The Honorable Earl Ray Tomblin
Governor of West Virginia
State Capitol, Building 1
Charleston, WV 25305

RE: Biennium Report 2012 and 2013

Dear Governor Tomblin,

The West Virginia Board of Physical Therapy is submitting our biennium report for the time period of July 1, 2011 – June 30, 2013. Below is an overview of our fiscal year 2012 and 2013 activities.

MISSION

The mission of our board is to promote and protect the public health, safety, and welfare through the examination, licensure, and regulation of physical therapists and physical therapist assistants. Also, through requiring athletic trainers to register with our board, we also are protecting the title of athletic trainers.

PHYSICAL THERAPIST/PHYSICAL THERAPIST ASSISTANTS & ATHLETIC TRAINERS –FISCAL YEAR 2013

	ACTIVE LICENSEES/REGISTRATION	RENEWALS	NEW LICENSE/REGISTRATION
Physical Therapist	1298	599	141
Physical Therapist Assistant	984	464	107
Athletic Trainers	276	129	64

Physical therapist and physical therapist assistant applicants are licensed by endorsement or by exam (NPTE). Athletic trainer applicants are registered by endorsement or new registrant and are required to BOC certified. License and registration renewals are biennial and are offered online or by mail.

FSBPT

The Federation of State Boards of Physical Therapy develops and administers the National Physical Therapy Examination (NPTE) for both physical therapists and physical therapist assistants in 53 jurisdictions (the 50 states, the District of Columbia, Puerto Rico, and the Virgin Islands.) These exams assess the basic entry-level competence for first time licensure or registration as a PT or PTA within the 53 jurisdictions.

CE REQUIREMENTS

The board monitors licensed physical therapist and physical therapist assistant's compliance with continuing education requirements. Effective June 16, 2011, the licensee is required to have 24 WV board approved CE hours per licensing period. The board conducts random annual audit every year. Audits were increased from 5% - 10% in 2012.

Because the athletic trainers do not have a scope of practice, their CE's are not monitored by our board. We require athletic trainers to follow BOC continuing education guidelines.

Greetings, Rule Changes & Announcements

(by Lesleigh Barber, PT, DPT, Board Chair)

Greetings Physical Therapist and Physical Therapist Assistants,

The legislative session came to an end on March 18, 2011 and the rules that govern PT's and PTA's were passed and went into effect June 16, 2011. These rules do include many changes from the old rule so please review it carefully. Some of the highlights from the rule are listed below. The board understands that with any new change there will be many questions and we will do our best to answer them in a timely fashion. The board held its quarterly meeting on June 22, 2011 and answered and addressed many questions already. The answer to these do appear in this newsletter. The board has decided since there has been substantial changes we will hold information meetings in different counties of WV. We will list the meetings times and locations on our website. These meetings will also provide you with 1 continuing education unit. If you have additional questions, please submit them in writing to the board and they will be discussed at the next board meeting on September 28, 2011. Unfortunately, our office staff cannot answer questions that have not previously been answered by the board. The board appreciates your patience during this time and will do our best to provide you with as much information as possible.

RULE CHANGE HIGHLIGHTS

RECENT QUESTIONS & ANSWERS

QUESTION:

I have a question regarding supervisory guidelines for aides/technicians. In reviewing the APTA website, under Medicare,, use of aides for inpatient hospital services says to defer to the state practice act. The state practice act says that they can work with "direct supervision", with the physical presence of the PT in the "immediate treatment area". Does this mean line of sight, or just on the same unit? Just want to make sure I would be doing things correctly.

ANSWER:

Immediate treatment area is defined as the area within the physical therapist's direct line of sight or within audible distance of the physical therapist and the ability of the physical therapist to immediately respond to calls for assistance from the patient or physical therapy aide.

QUESTION:

I am the Practice Manager at an outpatient PT facility. Now that the requirements have changed, my question pertains to the number of CE hours required for my PTs/PTAs with a variety of expiration dates .

ANSWER:

Expires on 12/31/11

- 10 CE units for 2011

Expires on 12/31/12

- Can choose 10 CE units each year (2011 & 2012) or 24 CE units for 2 year renewal period

Expires on 12/31/13

- 24 units for 2 year period

Question:

Provisions for P.T./PTA (8.2a) When care is delivered in a hospital or other acute-care, free-standing, outpatient, or independent practice setting regarding supervision of outpatient practice setting 40% of the time.

