Publicity Kit: Scouting Stamp

The Boy Scouts of America celebrated its 100th anniversary on February 8, 2010, and the Postal Service™ will celebrate this milestone by issuing the 44-cent First-Class Mail® *Scouting* stamp on Tuesday, July 27. The first-day-of-issue dedication ceremony takes place during the Boy Scout Jamboree at Fort A.P. Hill, near Bowling Green, Virginia.

Postmasters are encouraged to coordinate with local Boy Scout troops and elected officials that day to conduct first-day-of-sale ceremonies. If that's not convenient, "spe-

cial dedication" ceremonies can take place anytime after that. (The term "second-day-of-issue dedication ceremony" is no longer used as it erroneously implies that dedication ceremonies are limited to the day following the first day of issuance.)

Included in this kit are elements that can be used to conduct and promote an event:

- Sample media advisory (for distribution no later than 3 days prior to event).
- Sample news release.
- Sample speech.
- Contacts for obtaining a *Scouting* stamp poster-sized enlargement for event use and for obtaining a high-resolution image of the stamp for media use.
- Government Relations contacts for assistance in contacting elected officials.
- Corporate Communications managers listing for assistance with event publicity.

For more information on the Boy Scouts of America, visit www.scouting.org. Postmasters can obtain local scouting contact information at this link: <http://www.scouting.org/localcouncillocator.aspx>.

Scouting Background

Since the creation of the international youth scouting movement some 100 years ago, hundreds of millions of children have benefited from opportunities for adventure, skill building, leadership, personal development, and community service provided by scouting organizations. These groups offer young people communities in which they can learn collaboratively and have fun in partnership with adults.

Historically, scouts had to find their way by the stars or map, to notice tracks and interpret their meaning, and to fend for themselves. Many of today's youth scouts continue to learn these and other skills, both outdoors and indoors, and enjoy hobbies made accessible to them through scouting.

Scouting Gets First-Class Mail Stamp of Approval

(NAME) Post Office Celebrates 100th Anniversary of Scouting

(CITY, STATE) — The (NAME) Post Office™ celebrated the adventure and spirit of scouting during a special dedication of the Scouting stamp to honor the 100th anniversary of the Boy Scouts of America.

“The (NAME) Post Office is proud to celebrate scouting’s role for boys and girls alike for more than 100 years,” said (TITLE AND NAME). “Scouting builds confidence and self reliance and develops tomorrow’s leaders. We’re here today to raise awareness of this fine institution by dedicating the *Scouting* stamp.”

Joining (NAME) at the dedication ceremony were (TITLE AND NAME) and members of (SCOUT TROOP NUMBER IF APPLICABLE).

(INSERT QUOTE HERE FROM PARTICIPANT(S) HERE).

Stamp artist Craig Frazier of Mill Valley, CA, worked under the direction of art director Derry Noyes of Washington, DC, to create the image. The 44-cent First-Class Mail® stamp depicts two different scouts in clothing and accessories that are often part of the outdoor scouting experience — hats, packs, boots, and binoculars. At first glance, one sees the large silhouette of a scout peering through binoculars. Within this figure is another scout perched atop a mountain taking in the vista.

Since the creation of the international youth scouting movement, hundreds of millions of children have benefited from opportunities for adventure, skill building, leadership, personal development and community service provided by scouting organizations. These groups offer young people communities in which they can learn collaboratively and have fun in partnership with adults.

The Boy Scouts of America celebrated its 100th anniversary Feb. 8, 2010. To mark this milestone, the organization has undertaken nationwide celebration efforts that reintroduce the organization to today’s young people and families, reinforce the value of scouting and reconnect with the millions the organization has impacted. Sample Special Dedication Speech

Thank you all for joining us for today’s event. (OPTIONAL: ADD A BRIEF COMMENT ABOUT HOW THIS LOCATION RELATES TO SCOUTING).

I also want to thank all of our special guests for joining us in beautiful (CITY/TOWN/LOCATION/TYPE OF SETTING).

