

# Play Structures

Let's  
play!

A young girl with blonde hair, wearing a black patterned shirt and a pink skirt, is smiling broadly and hugging a blue play structure. In the background, another child is visible, also smiling. The scene is set outdoors at a playground.

play is good.  
bring  
it out!

Contact your local sales representative listed on page 186.

Proper safety surfacing is required under all play equipment. Signage displaying safe play instructions and age appropriateness is strongly encouraged.

# WHAT MAKES outdoor play so good?

## Emotional Development

Outdoor play builds self-confidence by encouraging kids to problem solve and conquer challenges.

## Physical Development

Our playground components promote a variety of physical activities including running, balance, muscle strength and coordination.

## Cognitive Development

Developed to encourage critical thinking, our playgrounds offer plenty of opportunities for problem solving, strategic thinking and competitive play.

## Social Development

Social interaction comes naturally on our playgrounds. Kids learn to work together, share and cooperate with each other, all in the name of fun.

## Sensory Development

We design playgrounds to activate all the senses and provide opportunities for children to get valuable exposure to activities that can't often be replicated outside of play. Many beneficial proprioceptive (spatial awareness) and vestibular (balance) experiences can also be found on our playgrounds.

Our equipment meets or exceeds safety standards established by leading authorities in safety such as ASTM, CPSC, CSA, CPSIA, IPEMA, and EN.

To verify product certification, visit [www.ipema.org](http://www.ipema.org).

# WE PUT safety first

When it comes to pushing their limits and challenging their abilities—kids will be kids. That’s why we always put safety first in everything we do. From product development to providing valuable input into the safety standard development process, we make it our mission to ensure that every piece of equipment and play area designs meet or exceed all safety requirements. Our design professionals and sales representatives use their vast knowledge and experience to ensure all play designs are safe and ready for play.

# everyone

BENEFITS FROM

# inclusive play

All kids have one thing in common—they love to play. And because play benefits all kids, this common thread makes it vital to create playgrounds where kids of all abilities can come and play together. Thoughtfully designed inclusive play areas help level the playing field, allowing kids of all abilities to benefit from the social, physical, emotional, cognitive and sensory benefits of outdoor play.

# Inclusive play IS AT THE HEART of our designs.

## Inclusion

Inclusion is all about providing opportunities for children of all abilities to join in and play. We pride ourselves on delivering this promise and creating designs that cater toward the unique needs of each community.

## Accessibility

Access to play is carefully considered in all designs, so everyone can play.

## Socialization

Our playground components encourage interaction so kids of all abilities can benefit from playing with one another.

## Sensory Play

Our playgrounds are designed to activate multiple senses and support a wide range of abilities and play patterns.

## Play for All

No matter what your playground needs, we have inclusive designs and products to make sure everyone, regardless of ability, can play.

All structures shown in this catalog meet ADA standards for accessibility. Look

for this icon in the Components and Independent Events sections to identify specific items that are also ADA compliant.

Atwater Park, WI

# READY, SET, play!

## The Story of Sara's Garden

New Horizons Academy at Sara's Garden is a holistic, all-encompassing educational center for children of varying diagnosed disabilities. To make their school complete, they needed one more thing: a playground where kids of all abilities could play together.

Working with the community to bring their playground to life, Sara's Garden created Northwest Ohio's first handicap accessible, inclusive playground. Little Tikes Commercial worked with Sara's Garden to make sure the right playground equipment and activities were chosen to encourage children of all abilities to play together, experience movement and balance and to feel independent in ways they previously could not.

The community rallied around the project and came together to help raise funds for this impressive playground. Now, thanks to a dream and a lot of hard work, a playground where kids of all abilities can play together and benefit from outdoor play is now a life-changing reality.

Sara's Garden, OH

# DREAM. Invest. Build.

## Bringing “A Playground for Everyone” to Turtle Lake Elementary

When a small group of parents at Turtle Lake Elementary pitched their idea for an inclusive playground for their school and the greater Shoreview community, little did they know that an entire community would come together to make it happen.

Local businesses, community members and local municipalities offered financial contributions and volunteered their time to make “A Playground for Everyone” possible. Little Tikes Commercial worked tirelessly with Turtle Lake to develop a sensational design that met several criteria including ramping to the highest point, solid surfacing and innovative equipment that would address the needs of children with cognitive, visual, auditory and physical challenges.

The implementation of the playground was made possible by countless volunteer hours by parents, grandparents and the community at large. Now, what started out as a great idea has come to life. “A Playground for Everyone” has made it possible for kids of all abilities to enjoy recess, benefit from outside play and most importantly, play together side-by-side.

