## Foreword

We, the students of William Fleming, are proud of our school. We are proud of the things that Fleming represents: the friendliness, the wholesome spirit, and the loyalty of everyone who has been a part of Fleming.

We are proud of the accomplishments in academic endeavors, literary events, sports, and club activities.

We are proud of the growth of William Fleming and look forward to greater achievements.

We hope that you will also be proud of this yearbook and treasure it for many years.

MR. RAYMOND E. BERWALD

## Dedication

To Mr. Raymond Berwald, the Band Director of William Fleming High School, we dedicate the 1955 COLONEL.

His enthusiasm, patience, and unselfish devotion of his time and talents have inspired the growth of the Fleming Band into one of which we are proud. Under his leadership these musicians have gained recognition as a vital part of the Fleming program and have received local, state, and national honors.

Explanation of the Roanoke Liberal Grading System

The Roanoke liberal grading system gives a summary evaluation to the achievement of a pupil on a single or multiple assignments, such as daily recitations, written tests, report books, projects, or term papers, and grades, with the teacher's personal advice, habits, and character. It does not incorporate all other factors in a summary evaluation of the student's achievement in the course of progress and the degree of mastery of the part of the work covered, including projects and assignments.

Classes

# Class of '55

All who have come and gone from Fleming have carried away with them a feeling of satisfaction for accomplishments and a feeling of gratitude for the guidance given them.

The pleasant memories of participation in school activities and the friendships formed will always remain with them. Even though the memories may become hazy or even forgotten, the "Fleming spirit", which is so contagious, will never die. If that intangible spirit is taken away, Fleming will continue to be a heritage of which everyone can be proud.

# Junior Class

The activities of the Class of '56 began with the Junior Class Assembly on October 5th, which was a take-off on current popular recording stars.

During the year, the Class sponsored several hops and entered a float in the Homecoming Parade on which girls portrayed different scenes at the traditional Junior-Senior Prom.

The usual excitement was created by the ordering of Senior rings.

The Class of '56 climaxed the year with the Junior-Senior Prom.

## We're Proud of Our Coaches

Fleming has every reason to be proud of this year's Coaching Staff. The coaches have done much to make Fleming well known throughout the state. Their influence reaches not only the athletes at our school but also every student as well.

Coach Smith, as athletic director, head football, wrestling, and track coach, carried the brunt of the job, and as usual came through with champion teams. The "Gray Fox" has made himself known as a fine coach and a fine man.

Coach Crabtree has made one of the finest records in the state. In two years as head basketball coach, he has brought Fleming two District and two State Championships. Also serving as line coach in football and assistant track coach, he has made as fine a beginning in his coaching career as any young coach could desire.

Coach Davis, as backfield coach in football, produced one of the best all-round backfields in the area. Since he helped in basketball and track, he had a hand in all athletics at Fleming. Through his work, champions were developed.

One of the most important jobs fell to Coach French, which was coaching the Junior Varsity football. It is well known that good J. V. coaching produces good varsity teams in later years. His coaching of the J. V. football team and helping with varsity wrestling and track, made him an important person on our Coaching Staff.

We pay tribute and give thanks to these men for our successful teams.

## District Six Football Champions

Fleming's 1954-1955 football team helped to accomplish a feat that no other team in the history of the school has ever done. They won the District Six Championship for the third consecutive year. It is a fitting thing that they did win, for next year, the Blue and Gold will go into Group I competition.

The return of seventeen lettermen from the previous year's squad boosted the hopes for a good team and helped to make this possible.

The first game of the year was with Jefferson, who defeated the Colonels in the last thirty seconds by a desperation pass. The Colonels dropped the game 7-6 which was one of the biggest heartbreakers in the history of the school.

The Blue and Gold rebounded strongly and bumped off an outmanned Appomattox team 45-0 in the first home game.

For the second straight year, the Colonels were tied by their Group I rival, George Washington of Danville. This year after a slow first half the teams battled to a 0-0 tie.

## We Are Proud of Our Team

Again facing Group I competition, the Colonels rolled over City-County rival Andrew Lewis by a 20-6 score.

