

Epson TM-T70-i Series

DATASHEET

The Epson TM-T70-i provides users with a straightforward and elegant printing solution, with no need for drivers. Ideal for use with tablet PCs or mobile phones, the TM-T70-i is simple to use and maintain, with the ability to print from any device running an HTML 5 compatible web browser. In addition, the TM-T70-i has controls and paper loading at the front of the device, as well as a splash-proof housing, making it ideal for mounting under counters.

Ease of use

The Epson TM-T70-i provides convenient and straightforward receipt printing directly from tablet PCs and other mobile devices without the need for drivers, so a LAN or WLAN connection is all that you will need. In fact, the TM-T70-i can print from any device that is running a popular web browser.

Intelligent functionality

Using a unique built-in intelligence called ePOS-Print, the TM-T70-i is able to receive XML commands from web applications in addition to communicating directly with browsers supporting HTML 5, such as Safari®, Chrome™, Internet Explorer® and the standard Android browser. This makes the TM-T70-i ideal for restaurants, hotels and bars using tablet PCs or mobile phones for ordering. Additionally, users can switch between applications without changing printer settings, and configure the printer from mobile devices.

Control connected devices

Due to ePOS-Print's ability to recognise all major ESC/POS functions which are sent as XML commands, the TM-T70-i can control cash drawers, as well as additional printers with a wired or wireless UIB interface, such as order-driving kitchen printers.

Reliable, easy servicing and maintenance

The TM-T70-i is ideal for businesses that require a stable system that is cost-effective to implement and maintain. With no drivers to update and no need for a permanent connection to a PC or server, servicing and trouble-shooting are simple. In addition, fewer pieces of equipment mean less power consumption, reducing bills and environmental impact.

Convenient placement

With controls and paper loading at the front of the device, in addition to a splash-proof housing, the TM-T70-i is designed for mounting under counters.

KEY FEATURES

- **Print via browsers**
Print directly from HTML 5 browsers
- **No drivers needed**
No drivers to install or update
- **XML compatible**
Responds to web application commands
- **ESC/POS function**
Recognises functions sent as XML
- **Easy placement**
Controls and paper loading at front

PRODUCT SPECIFICATIONS

INTERFACES

Interfaces USB 2.0 Type A (4x), Ethernet interface (100 Base-TX / 10 Base-T), USB 2.0 Micro-AB, SD memory card, blank

GENERAL

Product dimensions 125 x 194 x 114 mm (Width x Depth x Height)
Product weight 1.8 kg
Colour Epson Dark Gray / Epson Cool White
Sound Pressure Operation: 55 dB (A)
Installation horizontally
Humidity Operation 10% - 90%, Storage 10% - 90%
Temperature Operation 5° C - 45° C, Storage -10° C - 50° C

FONTS & STYLES

Print Speed 170 mm/sec
Printing Font ANK
Character size 1.27 mm (W) x 2.4 mm (H) / 1.69 mm (W) x 3.38 mm (H)
Dot density 180 dpi x 180 dpi

DATA BUFFER

Data Buffer 4 kB or 45 Bytes

STANDARDS COMPLIANCE

EMC Standards CE marking
Safety standards TÜV

OTHER FEATURES

Cutter Partial Cut
Factory options Autocutter, Near-end sensor
Sensors Unit open sensor, Paper End Sensor, Paper Near End Sensor

OTHER

Warranty 24 months Carry in
Optional warranty extension available

Epson TM-T70-i Series

WHAT'S IN THE BOX

- AC Adaptor

OPTIONAL ACCESSORIES

- Epson OT-WL01 (732): Wireless LAN set for Epson TM-i
C32C890732
- OT-CC70-607: Connector Cover for TM-T70-i EBCK
