Prices are subject to change, FTD reserves the right to accept or reject orders. Descriptive or typographical errors are subject to correction. Canadian members will be billed in Canadian dollars. Canadian prices are calculated by multiplying the U.S. price by the prior month's average exchange rate. The exchange rate is updated on or about the first business day of each month; it will apply on the date the order is placed. Prices do not include freight. FTD shipping and handling charges are 20% of the value of each carton with a minimum of \$6.99 per carton for the Continental U.S. and \$9.99 per carton for Canada. For Puerto Rico, the shipping and handling charges are 22% of the value of each carton with a minimum of \$19.99 per carton. For Alaska, Hawaii and Puerto Rico the shipping and handling charges are 22% of the value of each carton with a minimum freight charge of \$19.99 per carton. Items shipping to Alaska and Hawaii directly from FTD, ship one time per month and have a 5 carton minimum per order. Please allow a minimum of 4 weeks for delivery once product has shipped. *A Registered Trademark of Florists' Transworld Delivery, Inc. **A Trademark of Florists' Transworld Delivery, Inc. ©2013 Florists' Transworld Delivery, Inc. Your customers are quite demanding; they want attractive bouquets, but call for flowers that are not fully open. And right they are; they want their precious bouquet to last as long as possible. So the right condition of the flowers displayed in your shop is crucial to your sales.

Chrysal products provide cut flowers with the essential treatment from the moment they are cut until they reach their final destination. Chrysal has developed specific products for every stage in the process.

A. CHRYSLAL PROFESSIONAL T-BAGS
Gives same excellent results as liquid formulation of Professional 2 with the added benefit of visual control and accurate dosing every time. Available in both generic and bulb formulations.

B. CHRYSLAL PROFESSIONAL 1
Stimulates water uptake, prevents bent necks on roses and lowers pH of water. Great for all woody stemmed flowers.

C. CHRYSLAL PROFESSIONAL 2
Reusable liquid will hydrate and provide the flowers with enough food to survive the distribution and sales period without premature development.

D. CHRYSLAL PROFESSIONAL 3
Contains food for the full development of flowers. Used for vase arrangements and soaking foam. Maintains true colors and scent of flowers. Available in both liquid and powder form.

E. CHRYSLAL PROFESSIONAL CLEANER
Ideal for all buckets, vases, containers, work tables, walls and coolers. Concentrated formula makes 200 spray bottles.

FIGRELLA PRINTER AND ACCESSORIES

- Drastically reduces the cost of banners
- Easy to use by anyone in the shop
- Unmatched printing speed that minimizes labor and time
- You can personalize the banner with your shop name and logo

FIGRELLA PRINTER

The Fiorella printer is specially designed for florists to produce first quality banners. Text and clipart can be printed on a large range of ribbons made of polypropylene, paper, natural silk or coated satin. This printer is equipped with a high-quality thermal printhead that heats up a thin film of resin. This process provides finely chiseled texts that are very resistant against erasure, rain, sun and cold. One year replacement warranty. \$799.00 ea.