In particular, I’m glad that our good friend (NAME OF ELECTED OFFICIAL) is here, along with (ANY OTHER INDIVIDUALS THAT SHOULD BE RECOGNIZED).

On behalf of the United States Postal Service, I am delighted to be here as we feature the *Scouting* commemorative stamp — a stamp that celebrates the adventure and spirit of scouting.

Early in their scouting experience, boys and girls learn many important lessons about life — lessons about serving others, healthy living, teamwork and building character.

And these lessons stay with scouts throughout their lives.

Scouting also teaches the importance of protecting the environment — something the U.S. Postal Service knows all about, as it has a long history of environmental leadership and innovation.

In fact, our history of environmental efforts goes back more than 100 years — even longer than scouting!

We were testing electric mail delivery vehicles when horses were still being used for transportation.

And we were recycling long before there was a universal symbol for it.

Scouts are famous for serving others and helping their communities. At the Postal Service, our own sustainability efforts are benefiting our families, friends and neighbors in the communities where we live and work.

When we re-use, recycle and reduce, we help lower greenhouse gas emissions. And that’s good for everyone.

From its modest beginnings, scouting has grown into an organization that serves more than 28 million youth and adults, boys and girls . . . in more than 160 countries.

Girl Scouts, of course, know there’s no better way to raise money for a good cause than to sell those delicious cookies — and we at the Postal Service know that there is no better way to raise awareness for a cause than to feature it on a postage stamp.

That is why today, I’m pleased that the United States Postal Service is helping honor and celebrate the service and spirit of scouting with a new stamp.

Since we issued our first commemorative stamp more than 100 years ago, our stamp program has been a unique platform for recognizing our country’s educational, artistic, historical and professional accomplishments.

And I’m pleased that in that span of time, the scouting movement has become part of that legacy.

On the *Scouting* stamp here today, artist Craig Frazier shows a large silhouette of a scout peering through binoculars, and, within this figure, another scout on top a mountain, taking in the view of the surrounding countryside.

[PAUSE]

And now, on behalf of the United States Postal Service, I would like to ask _____ to join me as we showcase the *Scouting* commemorative stamp!

DMM Correction: Treatment of Cigarettes and Smokeless Tobacco as Nonmailable Matter — Effective Date

On June 17, 2010, the article “DMM Revision: Treatment of Cigarettes and Smokeless Tobacco as Nonmailable Matter” in *Postal Bulletin* (PB 22287, pages 28–33) revised *Mailing Standards of the United States Postal Service, Domestic Mail Manual (DMM®)* to describe new standards pertaining to the mailing of tobacco, cigarettes, and smokeless tobacco implemented under provisions of the Prevent All Cigarette Trafficking (PACT) Act. In that article,

we stated the effective date as July 6, 2010. Consistent with the PACT Act, and as announced in the May 27, 2010, *Federal Register* (75 FR 29662–29671) final rule, the effective date of these standards is June 29, 2010.

DMM Revision: Plant-Verified Drop Shipment — Nonpostal Documentation

Effective July 6, 2010, the Postal Service™ will revise *Mailing Standards of the United States Postal Service, Domestic Mail Manual (DMM®)* by adding new 705.15.2.14, which clarifies the use and purpose of PS Form 8125, *Plant-Verified Drop Shipment (PVDS) Verification and Clearance*, as well as other documents that mailers’ nonpostal transportation providers (carriers) may present at the time of induction.

