

AN ORDINANCE

TO LEVY AND IMPOSE A ONE PERCENT (1%) SALES AND USE TAX, SUBJECT TO A REFERENDUM WITHIN GREENVILLE COUNTY PURSUANT TO SECTION 4-37-30 OF THE CODE OF LAWS OF SOUTH CAROLINA, 1976, AS AMENDED; TO DEFINE THE PURPOSES AND DESIGNATE THE PROJECTS FOR WHICH THE PROCEEDS OF THE TAX MAY BE USED; TO PROVIDE THE MAXIMUM TIME FOR WHICH SUCH TAX MAY BE IMPOSED; TO PROVIDE THE ESTIMATED COST OF THE PROJECTS TO BE FUNDED FROM THE PROCEEDS OF THE TAX; TO PROVIDE FOR A COUNTY-WIDE REFERENDUM ON THE IMPOSITION OF THE SALES AND USE TAX AND PRESCRIBE THE CONTENTS OF THE BALLOT QUESTION; TO PROVIDE FOR THE CONDUCT OF THE REFERENDUM BY THE GREENVILLE COUNTY ELECTION COMMISSION; TO PROVIDE FOR THE ADMINISTRATION OF THE TAX, IF APPROVED; AND OTHER MATTERS RELATING THERETO.

BE IT ORDAINED BY GREENVILLE COUNTY COUNCIL:

Section 1. **Findings.** The South Carolina General Assembly enacted Section 4-37-30 of the Code of Laws of South Carolina 1976, as amended, (“S.C. Code Ann.”) in furtherance of the powers granted to the counties of this State pursuant to the provisions of Section 4-9-30 of the Code, to authorize the counties of this State to finance the cost of acquiring, designing, constructing, equipping and operating highways, roads, streets, and bridges, and other transportation-related projects, either alone or in partnership with other governmental entities including, but not limited to, the South Carolina Department of Transportation.

County Council finds that to accomplish the purposes of Section 4-37-30, counties are empowered to impose a local option sales and use tax not to exceed one percent (1%); however, such tax is specifically conditioned upon approval of the qualified electors of the county.

County Council finds that the work of the Greenville Citizen Roads Advisory Commission (“Roads Advisory Commission”) has been beneficial in identifying transportation-related needs in the County. The Roads Advisory Commission consisted of nineteen citizens from across the County and its municipalities. The Commission held numerous public meetings and public input sessions at various locations in Greenville County to receive citizen and community input. County Council has received the final report of the Roads Advisory Commission providing four categories of pending transportation-related needs: road improvements, resurfacing, pedestrian amenities, and bridge improvements.

County Council finds that the qualified electors of Greenville County should have an opportunity to determine by referendum at the next general election whether to impose a local option sales and use tax to finance the cost of acquiring, designing, constructing, equipping and operating highways, roads, streets, and bridges, and other transportation-related projects within incorporated and unincorporated area of Greenville County.

County Council finds that if the voters approve a local option sales and use tax to provide funding for transportation-related projects, that the administration of such funding should occur without the complexity of a transportation authority or entering into a partnership, consortium, or other contractual arrangement with one or more other governmental entities at this time; provided that nothing herein shall preclude County Council from entering into partnerships, consortiums, or other contractual arrangement in the future. County Council may utilize such provisions in the future as necessary or convenient to promote the public purposes served by funding transportation-related projects as provided in this Ordinance.

Furthermore, County Council finds that should such a local option use and sales tax be imposed in Greenville County, it should be limited to a period of not more than eight (8) years to accomplish the projects set forth herein to facilitate economic development, promote public safety, provide needed infrastructure, enhance the quality of life in Greenville County, and prepare Greenville County to meet the present and future transportation needs of its citizens.

