

Washougal School District Technology RFP (2017-2)

Introduction

The Washougal School District (“the District”) is seeking bids for our Universal Service Fund “E-Rate” application for our school district.

The district requests proposals for the following services described in the attached specifications from interested persons (“the Vendor”). The vendor can choose to bid any individual project, but must bid all of the parts of that group of work to be considered. The district reserves the right to reject any and all proposals, waive any technicalities, and award all or part of the contract in a manner that is in the best interest of the Washougal School District.

All aspects of each project, product or service must comply with the Federal Communication Commission’s competitive RFP requirements for the Universal Service Fund (USF) support and services, as well as Washington state law and Washougal School District board policy. Vendors bidding on E-rate projects, products or services must include their Service Provider Identification Number (SPIN) as part of their response.

Other information may be made by contacting the Technology Director.

Technical Contact for this RFP is:

Lester Brown

Director of Technology

Washougal School District

360-954-3037

erate@washougal.k12.wa.us

Timeline:

Release of RFP	4-6-2017
Deadline for Proposals	5-5-2017 at 12:00 PM
Evaluation of Responses	5-5-2017
School Board Approval (if required)	TBD

Projects, products and services are for these locations:

Washougal School District BEN # 145371

Washougal High School
Jemtegaard Middle School
Columbia River Gorge Elementary School
Hathaway Elementary School
Gause Elementary School
Cape Horn-Skye Elementary School
Canyon Creek Middle School

Evaluation Criteria:

In keeping with the guidelines of the USAC and school board policy, this RFP will be awarded to the most cost effective provider. Price will be the primary factor, but may not be the only factor, in evaluating the proposals. Other factors may be prior experience including past performance, technical qualifications, compatibility and interoperability with existing district equipment and training, management capability. The district does not guarantee any award of contract by submitting an RFP. Incomplete proposals or those lacking required information will not be considered.

Factor	Weight	Score
Cost Effectiveness	65%	
Prior Experience	10%	
Technical qualification and compatibility with existing district infrastructure	20%	
E-Rate experience	5%
