This lamb catches every visitor's eye. He has the high headed, level topped profile it takes to win ribbons, and the depth of body, base width and smooth stride to back it all up. 1510 was a favorite in our show string and is proving herself equally valuable as a brood ewe. Photos will be on our website and Facebook page.

Futurity nominated. This lamb is a full sister to our January ewe lamb from last year's National Sale that went on to a successful show season with Jacoby Maag. This ewe is pretty fronted and long bodied. The MJM ewes are outstanding mothers, and I'm keeping this lamb's twin sister.

B-2/17/17 Tw RR

Futurity nominated. Here's a ewe with the style and extension we've come to expect from the Bruns sired lambs, just like last year's class-winning February ewe lamb at this sale. 0170's dam was a JET ewe who was a great producer in our flock for many years. This lamb is square off all four and pretty profiling.

His maternal sister has produced a NAILE Champion Ram, a Champion Ram at Missouri and a Supreme Champion at Wisconsin for Spildes. We flushed the two best producing ewes, don't miss this opportunity to get in on these genetics.
