Field Information Kit: PACT Act

Cigarettes and Smokeless Tobacco as Nonmailable Matter

- WHAT:** Beginning on June 29, 2010, the U.S. Postal Service® cannot accept or transmit any package that it knows, or has reasonable cause to believe, contains nonmailable smokeless tobacco or cigarettes. Cigarettes and smokeless tobacco shipments are banned from the mail if they do not fit in one of the following exceptions:
- **Alaska/Hawaii:** Shipments entirely within Alaska or Hawaii.
 - **Business/Regulatory Purposes:** Shipments transmitted between verified and authorized tobacco industry businesses for business purposes, or between such businesses and federal or state agencies for regulatory purposes.
 - **Certain Individuals:** Infrequent, lightweight shipments mailed by age-verified adult individuals.
 - **Consumer Testing/Public Health:** Shipments of cigarettes sent by verified and authorized manufacturers to verified adult smokers age 21 and over for consumer testing purposes, and shipments sent by federal agencies to consumers for public health purposes.
- WHEN:** A final rule to implement these changes was published in the *Federal Register* on May 27, 2010. The final rule comes into effect on June 29, 2010.
- WHY:** These new rules result from the enactment of the Prevent All Cigarette Trafficking (PACT) Act, which was signed by the President on March 31, 2010. The Act provides that cigarettes and smokeless tobacco will become nonmailable matter effective June 29, 2010.
- DETAILS:** Key elements of the final rule include:
- Cigarettes and smokeless tobacco are **nonmailable**, unless an exception applies.
 - All excepted shipments of cigarettes and smokeless tobacco must be presented in **face-to-face transactions** with postal employees.
 - Carrier Pickup™ service and Pickup On Demand® service are **not permitted** for excepted shipments.
 - If you are creating a postage label using **Click-N-Ship®** service or **Shipping Assistant** service, take your package to a Post Office™ facility (excluding any contract retail unit).
 - All excepted shipments of cigarettes must bear a **unique marking** on the address side of the package. Each exception has its own marking.
 - With the exception of shipments entirely within Alaska and Hawaii, all excepted shipments of cigarettes and smokeless tobacco must be sent via **Express Mail® with Hold For Pickup** service (Hold For Pickup service is not required for shipments sent under the “certain individuals” exception to APO/FPO/DPO addresses where tobacco is not otherwise prohibited).
 - For shipments from the United States **to APO/FPO/DPO addresses**, check the *Postal Bulletin* for tobacco restrictions, which apply to certain ZIP™ Codes, and confirm with postal personnel that Express Mail service is available to the destination.
 - Other than shipments entirely within Alaska or Hawaii, **absolutely no sales transactions** of cigarettes or smokeless tobacco may be sent by mail.
 - Business/government customers sending shipments under the “business/regulatory” and “consumer testing/public health” exceptions must first apply for and receive an **eligibility letter** from the Pricing & Classification Service Center (PCSC)

prior to mailing. This letter **must be presented** each time an excepted mailing is presented to USPS® personnel at acceptance.

- Excepted shipments sent by business/government customers under the “business/regulatory” and “consumer testing/public health” exceptions must bear a **return receipt** (PS Form 3811) **returnable to the PCSC PACT Mailing Office**.
- Delivery of cigarettes mailed under the “consumer testing/public health” exception is restricted to the addressee, who must be **least 21 years of age**.
- Individuals sending shipments under the “certain individuals” exception must furnish **proof of age** at the time of mailing and must orally confirm that the addressee is of age to purchase tobacco at the place of destination. In the case of all mailings by individuals, the operative legal age to purchase tobacco **is age 18** in all states and U.S. territories and possessions, with the exception that the **minimum age is 19** in the states of Alaska, Alabama, New Jersey, and Utah, and in Nassau, Onondaga, and Suffolk counties in New York.
- Shipments sent under the “certain individuals” exception must be infrequent (no more than 10 shipments in any 30-day period) and weigh **10 ounces or less**; however, no special weight limits apply to shipments entirely within Alaska and Hawaii.
- Cigarettes and smokeless tobacco are **prohibited** in both inbound and outbound **international mail**.
- These rules do not apply to **cigars**, which continue to be mailable matter.

What you need to know: Familiarize yourself with the contents of this communications package on the PACT Act. Several service talks have been developed specifically for delivery operations and retail associates.

Delivery Service Talk: Alaska and Hawaii

Prevent All Cigarette Trafficking (PACT) Act

Effective June 29, 2010, cigarettes, including roll-your-own tobacco and smokeless tobacco, become nonmailable unless the shipments fall within certain exceptions.

There are numerous provisions for a mailer to qualify for the exceptions in order to send cigarettes and smokeless tobacco. Here are the pertinent facts regarding the PACT Act for shipments in Alaska and Hawaii:

As of June 29, 2010, cigarettes and smokeless tobacco that may be mailed under the exception provisions of the PACT Act must:

- Be plainly marked as “PERMITTED TOBACCO MAILING.....”, unless the shipment is wholly within the states of Alaska or Hawaii. In that case, the mandatory marking on the address side is “INTRASTATE SHIPMENT OF CIGARETTES OR SMOKELESS TOBACCO.”
- Be mailed via Express Mail service and use Hold For Pickup service (except for APO/FPO/DPO addresses), unless shipments originate and destinate within Alaska or Hawaii. Intrastate shipments can be mailed via any eligible service and do not require Hold For Pickup service.
- Be mailed only at a retail counter or business mail entry unit (BMEU) in a face-to-face transaction with a postal employee.
- Not be part of a Carrier Pickup service or other acceptance by a letter carrier.

What this means to letter carriers:

- Carriers should never see this mail at acceptance, as carriers do not pick up or collect mail bearing a marking indicating it contains cigarettes or smokeless tobacco.
- With the exception of intrastate shipments bearing the marking “**INTRASTATE SHIPMENT OF CIGARETTES OR SMOKELESS TOBACCO**”, carriers do not deliver shipments containing cigarettes (including roll-your-own tobacco) or smokeless tobacco.

Note: These rules do not apply to cigars, which continue to be mailable matter.

Delivery Service Talk: All U.S. Destinations Except Alaska and Hawaii

Prevent All Cigarette Trafficking (PACT) Act

Effective June 29, 2010, cigarettes, including roll-your-own tobacco and smokeless tobacco, become nonmailable unless the shipments fall within certain exceptions.

There are numerous provisions for a mailer to qualify for the exceptions in order to send cigarettes and smokeless tobacco. Here are the pertinent facts regarding the PACT Act in all U.S. destinations, other than Alaska and Hawaii.

As of June 29, 2010, cigarettes and smokeless tobacco that may be mailed under the exception provisions of the PACT Act must:

- Be plainly marked as “PERMITTED TOBACCO MAILING.....”
- Be mailed via Express Mail service and (except for APO/FPO/DPO addresses) must use Hold For Pickup service.
- Be mailed only at a retail counter or BMEU in a face-to-face transaction with a postal employee.
- Not be part of Carrier Pickup service or other acceptance by a letter carrier.

What this means to letter carriers (outside of Alaska and Hawaii) is that they should never see this mail. They don't pick it up or collect it, they don't deliver it.

Note: These rules do not apply to cigars, which continue to be mailable matter.

Retail Service Talk

Prevent All Cigarette Trafficking (PACT) Act

Beginning on June 29, 2010, the Postal Service cannot accept or transmit any package that it knows, or has reasonable cause to believe, contains nonmailable smokeless tobacco or cigarettes. Cigarettes and smokeless tobacco shipments are banned from the mail if they do not fit in one of the following exceptions:

- **Alaska/Hawaii:** Shipments entirely within Alaska or Hawaii.
- **Business/Regulatory Purposes:** Shipments transmitted between verified and authorized tobacco industry businesses for business purposes, or between such businesses and federal or state agencies for regulatory purposes.

- **Consumer Testing/Public Health:** Shipments of cigarettes sent by verified and authorized manufacturers to verified adult smokers age 21 and over for consumer testing purposes, and shipments sent by federal agencies to consumers for public health purposes.

So how does the PACT Act affect postal employees?

Postal employees are to ensure mailers comply with the PACT Act.

With the exception of shipments entirely within Alaska and Hawaii, mailers whose shipments fall within the exceptions must send their packages to domestic addresses as “Hold For Pickup” and to APO/FPO/DPO addresses as “Express Mail.” All packages shipped must meet the requirements listed in the “PACT Act Acceptance and Delivery Procedures.”

The following items appear below and are available at http://blue.usps.gov/retail/L2Policies_SOPindex.htm.

- “PACT Act Acceptance and Delivery Procedures” for each of the exceptions indicated above.
- “PACT Act FAQs” for all employees who accept or deliver packages through retail.

- Standard Operating Procedures.

Acceptance Procedures

Intra-Alaska/Intra-Hawaii Exception — Personnel in Alaska and Hawaii only

1. Mailings must be presented to a postal employee in a face-to-face transaction; Carrier Pickup service and Pickup on Demand service are not available.
2. Check for marking on address side: “INTRASTATE SHIPMENT OF CIGARETTES OR SMOKELESS TOBACCO.”
3. Check for complete, valid return address in the same state as acceptance site.
4. Verify that delivery address is in the same state as acceptance site.

Note: Not all mailings tendered in Alaska or Hawaii fall under this exception. If a mailpiece tendered in Alaska or Hawaii will not be delivered in the same state as the acceptance site, check for one of the other exceptions below.

Business/Regulatory Purposes Exception

1. Mailings must be presented to a postal employee in a face-to-face transaction; Carrier Pickup service and Pickup on Demand service are not available.
2. Check for marking on address side: “PERMITTED TOBACCO MAILING — DELIVER ONLY TO ADDRESSED BUSINESS/AGENCY — RECIPIENT MUST FURNISH PROOF OF AGE AND EMPLOYMENT.”
3. Verify that the mailpiece includes the name and full mailing addresses for both the sender and recipient.
4. Verify that both the sender and recipient identified on the package are government agencies and/or businesses.

5. Ask the mailer to present proof of authorization by USPS’s Pricing and Classification Service Center (PCSC) to mail tobacco products for business or regulatory purposes at that location.
6. Advise the mailer that Express Mail Label 11-HFPU, *Express Mail with Hold For Pickup Service*, and PS Form 3811, *Return Receipt*, must be used for this shipment.
7. Advise the mailer that the return receipt must bear the mailer’s eligibility number issued by the PCSC in the return address block, include the addressee’s full name and address, and be made mailable to the address illustrated below:

PCSC PACT Mailing Office
USPS Eligibility No. XX-00-0000
90 Church Street, Suite 3100
New York, NY 10007-2951
8. If you are aware that 3 years or more have gone by since a package with this marking was last mailed on behalf of this business entity, check with the PCSC as to whether authorization is still current before accepting the package.

Certain Individuals Exception (only through a face-to-face retail transaction with the customer; Carrier Pickup service is not permitted)

1. Mailings must be presented to a postal employee in a face-to-face transaction; Carrier Pickup service and Pickup on Demand service are not available.
2. Check for the following marking on the address side: “PERMITTED TOBACCO MAILING — DELIVER ONLY TO AGE-VERIFIED ADULT OF LEGAL AGE.”
3. Ask the mailer to present government-issued photo identification that lists age or date of birth, such as a driver’s license or passport.
4. Check that the name on the identification matches the name on the return address of the mailpiece.
5. Verify that the mailer is of the legal age to purchase tobacco in your location. The legal age to purchase tobacco is age 18 in all states and U.S. territories and possessions, with the exception that the minimum age is 19 in the states of Alaska, Alabama, New Jersey, and Utah, and in Nassau, Onondaga, and Suffolk counties in New York.
6. If the addressee is an individual, ask the mailer to orally confirm that the addressee is an adult of at least the minimum age for the legal sale or purchase of tobacco products at the place of delivery.
7. Verify that the package weighs no more than 10 ounces.

8. If you are aware that the mailer has mailed 10 or more such packages in the last 30 days, advise the mailer that the package cannot be mailed at this time.
9. Advise the mailer that Express Mail service with Hold For Pickup service (Express Mail Label 11-HFPU) is required for this shipment (except for APO/FPO/DPO addresses).
10. For APO/FPO/DPO addresses: Express Mail service is required for shipments from the United States to APO/FPO/DPO addresses, but the mailer is not required to use Hold For Pickup service.

Note: Express Mail service is not available to some overseas military destinations, and some destinations do not allow cigarettes in military mail, so first check for tobacco restrictions for the relevant APO/FPO/DPO ZIP Code in the current issue of the *Postal Bulletin*.

Consumer Testing/Public Health Exceptions

1. Mailings must be presented to a postal employee in a face-to-face transaction; Carrier Pickup service and Pickup on Demand service are not available.
2. Check for marking on address side: "PERMITTED TOBACCO MAILING — DELIVER ONLY TO ADDRESSEE UPON AGE VERIFICATION — AGE 21 OR ABOVE."
3. Verify that the mailpiece includes the name and full mailing addresses for both the sender and addressee on the Express Mail label.
4. Verify that the sender identified on the package is a government agency or business and that the addressee is an individual.
5. Ask the mailer to present proof of authorization by the PCSC to mail cigarettes for consumer testing or public health at that location.
6. Advise the mailer that only Express Mail Label 11-HFPU and PS Form 3811 are available for this shipment.
7. Advise the mailer that the return receipt must bear the mailer's eligibility number issued by the PCSC in the return address block, include the addressee's full name and address, and be made mailable to the address illustrated below:
PCSC PACT Mailing Office
USPS Eligibility No. XX-00-0000
90 Church Street, Suite 3100
New York, NY 10007-2951
8. If you are aware that the mailer has mailed one or more such packages to the same addressee in the last 30 days, advise the mailer that the package cannot be mailed at this time.

9. If you are aware that 3 years or more have gone by since a package with this marking was last mailed on behalf of this business entity, check with the PCSC as to whether authorization is still current before accepting the package.

No Exceptions Apply

If the mailing does not qualify for one of the exceptions above, inform the mailer that it cannot be mailed under U.S. law.

In addition, do not accept the item if either of the following is true:

- The package has a foreign mailing address (other than shipments from the United States to an APO/FPO/DPO address).
- The package has a return or mailing address with a ZIP Code of the freely associated states (i.e., 96939–96944, 96960, or 96970), or is being mailed in one of those ZIP Codes.

