## *Quality - Design - Brand* **MATTERS!**

For almost 40 years, Westin has provided world class products to the automotive aftermarket industry. To both trade customers and consumers, Westin has become a household name by providing innovative, quality engineered products that add value and good looks to trucks and SUVs.

We first began in the collision and repair industry but have since expanded into 8 automotive accessory product lines with more than 3,000 products and applications today. We continue to evolve and look to developing new products and expanding into new markets within the automotive aftermarket industry. To that end, in the past few years we have added T-MAX Winches and WADE Automotive to the Westin Family of Brands. These additions have allowed us the opportunity to expand into new markets with quality built products. T-MAX Winches are known throughout the world for their robust functionality and reliability. With the addition of the Westin MAX Winch Mounting System, we now have a full product rescue and recovery offering for hardcore off-road enthusiasts. Westin-Wade products have also expanded our line of products to accessorize and protect not only the vehicles' exterior but also its interior with Sure-Fit mats. The addition of T-MAX and Wade along with our current products of grille guards, light bars, step bars, running boards, FEY bumpers and a variety of body trim products, give us the advantage of being able to offer more products for more vehicles.

Our continuing journey of adding new products begins with our customers and ends with the products that consumers want to have on their vehicles. We have always prided ourselves on being responsive to our customer's needs and we don't see any reason to change that attitude. The future for Westin looks bright and we want to make sure to thank you, our loyal customers. We look forward to continuing our partnership and to help you grow your business.

**Thank you again for your support and best wishes for 2011!**

Sincerely,

The Westin Automotive Family

SIDE PRODUCT - STEP BARS - ROUND

**SIGNATURE SERIES 3"**

- MOUNT KIT INCLUDED
- 3" ROUND TUBE
- GALVANIZED MILD STEEL (BLACK)
- RECESSED STEP AREA
- NO-DRILL INSTALLATION

**THE GALVANIZED DIFFERENCE**

Westin's 25-Series 3" round step bars are made of galvanized corrosion resistant quality steel. Galvanized steel is a mixture of alloys that collectively provide layers of resistance to rust caused by oxidation and every day environments.

# PLATINUM SERIES 3"

Platinum Series step bars are manufactured from 304 stainless steel tubing with a chrome plated or black powdercoat finish. These bars offer maximum rust protection against corrosion caused by road hazards and feature a UV resistant step pad that won't fade or crack even under the harshest conditions. The Platinum Series are guaranteed not to yellow or tarnish over time and feature an easy No-Drill installation.

## GRILLES

For most, subtle change isn't all they seek when accessorizing. They want a vehicle specific design with a perfect fit and ease of installation too. Your time is valuable that's why we include an installation code listed next to our Billet Grille applications. Westin Billet Grilles go beyond the boundaries of stereotypes and appeal to all desiring an upgrade from stock to custom.

### HORIZONTAL BILLET

Westin carries a large number of applications for Head Light Covers, including older model cars, trucks and SUVs. Available in smoke or clear aircraft grade acrylic.

## HEAD LIGHT COVERS

Westin **Wade**

## HOOD SCOOPS

Looking good couldn't be easier! Customize your vehicle with Westin's Hood Scoop by Wade and experience for yourself the satisfaction this simple customization body trim accent can provide. Choose from single or double scoop in a smooth finish, or choose the double scoop racing style for a more accented look. Paintable Hood Scoop finish allows you to mix and match them to your preference!

### SINGLE & DOUBLE

Wade's one-piece, "off the hood" design, contours to the truck body providing the best hood protection against nicks and from flying debris. Digitally engineered design resists flex, flutter, vibration and provides a perfect fit. Customize your truck with a quick and easy to install Wade Bug Shield. Wade Bug Shields are uniquely designed for every application.

## SURE-FIT MATS

*On the inside!*

Sure-Fit Floor Mats by Wade are designed with digitally measured interior surfaces to ensure both accuracy and complete protective coverage. Vehicle specific applications utilize OE retention hooks, where factory mat anchors are available, to resist shifting and provide a secure fit.

# WESTIN REWARDS

The Westin Rewards program is our way of showing you how much we appreciate your Business. This unique program recognizes you as one of our MOST VALUED customers by rewarding you with special benefits and timely offers!

