Field Information Kit: 21-Day Energy Challenge

Are You Up to the Challenge?

Saving energy reduces our costs, a critical necessity to help us survive the current economic downturn. While the Postal Service's™ long-term goal is to reduce energy use 30 percent by 2015, employees can take some simple steps now at work that can make a big difference.

And a great first step is taking the challenge.

On April 1, Sustainability announced a "21-day Energy Challenge" designed to promote low-cost or no-cost ways to help reduce energy costs at every postal building — Post Offices™ and mail processing facilities alike.

Working with Facilities, Sustainability is encouraging employees to "work green" and help save on energy costs at their facility.

Employees can take these basic actions:

- Turn off lighting in empty offices and at the end of the work day.
- Keep temperature settings consistent and follow guidelines — 65 degrees in winter, and 78 degrees in summer.
- Close windows and doors, especially dock doors, to ensure heating and cooling systems work effectively.

Are you up to the challenge?

Mandatory Stand-Up Talk

Help the Postal Service save energy.

We've been challenged to reduce our energy use.

At every facility — Post Offices and mail processing facilities alike — employees are being asked to take some small steps that can make a big difference in reducing our energy costs.

Turn off lights when they're not needed.

If you see the lights on in an empty room, flip the switch. If you're the last one out the door at the end of the day, turn off the lights.

Keep a steady setting on the thermostat.

It should be 65 in winter and 78 in summer. These are the optimal temperatures for energy efficiency. Don't change the thermostat.

Keep doors and windows closed.

Maintaining a consistent temperature requires closed windows and doors, *including dock doors*. Too much cold or hot air wastes energy.

We all know that financial times are tough and we need to tighten up where we can. Energy costs are a major expense for the Postal Service — \$651 million for utilities in FY 2008.

We can make a positive impact on energy costs on the job. It's as simple as turning off a light or keeping a dock door closed.

— Sustainability, 4-9-09

WORKING GREEN

Lights!

Empty office? End of workday? Switch them off.

Thermostat!

Keep it 65 in winter. Keep it 78 in summer.

Action!

Close windows. Close dock doors. Keep them closed.

Saving energy.
Saving green.

DMM Revision: New Open and Distribute Tray Boxes

Effective April 6, 2009, the Postal Service™ is revising *Mailing Standards of the United States Postal Service, Domestic Mail Manual (DMM®) 705.16* by introducing new Open and Distribute tray boxes. Open and Distribute service is a premium offering designed for mailers who want to expedite the transportation of shipments of other classes of mail to destination processing facilities using Express Mail® or Priority Mail® service. Customers who use Open and Distribute service place mailpieces into an approved USPS® container, affix an address label with a service barcode onto the appropriate tag or label, and present it to the business mail entry unit (BMEU) or authorized acceptance location. The mail container is transported through the Express Mail or Priority Mail network to the destination facility selected by the customer where it is scanned and opened, and the mailpieces are distributed based on the enclosed mail class.

Currently, for customers using USPS-provided letter trays for Priority Mail Open and Distribute, the Postal Service supplies Label 23, *Priority Mail Open and Distribute*, an adhesive label that must be affixed to the letter tray. Open and Distribute customers have expressed concern regarding the ability of a USPS-provided letter tray sleeve to secure all the mail inside the letter trays during process-

ing. To improve the security of the mail and control costs, the Postal Service introduces Open and Distribute tray boxes. These boxes are less expensive to produce and the enclosed mailpieces are more secure because customers will place letter trays into the tray boxes instead of using a sleeve for transportation to the destination facility.

The Open and Distribute tray boxes are provided at no additional charge by the Postal Service to all Open and Distribute customers and are available in both half-size and full-size. The half-size tray box accommodates the 1-foot letter tray; the full-size tray box accommodates the 2-foot letter tray. The Open and Distribute tray boxes are available as Express Mail Open and Distribute tray boxes and Priority Mail Open and Distribute tray boxes.

We will incorporate this revision into the next printed version of the DMM and into the April update of the online DMM, which is available via Postal Explorer® at <http://pe.usps.com>.

IMM Revision: Customs Label Requirements

Effective April 6, 2009, the Postal Service™ is revising *Mailing Standards of the United States Postal Service, International Mail Manual (IMM®) Exhibit 123.61* to clarify the proper customs declaration form required for a Priority Mail International™ flat-rate envelope or small flat-rate box, and for a First-Class Mail International™ item with potentially dutiable contents. We have simplified the table to stipulate the following:

- A Priority Mail® flat-rate envelope or small flat-rate box, regardless of contents or weight, requires PS Form 2976, *Customs Declaration CN 22 — Sender's Declaration* (green label), for items valued at less than \$400, and PS Form 2976-A, *Customs Declaration and Dispatch Note — CP 72*, for items valued at \$400 or more.
- A First-Class Mail International item with potentially dutiable contents, regardless of weight, requires PS Form 2976 for items valued at less than \$400, and PS Form 2976-A for items valued at \$400 or more.

Handbook F-101 Revision: Preparing Bank Deposits

Effective April 9, 2009, Handbook F-101, *Field Accounting Procedures*, is revised to update procedures for using and ordering tamper-evident plastic bags for remitting bank deposits, along with a change to bank deposit witness requirements. See also “[Bank Deposit Envelopes Replaced With Tamper-Evident Plastic Bags](#)” on page 15.

9-1.2 Banking Procedures for PRUs

[Revise 9-1.2 to read as follows:]

Postal retail units (PRUs) consolidate funds generated from daily transactions into one bank deposit (or two deposits if you must deposit cash separately from checks).

PRUs must not make bank deposits for less than \$100. **Exception:** Checks should be deposited within 5 business days, even if the total deposit is less than \$100.

When funds exceed normal operating needs during the day, retail associates (RAs) must make advance deposits in addition to regular deposits.

If excess funds are generated throughout the day, PRUs may prepare a consolidated advance deposit. In the event that the financial institution requires separate deposits for cash and checks, no more than four (4) bank deposits may be prepared on a business day.

[Add new section 9-1.2.1 to read as follows:]

9-1.2.1 Reporting Bank Deposits

Report bank deposit remittances on PS Form 1412, *Daily Financial Report*, in the appropriate AIC as follows:

Record...	On PS Form 1412 in...
Advance remittance of funds	AIC 751, Cash Remitted Advance.
Postal funds deposited to the bank at the close of business	AIC 752, Cash Remitted Final.
Authorized cash retained and cash reserves	AIC 753, Cash Retained Today.

Offices that remit their final bank deposit for the day and continue their window services operation must report the additional funds as follows:

- a. The RA remits funds to the closeout employee and reports the amount in AIC 752 on PS Form 1412.
- b. The closeout employee consolidates the funds, prepares the bank deposit, registers the deposit to the safe, and reports the amount in AIC 753 on the unit's PS Form 1412.
- c. On the following business day, the closeout employee must report these funds in AIC 751 on the unit's PS Form 1412 and send the funds to the bank.

Note: Under unusual circumstances, the district finance manager (DFM) may authorize an office to prepare the bank deposit and register it to the safe to be picked up early the next morning and received by the bank as the previous day's funds. Then, this bank deposit must be recorded in AIC 752 on the unit's PS Form 1412 the same day it is prepared and registered to the safe.

[Add new section 9-1.2.2 to read as follows:]

9-1.2.2 Preparing and Dispatching Bank Deposits

The procedure for preparing and dispatching bank deposits is as follows:

- a. The preparer completes a two-part deposit ticket: the original for the bank and the copy for the unit.
- b. The preparer enters the amount of currency on the deposit ticket by denomination. *Do not* deposit coins. (SSPCs follow local procedures for depositing coins.)
- c. The preparer ensures that all check items (checks, money orders, traveler's checks, etc.) are properly initialed and endorsed by the accepting employee (see part 9-3.4).
- d. The preparer enters the total amount of check items (checks, money orders, traveler checks, etc.) on the deposit ticket. Enclose a system-generated list or an adding machine tape showing the value of each check item.

- e. The preparer counts the funds in the presence of a witness (see 'Note' below).
- f. The witness (if available) counts the funds in the presence of the preparer.
- g. Both the preparer and the witness (if available) must sign the deposit ticket.
- h. Both the preparer and the witness (if available) must ensure that the original deposit ticket, cash, check items (checks, money orders, traveler checks, etc.) and the list of check items are included in the tamper-evident plastic bag. Only use the tamper-evident plastic bags, ordered through the national contract, for remitting bank deposits.
- i. Prepare the tamper-evident plastic bag following instructions in the *Bank Deposit Preparation Quick Reference* guide available at the accounting website. The direct website address is http://blue.usps.gov/accounting/_pdf/BankDepositPrepGuide.pdf.
- j. Dispatch the tamper-evident plastic bag containing the bank deposit via Registered Mail service following established procedures for accepting and handling Registered Mail items.
- k. Maintain the duplicate copy of the deposit ticket as supporting documentation for the unit PS Form 1412. The duplicate copy of the deposit ticket must show the preparer signature (Verifier) and the witness signature (Witness) (if applicable).
- l. If there are no bank deposits on a scheduled business day, do not prepare a zero bank deposit ticket. Report a contents bill or nil-bill, as applicable, following procedures in DM-902, *Procedures for Preparing a Postal Bank Remittance for Mailing*, chapter 2.

Note: A witness must be used to verify the unit's bank deposit whenever possible. When a witness is not available, the preparer signs the deposit ticket on the "Verifier" line, and the "Witness" line is left blank. The preparer of the bank deposit has a financial responsibility regardless of whether a witness is or is not available.

It is the responsibility of the postmaster or unit manager to ensure proper procedures are followed in preparing daily bank deposits by monitoring banking differences issued by Accounting Services. Postmasters or unit managers must ensure expenses from banking reconciliations are researched and resolved in a timely manner (see subchapter 8-3).