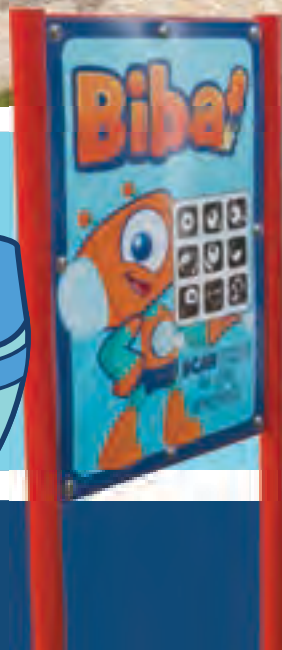

Turtle Lake Elementary, MN

# Biba!

**The smarter playground!**

Experience this exciting new digital play, unlocked through the smartphones found in every parent's pocket or purse.

## Biba gets kids active!

No more staring at the screen: Biba games combine the rewards and achievements that kids love with the outdoor, imaginative and physical play that they need.

## Parents are part of the fun!

Thanks to our "refereed" mode of play, the smartphone never leaves the parent's hands... even while they are fully engaged with their child during gameplay.

## All games are free to play!

Parents can download any of our games through iTunes or Google Play and start the fun right away. New games will be released regularly.

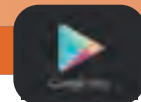

## No maintenance required!

Biba's smart playground system uses durable augmented reality markers affixed to standard equipment: they require no lights, magnets or electricity.

Find out more by visiting our website at [www.smarterplaygrounds.com](http://www.smarterplaygrounds.com) and contact your local Little Tikes Commercial representative!

## IMAGINATIONS THRIVE

# on our **School** playgrounds

### Educated Design

- We specifically design play structures to provide a clear line of sight so teachers can keep an eye on children at all times.
- Durability and high quality materials make Little Tikes Commercial Playgrounds the perfect playground for schools.
- Our playgrounds come backed with one of the best warranties in the industry.
- Independent events and components provide a variety of challenges that are age and developmentally appropriate.
- Our play structures meet or exceed the most rigid safety standards.

Check out our funding section to find out how these organizations can help with the purchase and financing of your playground.

Profit as much as 50% with our fundraising program. Visit [DoughBuilders.com](http://DoughBuilders.com) or contact your local sales representative.

### Educated Planning

- Play structures can be completed in phases allowing flexibility to add on sections as your budget permits.
- We help you identify the best financing, fundraising and grant opportunities to fund your playground.
- Your local sales representative is with you every step of the way—from planning and designing to phasing and installation.
- Free design services help you visualize your playground and rally support from volunteers and contributors.

Skyview Academy, CO

# Community parks love a PLAYGROUND

Together we can create a playground that kids of all ages will love.

## Wow Factor

Check out our New Products section to see some of our latest product innovations.

## Inclusive Play

All for Play, Play for All! Our inclusive playground designs and equipment make play accessible for kids of all ages and abilities. Look for our "Fun for All" icon throughout this book.

## Create a Multi-Generational Gathering Place

Our extensive line of site amenities invite everyone to come and join in the fun! From seating and shelters to plenty of shade, we have all you need to make everyone feel welcome.

## Designed for communities large and small

No matter where you call home, we have playgrounds that will fit right in. Rural, urban or somewhere in between, your local sales representative will work with you to design the playground that fits your needs and your budget.

## Purchasing Made Easy

We make contract purchasing quick and painless. Little Tikes Commercial is a proud member of NJPA, making bids easy.

Plymouth Creek Park, MN

Furman Park, CA

Check out our funding section to find out how Marlin Business Services Corporation can help with the purchase and financing of your playground.

Homestead in the Willows, CO

# BUILDING a neighborhood playground

Adding a playground to your neighborhood benefits the community, your property value and, most importantly, the kids. But where do you even start?

How do you make sure your playground is ADA compliant?

How much money do you need and how can you fund it?

How can you share your vision with your HOA to get them on board?

Don't worry, we know you have lots of questions. We can help you through the entire process.

## What separates Little Tikes Commercial from the rest?

- Durability and high quality materials make Little Tikes Commercial the perfect playgrounds for neighborhood communities
- Play structures can be completed in phases allowing flexibility to add on sections as your budget permits
- Our local representative is with you every step of the process—from planning, rallying support and design to phasing and installation
- Our play structures meet or exceed the most rigid safety standards

Arma Dei, CO

# BRING YOUR ideas out to play

Our passion for design innovation starts with you.

- We offer design services, custom capabilities and all the support materials you need.
- If you can dream it, our custom design studio can create it. They will make your unique vision fit perfectly with even the most creative outdoor settings.
- We will help you WOW your clients with high quality design renderings.
- Our vast portfolio has everything you need from play equipment and surfacing to site amenities and shade.

