Cover Story

A U.S. Passport is Your Key to International Travel

The U.S. Department of State's Passport Services Directorate issues U.S. passports to traveling Americans. Passports are a request to foreign governments to permit you to travel, and also allow you to re-enter the United States.

A passport book or card is proof of identity and U.S. citizenship. U.S. citizens can use each as follows:

- The passport book for all international travel by air, land, or sea.
- The passport card to enter the United States from Canada, Mexico, the Caribbean, and Bermuda, and at land border crossings or sea ports-of-entry. U.S. citizens cannot use the passport card for international air travel. The wallet-size passport card is convenient and less expensive than the passport book.

Whether you plan to apply for a first-time passport book, passport card, or both, submitting your passport application is easy. The United States Postal Service® makes it convenient to apply for a passport with the Retail Customer Appointment Scheduler (RCAS) tool. Customers now have the opportunity to self-schedule a first-time passport application appointment through a variety of options:

- Online or on a mobile device at usps.com/scheduler.
- At any one of the 2700 Self-Service Kiosks (SSKs).
- At the Retail counter of more than 17,000 select Post Offices.

The RCAS tool guides you through the appointment process in four easy steps:

- Choose a service.
- Find available appointments.
- Select your appointment time.
- Provide contact information.

The RCAS tool will display available appointment times for participating Post Office™ locations that offer passport appointment services within the selected radius. Users will receive notifications of their scheduled appointment via email or text.

If you are renewing your passport, you must do so by mail. You do not need to make an appointment for the renewal. The directions are straightforward — simply take your documents and payment to the nearest Post Office and mail everything to the U.S. Department of State using Priority Mail® or Priority Mail Express® service.

For best results, follow these passport and international travel tips:

- Apply for your passport book or card early.
- Check the expiration date of your current passport. U.S. passports are issued to adults for 10 years and children under the age of 16 for 5 years.
- Visit the Department of State website (travel.state.gov/content/travel/en/passports.html) for the following information:
 - Find out how to apply for or renew your passport;
 - Get passport fees and forms;
 - Track your application; or
 - Report your passport lost or stolen.
- Enroll in the Smart Traveler Enrollment Program at step.state.gov/step. U.S. citizens and nationals who travel and live abroad can use this free service to register their trip with the nearest U.S. Embassy or Consulate.

DMM Revision: Oversize Items Postage and Fee Refunds

Effective April 5, 2021, the Postal Service™ will revise *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®), section 604.9.2.4, to include oversize postal items in the standard.

As announced in *Postal Bulletin 22561* (12-17-20, pages 5–6), the Postal Service revised section 601.1.2 in the January 24, 2021, DMM edition to include oversize postal items in the standards. However, the Postal Service inadvertently omitted that it would also revise section 604.9.2.4 regarding oversize items.

Although the Postal Service will not publish this revision in the DMM until April 5, 2021, the standard is effective immediately.

Be Heart Smart

February is American Heart Month, a time to learn more about heart disease, the leading cause of death for men and women in the United States. The most common type of heart disease is coronary artery disease, which affects blood flow to the heart.

Heart attacks occur when the heart muscle doesn't receive enough blood. The more time that passes without restoring blood flow, the higher the chance for heart damage.

The USPS Health and Wellness team encourages you to know the signs and symptoms of a heart attack, which include:

- Chest pain or discomfort;
- Feeling weak or light-headed;
- Feeling unusually tired or faint;
- Experiencing pain or discomfort in the jaw, neck, or back;
- Shortness of breath; and
- Nausea or vomiting.

If you have these symptoms, call 911 immediately. The sooner medical treatment can be administered, the better the chances of surviving a heart attack.

The three most common risk factors for heart disease are high cholesterol, high blood pressure, and smoking. Half of all Americans have at least one of these risk factors, which are often asymptomatic, so it's important to talk to your physician and know your levels.