[www.WestinRewards.com](http://www.WestinRewards.com)

Westin Rewards is a loyalty and incentive program designed to encourage Jobber-Retailers, Dealers and Installers to purchase Westin products and to aggressively promote the Family of Westin Brands.

For every Westin product you purchase from a participating Warehouse Distributor (WD) starting from your sign-up date, valuable Westin Reward points are earned. You can manage your account activity and redeem your points online at [www.westinrewards.com](http://www.westinrewards.com). Start rewarding yourself by signing up for WESTIN REWARDS today!

## WESTIN REWARDS

SEE WEBSITE FOR COMPLETE PROGRAM RULES

### WAREHOUSE DISTRIBUTORS REPORT SALES

### WE DO ALL THE WORK

Jobber-Retailers, Dealers and Installers that purchase Westin products from participating Warehouse Distributors and operate through a brick and mortar business establishment qualify for this program. WD's will supply sales history for each enrolled company on a monthly basis. It is important that Westin products be purchased through a participating WD to receive points.

Each month, Westin will tally your sales as reported from each participating Warehouse Distributor using your primary business telephone number as your account ID. Points will then be awarded based on this tally. Once you've earned 'em, all you have to do is redeem 'em and enjoy 'em!

SUPPORT - WESTIN REWARDS

## WESTIN REWARDS BONUS POINTS

In addition to your base points, Westin will regularly announce "Bonus Points" to encourage sales of specific products. Bonus Points will automatically be added to your base points when you sell the featured products during the specified time period! Bonus Point announcements will be advertised on Rewards website and through participating WD's.

**It pays to sell Westin!**

# Earn 'em. Redeem 'em. Enjoy 'em.

## GLOSSARY OF TERMS

**ABS PLASTIC** - An impact durable, heat resistant, moldable plastic.

**ACRYLIC** - A clear or smoke polymer (polyacrylonitrile) material used in the manufacturing of Wade products.

**BEDCAPS** - Designed to protect the top lip of truck bed side walls. Available with or without stake pocket holes in smooth or ribbed textured finish.

**BILLET GRILLES** - Billet grilles are a covering for the front of the vehicle that allows air to flow in while deflecting road debris. Billet grilles are not only functional but they are also decoratively designed to accentuate and compliment the vehicle on which they are installed.

**BLACK POWERCOATED FINISH** - Powder coating is a process to color metals for specific applications. Powder coating resists cracking and peeling and is extremely abrasion, corrosion and chemical resistant.

**BODY TRIM PRODUCT** - Product that primarily enhances a vehicle's appearance but not limited to aesthetics.

**BULL BARS** - Bull Bars are front end products providing off-road styling for a customized look.

**BUMPER** - Most frontal or dorsal exterior of a vehicle.

**CHROME PLATED** - Chrome plating is a process that involves the electroplating of a thin veneer of chromium onto an underlying metal. Sometimes used for decorating purposes, chrome plating can also serve as a layer of protection as well. Often, chrome plating is applied to metal objects when there is an increased opportunity for corrosion to occur.

**E-SERIES** - Products offered as e-series are a bright polished stainless steel versions of a traditionally chrome plated stainless steel product. E-Series products offer an economical alternative to higher priced chromed products without sacrificing quality.

**FRONT CAP** - Designed to protect the frontal most upper lip of truck bed wall; closest to truck cab.

**FRONT-END PRODUCT** - Product designed to mount on the frontal most exterior of a vehicle.

**GALVANIZED** - Steel that has undergone a zinc alloy coating process that permanently bonds the zinc to the steel tubing used to manufacture Signature Series (25-Series) Black Powdercoated 3" Round Step Bars.

**GRILLE GUARDS** - Grille Guard products provide front end protection for a variety of applications such as off roading and on police vehicles.

**H-RACK** - An H-Rack or Headache Rack is a steel rack that is made to rest on the bed rails right behind the cab on a pickup truck. These are also commonly termed as cab protectors or back racks as they are designed with this intention. One of the main functions of headache rack is to prevent the cargo from falling down.

**HDX PRODUCTS** - Heavy Duty Xtreme (HDX) Products are specialty equipment products designed for the toughest usage.

**HEADLIGHT/TAIL LIGHT COVERS** - Headlight and Tail Light covers serve the same purpose. They protect the lights and enhance the vehicles look.