For more information about our Custom Playgrounds, go to the custom section on the next page.

Wildwood Community Park, MO

Zoomars Petting Zoo, CA

# custom DESIGN studio

At Little Tikes Commercial we have a dedicated team of talented and creative designers that work solely on custom, one of a kind playgrounds. They will work closely with you to make sure you are getting exactly what you had in mind. Our world-class custom capabilities include creating custom fabricated sculptures and play features that will turn your design concept into a must-see-and-experience playground destination.

Wildwood Community Park, MO

# LET US customize your creative VISION

At Little Tikes Commercial we collaborate with you every step of the way to bring your dream playground to life. Your sales representative and design team will work closely with you from your unique vision to final installation. We will also make sure your new dream playground is tailored to match the surrounding area—so it fits naturally in its environment.

Custom Play

San Martin Park, CA

# Go from **vision** to **play** IN 5 STEPS

## Imagine

By applying your vision and taking cues from your surrounding areas and activities, our design team will help you create conceptual designs that will enhance your future play space.

## Plan

By combining standard playground equipment, custom sculptures, components and themed accessories, our team will begin with drawings to bring your ideas to life.

## Select

After all concepts are reviewed and final drawings, project costs and site requirements are evaluated; we will then develop a timeline to deliver your custom designed playground.

Garbolino Park, CA

## Build

Our custom design fabricators utilize only the highest quality materials and meet or exceed all industry safety standards.

## Play

We give you the world's-most-superfantabulous-wish-I-had-one-of-these-as-a-kid-playgrounds that children will enjoy for years to come.

# How to read our PLAY STRUCTURE pages

Here is a snapshot of the information you will find on each of the structure pages in our catalog. Use this guide to navigate the information provided.

## Approximate Price

Prices shown in catalog are approximate and reference the cost of play structure only. Prices do not include independent events.

## Why 2 Age Ranges?

The U.S. Consumer Product Safety Commission (CPSC) creates playground safety guidelines for age groups 2-5 and 5-12 years.

The Canadian Standard Association (CSA) provides playground guidelines for age groups 18 months-5 years and 5-12 years.

## Fun for All – ADA & Annex H Compliant

Our products support a wide range of abilities. Variety of play patterns helps children of all abilities stimulate their senses and boost confidence through interaction.

## KidTimbers®

The approximate number of KidTimbers® suggested for a play space.

## Why Approximate Accommodations?

We have created our own conservative approach to play capacity since there is no nationally recognized method. Our Approximate Accommodations numbers are determined by how many kids can “play” on the structure based on deck sizes and available play events and not how many kids can “fit” on and around the structure.

## Product Number

**AGES** 5-12 (5-12 CSA)

## Nu-edge™

**Ages: 2-5, 5-12 (18 mos-5, 5-12 CSA)**

Little Tikes Commercial Play Structures has designed a play system totally different from anything you've ever seen. Our Natural Urban Edge playgrounds will challenge kids physically, while stimulating their imaginations.

## KidBuilders®

**Ages: 2-5, 5-12 (18 mos-5, 5-12 CSA)**

Our KidBuilders® line puts your imagination to the test with a massive array of options, while giving you the peace of mind that you've built the best playground.

## Gelefish™

**Ages: 5-12 CPSC (5-12 CSA)**

This playground delivers a fresh modern look, while giving you the ability to customize play components. Gelefish™ will deliver the WOW! factor your budget is craving!

## N-R-G Builders® & N-R-G Freestyle

**Ages: 5-12 CPSC (5-12 CSA)**

Our completely ground-level, modern play systems make fitness fun!

## SkyBuilders®

**Ages: 5-12 CPSC (5-12 CSA)**

The term "slide" doesn't really do it justice. Somewhere on the path to Everest Peak, you'll find one of these. Created for miniature mountaineers and future adrenaline junkies, our SkyBuilders® line delivers a whole new level of self-confidence as they conquer new heights.

## PlayBuilders®

**Ages: 2-5, 5-12 (18 mos-5, 5-12 CSA)**

Don't let the 3.5" post fool you. This strong and sturdy system has a knack for fitting into all kinds of spaces and budgets with no shortage of super durable options to keep kids occupied for hours on end.

## MaxPlay®

**Ages: 2-5, 5-12 (18 mos-5, 5-12 CSA)**

MaxPlay® systems are totally pre-configured, making them a great solution for limited spaces and budgets. You choose the color scheme, we do the rest. Our MaxPlay systems stretch out play value while fitting nicely into smaller spaces delivering an incredible bang for your buck.