Delivery Procedures

Intra-Alaska/Intra-Hawaii Exception — Personnel in Alaska and Hawaii Only

1. Check for marking on address side: "INTRASTATE SHIPMENT OF CIGARETTES OR SMOKELESS TOBACCO."
2. Verify that the delivery address is in the same state as the acceptance site.
3. No forwarding is permitted to addresses outside the states of Alaska or Hawaii.

Note: *Not all mailings delivered in Alaska or Hawaii fall under this exception. If a mailpiece for delivery in Alaska or Hawaii bears a marking for one of the other exceptions below, follow the appropriate tasks for that marking.*

Business/Regulatory Purposes Exception

1. Check for marking on address side: "PERMITTED TOBACCO MAILING — DELIVER ONLY TO ADDRESSED BUSINESS/AGENCY — RECIPIENT MUST FURNISH PROOF OF AGE AND EMPLOYMENT."
2. Make sure that the return address to the PCSC on the return receipt includes the mailer's eligibility number in the return address block, as shown in the illustration below.

PCSC PACT Mailing Office
USPS Eligibility No. XX-00-0000
90 Church Street, Suite 3100
New York, NY 10007-2951

If the eligibility number is missing on the return receipt, return the package to sender.

3. Ask the recipient to present (a) proof of employment with the named addressee and (b) government-issued photo identification that lists age or date of birth, such as a driver's license or passport.
4. Verify that the recipient is of the legal age to purchase cigarettes or smokeless tobacco in your location. The legal age to purchase tobacco is age 18 in all states and U.S. territories and possessions, with the exception that the minimum age is 19 in the states of Alaska, Alabama, New Jersey, and Utah, and in Nassau, Onondaga, and Suffolk counties in New York.
5. Verify that the recipient is an employee of the named addressee.
6. Advise the recipient to sign the Express Mail label and return receipt.
5. Verify that the recipient is at least 21 years of age.
6. Advise the recipient to sign the Express Mail label and return receipt.

No Exceptions Apply

If there are cigarettes or smokeless tobacco in plain sight in or on a mailpiece, do not deliver the item and treat it as undeliverable mail.

Frequently Asked Questions

For Internal Personnel

Q. Why are cigarettes and smokeless tobacco nonmailable matter?

A. This results from legislation enacted on March 31, 2010, known as the "Prevent All Cigarette Trafficking Act," or "PACT Act" for short. The Postal Service is obligated to implement the provisions of this law.

Q. When does the law become effective?

A. Cigarettes and smokeless tobacco become nonmailable matter effective June 29, 2010.

Q. What products are now being made nonmailable?

A. Cigarettes, including roll-your-own tobacco, and smokeless tobacco are nonmailable matter, unless the shipments fall within certain exceptions.

Q. Are cigars mailable?

A. Yes, cigars are mailable matter.

Q. We are in Alaska and have customers that send groceries, including cigarette cartons, through the mail. What should we tell them?

A. These customers should be advised that such a shipment is mailable as long as it originates and destines in Alaska, is properly marked as "INTRASTATE SHIPMENT OF CIGARETTES OR SMOKELESS TOBACCO," bears an Alaskan return address, and is tendered in a face-to-face transaction with a postal employee in Alaska.

Q. What delivery procedures apply in Alaska and Hawaii to shipments that bear the following marking:

"INTRASTATE SHIPMENT OF CIGARETTES OR SMOKELESS TOBACCO"?

A. Shipments with this marking should be delivered as usual, as long as they originate, destinate, and bear return addresses in the same state.

Q. Our facility accepts mail from a tobacco manufacturer that conducts consumer testing samples of cigarettes. What must we do to verify these shipments?

Certain Individuals Exception

1. Check for the following marking on the address side: "PERMITTED TOBACCO MAILING — DELIVER ONLY TO AGE-VERIFIED ADULT OF LEGAL AGE."
2. Ask the recipient to present government-issued photo identification that lists age or date of birth, such as a driver's license or passport.
3. Verify that the recipient is of legal age to purchase cigarettes or smokeless tobacco in your location. The legal age to purchase tobacco is age 18 in all states and U.S. territories and possessions, with the exception that the minimum age is 19 in the states of Alaska, Alabama, New Jersey, and Utah, and in Nassau, Onondaga, and Suffolk counties in New York.
4. Advise the recipient to sign the Express Mail label.

Consumer Testing/Public Health Exceptions

1. Check for marking on address side: "PERMITTED TOBACCO MAILING — DELIVER ONLY TO ADDRESSEE UPON AGE VERIFICATION — AGE 21 OR ABOVE."
2. Make sure that the return address to the PCSC on the return receipt includes the mailer's eligibility number in the return address block, as shown in the illustration below:
PCSC PACT Mailing Office
USPS Eligibility No. XX-00-0000
90 Church Street, Suite 3100
New York, NY 10007-2951
If the eligibility number is missing on the return receipt, return the package to sender.
3. Ask the recipient to present government-issued photo identification that lists age or date of birth, such as a driver's license or passport.
4. Check that the name on the identification matches the name on the mailing address of the mailpiece.

- A. At the time of mailing, the mailer must present a letter from the New York Pricing & Classification Service Center (PCSC) that shows that the mailer is eligible to enter the mailing under the consumer testing exception. Check the letter to make sure that the PCSC letter lists the mailing location as an eligible entry point for cigarette samples for consumer testing. The mailer must use Express Mail Label 11-HFPU for “Hold For Pickup” service and mark each shipment with the following marking: “PERMITTED TOBACCO MAILING — DELIVER ONLY TO ADDRESSEE UPON AGE VERIFICATION — AGE 21 OR ABOVE.” The mailer must also request return receipt service returnable to the PCSC PACT mailing office. Shipments containing more than 12 packs of cigarettes are not mailable under this exception.
- Q. *Can smokeless tobacco be distributed by manufacturers to consumers by U.S. mail as part of a consumer testing program?*
- A. No. Consumer testing mailings sent by mail are restricted to cigarettes.
- Q. *I don't understand why business mailers sending consumer samples or shipments between businesses have to request return receipts returnable to the PCSC rather than the sender.*
- A. By law, the Postal Service must maintain records, to include sender and recipient identity, for 3 years for each shipment sent under the “business/regulatory purposes” or “consumer testing/public health” exceptions. Currently, records of Express Mail shipments with this information are not maintained as required by the PACT Act. Consequently, the use of return receipts returnable to the PCSC provides a centralized way for the Postal Service to maintain records of each shipment.
- Q. *We are aware of retailers that are sending cigarettes sold to consumers by U.S. mail. Is this legal?*
- A. No. Sales transactions of cigarettes sold to consumers by mail are banned and no exceptions apply, except for sales transactions entirely within Alaska or Hawaii.
- Q. *May customers send cigarettes in international mail?*
- A. No. The exceptions for mailing of cigarettes and smokeless tobacco apply only to domestic mail (excluding mail treated as domestic addressed to the freely associated states with ZIP Codes 96939–96944, 96960, and 96970). The exceptions also apply to mail sent from the United States to APO/FPO/DPO addresses, but not to mail sent from such installations. No cigarettes or smokeless tobacco may be mailed internationally.
- Q. *How do I know what the minimum age a customer must be to mail or receive cigarettes in the Post Office where I work?*
- A. Individuals sending shipments under the “certain individuals” exception must furnish proof of age at the time of mailing and must orally confirm that the addressee is of age to purchase tobacco at the place of destination. In the case of all mailings by individuals, the operative legal age to purchase tobacco is age 18 in all states and U.S. territories and possessions, with the exception that the minimum age is 19 in the states of Alaska, Alabama, New Jersey, and Utah, and in Nassau, Onondaga, and Suffolk counties in New York. Regardless of a lower state minimum age, delivery of cigarettes mailed under the “consumer testing/public health” exception is restricted to the addressee, who must be least 21 years of age.
- Q. *May individual customers in the United States send cigarettes and smokeless tobacco as gifts in overseas military mail?*
- A. That depends. Some overseas host countries do not allow cigarettes and tobacco items in military mail, and such gifts may be prohibited, so first check the *Postal Bulletin* for cigarette/tobacco restrictions based on the ZIP Code of the APO/FPO/DPO installation. If cigarettes and tobacco items are permitted, customers must use Express Mail Military Service (EMMS) for shipping these items to APO/FPO/DPO addresses. Customers should also be aware that Express Mail Military Service is not available to all APO/FPO/DPO ZIP Codes. Hold For Pickup service is not required; however, the package must weigh 10 ounces or less and bear the complete name and address of the sender and addressee, along with the marking “PERMITTED TOBACCO MAILING — DELIVER ONLY TO AGE-VERIFIED ADULT OF LEGAL AGE.” The sender must show photo identification establishing that he or she is at least 18 years old or the minimum age for purchase of tobacco where the package is entered, whichever is higher. Furthermore, at the time of the transaction, the sender must orally affirm that the addressee is at least 18 years old or the minimum age for purchase of tobacco where the package is being delivered, whichever is higher. No more than 10 such mailings may be sent by a single individual in a 30-day period.
- Q. *An individual adult customer in the contiguous 48 states wants to mail smokeless tobacco to a friend or relative. Is this allowed?*

- A. Generally, yes, if the shipment is being sent as a gift and not as a sales transaction. The sender must show photo identification establishing that he or she is at least 18 years old or the minimum age for purchase of tobacco where the package is entered, whichever is higher. Furthermore, at the time of the transaction, the sender must orally affirm that the addressee is at least 18 years old or the minimum age for purchase of tobacco where the package is being delivered, whichever is higher. The Express Mail package must weigh 10 ounces or less, bear the complete name and address of the sender and addressee, and include the marking "PERMITTED TOBACCO MAILING — DELIVER ONLY TO AGE-VERIFIED ADULT OF LEGAL AGE." No more than 10 such mailings may be sent by a single individual in a 30-day period.
- Q. *An individual adult customer wants to mail smokeless tobacco to the manufacturer as part of a product recall. Is this allowed?*
- A. Yes, as long as the shipment is sent via Express Mail service with Hold For Pickup service; however, the package must weigh 10 ounces or less and bear the complete name and address of the sender and addressee. Furthermore, the sender must show photo identification establishing that he or she is at least 18 years old or the minimum age for purchase of tobacco where the package is being sent, whichever is higher.
- Q. *How old must an individual be to receive a mailing bearing a marking indicating it contains cigarettes or smokeless tobacco?*
- A. That depends. For shipments bearing the markings:
 "PERMITTED TOBACCO MAILING — DELIVER ONLY TO ADDRESSED BUSINESS/AGENCY — RECIPIENT MUST FURNISH PROOF OF AGE AND EMPLOYMENT"
 and
 "PERMITTED TOBACCO MAILING — DELIVER ONLY TO AGE-VERIFIED ADULT OF LEGAL AGE,"
 the minimum age is the *higher* of 18 years old or the state or local minimum age for purchase of cigarettes or smokeless tobacco. But for shipments bearing the special marking:
 "PERMITTED TOBACCO MAILING — DELIVER ONLY TO ADDRESSEE UPON AGE VERIFICATION — AGE 21 OR ABOVE,"
 the minimum age is *always* 21.
- Q. *Our office is holding for pickup an Express Mail package bearing the marking "PERMITTED TOBACCO MAILING — DELIVER ONLY TO ADDRESSED BUSINESS/AGENCY — RECIPIENT MUST FURNISH*
- PROOF OF AGE AND EMPLOYMENT." What should we do?*
- A. When the addressee appears at the retail unit to retrieve the package, the recipient must prove that he or she is an employee of the business addressee. The recipient must also show photo identification establishing that he or she is at least 18 years old or the state or local minimum age for purchase of cigarettes or smokeless tobacco, whichever is higher.
- Q. *May customers use Carrier Pickup service for cigarette and smokeless tobacco shipments under the available exceptions?*
- A. No. All shipments of cigarettes and smokeless tobacco must be tendered in face-to-face transactions with postal employees (excluding Carrier Pickup service or Pickup on Demand service).
- Q. *May a business in the tobacco industry in the lower 48 states send cigarettes to another business in the tobacco industry by mail?*
- A. Generally, yes, but such businesses must apply for eligibility first. At the time of the mailing, the business must present a letter from the New York PCSC that shows that the mailer is eligible to enter the mailing under the "business/regulatory purposes" exception. Check the letter to make sure that the PCSC letter lists your location as an eligible entry point for restricted tobacco mailings. In addition, the mailer must use the Express Mail label for Hold For Pickup service and mark each shipment with the following marking: "PERMITTED TOBACCO MAILING — DELIVER ONLY TO ADDRESSED BUSINESS/AGENCY — RECIPIENT MUST FURNISH PROOF OF AGE AND EMPLOYMENT." The mailer must request return receipt service returnable to the PCSC PACT Mailing Office. There is no weight or frequency restriction on eligible shipments.
- Q. *Why is the minimum age for purposes of these rules always at least 18?*
- A. Under federal regulations promulgated by the U.S. Food & Drug Administration, effective June 22, 2010, cigarettes and smokeless tobacco may not be sold to anyone younger than 18 years of age. States and local governments can set a higher minimum age for their jurisdictions, however. Consequently, tobacco mailings may not be sent by or to persons who are not at least 18 years old, unless state or local law sets a higher minimum age.
- Q. *A business mailer has presented us with a letter from the PCSC authorizing mailings of cigarettes at our installation, and seeks to mail containers using Express Mail with Hold For Pickup service. Is this all they need to do?*

- A. No. The mailings must bear return receipts returnable to the New York PCSC. The mailings must also bear one of the following markings, depending on the identity of the addressee and the reason for mailing:

PERMITTED TOBACCO MAILING — DELIVER ONLY TO ADDRESSED BUSINESS/AGENCY — RECIPIENT MUST FURNISH PROOF OF AGE AND EMPLOYMENT

or

PERMITTED TOBACCO MAILING — DELIVER ONLY TO ADDRESSEE UPON AGE VERIFICATION — AGE 21 OR ABOVE.

If the customer does not pay the fee for return receipt or include the required markings, the mailings must be refused.

- Q. *One of our customers wants to schedule a free Carrier Pickup of a shipment containing cigarettes. What should we do?*
- A. Advise the customer to present the package at the Post Office, because Pickup on Demand service and free Carrier Pickup service are not available for shipments containing cigarettes or smokeless tobacco.
- Q. *How do I know if a business customer is listed on the Attorney General's List of Unregistered or Noncompliant Delivery Sellers?*
- A. The Department of Justice has until late September to issue this list and share it with the Postal Service. At this time, there is no list. Further instructions on how the list will be administered by the Postal Service will be forthcoming.

