should all be like." Cherie Meadows

"How can words express what Sarah Sheppard meant to the "Merry Elders?" Forming the group was her idea. She recruited Wayne Read to play the piano and me to direct. She recruited the initial members. She called the various retirement facilities around the city," resulting in our "having regular singing dates eight to ten times a month. As Tom remarked, we dare not let Merry Elders slide now for if we do we will have to answer to Sarah in the sweet by and by." Jack Reed

"I am writing for all the Senior Adults of Whitfield UMC whose lives were touched by Sarah Sheppard. She was always there for each one of us. She was there to pick us up when we needed a ride whether to the doctor, hospital, Sunday School and church, or to one of the many trips we took over the years. She was our leader, our friend, our role model. We will miss her smile, her concern, her loving personality and her Christian spirit. Goodbye Sarah. We love you..." Corinne Lawrence

"Our ministry began when Sarah's husband finally answered God's call to be a preacher. This happened when we were married four months. In fact, I awakened her with the ques-

tion, "How are you going to enjoy being a Methodist preacher's wife?" Her hesitant answer was, "Are you sure?" To my question she quickly answered yes! The fulfillment of that dream has been wonderful, satisfying, and full of joy." Tom Sheppard

Sarah died unexpectedly of congestive heart failure on Sunday afternoon, January 28, 2001. An overflow crowd packed the Whitfield UMC sanctuary for her memorial service. The service was conducted by Whitfield ministers the Reverend Ken Autrey, the Reverend Jack Kale, and Cherie Meadows, along with sons Jeff (lay speaker) and Dan (Baptist minister). Internment took place at the Bradford's Chapel UMC Cemetery in Shorter, Alabama.

She is survived by Tom, her husband of over forty-seven years; her children, Suzanne Sheppard, Jeff Sheppard (& wife Amy), Dan Sheppard (& wife Linda), Melinda Sheppard Jackson (& husband Jim), John Sheppard (& wife Carol), and Sharon Sheppard Hudson (& husband Rev. Dan); and twelve grandchildren, Beth Sheppard, Jeffrey Sheppard, Tommy Sheppard, Ellen Sheppard, Trey Jackson, Hannah Jackson, Rebecca Jackson, Joshua Jackson, Cortney Orr, Whitney Orr, Frankie Hudson, and Jonas Hudson.

Regarding Request for a Judicial Ruling**

Passed as amended

To the members of the 2001 Alabama-West Florida Annual Conference of The United Methodist Church:

We respectfully petition a request be made to the General Council of Finance and Administration (GCFA) asking the GCFA to make a formal request for a Judicial Council declaratory decision concerning the withholding of monies being paid to Bishops who continue to violate the intent of the Book of Discipline.

As an agency of the Church, the GCFA can request such decisions from the Judicial Council to better understand particular areas of responsibility, (paragraph 2610 - 2(c), 2000 Book of Discipline). This request specifically would ask for guidance in regards to whether the GCFA can withhold money being paid to Bishops who go public with the "dissemination of doctrines contrary to the established standards of doctrine of the Church", (paragraph 2702 (f), 2000 Book of Discipline). The GCFA is given the responsibility for ensuring that United Methodist funds are not used "to

promote the acceptance of homosexuality", (paragraph 806.9, 2000 Book of Discipline). Previous Judicial Council decisions have upheld the intent of this paragraph of not using United Methodist funds for the promotion of homosexuality.

2000 GENERAL CONFERENCE The United Methodist Church

Proposed Constitutional Amendment -- I

On May 9, 2000, at a session of the General Conference of The United Methodist Church held in Cleveland, Ohio, the following Constitutional Amendment was made by a recorded vote of 864 Yes, 57 No. It is now presented to the Annual Conferences for vote.

Amend the Preamble to the Constitution, beginning with the third paragraph, as follows:

Insert "The United Methodist Church and its predecessors," after "The prayers and intentions of" in the first sentence of the third paragraph and "The United Methodist Church has adopted and amended the following Constitution" following "Therefore," in the fifth paragraph.

Delete "In harmony with these prayers and intentions, these churches do now propose to unite, in the confident assurance that this act is an expression of the oneness of Christ's people" from the end of the third paragraph, the entire fourth paragraph and all, except the first word, of the fifth paragraph.

If voted and so declared by the Council of Bishops, the Preamble to the Constitution would read:

The church is a community of all true believers under the Lordship of Christ. It is the redeemed and redeeming fellowship in which the Word of God is preached by persons divinely called, and the sacraments are duly administered according to Christ's own appointment. Under the discipline of the Holy Spirit the church seeks to provide for the maintenance of worship, the edification of believers, and the redemption of the world.

The church of Jesus Christ exists in and for the world, and its very dividedness is a hindrance to its mission in that world.