# natural urban NU·edge™ featuring Naturtek™

## Welcome to nature's playground

- Exclusive lightweight and durable Naturtek™ material is easy to install, maintain, and looks and feels exactly like real trees, rocks, stumps and logs
- Naturtek™ is made from composite resin, doesn't absorb water and is UV stable to prevent fading, staining, chipping or breaking after extended exposure to the natural elements.
- No touch-ups necessary because the color in Naturtek™ is infused all the way through the product
- Our NU-edge™ components are available on our KidBuilders® 5" and PlayBuilders® 3.5" O.D. post systems for maximum versatility.

# WEATHER STATION™

WeatherStation™ independent play activity panels offer eight interactive, weather-related experiences, which can be purchased as an independent three-panel station or individually on KidBuilders® and PlayBuilders® systems.

Activities stretch over several subject areas, including math, science, social studies, language and physical development. Play-based learning fosters social, emotional, physical and cognitive development, and various degrees of challenges.

KB PB

## A. Thermometer

- Spin the kid-friendly ergonomic dial to move the real working thermometer and reveal an image that corresponds to the temperature range in both Celsius and Fahrenheit.

## B. Weather Cycle

- Reveal various stages of the weather cycle - from rain falling to cloud formation - by turning the dial.

## C. Forecast the Weather

- Use what you know today to predict tomorrow's weather. The dial reveals images that correspond to weather conditions.

## D. Forecast the Temperature

- Dials show the actual temperature range. Each window has a thermometer that matches the range shown in the other window. Predict the temperature range based on previous and current day temperatures.

## E. What to Wear

- Spin the cylinders to change Polar Bear, Frog and Flamingo character clothing to correspond to conditions.

## F. Matching Game

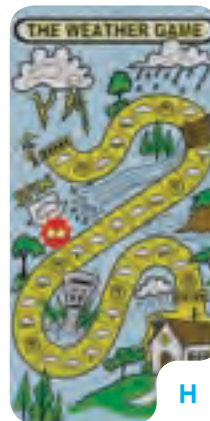

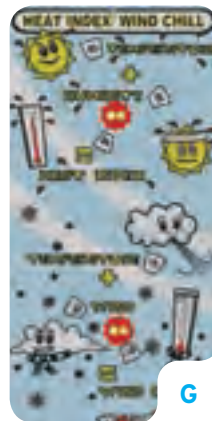

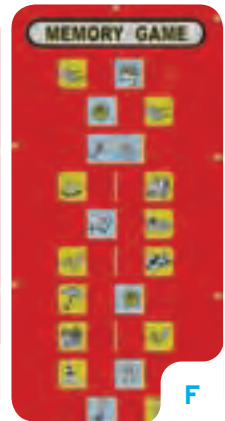

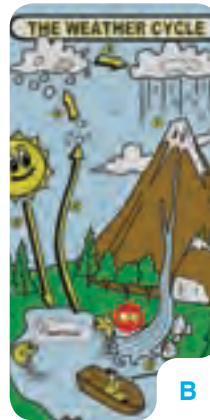

- Move sections back and forth to reveal weather-related images.

## G. Heat Index & Wind Chill

- Spin the dials to change the temperature. Each window displays a number that corresponds to temperature and humidity. Adding them reveals the heat index. Temperature and wind speed determine wind chill.

## H. Weather Game

- Spin the dial to reveal a weather-related image. Follow the winding yellow path to find the space that matches the image.

## weather panel configurations

For three panel stations:

### Sunny Days

- Thermometer, What to Wear and Matching Game

### Cloudy Days

- Forecast the Weather, Forecast the Temperature and Heat Index/Wind Chill

### Rainy Days

- Forecast the Weather, Matching Game and Weather Game

### Snowy Days

- Thermometer Panel, What to Wear Panel and Weather Game Panel

### Windy Days

- Forecast the Temperature, Weather Cycle and Heat Index & Wind Chill

## accessories

### I. Basketball Equipment

- Heavy-gauge steel backboard
- Fan or rectangle shape (fan-shaped also available in corrosion-resistant cast aluminum)
- Gooseneck posts available in 3.5" (89mm) O.D. hot-dipped galvanized pipe, or for high use areas, 4.5" (114mm) O.D. hot-dipped galvanized pipe

### J. Talk Tube

- Megaphone shape captures and amplifies sound emissions
- Encourages cooperative social play
- Inclusive event - fun for children of all abilities
- Available in ground level and elevated versions

### K. Colored Kick Plates with Faces

- Inclusive design - provides color breaks on playground for visually impaired children
- Laser-cut faces add playful element

### L. Telescope

- Gives a "kaleidoscope" view
- Rotates 360°

### M. Friendship Globe

An accessory with a lesson in geography

### N. Ship Wheel

### O. Turning/Chinning Bar

Ground level event gives kids a place to exercise their upper body.