For Individual Customers

- Q. *Why are cigarettes and smokeless tobacco nonmailable matter?*
- A. This results from legislation enacted on March 31, 2010, known as the "Prevent All Cigarette Trafficking Act." The Postal Service is obligated to implement the provisions of this law.
- Q. *When does the law become effective?*
- A. Cigarettes and smokeless tobacco become nonmailable matter effective June 29, 2010.
- Q. *What products are now being made nonmailable?*
- A. Cigarettes, including roll-your-own tobacco, and smokeless tobacco are nonmailable matter, unless the shipments fall within certain exceptions.
- Q. *I sometimes buy cigarettes from an Internet website, which distributes them by U.S. mail. Are cigarettes*

sent to me by mail as part of a sales transaction allowed?

- A. No. As of June 29, 2010, cigarettes sold by vendors cannot be distributed by U.S. mail, except for intrastate shipments that originate and destinate entirely within Alaska or Hawaii.
- Q. *A mail order vendor in the lower 48 states advises that it will sell me cigarettes with tax stamps in my state and will send them to me by U.S. mail. Is this allowed?*
- A. No. As of June 29, 2010, cigarettes sold by vendors cannot be distributed by U.S. mail, except for intrastate shipments that originate and destinate within either Alaska or Hawaii.
- Q. *Can I continue to buy exotic foreign cigarettes sent to me by mail from a foreign mail order vendor?*
- A. No. As of June 29, 2010, cigarettes sold by foreign vendors cannot be distributed through U.S. mail.
- Q. *Are cigars mailable?*
- A. Yes, cigars are mailable matter.
- Q. *I live in Alaska and my grocery store in Fairbanks sends me cigarettes by U.S. mail. Is this allowed?*
- A. Yes, as long as the grocer mails them to your residence from a Post Office in Alaska. Cigarette and smokeless tobacco shipments in Alaska will continue as long as the grocer complies with certain mailing requirements.
- Q. *I live in the United States and would like to mail a gift of cigarettes to my relative serving overseas in the military. Is this allowed?*
- A. That depends. As long as all of the following apply, you should be able to send cigarettes to your relative via Express Mail service:
1. Your relative is of legal age to purchase cigarettes where he is stationed.
 2. Express Mail service is available to the APO/FPO/DPO address where he is stationed.
 3. The host country where he is stationed allows cigarettes in shipments to that destination (see the article "Overseas Military/Diplomatic Mail" in the current issue of the *Postal Bulletin*).
- Note that the package has to weigh 10 ounces or less and bear the marking "PERMITTED TOBACCO MAILING — DELIVER ONLY TO AGE-VERIFIED ADULT OF LEGAL AGE." You can only send up to 10 such mailings in a 30-day period.

Q. I plan to mail two cartons of cigarettes to a friend using Express Mail service with Hold For Pickup service with the appropriate marking. Is this allowed?

A. No. Based on our estimates, a carton can weigh somewhere between 9.92 and 10.4 ounces, and two cartons would be twice that amount, which would be clearly in excess of the 10-ounce limitation on individual shipments. Even a single carton containing 10 packs of cigarettes with a mailing container or additional contents or packaging would likely be too heavy, so it is likely that you will have to send less than a carton of cigarettes to keep below the 10-ounce limit.

Q. Does the 10-ounce weight limit apply to shipments of cigarettes and smokeless tobacco sent entirely within Alaska and Hawaii?

A. No.

Q. How do I know the minimum age I must be to mail or receive cigarettes by mail?

A. When mailing under the “certain individuals” exception, you must furnish proof of age at the time of mailing and orally confirm that the addressee is of age to purchase tobacco at the place of destination. In the case of all mailings by individuals, the minimum age to purchase tobacco is age 18 in all states and U.S. territories and possessions, with the exception that the minimum age is 19 in the states of Alaska, Alabama, New Jersey, and Utah, and in Nassau, Onondaga, and Suffolk counties in New York. Regardless of a lower state minimum age, delivery of cigarettes mailed under the “consumer testing/public health” exception is restricted to the addressee, who must be at least 21 years of age.

Q. I was at a Post Office yesterday and was asked to furnish a photo identification in order to retrieve an Express Mail package addressed to me containing cigarettes. Is this required?

A. Yes. One of the purposes of the PACT Act is to prevent minors from obtaining access to cigarettes and smokeless tobacco outside the context of a face-to-face transaction with a retailer. The Act requires that the Postal Service promulgate rules to ensure that only adults receive packages containing cigarettes or smokeless tobacco. The production of photo identification reduces the risk of access by minors to tobacco.

Q. I am planning to mail smokeless tobacco to a friend of mine as a gift. What is required?

A. You will need to mail the article in a face-to-face transaction with a postal employee at a Post Office. The package must weigh no more than 10 ounces. Furnish government-issued photo identification

when mailing. When mailing the item, advise the acceptance employee that the package contains cigarettes and confirm that the addressee is at least 18 years old or the minimum age required to purchase tobacco products in the state or locality where he or she is located, whichever is higher. Also, with the exception of overseas APO/FPO/DPO mailings sent from the United States, use an Express Mail with “Hold For Pickup” label (Label 11-HFPU). Be sure to include your full name and address, as well as the addressee’s full name and address, on the Express Mail label. The addressee will have to retrieve the package at a Post Office. Write the following marking on the address side of the piece: “PERMITTED TOBACCO MAILING — DELIVER ONLY TO AGE-VERIFIED ADULT OF LEGAL AGE.” You can send up to 10 such mailings in a 30-day period.

Q. Can I send cigarettes from my home in California to my cousin in Anchorage, Alaska, as a gift by simply marking the package “INTRASTATE SHIPMENT OF CIGARETTES OR SMOKELESS TOBACCO”?

A. No. That marking is only available for mailings from one location in Alaska to another location in Alaska.

Q. My 18-year-old daughter is a student in college in a state where the minimum age to buy tobacco is 19. I live in a state where the minimum age to purchase tobacco is 18. Can I send cigarettes to her by Express Mail with Hold For Pickup service from my home?

A. No. Even though your daughter is old enough to buy cigarettes in your home state, she must be at least 19 in order to receive Express Mail shipments of cigarettes because the shipment will be delivered in a place where the minimum age is 19. In other words, if your daughter is not old enough to buy cigarettes in the place where she is located, she cannot receive cigarettes by mail there either.

Q. How old must I be to receive free consumer testing samples of cigarettes by a tobacco manufacturer?

A. Any free samples that a manufacturer distributes by mail for consumer testing are subject to a national minimum age of 21.

Q. Can I mail cigarettes to my cousin who lives in France?

A. No. The exceptions for legal mailing of cigarettes and smokeless tobacco apply only to domestic mail. The exceptions include shipments from the U.S. to APO/FPO/DPO addresses. No exceptions apply, however, to mailings from the U.S. to foreign countries as international mail.

Q. I travel abroad and sometimes buy duty-free cigarettes. Rather than carrying them with me, I mail them

to my home address before my return trip to the United States. Is this permitted if I mail them at a foreign Post Office?

- A. No. Mailing of cigarettes and smokeless tobacco is prohibited for all international mail, inbound or outbound. The exceptions for legal mailing of cigarettes and smokeless tobacco apply only to U.S. domestic mail.
- Q. *Why is the minimum age for purposes of your rules always at least 18?*
- A. Under federal regulations promulgated by the U.S. Food & Drug Administration, effective June 22, 2010, cigarettes and smokeless tobacco may not be sold to anyone younger than 18 years of age. States and local governments can set a higher minimum age for their jurisdictions, however. Consequently, tobacco mailings may not be sent by or to persons who are not at least 18 years old, but state or local law may set a higher minimum age.
- Q. *Why do I have to use Express Mail service to send permitted shipments of cigarettes or smokeless tobacco?*
- A. Federal law requires that all shipments of cigarettes and smokeless tobacco (except for intrastate shipments in Alaska or Hawaii) must be sent with a service that provides tracking and confirmation of delivery. The postal product that satisfies this requirement is Express Mail service.
- Q. *Why is Hold For Pickup service required? It's inconvenient for the addressee to have to go to the Post Office to retrieve a package containing mailable cigarettes or smokeless tobacco.*
- A. The Postal Service requires Express Mail with Hold for Pickup service on all shipments (except those entirely within Alaska or Hawaii) because this enables the Postal Service to focus its resources on implementing the PACT Act's unique delivery requirements in retail installations, and thereby reduce the risk that tobacco shipments may reach the hands of minors.
- Q. *I want to send a package containing cigarettes by mail. Can I give it to my carrier for free Carrier Pickup service?*
- A. No. Carrier Pickup service and Pickup on Demand service are not available for mailed shipments of cigarettes or smokeless tobacco. Visit your local Post Office to ship any package containing cigarettes or smokeless tobacco.
- Q. *Who can we contact for general questions about tobacco mailings?*

- A. Your local Post Office and the USPS call center at 800-ASK-USPS are available to answer questions from consumers about mailability.

For Business Customers

- Q. *We are a retailer that sells cigarettes by mail to consumers. Can we mail cigarettes after June 29, 2010?*
- A. No. As of June 29, 2010, cigarettes sold by vendors cannot be distributed to consumers by U.S. mail, except for intrastate shipments that originate and destinate entirely within Alaska or Hawaii.
- Q. *We are a tobacco manufacturer that conducts consumer testing samples of cigarettes. What must we do to mail these shipments to individual product testers?*
- A. First, your company must send an application letter to the New York Pricing & Classification Service Center (PCSC) requesting a "consumer testing/public health" exception. As part of your application, your company must certify that it will adhere to several requirements. Once approved, your company can mail at any locations listed on your approved application. The PCSC will send your company a letter establishing eligibility. The letter will list your company's eligibility number and the locations where mailings may be entered. Your company must also maintain certain records as stated in your eligibility letter. At the time of each mailing, your company must present a copy of the letter with the mailing in a face-to-face transaction with a postal employee; Carrier Pickup service and Pickup on Demand service are not permitted. Each shipment must use Express Mail Label 11-HFPU for "Hold For Pickup" and bear the following marking: "PERMITTED TOBACCO MAILING — DELIVER ONLY TO ADDRESSEE UPON AGE VERIFICATION — AGE 21 OR ABOVE." Each mailing must request return receipt service returnable to the PCSC PACT Mailing Office. The eligibility number issued by the PCSC must also be printed in the return address block of the return receipt. Shipments are restricted to no more than 12 packs of cigarettes per container.
- Q. *Must consumer testing samples mailed in the lower 48 states to testers in Alaska or Hawaii, or vice versa, comply with any requirements?*
- A. Yes, all of the same requirements apply to consumer testing samples sent to Alaska or Hawaii from any other state and vice versa.
- Q. *We are a tobacco industry company with all applicable licenses. We mail cigarettes and smokeless tobacco to other businesses and to regulatory agencies. What must we do to mail cigarettes to oth-*

er businesses in the industry and to government agencies?

- A. First, your company must send an application letter with certain documentation to the PCSC. The PCSC will send your company a letter establishing eligibility. The approval letter will list your company's eligibility number and the locations where mailings may be entered. At the time of each mailing, your company must present the letter with the mailing in a face-to-face transaction with a postal employee. Once approved, your company can mail at any locations listed on your approved application, and only to other businesses or government agencies whose names and addresses appear in your application. Each shipment must use Express Mail Label 11-HFPU and bear the following marking: "PERMITTED TOBACCO MAILING — DELIVER ONLY TO ADDRESSED BUSINESS/AGENCY — RECIPIENT MUST FURNISH PROOF OF AGE AND EMPLOYMENT." Each mailing must request return receipt service returnable to the PCSC PACT Mailing Office. The eligibility number issued by the PCSC must also be printed in the return address block of the return receipt.

Q. Why does my business have to include a return receipt returnable to the PCSC?

- A. By law, the Postal Service must maintain records for 3 years for each shipment sent under the "business purposes" or "consumer testing" exceptions. Currently, records of Express Mail shipments with the necessary information about a mailing are not maintained as required by the PACT Act. Consequently, the use of return receipts returnable to the PCSC provides a centralized way for the Postal Service to maintain records of each shipment.

Q. What is the address of the PCSC that we must use on our return receipts for mailings entered under the business/regulatory and consumer testing exceptions?

- A. The address to use on return receipts is:

PCSC Pact Mailing Office
USPS Eligibility No. XX-00-0000
90 Church Street, Suite 3100
New York, NY 10007-2951

The return receipt must bear your eligibility number as well as the full name and address of the addressee.

Q. Who can we contact if we have questions about our application that cannot be answered by local postal personnel?

- A. For questions about applications and eligibility letters for business customers, contact the PCSC by telephone at 212-330-5300 or by fax at 212-330-5320, with attention to the PACT Mailing Office.

Q. What will the Postal Service do with the return receipts?

- A. According to federal law, these records must be made available to law enforcement agencies for a 3-year period.

Q. Is there a quantity or frequency limitation under the "business/regulatory purposes" exception?

- A. No.

Q. Is there a frequency limitation under the "consumer testing" exception for cigarettes sent by manufacturers to individuals for testing purposes?

- A. Yes. A manufacturer may send no more than one package (which may contain no more than 12 packs of cigarettes, that is, 240 cigarettes) to any one adult smoker during any 30-day period.

Standard Operating Procedures

Retail Acceptance of Express Mail Hold For Pickup

1. Greet customer.
2. Place item on scale.
3. Verify that the customer desires domestic Express Mail Hold For Pickup service. Select Express Mail service and encourage the customer to use authorized USPS Express Mail packaging.

Note: If the customer is shipping a package containing cigarettes (including roll-your-own tobacco) and/or smokeless tobacco in compliance with the PACT Act, follow instructions provided in the “Acceptance and Delivery Procedures” (based on the exception) located on the Retail Operations webpage.

Note: You will now be prompted to scan the Express Mail label immediately after selecting the mail class.

4. If the POS, IRT, or Express Mail Manual indicates Express Mail Hold For Pickup service is available, inform the customer of the availability.
 5. If customer chooses Express Mail Hold For Pickup service, continue with the current Express Mail workflow.
- Note:** POS ONLY — if there are multiple sites with the same 5-digit ZIP Code, a screen will be displayed with the possible sites for you to choose from, and this list can also be printed for the customer.
6. Complete the ORIGIN POSTAL USE ONLY section of Express Mail Label 11-HFPU writing the Month/Day/Year in the Pickup Availability Date section, and check either the 10 A.M., 12:00 P.M., or 3 P.M. box as indicated by the POS, IRT, or Express Mail Manual.