- If a PT is expecting a baby and date of arrival is undetermined, can a PTA cover his/her patients for a period of time in an outpatient setting without on-site supervision? This would only be for a week or two and a PT would be in contact with the PTA.

Answer:

Each PTA must receive onsite supervision by a PT at least 60 % of the time during a typical workweek.

Question:

I just want to clarify something regarding co visits frequency. The rule states within 10th PTA visit or within 21 days which will become 30 days by June 16. My understanding is it does not have to fall on the 10th or 21st but within, which means it could be earlier or sooner? If I do initial evaluation with PTA with me as the co visit then we are good for the next 21 Or 30 days and that would mean the next co visit will be after the 21 or 30 days?

Answer:

Under the new rule, the PTA is not required for the initial evaluation and there is no longer a joint onsite co-visit required; however, communication between the PTA and PT regarding the patient should be documented prior to the PTA's first visit. Please refer to §16-1-8.2.b.2. "The physical therapist must visit the patient at least once every 10 physical therapist assistant visits, or within 30 calendar days, whichever occurs first".

Question:

I am a PTA. If I am alone in the gym, while my supervising PT is in another part of the facility, and I have a client who needs to be lifted and I cannot lift her myself could I ask the patients' care giver who always lifts the client to lift the client? Can I have another staff member who is not a therapist help me lift?

Answer:

Yes, an aide can assist because this is a safety concern; however, we do not govern care givers. A "Physical therapy aide" means a person trained under the direction of a physical therapist who performs designated and routine tasks related to physical therapy services under the direction supervision of a physical therapist. Refer to: §16-1-8.2.15.a. A physical therapy aide works under the direct supervision of a physical therapist; provided that a physical therapist assistant may directly supervise a physical therapy aide in emergency situations necessary to provide patient safety.

Question:

1. Where or how do we document that general supervision is provided when the therapist is absent. We work with another hospital in our network that provides coverage for us.
2. If I am absent, being the only PT here, the other facility can provide general supervision, correct?

Answer:

1. The board is not recommending how or where to document; however, it must be producible upon Board's request.
2. Only if there is documentation of a change in supervising PT. Each PTA must receive onsite supervision by a PT at least 60 % of the time during a typical workweek.

Question:

The way we read this is that 40% of the time our PTA's can treat already existing patients without direct supervision as long as they have 1000 hours of experience which both of ours do, correct. This means 40% of an 8 hour day or a 40 hour work week, correct?

Answer:

Each PTA must receive onsite supervision by a PT at least 60 % of the time during a typical workweek.

Question:

How do I document when the 40% of general supervision is utilized?

Answer:

The board is not recommending how or where to document; however, it must be producible upon Board's request

QUESTION:

According to 8.6 I guess if a PT is on vacation for no more than 80 hours a year, the PTA's can see patients as long as general supervision is provided and it is documented that general supervision was provided. I guess somehow we need to keep a record of hours?

ANSWER:

In a temporary situation, a physical therapist can only use 1 day per week and no more than 80 hours per calendar year. An "Emergency/ Temp Absence" form needs to be completed with this information and will need to be turned into the board with license renewal. This form is located on our website.

QUESTION:

If a different PT makes the required 10th visit, does the supervising PT change?

ANSWER:

Yes.

QUESTION:

I am a new PT graduate. I have a question concerning the proper format of documenting my credentials. I have noticed that in the Ohio Valley, that new graduates from a DPT program are signing documents as such: Jane Doe, DPT. At this point, I thought I had heard that licensure should be documented first, then degree. For instance: Jane Doe, PT, DPT...or is this reserved for therapist who were previously licensed and have completed a DPT transitional program?

ANSWER:

You need to sign PT, DPT because the license goes first.

LICENSE REACTIVATION—NPTE FIXED DATE TESTING—CE AUDIT

INSTRUCTIONS FOR REACTIVATING DELINQUENT LICENSE

In order to re-activate your delinquent license, please mail the following:

Application and instructions can be found on our website, www.wvbopt.com.

