\*This device passed military specification (MIL-STD-810G) testing against a subset of 21 specific environmental conditions, including temperature, dust, shock/vibration, and low pressure/high altitude. Device may not perform as shown in all extreme conditions. See user manual.<sup>2</sup>Water-resistant in up to 5 feet of water for up to 30 minutes. <sup>3</sup>Battery power consumption depends on factors such as network configuration; carrier; signal strength; operating temperature; features selected; vibrate mode; backlight settings; browser use; frequency of calls; and voice, data and other application-usage patterns. <sup>4</sup>Knox Configure may come with an additional licensing fee. <sup>5</sup>Additional fee required. <sup>6</sup>E-FOTA services available for an additional fee. Detailed packages are available at: <https://www.samsung.com/us/business/solutions/samsung-knox/mobile-security-solutions/samsung-e-fota>. <sup>7</sup>Samsung QuickStart Services are limited to configurations of fewer than 500 devices and a maximum of 8 user/administration groups. If you have specific requirements beyond those provided by QuickStart Services, including integration with third-party solutions, please contact your partner or your carrier, or email: [samsungbusinessservices@sea.samsung.com](mailto:samsungbusinessservices@sea.samsung.com). <sup>8</sup>Plans are sold based on MSRP or price end-user paid, whichever is less. Total duration includes one year of standard limited warranty. Labor-only costs for mechanical and electrical breakdown are covered from date of purchase. Both parts and labor costs are covered after the manufacturer's warranty expires through the plan term. <sup>9</sup>Portion of memory occupied by existing content. <sup>10</sup>MicroSD card sold separately.