Section 2. Authority. This Ordinance is enacted pursuant to the authority granted by S.C. Code Ann. § 4-37-30 which provides that the governing body of a county may, subject to approval by referendum, enact an ordinance imposing a sales and use tax not to exceed one percent (1%) within the county for a single transportation project or for multiple transportation projects, for a specific period of time, and to collect a limited amount of money; provided, however, the tax imposed by such ordinance is conditioned upon the favorable vote of the qualified electors of the county by referendum to impose the tax.

Section 3. Approval of Sales and Use Tax Subject to Favorable Referendum.

A. A one percent (1%) sales and use tax authorized by S.C. Code Ann. § 4-37-30(A), is hereby imposed in Greenville County, South Carolina, subject to a favorable vote of a majority of the qualified electors voting in a referendum on the imposition of the sales and use tax to be held in Greenville County, South Carolina on November 4, 2014.

B. The local option Sales and Use Tax provided for herein would be imposed, subject to a favorable referendum, for the following transportation-related projects: highways, roads, streets, bridges, pedestrian-related facilities, road resurfacing, and related drainage facilities including jointly operated projects of the type specified above of Greenville County or jointly operated projects of Greenville County and other governmental entities including the South Carolina Department of Transportation and/or the South Carolina Transportation Infrastructure Bank as defined by law.

C. The Sales and Use Tax shall be imposed for a period not to exceed eight (8) years from the date of imposition.

D. The maximum costs of the projects to be funded from the proceeds of the Sales and Use Tax shall not exceed, in the aggregate, the sum of \$673,193,630, which includes engineering, design, construction, right of way acquisition, related drainage facilities, and administrative expenses, and to pay for the following transportation-related projects:

- Project 1: Improvements to highways, roads, streets, and intersections to include widening, realignment, and signalization of existing roads and construction of new roads in the amount of \$297,770,000.
- Project 2: Improvements to bridges to include replacing, installing, constructing and rehabilitating bridges in the amount of \$27,800,000.
- Project 3: Improvements to pedestrian-related transportation facilities to include adding, improving and repairing sidewalks, crosswalks, trails, and bike lanes in the amount of \$47,623,630.
- Project 4: Resurfacing of highways, roads, and streets in the amount of \$300,000,000.

A detailed description and priority within each project is attached hereto as *Exhibit A* and incorporated herein by reference. If the Sales and Use Tax is approved by the voters, projects will be undertaken based on the priority order indicated in *Exhibit A* to the extent feasible and practicable.

E. If approved by referendum, the Sales and Use Tax shall terminate the earlier of April 30, 2023 or the end of the calendar month during which the Department of Revenue determines that the tax has raised revenues sufficient to provide the cost of the projects as approved in the referendum.

F. The amounts of Sales and Use Tax collected in excess of the required proceeds must first be applied, if necessary, to complete each project for which the Sales and Use Tax was imposed.

G. The Sales and Use Tax must be administered and collected by the South Carolina Department of Revenue in the same manner that other sales and use taxes are collected. The Department may prescribe amounts that may be added to the sales price because of the Sales and Use Tax.

H. The Sales and Use Tax is in addition to all other local sales and use taxes and applies to the gross proceeds of sales in the applicable area that is subject to the tax imposed by Chapter 36 of Title 12 of the Code of Laws of South Carolina, and the enforcement provisions of Chapter 54 of Title 12 of the Code of Laws of South Carolina. The gross proceeds of the sale of items subject to a maximum tax in Chapter 36 of Title 12 of the Code of Laws of South Carolina are exempt from the tax imposed by this Ordinance. The gross proceeds of the sale of food lawfully purchased with United States Department of Agriculture food stamps are exempt from the Sales and Use Tax. The Sales and Use Tax imposed by this Ordinance also applies to tangible personal property subject to the use tax in Article 13, Chapter 36 of Title 12 of the Code of Laws of South Carolina.

I. Taxpayers required to remit taxes pursuant to Article 13, Chapter 36 of Title 12 of the Code of Laws of South Carolina must identify the county in which the tangible personal property purchase at retail is stored, used, or consumed in this State.