### P. Leg Lift Bar

Accessible, ground level event gives kids a place to exercise their body's core.

### Q. Custom Signs

Visit page 163 for more information about our custom signs.

### R. Picture Communication Symbol Stickers

Provides communication means for hearing or speech impaired kids

# fitness

## kid fitness

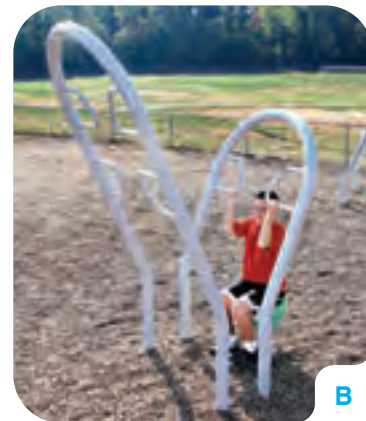

### A. Crunch 'N Curl

**Approximate Price:** \$2,698  
**Ages:** 5-12 (5-12 CSA)  
**Product #:** 200202265

With every curl-up the seat rotates 30 degrees as the user presses on the chest bar. Twelve curl ups achieves one revolution. Keep crunching and start your own fitness revolution!

A

B

### B. Incline Lift™

**Approximate Price:** \$1,341  
**Ages:** 5-12 (5-12 CSA)  
**Product #:** 200202267

One side of this pull-up station includes hand holes at various heights for children who are able to do a pull up on their own. On the other side, a spring loaded seat provides a 30+ lb. assist.

C

D

### C. Ski Shuttle™

**Approximate Price:** \$2,408  
**Ages:** 5-12 (5-12 CSA)  
**Product #:** 200202264

Runners get a great stretch in their lower bodies, and build muscle strength in their inner thighs and knees.

E

F

### D. Time Tracker™

**Approximate Price:** \$889  
**Ages:** 2-12 (18mos-5, 5-12 CSA)  
**Product #:** 200202297

As beads fall through the hourglass, kids can put their speed to the test. To re-start the "timer" simply turn the wheel and let the competition begin!

### E. Run Rider™

**Approximate Price:** \$1,798  
**Ages:** 5-12 (5-12 CSA)  
**Product #:** 200202263

As the "runner" chugs along, this seat rotates a full 360° turn. The faster you run, the faster you spin.

### F. Sit 'N Surf™

**Approximate Price:** \$1,910  
**Ages:** 5-12 (5-12 CSA)  
**Product #:** 200202262

Flexibility is measured by reaching forward to the different marks on the board. The Sit 'N Surf™ also tests balance with its side to side and forward-backward motion, along with a fun ball maze.

# surfacing options

## A. KidTiles®

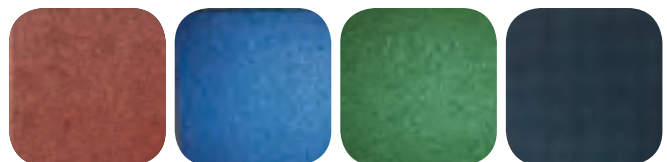

### Inter-locking System Features/Benefits

- Creates a connected monolithic (unitary) playground surface
- Eliminates the potential for curling corners, shifting of tiles and gapping between tiles
- Reduces/discourages vandalism of tiles
- The “100 leg” egg carton pattern provides greater fall height protection

### Installation Benefits

- When gluing to a solid surface adhering only connectors/edges is recommended to provide a secure floor while reducing the overall costs of adhesives.
- Interlocking tabs assist in ‘self alignment’ of playground surface along with corners, transitions & edges.
- Labor is reduced through time savings in accuracy and overall installation.
- No special tools required.
- Available in red, blue, green and black.

## B. KidTimbers® Border Panels & End Caps

Available lengths: 2' (.6M), 6' (1.8M)

- Double wall rotationally molded to maximize structural integrity
- Black timber made from 100% pre-consumer recycled plastic
- Available in standard black, premium tan or red

B

## C. Accessible Wheelchair Ramps

- Widest ramp available in the industry
- Two models available: standard and injected foam for a more rigid surface
- Double ramp also available

C

## D. LandSoft® Rubber Nuggets

- Cost effective, non-toxic, loose-fill surfacing
- Virtually maintenance free
- Does not decompose like wood mulch
- Eight year warranty against complete color loss
- 6 different color options: Forest Green, Caribbean Blue, Earth Tone, Redwood, Cypress, Black

D

## E. LandSoft® Synthetic Turf

- Rich and durable
- Environmentally friendly
- True look and feel of real grass
- Combination of plush turf fibers, shock absorbent padding, and anti-microbial fill
- Meets ASTM requirements for playground safety surfacing resiliency

## fabric color options

### Fabric Colors

### Fire Retardant Fabric Colors

Our fabrics are rated the best fire retardant shade fabrics in the industry with tolerate exposure to harsh and extreme outdoor elements. These fabrics also conform to and exceed California's State Fire Marshall Flame-RETARDENCY Test and the NFPA701 Standard Methods of Fire tests for Flame Propagation.