1. Application – completed, signed, and notarized with a \$25 application fee; we do not accept personal checks nor cash.
2. Photo (signed and printed name on back) per application instructions; send with completed application.
 - Include a list of states you are licensed (active or not) as a PT/PTA.
 - If your name has changed, send an original or a notarized copy of the legal document changing your name with your application request.
3. Delinquent fee - (\$250 PT/ \$170 PTA) money order or business check; we do not accept personal checks nor cash.
4. Verifications from the state's you are licensed (active or not) as a PT/PTA. Verifications must come directly to our office from other jurisdictions.
5. Continuing Education
 - Proof of 12 board approved CE hours for the previous year's (before license is reactivated).
 - After reactivation, 24 board approved CE hours for each 2 year licensing period.

An acceptable proof of CE's is an original or notarized as an original copy of the certificates from courses attended that includes the name of the course, dates attended, number of hours awarded, and the name of the company. To have a document notarized, take the original and a copy to a notary. **The notary needs to complete the following:** (They are notarizing their statement-not the document)

1. Print notary form from our website.
2. Compare the two documents—They are notarizing their statement-not the document
3. Put a statement of the effect that they witnessed the original and this is a true copy
4. Sign document
5. Stamp seal.

Once all the above requirements are met and satisfied, a license can be reactivated. If requested, a copy of your license can be faxed to your WV employer only on the date of issue.

PHYSICAL THERAPIST FIXED DATE FOR NPTE

Effective July 1, 2011

In order to address security concerns and protect the integrity of the National Physical Therapy Examination (NPTE), while complying with the recent order entered in Georgia, Effective July 1, 2011, the FSBPT will cease continuous testing and begin fixed-date administration for all candidates for the NPTE for PTs.

PTA students are not affected

Note that this does not affect PTA graduates; continuous testing continues for PTA graduates.

Registration for 2011 Fixed-Date Testing Begins June 1, 2011.

- September 7, 2011
- October 26, 2011
- December 5, 2011

2012 Testing dates

- January 30, 2012
- March 29, 2012
- July 2, 2012
- July 31, 2012
- October 23, 2012

Why fixed-date testing?

By offering the NPTE on a limited number of fixed dates, the FSBPT will be able to ensure that the NPTE given on a particular date will not contain previously compromised items. The new procedure's purpose is to ensure the validity of scores on the NPTE.

ANNUAL CE AUDIT

Random 5 % Active Licensees

In March of each calendar year, a random audit for 5% of active PT/PTA licensees are chosen.

Any licensee chosen for the audit will receive a certified letter from the board.

All CE certificates must be original or notarized as an original copy.

The licensee will have 21 days from receipt to reply. If licensee does not reply within 21 days, they are in non-compliance and their license will be placed in delinquent status.

March 2012 Audit—New Rule is effective in the middle of the year—June 16, 2011. Licensee can choose between options below:

1. Licensee can comply with the old Rule requirements—10 board approved CE hours each year.
2. Licensee can comply with the new Rule (effective June 16, 2011) - 24 board approved CE units for the 2 year licensing period.

March 2013 Audit

All licensees must have completed 24 board approved CE units for the previous 2 year licensing period.

ATHLETIC TRAINERS UPDATE

(by: Melanie Taylor, PT, Vice Board Chair)

In the last legislative session, the legislature assigned the duty of registering athletic trainers (ATC's) to the WV Board of Physical Therapy (WVBOPT). Put simply, any ATC that wishes to call themselves an ATC and practice as such in the state of WV has to be registered with the WVBOPT. The board will keep an up to date list of registered certified athletic trainers.

In the current statute, those individuals that are working as state certified athletic trainers in the secondary school systems before July 1, 2011 are allowed to continue to practice as such but only allowed to refer to themselves as athletic trainers within the secondary school system. The board is in the process of obtaining a list of names of the individuals that work for the State Board of Education as state certified athletic trainers.

With the new statute, the only persons allowed to hold themselves out to be ATC's in WV must be registered with the WVBOPT. To become registered, the ATC must be BOC certified, in good standing, and complete the application process. The application process will begin June 16, 2011 and the effective date of registration will be July 1, 2011. The registration is a biannual renewal.

Change of Board Chair

(by Lesleigh Barber, PT, DPT)

Greetings Physical Therapist and Physical Therapist Assistants,

It has been my pleasure to serve as chairman of the WV Board of Physical Therapy since 2007; however, I decided to relinquish my position as Chairman in January of this year. I am very proud of all the accomplishments and gains we as a board made during this time and I do plan to continue to serve on the board as a member.