[Add new 705.15.2.14 as follows:]

15.2.14 Form 8125 — Segregation and Nonpostal Documentation

Form 8125 must be segregated from all other nonpostal documentation and presented separately to USPS personnel at the time of induction. Nonpostal proof-of-delivery documents such as delivery receipts or bills of lading presented by a mailer’s transportation provider (carrier) are not substitutes for Form 8125. USPS personnel may, upon request, sign such documents when presented by carriers. A Form 8125 signed by a postal employee (or electronic equivalent file in the Electronic Verification System (eVS)) serves as the sole evidence of the transfer of the custody of pieces entered as a mailing at the time of induction. The Postal Service does not consider a proof-of-delivery document such as a delivery receipt or a bill of lading furnished by a USPS customer’s carrier as proof of mailing, acceptance, or the amount of mail tendered. Any signature by a postal employee or agent on any nonpostal form does not serve any mail acceptance purpose. If an inconsistency between the information on a Form 8125 and a carrier- or mailer-provided document designed to evidence the transfer of custody of pieces entered as a mailing at the time of induction exists, the information on Form 8125 prevails insofar as the USPS is concerned.

PS Forms 8125 must also be segregated from any other documentation presented at the time of mailing. This measure ensures that postal personnel will be able to easily identify and process necessary postal documentation at the time of induction, thereby increasing the efficiency of operations. PS Form 8125 serves as the sole source of evidence for USPS® purposes of the transfer of the custody of pieces entered at the time of induction. No other form of documentation serves this purpose.

In cases where a deficiency is identified by another postal official equal to or greater than \$100,000, and in certain cases referred by management of less than \$100,000, the MRAC will be the assessing postal official.

IMM Revision: Express Mail International and Priority Mail International Postage Payment Methods — Clarification

Effective August 2, 2010, the Postal Service™ will revise *Mailing Standards of the United States Postal Service*, International Mail Manual (IMM®) sections 223.222 and 233.22 to better define and clarify the postage payment methods available for Express Mail International® and Priority Mail International® services.

With the May 12, 2008, price change, we announced new price incentives for mailers using a permit imprint to pay for Express Mail International items when using Global Shipping Software (GSS). The corresponding standards (IMM 223.222) incorporated with this change provide that mailers may use a permit imprint to pay postage through an advance deposit account or an Express Mail corporate account (EMCA). We are clarifying IMM 223.222 to distinguish between the two options when using a permit imprint as a postage payment method for Express Mail International items:

- A permit imprint paid through a *PostalOne!*® advance deposit account combined with the use of GSS.
- A permit imprint paid through an EMCA without using GSS.

Also with the May 12, 2008, price change, we announced a new price incentive for mailers using a permit imprint as a postage payment method for Priority Mail International items, provided that they also use GSS. Now we are revising 233.22 in its entirety to clarify that there are two price tiers for Priority Mail International items paid with a permit imprint through an advance deposit account:

- A commercial base price when the mailer uses GSS.
- A retail price when the mailer does not use GSS.

Consequently, we are revising the IMM as follows:

Mailing Standards of the United States Postal Service, International Mail Manual (IMM)

223.22 Permit Imprint

* * * * *

223.222 Permit Imprint — Commercial Base Prices

[Revise 223.222 as follows:]

Express Mail International commercial base postage prices are 8 percent below retail prices for all postage paid with a permit imprint. The commercial base price incentive applies only to the postage portion of Express Mail International prices. It does not apply to any other charges or fees, such as Pickup on Demand service, additional merchandise insurance coverage, or shipments made under a customized agreement.

To receive the commercial base price incentive for items using a permit imprint as a postage payment option, customers must meet the manifesting and permit imprint requirements under 223.221, in addition to one of the following permit imprint postage payment options:

- a. Customers may use permit imprint as a postage payment option paid through a *PostalOne!* advance deposit account. Under this option, customers must use USPS-produced Global Shipping Software (GSS). (To request information about GSS, send an e-mail to GSSHelp@usps.gov.)
- b. Customers may use permit imprint as a postage payment option paid through an Express Mail Corporate Account (see 223.23).

Customers who are capable, on an annualized basis, of using Express Mail International service to tender at least 2,500 pieces or pay at least \$50,000 in international postage should contact the Postal Service to discuss customized agreements (see 297).