Subject to the limitations, exclusions and provisions set out herein, PlayPower LT Farmington, Inc. warrants its products, under normal use and proper maintenance, as follows:

**Limited One-Year Warranty** - On all products against failure due to defects in material and workmanship.

**Limited Warranty For As Long As You Own The Product** - On all aluminum posts, steel posts, stainless steel hardware and KidBuilders® steel clamps against structural failure due to corrosion and defects in materials and workmanship.

**Limited 50-Year Warranty** - On the impact attenuation performance of LandSoft® Rubber Mulch safety surfacing when maintained to Little Tikes Commercial Play Structures specifications.

**Limited 15-Year Warranty** - On all rigid main play structure plastic, steel, and vinyl coated components against structural failure due to corrosion and defects in materials and workmanship.

**Limited 10-Year Warranty** - On all ShadeBuilders® steel frames against failure due to defects in materials and workmanship.

**Limited 10-Year Warranty** - On LandSoft® Rubber Mulch color steadfastness.

**Limited 10-Year Warranty** - On all Naturtek™ products against failure due to defects in materials and workmanship.

**Limited 8-Year Warranty** - On the impact attenuation performance and appearance of LandSoft Synthetic Turf safety surfacing when maintained to Little Tikes Commercial Play Structures specifications.

**Limited 5-Year Warranty** - On all ShadeBuilders® fabric due to rot, UV deterioration (shades of red are limited to 3 years) or defective workmanship

**Limited 5-Year Warranty** - On all coated steel rope cables and Matrix® steel cables against structural failure due to corrosion and defects in materials and workmanship.

**Limited 5-Year Warranty** - On all Clever Climbers™ polyethylene slides, enclosures, main structure, decks, and plastic components against failure caused by defects in materials and workmanship.

**Limited 3-Year Warranty** - On KidTiles®, KidTimbers® Border Panels, Playground Sculptures and all KidRiders® products (excluding spring assemblies) against structural failure due to defects in materials and workmanship.

**Limited 1-Year Warranty** - On all Learning Lab™ Sensory Tables and Tot Tree plastic components against failure caused by defects in materials and workmanship.

**Limited 1-year Warranty** - against structural failure due to defects in materials or workmanship for all products and components that are not specifically listed above, including, without limitation, all moving parts, such as swing bearings, chains, trolleys, springs, flexible climbers, and play panel mechanisms.

## LIMITATIONS, EXCLUSIONS AND ADMINISTRATION

1. The warranty periods set out above shall begin on the date products are shipped from Seller's facility. Repaired and/or replaced products are warranted through the expiration of the original warranty period.

2. Seller's Limited Warranty extends only to the original purchaser/end user of products from Seller or Seller's authorized reseller ("Original Purchaser"). It is not transferable to anyone who subsequently purchases products from the Original Purchaser.

3. Seller's Limited Warranties specifically do not cover defects and damages caused by: normal wear and tear, such as scratches, dents, mars, rope fray, color fade and surface rust; improper installation and assembly, use, service and/or maintenance inconsistent with Seller's instructions and product specifications; unauthorized product modification and/or alteration; improper repair; neglect, abuse or vandalism; severe weather and natural disaster.

4. Seller's sole obligation relative to the above stated warranties is to provide replacement parts, products and materials only. Seller is expressly not required to cover labor charges or costs related to removal, repair, replacement, installation, service or handling of parts, products, or materials.

5. All warranty claims for covered products occurring within the above stated warranty periods must be submitted by Buyer in writing to Seller within thirty (30) days from the date of discovery of the alleged defect, and must include a detailed description and photographs of the alleged defect or problem. Warranty claims should be directed to:

PlayPower LT Farmington, Inc.  
Attn: Customer Service  
878 E. US HWY 60  
Monett, MO 65708  
Phone: 800.325.8828  
Facsimile: 417.354.2273  
Email: warranty@ltcps.com

Seller may elect, in its sole discretion, to inspect the alleged defect(s) at Buyer's site or at Seller's facility. Buyer shall not return parts to Seller until authorized by Seller to do so. Authorized returns to Seller's manufacturing facility in Monett, Missouri must be properly packaged and shipped prepaid and insured, at Buyer's expense. After inspection and verification of warranty coverage, repaired or replacement parts and products shall be shipped to Buyer at Seller's expense. Buyer agrees that venue for any court action to enforce these limited warranties shall be in Barry or Greene Counties in the State of Missouri.