Melanie Taylor, who was Vice Chairman, will now be the board Chairman and Shannon Snodgrass will serve as Vice Chairman. Our board continues to be dedicated to protecting the public and advancing our board to be comparable to other states.

Thank you to all the board members and office staff who provided me support through many changes at with the board office and with our rules and regulations.

Resignation of Board Member—John Spiker

(by Melanie Taylor, PT)

John Spiker has resigned from the board effective June 30, 2012. John was a tremendous board member, being a private practice owner, ATC, and PT he brought great insight to the board. He has served on the Board for 6 years, and will be difficult to replace. The Board appreciates and thanks John for his years of service and wishes him well in his future years.

Dry Needling Conclusion July 18, 2012

The board has provided a written opinion regarding dry needling. The entire opinion can be found on our website under "Current Information". Below is the board's conclusion:

- *As the agency authorized by the West Virginia Legislature to regulate the practice of physical therapy in this State, the Board is empowered to interpret its statutes and regulations. In summary, the Board is of the opinion that dry needling is within the scope of the practice of "physical therapy" as defined by West Virginia Code §30-20-9.*

**NEWS
FLASH!**

NEW §16-1 RULE CLARIFICATIONS EFFECTIVE JUNE 16, 2012

40% Rule

There have been numerous questions about the new 40% rule. Simply the PTA must have onsite supervision by a PT, at least 60% of their work week. The PTA may then practice the other 40% of the time under the general supervision rule.

- General Supervision requires the supervising PT must be available by telecommunications during the time the PTA is treating patients and the PT must complete a supervisory visit on those patients by the 10th visit or 30 days.
- The PT can only supervise 4 support personnel at any one time including those under general supervision as well as onsite supervision.

Change of Supervision

With the new rule in June 2011, the supervision requirements have changed. A PT is still able to supervise 4 support personnel at any one time. Onsite supervision remains the same; however now a PTA may practice under general supervision in more settings, under the 40% rule already discussed. Under general supervision, a PT must be available by telecommunications at all times, must make a supervisory visit by the 10th PTA visit or by day 30 whichever occurs first, and must be able to make a supervisory visit within 24 hours if needed.

- A PTA cannot treat a patient under general supervision without first discussing with the PT the patient diagnosis and plan of care.
- If the supervising PT changes, there must be communication between the old and new PT about the patient diagnosis, treatment plan and goals and this communication must be documented by either therapist. A new PT may also complete a patient visit and review plan of treatment and write a supervisory note to begin supervising a PTA.

Notification of Discipline from Other Jurisdictions

There have been recent situations where the licensee is not reporting discipline from other jurisdictions. Please refer to Section §16-1.7.7 which states that a licensee must report to the board any discipline received by another jurisdiction within 30 days.

- *A licensee must report to the board any discipline received in another jurisdiction within 30 days of that discipline. The board reserves the right to discipline up to and including revocation of a license until disciplinary process in the other jurisdiction is completed. If the licensee fails to report discipline in another jurisdiction, they are subject to disciplinary procedures in our jurisdiction determined by the board.*

RECENT QUESTIONS & ANSWERS

QUESTION:

Can Physical Therapists accept an order from a Chiropractor for services? It is our hospital's policy that we have an order to provide services.

ANSWER:

Yes

QUESTION:

Can a PTA satisfy the 40/60 rule if they are directly supervised by a PT in one clinic but travel 1 day a week to another clinic within our group to cover patients without a PT present in that clinic on that day. In other words, can a PTA fulfill the 40% rule while working at 2 different clinics with 2 different P.T.s? Must a PTA spend 60% of their time with the same PT whose patients they are going to treat?

- For example: we have a PTA who will spend 60% of her work week with a supervising PT. However we would like her to be able to treat patients at one of our other clinics 1 day per week without the PT from that clinic present. Is this allowed?

ANSWER:

A PTA must receive onsite supervision by a PT at least 60% of the time during a typical workweek. Please refer to §8.2.b. 1-2-3 when using general supervision.

Question:

In looking at the Practice act it says the providing 4 weeks of clinical instruction is equal to 1 unit of CE. Is it correct to assume that providing 6 weeks of clinical instruction is equal to 1.5 units of CE?