9-1.4 Ordering Banking Supplies

* * * * *

[Add new section 9-1.4.3 to read as follows:]

9-1.4.3 Ordering Bank Deposit Remittance Bags

The procedure for ordering tamper-evident bank deposit remittance bags is as follows:

- Use the eBuy on-catalog requisition system to order the bank deposit bags from the Material Distribution Center (MDC) — Supplies, Equipment, and Retail Catalog. Each order must be for exactly 100 bags.
- Search for items using PSN 8105-11-000-0545.
- Offices without access to eBuy, use touch-tone order entry (TTOE). For TTOE ordering instructions, visit the Material Customer Service website at http://blue.usps.gov/purchase/_doc/ops_ttoeins.doc, or call 800-332-0317, option 4, option 4.
- Allocate all charges to the FEDSTRIP number in the order.

Note: The host Post Office of a CPU must order the bank deposit remittance bags for the CPU using one of the two methods described above based on the host Post Office’s access to eBuy. All orders will be sent to the host Post Office.

Posters

Poster 615, Read, Respond, Recycle Your Mail

Postmasters participating in the Post Office Box Lobby Recycling Program can use Poster 615 to inform customers about the program. Poster 615 is intended to be displayed in those Post Offices that already have the specially designed recycling containers. Do not order Poster 615 if your Post Office™ does not offer secure recycling services with the words “Read, Respond, Recycle Your Mail” written on the container.

The success of the lobby recycling program depends upon customer awareness, and Poster 615 reminds customers to read, respond, and/or recycle their mail in specially designed recycling containers that the Postal Service™ recently deployed to 2,000 Post Offices. The poster carries the same message as is found on the containers, “Read, Respond, Recycle Your Mail”, and should be displayed in the Post Office box lobby as long as you participate in the program.

The Postal Service makes significant reductions in its solid waste disposal costs if customers recycle their mail after they are finished with it. By offering customers the opportunity to recycle their mail in the Post Office box lobby, the Postal Service can also play an important role in meeting customers’ environmental needs.

Postmasters should use the eBuy on-catalog requisition system to order Poster 615 from the Material Distribution Center. Please search for items using the PSN number listed below (without the dashes). If your office doesn’t have access to eBuy, order using touch-tone order entry (TTOE): Call 800-273-1509.

Note: You must be registered to use TTOE. To register, call 800-332-0317, option 1, extension 2925, and follow the prompts to leave a message. (Please wait 48 hours after registering before placing your first order.) For complete TTOE ordering instructions, visit the National Materials Customer Service website at http://blue.usps.gov/purchase/_doc/ops_ttoeins.doc or call the POP Hotline at 800-332-0317, option 4, option 4.

Bank Deposit Envelopes Replaced With Tamper-Evident Plastic Bags

Effective with the timelines outlined below, all Post Offices™ and postal retail units (PRUs) must use the new tamper-evident plastic bags to remit bank deposits. The change from paper envelopes to tamper-evident plastic bags will increase the security of our remittances. Districts will provide instructions on how to use the tamper-evident plastic bags. Handbook F-101, *Field Accounting Procedures*, is revised to reflect the new procedures for preparing and submitting bank deposits (see “[Handbook F-101 Revision: Preparing Bank Deposits](#)” on page 11).

Prior to July 1, 2009, all offices must deplete current stock of customized paper envelopes before using the tamper-evident plastic bags. After such paper supply is depleted or on July 1, 2009, whichever comes first, all offices must remit postal bank deposits using the tamper-evident plastic bags. The customized bank deposit paper envelopes cannot be used for any other purpose, and offices must destroy/recycle all paper envelopes remaining as of July 1, 2009.

Instructions for preparing and dispatching the tamper-evident plastic bags for remitting bank deposits are detailed in the *Bank Deposit Preparation Quick Reference* guide, which is available on the accounting website. The direct website address for the Quick Reference guide is http://blue.usps.gov/accounting/_pdf/BankDepositPrepGuide.pdf.

The Postal Service™ has entered into a national contract for all tamper-evident plastic bags for remitting bank deposits. The tamper-evident plastic bags must be ordered through the national contract. Offices must order the plastic bags for receipt prior to the July 1, 2009,

implementation date or depletion of current stock of paper envelopes, whichever comes first.

The eBuy purchasing program is the preferred method for placing orders through the national contract, and all offices *must* use eBuy if they have access to it.

Ordering Information

Use the eBuy on-catalog requisition system to order the bank deposit bags from the Material Distribution Center — Supplies, Equipment, and Retail Catalog; search for items using the postal stock number (PSN) listed here (without the dashes). Each order must be for exactly 100 bags, which will cost \$7.08.

If your office does not have access to eBuy, you may order using touch-tone order entry (TTOE): Call 800-273-1509. **Note:** You must be registered to use TTOE. To register, call 800-332-0317, option 1, extension 2925, and follow the prompts to leave a message. (Wait 48 hours after registering before placing your first order.) For complete TTOE ordering instructions, visit the Materials Customer Service website at http://blue.usps.gov/purchase/_doc/ops_ttoeins.doc or call 800-332-0317, option 4, option 4.

Order Placement for Contract Postal Units

The host Post Office will order plastic deposit bags for the contract postal unit (CPU) through one of the two methods described above based on the host Post Office's access to the eBuy system. All orders will be mailed to the host Post Office.

Verifying Bank Deposits

Effective immediately, cost ascertainment group (CAG) A through G offices are no longer required to have a deviation approved in writing by the district finance manager (DFM) when a witness is not available to verify the unit bank deposit. However, a witness must be used to verify the unit's bank deposit whenever possible. The preparer of the bank deposit has a financial responsibility regardless of whether a witness is or is not available.

It is the responsibility of the postmaster or unit manager to ensure proper procedures are followed in preparing daily bank deposits by monitoring banking differences issued by Accounting Services. Postmasters or unit managers must ensure that expenses from banking reconciliations are

researched and resolved in a timely manner (see Handbook F-101, subchapter 8-3).

Reminders

- Paper envelopes cannot be used for remitting bank deposits after June 30, 2009.
- Tamper-evident plastic bags may be used prior to July 1, 2009, if the supply of customized paper envelopes is depleted.
- PRUs are to discontinue writing "NWA" on the bank deposit ticket (all copies) when a witness is not available to verify the deposit.
- PRUs must not make a bank deposit for less than \$100. (**Exception:** Checks should be deposited within 5 business days, even if the total deposit is less than \$100.)

Migratory Bird Stamp Destruction

Before April 30, 2009, *all* retail associates must return unsold migratory bird stamps to the unit reserve. Before May 31, 2009, *all* unit reserve stock custodians must ship unsold migratory bird stamps to the stamp distribution offices (SDOs)/stamp services centers (SSCs) for receipt. All postal retail units are required to return unsold migratory bird stamps annually. Only philatelic units may maintain inventories of prior-year bird stamps for sale to collectors. SDOs and SSCs must establish and communicate a schedule for postal retail units to submit all unsold migratory bird stamps for destruction based on the dates previously mentioned and on the following requirements:

- Use PS Form 17, *Stamp Requisition/Stamp Return*, to return all unsold migratory bird stamps. Annotate “Returned for Destruction” and “Bird Stamps” on PS Form 17.

- Ship unsold bird stamps along with the original and two copies of PS Form 17 to the SDO/SSC. Place the original PS Form 17 in a sealed envelope and tape it to the outside of the carton clearly marked as “Bird Stamps”.
- Do not commingle international reply coupons (IRCs), redeemed stock, or saleable stock with migratory bird stamps returned for destruction.

Equipment Maintenance Allowance Schedule for Rural Routes

Rural Carriers

In accordance with the provisions of Article 9, Section 2.J.3, of the Rural Carrier National Agreement, effective April 11, 2009 (pay period 09-09), the equipment maintenance allowance (EMA) will decrease from 53.0 cents per mile to 51.5 cents per mile. The EMA is 51.5 cents per mile, or a minimum of \$20.60 per day, whichever is greater.

Auxiliary Rural Carriers, Rural Carrier Reliefs, Rural Carrier Associates, Rural Carrier Part-Time Flexibles, and Auxiliary Assistance

Employees providing auxiliary assistance or serving auxiliary routes under provisions of Article 9, Section 2.J.5,

receive an EMA of 51.5 cents per mile or \$5.75 per hour, whichever is greater. This EMA should not exceed the amount provided in the special EMA for the route stops and miles.

EMA Rate Schedule

The EMA rate schedule on pages [18–19](#) supersedes all previously published EMA schedules for employees receiving EMA.

Stamp Announcement 09-21: The Simpsons

© 2009 USPS

On May 7, 2009, in Los Angeles, California, the Postal Service™ will issue a 44-cent *The Simpsons* stamp, in five designs in a pressure-sensitive adhesive (PSA) convertible booklet of 20 stamps (Item 679000). Designed by Matt Groening, a native of Portland, Oregon, the stamps go on sale nationwide May 7, 2009.

With these stamps, the U.S. Postal Service® recognizes *The Simpsons*, the longest running comedy in the history of American prime-time television, entering its 20th year, as a regularly scheduled half-hour series in 2009.

Art Director, Derry Noyes, Washington, DC, was pleased to use original artwork by Matt Groening. Groening, a cartoonist, created the Simpson characters and named them after his own family: Parents Marge and Homer, Sisters Lisa and Maggie (the baby who conveys emotion by sucking on her pacifier), and Matt’s alter ego, Bart.

How to Order the First Day of Issue Postmark

Customers have 60 days to obtain the first day of issue postmark by mail. They may purchase new stamps at their local Post Office™, at The Postal Store® website at www.usps.com/shop, or by calling 800-STAMP-24. They should affix the stamps to envelopes of their choice, address the envelopes (to themselves or others), and place them in a larger envelope addressed to:

The Simpsons Stamp
 7001 South Central, Room 338
 Los Angeles, CA 90052-9998

After applying the first day of issue postmark, the Postal Service will return the envelopes through the mail. There is no charge for the postmark. All orders must be postmarked by July 8, 2009.

Special Dedication Postmarks

Due to copyright agreements with Twentieth Century Fox Film Corporation, only the following pictorial postmarks are permitted. Post Offices planning events are prohibited from designing their own special pictorial postmark. The word “Station” or the abbreviation “STA” is required somewhere in the design, because it will be a temporary station.