The Blue and Gold began their title defense in District 6 by battering Martinsville down to a 33-6 defeat. The next week, inspired by the Homecoming celebration, they swamped the Orioles of Pulaski by a 39-12 score.

However, the Colonels met defeat, 13-7, when they played E. C. Glass at Lynchburg.

Again returning to District Six opponents, the Blue and Gold rolled over William Byrd 13-0, and trampled Blacksburg 51-13, to win the Championship.

## We Are Proud of Our Wrestlers

With only five lettermen returning, the matmen had to work hard to match last year's team. Even though the competition was tough, eight out of eleven matches were won.

The Colonels won fourth place in the State Tournament. Jimmy Roberson triumphed as the first individual State Champion from William Fleming.

# We're Proud of Our District Six and State Basketball Champions

Following their old habits, Fleming's 1954-55 basketball squad, for the third consecutive year, captured the District Six Championship and for the second successive year, won the State Championship. Having lost twice to Martinsville in regular season play, the Colonels came through and defeated the unbeaten Bulldogs in the finals of the District Six Tournament. From there they went to the State Tournament, defeating George Mason of Falls Church in the finals.

Coach Phil Crabtree had probably one of the tallest teams in the state. Although having a potentially great team the Colonels started the season slowly as their offense did not really begin to click until about midway through the schedule. As the season progressed, team play developed which resulted in victories. Team spirit rose and as Fleming entered the District Tournament, they hit their peak, walking away with all the honors.

This year's team is one of which the student body and all of its supporters can truly be proud. It not only played well, but it held high the tradition of sportsmanship of which Fleming is so proud. It will always be remembered as a Championship team in every respect.

## We're Proud of Our 1954 District Track Champions

For the second straight season the Fleming thinclads have added another District Championship to the record. The 1954 team again dominated all District Six opposition. Added to their District laurels was a second place in the City-County Meet and a second place in the Group II State Meet.

Having a well-rounded team, the Colonels lost only twice. Both losses were in Group I competition. The Colonels lacked only three points of being Champions at the State Meet. As this yearbook goes to press, the 1955 Fleming harriers are in the midst of another successful season.

## The Flemin' Women

Girls' sports included volleyball, basketball, paddle badminton, and softball. The volleyball teams were very successful, rating fourth and fifth places in the league. The ninth grade team did not win any games; however, the team enjoyed playing and really demonstrated good sportsmanship. Not once did they lose their spirit, and, in spite of defeats, were always eager for the next game.

The basketball team played ten games during the season. It proved to be a tough team to beat. Carolyn Rakes, for the third year, held the high scoring Championship.

When spring came the Flemin' Women moved out of doors for softball. The girls were divided into squads, according to grade, and played each other for the Championship.

This year has been successful in more ways than one. The G. A. A. organization, which was organized in 1951, had more members this year than any other year. The club sponsored concession stands at many of the football games. The club entered a beautiful float in the Homecoming Parade on which girls portrayed May Day scenes and various gym class activities.

The following girls earned 500 points this year and received their G. A. A. letters: Carolyn Rakes, Ruth Townsend, Connie Pedigo, Joyce Gates, Darlene Jones, Loretta McKinney, Sarah Meador and Bettie Lou Stubbs. Stars were awarded to Artennis Hall, Carolyn Rakes, Ruth Townsend, Connie Pedigo, Darlene Jones. Bars were awarded to Carolyn Rakes and Artennis Hall.

The girls hoped that they have lived up to the ideals of good sportsmanship, clean, fair play, and the spirit of good fellowship that the G. A. A. tries to promote.

The annual staff of 1954-55 is proud to present an annual which represents much hard work. This work was not done by one person alone but by all the staff members working and planning together to make their section one of the best.

The staff began in the fall with soliciting advertisements, securing subscriptions, and taking pictures. Many problems had to be worked out, but each person was happy to co-operate.

The Colonel Staff sincerely hopes that every student will enjoy reading his or her annual and that it will be remembered and treasured.

The Student Cooperative Association is a club of which every student is a member. There is a council, however, that forms the main working body of the organization. This council is made up of representatives from the homerooms, club presidents, and headed by the officers who are elected annually by the student body.