Answer:

Yes

Question:

We have a PT supervising 4 PTA's so she is unable to supervise a 5th PTA assisting due to an unexpected increase in caseload at the SNF. The 5th PTA has her own supervising therapist at another SNF. For supervision purposes, can the PT supervising the 5th PTA review the plan of care and documentation and provide communication with the 5th PTA so she is able to treat? Or, does that PT have to directly see the patients before the 5th PTA can see them?

Answer:

No, because one PT cannot supervise 5 PTA's at any given time. In order to transfer supervision from PT # 1 to PT #2, PT #1 would have been supervising 5 PTA's at one given point. However, if PT#2 performed the evaluation of the patient, then they could supervise the 5th PTA.

Question:

PTA #1 is over the department in a nursing home and does the patient care coverage. If a 2nd PTA sees a patient without the PT knowing that the PTA changed, is the PT held liable?

Answer:

A PTA should always know who their supervising PT is and communicate with the PT before treating the patient.

Question:

I have a question regarding the supervision of PTAs in the home health setting. It says that the PT must be available via tele-communications at all times that the PTA is treating. I work in a very rural area where there are long periods without cell phone signal throughout the day. There is even a part of Pendleton County that blocks the cell phone signal for a satellite. Is there any clarification that can be made of what to do in situations such as this?

Answer:

The board suggests that the PTA have the PT schedule and vice versa for the PTA so if there are questions, they can be located on a landline.

Question:

In the home health setting, when a plan of care needs to be changed or modified, should the PT always make a visit to the patient before changing or modifying the plan of care?

Answer:

This is up to the discretion of the supervising PT.

Question:

Can PTA 's in their documentation put that the patient has met a goal?

Answer:

The PTA can document the progress of the patient but it's up to the PT to interpret if the patient has met the goal.

Question:

In a hospital setting on a telemetry floor. we sit a patient up and 1 or 2 of the EKG leads comes / falls off. Can we reapply the leads or should we call nursing to reapply?

Answer:

You need to follow your facility guidelines; however it is the opinion of the board that you need to contact someone that is trained in the applications and monitoring of the equipment.

Question:

I have a question regarding PTAs providing aspects of the Allen Cognitive Model with nursing home residents. This model is a series of activities and skilled observations that result in a numeric level being determined as a benchmark indicating a general cognitive status. Based on this score, treatment strategies can be determined to help the person with dementia function at their best in regards to safety, mobility and ADL skills. The information revealed provides a guideline to maximizing appropriate interventions. This is considered a cognitive screen and is not intended for use in isolation of other assessments or as a diagnostic tool. I am asking for clarification as to whether or not this type of intervention would be acceptable for PTAs to provide.

Answer:

Yes, as long as it is not used as a patient evaluation.

Question:

I need to know if a facility can bill for a PT applicant with a temporary permit practicing only under supervision. Can they bill the patient, insurance, and/or Medicare?

Answer:

The board does not address billing issues; please refer our temporary rule language: §16-1-6. Temporary Permit for Physical Therapists and Physical Therapist Assistants.

CE AUDIT REQUIREMENTS

ANNUAL CE AUDIT RESULTS

28% Non-Compliant

In February 2012, we conducted a 10% random CE audit of Physical Therapist and Physical Therapist Assistants that license expired on December 31, 2011 and **28%** of the licensees were in non-compliance.