The prayers and intentions of The United Methodist Church and its predecessors, The Methodist Church and The Evangelical Brethren Church, have been and are for obedience to the will of our Lord that his people be one, in humility for the present brokenness of the Church and in gratitude that opportunities for reunion have been given.

Therefore, The United Methodist Church has adopted and amended the following Constitution.

Proposed Constitutional Amendment -- II

On May 9, 2000, at a session of the General Conference of The United Methodist

Church held in Cleveland, Ohio, the following Constitutional Amendment was made by a recorded vote of 908 Yes, 17 No. It is now presented to the Annual Conferences for vote.

In Division One, Paragraph 1, Article I, substitute the words "have been" for "shall be" and "into" for "in" in the first sentence and "United Methodist Church" for "united" in the second sentence.

If voted and so declared by the Council of Bishops, Paragraph 1 would read:

Declaration of Union - The Evangelical United Brethren Church and The Methodist Church have been united into one Church. The United Methodist Church, as thus constituted, is, and shall be, the successor of the two united churches.

Proposed Constitutional Amendment -- III

On May 10, 2000, at a session of the General Conference of The United Methodist Church held in Cleveland, Ohio, the following Constitutional Amendment was made by a recorded vote of 865 Yes, 32 No. It is now presented to the Annual Conferences for vote.

In Division One, Paragraph 3, Article III, amend by deletion and addition, as follows:

Delete "shall be" and "currently." Insert "of The United Methodist Church are" after "Confession of Faith." Add "at the time of their uniting" at end of sentence.

If voted and so declared by the Council of Bishops, Paragraph 3 would read:
Articles of Religion and the Confession of Faith - The Articles of Religion and the Confession of Faith of The United Methodist Church are those held by The Methodist Church and The Evangelical United Brethren Church, respectively, at the time of their uniting."

Proposed Constitutional Amendment -- IV

On May 12, 2000, at a session of the General Conference of The United Methodist Church held in Cleveland, Ohio, the following Constitutional Amendment was made by a recorded vote of 700 Yes, 170 No. It is now presented to the Annual Conferences for vote.

In its place, add, "The United Methodist Church acknowledges that all persons are of sacred worth. All persons without regard to race, color, national origin, status, or economic condition, shall be eligible to attend its worship services, participate in its programs, receive the sacraments, upon baptism be admitted as baptized members, and upon taking vows declaring the Christian faith, become professing members in any local church in the connection."

If voted and so declared by the Council of Bishops, Paragraph 4 would read:

Inclusiveness of the Church--The United Methodist Church is a part of the church universal, which is one Body in Christ. The United Methodist Church acknowledges that all persons are of sacred worth. All persons without regard to race, color, national origin, status, or economic condition, shall be eligible to attend its worship services, participate in its programs, receive the sacraments, upon baptism be admitted as baptized members, and upon taking vows declaring the Christian faith, become professing members in any local church in the connection. In The United Methodist Church no conference or other organizational unit of the Church shall be structured so as to exclude any member or any constituent body of the Church because of race, color, national origin, status or economic condition.

Proposed Constitutional Amendment -- V

On May 12, 2000, at a session of the General Conference of The United Methodist Church held in Cleveland, Ohio, the following Constitutional Amendment was made by a recorded vote of 831 Yes, 45 No. It is now presented to the Annual Conferences for vote.

In Division One, insert a new paragraph immediately following Paragraph 4, which would read as follows:

Racial Justice-The United Methodist Church proclaims the value of each person as a unique child of God and commits itself to the healing and wholeness of all persons. The United Methodist Church recognizes that the sin of racism has been destructive to its unity throughout its history. Racism continues to cause painful division and marginalization. The United Methodist Church shall confront and seek to eliminate racism, whether in organizations or in individuals, in every facet of its life and in society at large. The United Methodist Church shall work collaboratively with others to address concerns that threaten the cause of racial justice at all times and in all places.

If voted and so declared by the Council of Bishops, this amendment would become Paragraph 5. Other articles would be renumbered accordingly.

Delete "in" following "Titles to properties" and "upon consummation of the union" in the first sentence.

Add "formerly held by" after "Titles to properties" in the first sentence.

If voted and so declared by the Council of Bishops, Paragraph 6 would read:

Title to Properties-Titles to properties formerly held by The Evangelical United Brethren Church and The Methodist Church shall be held and administered in accordance with the Book of Discipline. Nothing in the Plan of Union at any time after the union is to be construed so as to require any local church or any other property owner of the former The Evangelical United Brethren Church or the former The Methodist Church to alienate or in any way change the title to property contained in its deed or deeds at the time of union and lapse of time.

On May 12, 2000, at a session of the General Conference of The United Methodist Church held in Cleveland, Ohio, the following Constitutional Amendment was made by a recorded vote of 813 Yes, 57 No. It is now presented to the Annual Conferences for vote.