The object of the S. C. A. is to foster honesty, sportsmanship, cleanliness, and a good school spirit. It serves as the co-ordinator of all school activities.

Each month a calendar showing the school activities for each day was prepared and hung in the front hall. The club sponsored a Spring Formal. Five delegates and the sponsors attended the District, State, and National S. C. A. Conventions.

The term of 1954-55 has been one of the most active for the Beta Club at Fleming. During football season, programs were sold at the home games.

In November, a banquet was held at which the new members were initiated. Pictures of the occasion were published in the *National Beta Club Journal*. Then in December, the club sponsored a hop after the varsity football banquet. Don Blount and Nancy Moore were awarded the Beta Scholarships.

To start the new year, a pot-luck supper was held on January 31. Since the State Beta Convention was held in Roanoke this year, the Fleming Club took an active part in the convention activities in addition to sending several representatives. The Beta Club skit won fourth place, in spite of the fact that it had to be completely changed four days before the convention.

An outing was held to climax the year's activities.

The Junior Red Cross Council was made up of representatives from each homeroom who inform the students of their homeroom about the club's activities.

The year began with the Enrollment Drive, which was a big success. Other activities for the year included filling twenty-five Christmas stockings for the veterans, participating in the Homecoming Parade, doing volunteer service for the City Chapter, and giving various programs at the Veterans Hospital.

The council had demonstrations of first aid and artificial respiration.

Representatives from the council were active on the City Junior Red Cross Council of which Carolyn Rakes was elected secretary-treasurer for next year.

The Fleming Flash is a weekly paper published by the journalism class. Despite the hard work and staying after school, the staff has enjoyed putting out the paper. The trips to Bob's . . . listening to records after school while working on the paper . . . the fun Mary "Liz" and Marilyn had sitting back, watching other people struggle with the mimeograph . . . will always be remembered by those on the staff. The staff put out extra issues at Christmas, Thanksgiving, and April Fool's Day. The S. I. P. A. representatives brought back a first-place award from the convention in Lexington last year.

The Y-Teen Cabinet started off the year with a bang and spent a week end in September at Camp Kiwanianna planning the year's activities. The Y-Teen Membership Drive began with the annual Reception. The Recognition Service was held at the Huntington Court Methodist Church.

Later in the fall the girls enjoyed a slumber party and a camp fire. One of the main events was planning and presenting the Christmas assembly. The Half-Day Conference, spaghetti supper, and Mother-Daughter Banquet were held during the winter.

In the spring, the club sponsored a Variety Show and a Fashion Show. The Y-Teens and Hi-Y had charge of Holy Week Services again this year. One of the main projects was the sponsoring of an orphan. Other activities were planned throughout the year.

The Junior Y-Teens had a membership of 160 girls this year. Mrs. Wilkerson and Mrs. Smith, two new sponsors, guided the club in a most successful year.

The girls participated in the choir, dance chorus, and worked on the monthly paper, *The Teller*. The club had several social affairs which began in September with the Reception and closed in May with the Mother-Daughter Banquet.

Working with the Senior Club, and Hi-Y was enjoyed by all in such things as the Homecoming Float and Christmas Pageant. Parties for the two Y-Teen orphans were also much fun.

The programs at the "Y" helped each girl realize the fellowship in being a Y-Teen.

The Hi-Y Club of William Fleming High School had a very successful year. At Christmas the Hi-Y was responsible for delivering the Christmas baskets. The club co-sponsored the Christmas Dance with the Senior Masque Club.

In January the Hi-Y Club sponsored an all-boy assembly which included the premiere of a new dance orchestra, "The Blue Notes".

The Hi-Y was responsible for one of the assembly programs during Holy Week.

The club also had several social activities.

The fifth year of the Junior Hi-Y has been a successful one, with more members than before. The boys have participated in various activities including meetings held at the Y. M. C. A. every first and third Monday of each month. At these meetings swimming, basketball, and volleyball were among the activities.