IMPORTANT CE POINTS TO AVOID BEING NON-COMPLIANT

- **All courses must be WV Board approved CE courses**
 - Approved courses are listed on our website under "CE Info".
 - Do not "assume" courses are approved, verify by our website or by contacting our office either phone or email wvbopt@wv.gov.
 - APTA, WVPTA, or CAPTE accredited courses are only automatically approved if they were "sponsored" by these organizations. The organization has to administer the training.
 - Approved courses through other jurisdictions does not mean they are automatically approved through WV. The course will still need to go through the WV CE approval process.
- **New CE Rule (located on our website under "PT/PTA")**
 - Must have 24 WV Board approved CE hours per licensing period
 - Additional approved CE hours are listed on our "Continuing Guidelines" located on our website under "CE Info"
- **CE Approval Process**—If the course you have attended or plan to attend is not already WV board approved, you will want to go through the CE approval process.
 - There are CE approval forms located on our website under "CE Info" and a \$50.00 fee per course per year .
 - CE approvals are only good for the calendar year requested; they must be submitted separately for each calendar year. Some companies may not request the course to be approved every year; so be sure the course you take is approved for the year you actually took it.
- **Non-Compliant Consequences—Delinquent Status**
 - Licensees that are in non-compliance with the CE audit will immediately be placed in delinquent status.
 - Employers will be notified of delinquent status.
- **Reactivation Process to Reactivate License from Delinquent Status**
 - Complete an Application for Reactivation located on our website and a \$25.00 application fee.
 - Fees for reactivation \$250PT/ \$170 PTA.—also there is a \$25.00 application fee.
 - Provide 12 WV Board approved CE's.
 - Provide verifications if ever held a license in another jurisdiction (whether active or not).
 - Depending on required documents, the process can take several weeks to reactivate a delinquent license.
- **2013 CE Audit (licenses that expire on December 31, 2012)**
 - Because of the new Rule change in the middle of 2011, the licensees that have license that expire 12/31/12 may choose between 10 CE board approved hours per year or 24 board approved CE units for the licensing period.
- **2014 CE Audit and thereafter (licenses that expire on December 31, 2013 and thereafter)**
 - All licensees must have completed 24 WV board approved CE units for the 2 year licensing period. The 24 hours can be taken in 1 year or combined within 2 years

CE WAIVER REQUEST

The board may grant a waiver of the continuing education requirements in the case of illness, disability or undue hardship.

- All completed forms must be received by the board for consideration **no later than the 1st day of October** of the year preceding the renewal date.
- A waiver may be granted for any period of time not to exceed 1 renewal cycle.
- Should a waiver be granted due to disability or illness, the board may require the individual to provide appropriate documentation from a physician or another qualified and appropriate practitioner to verify the individual's competency and ability to practice physical therapy in the state of WV prior to the return to active practice of physical therapy in WV.
- CE Waiver Request Form is located on our website under "Forms".

Minutes taken by: Trish Holstein

- I. Lesleigh called meeting to order at 12:00 pm.
- II. The board and Eric Tarr discussed clarifying the 40% language in the new PT Rule
 - **D.C.** motioned that the board's basic interpretation of the 40% of general supervision rule is that we will answer most of those questions as:
 - Each PTA must receive onsite supervision by a PT at least 60 % of the time during a typical workweek.
 - **Shannon** seconded the motion with all in favor. **Gina** was not present for vote.
- III. Athletic trainers BOC listing
 - Trish advised that the BOC would only provide their listing 1 time and it only contained WV residents.
 - The board agreed that if applicants name is not listed on the provided BOC list, then the applicant will have to go through BOC for a verification.
- IV. Legislature Audit Questions –
 - What is the Boards position on requiring criminal background checks for initial applicants and licensees seeking licensure renewal?
 - The board's position is that we would like to have the authority to conduct criminal background checks.
- V. Lesleigh adjourned the meeting at 1:05pm.

- The board approved the executive secretary to allow applications of expunged or dismissed misdemeanor or felony charges.

VII. Reports

a) Chairman Report

- Lesleigh discussed the Informal presentations that she conducted in Charleston. Lesleigh's next presentation is Friday, September 30, 2011 in Morgantown.
 - Melanie will conduct a presentation in October 11 in Webster.
 - Melanie will conduct a presentation in October 26 in Parkersburg.
 - Melanie will conduct a presentation in Wheeling Jesuit in near future.
 - Gina will conduct a presentation in Beckley in October.
- Athletic Trainers Registration were effective July 1, 2011
 - Lesleigh advised that the BOE is now requiring athletic trainers be registered with our board.
 - We've received 21 counties and 34 did not respond with the names of their athletic trainers.
- Lesleigh went over the new PTA NPTE Fixed Date Testing that goes into effect March 1, 2012.
 - Lesleigh motioned to accept bona fide candidate letters for PTA's the same as we allow PT's them to sit for the test prior to graduation. Gina seconded the motion with all in favor.

b) Executive Secretary Report

- Trish went over the registering of Athletic Trainers that begun June 16, 2011.
 - We have registered 165 and there are 24 pending.
 - Trish discussed the unexpected massive load for registering the athletic trainers. Approximately 90% pictures were returned and they were not aware of verifications.
 - BOC provided list helped but still caused confusion because it did not list out of state residents. Also, the ones that already paid BOC for verification wanted us to refund them for that fee.
- Legislative Audit
 - Legislature Interim was Wednesday, September 13, 2011.
 - Council agreed that the background checks needs to be a policy by legislation where a proposal would apply to all boards not just ours.

