Dear Sirs,

My name is Kevin Lee. Enclosed are the requested dump receipts and asbestos disposal receipts pertaining to the Notice of Violation.

I had designated a small burning area where we have burned brush on our property, as well as storm clean ups from the recent weather.

We did salvage anything that was reusable from the demo, we did send all the asbestos to the waste management landfill, and we did, burn some of the wood from this demo.

We have complied with all requests given.

Sincerely,

Kevin Lee

Dear Mr. Lee:

By this correspondence, the West Virginia Department of Environmental Protection (WVDEP) is requesting that you remit the civil administrative penalty, in the amount of \$9,075 for deposit into the Solid Waste Reclamation and Environmental Response Fund. In support of this request, the agency offers the following:

1. 2. The Notice of Civil Administrative Penalty further stated that should a hearing not be requested within the prescribed timeframe, the proposed penalty assessment would become final, due and payable to the WVDEP.
3. To date, the WVDEP has not received Mainline LLC's request for an informal hearing nor has Mainline LLC paid the \$9,075 assessment.

Pursuant to Legislative Rule, Title 33, Series 22, Section 5.1, no informal hearing before the assessment officer was requested, the Secretary's decision has become a final order and the civil administrative penalty is due and payable.