Under the sponsorship of Mr. Foster, the club's project has been the upkeep of Colonel William Fleming's grave on the grounds of the Monterey Golf Course.

The club at all times strived to uphold the Hi-Y platform of Christian thought, Christian action, and Christian leadership.

The year was climaxed with an outing.

The band, under the direction of Mr. Berwald, enjoyed a very successful season this year with seventy-two members and seven majorettes, the largest in its history. The band began the season with a joint performance with the Jefferson Band at the Fleming-Jefferson game. The members attended all home games and traveled to Martinsville, Danville, Lynchburg, and Salem for games. The band marched in several local parades, including the Shrine Bowl Parade, the Christmas Parade, and the Homecoming Parade. A most enjoyable week end was spent October 9-10 at Bristol for the Band Festival.

The Varsity Club was open to boys who had earned their athletic letters in either football, basketball, wrestling, track or as managers. The club has been growing each year. There were over fifty members this year.

At the monthly meetings the boys revised the constitution.

Approximately thirty boys earned their letters this year in the various sports. An "F" is received the first year the required number of points are earned, stars the next two years and a bar for the fourth year. After the age of nineteen students are ineligible to participate in high school athletics.

A very outstanding year in sports and an active year for the Varsity Club was climaxed with an outing.

This, the fourth year of the G. A. A., has seen more interest in girls' sports and activities. As a result, membership has increased, more coveted class numerals, school letters, and stars have been earned, and the club has been more active.

With the F. T. A., and Cheerleaders, the club opened its activities by sponsoring concession stands at the home football games. In October, they entered a float in the Homecoming Parade representing girls' sports throughout the year.

The club continued its year with a pot-luck supper followed by a Christmas spaghetti supper held at Fellowship Hall.

A swimming party climaxed a very successful year.

The Fleming chapter of the F. H. A. started the year by giving a tea in honor of the teachers. The new year brought pins for the new members and guard pins for the old members. The club enjoyed a spaghetti supper, fashion show, and a tea for the mothers.

The big project of the year was selling hot dogs at the football games in order to make money. The girls also decorated a float for the Homecoming Parade and sponsored a hop in November.

To end the year, members attended the Spring Federation Meeting and held an annual outing which was the final activity.

The Junior Home Economics Club was organized this year for the eighth graders who were interested in homemaking. It took most of the fall to get organized and the first social activity was a bowling party held in February.

March followed with a skating party held at the Skate-O-Drome near Salem. In April a bake sale was sponsored which was a big success. Then in May the girls had a hike up Tinker Mountain near Hollins, Virginia.

Near the end of school a picnic and hike on Mill Mountain were enjoyed. During the year the girls took baked goods, which they had made, to the Baptist Childrens' Home in Salem.

The Senior Art Club was organized in the fall with an enrollment of thirty-five students. This year, any pupil interested in art could join the club.

A special project undertaken in the first semester was entering a float in the Homecoming Parade. The club designed the back drop, which was a water color painting of a snow scene, for the Christmas Dance.

During the second semester the members participated in a photography exhibit. The Art Club planned to climax the year's activities with an outing in the spring.

At the request of the eighth and ninth graders who were interested in art the Junior Art Club was organized. Much of the time has been spent in organization, discussing plans for the future, and discovering the many possibilities of club work in the art field.

The purpose of the club has been to encourage a variety of interests in the field of fine arts. Through participation the members have discovered many opportunities in art expression. The members were divided into various committees which included photography, classroom exhibits, bulletin boards, landscaping, cartooning, and props.

A stage dimly lit turned to one filled with light as rehearsal turned to the production of "Our Hearts Were Young and Gay". The Thespians then changed their line of thought to give the annual pageant—"The Christmas Carol".

Andrew Lewis invited the Thespians to bring the comedy, "Remember Your Diaphragm", to the school for the yearbook kickoff. The play, which was directed by Ann Wright and Gretchen Lemon, starred Sara Whitehead and Bobby Pirrung.

Soon after, they began the production of the senior play, "Don't Take My Penny". Next they traveled to Charlottesville for the tournament.

The Spring play, "Two Gentlemen and Verona", was the climax of a successful year, and for celebration the Thespians held their annual Ball April 1, at Longwood in Salem.

