

HP LD5511 55-inch Large Format Display

Collaborate and conference in eye-popping style with the HP LD5511 55-inch Large Format Display, which transforms your meeting room into a world-class conference center and delivers exceptional clarity and brilliant colors.

Fantastic front of screen

- View content from virtually any corner with the 55" diagonal Full HD screen and 178° viewing angles. High brightness and contrast ratio provide excellent picture quality and readability that's perfect for meeting rooms that seat up to 12.

Create a complete conferencing solution.

- Pair the display with an HP Elite Slice for Meeting Rooms, HP Collaboration PC with Intel® Unite™ software or HP Chromebox¹ and interact seamlessly with co-workers or clients on an extra-large display that has integrated speakers for crystal clear audio.

Designed for the long haul.

- Rest assured with a display that has commercial-grade display components and is ready to run in demanding environments. Best of all, it's supported by a three-year standard limited warranty and optional HP Care services.²

Featuring

- Quickly connect to your video source with HDMI, DVI or VGA. Wirelessly adjust the brightness or audio volume with the included remote control.
- Customize your view with flexible VESA-enabled mounting options. Position the display on a wall³ or use a stationary stand or mobile cart.⁴
- Use the included HP Network Sign Manager software to remotely control all of your networked meeting room displays.⁵ Issue commands, set On/Off times, control brightness and most other OSD commands, and lock the power button and OSD controls.
- Combine the display with an HP Elite Slice for Meeting Rooms¹ for one-touch controls, Skype for Business⁶, and Intel® Unite™ wireless sharing.