233.22 Permit Imprint

[Revise 233.22 in its entirety to read as follows:]

233.221 Permit Imprint — General

Priority Mail International items paid with permit imprint through an advance deposit account are eligible for either

the commercial base price under 233.222 or the retail price under 233.223.

233.222 Permit Imprint — Commercial Base Prices

Priority Mail International commercial base postage prices are 5 percent below retail prices for items bearing a permit imprint and using USPS-produced Global Shipping Software (GSS). In addition, customers must meet the permit imprint requirements under IMM 152.4 and DMM 604 and the manifesting requirements under DMM 705.

233.223 Permit Imprint — Retail Price

Priority Mail International items paid with a permit imprint through an advance deposit account but not using GSS

under 233.222 are charged the applicable retail price. In addition, customers must meet the permit imprint requirements under IMM 152.4 and DMM 604. Mailers sending nonidentical pieces must also meet the manifesting requirements under DMM 705.

IMM Revision: Cigarettes and Smokeless Tobacco Prohibited in All Outbound and Inbound International Mail

Effective June 29, 2010, the Postal Service™ revised *Mailing Standards of the United States Postal Service, International Mail Manual (IMM®)* to add a new section 136.4, which codifies that cigarettes (including roll-your-own tobacco) and smokeless tobacco products are nonmailable when sent in outbound or inbound international mail.

In the May 27, 2010, *Federal Register* (75 FR 29662–29671), we implemented the final rule for the specific requirements of the Prevent All Cigarette Trafficking (PACT) Act, which restricts the mailability of cigarettes and smokeless tobacco in outbound or inbound international mail. The Postal Service does not believe that any alternative exists at this time to allow U.S. mailers to tender cigarettes and smokeless tobacco as outbound international mail or to receive them as inbound international mail under the exceptions provided in the PACT Act. Consequently, we are revising the IMM as follows:

IMM Revision: Labeling Changes for International Priority Airmail and International Surface Air Lift

Effective August 2, 2010, the Postal Service™ will revise *Mailing Standards of the United States Postal Service, International Mail Manual (IMM®)* Exhibits 292.462, 292.47, and 293.462 to reflect Postal Service operational changes.

International Priority Airmail™ (IPA®) and International Surface Air Lift® (ISAL®) mailings for all origin ZIP™ Codes that were previously dispatched to the Seattle Processing

and Distribution Center are to be dispatched to the San Francisco International Service Center. The 3-digit origin ZIP Codes that are affected with this change are 590–599, 821, 832–838, 970–986, and 988–999. Consequently, Exhibits 292.462, 292.47, and 293.462 are being revised accordingly.

Also, we are making minor revisions to the ZIP Codes in Exhibit 292.47 for Canada IPA and ISAL service to reflect current information — for instance, we have removed some 3-digit ZIP Code prefixes (e.g., 004 and 987) and added others (e.g., 006–009 and 851).

Management Instructions

New Management Instruction DM-140-2010-1, Assessing and Collecting Deficiencies in Postage or Fees

Management Instruction (MI) DM-140-2010-1, *Assessing and Collecting Deficiencies in Postage or Fees*, is now available on PolicyNet and is effective immediately. This new MI supersedes MI DM-140-2008-1, which is now obsolete.

This MI provides updated guidance to postal officials on the policy and procedures for assessment of a revenue deficiency when shortages are identified in the payment of applicable fees or postage due the Postal Service™.

The MI also describes the new position of manager, Revenue Assessment and Control, Headquarters, who is responsible for the assessment, if any, of:

- A revenue deficiency if the amount is equal to or greater than \$100,000.
- Certain revenue deficiencies of less than \$100,000.

Postmasters and managers, Business Mail Entry, or their designees, will continue to assess all other revenue deficiencies.

