I would like to appoint Cynthia E. Cunningham to the Deputy Sheriff Merit Commission to replace Sami Anderson.

Ms. Cunningham has dedicated her professional and personal life to public service and currently serves as a healthcare practitioner and consultant. She has previously served as a volunteer fire fighter and emergency medical technician. Her husband is a retired police lieutenant.

Ms. Cunningham will add a needed perspective on the Merit Commission as we progress forward in Champaign County.

I have attached her resume for your review.

Thank you.

Hi, Dustin,

We received your recommendation for Cindy for the Merit Commission for the policy committee. It appears that you have a 3-person commission, and no more than 2 people can be from one political party. The board will need this information for existing members and applicants to determine the balance - see

Re: Recommendation to Appoint Lori Larson to the Rural Transit Advisory Group (RTAG)

Background: The Champaign County Rural Transit Advisory Group (RTAG), a subcommittee of the County Board, is responsible for oversight of the Champaign County Area Rural Transit System (C-CARTS). In addition to one member being a County Board liaison, the RTAG strives to have at least one member representing each of the following areas: older adults, individuals with disabilities, persons with low income, medical, education, and employment. Currently, all of these positions are filled, except the education representative seat that was vacated in August 2018.

Regina Crider, Director of Youth & Family Peer Support Alliance in Rantoul, vacated her position on the Rural Transit Advisory Group on August 13th, 2018. Her most recent term spanned from 01/1/2018 to 12/31/2018. Mrs. Larson would replace Ms. Crider as the education representative from 1/1/2019 to 12/31/2020.

Lori Larson has a Master's degree in Social Work, and served as a school social worker in the Mahomet-Seymour Schools for 10 years. Ms. Larson has also worked as adjunct faculty at the University of Illinois in the Social Work Department, and she is a rental property owner in Mahomet. She is a member of the Mahomet School Board and knows how students of all ages transport themselves around Champaign County. Ms. Larson recognizes transportation is important for education. This will be her first term serving the Rural Transit Advisory Group.

Staff Recommendation: Approve appointment of Lori Larson to the RTAG for a two-year term.

MEMO

DATE: January 4, 2019

TO: Jim Goss, Chair, Finance Committee, Champaign County Board

Stephanie Fortado, Vice Chair, Finance Committee, Champaign County Board

FROM: Julia Rietz, State's Attorney

RE: Budget Amendment 18-81, Amendment 18-82, and Budget Transfer 18-8

This memo is in reference to Budget Amendment 18-81, Amendment 18-82, and Budget Transfer 18-8. A brief description of each item follows:

Amendment 18-81

This amendment is an increase in appropriations in Fund 621, from the fund balance, for end-of-year expenses.

Amendment 18-82

This amendment is an increase in appropriations to match State-approved and funded increase in the salary for all State's Attorneys in Illinois.

Transfer 18-8

This transfer is to move personnel appropriations to the 080-041-571.25 transfer line item, to pay for personnel expenses in Fund 675, due to the loss of grant funding. In FY2019, the SAO intends to apply for grants from State agencies, such as the Illinois Criminal Justice Information, if and when it becomes available; in the interim, we have increased the transfer to Fund 675 to support the vital, necessary work of our Victim Advocates.

On behalf of the Champaign County State's Attorney's Office, I respectfully request that the Committee approve these amendments and forward the recommendation to the County Board.

Shelter Medicine Agreement between The Board of Trustees of the University of Illinois and Champaign County Animal Control

This Shelter Medicine Agreement ("Agreement") is between the Board of Trustees of the University of Illinois ("Illinois"), a body corporate and politic of the State of Illinois, on behalf of its College of Veterinary Medicine ("College") at the University of Illinois at Urbana-Champaign, and Champaign County Animal Control ("Site").

Background

- The mission of the College's Shelter Medicine Program is to reduce animal overpopulation and to improve the health and well-being of animals in need through the advancement of the discipline of shelter medicine among veterinarians and veterinary students.
- 2. The Shelter Medicine Program at Illinois engages students during all four years of the veterinary degree program with students performing physical examinations, diagnostic testing, treatments, and surgeries under the supervision of College faculty veterinarians and veterinary residents.
- 3. Site desires to engage the expertise of Illinois to perform certain services, and Illinois has determined that performing the services will promote one or more of the University's missions of public service, research, teaching and economic development.

Scope of Services

- 1.1 Services to be performed by Illinois. Illinois shall perform the following veterinary services ("Services") for Site:
 - 1.1.1 Provide sterilization services for shelter animals (e.g., cats, dogs, and occasionally rabbits, and animals from low-income households, as determined by Site). Once sterilization surgery has begun, it cannot be stopped.
 - 1.1.2 Address any complications that occur during sterilization surgery or the immediate postoperative period.
 - 1.1.3 Provide direction to Site regarding aftercare of sterilized animals.
 - 1.1.4 Provide physical examinations, diagnostics, and treatments to shelter animals and animals from low-income households.
 - 1.1.5 If Illinois has received a grant to provide services beyond spay/neuter surgeries to low-income families (as determined by Site) as part of a "Community Medicine Days" event, Illinois also may provide x-ray, ultrasound, cytology, or other services as Illinois deems appropriate in consultation with Site.
 - 1.1.6 Assist with other shelter medicine related matters, as Illinois deems appropriate.
- 1.2 Responsibilities and activities of Site. Site shall complete the following responsibilities:

- 1.2.1 Provide a location to park mobile trailer unit.
- 1.2.2 If the mobile trailer unit visits site more than once monthly, provide Illinois with access to a 220V, 50A shore power connection.
- 1.2.3 Schedule shelter animals and those animals from low-income households for examinations or sterilization according to the point system described in Attachment A after the monthly schedule has been release from the Shelter Medicine Service within the Veterinary Teaching Hospital.
- **1.2.4** Ensure low-income animal owners have signed the necessary consent forms.
- 1.2.5 Provide Elizabethan collars for animals that received surgery.
- 1.2.6 If Community Medicine Days are scheduled at Site in conjunction with surgeries, Site shall provide an examination room where Services can be rendered.
- 1.2.7 Collect fees from owners of animals from low-income households.
- 1.2.8 Instruct its staff and volunteers to conduct themselves at all times in a kind and professional manner toward illinois employees and students.

2. Term and Termination

- 2.1 Term. The term of this Agreement shall be from January 1, 2019] or from the date last signed below through December 31, 2019. The parties may renew this Agreement by written amendment. The term, including all renewals, shall not exceed five years.
- 2.2 Termination. Either party may terminate this Agreement for convenience upon 30 days' prior written notice to the other party. In case of default, the aggrieved party shall give the defaulting party written notice describing the default and may terminate the Agreement if the defaulting party fails to cure within 10 days after receipt of notice, or some other agreed period.
- 2.3 Effect of Early Termination. In the event of early termination of this Agreement, Site shall pay Illinois for Services performed to the date of termination and shall reimburse Illinois for the cost of all non-cancellable obligations made on Site's behalf.

3. Compensation

Site shall pay Illinois \$26 per sterilization. Payment shall be made no later than 30 days after receipt of invoice.

4. Limitation of Liability

Illinois shall not be liable to Site for any indirect, special, exemplary, consequential, or incidental damages or lost profits arising out of, or relating to, this Agreement, even if Illinois had been advised of the possibility of such damages. Illinois' liability to Site for breach of contract damages shall not exceed the amount of compensation actually paid by Site for Services performed.

Insurance

During all times relevant to this Agreement, each party shall maintain professional (if applicable) and general liability insurance, whether through a commercial policy or through a program of self-insurance, with minimum limits of \$1 million per claim and \$3 million aggregate, and shall furnish the other party with evidence of such insurance upon request.

6. General Provisions

- 6.1 Force Majeure. A party is excused from performing its obligations under this Agreement when conditions beyond its control and unforeseen by the parties make its performance commercially impractical, illegal, or impossible. Conditions of excuse include, but are not limited to: natural disasters, strikes, fires, war, terrorism and threats of terrorism, government actions, and acts or omissions of third parties. So long as the conditions continue, the party whose performance is affected shall keep the other party fully informed about the conditions and the prospects of their ending.

 Nothing in this Agreement is intended to create any association, partnership, joint venture or agency relation between them.
- **6.3 Use of Name.** No party may use the other party's name or protected marks for any promotional purpose without the other party's advance written consent.
- 6.4 Headings. Headings in this Agreement are intended only to assist with readability and are not substantive.
- 6.5 Severability. If any provision of this Agreement is held by a court of competent jurisdiction to be unenforceable, the provision shall be severed from this Agreement so long as severance does not affect the enforceability or essential purpose of the remainder of the Agreement.
- **Assignment.** Neither party may assign its obligations under this Agreement without prior written consent of the other party.
- 6.7 Amendments. No modification of this Agreement shall be effective unless made by a written amendment signed by each party's authorized signatory.
- 6.8 Compliance with Laws. Each party shall perform its obligations in compliance with all relevant laws governing its performance. Breach of this provision is a material breach of this Agreement.
- **6.9 Walver.** The failure of either party to enforce any provision of this Agreement shall not waive the party's right to later enforce the provision or the Agreement.
- **6.10** Non-Exclusivity. This Agreement is non-exclusive.
- **6.11 Counterparts/Facsimile Signatures.** This Agreement may be signed in counterparts. Facsimile signatures constitute original signatures for all purposes.

Intergovernmental Agreement for National Integrated

Ballistics Information Network (NIBIN)

Please find attached an Intergovernmental Agreement for cost sharing of an extended warranty for the National Integrated Ballistics Information Network (NIBIN) with the City of Champaign, City of Urbana, the County of Champaign and the University of Illinois.

This shared resource will allow the Champaign County Sheriff's Office to more easily link evidence retrieved from crime scenes where a shooting has occurred to a national database, resulting in a more efficient and effective investigation and apprehension of violent criminals. While the Champaign Police Department will be the lead agency for this technology and equipment, the Champaign County Sheriff's Office will have continuous access to it and will have investigators who are trained in its use.

In order to continue making strides to curb gun violence in our county, as well as continue the strong collaboration that we have built between agencies, I respectfully request the Champaign County Board approve this Intergovernmental Agreement.

Thank you.