Guidelines for Finalizing The Simpsons Stamp Pictorial Postmark Art

To finalize *The Simpsons* stamp pictorial postmark art, insert the date, city, state, and ZIP™ Code of the physical location of your event adjacent to the stamp image. Overall dimensions of the pictorial postmark must not exceed 4 inches horizontally by 2 inches vertically. Collectors prefer the dimensions 3 1/2 inches by 1 inch.

How to Order First Day Covers

Stamp Fulfillment Services (SFS) also offers first day covers for new stamp issues and Postal Service stationery items postmarked with the official first day of issue cancellation. Each item has an individual catalog number and is offered in the quarterly *USA Philatelic* catalog. Customers may request a free catalog by calling 800-STAMP-24 or writing to:

Stamp distribution offices (SDOs) will receive approximately 64 percent of their standard automatic distribution quantity for a PSA booklet stamp. Distributions will be in three waves.

The Wave 1 shipment began March 22, 2009, will be complete by April 9, 2009, and will go to SDOs (approximately 32 percent distribution). The Wave 2 shipment will go only to accountable paper depository (APDs) and stamp services centers (SSCs), begins on April 13, 2009, and will be complete by April 22, 2009. The Wave 3 shipment going to SDOs (approximately 32 percent distribution), APDs, and SSCs begins May 4, 2009, and will be complete by June 4, 2009. Distributions are rounded up to the nearest master carton size (2,000 booklets).

Initial Supply to Post Offices

SDOs will make a subsequent automatic distribution to Post Offices of 25 percent of their full standard automatic distribution quantity using PS Form 17, *Stamp Requisition/Stamp Return*. SDOs must not distribute stamps to Post Offices before April 30, 2009.

Additional Supply

SDOs requiring additional stamps must order them from the appropriate APD using PS Form 17. Following the automatic distribution to SDOs, New York, Chicago, San Francisco, and Memphis APDs will each receive additional stamps for fulfilling supplemental orders from the SDOs. The Kansas City SSC will receive additional stamps for fulfilling supplemental orders from APDs.

Stamp Announcement 09-23: Love: King and Queen of Hearts

© 2008 USPS

On May 8, 2009, in Washington, DC, the Postal Service™ will issue a 44-cent, *Love: King and Queen of Hearts* definitive stamp with two different designs in a pressure-sensitive adhesive (PSA) convertible booklet of 20 stamps (Item 678800). The stamp designed by Derry Noyes, Washington, DC, and Jeanne Greco, New York, New York, goes on sale nationwide May 8, 2009.

Since the beginning of its popular *Love* stamps in 1973, the U.S. Postal Service® is paying clever tribute to the world's favorite "game" with the issuance of the *King and Queen of Hearts*, the latest stamps in the *Love* series. Artist Jeanne Greco, New York, New York, created the art on her computer for the two stamp designs, one showing the King and one showing the Queen, by using images from 18th Century French playing cards as a reference.

Over the years, the *Love* stamps have featured a wide variety of designs, including heart motifs, colorful flowers, and the world "LOVE" itself.

How to Order the First Day of Issue Postmark

Customers have 60 days to obtain the first day of issue postmark by mail. They may purchase new stamps at their local Post Office™, at The Postal Store® website at www.usps.com/shop, or by calling 800-STAMP-24. They

should affix the stamps to envelopes of their choice, address the envelopes (to themselves or others), and place them in a larger envelope addressed to:

Love: King and Queen of Hearts Stamp
Special Cancellations
PO Box 92282
Washington, DC 20090-2282

After applying the first day of issue postmark, the Postal Service will return the envelopes through the mail. There is no charge for the postmark. All orders must be postmarked by July 10, 2009.

How to Order First Day Covers

Stamp Fulfillment Services (SFS) also offers first day covers for new stamp issues and Postal Service stationery items postmarked with the official first day of issue cancellation. Each item has an individual catalog number and is offered in the quarterly *USA Philatelic* catalog. Customers may request a free catalog by calling 800-STAMP-24 or writing to:

Stamp Announcement 09-24: Seabiscuit Stamped Envelope

© 2009 USPS

On May 11, 2009, in Kansas City, Missouri, the Postal Service™ will issue a 44-cent, *Seabiscuit* definitive stamped envelope. The envelope, designed by John Mattos of San Francisco, California, goes on sale nationwide May 11, 2009.

The U.S. Postal Service® will issue a stamped envelope featuring the racehorse Seabiscuit. John Mattos created the design, which depicts a scene from the exciting race between Seabiscuit and War Admiral. An unassuming champion, Seabiscuit raised the hopes and spirits of a beleaguered nation during the Great Depression with a series of unlikely victories.

The *Seabiscuit* stamped envelopes will be available in the following formats.

- #10 regular envelope (Item 218500).
- #10 window envelope (Item 218600).
- #9 regular envelope (Item 218700).
- #9 window envelope (Item 218800).
- #6 3/4 regular envelope (Item 264800).
- #6 3/4 window envelope (Item 264900).

For collecting purposes, the *Seabiscuit* stamped envelopes are self-adhesive *and* only available for personalization. They will also be available on the first day of issue at Stamp Fulfillment Services (SFS). Use the following item numbers when ordering from SFS at 800-STAMP-24 (800-782-6724):

- #10 regular envelope (Item 219090).
- #10 window envelope (Item 219190).

How to Order the First Day of Issue Postmark

Customers have 60 days to obtain the first day of issue postmark by mail. They may purchase new stamps at their local Post Office™, at The Postal Store® website at www.usps.com/shop, or by calling 800-STAMP-24. They should affix the stamps to envelopes of their choice, address the envelopes (to themselves or others), and place them in a larger envelope addressed to:

Forever Stamped Envelope
Teresa Johnson
30 West Pershing Road, #112
Kansas City, MO 64108-9998

After applying the first day of issue postmark, the Postal Service will return the envelopes through the mail. There is no charge for the postmark. All orders must be postmarked by July 13, 2009.

How to Order First Day Covers

SFS will not be offering first day covers for this envelope. Customers wanting to obtain the first day of issue cancellation should refer to “How to Order the First Day of Issue Postmark” above.

SFS will be offering digital color postmark bundles of six (6) with the official first day issue digital color postmark cancellation. Items are listed under Philatelic Products. Customers may request a free *USA Philatelic* catalog by calling 800-STAMP-24 or writing to:

Information Fulfillment
Dept. 6270
U.S. Postal Service
PO Box 219014
Kansas City, MO 64121-9014

Stamp Announcement 09-26: Mary Lasker

© 2009 USPS

On May 15, 2009, in Washington, DC, the Postal Service™ will issue a 78-cent, *Mary Lasker* definitive stamp in one design in a pressure-sensitive adhesive (PSA) pane of 20 stamps (Item 113200). Designed by Ethel Kessler, Bethesda, Maryland, the stamp goes on sale nationwide May 15, 2009.

This stamp, in the *Distinguished Americans* series, honors Mary Lasker (1900–1994), a philanthropist and citizen activist known for her enduring commitment to increase funding of medical research for major diseases and for her contributions to urban beautification. Created by Mark Summers, Waterdown, Ontario, Canada, the stamp artwork is based on an undated, black and white photograph. Summers is noted for his scratchboard technique, a style distinguished by a dense network of lines etched with exquisite precision.

How to Order the First Day of Issue Postmark

Customers have 60 days to obtain the first day of issue postmark by mail. They may purchase new stamps at their local Post Office™, at The Postal Store® website at www.usps.com/shop, or by calling 800-STAMP-24. They should affix the stamps to envelopes of their choice,

Special Cancellations
PO Box 92282
Washington, DC 20090-2282

After applying the first day of issue postmark, the Postal Service will return the envelopes through the mail. There is no charge for the postmark. All orders must be postmarked by July 18, 2009.

How to Order First Day Covers

Stamp Fulfillment Services (SFS) also offers first day covers for new stamp issues and Postal Service stationery items postmarked with the official first day of issue cancellation. Each item has an individual catalog number and is offered in the quarterly *USA Philatelic* catalog. Customers

may request a free catalog by calling 800-STAMP-24 or writing to:

Philatelic Products

There is one philatelic product available for this stamp issue:

- 113261*, First Day Cover, \$1.16.

Items with an asterisk (*) will use the 128 barcode from SFS. All other philatelic products will continue to use barcode series A, with the exception of the Yearbook and the Guide Book.

Distribution: Item 113200, 78-cent Mary Lasker, PSA Pane of 20 Stamps

Initially, stamp distribution offices (SDOs) will receive approximately 30 to 40 percent of their standard automatic distribution quantity for a PSA sheet stamp. SDO distributions which begin April 14, 2009, will be complete April 30,

2009. Distributions are rounded up to the nearest master carton size (40,000 stamps).

Initial Supply to Post Offices

SDOs will not make a subsequent automatic distribution to Post Offices. Post Offices requiring stamps must order them from their designated SDO using a separate PS Form 17, *Stamp Requisition/Stamp Return*. SDOs must not distribute stamps to Post Offices before May 8, 2009.

Additional Supply

Post Offices requiring additional stamps must requisition Item 113200 from their designated SDO using PS Form 17. SDOs requiring additional stamps must order them from the appropriate accountable paper depository (APD) using PS Form 17.

For fulfilling supplemental orders from SDOs, the Memphis, Chicago, New York, and San Francisco APDs will each receive additional stamps. The Kansas City Stamp Services Center will receive additional stamps for fulfilling supplemental orders from APDs.

Digital Color Postmarks

Digital Color Postmarks (DCPs), introduced in 2005, with a world-wide patent held by USPS®, are only available through Stamp Fulfillment Services (SFS). Field offices may not create, develop, or use digital color postmarks.

DCPs are only available on first day of issuance for specified stamp issues. These postmarks may be obtained at The Postal Store® website at www.usps.com/shop, through the *USA Philatelic* catalog, at some USPS retail locations, and through the USPS subscription programs at 800-STAMP-24 (800-782-6724).