J. Utilities are required to report sales in the county in which consumption of the tangible personal property occurs.

K. A taxpayer subject to the tax imposed by Section 12-36-920 of the Code of Laws of South Carolina, who owns or manages rental units in more than one county shall report separately in his sales tax return the total gross proceeds from business done in each county.

L. The gross proceeds of sales of tangible personal property delivered after the imposition date of the Sales and Use Tax levied pursuant to this Ordinance, either pursuant to the terms of a construction contract executed before the imposition date, or a written bid submitted before the imposition date, culminating in a construction contract entered into before or after the imposition date, are exempt from the Sales and Use Tax provided in this Ordinance if a verified copy of the contract is filed with the Department of Revenue within six months after the imposition of the Sales and Use Tax provided for in this Ordinance.

M. Notwithstanding the imposition date of the Sales and Use Tax, with respect to services that are billed regularly on a monthly basis, the Sales and Use Tax is imposed beginning on the first day of the billing period beginning on or after the imposition date.

Section 4. Remission of Sales and Use Tax; Segregation of Funds; Administration of Funds; and Distribution to Counties.

A. Should the qualified voters of Greenville County approve the imposition of the sales and use tax provided herein, the tax shall be administered by the South Carolina Department of Revenue according to the provisions of S.C. Code Ann. § 4-37-10 *et seq.*, as those provisions may from time to time change, and any other relevant provisions of State law.

B. The revenues of the Sales and Use Tax collected under this Ordinance must be remitted to the State Treasurer and credited to a fund separate and distinct from the general fund of the State. After deducting the amount of any refunds made and costs to the Department of Revenue of administering the Sales and Use Tax, not to exceed one percent of such revenues, the State Treasurer shall distribute the revenues quarterly to the Greenville County Treasurer and the revenues must be used only for the purposes stated herein. The State Treasurer may correct misallocations by adjusting subsequent distributions, but these distributions must be made in the same fiscal year as the misallocation. However, allocations made as a result of city or county code errors must be corrected prospectively.

C. Any outside agencies, political subdivisions or organizations designated to receive funding from the Sales and Use Tax must submit requests for funding in accordance with procedures and schedules established by the County Administrator. The County Administrator shall prepare the proposed budget for the Sales and Use Tax and submit it to the County Council as part of the County's biennial budget. County Council shall adopt a budget for the expenditures of the Sales and Use Tax revenues prior to the beginning of the fiscal year. County Council may make supplemental appropriations for the Sales and Use Tax following the same County procedures prescribed for the enactment of other budget ordinances. The provisions of this section shall not be construed to prohibit the transfer of funds appropriated in the Sales and Use Tax portion of the biennial budget for the Sales and Use Tax for purposes other than as specified in the annual budget when such transfers are approved by County Council. In the

preparation of the biennial budget, County Council may require any reports, estimates, and statistics from any County agency or department as may be necessary to perform its duties as the responsible fiscal body of the County.

D. Except as specifically authorized by the County, any outside agency or organization receiving an appropriation of the Sales and Use Tax must provide to the County an independent annual audit of such agency or organization financial records and transactions and such other and more frequent financial information as required by the County, all in form satisfactory to the County.

E. The Department of Revenue shall furnish data to the State Treasurer and to the Greenville County Treasurer for the purpose of calculating distributions and estimating revenues. The information which must be supplied to the County upon request includes, but is not limited to gross receipts, net taxable sales, and tax liability by taxpayers. Information about a specific taxpayer is considered confidential and is governed by the provisions of S.C. Code Ann. § 12-54-240. Any person violating the provisions of this section shall be subject to the penalties provided in S.C. Code Ann. § 12-54-240.

Section 5. Referendum and Ballot Question.

A. The Greenville County Election Commission shall conduct a referendum on the question of imposing the Sales and Use Tax in the area of Greenville County on November 4, 2014, between the hours of 7 a.m. and 7 p.m. under the election laws of this State, *mutatis mutandis*. The Commission shall publish in a newspaper of general circulation the question that is to appear on the ballot, with the list of projects and purposes as set forth herein, and the costs of projects, and shall publish such election and other notices as are required by law.