Note: Express Mail Hold For Pickup service is guaranteed by either 10:00 A.M., 12:00 P.M., or 3:00 P.M., depending upon destination Post Office.

7. Write the full rate of postage in the “Postage” and “Total Postage and Fees” block.
8. Ensure that the “CUSTOMER USE ONLY” section of Express Mail Label 11-HFPU is complete with the following information:
 - Sender name and complete address in the “FROM (Required)” section.
 - Contact phone number, name, address of recipient (for ID purposes only) in the “HOLD FOR: (Contact Required)” section.
 - Post Office name, street address, and ZIP+4 in the “PICKUP LOCATION (REQUIRED)” section.

Note: The contact number will be used to automatically contact that number (by an automated system)

once the Express Mail piece has been scanned “Arrival at Pickup Point” at the destination Post Office. Inform the customer that if he/she fails to list a contact number, it will be the customer’s responsibility to communicate when the package can be picked up.

9. Suggest to the customer any additional services for the mailpiece as appropriate.
10. Ask the customer if any other additional products are needed (i.e., stamps, packaging supplies, etc.).
11. Affix the postage to the article.
12. Collect the funds for the transaction, and thank the customer.
13. Dispatch all Express Mail items according to local policy. No special separation of Express Mail Hold For Pickup service is required.

Automated Postal Center Procedures for Express Hold For Pickup Service

The Automated Postal Center® (APC®) will permit the customer to print postage for Express Mail Hold For Pickup service and to lookup which Post Offices offer Express Mail Hold For Pickup service. The customer will be required to use and complete an Express Mail Label 11-HFPU and attach it to the package.

As these items are scanned to start the clock on the POS, IRT, or manual terminal, select the Hold For Pickup choice during the acceptance transaction and enter the contact number.

Mail Processed From Carrier Pickup or Collection Boxes

For Express Mail items using Express Mail Label 11-HFPU, process labels as normal. If the POS or IRT terminal or Express Mail service supplies Hold For Pickup availability, determine if sufficient postage was attached for Hold For Pickup service. If sufficient postage was attached, process as above for Express Mail Hold For Pickup service. Employees must ensure to scan the mailpiece as accepted and enter the contact phone number.

Express Mail Corporate Accounts.

When a customer mails an Express Mail item and uses an Express Mail Corporate Account for payment, and Express Mail Hold For Pickup is available, ensure that Express Mail Label 11-HFPU is complete and process the mailpiece. Employees must ensure to scan the mailpiece as accepted and enter the contact phone number.

DMM Revision: Treatment of Cigarettes and Smokeless Tobacco as Nonmailable Matter

Effective July 6, 2010, The Postal Service™ will revise *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) 503.6.3.1, 601.11, and 608.8.4.1 to describe new standards pertaining to the mailing of tobacco, cigarettes, and smokeless tobacco. These revisions implement specific provisions of the Prevent All Cigarette Trafficking (PACT) Act, Pub. L. No. 111-154, which restricts the mailability of cigarettes and smokeless tobacco sent through the U.S. Postal Service®.

Beginning on June 29, 2010, the Postal Service will no longer accept or transport any package that it knows, or reasonably believes, to contain nonmailable smokeless tobacco or cigarettes, unless covered by one of the defined exceptions. Cigarettes and smokeless tobacco shipments are banned from the mail if they do not qualify under one of the following exceptions:

- **Mailing Within Noncontiguous States** — Shipments entirely within Alaska or Hawaii. The shipments must bear a complete valid return address within the state of origin, and must originate and destinate within the same state.
- **Business/Regulatory Purposes** — Shipments transmitted between verified and authorized tobacco industry businesses for business purposes, or between such businesses and federal or state agencies for regulatory purposes. This exception is limited to federal and state government agencies and legally operating businesses that have all applicable state and federal government licenses or permits and are engaged in tobacco product manufacturing, distribution, wholesale, export, import, testing, investigation, or research. An application to mail is required and must be approved by USPS®.
- **Certain Individuals** — Infrequent, lightweight shipments mailed by age-verified adult individuals. Mailers must provide proof of legal age, and each shipment must bear the sender's and recipient's full name and address. Shipments may not weigh more

than 10 ounces and are limited to 10 mailings in any 30-day period.

- **Consumer Testing** — Shipments of cigarettes sent by verified and authorized manufacturers to verified adult smokers age 21 and over for consumer testing purposes only. An application to mail is required and must be approved by USPS.
- **Public Health Exception** — Federal government agencies involved in the consumer testing of tobacco products solely for public health purposes may mail cigarettes under the mailing standards of Consumer Testing, with certain exceptions.

Each shipment under any exception above must be presented in a face-to-face transaction with a postal employee and must bear its own unique exception package markings. Except for mailing within the noncontiguous states and shipments to APO/FPO/DPO addresses, customers presenting mailings under the "certain individuals" exception must use Express Mail® service with "Hold For Pickup" service. For shipments from the United States to APO/FPO/DPO addresses, customers must also use Express Mail service, but should be aware that tobacco may be prohibited in packages to certain APO/FPO/DPO ZIP™ Codes, and that Express Mail service may not be available to all such destinations. During delivery of Express Mail with Hold For Pickup service, the addressee or designated agent will be required to furnish proof of age. The applicable age depends on the minimum age to purchase tobacco in the state or locality where the shipment is tendered or delivered. Carrier Pickup™ service and Pickup on Demand service are not permitted for shipments of cigarettes and smokeless tobacco. Cigarettes and smokeless tobacco are prohibited in both inbound and outbound international mail. Cigars are excluded from the mailability ban, and therefore may be mailed regardless of any conditions required for the mailing or other applicable products under the PACT Act exceptions.

***An exception is made for certain restricted mailings of cigarettes and smokeless tobacco. When required by 601.11.5.2, 601.11.7.2, or 601.11.8, a mailer must address the sender's address block to the Pricing and Classification Service Center (PCSC) PACT, Mailing Office (see 608.4.1 for address)

[Renumber current 601.11 and 12 as new 601.12 and 601.13, and add new 601.11 as follows:]

11.0 Cigarettes and Smokeless Tobacco

11.1 Definitions

For this standard, we define terms as follows:

- a. *Cigarette*: any roll of tobacco wrapped in paper or in any substance not containing tobacco and any roll of tobacco wrapped in any substance containing tobacco which, because of its appearance, the type of tobacco used in the filler, or its packaging and labeling, is likely to be offered to, or purchased by, consumers as a cigarette. The term cigarette includes roll-your-own-tobacco and excludes cigars.
- b. *Smokeless tobacco*: any finely cut, ground, powdered, or leaf tobacco that is intended to be placed in the oral or nasal cavity or otherwise consumed without being combusted.
- c. *Cigar*: any roll of tobacco wrapped in leaf tobacco or in any substance containing tobacco, unless, because of its appearance, the type of tobacco used in the filler, or its packaging and labeling, the product is likely to be offered to, or purchased by, consumers as a cigarette.
- d. *Roll-your-own tobacco*: any tobacco which, because of its appearance, type, packaging, or labeling, is suitable for use and likely to be offered to, or purchased by, consumers as tobacco for making cigarettes or cigars, or for use as wrappers thereof.
- e. *Consumer testing*: testing limited to formal data collection and analysis for the specific purpose of evaluating the product for quality assurance and benchmarking purposes of cigarette brands or sub-brands among existing adult smokers.
- f. *State*: any of the 50 states of the United States, the District of Columbia, and any commonwealth, territory, or possession of the United States.

11.2 Nonmailability

Except as provided in 601.11.3, all cigarettes (including roll-your-own tobacco) and smokeless tobacco are non-mailable and shall not be deposited in or carried through the Postal Service mailstream. Nonmailable cigarettes and smokeless tobacco deposited in the mail are subject to seizure and forfeiture. Any nonmailable cigarettes and smokeless tobacco products seized and forfeited shall be destroyed or retained by the federal government for the detection or prosecution of crimes or related investigations and then destroyed. Senders of nonmailable cigarettes and smokeless tobacco may be subject to seizure and forfeiture of assets, criminal fines, imprisonment, and civil penalties. The Postal Service will not accept for delivery or transmit any package that it knows, or has reasonable cause to believe, contains nonmailable cigarettes or smokeless tobacco. If the Postal Service reasonably suspects that a mailer is tendering nonmailable cigarettes or smokeless tobacco, then the mailer bears the burden of proof in establishing eligibility to mail. The Postal Service has reasonable cause not to accept for delivery or transmit a package based on:

- a. a statement on a publicly available website, or an advertisement, by any person that the person will mail matter which is nonmailable under this section in return for payment; or
- b. the fact that the mailer or other person on whose behalf a mailing is being made is on the U.S. Attorney General's List of Unregistered or Noncompliant Delivery Sellers.

11.3 Mailability Exceptions

Cigarettes and smokeless tobacco are mailable if one of the conditions in 11.4 through 11.8 is met. These exceptions only apply to domestic mail under 608.2.1, including mail sent from the United States to Army Post Office (APO), Fleet Post Office (FPO), and Diplomatic Post Office (DPO) addresses to which tobacco is not restricted (see 703.2.3.1), with the exception that delivery procedures for overseas military mail under the certain individuals exception in 11.6 may vary as practicable. These exceptions do not apply to the following:

- a. mail treated as domestic under 608.2.2;
- b. international mail as defined in 608.2.3; or
- c. mail presented at APO, FPO, or DPO installations and destined to addresses in the United States or other APO, FPO, or DPO addresses.

11.4 Mailing Within Noncontiguous States

Applicable mailings may not be tendered through Pickup on Demand or Carrier Pickup services. Intra-Alaskan and intra-Hawaiian shipments of cigarettes or smokeless tobacco are mailable, provided that such mailings:

- a. are presented in a face-to-face transaction with a postal employee within the state;
- b. destinate in the same state of origin;
- c. bear a valid complete return address that is within the state of origin; and,
- d. are marked with the following exterior marking on the address side of the mailpiece: "INTRASTATE SHIPMENT OF CIGARETTES OR SMOKELESS TOBACCO."

11.5 Exception for Business/Regulatory Purposes

Eligibility to mail and to receive mail under the business/regulatory purposes exception is limited to federal and state government agencies and legally operating businesses that have all applicable state and federal government licenses or permits and are engaged in tobacco product manufacturing, distribution, wholesale, export, import, testing, investigation, or research under the conditions in 11.5.1 to 11.5.3.

11.5.1 Application

Each customer seeking to mail cigarettes or smokeless tobacco under the business/regulatory purposes exception must complete an application letter requesting to mail under the business/regulatory purposes exception.

- a. The applicant must furnish:
 - 1. information about its legal status, any applicable licenses, and authority under which it operates;
 - 2. information about the legal status, any applicable licenses, and operational authority for all entities to which the applicant's mailings under this exception will be addressed; and
 - 3. all locations where mail containing cigarettes and smokeless tobacco will be presented.
- b. The applicant must establish its and its recipients' eligibility as legally operating businesses that have all applicable state and federal government licenses or permits and are engaged in tobacco product manufacturing, distribution, wholesale, export, import, testing, investigation, or research; or, in the case of mailings for regulatory purposes, as a federal or state agency. Only those shipments containing otherwise nonmailable tobacco addressed to recipients on the customer's list of designated recipients are eligible for the business/regulatory purposes exception.

- c. Applications must be mailed to the manager, Pricing & Classification Service Center (PCSC), see 608.8.4.1 for address. The manager, PCSC, issues the initial agency decision of a determination of eligibility to mail under the business/regulatory purposes exception. A number is assigned to each letter of eligibility.
- d. The applicant must timely update the information in its application as necessary prior to conducting any mailing for as long as it continues to mail under the business/regulatory exception.
- e. Customers whose applications or amendments to existing applications are denied in whole or in part may appeal to the manager, Mailing Standards (see 608.8.0).
- f. Eligibility to mail under the business/regulatory purposes exception may be revoked by the manager, PCSC, in the event of failure to comply with any applicable rules and regulations. A customer may appeal an adverse initial decision to the manager, Mailing Standards (see 608.8.0). Decisions by the manager, Mailing Standards, to uphold the denial of an application or to revoke a customer's eligibility under the business/regulatory purposes exception may be appealed to the Judicial Officer under 39 C.F.R. Part 953.
- g. Upon written request by a state or federal agency, the Manager, PCSC, may, in his or her discretion, waive certain application requirements for mailings entered by the requesting state or federal agency for regulatory purposes.
- h. Any determination of eligibility to mail under this exception shall lapse if the authorized mailer does not tender any mail under this exception within any three-year period. After that time, the affected mailer must apply for and receive new authorization for any mailings under this exception.

11.5.2 Mailing

Customers eligible to mail under the business/regulatory purposes exception may enter mailings of cigarettes and smokeless tobacco only at the locations specified in the customer's application. Applicable mailings may not be tendered through Pickup on Demand or Carrier Pickup services. Before mailing any shipment under this exception, the mailer must present proof that the PCSC has authorized the mailer to mail such shipments at that location. All mailings under the business/regulatory purposes exception must:

- a. be entered in a face-to-face transaction with a postal employee as Express Mail with Hold for Pickup service (waiver of signature and pickup services not permitted);
- b. be accompanied by a request for PS Form 3811 return receipt, which must bear the sender's PACT eligibility number issued by the PCSC in the return address block as well as the addressee's full name

and address, and be made returnable to the PCSC, PACT Mailing Office (see 608.4.1 for address)

- c. bear the marking “PERMITTED TOBACCO MAILING – DELIVER ONLY TO ADDRESSED BUSINESS/AGENCY – RECIPIENT MUST FURNISH PROOF OF AGE AND EMPLOYMENT” on the address side of the mailpiece (place the marking directly above, below, or to the left of the postage);
- d. bear the business or government agency name and full mailing addresses of both the sender and recipient, both of which must match exactly those listed on the customer’s application on file with the Postal Service.