For additional information on DCPs, contact SFS Cancellations Services at 816-545-1349, or see Handbook PO-230, *Pictorial Postmarks*, subchapter 7-2.

Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears below. If available, the sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of those postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers wishing to obtain a postmark should affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: PICTORIAL POSTMARKS, followed by the NAME OF THE STATION, ADDRESS, CITY, STATE, ZIP+4® CODE, as listed below.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

How to Order the First Day of Issue Digital Color or Traditional Postmarks

Customers have 60 days to obtain the first day of issue postmarks by mail. They may purchase new stamps at their local Post Office™, by telephone at 800-STAMP-24, or at The Postal Store® website at www.usps.com/shop.

Traditional Postmarks

Customers should affix the stamps to envelopes of their choice, address them to themselves or others, or provide a self-addressed return envelope with sufficient postage large enough to accommodate the canceled item. Mail the request to the corresponding city of issuance. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers should submit a check, money order, or credit card for payment. After applying the first day of issue postmark, the Postal Service™ will return the envelopes to the customer by U.S. Mail.

All postmark requests should go to the first day of issue city. The first day of issue city Post Office will then forward in bulk all postmark requests to Cancellation Services, Stamp Fulfillment Services, P.O. Box 449992, Kansas City, MO 64144-9992 by respective Post Offices.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16" side seams with no glue on the flap. The maximum

size of all digital color postmarks is 2" high x 4" long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers should submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of non-specified envelopes results in poor image quality or damage to equipment.

Customers should affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Mail the request for a first day of issue digital color postmark to the corresponding city of issuance. Post Offices will then forward all customer requests for digital color postmarks to Cancellation Services, Stamp Fulfillment Services, P.O. Box 449992, Kansas City, MO 64144-9992.

After applying the first day of issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail.

Stamps by Mail — Brochure Ordering Information

This article publishes the Stamps by Mail® print run cut-off schedule for the '09 fiscal year. Each date has a designation whether it is for the year-round (YR) brochure or the holiday (HOL) brochure. The remaining FY '09 print cycle dates are the following:

- May 5, 2009 (YR).
- June 25, 2009 (YR).
- August 20, 2009 (HOL).

To order brochures, submit PS Form 3227-O, *Stamps by Mail Brochure Order Form* (January 2009), to Cyril-Scott Company:

Cyril Scott Company
 PO Box 627
 Lancaster, OH 43130-0627
 Telephone: 800-466-0455
 Fax: 740-689-0210

You can find this form at <http://blue.usps.gov>; click *Forms*, and then select the form by number. A copy of this form appears on page 49 in this *Postal Bulletin*.

The cost per unit of 500 is \$12.51. This cost includes overprinting the address of the fulfillment office placing the order. You may pay for orders (under \$10,000) with local IMPAC credit cards, checks, or money orders. However, Cyril-Scott Company cannot process the order until it receives payment. Local eBay procedures may also apply (refer to local procurement procedures). Cyril-Scott Company must receive orders placed by mail by close of business the day of the print run cut-off date listed here. Orders received after the cut-off date will be processed the next print run date.

All local Post Offices™ and centralized sites should follow the ordering instructions contained within this article and utilize local funds.

For Orders Exceeding 10,000

Use eBay to process both centralized and decentralized brochure orders that exceed \$10,000.00. In the Purchasing Method field, select "Route Req to Supply Mgmt", then in the After Approval Route field, select "Eastern Services CMC (Memphis, TN)". Include completed PS Form 3227-O with imprint information with the eBay order.

Note: These approved eBay orders must be received by Supply Management at least 10 days prior to a published run cut-off date to be included in that run.

Cyril-Scott Company will deliver orders within 35 calendar days after printing. Printing begins 1 week after the deadline date, and actual receipt of the order will depend on the ultimate destination and the corresponding delivery service standard. You should save copies of all orders placed at your local Post Office until the order has been received. Ensure procedures are in effect locally for proper verification of receipt.

Safety

Survey of Tritium-Containing Emergency EXIT Signs at All Facilities

The Postal Service™ must respond to a request from the Nuclear Regulatory Commission (NRC) on possession, transfer, and disposal of EXIT signs that contain tritium, a natural occurring radioactive gas. The NRC and various state regulatory agencies require proper recordkeeping and disposal of such signs. To comply with the request, the Postal Service is collecting information that will be based on a nationwide survey of emergency EXIT signs at each facility.

Survey Process

■ **Installation heads, postmasters, and station managers should do the following:**

1. Survey their facilities to identify existing and in-stock emergency EXIT signs to determine if they are the tritium-containing type. (See "[How to Identify Tritium EXIT Signs](#)" here.)
2. If tritium-containing EXIT signs are found, use the survey form found in this article to collect the following data for each sign:
 - Serial number.
 - Date of manufacture.
 - Manufacturer's name.
 - Location of sign.
 - Condition (Are all tubes or only one or more illuminated?).

Note: Data collection applies to tritium-containing emergency EXIT signs only.

3. Submit the completed form via e-mail or fax to their servicing safety office by April 24, 2009.

■ **Plant safety specialists should do the following:**

Send responses they receive to the district safety office (DSO).

■ **DSOs should do the following:**

1. Follow up with offices on any apparent false positives or damaged signs.
2. Consolidate the information by district.
3. Submit it to the manager, Safety and Environmental Performance Management, at Headquarters by May 8, 2009.

How to Identify Tritium EXIT Signs

Tritium-containing signs:

- Are commonly used in areas where it is difficult to install electric signs, and do not require electricity or batteries.
- Usually are less than 1 1/2 inches thick.
- Have a permanent warning label that:
 - Mentions tritium (H-3), states "Caution-Radioactive Materials," and displays the three-bladed radiation warning symbol (see sample warning symbol below).
 - Is usually on the bottom or an edge, and the radiation trefoil symbol is usually visible.
 - Displays the sign manufacture date and how much tritium it contains, e.g., "7 Curies."

If the label is not observable, try extinguishing all lights in the vicinity. If the word "EXIT" is green, the light contains tritium. Each letter in *EXIT* is an individual tube. If all four letters of EXIT are not fully lit, the sign may be damaged and may need to be replaced.

Sample of 3-bladed radiation warning symbol

The NRC has stated that the tritium gas in these EXIT signs poses little to no risk to the health and safety of the public and does not constitute a security risk. The signs are considered inherently safe enough to be handled or used by anyone with no radiation training or experience.

For information on safe handling of tritium-containing EXIT signs, see the environmental InfoPak on *Management of Tritium Containing Exit Signs*, available at <http://safety toolkit.usps.gov/resources/resources.aspx>.

Highlights of Changes

Domestic and International Mailing Services

On February 10, 2009, the Board of Governors of the Postal Service™ announced new prices and product features effective Monday, May 11. New mailing standards to support the price changes are being implemented, as well.

Complete price and fee information, including the new Mailing Services prices and current Shipping Services prices, can be found in Notice 123, *Price List*, available at www.usps.com/prices/pricechanges.htm. Customers and employees can view, download, and print the price tables. Notice 123 can also be found in this *Postal Bulletin* starting on page 91. *Federal Register* notices to support the May 11 price change are available on Postal Explorer® at <http://pe.usps.com>.

The May 11 price changes include the following services:

- First-Class Mail®.
- First-Class Mail International™.
- Periodicals.
- Standard Mail®.
- Package Services Mail.
 - Bound Printed Matter.
 - Library Mail.
 - Media Mail®.
 - Parcel Post®.
- Extra Services and Fees.
- Parcel Select®.
 - Bulk Mail Center (BMC) and Origin Bulk Mail Center (OBMC) Presort.
 - Barcoded Nonpresort.
- International Priority Airmail™ (IPA®).
- International Surface Air Lift® (ISAL®).

First-Class Mail

The increase for First-Class Mail (including First-Class Mail International) items is 3.8 percent on average. The additional-ounce price for all retail letters, flats, and packages remains 17 cents, and for automation and presort letters, the additional-ounce price remains 12.5 cents. We also maintain the 2.2-cent difference between 5- and 3-digit automation letter prices. The surcharge for retail and presort nonmachinable letters remains 20 cents and applies to all nonmachinable letters weighing up to 3.5 ounces. The surcharge for nonmachinable and nonbarcoded parcels not prepared in 5-digit/scheme sacks remains 5 cents. An Intelligent Mail® barcode (IMb) incentive of 0.3 cents will be available starting November 29 for automation letters and flats prepared and mailed using the full-service option.

We align the standards for commercial machinable and automation letters so that machinable letters have the same physical characteristics as automation letters, with the exception of a qualifying barcode. All sortation levels for automation letters are optional with customers paying for the level of sortation they choose. Required sortation for automation letters would begin at the mixed automated area distribution center (AADC) level. Five-digit/scheme, 3-digit/scheme, and AADC sortation levels will be optional, except when claiming the corresponding prices.

Automation flats must bear a delivery point POSTNET™ barcode or IMb encoded with the correct delivery point routing code. There are no changes to the preparation of automation flats — and the 5-digit/scheme level remains optional, except when claiming the 5-digit price.

See page 1 of the *Price List* for First-Class Mail retail prices and page 10 for commercial prices.

First-Class Mail International

The number of country price groups for letters, flats, and packages remains at nine, and the price groups for postcards expands from two to three. There will be separate prices for postcards and 1-ounce letters to Canada (75 cents) and Mexico (79 cents). The price for all other countries will be 98 cents.

See page 28 of the *Price List* for First-Class Mail International prices.

Periodicals

The increase for Periodicals mail is 4 percent on average. Nearly all Periodicals will experience modest price increases, and there are no structural changes to prices. Publications authorized as classroom and nonprofit, and those publications meeting the limited circulation criteria, will still be eligible for a 5 percent discount off the total Outside-County postage, excluding postage for advertising pounds, Ride-Along pieces, and Repositionable Notes (RPNs). The price for RPNs with In-County publications is reduced to 0.5 cent each, and for Outside-County publications, RPNs remain 1.5 cents each. The price for a Ride-Along piece increases to 16.5 cents for both In-County and Outside-County publications. The fees associated with Periodicals also increase. Automation flats must bear a delivery point POSTNET barcode or IMb encoded with the correct delivery point routing code.