6. The above warranty is for repair or replacement only. Except to that limited extent, Seller shall not under any circumstance be liable for any loss, cost, damage or expense of any kind arising out of breach of this warranty or otherwise. Without intending to limit the foregoing sentence, it is specifically provided as follows: SELLER SHALL NOT BE LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL, EXEMPLARY, SPECIAL, OR PUNITIVE DAMAGES, OR ANY LOSS OF REVENUE, PROFIT OR USE, ARISING OUT OF A BREACH OF THIS WARRANTY OR IN CONNECTION WITH THE SALE, INSTALLATION, MAINTENANCE, USE, OPERATION OR REPAIR OF ANY PRODUCT. IN NO EVENT WILL SELLER BE LIABLE FOR ANY AMOUNT GREATER THAN THE PURCHASE PRICE OF A DEFECTIVE PRODUCT.

7. THE FOREGOING LIMITED WARRANTY IS THE SOLE AND EXCLUSIVE WARRANTY FOR SELLER'S PRODUCTS, AND IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, IN LAW OR IN FACT. SELLER SPECIFICALLY DISCLAIMS ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ALL IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR USE OR PURPOSE, AND ANY IMPLIED WARRANTIES ARISING OUT OF COURSE OF DEALING OR PERFORMANCE OR TRADE USAGE.

## ADDITIONAL ORDER POLICIES

**Prices:** Published prices are subject to change without notice. All orders are subject to approval by PPLT. All prices are in U.S. dollars. Product prices are FOB Monett, Missouri and do not include freight - freight charges will be added to product prices. Lease purchasing options are available through the Lease Program.

**Invoice Terms:** Net 30 Days. Finance charge of 1 1/2 % per month or maximum allowable by law will be added to past due balance.

**Sales Tax:** Will be added to the invoice except when a tax exempt certificate is furnished.

**Freight Charges:** Products are shipped FOB Monett, MO, Pre-Pay and Add. For orders from Municipalities, Government Agencies, School Systems and Businesses (listed favorably with Dunn & Bradstreet), freight will be prepaid and added to the invoice in accordance with PPLT's standard freight rate chart. For orders that are to be prepaid, please contact our Sales Department for a firm freight quote before sending your prepaid order.

**Weights:** Shown as approximate and include packing materials

**Delivery Terms:** Within the United States, F.O.B. Monett, MO. For Exports (overseas shipments), typically shipments are EXW (Ex Works Factory) Monett, MO, USA. Consult the PPLT Sales Department for special terms and desired arrangements. Ocean and air freight options are available.

**Loss or Damage in Transit:** A signed bill of lading is our receipt from a carrier that our shipment to you was complete and in good condition. Before you sign, please check this bill of lading carefully when the shipment reaches you to make sure there are no damages or shortages. Once the shipment leaves our plant, we are no longer responsible for any damage, loss or shortage. All claims for loss or damage to product should be reported immediately to our Customer Service Department. All claims for product damage and shortage via common carrier must be promptly made by consignee (customer) direct to PPLT's Customer Service Department. When reporting damage, be sure to hold all containers and packing materials for inspection (claims should be filed within 15 days of receipt of shipment).

**Cancellations and Returns:** Cancellations will be accepted upon written notification at our offices. Returns will be accepted only when freight charges are prepaid, insured, and we have expressly authorized the return. Please provide invoice number, invoice date, and reason for your return. Parts not included are custom parts, as well as used or damaged parts. There will be a restocking fee for all returned orders and on canceled orders.

**Specifications and Product Appearance:** PPLT has a policy of continuous product improvement and reserves the right to discontinue or change specifications or product appearance without written notice.

**Freight Carrier Information:** All freight is shipped unassembled via UPS (if able) or common carrier. On all common carrier shipments, the customer is responsible for unloading. Inside delivery is available for an additional charge.

**Commitment to Safety**

Nothing is more important than a safe, positive play environment for children to play. Our commitment to providing this positive environment starts with meeting and/or exceeding compliance with the performance safety specifications established by organizations such as ASTM, CPSC, CSA and EN. Beyond compliance, we are an active participant in many of these standard writing bodies providing input into the standard development process. Our associates and representatives have the knowledge and experience to provide positive play designs that provide the challenge and play value for all children.