11.5.3 Delivery

Mailings bearing the marking for business/regulatory purposes can only be delivered to a verified employee of the addressee business or government agency. The recipient must show proof that he or she is an employee of the business or government identified as the addressee on the mailing label under the following conditions:

- a. The recipient must be an adult of at least the minimum age for the legal sale or purchase of tobacco products at the place of delivery. The recipient must furnish proof of age via a driver’s license, passport, or other government-issued photo identification that lists age or date of birth.
- b. Once age and the recipient’s identity as an employee of the addressee are established, the recipient must sign PS Form 3849 and PS Form 3811 in the appropriate signature blocks. If mailer’s eligibility number is missing in the return address block of the PS Form 3811, the mailing must be returned to sender.

11.6 Exception for Certain Individuals

The exception for certain individuals permits the mailing of small quantities of cigarettes or smokeless tobacco by individual adults to businesses or to other adults. Such shipments may include, but are not limited to, cigarettes and smokeless tobacco exchanged as gifts between individual adults and a damaged or unacceptable tobacco product returned by a consumer to the manufacturer. For purposes of this rule, “gifts” do not include products purchased by one individual for another from a third-party vendor through a mail-order transaction, or the inclusion of cigarettes or smokeless tobacco at no additional charge with other matter pursuant to a commercial transaction. Eligibility to mail under the certain individuals exception may be revoked by the manager, PCSC, in the event of failure to comply with any applicable rules and regulations. A customer may appeal an adverse initial decision to the manager, Mailing Standards (see 608.8.0). The mailer bears the burden of proof in establishing eligibility in the event of revocation.

Decisions by the manager, Mailing Standards, to revoke a customer’s eligibility under this exception may be appealed to the Judicial Officer under 39 C.F.R. Part 953. Mailings under this exception must be made under the conditions in 11.6.1 through 11.6.3.

11.6.1 Entry and Acceptance

Mailings under the certain individuals exception must be entered under the following conditions:

- a. Cigarettes or smokeless tobacco may only be mailed via a face-to-face transaction with a postal employee. Applicable mailings may not be tendered through Pickup on Demand or Carrier Pickup services.
- b. Cigarettes or smokeless tobacco may only be entered by an adult of at least the minimum age for the legal sale or purchase of tobacco products at the place of entry.
- c. The individual presenting the mailing must furnish government-issued photo identification that lists age or date of birth, such as a driver’s license or passport, at the time of the mailing. The name on the identification must match the name of the sender appearing in the return address block of the mailpiece.
- d. For mailings addressed to an individual, at the time the mailing is presented, the customer must orally confirm that the addressee is an adult of at least the minimum age for the legal sale or purchase of tobacco products at the place of delivery.

11.6.2 Mailing

No customer may send or cause to be sent more than 10 mailings under this exception in any 30-day period. Each mailing under the certain individuals exception must:

- a. be entered as Express Mail; (waiver of signature and pickup services not permitted);
- b. bear the marking “PERMITTED TOBACCO MAILING – DELIVER ONLY TO AGE-VERIFIED ADULT OF LEGAL AGE” on the address side of the exterior of the mailpiece (place the marking directly above, below, or to the left of the postage);
- c. bear the full name and mailing address of the sender and recipient on the Express Mail label;
- d. weigh no more than 10 ounces;
- e. not be sent to APO/FPO/DPO addresses to which the mailing of tobacco is restricted (see 703.2.3.1);
- f. with the exception of shipments from civilian locations to APO/FPO/DPO addresses, request delivery through Hold for Pickup service; and
- g. not be entered at an APO/FPO/DPO installation.

11.6.3 Delivery

Delivery under the certain individuals exception is made under the following conditions:

- a. The recipient signing for the Express Mail article must be an adult of at least the minimum age for the legal sale or purchase of tobacco products at the place of delivery.
- b. The recipient must furnish proof of age via a driver's license, passport, or other government-issued photo identification that lists age or date of birth.
- c. Once age is established, the recipient must sign PS Form 3849 in the appropriate signature block.

11.7 Consumer Testing Exception

The exception for consumer testing permits a legally operating cigarette manufacturer or a legally authorized agent of a legally operating cigarette manufacturer to mail cigarettes to verified adult smokers solely for consumer testing purposes. The manufacturer for which mailings are entered under this exception must have a permit, in good standing, issued under 26 U.S.C. § 5713. The consumer testing exception applies only to cigarettes and not smokeless tobacco. Items must be mailed under conditions in 11.7.1 through 11.7.3.

11.7.1 Application

Each customer seeking to mail cigarettes under the consumer testing exception must submit an application letter to mail under consumer testing exception. In support of its application, the following must be met:

- a. The applicant must furnish information to establish that the customer, or the customer's principal if the customer is a manufacturer's agent, is a cigarette manufacturer in good standing under 26 U.S.C. § 5713; if the customer is an agent of a manufacturer, complete details about the agency relationship with the manufacturer; and all locations where mail containing cigarettes for consumer testing will be presented. The applicant must timely update all information in its application as necessary prior to conducting any mailing for as long as it continues to mail under the consumer testing exception.
- b. As part of its application, the applicant must certify in writing that it will comply with the following requirements:
 1. any recipient of consumer testing samples of cigarettes is an adult established smoker;
 2. no recipient has made any payment for the cigarettes;
 3. every recipient will sign a statement indicating that the recipient wishes to receive the mailings;
 4. the manufacturer or the legally authorized agent of the manufacturer will offer the opportunity for any recipient to withdraw the recipient's written statement at least once in every three-month period;

5. any package mailed under this exception will contain not more than 12 packs of cigarettes (maximum of 240 cigarettes) on which all taxes levied on the cigarettes by the state and locality of delivery have been paid and all related state tax stamps or other tax-payment indicia have been applied; and

6. the manufacturer will maintain records establishing compliance with these obligations for a three-year period from the date of each mailing.

- c. The application must be submitted to the manager, Pricing & Classification Service Center (PCSC) (see 608.8.4.1 for address).
- d. The applicant must provide any requested copies of records establishing compliance to the manager, PCSC, and/or the manager, Mailing Standards (see 608.8.0), upon request no later than 10 business days after the date of the request.
- e. The manager, PCSC, issues the initial agency decision of a determination of eligibility to mail under the consumer testing exception. A number is assigned to each letter of eligibility. Customers whose applications are denied in whole or in part may appeal to the manager, Mailing Standards. Eligibility to mail under the consumer testing exception may be revoked by the manager, PCSC, in the event of failure to comply with any applicable rules and regulations. Decisions by the manager, Mailing Standards, to uphold the denial of an application or to revoke a customer's eligibility under the consumer testing exception may be appealed to the Judicial Officer under 39 C.F.R. Part 953.
- f. Any determination of eligibility to mail under this exception shall lapse if the authorized mailer does not tender any mail under this exception within any three-year period. After that time, the affected mailer must apply for and receive new authorization for any further mailings under this exception.

11.7.2 Mailing

Customers eligible to mail under the consumer testing exception may enter mailings of cigarettes only at the locations specified in the customer's application. Applicable mailings may not be tendered through Pickup on Demand or Carrier Pickup services. Mailings must be tendered under the following conditions:

- a. Before tendering any shipment under this exception, the mailer must present proof (PCSC Eligibility letter) that the PCSC has authorized the mailer to tender such shipments at that location.
- b. All mailings under the consumer testing exception:
 1. must be entered in face-to-face transactions with postal employees as Express Mail with Hold for Pickup service requested (waiver of signature and pickup services not permitted);

- 2. be accompanied by a request for PS Form 3811 return receipt, which must bear the sender's PACT eligibility number issued by the PCSC in the return address block, as well as the addressee's full name and address, and be made returnable to PCSC, PACT Mailing Office (see 608.4.1 for address)
- 3. must bear the marking "PERMITTED TOBACCO MAILING – DELIVER ONLY TO ADDRESSEE UPON AGE VERIFICATION - AGE 21 OR ABOVE" on the address side of the mailpiece (place the marking directly above, below, or to the left of the postage);
- 4. must bear the full mailing addresses of both the sender and recipient on the Express Mail label (the name and address of the sender must match exactly those listed on the customer's application on file with the PCSC);
- 5. are limited in tobacco contents to no more than 12 packs of cigarettes (maximum 240 cigarettes) on which all taxes levied on the cigarettes by the destination state and locality have been paid and all related state tax stamps or other tax-payment indicia have been applied;
- 6. may not be addressed to an addressee located in a state that prohibits the delivery or shipment of cigarettes to individuals in the destination state;
- 7. may be sent only to an addressee who has not made any payment for the cigarettes, is being paid a fee for participation in consumer tests, and has agreed to evaluate the cigarettes and furnish feedback to the manufacturer in connection with the consumer test.
- c. Customers must maintain records to establish compliance with the requirements in 11.7 for a three year period.
- d. Mailing frequency may not exceed more than one package from any one manufacturer to an adult smoker during any 30-day period.
- e. Nothing in these rules shall preempt, limit, or otherwise affect any related state laws.

11.7.3 Delivery

Mailings bearing the marking for consumer testing can only be delivered to the named addressee under the following conditions:

- a. The recipient signing for the Express Mail Hold for Pickup service article must be an adult of at least 21 years of age.

- b. The recipient must furnish proof of age through production of a driver's license, passport, or other government-issued photo identification that lists age or date of birth.
- c. The name on the identification must match the name of the addressee on the Express Mail label.
- d. Once age is established, the recipient must sign the PS Form 3849 and PS Form 3811 in the appropriate signature blocks. If mailer's eligibility number is missing in the return address block of the PS Form 3811 return receipt, the mailing must be returned to sender.

11.8 Public Health Exception

Federal government agencies involved in the consumer testing of tobacco products solely for public health purposes may mail cigarettes under the mailing standards of 11.7, except as provided herein. The federal agency shall not be subject to the requirement that the recipient be paid a fee for participation in consumer tests. Upon written request, the manager, PCSC, may, in his or her discretion, waive certain of the application requirements.

DMM Revision: Business Reply Mail Online Application Option

Effective July 6, 2010, the Postal Service™ will revise the *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) 507.9.3.2 and 507.9.5.2 to eliminate the option to obtain a Business Reply Mail® (BRM) permit online. Additionally, the electronic version of PS Form 6805, *Qualified Business Reply Mail (QBRM) Application*, will also be removed.

Currently, customers can apply for BRM permits and QBRM authorization online or in person at any Post Office™ facility. The ability to obtain a BRM permit online has been available since 2004 but has not sustained the volume of users to support maintaining the system.

Published as a *Federal Register* final rule on May 28, 2010 (75 FR 29893–29894), the ability to obtain a BRM permit online was eliminated, and customers are now required to visit a Post Office™ facility to submit a completed hard-copy PS Form 3615, *Mailing Permit Application and Customer Profile*, to obtain a BRM permit. In addition, customers requesting authorization for QBRM will also be required to visit a Post Office to complete a printed PS Form 6805.

[Delete item 9.3.2b in its entirety and incorporate item 9.3.2a into the introductory paragraph as follows:]

To participate in QBRM, a mailer must have a valid BRM permit, must pay the annual account maintenance fee, and must submit Form 6805 to the postmaster or manager, Business Mail Entry at the Post Office to which the QBRM pieces are to be returned. The USPS reviews Form 6805 and preproduction samples provided by the mailer for compliance with relevant standards. If the mailer’s request is approved, the USPS issues the mailer an authorization via the approved Form 6805.

[Delete item 9.5.2b in its entirety and incorporate item 9.5.2a into the introductory paragraph as follows:]

The mailer may apply for a BRM permit by submitting a completed Form 3615 to the Post Office issuing the permit and paying the annual permit fee. If a completed Form 3615 is already on file for the mailer for other permits at that office, then the mailer must submit the annual BRM permit fee and the USPS amends Form 3615 by adding the BRM authorization.

DMM Revision: Deposit of Stamped Mail Over 13 Ounces sent to APO, FPO, and DPO Destinations — Clarification and Update

Effective July 6, 2010, the Postal Service™ will revise *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) 703.2.3 to clarify the deposit of items bearing only postage stamps sent to APO, FPO, and DPO destinations.

The article “DMM Revision: APO, FPO, and DPO Mailpieces Bearing a Customs Declaration — Clarification and Update” in *Postal Bulletin* 22282 (4-8-10, page 12) clarified

that a customs declaration is required only when a mailpiece weighs 16 ounces or more, or when it contains dutiable contents. In addition, the article “DMM Revision: Deposit of APO, FPO, DPO, and U.S. Territory Mailpieces Bearing a Customs Declaration — Update” in *Postal Bulletin* 22281 (3-25-10, pages 54–56) authorized new deposit options for PC Postage® items bearing an electronic round date.

As a result of these updated standards, we will revise DMM 703.2.3 to stipulate that any mailpiece weighing more than 13 ounces bearing only postage stamps as postage may not be deposited into a collection box, Postal Service lobby drop, Automated Postal Center® (APC®) drop, Postal Service dock, customer mailbox, or other unattended location. Previously, the standard stated these restrictions applied regardless of postage payment method. These new standards (which, in part, replace deleted DMM 703.2.1.7) will now appear in DMM 703.2.3, General Restrictions, in order to have all the relevant standards related to the entry and deposit of military mail in the same section.

Finally, we have codified the authorized deposit methods for stamped items weighing 13 ounces or less when a customs declaration is not required, as well as all other postage payment methods for items weighing 16 ounces or less when a customs declaration is not required.

2.3.9 Items Weighing More Than 13 Ounces and Paid With Postage Stamps

Any mailpiece weighing more than 13 ounces bearing only postage stamps as postage may not be deposited into a collection box, Postal Service lobby drop, Automated Postal

Center (APC) drop, Postal Service dock, customer mailbox, or other unattended location. These mailpieces are also precluded from pickup service. The sender must present such items to an employee at a retail service counter in a Postal Service facility. Improperly presented items will be returned to the sender for proper entry and acceptance.

2.3.10 Items Weighing 13 Ounces or Less and Paid With Postage Stamps

Items bearing only postage stamps and not requiring a customs declaration may be deposited by one of the following methods:

- a. At a Postal Service retail counter.
- b. Through Pickup on Demand service for eligible items under 507.6.2.
- c. Through Carrier Pickup service.
- d. Into a Postal Service lobby drop.
- e. Into an Automated Postal Center (APC) drop.
- f. In a collection box.
- g. In a customer mailbox.

2.3.11 Items Paid With Methods Other Than Postage Stamps

Items paid with online postage, postage meters, or information-based indicia (IBI) weighing less than 16 ounces and not requiring a customs declaration may be deposited by one of the following methods:

- a. At a Postal Service retail counter.
- b. Through Pickup on Demand service for eligible items under 507.6.2.
- c. Through Carrier Pickup service.
- d. Into a Postal Service lobby drop.
- e. Into an Automated Postal Center (APC) drop.
- f. In a collection box.
- g. In a customer mailbox.

