A U.S. Passport is Your Key to International Travel

The Department of State's Passport Services Directorate issues U.S. passports to traveling Americans. Passports are a request to foreign governments to permit you to travel, and also allow you to re-enter the United States. They provide proof of U.S. citizenship at home and around the world.

What is a U.S. Passport Book and Passport Card?

The passport book is proof of identity and U.S. citizenship. It can be used for all international travel: air, land, or sea. The passport card can be used to enter the United States from Canada, Mexico, the Caribbean, and Bermuda, at land border crossings or sea ports-of-entry. It cannot be used for international air travel. The wallet-size passport card is convenient and less expensive than the passport book.

Whether you plan to apply for a passport book, passport card, or both, submitting your passport application is easy. The U.S. Postal Service® makes it convenient to apply for your passport. Visit travel.state.gov or contact the National Passport Information Center (NPIC) at 877-487-2778 or TDD/TTY 888-874-7793 for more information on how to apply for a passport. Visit http://usps.com/passport to locate a Post Office™ near you that offers passport services.

Passport and International Travel Tips:

- Apply as early as possible before a trip.
- Check the expiration date of your passport well in advance of your departure date. Some countries may not permit you to enter if your passport will expire in six months or less.
- U.S. passports are issued to adults for 10 years and children under the age of 16 for five years.
- Passport forms can be filled out online and printed from http://travel.state.gov or obtained at your local Passport Application Acceptance Facility.
- Before traveling abroad, copy the identification page in case your passport is lost or stolen. If your passport is lost or stolen abroad, report the loss immediately to local police authorities and the nearest U.S. embassy or consulate.
- Visit the Country Information pages on http:// travel.state.gov to learn about the countries in which you are traveling.
- Register for the Smart Traveler Enrollment Program (STEP) at http://step.state.gov. When you sign up, you will automatically receive the most current information we compile about the country where you will be traveling or living. You will also receive updates, including Travel Warnings and Travel Alerts (where appropriate).

IMM Revision: Individual Country Listings for Brazil and the Cayman Islands

Effective March 3, 2014, the Postal Service[™] will revise *Mailing Standards of the United States Postal Service*, International Mail Manual (IMM[®]) to reflect changes to the Individual Country Listings (ICLs) for Brazil and the Cayman Islands.

The following ICL changes are a result of formal requests made through the Universal Postal Union (UPU) via International Bureau Circulars (IBC):

- Brazil: As indicated in UPU IBC 196, dated November 25, 2013, Brazil is prohibiting from entering its postal network items whose fragility (due either to nature or inadequate packing) could cause harm to individuals or equipment.
- Cayman Islands: As indicated in UPU IBC 199, dated November 25, 2013, the Cayman Islands updated its Observations to state that all mail items containing merchandise valued over \$60 USD, whether purchased or received as a gift, should be accompanied by an invoice. Failure to include an invoice could result in delivery delays.

In addition, we are updating the ICL for the Cayman Islands to incorporate that country's complete lists of Prohibitions and Restrictions (currently, each section states, "Same as Jamaica").

Handbook AS-353 Revision: Guide to Privacy, the Freedom of Information Act, and Records Management

The U.S. Postal Service[®] has entered into a settlement to resolve all claims in a national employment discrimination class action lawsuit filed by Postal Service[™] deaf and hard of hearing employees and applicants. Among other things, the settlement requires the Postal Service to select an independent ombudsperson who will serve for a period of three years, beginning October 29, 2013. In cooperation with the Postal Service headquarters disability program manager, the ombudsperson will monitor the Postal Service's compliance with the injunctive relief provisions of the settlement through the establishment of a call center and

designated email address. Deaf and hard of hearing Postal Service employees will be advised that they can register a comment or concern about communication accommodation issues via a designated email address and/or through a toll-free number or other device provided by the call center. Deaf and hard of hearing Postal Service employees will further be advised that use of the email address and toll-free number or device to register a comment or concern does not affect their rights to file a grievance or complaint in any other process, nor does it serve as initial contact for

any other process such as a grievance or EEO pre-complaint processing pursuant to 29 CFR 1614.105.

The Disability Program Manager will provide qualifying deaf and hard of hearing employees and applicants with information regarding how to contact the ombudsperson. Such individuals may register a comment or concern about communication and accommodation issues they have experienced in the workplace or during their employment application process with the Postal Service call center and/or designated email address. To be able to identify and address specific comments and/or concerns, individuals will be asked to supply information specific to them, such as their name, residential addresses, Employee Identification Number (EIN) or Applicant Identification Number (AIN). If necessary, the ombudsperson will investigate the comments and/or concerns in order to make an independent assessment.