Currently, Periodicals are required to receive address correction notifications at a cost of 25 cents for electronic and 50 cents for manual notifications. Electronic notifications will increase to 26 cents each. By adopting the full-service option of Intelligent Mail, publications qualify for no-fee address correction service (ACS). Effective November 29, an IMb price incentive of 0.1 cents will be available for automation and carrier route letters and flats when prepared and mailed at the full-service option.

See page 24 of the *Price List* for Periodicals prices.

Standard Mail

The increase for Standard Mail items is 3.8 percent on average. There are no structural changes to the prices for letters and flats. As with First-Class Mail items, we align the standards for machinable and automation letters so that machinable letters have the same physical characteristics as automation letters, with the exception of a qualifying barcode. All sortation levels for automation letters are optional, with customers paying for the level of sortation they choose. Required sortation for automation letters would begin at the mixed AADC level. Five-digit/scheme, 3-digit/scheme, and AADC sortation levels will be optional, except when claiming the corresponding prices. For machinable letters, we also make the AADC sortation level optional, except when claiming the AADC price. Nonmachinable letters weighing more than 3.3 ounces will now pay the corresponding nonautomation flats prices. Automation flats must bear a delivery point POSTNET barcode or IMb encoded with the correct delivery point routing code. There are no changes to the preparation of Standard Mail automation flats.

An IMb incentive of 0.1 cent will be available November 29 for automation letters and flats, as well as basic and high density carrier route flats prepared and mailed at the full-service option.

Saturation Incentives: To encourage volume growth and continued use of saturation Standard Mail letters and flats, the Postal Service implements an incentive program for saturation mailers who increase their saturation letters or flats volume. This increase can result from growth in total mailed volume or growth within a defined market. Mailers wishing to participate must submit a letter requesting participation to their district manager, Business Mail Entry no later than June 11, 2009. For additional information, see the February 23, 2009, *Federal Register*, or contact your district Business Mail Entry office.

Irregular Parcels and Not Flat-Machinable Pieces

We are revising the price categories and qualifications for all irregular parcels and not flat-machinable (NFM) pieces weighing less than 6 ounces. These changes will reduce the number of containers in a mailing, better align the price categories with efficient processing for parcel-shaped pieces, and provide increased opportunities for mailers, including destination delivery unit (DDU) prices and additional mail volumes that qualify for destination sectional center facility (DSCF) and destination bulk mail center (DBMC) prices. The surcharge for nonbarcoded parcels and NFMs not prepared in 5-digit/scheme sacks or pallets increases to 7 cents.

Since automated package processing systems located in our plants run multi 3-digit SCF schemes, new SCF sortation and prices replace (single) 3-digit sortation and

prices. In addition, BMC and mixed BMC sortation and prices replace ADC and mixed ADC sortation and prices. For mailings prepared in sacks, SCF prices are based on 10 or more pounds of mail for the multi 3-digit SCFs in DMM L005. BMC prices are based on 10 or more pounds of mail for the BMCs in DMM L601, and when claiming DBMC prices, the auxiliary service facilities (ASFs) in DMM L602. For mailings prepared on pallets (and in pallet boxes), prices are based on 250 or more pounds of mail on pallets prepared for DBMC, DSCF, and DDU prices, and 200 or more pounds of mail on BMC pallets prepared for entry at the origin postal facility.

Mixed BMC prices have no minimums and will require two separations; mailers “divide” remaining parcels into an appropriate origin BMC sack(s) or pallet based on the BMC serving the entry postal facility using DMM L601, followed by traditional mixed BMC sacks or pallets. In certain situations based on volumes and densities there may not be parcels remaining following preparation of origin BMC sacks or pallets.

In addition, all mailings prepared for 5-digit, SCF, and BMC prices will be limited to mailings also prepared for and claimed at DBMC, DSCF, and DDU prices. Parcels and NFMs prepared in BMC and ASF sacks or pallets for the DBMC price will continue to use DMM Exhibit 446.3.1, BMC/ASF — DBMC Price Eligibility. Except for mailings of 200 or more pounds prepared on appropriate BMC pallets, all other mailings prepared for entry at the origin postal facility will be eligible for the mixed BMC price only.

Machinable Parcels and NFMs

We are not changing the price categories for machinable parcels and NFM pieces weighing 6 ounces or more; however, as with irregular parcels and NFMs weighing less than 6 ounces, 5-digit and BMC prices will be limited to mailings also prepared for and claimed at DBMC, DSCF, and DDU prices. Except for mailings of 200 or more pounds prepared on appropriate BMC pallets, all other mailings prepared for entry at the origin postal facility will be eligible for the mixed BMC price only.

Also as with other parcel mailings, mixed BMC prices will require two separations; origin BMC sack(s) or pallet based on the BMC serving the entry postal facility using DMM L601, followed by traditional mixed BMC sacks or pallets.

The surcharge for nonbarcoded parcels and NFMs not prepared in 5-digit/scheme sacks or pallets increases to 7 cents.

Additional Items

Within Standard Mail service, eligible nonprofit organizations continue to pay prices that are 40 percent lower on average than the prices for regular Standard Mail service.

Beginning January 4, 2010, the Move Update noncompliance charge will be 7 cents per piece for Standard Mail mailings that do not comply with the Move Update standards implemented November 23, 2008.

Standard Mail prices begin on page 11 of the *Price List*.

Package Services Mail and Parcel Select

Package Services mail consists of retail Parcel Post, Bound Printed Matter, Library Mail, and Media Mail items. The increase for Package Services products averages 3.8 percent.

There are three categories within Parcel Select not included in the January 18 price changes: BMC and OBMC Presort and Barcoded Nonpresort. Overall, Parcel Select prices increase by an additional 0.5 of 1 percent.

We are simplifying the pricing structure for retail Parcel Post, Parcel Select BMC and OBMC Presort, and Parcel Select Barcoded Nonpresort mail. We are replacing the separate price categories for Inter-BMC/ASF and Intra-BMC/ASF with a single Parcel Post category based on weight and zone. We also eliminate the Parcel Post nonmachinable surcharges. This aligns Parcel Post prices and zones with other classes of mail. See page 4 of the *Price List* for retail Parcel Post prices, and page 16 for Parcel Select prices.

For Bound Printed Matter flats, an IMb incentive of 0.1 cent will be available November 29 for presorted and carrier route flats prepared and mailed at the full-service option.

See page 20 of the *Price List* for Library Mail and Media Mail, and page 21 for Bound Printed Matter prices.

Extra Services and Other Fees

Extra Services include Post Office boxes and caller service fees, Certified Mail™ service, return receipts, Delivery Confirmation™ and Signature Confirmation™ services, Registered Mail™ service, and insurance. It also includes ancillary services such as address correction notification fees.

Certified Mail items increase 10 cents, as well as the prices for return receipt service requested at the time of mailing. There are modest increases to the Delivery Confirmation service fees, and we continue to offer the no-fee electronic option included in the price for certain Priority Mail and Parcel Select Destination Entry packages.

A significant portion of Address Change Service (ACS™) will be incorporated into the full-service option of Intelligent Mail. Customers are reminded that beginning May 18, the Intelligent Mail full-service option available to automation letters and flats, carrier route letters, and certain carrier route flats will provide no-fee address correction service as well as “start-the-clock” information. For pieces not eligible under the Intelligent Mail full-service option, the first two notices for One Code ACS® for

First-Class Mail letters will be 2 cents each, and additional notices will be 8 cents each. The first two notices for Standard Mail letters will be 5 cents each, and additional notices will be 20 cents each. Electronic address correction notifications increase to 10 cents for First-Class Mail items and 26 cents for all other mail. The price for manual address correction notifications remains 50 cents. The Confirm® pricing structure will change with the addition of a new lower-priced Bronze subscription level, to complement the current Silver, Gold, and Platinum subscription levels.

There are minimal increases to Post Office box and caller service fees, and all Post Office boxes and caller services will maintain their current fee groups. New fees apply only to new rentals and renewals. Current Post Office box holders, and customers paying caller service fees, are not required to pay the new fees until their current rental period expires and it is time to renew. Post Office box and caller service fees may be paid for no more than two semiannual periods at a time.

All annual mailing and permit fees increase to \$185, and all annual account maintenance fees will be \$585. The quarterly fee for high-volume Qualified Business Reply Mail (QBRM) letters increases to \$1,925. There will be modest increases to all BRM per-piece fees, including new fractional per-piece fees for high-volume BRM — \$0.083; basic QBRM — \$0.052; as well as high-volume QBRM — \$0.007. See page 37 of the *Price List*. Remember, new annual fees apply only to first-time payments and renewals. Customers with current annual fees paid will pay the new fees at renewal. Annual fees may be renewed only for the next 12 months and only during the last 60 days of the current service period.

Premium Forwarding Service (PFS) prices will increase — the enrollment fee increases to \$15, and the weekly reshipment charge goes to \$13.95. The new weekly reship charges apply only to first-time users and renewals after May 11.

See page 35 of the *Price List* for a complete list of Extra Services prices and other fees.

Additional International Changes

In addition to First-Class Mail International (see page 28), prices for International Priority Airmail Service (IPA), International Surface Air Lift Service (ISAL), and Extra Services, will also change May 11. We have expanded the number of country price groups for IPA and ISAL from 9 to 15 — including 10 “country-specific” groups, and 5 multiple-country price groups.

IPA meets the needs of international business mailers for a service that is faster and more economical than First-Class Mail International service. Prices for IPA increase by 6.3 percent on average. Incentives based on volume offered through customized agreements continue to be

available for IPA customers. ISAL provides expedited dispatch and transportation for all types of First-Class Mail International items. ISAL prices increase by 3.5 percent on average. Volume incentives are available through customized agreements.

See page 29 of the *Price List* for IPA prices, and page 30 for ISAL prices.