B. The referendum question to be on the ballot of the referendum to be held in Greenville County on November 4, 2014, must read substantially as follows:

GREENVILLE COUNTY SPECIAL SALES AND USE TAX

I approve a special sales and use tax in the amount of one percent (1%) to be imposed in Greenville County, South Carolina for not more than eight (8) years or until a total of \$673,193,630 in sales tax revenue has been collected, whichever occurs first. The sales tax revenue will be used to pay the costs of the following projects including engineering, design, construction, right of way acquisition, administrative expenses, and related drainage facilities:

Project 1: Improvements to highways, roads, streets, and intersections to include widening, realignment, and signalization of existing roads and construction of new roads.

Amount: \$297,770,000

Project 2: Improvements to bridges to include replacing, installing, constructing and rehabilitating bridges.

Amount: \$27,800,000

Project 3: Improvements to pedestrian-related transportation facilities to include adding, improving and repairing sidewalks, crosswalks, trails, and bike lanes.

Amount: \$47,623,630

Project 4: Resurfacing of highways, roads, and streets.

Amount: \$300,000,000

Yes _____

No _____

Instructions to Voters: All qualified electors desiring to vote in favor of levying the special sales and use tax shall vote YES, and

All qualified electors opposed to levying the special sales and use tax shall vote NO

C. In the referendum on the imposition of the Sales and Use Tax in Greenville County, all qualified electors desiring to vote in favor of imposing the tax for the stated purpose shall vote “yes” and all qualified electors opposed to levying the tax for the stated purpose shall vote “no.” If a majority of the votes cast are in favor of imposing the tax for the stated purpose, then the tax is imposed as provided in this Ordinance and pursuant to S.C. Code Ann. § 4-37-10 *et seq.*; otherwise, the tax is not imposed. Greenville County will pay the expenses of the referendum.

D. The Greenville County Election Commission shall certify the result of the referendum no later than November thirtieth (30th) after the date of the referendum to Greenville County Council and to the South Carolina Department of Revenue. The Greenville County Election Commission shall include in the certification the maximum costs of the project or projects or facilities to be funded in whole or in part from proceeds of the tax, and the maximum time specified for the imposition of the tax.

Section 6. Imposition of Tax Subject to Referendum. The imposition of the Sales and Use Tax in Greenville County is subject in all respects to the favorable vote of a majority of qualified electors casting votes in a referendum on the question of imposing the Sales and Use Tax in the area of Greenville County in a referendum to be conducted by the Greenville County Election Commission on November 4, 2014, and the favorable vote of a majority of the qualified electors voting in such referendum shall be a condition precedent to the imposition of a Sales and Use Tax pursuant to the provisions of this Ordinance.

Section 7. Miscellaneous.

A. If any one or more of the provisions or portions hereof are determined by a court of competent jurisdiction to be contrary to law, then that provision or portion shall be deemed severable from the remaining terms or portions hereof and the invalidity thereof shall in no way affect the validity of the other provisions of this Ordinance; if any provisions of this Ordinance shall be held or deemed to be or shall, in fact, be inoperative or unenforceable or invalid as applied to any particular case in any jurisdiction or in all cases because it conflicts with any constitution or statute or rule of public policy, or for any other reason, those circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable or invalid in any other case or circumstance, or of rendering any other provision or provisions herein contained inoperative or unenforceable or invalid to any extent whatever; provided, however, that the Sales and Use Tax may not be imposed without the favorable results of the referendum to be held on November 4, 2014.

B. This Ordinance shall be construed and interpreted in accordance with the laws of the State of South Carolina.

C. The headings or titles of the several sections hereof shall be solely for convenience of reference and shall not affect the meaning, construction, interpretation, or effect of this Ordinance.

Section 8. Effective Date. This Ordinance shall take effect upon the date of its adoption.

DONE IN REGULAR MEETING THIS ____ DAY OF _____, 2014.