Appeal procedures are being revised for publication in the next electronic update of the *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) on July 7, 2010.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
 - There should be no discoloration around the dollar amounts, which might indicate the amounts were changes.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at <http://www.usps.com/missingmoneyorders/security.htm>.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Other Information

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table below outlines these conditions by APO/FPO/DPO ZIP™ Codes through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks should use the table with the integrated retail terminal (IRT) or POS ONE terminal to deter-

mine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply. **Acceptance clerks may contact the Military Postal Service Agency with any questions regarding APO/FPO/DPO ZIP Codes, toll free, at 800-810-6098, Monday–Friday, 0730–1600 ET.**

For Express Mail Military Service (EMMS) availability, all acceptance clerks must refer to the local hardcopy EMMS directory.

We have eliminated “Not Active” entries from the table below to save space and paper.

Missing Children Poster Display Instructions

Post Offices, classified stations, branches, and contract postal units may display this poster at their option. If the poster is displayed, it should be placed on the community bulletin board located in the Post Office™ box lobby and not in the main retail (full service) lobby. Alternatively, Missing Children posters can be maintained in a binder behind the counter to be used as a reference guide. The posters also may be posted in a prominent location where letter carriers will be able to see them before or after they go out on their routes. Making this information available to letter carriers is consistent with the NALC/USPS Child Alert Program to facilitate identification of missing children.

Companion posters, authorized for display on bulletin boards maintained by employee organizations, appear periodically in *The Postal Record*, a publication for members of the National Association of Letter Carriers.

This poster is published in cooperation with the National Center for Missing and Exploited Children, the United States Department of Justice, and the National Association of Letter Carriers. Information appearing on this poster is selected solely by the National Center for Missing and Exploited Children (NCMEC).

In addition to *Postal Bulletin* updates, NCMEC distributes information periodically. Notification of newly reported missing children is sent to designated district “Missing Children” coordinators via e-mail addresses provided by district managers. Within 24 hours of receipt of an e-mailed Missing Children poster, district coordinators should distribute copies to all Postal Service™ facilities in their districts. Missing Children posters are to be displayed as noted above for 30 days unless notification is received (from NCMEC) to remove a particular poster sooner. The e-mail network is used to distribute posters and information in only the most urgent cases of missing children. This system supplements, but does not replace, the missing children information in this *Postal Bulletin*.

Missing Children posters are available to the U.S. Postal Service® only as described above. If Postal Service employees are contacted by individuals or local agencies about displaying a sign or poster of a missing child in local Post Offices, the individual or agency should be politely informed that the U.S. Postal Service displays only those posters provided by NCMEC, because it has been designated by the U.S. Department of Justice to be the national clearinghouse and resource center for missing and exploited children. The individual or agency should then be referred to NCMEC at 800-843-5678.

If you have any information, or for free prevention tips, please call 800-THE-LOST (800-843-5678).

Philately

Quarter 4 Philatelic Products Approved for Sale in Retail

In mid July, participating Post Office™ locations will receive a new shipment of philatelic products to display and sell during Quarter 4.

Offices must assign these products as part of their **Retail Floor Stock** in POS ONE in order to enable the Inventory Replenishment System (IRS) to monitor and replenish products as they are sold. Failure to do so will result in unwanted product replenishment and inflate unit accountability. Standard operating procedures (SOPs) for philatelic product acceptance are posted on the Retail website on Blue at http://blue.usps.gov/retail/L2ProdServ_RetailProducts.htm. On the right side of the page under “Standard Operating Procedures (SOP)”, click *POS Inventory Entry for Philatelic from MDI*.

The following philatelic products are approved for display on the *Featured Items* section of slatwall in participating postal lobbies in Quarter 4, FY10:

Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears below. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date*.

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include postage issued after the date of the requested postmark. Such items will be returned unserviced.

Item Number	Philatelic Products for Display in Retail in Quarter 4	Price
990900	2009 Stamp Yearbook (display all year)	\$59.95
890900	Guide to U.S. Stamps (display all year)	\$19.95

The *Adopt a Shelter Pet* notecards and diaries from Quarter 3 will remain on display in Quarter 4, along with the new products provided in the July shipment.