International Extra Services fees maintain their correlation to the fees for those services that are similar to domestic extra services. See page 39 of the *Price List*.

Forever Stamp Price Change Instructions for Stamps by Mail Orders

The Postal Service's™ new single-piece 1-ounce price for First-Class Mail® items is 44 cents, effective 12:01 A.M., Monday, May 11, 2009. All Post Offices™, postal retail units, and Stamps by Mail® fulfillment centers must increase the value of each Forever Stamp™ in their inventories prior to opening for business on Monday, May 11, 2009. All Forever Stamps on hand are revaluated to the new First-Class Mail single-piece 1-ounce price of 44 cents each.

The new First-Class Mail single-piece 1-ounce price may affect Stamps by Mail Forever Stamp orders that are in transit. If a Stamps by Mail Forever Stamp order is mailed (postmarked) or the order form and check is dated before Monday, May 11, 2009, with the old First-Class Mail single-piece 1-ounce price, accept the order with the old price and process the transaction as follows:

Type of Stamp	New Price	Offset the Difference
Forever Stamp Booklet Item #676600	Enter the new price for the Forever Stamp sale into AIC 011, Forever Stamp Sales — Internet — Mail — Phone.	Enter the difference into AIC 553, Refund of Postage and Fees

Note: Do not process Stamps by Mail Forever Stamp orders that are mailed after Monday, May 11, 2009, with the old fee; return the order and payment to the sender advising of the new First-Class Mail single-piece 1-ounce price.

Nonprofit Envelopes Revaluation Instructions

Effective Monday, May 11, 2009, the Postal Service's™ new price change will impact the “box of 500” nonprofit envelopes. All Post Offices™ and postal retail units must increase the value of each box of 500 nonprofit envelopes in their inventories prior to opening for business on May 11, 2009.

New Selling Price for Box of 500 Nonprofit Envelopes

Boxes of 500 nonprofit envelopes are recorded in inventory at the old price; therefore, they must be revalued. To increase the value, stock custodians and retail associates (RAs) must count the number of boxes of 500 nonprofit envelopes in their inventories and multiply by the corresponding increase amount to compute value of the increase in accountability.

Item Number	Description	Old Price	Increase	New Price
215100	#10 Nonprofit Regular Sheep Envelope/500	\$41.95	\$0.80	\$42.75
215150	#10 Nonprofit Regular Sheep Envelope/500	\$41.95	\$0.80	\$42.75

262850	Small Nonprofit Sheep Window Envelope/500	\$39.90	\$0.60	\$40.50

The following are instructions for each financial reporting technology and accountable credits:

eMOVES Offices

Individual Stamp Stock Credits

1. RAs use PS Form 17, *Stamp Requisition/Stamp Return*, to record stock at the full value (old price).
2. RAs ship all boxes of 500 nonprofit envelopes (AIC 848) to be revalued with PS Form 17 to the unit reserve.

Unit Reserve Stock

1. Receive the stock (AIC 841) from the RA at the value shown (old price) on PS Form 17.
2. Record stock received on PS Form 3295, *Daily Record of Stamps, Stamped Paper, and Nonpostal Stamps on Hand*.
3. Multiply the number of boxes of 500 nonprofit envelopes on hand to be revalued by the difference between the old selling price and the new revalued selling price.
4. Record the computations for boxes of 500 nonprofit envelopes revalued on PS Form 17.
5. Enter the total for all calculations from PS Form 17 on PS Form 3958, *Unit Reserve Stamp Stock Transaction Record*, as follows: Line 3 for increase (AIC 844)
6. Enter the calculated amount in AIC 844, Stock Increase — Revaluation, on PS Form 1412, *Daily Financial Report*.

Closeout Employee

1. Verify entries in AIC 844 on the unit PS Form 1412.
2. File PS Form 17 and PS Form 3958 as supporting documentation.

POS ONE Offices

The software download will automatically revalue all boxes of 500 nonprofit envelopes and nondenominated bulk rate envelopes on hand for the unit reserve stamp stock, retail floor stock, and other segments.

Note: All boxes of 500 nonprofit envelopes and nondenominated bulk rate envelopes on hand must be properly identified with the required item numbers and the quantity.

IRT Offices

Individual Stamp Stock Credits

1. Each RA with boxes of 500 nonprofit envelopes in inventory must multiply the number of boxes of 500 nonprofit envelopes on hand by the difference between the old selling price and the new revalued selling price.
2. The RA must enter the revaluation on PS Form 17, and the supervisor must authorize and sign the form.
3. The RA will enter the revaluation amount into AIC 844, Stock Increase — Revaluation.

Unit Reserve Stock

1. The unit reserve stock custodian issues to an RA all boxes of 500 nonprofit envelopes in the unit reserve that require revaluation.
2. The RA receives the stock by using the “STAMPS+” key, creating an entry to AIC 841, Stamp Stock Received.
3. The RA revalues the stock by following the revaluation instructions for “Individual Stamp Stock Credits” (above).
4. After the stock custodian reduces unit inventory quantities requiring revaluation to zero (by issuance to an RA) and has performed the “New Day” process, the stock custodian deletes the item numbers from the stamp stock inventory (at the old price).
5. The stock custodian adds the item number back into stamp stock inventory at the new price.
6. The RA prepares PS Form 17 for returning stock and enters the value of the boxes of 500 nonprofit envelopes to be returned to the unit reserve inventory at the new price. Use the “STAMPS (-)” key creating an entry in AIC 848, Stamp Stock Returned.
7. The stock custodian receives the total from PS Form 17 into the unit reserve inventory at the new price.

Closeout Employee

1. When all clerk disks are consolidated, verify that the total revaluation for the unit is reported correctly in AIC 844 on the unit PS Form 1412.
2. File PS Form(s) 17 as supporting documentation.

Instructions for Payments Mailed Before May 11 Price Change

The Postal Service's™ new prices and fees become effective at 12:01 A.M., Monday, May 11, 2009. All Post Offices, postal retail units, and contract postal units (CPUs) must ensure that all daily financial reports are transmitted at the close of business Saturday, May 9, or Sunday, May 10, as appropriate. CPUs must coordinate the logistics to ensure that all daily financial reports are submitted to the host Post Office™ at the close of business Saturday, May 9, or Sunday, May 10, as appropriate.

IRT Offices

Post Offices and postal retail units with integrated retail terminals (IRTs) will receive price change diskettes in the same manner as all other IRT software updates. Each office must install the IRT update after the close of business Saturday, May 9, or Sunday, May 10, as appropriate, or before opening for business Monday, May 11. Offices that do not receive diskettes with the new prices and fees by Thursday, May 7, must contact their district IRT coordinator for guidance.

POS ONE Offices

Post Offices and postal retail units with POS ONE systems will receive the new software for the price change via a download over the network. POS ONE will automatically integrate the price change for the required services before they open for business Monday, May 11.

Payments Mailed Before Price Change

The new prices and fees will affect all annual mailing fees, accounting fees, Post Office Box/Caller Service fees and Premium Forwarding Service fees. As of Monday, May 11, all daily financial reports must contain the new fees. If a payment for an annual mailing fee, accounting fee, Post Office Box/Caller Service fee, or Premium Forwarding Service fee is mailed (post-marked) before Monday, May 11, with the old fees, accept the lower fee amount and process the transaction as follows:

Type of Service	New (Higher) Fees	Offset the Difference
Annual mailing fee	Enter the new fee into the corresponding AIC	Enter the difference into AIC 528, Refund Permit Postage and Fees
Accounting fee	Enter the new fee into the corresponding AIC	Enter the difference into AIC 528, Refund Permit Postage and Fees
PO Box/Caller Service fee	Enter the new fee into the corresponding AIC	Enter the difference into AIC 535, Refund of Fees — Retail Services
Premium Forwarding Services fee	Enter the new fee into the corresponding AIC	Enter the difference into AIC 623, Refund of Premium Forwarding Services Fees

Note: Do not process payments that are mailed after Monday, May 11, with the old fees; return the payment to the sender.

Missing, Lost, or Stolen U.S. Money Order Forms

Do Not Cash — Upon Receipt, Notify Local Postal Inspectors

This listing will be provided to all Postal Service™ employees responsible for accepting and cashing postal money orders. All interim notices should be destroyed when the numbers listed appear in the *Postal Bulletin*. The

actual serial numbers consist of the first 10 digits on the money orders. Check for altered dollar amounts by holding money orders to the light.

Missing, Lost, or Stolen Canadian Money Order Forms

Do Not Cash — Upon Receipt, Notify Local Postal Inspectors

This listing will be provided to all Postal Service™ employees responsible for accepting and cashing postal money orders. Destroy any interim notices when the numbers listed appear in the *Postal Bulletin*. The new money order serial numbers consist of the first 9 digits. The 10th digit is a check digit only.

Do not cash outdated money orders **104 151 601 to 692 600 000**. Advise holders to send invalid money orders to: Canada Post Corporation, Ottawa, Canada K1A 0B1. Check for altered dollar amounts by holding money orders to the light.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
 - There should be no discoloration around the dollar amounts, which might indicate the amounts were changes.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at <http://www.usps.com/missingmoneyorders/security.htm>.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Other Information

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table below outlines these conditions by APO/FPO/DPO ZIP™ Codes through the use of footnoted mailing restrictions codes (see the Restrictions page following the table).

Acceptance clerks should use the table with the integrated retail terminal (IRT) or POS ONE terminal to determine which APO/FPO/DPO ZIP Codes are active and

which conditions of mailing apply. **Acceptance clerks may contact the Military Postal Service Agency with any questions regarding APO/FPO/DPO ZIP Codes, toll free, at 800-810-6098, Monday–Friday, 0730–1600 ET.**

For Express Mail Military Service (EMMS) availability, all acceptance clerks must refer to the local hardcopy EMMS directory.