DMM Revision: Reminder — 2010 Standard Mail Incentive Program (aka 2010 Summer Sale)

Effective July 6, 2010, the Postal Service™ will revise *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) to replace existing section 709.2, applicable to the Standard Mail Volume Incentive Program which ended on September 30, 2009, with the new standards describing the 2010 Standard Mail Incentive Program.

We first published notice of this program as a final rule *Federal Register* on April 8, 2010 (75 FR 17861–17863) and as the article “DMM Revision: 2010 Standard Mail Incentive Program (aka 2010 Summer Sale)” in *Postal Bulletin 22284* (5-6-10, pages 16–17).

The 2010 Standard Mail Incentive Program implements a volume incentive program for qualified high-volume mailers of Standard Mail® or Nonprofit Standard Mail letters and flats, with volume mailed between July 1, 2010, and September 30, 2010, above their individual threshold level. The threshold level for this program will be set at five percent (5%) above the volume demonstrated by the participant mailer during the same period in 2009. This program encourages mailers to generate new volume and demonstrates the commitment of the Postal Service to the future health of the mailing industry.

To participate, mailers must be the permit holder (i.e., owner) of a permit imprint advance deposit account(s) or the owner of qualifying mail volume entered through the permit imprint advance deposit account of a mail service provider. Qualifying mailers must be able to demonstrate volume of at least three-hundred and fifty thousand (350,000) Standard Mail letters and/or flats within the program qualification period of July 1, 2009, to September 30, 2009, mailed through a permit imprint advance deposit account, precanceled stamp permit, postage meter permit, or by a combination of these methods. Applicants may also qualify for the program with volume mailed through an account(s) owned by a mail service provider, when adequate documentation is provided that specifies the applicant is the owner of the mail.

The 2010 Standard Mail Incentive Program encourages mailers to generate new mail volume. As a deterrent to mailers shifting previously planned volume into the program to obtain incentive credits, the mailing activity of participating mail owners will be monitored in the calendar months prior to and following the end of the program as follows:

- For the 2010 Standard Mail Incentive program, each participant’s June 2010 and October 2010 expected volume will be defined as five percent (5%) over the total volume of Standard Mail letters and/or flats recorded for the participant in June 2009 and October 2009 respectively.

- Each participant’s *actual* June 2010 and October 2010 volumes will be compared to their respective June 2010 and October 2010 expected volumes.

Participants demonstrating a shortfall with volume to either their June 2010 or October 2010 expected volumes will have that shortfall deducted from the number of mailpieces eligible for an incentive credit within the program, regardless of any surplus demonstrated in the expected volume threshold of the other month.

Those mailers identified by the Postal Service as being eligible to participate in the program were sent an invitation letter on or prior to May 1, 2010. This invitation letter directed interested mailers to apply for the program online at www.usps.com/summersale. Mailers completing the online application process should have received an electronic response from USPS® that includes:

- An individual volume threshold report.
- A certification letter.
- A threshold inquiry form.

The individual threshold report displays the applicant’s July 1, 2009, to September 30, 2009, Standard Mail letters and flats volume mailing history, by permit number, and the applicant’s USPS-calculated threshold. The report also includes the applicant’s June 2009 and October 2009 mailing histories and the USPS-calculated expected June 2010 and October 2010 volumes. Applicants agreeing with the volume histories and USPS calculations were provided the option to sign the provided certification letter and return a copy via e-mail to summersale@usps.gov, or mail hardcopy to Summer Sale Program Office, 475 L’Enfant Plaza, SW, Rm. 5410, Washington, DC 20260-5410, to be fully registered for the program. Applicants not agreeing with any portion of their volume histories were directed to complete the threshold inquiry form and return it via e-mail to summersale@usps.gov, or mail the hardcopy to Summer Sale Program Office, 475 L’Enfant Plaza, SW, Rm. 5410, Washington, DC 20260-5410, no later than June 30, 2010. Applicants disputing USPS volume histories or calculations will be required to provide supporting evidence as appropriate.

Approved program participants demonstrating an increase in their total Standard Mail letters and flats volume above their threshold level will qualify for a credit to a single designated permit imprint advance deposit account or Centralized Account Payment System (CAPS) account, following the close of the October 2010 mailing activity review period. The total postage attributable to Standard Mail letters and flats within the program period will be identified for each participant and divided by the total number of recorded pieces, to generate the average price per piece. Participants receive a credit in the amount of thirty percent

(30%) of the average price per piece for the total number of mailpieces of the incremental volume, above their threshold level, recorded during the program period.

Additionally, as part of the program administration, the Postal Service will require each program participant to certify the data used to calculate his/her program threshold level and June 2010 and October 2010 expected volumes. This certification requirement will be similar to what is currently used on a PS Form 3602-R, *Postage Statement Standard Mail*. The certification requirement for this initiative is designed to ensure that the data used by the Postal Service to calculate the threshold level and applicable June 2010 and October 2010 expected volumes for each qualifying mailer is accurate.

[Delete current section 709.2.0 in its entirety and replace with new section 709.2.0 to introduce new standards for the 2010 Standard Mail Incentive Program as follows:]

2.0 2010 Standard Mail Incentive Program

2.1 Program Description

The 2010 Standard Mail Incentive Program provides volume pricing for qualified mail owners of Standard Mail or Nonprofit Standard Mail letters and/or flats that are able to document mail volume exceeding their individual USPS-determined threshold level, during the July 1, 2010, through September 30, 2010, program period. Participating mail owners documenting volumes above their established threshold level will receive a thirty percent (30%) credit, for each piece exceeding their individual USPS-determined threshold level, to a single designated permit imprint advance deposit account or Centralized Account Payment System (CAPS) account at the conclusion of the program period. In order to participate in the program, applicants must review and certify the accuracy of the data used by the USPS to calculate their threshold level and their June 2010 and October 2010 expected volumes.

2.2 Eligibility Standards

Mail owners are considered eligible for the program as follows:

- a. Applicants must be able to document, in aggregate, volume of at least three-hundred and fifty thousand

(350,000) pieces of Standard Mail or Nonprofit Standard Mail letters and/or flats in the July 1, 2009, to September 30, 2009, time period as follows:

1. Volume through one or more permit imprint advance deposit accounts, precanceled stamp permits, or postage meter permits owned by the applicant, or
 2. Volume prepared by a mail service provider when entered through a permit owned by the applicant, or
 3. Volume within a mail service provider's permit, which can be identified as being prepared on behalf of the applicant.
- b. Mail service providers are not eligible to participate in this program.

2.3 Program Threshold Level

Threshold level figures will be calculated independently for each applicant as follows:

- a. Thresholds will be calculated independently for each applicant, based on the consolidated volume of Standard Mail letters and/or flats mailed within the period from July 1, 2009, to September 30, 2009.
- b. Five percent (5%) above (or 105% of) the total consolidated volume mailed during this period defines the USPS-determined threshold level for an individual applicant.

2.4 Application

Mail owners identified by the Postal Service as being eligible to participate in the program were sent an invitation letter on or before May 1, 2010. Mail owners may apply for the program as follows:

- a. The invitation letter directed interested mail owners to apply for the program online at www.usps.com/summersale.
- b. Mail owners wishing to participate in the program must have initially applied online, or contacted the USPS, at summersale@usps.gov no later than May 28, 2010.
- c. Mail owners completing the online application process will receive an electronic response from the USPS that includes:
 1. An individual volume threshold report displaying the applicant's July 1, 2009, to September 30, 2009, Standard Mail letters and flats volume mailing history (by permit number), the applicant's USPS-calculated threshold, the applicant's June 2009 and October 2009 mailing histories, and the USPS-calculated expected June 2010 and October 2010 volumes.
 2. A certification letter.

3. A threshold inquiry form.
- d. Applicants agreeing with the volume histories and USPS calculations can sign the provided certification letter and return a copy via e-mail to summersale@usps.gov, or mail a hardcopy to Summer Sale Program Office, 475 L'Enfant Plaza, SW, Rm. 5410, Washington, DC 20260-5410, no later than June 30, 2010, to be fully registered for the program.
 - e. Applicants not in agreement with any portion of their volume histories must complete a threshold inquiry form and return it, via e-mail to summersale@usps.gov, or mail a hardcopy to Summer Sale Program Office, 475 L'Enfant Plaza, SW, Rm. 5410, Washington, DC 20260-5410, no later than June 30, 2010.
 - f. Applicants disputing USPS volume histories or calculations will be required to provide supporting evidence as appropriate.
 - g. Upon resolution of threshold and expected volume figures, applicants must provide a copy of the certification letter as described in d.
 - h. Mail owners who wished to participate in the program, believed they met the eligibility standards under DMM 2.2, and were not notified by letter, must have requested a review of their eligibility by contacting the USPS at summersale@usps.gov no later than May 15, 2010.

2.5 Program Participation

Mail owners may participate in the program with qualifying volume as follows:

- a. Standard Mail or Nonprofit Standard Mail letters and/or flats volume mailed by the participant through the participant's own permit imprint advance account, precanceled stamp permit(s), or postage meter permit(s).
- b. Standard Mail or Nonprofit Standard Mail letters and/or flats volume prepared by a mail service provider, when entered through a permit owned by the participant.
- c. Standard Mail or Nonprofit Standard Mail letters and/or flats pieces mailed through a mail service provider's permit, only when the pieces can be identified as being prepared for the participant and when the applicant's prior mailing activity through the mail service provider's permit can be validated.

2.6 Incentive Program Credits

Approved participants demonstrating an increase in Standard Mail or Nonprofit Standard Mail letters and flats volume

above their threshold level qualify for a credit to a single designated permit imprint advance deposit account or Centralized Account Payment System (CAPS) account as follows:

- a. The total postage paid for Standard Mail or Nonprofit Standard Mail letters and flats recorded during the program will be identified for each participant.
- b. The total postage paid during the program period will be divided by the total number of recorded pieces to generate the average price per piece for the program period.
- c. Participants will receive a credit in the amount of thirty percent (30%) of the average price per piece applied to the total number of mailpieces (less any adjustments resulting from the mailing activity review under 2.7) for the incremental volume above their threshold level recorded during the program period.

2.7 Mailing Activity Review

Mailing activity by participants will be reviewed in the calendar months preceding and following the end of the program. The qualifying volume recorded for participants may be adjusted in accordance with the following:

- a. For the 2010 Standard Mail Incentive Program, each participant's June 2010 and October 2010 expected volume will be defined as five percent (5%) above (or 105% of) the total consolidated volume of Standard Mail letters and/or flats recorded for the participant in June 2009 and October 2009 respectively.
- b. Each participant's *actual* June 2010 and October 2010 volume will be compared to their respective June 2010 and October 2010 expected volume.
- c. Participants demonstrating a shortfall in volume to either their June 2010 or October 2010 expected volumes will have that shortfall deducted from the number of mailpieces eligible for an incentive credit within the program, regardless of any surplus demonstrated in the expected volume threshold of the other month.

We will incorporate these revisions into the next printed version of the DMM and into the monthly update of the online DMM available via Postal Explorer® at <http://pe.usps.com>.

Missing, Lost, or Stolen U.S. Money Order Forms

Do Not Cash — Upon Receipt, Notify Local Postal Inspectors

This listing will be provided to all Postal Service™ employees responsible for accepting and cashing postal money orders. Destroy all interim notices when the numbers listed appear in the *Postal Bulletin*. The actual serial

numbers consist of the first 10 digits on the money orders. Check for altered dollar amounts by holding money orders to the light.

Missing, Lost, or Stolen Canadian Money Order Forms

Do Not Cash — Upon Receipt, Notify Local Postal Inspectors

This listing will be provided to all Postal Service™ employees responsible for accepting and cashing postal money orders. Destroy all interim notices when the numbers listed appear in the *Postal Bulletin*. The new money order serial numbers consist of the first 9 digits. The 10th digit is a check digit only.

Do not cash outdated money orders **104 151 601 to 692 600 000**. Advise holders to send invalid money orders to: Canada Post Corporation, Ottawa, Canada K1A 0B1. Check for altered dollar amounts by holding money orders to the light.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
 - There should be no discoloration around the dollar amounts, which might indicate the amounts were changes.

These appear in Postal Service Notice 299, U.S. *Postal Money Order Reference Card*, or online at <http://www.usps.com/missingmoneyorders/security.htm>.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Other Information

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table below outlines these conditions by APO/FPO/DPO ZIP™ Codes through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks should use the table with the integrated retail terminal (IRT) or POS ONE terminal to determine which APO/FPO/DPO ZIP Codes are active and

which conditions of mailing apply. **Acceptance clerks may contact the Military Postal Service Agency with any questions regarding APO/FPO/DPO ZIP Codes, toll free, at 800-810-6098, Monday–Friday, 0730–1600 ET.**

For Express Mail Military Service (EMMS) availability, all acceptance clerks must refer to the local hardcopy EMMS directory.

The entries under “Changes” appear in bold in the APO/FPO/DPO table starting below.

RESTRICTIONS

LEGEND

PS Form 2976, *Customs — CN 22 (Old C 1) and Sender's Declaration* (green label)

PS Form 2976-A, *Customs Declaration and Dispatch Note*

AAFES	= Army and Air Force Exchange Service
APO	= Army/Air Force Post Office
Box R	= Retired military personnel
DMM	= <i>Domestic Mail Manual</i>
DPO	= Diplomatic Post Office
FPO	= Fleet Post Office
MOM	= Military Ordinary Mail
MPO	= Military Post Office
PAL	= Parcel Airlift
PSC	= Postal Service Center
SAM	= Space Available Mail
USDA	= United States Department of Agriculture

Note: Mail order catalogs are prohibited as SAM or PAL mail.

A. Securities, currency, or precious metals in their raw, unmanufactured state are prohibited. Official shipments are exempt from this restriction.

A1. Mail addressed to "Any Servicemember," or similar wording such as "Any Soldier," "Sailor," "Airman," or "Marine"; "Military Mail"; etc., is prohibited. Mail must be addressed to an individual or job title such as "Commander," "Commanding Officer," etc.

