Dear Peter,

I would like to join the Whitlock Family Association. I filled out the Response Form but when I tried to send it it didn't work. Dick Whitlock e-mailed me and said I should send the information to you. Here it is:

Elizabeth Kadel  
BKADEL34@aol.com  
10047 Darnaway Court  
Bristow, VA 20136

I am a Whitlock whose ancestor Thomas Whitlock (my great great grandfather) came from Goochland Co VA. I am not having any sucess in finding his ancestors. I have his birth date, December 1, 1791 but nothing about his parents. I hope there is someone there who can help me.  
Thank you.