RESTRICTIONS

LEGEND

PS Form 2976, *Customs — CN 22 (Old C 1) and Sender's Declaration* (green label)

PS Form 2976-A, *Customs Declaration and Dispatch Note*

AAFES	= Army and Air Force Exchange Service
APO	= Army/Air Force Post Office
Box R	= Retired military personnel
DMM	= <i>Domestic Mail Manual</i>
DPO	= Diplomatic Post Office
FPO	= Fleet Post Office
MOM	= Military Ordinary Mail
MPO	= Military Post Office
PAL	= Parcel Airlift
PSC	= Postal Service Center
SAM	= Space Available Mail
USDA	= United States Department of Agriculture

Note: Mail order catalogs are prohibited as SAM or PAL mail.

A. Securities, currency, or precious metals in their raw, unmanufactured state are prohibited. Official shipments are exempt from this restriction.

A1. Mail addressed to "Any Servicemember," or similar wording such as "Any Soldier," "Sailor," "Airman," or "Marine"; "Military Mail"; etc., is prohibited. Mail must be addressed to an individual or job title such as "Commander," "Commanding Officer," etc.

B. PS Form 2976-A is required for all mail weighing 16 ounces or more, with exceptions noted below. In addition, mailers must properly complete required customs documentation when mailing any potentially dutiable mail addressed to an APO, FPO, or DPO regardless of weight. The following are exceptions to the requirement for customs documentation on nondutiable mail that weighs 16 ounces or more:

- Known mailers are exempt from providing customs documentation on non-dutiable letters, and printed matter weighing 16 ounces or more. (A known mailer is anyone who legally applies a permit imprint to a mailpiece. Mail with meter postage is not considered to be from a known mailer.)
- All federal, state, and local government agencies are exempt from providing customs documentation on mail addressed to an APO, FPO, or DPO except for those APOs/FPO/DPOs to which restriction B2 applies.
- Prepaid mail from military contractors is exempt, providing the mailpiece is endorsed "Contents for Official Use — Exempt from Customs Requirements."

B1. PS Form 2976 or 2976-A is required. Articles are liable for customs duty and/or purchase tax unless they are bona fide gifts intended for use by military personnel or their dependents. When the contents of a parcel meet these requirements, the mailer must endorse the customs form, "Certified to be a bona fide gift, personal effects, or items for personal use of military personnel and dependents," under the heading, Description of Contents.

Exceptions: All other exceptions listed in restriction B above are applicable to this restriction.

B2. All federal, state, and local government agencies must complete customs documentation when sending mail addressed to or from this APO, FPO, or DPO weighing 16 ounces or more.

C. Cigarettes and other tobacco products are prohibited.

C1. Obscene articles, prints, paintings, cards, films, videotapes, etc., and horror comics and matrices are prohibited.

D. Coffee is prohibited.

E1. Medicines or vaccines not conforming to French laws are prohibited.

E2. Any matter depicting nude or seminude persons, pornographic or sexual items, or nonauthorized political materials is prohibited. Although religious materials contrary to the Islamic faith are prohibited in bulk quantities, items for the personal use of the addressee are permissible.

E3. Radio transceivers, cordless telephones, global positioning systems, scanners, base stations, and handheld transmitters are prohibited.

F. Firearms of any type are prohibited in all classes of mail. See definitions of firearms in DMM 601.11.1.2c. This restriction does not apply to firearms mailed to or by official U.S. government agencies. The restriction for mail to this APO/FPO/DPO ZIP Code does not apply to firearms mailed from this APO/FPO/DPO ZIP Code, provided ATF and USPS regulations are met. Antique firearms are a separate category defined in DMM 601.11.2 and ATF regulations; they do not require an ATF form.

F1. Privately owned weapons addressed to an individual are prohibited in any class of mail.

F2. Importation of firearms is restricted to one shotgun and one single shot.22 caliber rifle per individual.

G. Only letters, flats, and Periodicals are authorized. Parcels of any class are prohibited.

H. Meats, including preserved meats, whether hermetically sealed or not, are prohibited.

H1. Pork or pork by-products are prohibited.

I. Mail of all classes must fit in a mail sack. Mail may not exceed the following dimensions:

- Maximum length 20 inches.
- Maximum width 12 inches.
- Maximum height 12 inches.

The maximum length and girth combined may not exceed 68 inches.

This restriction does not apply to registered mail and official government mail marked MOM.

I1. This restriction does not apply to registered mail.

I2. This restriction does not apply to official government mail marked MOM.

J. Parcels may not exceed 108 inches in length and girth combined.

K. Mail that includes in the address the words, "Dependent Mail Section," may consist only of letter mail, newspapers, magazines, and books. No parcel of any class containing any other matter may be mailed to the Dependent Mail section. This restriction does not apply if the address does not include the words "Dependent Mail Section."

L. All official mail is prohibited.

M. Fruits, vegetables, animals, and living plants are prohibited.

N. Registered mail is prohibited.

O. Delivery status information for Extra Services is not available on USPS.com.

P. APO is used for the receipt and dispatch of official mail only.

Q. Mail may not exceed 66 pounds, and size is limited to 42 inches maximum length and 72 inches maximum length and girth combined.

R. All alcoholic beverages, including those mailable under DMM 601.8.0, are prohibited.

R1. Materials used in the production of alcoholic beverages (i.e., distilling material, hops, malts, yeast, etc.) are prohibited.

T. Mailings of case lots of food and supplemental household shipments must be approved by the sender's parent agency prior to mailing.

U. Parcels must weigh less than 16 ounces when addressed to Box R. This restriction does not apply to mail endorsed "Free Matter for the Blind or Handicapped."

U1. Mail is limited to First-Class Mail weighing 13 ounces or less when addressed to Box R. This restriction does not apply to mail endorsed "Free Matter for the Blind or Handicapped." Videotapes are prohibited when addressed to Box R, regardless of weight.

U2. Mail is limited to First-Class Mail letters only when addressed to Box R.

Forever Stamp Stock Revaluation Instructions

Effective Monday, May 11, 2009, the Postal Service's™ new price for First-Class Mail® single-piece 1-ounce letters is 44-cents. All Post Offices™, postal retail units, vending machines, Self Service Postal Center (SSPC) vending, Automated Postal Centers® (APCs®), and contract postal units (CPUs) must have the value of each Forever Stamp™ booklet in their inventories increased prior to opening for business on Monday, May 11. All Forever Stamp booklets on hand are revaluated to the new First-Class Mail single-piece 1-ounce price of 44-cents each stamp.

New Selling Price for Forever Stamp Booklet

Forever Stamp booklets are recorded in inventory at the old price; therefore, they must be revalued. To increase the value, stock custodians and retail associates (RAs) must count the number of Forever Stamp booklets in their inventories and multiply by the corresponding increase amount to compute value of the increase in accountability.

Item Number	Description	Old Price	Increase	New Price
676500	Forever Stamp Vending Booklet — 20	\$8.40	\$0.40	\$8.80
676511	Forever Stamp Vending Crisis-Cross Booklet — 20	\$8.40	\$0.40	\$8.80
676600	Forever Stamp Booklet — 20	\$8.40	\$0.40	\$8.80
569900	Forever Stamp Sheetlet ATM — 18	\$7.56	\$0.36	\$7.92

The following are instructions for each financial reporting technology:

eMOVES Offices

Individual Stamp Credits

1. RAs use PS Form 17, *Stamp Requisition/Stamp Return*, to record stock at the full value (old price).
2. RAs ship stamp stock (AIC 848) to be revalued with PS Form 17 to the unit reserve.

Unit Reserve Stock

1. Receive the stock (AIC 841) from the RA at the value shown (old price) on PS Form 17.
2. Record stock received on PS Form 3295, *Daily Record of Stamps, Stamped Paper, and Nonpostal Stamps On Hand*.
3. Multiply the number of Forever Stamps on hand to be revalued by the difference between original price (42 cents) and new revalued price (44 cents).
4. Record the computations for each Forever Stamp booklet revalued on PS Form 17.
5. Enter the total for all calculations from PS Form 17 on PS Form 3958, *Unit Reserve Stamp Stock Transaction Record*, as follows: Line 3 for increase (AIC 844)
6. Enter the calculated amount in AIC 844, Stock Increase — Revaluation, on PS Form 1412, *Daily Financial Report*.

Closeout Employee

1. Verify entries in AIC 844 on PS Form 1412.

2. File PS Form 17 and PS Form 3958 as supporting documentation.

POS ONE Offices

The software download will automatically reevaluate all Forever Stamp booklets on hand for the unit reserve stamp stock and each retail floor stock, Stamps by Mail, philatelic, vending, and mobile unit segments.

Note: All Forever Stamp stock on hand must be properly identified with the required item numbers and the quantities prior to the automatic revaluation.

IRT Offices

Individual Stamp Credits

1. Each RA assigned Forever Stamps must multiply the number of Forever Stamps on hand by the difference between the original price (old price) and the new revalued price (new price).
2. The RA must enter the revaluation on PS Form 17, and supervisor must authorize and sign.
3. The RA will enter the revaluation amount into AIC 844, Stock Increase — Revaluation.

Unit Reserve Stock

1. The unit reserve stock custodian issues to an RA all stamps and envelopes in the unit reserve that require revaluation.
2. The RA receives the stock by using the “STAMPS+” key, creating an entry to AIC 841, Stamp Stock Received.

3. The RA revalues the stock by following the revaluation instructions for “Stamp Credits”.
4. After the stock custodian reduces unit inventory quantities requiring revaluation to zero (by issuance to an RA) and has performed the “New Day” process, the stock custodian deletes the item numbers from the stamp stock inventory (at the old price).
5. The stock custodian adds the item number back into stamp stock inventory at the new price.
6. The RA prepares PS Form 17 for returning stock and enters the value of the stamps and envelopes to be returned to the unit reserve inventory at the new price. Use the “STAMPS (-)” key creating an entry in AIC 848, Stamp Stock Returned.
7. The stock custodian receives the total from PS Form 17 into the unit reserve inventory at the new price.

Closeout Employee

1. When all clerk disks are consolidated, verify that the total revaluation for the unit is reported correctly in AIC 844 on the unit PS Form 1412.
2. File PS Form(s) 17 as supporting documentation.

