- 4.2.2 **Minimum Acceptable Score:** Vendors must score a minimum of 70% (49 points) of the total technical points possible. All vendors not attaining the minimum acceptable score (MAS) shall be considered as non-qualifying; therefore, the cost bids will not be opened. 4.2.3 Cost Evaluation: BRIM's evaluation committee will review the cost proposals, assign appropriate points, and make a final recommendation to BRIM's Executive Director.

4.3 **Independent Price Determination**: A proposal will not be considered for award if the price in the proposal was not arrived at independently without collusion, consultation, communication, or agreement as to any matter relating to prices with any competitor unless the proposal is submitted as a joint venture.

4.4 **Rejection of Proposals**: BRIM reserves the right to accept or reject any or all proposals, in part or in whole at its discretion. BRIM further reserves the right to withdraw this RFP at any time and for any reason. Submission of or receipt of proposals by BRIM confers no rights upon the bidder nor obligates BRIM in any manner.

4.5 **Vendor Registration**: Vendors participating in this process should complete and file a **Vendor Registration and Disclosure Statement (Form WV-1)** and remit the registration fee. All bids, proposals, or offers submitted by vendors shall become public information and are available for inspection during normal official business hours at BRIM's office after the bid opening. Any information considered a trade secret must be separated from the vendor submission and clearly labeled as such. Primarily, only trade secrets, as submitted by a bidder, are exempt from public disclosure. The submission of any information to BRIM by a vendor puts the risk of disclosure on the vendor. BRIM does not guarantee non-disclosure of any information to the public.

5.2.2 Written Release of Information: All public information may be released with or without a Freedom of Information request; however, only a written request will be acted upon with duplication fees paid in advance. The vendor as an independent contractor is solely liable for the acts and omissions of its employees and agents.

Vendor shall be responsible for selecting, supervising, and compensating any and all individuals employed pursuant to the terms of this RFP and resulting contract. Neither the vendor, nor any employees or subcontractors of the vendor, shall be deemed to be employees of BRIM for any purpose whatsoever.

Vendor shall hold BRIM harmless, and shall provide the State and BRIM with a defense against any and all claims including, but not limited to, the foregoing payments, withholdings, contributions, taxes, Social Security taxes, and employer income tax returns.

5.4.1 **Subcontracts/Joint Ventures:** The vendor is solely responsible for all work performed under the contract and shall assume prime contractor responsibility for all services offered and products to be delivered under the terms of this contract. BRIM will consider the vendor to be the sole point of contact with regard to all contractual matters. The vendor may, with the prior written consent of BRIM, enter into written subcontracts for performance of work under this contract; however, the vendor is totally responsible for payment of all subcontractors.

5.4.2 **Indemnification:** The vendor agrees to indemnify, defend, and hold harmless the State and BRIM, their officers, and employees from and against: (1) Any claims or losses for services rendered by any subcontractor, person, or firm performing or supplying services, materials, or supplies in connection with the performance of the contract; (2) Any claims or losses resulting to any person or entity injured or damaged by the vendor, its officers, employees, or subcontractors by the publication, translation, reproduction, delivery, performance, use, or disposition of any data used under the contract in a manner not authorized by the contract, or by Federal or State statutes or regulations; and (3) Any failure of the vendor, its officers, employees, or subcontractors to observe State and Federal laws including, but not limited to, labor and wage laws.

5.4.3 **Governing Law:** This contract shall be governed by the laws of the State of West Virginia. The Vendor further agrees to comply with the Civil Rights Act of 1964 and all other applicable laws and regulations as provided by Federal, State, and local governments.

Such renewals are for a period of up to one (1) year, with a maximum of two (2) one-year renewals, or until such reasonable time thereafter as is necessary to obtain a new contract. The "reasonable time" period shall not exceed twelve (12) months. During the "reasonable time"

period, vendor may terminate the contract for any reason upon giving BRIM ninety (90) days written notice. Notice by vendor of intent to terminate will not relive vendor of the obligation to continue providing services pursuant to the terms of the contract.

- 5.6 **Non-Appropriation of Funds:** If funds are not appropriated for BRIM in any succeeding fiscal year for the continued use of the services covered by this contract, BRIM may terminate the contract at the end of the affected current fiscal period without further charge or penalty. BRIM shall give the vendor written notice of such non-appropriation of funds as soon as possible after BRIM receives notice. No penalty shall accrue to BRIM in the event this provision is exercised.
- 5.7 **Changes:** If changes to the contract become necessary, a formal contract change order will be negotiated by BRIM and the vendor.

As soon as possible, but not to surpass thirty (30) days after receipt of a written change request from BRIM, the vendor shall determine if there is an impact on price with the change requested and provide BRIM a written statement identifying any price impact on the contract. The vendor shall provide a description of any price change associated with the implementation.

NO CHANGE SHALL BE IMPLEMENTED BY THE VENDOR UNTIL SUCH TIME AS THE VENDOR RECEIVES AN APPROVED WRITTEN CHANGE ORDER FROM BRIM.

- 5.8 **Price Quotations:** The price(s) quoted in the vendor's proposal will not be subject to any increase and will be considered firm for the life of the contract unless specific provisions have been provided in the original specifications.
- 5.9 **Invoices and Progress Payments:** The vendor shall submit invoices, in arrears, to BRIM at the address on the face of the purchase order labeled "Invoice To." Progress payments may be made at the option of BRIM on the basis of percentage of work completed if so defined in the final contract.
- 5.10 **Contract Termination:** BRIM may terminate any contract resulting from this RFP immediately at any time the vendor fails to carry out its responsibilities or to make substantial progress under the terms of this RFP and resulting contract. BRIM shall provide the vendor with advance notice of performance conditions which may endanger the contract's continuation. If after such notice the vendor fails to remedy the conditions within the established timeframe, BRIM shall order the vendor to cease and desist any and all work immediately. BRIM shall be obligated only for services rendered and accepted prior to the date of the notice of termination.

The contract may be terminated by the State with thirty (30) days prior notice pursuant to **West Virginia Code of State Rules § 148-1-7.16.2.**