**Commitment to the Environment**

Protecting and preserving the environment for our children's future is a priority of everyone at PlayPower LT Farmington, Inc. We are committed to closing the recycling loop by using pre-consumer recycled material wherever possible and ensuring nearly everything we make can be recycled back into the environment. From steel and aluminum to rubber and plastic, almost everything we make uses some amount of recycled material. By installing a Little Tikes Commercial Play Structures play structure we are all doing our part to ensure a better world for our children.

**GUIDELINES AND STANDARDS**

The Consumer Product Safety Commission (CPSC) created playground safety guidelines to help local communities, schools, day care centers, corporations and other groups build safe playgrounds. The Handbook for Public Playground Safety includes safety guidelines for designing, constructing, operating and maintaining public playgrounds.

U.S. Consumer Product Safety Commission  
 Washington, D.C. 20207  
 E-mail: info@gov  
 www.CPSC.gov

**ASTM**

The American Society for Testing and Materials (ASTM) is an independent world renowned developer of technical standards utilized in testing products. Standard Consumer Safety Performance Specifications for Playground Equipment for Public Use, F1487 & F2373 establishes nationally recognized safety standards for public playground equipment.

American Society for Testing and Materials  
 100 Barr Harbor Drive  
 West Conshohocken, PA 19428-2959  
 E-Mail: service@astm.org

**CSA**

Canadian Standard Association (CSA) is an independent organization whose mission is to provide an open and effective forum for activities facilitating the development of standards to meet national needs. The CSA Standard CAN/CSA-Z614, A Guideline on Children's Playspaces and Equipment was approved.

Canadian Standard Association  
 5060 Spectrum Way Suite 100  
 Mississauga, Ontario, Canada L4W 5N6  
 1-800-463-6727  
 www.csa.ca

**TÜV Product Service**

TÜV Product Service is a world renowned leader in testing and certification activities. European Standard EN1176 is the most up-to-date combined European Standard for Commercial Playground Equipment. Use of the TÜV certification mark is evidence to the customer of product quality and compliance to stringent safety standards.

TÜV SÜD America  
 10 Technology Drive  
 Peabody, MA 01960  
 www.TUVamerica.com

CPSIA is the federal law mandating acceptable levels of various substances used in the manufacturing process for products used by children under the age of twelve. Insist on CPSIA compliance.

**ASTM-F1487 CAN/CSA-Z614 EN1176**

KidBuilders®, SkyBuilders™, PlayBuilders®, MaxPlay® Systems and Clever Climbers™ play equipment has been tested to be in conformance with safety requirements and standards set forth by ASTM F1487, CAN/CSA - Z614 and EN1176

When installed according to our layout drawings and installation instructions, KidBuilders, SkyBuilders, PlayBuilders, MaxPlay Systems and Clever Climbers play equipment meet guidelines as defined in the U.S. Consumer Product Safety Commission's Handbook for Public Playground Safety and the Canadian Standard CAN/CSA-Z614.

KidBuilders, PlayBuilders, MaxPlay Systems, Clever Climbers and Spring Riders have been certified to the EN 1176 by TÜV Product Service GMBH.

PlayPower LT Farmington, Inc. is a member in good standing of IPEMA, the International Play Equipment Manufacturers Association. IPEMA is a member-driven international trade organization that represents and promotes an open market for manufacturers of play equipment.

In the interest of playground safety, IPEMA provides a Third Party Certification Service whereby a designated independent laboratory validates a participant's certification of conformance to ASTM F1487, Standard Consumer Safety Performance Specification for Playground Equipment for Public Use, except sections 7.11, 10 & 12.6.1; CAN/CSA Z614, Children's Playspaces and Equipment, except clauses 9.5, 10 & 11; or both. The use of the corresponding logo in Little Tikes Commercial Play Structures catalog signifies that Little Tikes Commercial Play Structures has received written validation from the independent laboratory that the product(s) associated with the use of the logo conforms with the requirements of the indicated standard. Check the IPEMA website (www.ipema.org) to confirm product validation.

Validation is an ongoing process as new products are certified and released. Please contact your local representative for an updated listing or visit our web site at www.littletikescommercial.com

PlayPower LT Farmington, Inc. Is certified to ISO 9001:2008 & ISO 14001:2004

Contract # GS07F6384A

American Welding Society Certified D1.1

Canadian Welding Bureau Certified

## post and accent colors

At Little Tikes Commercial Play Structures, we stand by our paint because it's proven to beat the competition in durability and superior finish. Our paint application process applies multiple layers that combat rust and corrosion, and insures long lasting finish. The standard colors are shown below, but ask your local representative about our custom color options!

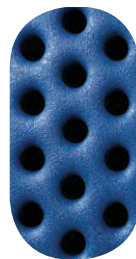

## vinyl deck colors

Decks, steps, ramps and bridges.