The Postal Service is amending system of records (SOR) 100.900 *Employee Inquiry, Complaint, and Investigative Records* to account for the collection of applicant identification numbers from applicants who file an inquiry or complaint with the ombudsperson via the call center or designated email address. Additionally, to facilitate the record location process, retrievability is being updated to include Employee Identification Numbers and Applicant Identification Numbers.

Handbook AS-353, Guide to Privacy, the Freedom of Information Act, and Records Management, was revised to include these modifications, which were published in the Federal Register on December 27, 2013 (78 FR 79026-79027).

FY 2014 Delivery Unit 802.11 Wireless Local Area Network Installations

This notification is to advise Delivery Unit personnel of the 802.11 wireless local area network installations that will occur at Postal Delivery Unit facilities throughout FY 2014. The wireless local area network equipment is being installed to support deployment of existing and future Delivery Unit Infrastructure Technology (DUIT) initiatives, such as Delivery Schemeless Sortation (DSS), Passive Adaptive Scanning System (PASS) and Mobile Point of Sale (mPOS).

Currently, over 12,000 Postal Delivery Unit locations are slated to receive this new 802.11 wireless local area network equipment sometime during the year. The equipment consists of one or more wireless access points (WAP) connected to the existing local area network that currently support POS terminals, PCs, cradles, and printers. The equipment is intended to provide broad 802.11 wireless coverage for the facility, especially throughout the carrier and retail areas.

In addition to installations being performed by local USPS® maintenance personnel, the Postal Service has awarded contracts to three nationwide installation vendors — Verizon, Granite, and UNSi.* Installations will be assigned to maintenance or one of our vendors on a site-by-site basis, based on District, priority, availability, and other factors.

It is important for Postmasters, customer service managers, clerks, and other personnel to be aware that vendors may contact your site via phone to schedule installation of this equipment. The call will occur one to two weeks ahead of the projected installation timeframe. The callers will identify themselves as a representative of Verizon, Granite, or UNSi, and ask for the primary point of contact for each site, typically the Postmaster or customer service manager.

The vendor representative who contacts your site will coordinate a time and date for the installation, and ask a brief series of questions about your facility. Information you may be asked to provide includes, but is not limited to, the following:

- Ceiling height.
- Ceiling type (e.g. solid, open beams, drop tile).
- Facility layout and confirmation of square footage.
- Door width (for access and egress of installation equipment).
- Loading dock height (if applicable).
- Existing ethernet switch/router location.

Based on the information you provide during the preinstallation phone survey, an installation date and time will be scheduled. Depending on the size of your facility, these installations require a technician to be on-site for one to four hours to complete the work. When the installation technician arrives at the scheduled date and time, he or she will present an official USPS Letter of Agency (LoA) specific to the vendor he or she represents, and a valid driver's license for identification. Please accept this LoA as his or her credentials and authorization to perform the installation work described.

*Communication and installation scheduling between USPS maintenance organizations and the delivery unit locations is coordinated by each District.

If you become aware of any current or future status changes at your facility (e.g. facility moving, closing, lease expiring, change in operational status, etc.), immediately notify the IT Manager for your District. A list of District IT contacts can be found here: http://fcco/phonebook/fieldis.cfm. Contacting District IT to notify them of facility status changes helps us avoid unnecessary costs to the Postal Service™, as we are charged for the installation if it is not cancelled within 14 days of the scheduled date. All questions should be directed to the IT Service Desk at 800-USPS HELP (800-877-7435).

Invalid USPS Corporate Account Numbers

This listing should be provided to Contract Postal Units and used by acceptance clerks in non-POS locations without intranet access to validate a USPS Corporate Account (USPSCA) number online. For all other locations, online USPSCA validation is preferred. The online validation process is outlined in the USPSCA Validation SOP on the Retail webpage. This list supersedes all previous notices,

which must be recycled. Acceptance clerks must not accept Priority Mail Express™ shipments bearing an invalid USPSCA number in the "Payment by Account" or "Agreement Number" section of the label or form.

Note: The first 6 digits of a 9-digit Custom Designed Service and Next Day Pickup Agreement make up the Corporate Account Number.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service $^{\text{TM}}$ money order:

- Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
- 2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word "USPS" repeated.
 - There should be no discoloration around the dollar amounts, which might indicate the amounts were changes.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at https://www.usps.com/shop/accepting-money-orders.htm.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Other Information

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table below outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the <u>Restrictions</u> page following the table).

Acceptance clerks should use the table with the POS ONE terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply. Inquiries may be sent to the Military Postal Service Agency at https://amps.mpsa.mil/jy2/frm.htm.

The entries under "Changes" appear in bold in the APO/FPO/DPO table starting below.