B. Regardless of mail class, a customs declaration form is required for all items weighing 16 ounces or more, or any item (regardless of weight) containing potentially dutiable mail contents (e.g., merchandise) addressed to an APO, FPO, or DPO ZIP Code. PS Form 2976 is required for items weighing less than 16 ounces, and PS Form 2976-A is required for items weighing 16 ounces or more. No customs form is required for items weighing less than 16 ounces when the contents are not potentially dutiable (e.g., documents). When the surface area of the address side of the mailpiece is not large enough to contain a PS Form 2976-A, the smaller PS Form 2976 may be substituted (e.g., the Priority Mail Small Flat Rate Box). The following exceptions apply:

- Known mailers are exempt from providing customs documentation on non-dutiable letters or printed matter. (A known mailer is a business mailer who enters volume mailings through a business mail entry unit (BMEU) or other bulk mail acceptance location, pays postage through an advance deposit account, uses a permit imprint for postage payment, and submits a completed postage statement at the time of entry that certifies that the mailpieces contain no dangerous materials that are prohibited by postal regulations.)
- All federal, state, and local government agencies whose mailings are regarded as "Official Mail" are exempt from providing customs documentation on any item addressed to an APO, FPO, or DPO except for those APOs/FPOs/DPOs to which restriction "B2" applies.
- Prepaid mail from military contractors is exempt, providing the mailpiece is endorsed "Contents for Official Use — Exempt from Customs Requirements."

B2. All federal, state, and local government agencies must complete customs documentation when sending potentially dutiable mail addressed to or from this APO, FPO, or DPO.

C. Cigarettes and other tobacco products are prohibited.

C1. Obscene articles, prints, paintings, cards, films, videotapes, etc., and horror comics and matrices are prohibited.

D. Coffee is prohibited.

E1. Medicines or vaccines not conforming to French laws are prohibited.

E2. Any matter depicting nude or seminude persons, pornographic or sexual items, or nonauthorized political materials is prohibited. Although religious materials contrary to the Islamic faith are prohibited in bulk quantities, items for the personal use of the addressee are permissible.

E3. Radio transceivers, cordless telephones, global positioning systems, scanners, base stations, and handheld transmitters are prohibited.

F. Firearms of any type are prohibited in all classes of mail. See definitions of firearms in DMM 601.11.1.1c. This restriction does not apply to firearms mailed to or by official U.S. government agencies. The restriction for mail to this APO/FPO/DPO ZIP Code does not apply to firearms mailed from this APO/FPO/DPO ZIP Code, provided ATF and USPS regulations are met. Antique firearms are a separate category defined in DMM 601.11.2 and ATF regulations; they do not require an ATF form.

F1. Privately owned weapons addressed to an individual are prohibited in any class of mail.

F2. Importation of firearms is restricted to one shotgun and one single shot.22 caliber rifle per individual.

G. Only letters, flats, and Periodicals are authorized. Parcels of any class are prohibited.

H. Meats, including preserved meats, whether hermetically sealed or not, are prohibited.

H1. Pork or pork by-products are prohibited.

I. Mail of all classes must fit in a mail sack. Mail may not exceed the following dimensions:

- Maximum length 20 inches.
- Maximum width 12 inches.
- Maximum height 12 inches.

The maximum length and girth combined may not exceed 68 inches.

This restriction does not apply to registered mail and official government mail marked MOM.

I1. This restriction does not apply to registered mail.

I2. This restriction does not apply to official government mail marked MOM.

J. Parcels may not exceed 108 inches in length and girth combined.

K. Mail that includes in the address the words, "Dependent Mail Section," may consist only of letter mail, newspapers, magazines, and books. No parcel of any class containing any other matter may be mailed to the Dependent Mail section. This restriction does not apply if the address does not include the words "Dependent Mail Section."

L. All official mail is prohibited.

M. Fruits, vegetables, animals, and living plants are prohibited.

N. Registered mail is prohibited.

O. Delivery status information for Extra Services is not available on USPS.com.

P. APO is used for the receipt and dispatch of official mail only.

Q. Mail may not exceed 66 pounds, and size is limited to 42 inches maximum length and 72 inches maximum length and girth combined.

R. All alcoholic beverages, including those mailable under DMM 601.11.7, are prohibited.

R1. Materials used in the production of alcoholic beverages (i.e., distilling material, hops, malts, yeast, etc.) are prohibited.

S. Mail of all classes must fit in a mail sack. Mail may not exceed the following dimensions and weight:

- Maximum length 12 inches.
- Maximum width 12 inches.
- Maximum height 5 1/2 inches.
- Maximum weight 25 pounds.

The maximum length and girth combined may not exceed 47 inches.

T. Mailings of case lots of food and supplemental household shipments must be approved by the sender's parent agency prior to mailing.

U. Parcels must weigh less than 16 ounces when addressed to Box R. This restriction does not apply to mail endorsed "Free Matter for the Blind or Handicapped."

U1. Mail is limited to First-Class Mail weighing 13 ounces or less when addressed to Box R. This restriction does not apply to mail endorsed "Free Matter for the Blind or Handicapped." Videotapes are prohibited when addressed to Box R, regardless of weight.

U2. Mail is limited to First-Class Mail letters only when addressed to Box R.

U3. Mail is limited to First-Class Mail correspondence (including voice and video cassettes), newspapers, magazines, photographs, not exceeding 16 ounces, when addressed to Box R.

V. Express Mail Military Service (EMMS) not available from any origin.

V1. Delivery Confirmation service is not available.

W. Meat products, such as dried beef, salami, and sausage, may be mailed, provided they remain in their original, hermetically sealed packages and bear USDA certification. Other meats, bones, skin, hair, feathers, horns or hoofs of hoofed animals, wool samples, tobacco leaves, including chewing and pipe tobacco, snuff, cigars, and cigarettes, or obscene material, including obscene drawings, photographs, films, and carvings, are prohibited. Exception: 200 grams of tobacco per parcel are permitted duty free.

X. Personal mail is limited to First-Class Mail items (to include audio cassettes and voice tapes) weighing 13 ounces or less. This limitation does not apply to official mail.

Y. Mail is limited to First-Class and Priority Mail items only. All Periodicals, Standard Mail items, and Package Services items (including SAM and PAL) are not authorized. This restriction also applies to official mail.

Z. No outside pieces (OSPs).

Z1. The following restriction is applicable only to International Service Centers (ISC)/Exchange Offices. An Anti-Pilferage Seal (Item No O817E or O818A) is required on all pouches and sacks.

The G Fund is managed internally by the Federal Retirement Thrift Investment Board. Assets of the F, C, S, and I Funds are managed externally. The Board currently has contracts with BlackRock Institutional Trust Company, N.A., to manage the F, C, S, and I Fund assets. The F, C, S, and I Funds invest in commingled trust funds, in which the assets of tax-deferred employee benefit plans are combined and invested together. The F, C, S, and I Funds and the BlackRock funds are passively managed index funds.

Future performance of the funds will vary and may be significantly different from the returns shown above. See the *Summary of the Thrift Savings Plan* for detailed information about the funds and their investment risks. The monthly returns of the TSP Funds represent net earnings for the month after deduction of accrued administrative expenses and, except for the G Fund, after deduction of trading costs and accrued investment management fees as well. The returns for the four indexes shown do not include any of these deductions.

* Implemented May 2001.

See next page for new L Funds.

Displaying the U.S. Flag and the POW-MIA Flag

U.S. Flag at Half-Staff

How to Display

Displaying the U.S. flag at *half-staff* means lowering the flag to half the distance between the top and bottom of the staff.

Specific Dates

Display the U.S. flag at half-staff on the following days each year:

- May 15: Peace Officers Memorial Day (see note 1 below).
- Last Monday in May: Memorial Day Observed (see note 2 below).
- December 7: National Pearl Harbor Remembrance Day.

Note 1: When May 15, which is the date for Peace Officers Memorial Day, falls on the third Saturday in May, which is the date for Armed Forces Day, display the U.S. flag in the full-staff position, *not* at half-staff.

Note 2: On the last Monday in May, when Memorial Day is observed, display the flag at half-staff from sunrise, or the hour at which you raise it, until noon, and then hoist it to the peak of the staff, until the time of closing or no later than sunset.

POW-MIA Flag

How to Display

In relation to the U.S. flag, display the POW-MIA flag (and any other flag) as follows:

- If displayed on the same flagstaff, place it below the U.S. flag.
- If displayed on a separate flagstaff, place it at the same level or lower. If displayed at the same level, place it on the U.S. flag's left.

When flying the U.S. flag at half-staff, fly the POW-MIA flag (and any other flags) at half-staff also.

Specific Dates

Display the POW-MIA flag on the following days each year:

- Armed Forces Day: Third Saturday in May.
- Memorial Day: Last Monday in May.
- Flag Day: June 14.
- Independence Day: July 4.
- National POW-MIA Recognition Day: Third Friday in September.
- Veterans Day: November 11.

If any of these days fall on a nonbusiness day, display the POW-MIA flag on the last business day before the designated day.

For more detailed information about flying the U.S. flag and the POW-MIA flag, see the following parts in the *Administrative Support Manual (ASM)*:

- ASM 472, U.S. Flag Display.
- ASM 476, POW-MIA Flag Display.

DMM Revision: Restricting the Mailing of Replica or Inert Explosive Devices

Effective July 6, 2010, The Postal Service™ will revise *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) 601.11 to implement a new standard restricting the mailing of replica or inert explosive devices, such as simulated grenades that are not dangerous but bear a realistic appearance to explosive devices, by Registered Mail™ service only.

Published as a *Federal Register* final rule on June 1, 2010 (75 FR 30300–30301), this revision will minimize the chances of operational disruptions caused by replica or inert explosive devices, and at the same time allow mailers to continue to use the mail for shipping these items.

[Renumber current 11.5 through 11.21 as 11.6 through 11.22. Insert new 11.5 to read as follows:]

11.5 Replica or Inert Explosive Devices

Replica or inert explosive devices that bear a realistic appearance to explosive devices such as simulated grenades, but that are not dangerous, are permitted in the mail when all of the following conditions are met:

- a. The package is presented by the mailer at a retail counter.
- b. Registered Mail service is used. (Registered Mail service is only available for items mailed as either First-Class Mail or Priority Mail.)
- c. The address side of the package is labeled with “REPLICA EXPLOSIVE” using at least 20-point type or letters at least 1/4" high.

We will incorporate this revision into the next printed version of the DMM and into the monthly update of the online DMM, which is available via Postal Explorer® at <http://pe.usps.com>.

IMM Revision: Certificate of Mailing Service — Clarification

Effective July 6, 2010, the Postal Service™ will revise part 313 in *Mailing Standards of the United States Postal Service*, International Mail Manual (IMM®) to more clearly describe international certificate of mailing service.

We are updating IMM 313 to more clearly identify the three different fee structures for mailers who use certificate of mailing for eligible outbound international mailpieces. Previously, we combined into one section the option of individual pieces using PS Form 3817, *Certificate of Mailing*, or PS Form 3877, *Firm Mailing Book for Accountable Mail*. With this revision, these options will appear as separate sections, as noted here.

Consistent with DMM 503.3, we are codifying that mailers who use PS Form 3877 are authorized to use computer-generated firm sheets that contain the same information as PS Form 3877. Also, to provide clarity to mailers, we are making other minor changes throughout this section.

In addition, in the Individual Country Listings, for each country that offers certificate of mailing service, we are replacing the current line of text (which lists the fee for an individual certificate) with a table that provides complete

fee information for both individual and bulk certificate of mailing service.

3	Extra Services				
310	Certificate of Mailing				
	*	*	*	*	*
313	Fees				

[Revise 313 in its entirety to read as follows:]

313.1 Individual Pieces

In addition to the correct postage, the mailer must pay the certificate of mailing fee for each article on PS Form 3817, *Certificate of Mailing*. For each duplicate copy of PS Form 3817 requested after mailing (see 312.2), the mailer must pay a separate fee. See Notice 123, *Price List*.

313.2 Three or More Pieces

To receive a reduced fee when mailing three or more pieces, the mailer may optionally use PS Form 3877, *Firm Mailing Book for Accountable Mail*. The mailer must pay the certificate of mailing fee with a permit imprint or by affixing ordinary stamps, precanceled stamps, or metered stamps to PS Form 3877. For a separate fee, the mailer may request a duplicate copy of PS Form 3877 after mailing (see 312.2). See Notice 123, *Price List*, for all applicable fees.

The mailer must make all entries on firm sheets by type-writer, ink, or ballpoint pen. The mailer may also use computer-generated firm sheets that contain the same information as PS Form 3877. The mailer must obliterate all unused portions of the addressee column by drawing a diagonal line through them. The mailer and accepting employee must initial any alterations to the firm sheets. The sheets of the books become the sender's receipts.

313.3 Bulk Pieces

For bulk mailings paid with ordinary stamps or meter stamps, the mailer may optionally use PS Form 3606, *Certificate of Bulk Mailing* — however, the mailer cannot use PS Form 3606 for a bulk mailing paid with a permit imprint. The mailer must affix stamps or meter stamps to the form to pay the bulk certificate of mailing fees. See Notice 123, *Price List*.

PS Form 3606 is provided only for a mailing of identical pieces under 312.1. It only verifies the total number of articles mailed, and it must not be used as an itemized list.

IMM Revision: Customer Deposit of International Mailpieces Bearing a Customs Declaration — Clarification

Effective August 2, 2010, the Postal Service[™] will revise *Mailing Standards of the United States Postal Service*, International Mail Manual (IMM[®]) sections 225.11, 235.11, and 245.1 to clarify that mailers who enter volume mailings paid with a permit imprint and bearing a customs declaration must enter such items through a business mail entry unit (BMEU) or, when authorized by the district BMEU manager, through a detached mail unit (DMU) at a mailer's plant.

In the article "IMM Revision: Customer Deposit of International Mailpieces" in *Postal Bulletin 22273* (12-3-09, pages 17–20), we codified that a mailer must present Express Mail International[®], Priority Mail International[®], and First-Class Mail International[®] items bearing customs labels to an employee at a Post Office[™] retail service counter. However, that revision focused on mailers of individual pieces — it neglected to mention volume mailers. Consequently, we are revising the applicable IMM sections to indicate that a mailer who presents a volume mailing

paid with a permit imprint must enter the mailing at a BMEU.

IMM Revision: Index of Countries and Localities

Effective August 2, 2010, the Postal Service™ is revising the Index of Countries and Localities in *Mailing Standards of the United States Postal Service, International Mail Manual (IMM®)*. This revision will align the IMM index with the revised listing that is scheduled to appear (also on August 2, 2010) in the International Price Calculator on Postal Explorer® at <http://pe.usps.com>.