- We were recommended to promulgate a procedure rule for board meetings. We were advised that the committee attorneys are looking to see if the recommendation is redundant and unnecessary.
- The audit recommended having all renewals list their courses taken on their renewal form. Currently our account login allows this to be listed and we could change our renewals forms to list their courses.
- **Trish discussed the FSBPT Training Hot Topics**
 - PT/PTA's taking test prior to graduating. Some jurisdictions cannot do this because their law will not allow.
 - Some states are allowing dry needling and putting in practice act as long as there is additional training.
- **Office Updates**
 - The board has no interest to setup a Twitter account.
 - The board has no interest to setup a Facebook account.
 - Leigh advised the status of the software setup with the Treasurer's office.
 - We were not able to do the online renewal because Matthew could not give in the format requested.
 - Will take additional 2 months before using new software.
 - Treasurer's office will also provide website changes when we start using their software.
 - Had to use WV License for this year's online renewals because of timing it cost an additional \$400.

c) Board Members Report

- **Melanie discussed the FSBPT Training Hot Topics**
 - Jurisdictions have foreign educated PT's testing for PTA exam
 - Schools are going to give guidance on what criminal acts cannot apply for school and that the boards would not license.
 - Social media where PT's are on Facebook discussing patient information.
 - Aptitude gives licensee's opportunity to record their CE's.
 - One national license for all states was discussed.
- **Department of Education Listing**
 - We will keep accepting the county information for athletic trainers.
- **Forensic Audit**
 - Shannon discussed with the board the findings of Danny Simms financial audit for the years 2010-2005. In summary he found that more research was needed but would require increase monies to do so. He could determine there were suspected misappropriation of funds in the year 2005 and that year in particularly warranted further investigation. The other years he did make the assumption/determination that no more that 30 % of revenue was unaccounted for given the limitations of his report and our data provided. He recommended that the board forward this report for further investigation to our insurance carrier as our director was an employee of the state and is covered by our policy for possible restitution or recovery of funds if they had similar findings.
 - The Board had much discussion as to whom to direct our concerns and findings as at this point we had reached our limits of expertise and funding. It was discussed from insurance carrier, to state police, AG's office, state auditor or other. The Board did unanimously feel we should forward any and all information to the highest authority that we as a board could utilize within the state government to ask for assistance and or direction.
 - D.C. motioned that the board discussed Danny Simms, CPA's report and the board voted to forward the independent audit to the appropriate state agency including the Legislative auditor. Shannon seconded the motion with all in favor.

VII. Old Business

- a) Newsletters were sent out 1st part of September before the PTA language NPTE was printed before the change.
- b) Sanctioning reference points for disciplinary has been tabled for now.

VIII. New Business

- a) Leigh motioned to accept the office policies as amended by D.C. Melanie seconded the motion with all in favor
 - Cash Receipts/Deposit Procedure
 - Delinquent license (end of the year) procedure
 - Duties of the WV Board of PT
 - Retention
 - Disciplinary Procedures

- b) Lesleigh advised that renewal notices were mailed, emailed, and placed on website.
- c) Trish explained that we are still working with the Treasurer's office for our new license software and we should be able to test in 2 months.
 - Lesleigh motioned to do WV License contract on a quarterly basis at least until March. Shannon seconded the motion with all in favor.
- d) The board approved the June, July, and August balance sheets.
- e) The board approved P-Card purchases for June-August 2011.
- f) Lesleigh advised that the rental contract was renewed for 2 years with a 2% increase for utility increases.
- g) Lesleigh discussed allowing the "inactive" status being the date the request is being made.
 - Lesleigh motioned that licenses can become inactive whenever they request regardless of when their license is to be renewed. Melanie seconded with all in motion. Jack and John were not present to vote.
- h) Shannon motioned that the executive secretary can attend the Purchasing Conference at Stonewall Jackson from November 1-4 pending that office assistant is still working. D.C. seconded the motion with all in favor. Jack and John were not present to vote.
- i) Lesleigh will be attending the Auditor's board seminar on November 28