The gavel rapped sharply as the club was called to order by Ruth Townsend, president. Ruth was Fleming's entry in the American Legion Oratorical Contest and won the Roanoke Voice of Democracy contest.

Fleming was host to the District Six Forensic Meet on the Roanoke College Campus. Last year a debate team, a poetry reader, and a girl speaker were sent to the State Meet and returned with state honors in reading and speaking.

Ronnie Reid represented the Roanoke Optimists in the District Speaking Contest and advanced to semi-finals.

It's been a busy season, but it has been worth while. The added Fleming honors make us proud and happy.

Whenever you get eighty people working on one big project anything can happen! And it usually does!

The Senior Masque worked closely with the Thespians in co-sponsoring the fall play, "Our Hearts Were Young and Gay", which ran for two nights. They also helped sponsor the festival play, the spring play, and many of our members took leads in the Senior Class Play. The Senior Masque has promoted dramatic interests in our high school.

The Annual Christmas Dance was sponsored by the club. The Senior Masque Club entered a beautifully decorated float in the Homecoming Parade. A St. Patrick's Day Banquet was held at one of the local restaurants.

As a climax to a wonderful year, a spring outing was enjoyed by all.

The Junior Masque was an organization of eighth and ninth grade students who were interested in dramatics. There were fifty members this year.

The club met once a month at roll call. During this time various members of the group put on skits, pantomimes, and read poems or stories. The group discussed dramatics, plays, movies, and topics of interest. A one-act play was given in assembly.

A very enjoyable year was climaxed with an outing.

## The Passing Show

There has been much work, there have been problems, there have been "hectic" times. But the dramatic year has been filled with activity, fun, and a sense of achievement.

First came the fall play, "Our Hearts Were Young and Gay". We played two nights to a full house with many out-of-town people attending.

1—A group after the show: Barbara Baker and her father, Mr. William Baker, who flew from Chicago to see her in the play, Frank Gisiner, Ruth Clingenpeel, Harlan Cato, and Helene Cooper. Ladies in the background are "out-of-towners" attending. 2—The jalopy carried the French members of the cast of "Hearts" in the parade. 3—Janie Vaught and Frank Gisiner on stage in a scene from "Christmas Carol". 4—In the convertible are Ruth Clingenpeel, Helene Cooper, Rex Maugans, Jean Rakes, and Harlan Cato, dressed for their "Hearts" roles.

## The Passing Show

The Fleming Players presented, by invitation, the "Christmas Carol", to the Jaycees at the Patrick Henry Hotel, to the Appalachian Electric Power Company employees and to the Fleming community. Almost two thousand people saw the "Christmas Carol" this year. The upper picture shows a group from the "Christmas Carol"—Anne Strickler, Sandra Farrar, Margaret Richards, Frank Gisiner, Betty Jean Payne, Rex Maugans, Charlotte Jordan, Judy Garland and Ronnie Reid. We were proud of our Festival Play, "Pipes of Dunbar". It took highest honors for the fifteenth year at the District Festival, and for the thirteenth year at the State Festival.

Seen in the lower left picture are Frank Gisiner as the Earl of Bothwell and Helene Cooper as Mary, Queen of Scots. Others were Ronnie Reid as Shrewsbury, Don Sanders as Leicester, and John Williams as the Guard. Jerry Keaton, stage manager, and Jill Edwards, student director.

The lower right picture reveals a moment in the dressing room before curtain time. Adrian Willis, looks on, fascinated, while Mrs. Loomis adds finishing touches to Ronnie Bower's make-up.

The Fleming Chapter of the Future Business Leaders of America is open to any business student who is enrolled in two or more business subjects. There were about fifty members this year.

The main project of the F. B. L. A. was taking part in the State Project which was Personal Appearance Surveys. The club sent two delegates to Radford for the Regional Conference and to the State Convention held in Richmond. Other activities included a bake sale, a supper, and the sponsoring of two cars in the Homecoming Parade.

The club climaxed a very successful year with an outing.