To view a copy of the Quarter 4 planogram showing the proper placement of these philatelic products on the *Featured Items* slatwall, refer to the Retail website on Blue at the URL here; and under “Planograms”, click *Quarter 4 Featured Product*.

The following products should be removed from display in Quarter 4:

Item Number	Philatelic Products to be Removed from Display in Quarter 4
980066	Scenic American Landscapes Premium Postcards
576099	Adopt a Shelter Pet Cancellation Keepsake
465399	Cowboys of the Silver Screen Cancellation Keepsake

Philatelic products removed from display may still be sold in retail until they are officially removed from sale as announced in periodic *Postal Bulletin* Philately articles. Such products should then be returned to the assigned Stamp Distribution Center (SDC) for destruction as per normal local return cycles and policies.

— Stamp Services,
Government Relations and Public Policy, 7-1-10

Customers wishing to obtain a postmark should affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed below.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

How to Order the First Day of Issue Digital Color or Traditional Postmarks

Customers have 60 days to obtain the first day of issue postmarks by mail. They may purchase new stamps at their local Post Office™, by telephone at 800-STAMP-24, or at The Postal Store® website at www.usps.com/shop.

Traditional Postmarks

Customers should affix the stamps to envelopes of their choice, address them to themselves or others, or provide a self-addressed return envelope with sufficient postage large enough to accommodate the canceled item. Mail the request to the corresponding city of issuance. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers should submit a check, money order, or credit card for payment. After applying the first day of issue postmark, the Postal Service™ will return the envelopes to the customer by U.S. Mail.

All postmark requests should go to the first day of issue city. The first day of issue city Post Office will then forward in bulk all postmark requests to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992 by respective Post Offices.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16" side seams with no glue on the flap. The maximum

size of all digital color postmarks is 2" high x 4" long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers should submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers should affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Mail the request for a first day of issue digital color postmark to the corresponding city of issuance. Post Offices will then forward all customer requests for digital color postmarks to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992.

After applying the first day of issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail.

Stamps by Mail — Brochure Ordering Information

This article publishes the Stamps by Mail® (SBM) print run cutoff schedule for fiscal year (FY) 10. Each date has a designation whether it is for the year-round (YR) brochure or the holiday (HOL) brochure. The remaining FY 10 print cycle cut-off date is as follows:

- August 20, 2010 (HOL).

Starting with the June 25, 2010, print cycle, the English-only brochures have been replaced with bilingual (English and Spanish) brochures. All orders received from SBM sites by June 25 and thereafter will be provided bilingual brochures. There is no change in the price.

To order brochures, submit PS Form 3227-O, *Stamps by Mail Brochure Order Form* (January 2009), to Cyril-Scott Company:

Cyril Scott Company
PO Box 627
Lancaster, OH 43130-0627
Telephone: 800-466-0455
Fax: 740-689-0210

You can find this form at <http://blue.usps.gov>; click *Forms*, and then select the form by number. A copy of this form appears on page [52](#) in this *Postal Bulletin*.

The cost per unit of 500 is \$12.51. This cost includes overprinting the address of the fulfillment office placing the order. You may pay for orders (under \$10,000) with local IMPAC credit cards, checks, or money orders. However, Cyril-Scott Company cannot process the order until it receives payment. Local eBay procedures may also apply (refer to local procurement procedures). Cyril-Scott

Company must receive orders placed by mail by close of business the day of the print run cut-off date listed here. Orders received after the cut-off date will be processed the next print run date.

All local Post Offices™ and centralized sites should follow the ordering instructions contained within this article and utilize local funds.

For Orders Exceeding \$10,000

Use eBay to process both centralized and decentralized brochure orders that exceed \$10,000.00. Note: These approved eBay orders must be received by Supply Management at least 10 days prior to a published run cut-off date to be included in that run.

Cyril-Scott Company will deliver orders within 35 calendar days after printing. Printing begins 1 week after the deadline date, and actual receipt of the order will depend on the ultimate destination and the corresponding delivery service standard.