Missing Children Poster Display Instructions

Post Offices, classified stations, branches, and contract postal units may display this poster at their option. If the poster is displayed, it should be placed on the community bulletin board located in the Post Office™ box lobby and not in the main retail (full service) lobby. Alternatively, Missing Children posters can be maintained in a binder behind the counter to be used as a reference guide. The posters also may be posted in a prominent location where letter carriers will be able to see them before or after they go out on their routes. Making this information available to letter carriers is consistent with the NALC/USPS Child Alert Program to facilitate identification of missing children.

Companion posters, authorized for display on bulletin boards maintained by employee organizations, appear periodically in *The Postal Record*, a publication for members of the National Association of Letter Carriers.

This poster is published in cooperation with the National Center for Missing and Exploited Children, the United States Department of Justice, and the National Association of Letter Carriers. Information appearing on this poster is selected solely by the National Center for Missing and Exploited Children (NCMEC).

In addition to *Postal Bulletin* updates, NCMEC distributes information periodically. Notification of newly reported missing children is sent to designated district "Missing Children" coordinators via e-mail addresses provided by district managers. Within 24 hours of receipt of an e-mailed Missing Children poster, district coordinators should distribute copies to all Postal Service™ facilities in their districts. Missing Children posters are to be displayed as noted above for 30 days unless notification is received (from NCMEC) to remove a particular poster sooner. The e-mail network is used to distribute posters and information in only the most urgent cases of missing children. This system supplements, but does not replace, the missing children information in this *Postal Bulletin*.

Missing Children posters are available to the U.S. Postal Service[®] only as described above. If Postal Service employees are contacted by individuals or local agencies about displaying a sign or poster of a missing child in local Post Offices, the individual or agency should be politely informed that the U.S. Postal Service displays only those posters provided by NCMEC, because it has been designated by the U.S. Department of Justice to be the national clearinghouse and resource center for missing and exploited children. The individual or agency should then be referred to NCMEC at 800-843-5678.

If you have any information, or for free prevention tips, please call 800-THE-LOST (800-843-5678).

Missing Children Poster Display Instructions

Post Offices, classified stations, branches, and contract postal units may display this poster at their option. If the poster is displayed, it should be placed on the community bulletin board located in the Post Office™ box lobby and not in the main retail (full service) lobby. Alternatively, Missing Children posters can be maintained in a binder behind the counter to be used as a reference guide. The posters also may be posted in a prominent location where letter carriers will be able to see them before or after they go out on their routes. Making this information available to letter carriers is consistent with the NALC/USPS Child Alert Program to facilitate identification of missing children.

Companion posters, authorized for display on bulletin boards maintained by employee organizations, appear periodically in *The Postal Record*, a publication for members of the National Association of Letter Carriers.

This poster is published in cooperation with the National Center for Missing and Exploited Children, the United States Department of Justice, and the National Association of Letter Carriers. Information appearing on this poster is selected solely by the National Center for Missing and Exploited Children (NCMEC).

In addition to *Postal Bulletin* updates, NCMEC distributes information periodically. Notification of newly reported missing children is sent to designated district "Missing Children" coordinators via e-mail addresses provided by district managers. Within 24 hours of receipt of an e-mailed Missing Children poster, district coordinators should distribute copies to all Postal Service™ facilities in their districts. Missing Children posters are to be displayed as noted above for 30 days unless notification is received (from NCMEC) to remove a particular poster sooner. The e-mail network is used to distribute posters and information in only the most urgent cases of missing children. This system supplements, but does not replace, the missing children information in this *Postal Bulletin*.

Missing Children posters are available to the U.S. Postal Service[®] only as described above. If Postal Service employees are contacted by individuals or local agencies about displaying a sign or poster of a missing child in local Post Offices, the individual or agency should be politely informed that the U.S. Postal Service displays only those posters provided by NCMEC, because it has been designated by the U.S. Department of Justice to be the national clearinghouse and resource center for missing and exploited children. The individual or agency should then be referred to NCMEC at 800-843-5678.

If you have any information, or for free prevention tips, please call 800-THE-LOST (800-843-5678).

Stamp Announcement 14-11: Ralph Ellison Stamp

© 2013 USPS

On February 18, 2014, in Kansas City, Missouri, the U.S. Postal Service[®] will issue the *Ralph Ellison* 91-cent definitive stamp, in one design, in a pressure-sensitive adhesive (PSA) pane of 20 stamps (Item 116500). The 91-cent value meets the new rate for First-Class Mail[®] weighing up to three ounces.

The stamp will go on sale nationwide February 18, 2014.