The Future Teachers entered its second year with an increased enrollment. The charter from the National Education Association was presented in a long-remembered assembly at which the faculty entertained the students by portraying their school days.

The high light of the year was the annual Teacher-Future Teacher Banquet held in April with "April Showers" as the theme.

The Fleming F. T. A. installed the first officers of the Jefferson F. T. A. early in the fall and enjoyed working with other clubs in the city and with Delta Kappa Gamma, a National Society of teachers, who sponsored several programs for the future teachers.

Many other activities were enjoyed and the fellowship of the present teachers and future teachers was very wholesome.

The purpose of the Library Club was to broaden interest in reading and interest students in making library work a career.

The Senior Library Club was composed of members from the ninth through the twelfth grades. These members served as regular student assistant librarians each day.

Points were awarded to students for their services in the library. Upon earning 400 points, a club pin was awarded, and a school letter for 600 points.

Several socials were held during the year. An outstanding event of the year was the annual picnic with all the Library Clubs of the City schools at Fishburn Park in May.

Satisfied!! The Cheerleaders think this could be the reply from all the fans who supported the Colonels in football, basketball, wrestling, and track this year.

Homecoming was really a big event for the thirteen cheerleaders who all worked hard and enjoyed planning the bonfire, assembly, parade, and the hop.

When basketball season rolled around the squad had to divide into two groups for the district games. The Pep Band really helped to work up enthusiasm at both the games and the roaring pep sessions.

The school spirit and sportsmanship of the crowd were just wonderful. The cheerleaders were very proud to yell for the 1954-55 Colonels and to have a part in such a wonderful year.

"Are you ready?" . . . The Junior Cheerleaders were ready, ready, when the first J. V. Football game was played in September. They had been practicing all summer with the faithful help of their student coach, Sara Whitehead.