SSPC Stamp Vending Credits

1. Count each Forever Stamp on hand.
2. Multiply the number of Forever Stamps on hand to be revalued by the difference between original price (old price) and new revalued price (new price).
3. Record the computations for all Forever Stamp booklets revalued on PS Form 17.
4. Enter the calculated amount in AIC 844, Stock Increase — Revaluation, on PS Form 1412.
5. Submit PS Form 17 and PS Form 1412 to the unit supervisor, or maintain them on file.
6. Post the PS Form 1412 accounting entries into the eMOVES application or IRT terminal the same business day.

APCs

The software download will automatically revalue all Forever Stamp sheetlets on hand for the APC equipment.

CPUs

CPUs that submit a daily PS Form 1412 to a host Post Office must increase the value of each Forever Stamp booklet in their inventory as follows:

1. Count each Forever Stamp to be revalued.
2. Multiply the number of Forever Stamp booklets on hand to be revalued by the difference between the original price (old price) and the new revalued price (new price).
3. Record the computations for all Forever Stamp booklets revalued on PS Form 17.
4. Enter the calculated amount in AIC 844, Stock Increase — Revaluation, on PS Form 1412
5. Submit PS Form 17 and the CPU's PS Form 1412 to the host Post Office or the contracting officer's representative (COR).

Note: CPUs with Contract Access Retail System (CARS) do not need to revalue the Forever Stamps in their inventory. The CARS system will automatically change the price, and the CPU will sell the stamp for the new price on May 11.

Forever Stamp Booklet Exchanges

Forever Stamp booklets that are damaged or otherwise unusable for postage while in a customer's possession may be exchanged for an equal number of Forever Stamp booklets at the current rate. Postal Service employees must pick up the Forever Stamp booklets to be exchanged at the current rate. For POS ONE equipment, follow the Exchanging Stamp Products workflow, and scan the Forever Stamp booklets to be exchanged. The current price will be reflected.

Statistical Programs Price Change Software Release

The May 2009 Price Change software release provides updates, corrections, and revisions for the following data collection systems:

- City Carrier Cost System (CCCS).
- Rural Carrier Cost System (RCCS).
- In-Office Cost System (IOCS).
- Origin–Destination Information System — Revenue, Pieces, and Weight (ODIS-RPW).
- Transportation Cost System (TRACS).
- System for International Revenue and Volume Outbound — International Origin–Destination Information System (SIRVO-IODIS).
- System for International Revenue and Volume Inbound (SIRVI).

We will automatically distribute the software release to Statistical Programs laptops connected to the Postal Routing Network. We will provide a CD for sites using a dial-up connection. Statistical Programs employees will be notified of the software release, software release notes, and the update CD via e-mail and as a news item on the Statistical Programs webpage on the Corporate Intranet.

Statistical Programs employees observe employee work activities and sample live mail at randomly selected points throughout the postal system. Local Operations and Customer Services employees can assist us with the price change by:

- Providing accurate information when data collectors conduct IOCS telephone readings of employee activities.
- Helping data collectors locate employees and mail in Post Offices and plants.
- Informing the district manager of Statistical Programs about changes in mail processing, delivery operations, and dispatch schedules.

Data from our systems is used to set prices, fulfill regulatory reporting requirements, measure workloads, detect fraud, prepare budgets, and make operational decisions. Cooperation of all employees is critical to ensure the integrity and accuracy of statistical sampling.

New Domestic and International Postage Statements

All postage statements are revised to implement the May 11, 2009, domestic and international price, fee, and classification changes. All statements are available at www.usps.com/forms in Adobe PDF (print-only) format. The new statements are dated May 2009. Mailers will continue using current statements for mailings submitted for acceptance and verification through May 10.

Effective Monday, May 11, mailers must use May 2009 editions of postage statements (or approved facsimiles). All previous versions are obsolete as of May 11, 2009, and must not be used. The entry office postmaster must approve all facsimile postage statements not approved under the Presort Accuracy Validation and Evaluation (PAVE™) or Manifest Analysis and Certification (MAC™) programs.

A future *Postal Bulletin* will announce ordering procedures when the new statements are available at the Material Distribution Center.

Postage statements can be printed locally and completed manually. Wherever possible, postmasters and managers of Business Mail Entry should encourage their customers and staff to use the website to obtain statements. Managers of Business Mail Entry, working with district and area implementation coordinators, must ensure that all Post Offices™ and detached mail units within their district's service areas have access to all statements (domestic and international) to satisfy the needs of local mailers. District offices must supply postage statements to Post Offices without Internet access.

Mailers with questions regarding the use and availability of postage statements should contact the Post Office where they enter their mailings. Employees with questions should contact their district's manager of Business Mail Entry.

Pricing, 4-9-09*

Price Change Counter Card

We are providing each Post Office™ and contract postal unit with price change counter cards to inform customers about the new prices. Quantities shipped were based on office size. The counter card is the only price change-specific material offices will receive.

Display the counter card beginning April 10, 2009, by placing it on the counter at your busiest retail windows. Remove all counter cards on May 31, 2009, as shown on the card.

This distribution is one-time only, and no additional counter cards are available for reordering or reshipment.

Exhibit A

[Please check appropriate block prior to mailing it to customers.]

Dear Stamps by Mail Customer:

The Postal Service™ has changed prices for mailing services effective Monday, May 11, 2009.

We received your Stamps by Mail® order after the price change. Rather than return your order, we have tried to fulfill it to the extent possible.

1. Your order was in transit prior to new price effective date and,
 - () You ordered Forever Stamps™ only. We have fulfilled your order at no extra charge.
 - () You ordered Forever Stamps and other stamps. We have fulfilled Forever Stamps at no extra charge and fulfilled the request for other stamps at the new prices to the value of the total payment.
 - () You ordered stamps other than Forever Stamps. We have fulfilled your order at the new prices to the value of the total payment.

2. Your order was mailed after May 11:

- () You ordered Forever Stamps only. Due to shortage of payment, we have not fulfilled your order.
- () You ordered Forever Stamps and/or other stamps. We have fulfilled your order at the new prices to the value of the total payment.

Thank you for the continued use of our Stamps by Mail program. We look forward to serving you in the future.

Sincerely,

Contract Postal Units Information

Contract Access Retail System (CARS) sites will receive an automated software update, “Release 10,” on May 1, effective 12:00 A.M. May 11, 2009. This release will include all price and product changes to support the May 11 price change.

Integrated retail terminal (IRT) sites will receive an update diskette, Version 81, which will be shipped to the IRT coordinators on May 1, 2009. District coordinators should distribute the update diskettes as soon as possible and ensure installation is complete for the price change implementation date.

Contract postal units with an electronic scale must prepare for the May 11 price change by contacting their vendor for update information prior to the effective date.

DID YOU KNOW?

The image shows a screenshot of the USPS website interface. At the top left is the "UNITED STATES POSTAL SERVICE" logo. To the right of the logo is a navigation bar with "CUSTOMER SERVICE | SIGN IN". Below the logo is a search bar and a menu with categories: "Business >", "Household >", "Buy Stamps & Shop >", "All Products & Services >", and "About USPS & News >". The main content area features a large, bold, white text overlay that reads "1.2 million people visit *usps.com* each day." Below this text, there are several service tiles: "Ship Online from Start to Finish" (with sub-tiles "Plan a Shipment", "Order Supplies", "Print Postage", and "Request a Pickup"), "Pay for Shipping Online", and "Mail Service Updates". The background of the screenshot is a light blue color.

1. For parcels that measure in combined length and girth:
- More than 84 inches but not more than 108 inches, and the piece weighs less than 20 pounds, use the 20-pound price (balloon price).
 - More than 108 inches but not more than 130 inches, use the oversized price, regardless of weight.

To compute Parcel Post prices, go to Postal Explorer at pe.usps.com and click on "Retail/Single Piece" under Price Calculators in the left frame. For zone charts, click on "Zone Charts."

For parcels over 35 pounds, use nonmachinable prices.

- Parcels that measure in combined length and girth:
 - More than 84 inches but not more than 108 inches, and the piece weighs less than 20 pounds, use 20-pound prices (balloon price).
 - More than 108 inches but not more than 130 inches, use oversized prices (regardless of weight).
- Regardless of weight, a parcel that meets any of the criteria in DMM 401.2.3.2 must pay the nonmachinable prices.
- Machinable parcels must be barcoded. Nonbarcoded machinable parcels are eligible only for retail Parcel Post prices.
- Prices include the \$0.82 nonmachinable surcharge. The nonmachinable surcharge does not apply to parcels mailed at oversized prices or parcels sent with special handling.
- Prices include the \$2.21 nonmachinable surcharge. The nonmachinable surcharge does not apply to parcels mailed at oversized prices or parcels sent with special handling.

To compute Parcel Post prices, go to Postal Explorer at pe.usps.com and click on "Retail/Single Piece" under Price Calculators in the left frame. For zone charts, click on "Zone Charts."

1. Must be part of a mailing of 50 or more pieces.
2. Parcels use the Retail Parcel Post prices on page 5 when the mailpiece:
 - meets any of the criteria in DMM 401.2.3.2 or is
 - oversized (more than 108 inches in combined length and girth, but not more than 130 inches), or
 - nonbarcoded
3. Parcels that measure in combined length and girth:
 - More than 84 inches but not more than 108 inches, and weigh less than 20 pounds, use the 20-pound price (balloon price).
If nonmachinable, use the Retail Parcel Post price on [page 5](#).

Flat-Rate Pricing—Quick Reference

Note: Flat-rate prices are available when material is sent in a USPS produced flat-rate envelope or box. When sealing a flat-rate box or flat-rate envelope, the container flaps must be able to close within the normal folds. Tape may be applied to the flaps and seams to reinforce the container; provided the design of the container is not enlarged by opening the sides and the container is not reconstructed in any way. Weight restrictions for Domestic are 70 lbs. Weight restrictions for International are 4 lbs for the flat-rate envelope and small flat-rate box; 20 lbs for the medium/regular and large flat-rate box.