With his 1952 novel, *Invisible Man*, a masterpiece of 20th-century fiction, Ellison drew on a wide range of narrative and cultural traditions, shedding vivid light on the African-American experience. The stamp art, an oil-on-wood painting by Kadir Nelson, shows Ellison circa 1950; the background shows Harlem at twilight. Art director Ethel Kessler designed the stamp. Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears below. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and requests must be postmarked no later than 30 days following the requested pictorial postmark date.

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail[®] postage. Items submitted for postmark may not include postage issued after the date of the requested postmark. Such items will be returned unserviced.

Customers wishing to obtain a postmark should affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4[®] Code, as listed below.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

The following pictorial postmarks have been extended for 30 days:

How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 60 days to obtain the first-day-of-issue postmarks by mail. They may purchase new stamps at their local Post Office $^{\text{TM}}$, by telephone at 800-STAMP-24, or at The Postal Store $^{\text{®}}$ website at www.usps.com/shop.

Traditional Postmarks

Customers should affix the stamps to envelopes of their choice, address them to themselves or others, or provide a self-addressed return envelope with sufficient postage large enough to accommodate the canceled item. Mail the request to the corresponding city of issuance. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers should submit a check, money order, or credit card for payment. After applying the first-day-of-issue postmark, the Postal Service™ will return the envelopes to the customer by U.S. Mail.

All postmark requests should go to the first-day-of-issue city. The first-day-of-issue city Post Office will then forward in bulk all postmark requests to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992 by respective Post Offices.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16" side seams with no glue on the flap. The maximum

size of all digital color postmarks is 2" high x 4" long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers should submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers should affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Mail the request for a first-day-of-issue digital color postmark to the corresponding city of issuance. Post Offices will then forward all customer requests for digital color postmarks to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992.

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail.

Federal Reporting Requirements on Hazardous and Toxic Chemicals

Postal Service™ policy requires all USPS® facilities to comply with the reporting requirements of the Emergency Planning and Community Right-to-Know Act (EPCRA), if applicable. Postal Service sites that store certain quantities of hazardous and toxic chemicals must complete and submit the EPCRA Tier II Form by March 1 every year.

Reporting requirements apply to any location that stores threshold quantities of EPCRA-regulated hazardous and toxic chemicals. Regulated chemicals used by the Postal Service include sulfuric acid in lead-acid batteries, gasoline, diesel, heating oil, and ice melt/anti-skid products, as discussed below.

Applicability

Commonly reported chemicals and thresholds applicable to USPS facilities include:

- Lead-acid batteries. The 500 pound threshold for sulfuric acid can be met by having more than six (6) tow motor batteries or more than two (2) forklift batteries, or a combination of these batteries on site. The percent weight of sulfuric acid in the battery can be estimated by multiplying the battery weight by 18 percent.
- Gasoline, diesel, or heating fuel. The 10,000 pound threshold is equivalent to 1,433 gallons of gasoline or 1,223 gallons of diesel/heating fuel.
- Ice melt/anti-skid products. Rock salt, calcium magnesium acetate, and sand have a 10,000 pound threshold. This threshold applies whether or not the materials are stored in one bulk location or dispersed on bags or pallets throughout the site.

Reporting Process

USPS Installation Heads should submit the emergency and hazardous chemical inventory reporting form, known as the Tier II Form, annually by March 1 to the following organizations:

■ The State Emergency Response Commission (SERC);

- The Local Emergency Planning Committee (LEPC);
 and
- The local Fire Department that would respond to an emergency at your facility.

States may require reporting through submittal of the hard-copy Tier II Form, electronic reporting through the EPA's "Tier2 Submit" software program, or through their own state-specific software programs or websites. Each state's individual reporting requirements, procedures, and forms can be accessed at: http://www2.epa.gov/epcratier-i-and-tier-ii-reporting.

For states that recommend the EPA's Tier2 Submit 2013 software, Postal Service facilities should be able to use eAccess to request a download of the Tier2 Submit 2013 software for use in electronic reporting. If other state electronic reporting software or website applications are not accessible or authorized on your USPS ACE computer system, you should use the paper Tier II Form to report by hard copy.

Note: USPS facilities are not required to pay any fees associated with reporting (including electronic reporting user and registration fees).

Additional detailed reporting instructions are available through the appropriate regional manager of Environmental Compliance and Sustainability, and on the Sustainability website at http://blue.usps.gov/sustainability/environmental/spills_and_regulatory_reporting.htm. If you have questions regarding your need to report under EPCRA, contact your regional manager. For Northeast, Eastern, Capital Metro Areas, and Headquarters—related facilities, contact Nicholas DeCarlo at nicholas.decarlo@usps.gov. For questions related to EPCRA reporting in the Great Lakes, Western, Southern, and Pacific Areas, contact Judy Wingo-Stalinger at judy.wingo-stalinger@usps.gov.