**HOOD SCOOPS** - Hood Scoops are an aesthetic product giving the vehicle a customized style.

**IN-CHANNEL WIND DEFLECTORS** - Designed for aesthetic and functional use. Applied to vehicle side windows by inserting the product flange into the upper most channel of the window. Most applications fully follow the line of the window.

**LIGHT BARS** - Light bars provide for mounting of off-road or driving lights for added illumination and style.

**LIGHTS** - Lights that are mounted to light bars for off-road and street vehicles for added illumination.

**MANDREL BEND** - Tube bending process used in the manufacturing of Westin Step Bars that allows for 90° bends.

**MILD STEEL** - Mild steel is the most common form of steel and provides material properties that are acceptable for many applications. Mild steel has a low carbon content (up to 0.3%) and is therefore neither extremely brittle nor ductile. It becomes malleable when heated, and so can be forged.

**NO-DRILL** - Products mounted by bolting on and that do not require drilling to the vehicle to install.

**OFF-ROAD** - A term used to describe a lifestyle. Typically involves rough unpaved terrain.

**OFF-ROAD SERIES** - T-MAX Winches ranging from 8500lb - 11000lb rated line pull. Available with steel or synthetic rope.

**OUTBACK SERIES** - T-MAX Winches ranging from 9500lb - 12000lb rated line pull.

**OVAL TUBE** - Step-Up Product. Oval shaped 4" tube, "straight" style step available in six (6) universal lengths. Oval Tube Steps require a mount kit (sold separately).

**PERFECT MATCH BUMPERS** - Perfect Match rear bumpers are an alternative to OE Bumper replacements. The bumpers are mainly used for collision repair.

**PERFORMANCE SERIES** - T-MAX Winch featuring a yellow casing and blue synthetic rope with 9500lb rated line pull.

**PLATINUM** - Term reserved in use to describe a product manufactured of quality superior to similar or comparable products in the same category. Platinum products feature improved quality of material or design.

**PLATINUM BUG SHIELDS** - Series of Bug Shields that provide hood protection for the full length of the vehicle hood from end to end.

**PLATINUM OVAL BED RAILS** - Bed Rails manufactured of oval shaped stainless steel tubing.

**POLISHED FINISH** - Polished Chrome finish is chrome plating on stainless steel or aluminum that is then polished.

**PREMIER** - Term reserved in use to describe a product distinguished for dimensional superiority comparable to products of the same category.

**RECESSED** - Used to describe an area that is stamped to create a notch for the placement of a step pad.

**ROCKER BAR** - Product designed to provide side body protection while off-roading. Product may be utilized for aesthetics only.

**RUNNING BOARD** - Straight Style steps that run parallel along the side of the vehicle of which all applications feature cradle mounting. Westin Running Boards are universal length boards that require a vehicle specific mount kit (sold separately).

**SADDLE PAD** - Used to describe a step pad that straddles the step bar tube.

**SLIM WIND DEFLECTORS** - Designed for aesthetic and functional application. Applied to vehicle side windows with 3M automotive grade tape. Slim is a term used to describe the product in comparison to Wade Wind Guards.

**SPORT TUBE** - Side Body Trim Product designed to provide an aesthetic upgrade to available applications.

**SPORTSMAN** - Westin Grille Guard and Accessory Series. Traditional tube construction and vehicle specific designs. Sportsman Winch Mount Grille Guard and Tail Light Guards also available.

**STAINLESS STEEL** - Stainless steel alloy is the name given to a group of stainless steel alloys. Ordinary steel can rust if it comes in contact with water; stainless steel, however, contains the element chromium. Chromium forms a resistant layer on the steel, preventing it from rusting.

**STEEL WINCH CABLE** - Steel winch cables are made from thin strands of steel wound together to make a thick cable. They are extremely heavy, rigid and are used because of their durability and long lasting performance. The steel strands can break at pressure points, something like a guitar string popping. When this happens, they can cause injury the use of heavy duty work gloves is advised when using steel winch cable. Available in many lengths.

**STEP BAR** - A product designed to provide assistance with entry to a vehicle by providing a step surface that shortens the distance between the ground level and the vehicle.

**SURE-FIT CARGO MAT** - Series of Wade Floor Mat for the cargo area of a truck, SUV or Jeep. Providing protection for the vehicle's original carpet for preservation and longevity.

**SURE-FIT FLOOR MAT** - Series of Wade Floor Mat designed for front, second and 3rd rows. Providing protection for the vehicle's original flooring for preservation and longevity. Not designed for vehicles with vinyl floors.