The revised IMM index will include the following:

- The addition of 15 new localities (i.e., regions or zones of a country). For example, the revised index will include all of Canada's provinces.
- Minor revisions to 67 entries. For example, American Samoa will be listed as "American Samoa, United States (Domestic Mail)" rather than as "American Samoa (U.S. Possession)."

It is important to note that no new countries will appear in the revised list — like the current list, the revised list will include 215 countries.

The entire list is published below, and the new and revised entries appear in bold text merely for emphasis.

Management Instructions

Management Instruction FM 640-2010-1

Management Instruction (MI) FM 640-2000-1 *Employer Tax Reporting Responsibilities — Conference, Meeting, and Training Session Mementos or Gifts*, has been updated and renamed MI FM 640-2010-1, *Postal Service Tax-Reporting Responsibilities — Event Mementos*, in an effort to clarify which items may or may not be considered tax reportable.

Policy

The Postal Service™ policy on event mementos is as follows:

- Tangible personal property of less than \$50 is not taxable.
- Tangible items valued at more than \$50 are taxable and must be reported as taxable income.
- Items provided as supplies during the event are excluded from the taxable amount.
- Cash and cash equivalents given (to Postal Service employees only) are tax reportable in any amount.
- Nondiscretionary items (items that cannot be exchanged for cash) need not be reported if said item is valued at less than \$50. If valued at more than \$50, it must be reported.

- Discretionary items (items that can easily be converted to cash) should be dealt with as cash (see above).

All event sponsors must follow the procedures for tax reporting for recognition awards as set forth in subchapter 470 of the *Employee and Labor Manual* (ELM).

Deviations

All deviations to this policy must be sent to the manager, Assets and Payables, at Headquarters (HQ) 5 business days prior to the event.

Non-Postal Service employees

Mementos of more than \$50 cannot be given to Non-Postal Service employees without prior approval from the manager, Assets and Payables, HQ. Mementos of less than \$50 may be given to non-Postal Service employees and will not be reported even if said gift is “discretionary.”

Note: This MI does not cover gifts from outside sources to a U.S. Postal Service® employee.

SOX Testing at Postal Retail Units Begins July 1, 2010

Testing for Sarbanes-Oxley Act (SOX) compliance begins July 1, 2010. The reporting period for testing is Fiscal Year 2010 (starting October 1, 2009). Beginning immediately, postal retail units (PRUs) must ensure the following key documentation for SOX compliance is available for review:

- **Voyager/FAMS** — The site manager or designee must complete all required reconciliation and certification activities at least once a month for the previous month. All documentation (i.e., service station receipt or facsimile) to support reconciliation and certification activities must be available for inspection. See *Voyager Site Fleet Card Guide*, part 4.
 - **SmartPay** reconciliations must be completed prior to the 18th day of the month following posted transactions (both by the cardholder and the credit card approving official (CCAO)). See Handbook AS-709, chapter 4.
 - **PS Forms 3294**, *Cash and Stamp Stock Count and Summary*, must be properly completed and available for all stamp/cash credit counts. The forms must be certified as correct with two independent signatures on each form (the employee to whom the credit is assigned and the examiner). See Handbook F-101, chapter 13.
- Note:** At POS units only, the electronic equivalent of the signature printed on the form is acceptable (the electronic equivalent replaces the required signature with a printed, system-generated certification that ties the document to the employee's ACE ID and log-on ID).
- **Deposit slips** must be properly prepared with the signature of the preparer and witness (if a witness is available). See Handbook F-101, section 9-1.2.2.
 - **PS Forms 3533**, *Application for Refund of Fees, Products and Withdrawal of Customer Accounts*, must be properly completed, signed, and available to support all applicable entries to PS Form 1412, *Daily Financial Report*. See Handbook F-101, appendix E-2 for PS Form 1412 entries that require PS Form 3533.
 - **PS Form 1412**, *Daily Financial Report*, must have all required documentation to support daily entries. The documentation must be properly prepared and signed (when applicable). See Handbook F-101, subchapters 5-2, 5-3, and 5-4.
 - **IRT units** — Each clerk and unit PS Form 1412 must bear the responsible employee's certifying signature. See Handbook F-101, subchapter 5-3.
 - **eMOVES and POS One units** — Each clerk PS Form 1412 must bear the responsible employee's certifying signature. Unit PS Forms 1412 must be available for review, and must also bear the preparer's signature or the electronic equivalent. (The electronic equivalent replaces the required signature with a printed, system-generated certification that ties the document to the employee's ACE ID and log-on ID.) See Handbook F-101, subchapter 5-2.

Stamp Announcement 10-18: Negro Leagues Baseball

© 2009 USPS

On July 15, 2010, in Kansas City, Missouri, the Postal Service™ will issue a 44-cent, *Negro Leagues Baseball* commemorative stamp in two designs in a pressure-sensitive adhesive (PSA) pane of 20 stamps (Item 465200). The stamp, designed by Howard E. Paine, Delaplane, Virginia, goes on sale nationwide July 15, 2010.

The *Negro Leagues Baseball* stamp pays tribute to the all-black professional baseball leagues that operated from 1920 to about 1960. Considered the “father” of Negro leagues baseball, Andrew “Rube” Foster (1879–1930) established the Negro National League in 1920, the first successful league of African-American baseball teams. Although no longer a vital component of American baseball after about 1960, the Negro leagues led to lasting changes within the sport. The two set-tenant stamps feature a scene painted by Kadir Nelson, San Diego, California.

How to Order the First Day of Issue Postmark

Customers have 60 days to obtain the first day of issue postmark by mail. They may purchase new stamps at their local Post Office™ facility, at The Postal Store® website at www.usps.com/shop, or by calling 800-STAMP-24. They should affix the stamps to envelopes of their choice, address the envelopes (to themselves or others), and place them in a larger envelope addressed to:

Negro Leagues Baseball Stamp
Postmaster
300 W. Pershing Road
Kansas City, MO 64108-9998

After applying the first day of issue postmark, the Postal Service will return the envelopes through the mail. There is no charge for the postmark. All orders must be postmarked by September 15, 2010.

Distribution: Item 465200, 44-cent Negro Leagues Baseball PSA Pane of 20 Stamps

Stamp distribution offices (SDOs) and stamp distribution centers (SDCs) will receive approximately 50 percent of their standard automatic distribution quantity for a PSA sheet stamp. Distributions are rounded up to the nearest master carton size of 40,000 stamps.

Initial Supply to Post Offices

SDOs/SDCs will make a subsequent automatic distribution to Post Offices of 50 percent of their standard automatic distribution quantity using PS Form 17, *Stamp Requisition/Stamp Return*. SDOs must not distribute this commemorative sheet to Post Offices before July 2, 2010.

Additional Supply

Post Offices requiring additional quantities of Item 465200 must requisition them from their designated SDO/SDC using PS Form 17. For fulfilling supplemental orders from Post Offices and SDOs, all of the SDCs will receive additional commemorative stamps.

Sales Policy

All Post Offices must acquire and maintain a supply of each new commemorative stamp as long as customer demand exists, until inventory is depleted, or until the stamp is officially withdrawn from sale. If supplies run low, Post Offices must reorder additional quantities using their normal ordering procedures.

Stamp Announcement 10-19: Sunday Funnies

© 2009 USPS

On July 16, 2010, in Columbus, Ohio, the Postal Service™ will issue a 44-cent, *Sunday Funnies* commemorative stamp in five designs in a pressure-sensitive adhesive (PSA) pane of 20 stamps (Item 465500). The stamp pane, designed by Ethel Kessler, Bethesda, Maryland, goes on sale nationwide July 16, 2010.

The *Sunday Funnies* stamp pane honors five of our most beloved comic strips: *Archie*, *Beetle Bailey*, *Dennis the Menace*, *Garfield*, and *Calvin and Hobbes*. Art director Ethel Kessler selected the images that appear on the stamps.

The *Beetle Bailey* stamp features Beetle, smiling calmly while Sarge loses his cool.

The *Calvin and Hobbes* stamp captures the precocious 6-year-old and his tiger pal making scary and ridiculous faces.

The *Archie* stamp features Archie sharing a chocolate shake with brunette Veronica Lodge on his right and blonde Betty Cooper on his left.

The *Garfield* stamp features the crabby tabby standing back to back with Odie, a carefree, energetic dog.

The *Dennis the Menace* stamp features 5-year-old Dennis, dressed in red overalls and striped shirt, running off to some new adventure.

How to Order the First Day of Issue Postmark

Customers have 60 days to obtain the first day of issue postmark by mail. They may purchase new stamps at their local Post Office™ facility, at The Postal Store® website at www.usps.com/shop, or by calling 800-STAMP-24. They should affix the stamps to envelopes of their choice, address the envelopes (to themselves or others), and place them in a larger envelope addressed to:

Stamp Announcement 10-20: Scouting

© 2009 USPS

On July 27, 2010, in Fort A. P. Hill, Virginia, the Postal Service™ will issue a 44-cent, *Scouting* commemorative stamp in one design in a pressure-sensitive adhesive (PSA) pane of 20 stamps (Item 465400). The stamp, designed by Derry Noyes, Washington, DC, goes on sale nationwide July 27, 2010.

To create this original design, illustrator Craig Frazier, Mill Valley, California, depicted the images of two different scouts in clothing and accessories that are often part of the outdoor scouting experience — hats, packs, boots, and binoculars. At first glance, one sees the large silhouette of a scout peering through binoculars. Within this figure is another scout perched atop a mountain taking in the vista. “I wanted a level of discovery to be portrayed in the stamp itself,” Frazier recalls.

He continues, “The small figure and landscape indicate very hard, directional light coming from low on the horizon — either early morning or late afternoon. The sky has that pale blue to indigo transition that happens only at those two times of day.”

Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears below. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order

request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers wishing to obtain a postmark should affix stamps to any envelope or postcard of their choice,

address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4[®] Code, as listed below.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

How to Order the First Day of Issue Digital Color or Traditional Postmarks

Customers have 60 days to obtain the first day of issue postmarks by mail. They may purchase new stamps at their local Post Office™, by telephone at 800-STAMP-24, or at The Postal Store® website at www.usps.com/shop.

Traditional Postmarks

Customers should affix the stamps to envelopes of their choice, address them to themselves or others, or provide a self-addressed return envelope with sufficient postage large enough to accommodate the canceled item. Mail the request to the corresponding city of issuance. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers should submit a check, money order, or credit card for payment. After applying the first day of issue postmark, the Postal Service™ will return the envelopes to the customer by U.S. Mail.

All postmark requests should go to the first day of issue city. The first day of issue city Post Office will then forward

in bulk all postmark requests to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992 by respective Post Offices.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16" side seams with no glue on the flap. The maximum size of all digital color postmarks is 2" high x 4" long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers should submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not

compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers should affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their can-

celed items, with sufficient postage affixed for return of their postmarked items. Mail the request for a first day of issue digital color postmark to the corresponding city of issuance. Post Offices will then forward all customer requests for digital color postmarks to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992.

After applying the first day of issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail.

Updated Announcement 10-D: 2010 Stamps and Postal Stationery

“2010 Stamps and Postal Stationery” (Announcement 10-D, June 2010), which appears on pages [91–93](#), replaces the quarterly announcement of the same name, previously printed and sent to customers on request through Stamp Fulfillment Services in Kansas City. The announcement is a listing of stamps and postal stationery items scheduled for issuance during calendar year 2010. Postmasters may wish to post this schedule on their Post Office™ bulletin boards.

Customers may also access the *Postal Bulletin* through the Postal Service™ website at www.usps.com; click *About USPS & News*, then *Forms & Publications*, then *Postal Bulletin*.

This announcement will be updated every 2 to 3 months, as changes warrant.

How to Order First Day of Issue Postmarks and Covers

Customers may purchase new stamps or postal stationery items at their Post Office, from the *USA Philatelic Catalog*, by calling 800-STAMP-24, or online at www.usps.com by clicking *Buy Stamps & Shop*. Then they should prepare their own covers by affixing new stamps to the upper-right corner of envelopes or postcards of their

choice, and address those envelopes, postcards, or postal stationery items to themselves or others. (Postage must equal the current First-Class Mail® rate.) For sturdiness, include a card of postcard thickness in each cover (envelopes only) submitted, and tuck in the flap. Place the cover in a larger envelope addressed to:

Name of Issue
 Postmaster
 City, State ZIP Code (followed by -9998)

Covers submitted for first day of issue postmarks may include additional uncanceled stamps only if the uncanceled stamps were issued before the first day of issue of the new stamps or postal stationery items. All orders must be postmarked on or before the deadline indicated in the “2010 Stamps and Postal Stationery” announcement on pages [91–93](#).

Stop Sending Copies of PS Form 8176, Premium Forwarding Service Application, to Headquarters

Offices are no longer required to send a copy of PS Form 8176, *Premium Forwarding Service® (PFS®) Application*, to Headquarters (HQ). This requirement ended in 2007 when the application was revised and page 4 (HQ copy) was removed. In 2005, the PFS program office at HQ required a copy of page 4 when PFS was an experiment. However, the experiment ended in 2007 when PFS became an official product offering. Offices that still send copies to HQ are wasting workhours and money — especially some offices that send them by Express Mail®, Registered Mail®, and Priority Mail® service.

Supply Management

Cleanwise LLC Helps USPS Save Money While Also Protecting the Environment

According to historical data, waste can liners are one of the largest spending items for the Postal Service™. Unfortunately, it's common to find the wrong size liner in a trash container. Over-sized liners cost more money and waste plastic; this excess material ends up in landfills. Under-sized liners fall into the can, and hold less, so you use more of them.

After careful research and testing, Cleanwise LLC developed a waste can liner program that offers the right size or “perfect fit” for the most common Rubbermaid containers. The “Perfect Fit” program optimizes the can liners you currently use and standardizes the product offering to reduce waste. Additionally, this program uses demand management to leverage spending, thereby influencing additional cost savings from Cleanwise’s manufacturing partners directly to you.

Contact Cleanwise LLC at 877-255-5230 for your free liner assessment, product pricing proposals, and cost savings recommendations. Cleanwise containers and matching waste can liners may be purchased on eBay2 by searching for “Perfect Fit.” Each container and liner description lists its matching item numbers.