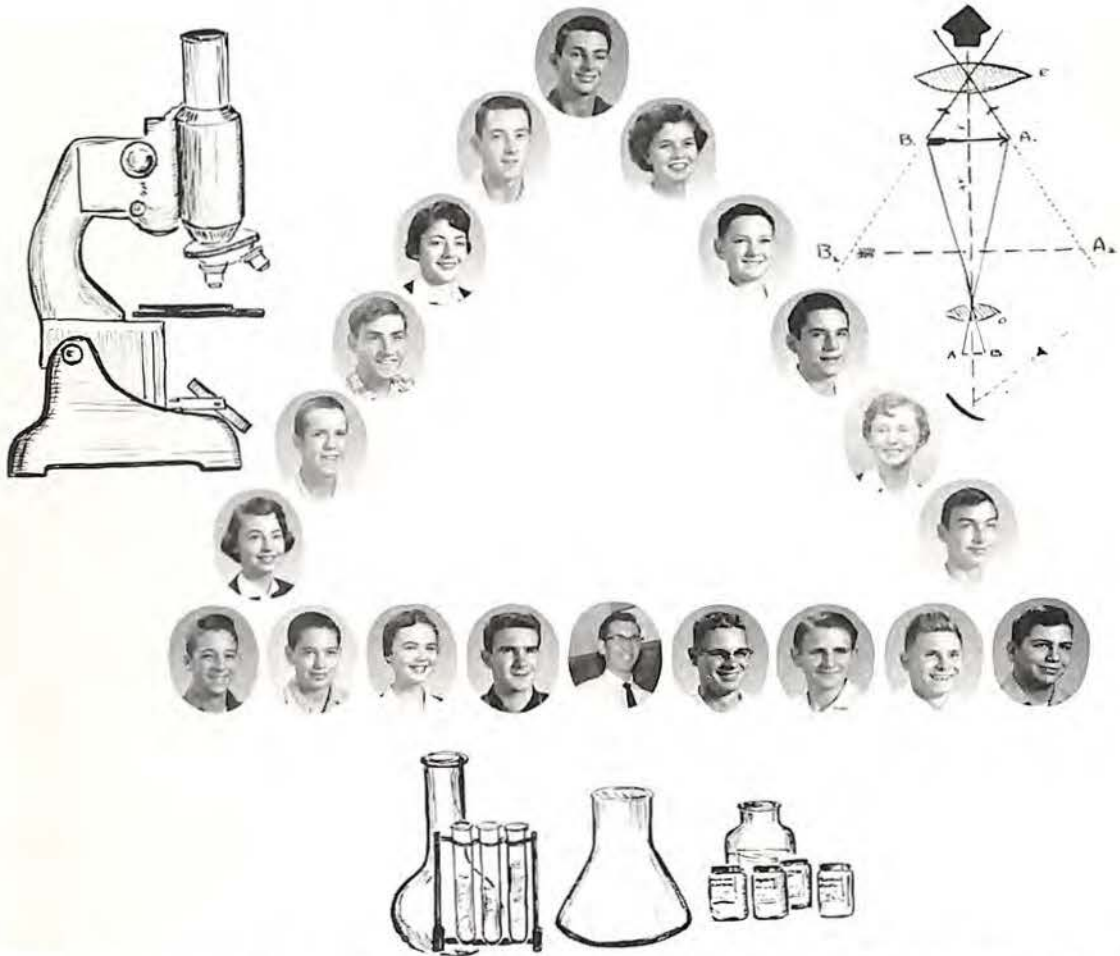

Homecoming plans were in full swing and the five girls had much fun at their get-togethers for making dummies and planning the bonfire and parade.

All good things must end and football season became history. However, basketball was just as much fun. The sportsmanship was good and the fans were just as loyal.

For all of this and for the wonderful J. V. players the Junior Squad is grateful.

The club was open to the ninth through the twelfth grades. The aim of the club was to get the students of Fleming more interested in Science. The members worked on different projects and entered them in March in the "Science Fair" which was held at Roanoke College.

The club consisted of about thirty members, some of whom took part in the Westinghouse Science Talent Search. Pins were available to the members.

The club participated in several field trips to places that concerned science.

The Rotas, under the leadership of Mr. Dixon, was designed specifically for the minor back-stage jobs such as operation and maintenance of movie projectors, general handiwork on assemblies, ticket collection and fence patrolling at all home games, and many other items.

This group of hand-picked boys, chosen from all grades, was organized last year with only ten members. Since then the club has grown to include several specialists in lighting, maintenance of projectors, the public address system, and many other items. Even so, many would-be members were turned away from each meeting.

The organization will continue to bring the best of service possible to the advantage of the school.

BOBBY STAMBACK ..... *Director*

In 1953—thanks to Marvin Burnette—the idea of the “Fleming Pep Band” was originated. This year the “Pep Band” participated in the pep assemblies and traveled to the football game in Danville.

When basketball season rolled around, the band members had their hands full. They played for all of the home games and some of the out-of-town games.

The biggest turmoil was getting rides to the strategic spots throughout the state. Nevertheless, the “Pep Band’s” many loyal fans furnished rides for them.

The “Pep Band” supported the teams and brought out the spirit of the student body.

The success of this band was due largely to Bobby Stamback whose leadership and dependability carried them to the District Six Tournament and on to the State Tournament.

## Have Faith — Go Forward

Appalachian is happy to congratulate members of the graduating class at William Fleming High School. On this occasion, we urge you to consider the words and wisdom of Thomas A. Edison.

Edison, inventor of the first practical incandescent lamp, in his last public words, said, "Have Faith — Go Forward."

An advertisement for The Stone Printing and Manufacturing Co. The ad is presented as a tilted rectangular card with a white background and a black border. The word "Engraved" is written in a large, elegant cursive script on the left side. To the right of this, the words "STATIONERY", "INVITATIONS", "ANNOUNCEMENTS", and "CARDS" are stacked vertically in a clean, sans-serif font. Below "Engraved", the phone number "DIAL 6688" is printed in a bold, sans-serif font. At the bottom of the card, the company name "THE Stone Printing and Manufacturing Co." is written in a cursive font. Below the company name, the address "116-132 NORTH JEFFERSON ST., ROANOKE, VIRGINIA" and the tagline "CORRECT SOCIAL STATIONERY FOR OVER HALF A CENTURY" are printed in a small, sans-serif font.