**SYNTHETIC WINCH ROPE** - Synthetic fiber winch cables are made from ultra-lightweight polyethylene fibers. They are basically as strong as steel winch cables but not as heavy. They also do not fray at the pressure points and have less of a safety risk.

**TAILGATE CAP** - Designed to provide protection to the upper most edge of truck tailgate from dings and scratches typically sustained from regular usage.

**TRAILBLAZER** - Series of products designed for Jeep Wrangler. Series includes Front and Rear Bumpers, Winch Tray, and Rocker Bars.

**ULTIMATE BULL BAR** - A Westin Automotive original front-end product. Feature 3" tube for larger applications and 2.5" for medium sized vehicles.

**ULTRAGUARD BUG SHIELD** - Series of Bug Shields that extend beyond the hood lines of the vehicle and wrap around the vehicle front-end.

**UNIVERSAL BUMPERS** - Universal Bumpers are designed for all older model vans and trucks needing rear bumper replacement.

**WHEEL-2-WHEEL** - Side Step Products that span from front wheel to rear wheel along the body of the vehicle. Designed to provide a step area surface that allows access to the truck bed.

**WINCH** - A motorized unit designed to provide pull as a vehicle recovery tool or as a tool for commercial use.

**WINCH TRAY** - Winch Trays mounts to directly to the vehicle frame. Providing the winch an enclosed finished look and added protection.

**WIND DEFLECTOR** - Designed to deflect wind and provide a channel for smooth circulation of air when window glass is slightly lowered. Designs for side windows (Slim, In-channel, and Wind Guards), roof, and cab openings are available. Vehicle specific.

## LIMITED LIFETIME WARRANTY

### **ALL WADE PRODUCTS**

Westin Automotive Products warrants Wade Automotive Products to be free of original defects in materials or workmanship as long as the original purchaser owns the vehicle on which it is installed. This warranty does not cover damage resulting from accident, misuse, neglect, improper installation, fire, vandalism or any form of abuse. Westin will repair or replace, its sole discretion, any product covered by this warranty. This is a parts-only warranty and such repair or replacement shall be Westin's only obligation, and the customer's only remedy for a defective product. The cost of labor, installation, painting, incidental damages, shipping and handling will not be reimbursed. We do not warrant the paint or painting of our products. If, at our discretion, we choose to replace a defective part the customer (end consumer) may be responsible for any occurring freight cost, or a handling fee of up to \$25.00. Westin shall have no liability for any incidental or consequential damages of any kind or nature including property damage, or personal injury resulting from the use or misuse of this product.

## FINISH PROTECTION

Westin products have a high quality finish that must be cared for like any other exposed finish on the vehicle. Protect the finish with a non-abrasive automotive wax, (e.g. Pure Carnauba) on a regular basis. The use of any soap, polish or wax that contains an abrasive is detrimental, as the compounds scratch the finish and open it to corrosion.

## DISCLAIMER FOR WINCHES

Westin warrants each Winch against factory defects in material and workmanship to the original purchaser for the period of one year. The owner will be responsible for removing the winch and returning it with freight prepaid. Westin will repair or replace at its discretion the defective product or part. The purchaser must send a copy of the original receipt to qualify for any warranty consideration. Exclusions from this warranty are the finish and conditions determined to have been caused by abuse or abnormal use. This warranty shall not apply to any electric winch improperly operated or improperly installed. There are no warranties, expressed or implied, which extend beyond the original purchaser. The loss of use from any vehicle, loss of time, inconvenience, commercial loss or consequential damages is not covered. Westin reserves the right to redesign and make any changes to any product without assuming any obligation to modify any product previously supplied or manufactured. Any commercial or industrial use or application, or any hoisting application of the winch will void the warranty.

## DISCLAIMER FOR WESTIN PRODUCTS

Buyer assumes all risk and liability whatsoever from the installation and use of Westin products. Westin products are sold as appearance accessories and should not be relied upon as protection for the vehicle or occupants in the event of a collision or roll over. Vehicles equipped with a supplemental restraints system (air bags) deployed by impact should not be modified by any aftermarket Grille Guard, Push Bar, Light Bar or Bull Bar without first consulting the vehicle manufacturer. Westin Automotive Products, Inc. assumes no liability for injury, loss, incidental or consequential damages in the event of an accident.