To live a heart-healthy lifestyle, the Centers for Disease Control and Prevention (CDC) suggests six strategies:

- Know your risks and family history.
- Make healthy food choices.
- Move more by getting at least 150 minutes of physical activity every week.
- Quit smoking.
- Take medications as directed by your healthcare provider.
- Drink water instead of sugary drinks or alcohol.

For more information about heart disease prevention, visit:

- The CDC website at [cdc.gov/heartdisease/index.htm](https://www.cdc.gov/heartdisease/index.htm).

American Heart Month

Live a Heart-Healthy Lifestyle

1. Learn your Health History

Heart disease is the leading cause of death in the United States. Know your risk factors and talk to your family and healthcare providers about your health history. Half of all Americans have at least 1 out of 3 major risk factors for heart disease: high blood pressure, high cholesterol, or smoking.

2. Eat Healthy Meals

Choose healthy meals and snacks to help prevent heart disease. Focus on fresh fruits, vegetables, whole grains, and low-fat dairy products. Eat less salt, added sugar, saturated fats, and processed foods.

3. Move More & Sit Less

Regular physical activity assists with maintaining a healthy weight and helps lower blood cholesterol, blood pressure, and blood sugar. Adults should aim for 150 minutes of moderate-intensity exercise every week.

4. If you Smoke, Quit.

Cigarette smoking greatly increases risk for heart disease. If you don't smoke, don't start. If you do smoke, quitting will help lower your risk for heart disease. Start your quit plan today! Take the first steps and call 1-800-QUIT-NOW for free support.

5. Rethink your Drinks

Substitute water for sugary drinks and alcohol to reduce calories. Drinking too much alcohol can also raise blood pressure. If you drink alcohol, do so in moderation.

6. Take Medicines as Directed

If you take medicine to treat high cholesterol, high blood pressure, or diabetes, follow your doctor's instructions. Ask questions if you don't understand something. Don't stop taking your medicine without talking to your doctor, nurse, or pharmacist.

Heart Attack

Heart attacks occur when the heart muscle doesn't receive enough blood. Know the signs and symptoms of a heart attack, which include chest pain or discomfort; feeling weak, light-headed, unusually tired or faint; pain or discomfort in the jaw, neck or back; shortness of breath; and nausea or vomiting. If you have these symptoms, call 911 immediately.

Hypertension

High blood pressure is often referred to as the "silent killer" because it has no symptoms. Check your pressure on a regular basis. If you have been diagnosed with high blood pressure, also called hypertension, your health care team will measure your blood pressure more often to make sure you have the condition under control. A normal blood pressure is considered less than 120/80mmHg.

Cholesterol

Preventing high cholesterol begins with getting screened and knowing your family's heart health history. High levels of LDL cholesterol, often called "bad" cholesterol, shows no signs or symptoms, but causes blockage of arteries, which can lead to heart attack and stroke. Talk to your doctor regularly about any health concerns you have.

Avoid Tax Refund Fraud

United States taxpayers are required to file their 2020 taxes by April 15, 2021. What you may not know is that, as of January 15, 2021, you could have begun filing your taxes early. The Internal Revenue Service (IRS) recommends that taxpayers file their taxes as early as possible to avoid tax refund fraud. Tax refund fraud is when cybercriminals pretend to be a certain individual and submit a tax return in that individual's name.

Unfortunately, it is nearly impossible to determine if you have been a victim of tax refund fraud until it is too late. If you submit your tax return electronically, and it is rejected due to a previous submission under your social security number, you may have fallen victim to this scam. Immediately report any problems to the Treasury Inspector General for Tax Administration at [treasury.gov/tigta](https://www.treasury.gov/tigta).

As always, watch out for suspicious emails, phone calls, and text messages since tax-related scams are at their peak during tax season. Remember, the IRS will never demand immediate payment to a source other than the U.S. Treasury, or threaten arrest, fines, or penalties for missing tax payments.

CyberSafe Guardian Program 2021

The CyberSafe Guardian program is a national network of Executive and Administrative Schedule employees dedicated to creating a "cybersafe" culture across the United States Postal Service® by carrying the CyberSafe at USPS® message to their facilities and the field.

These volunteers provide feedback from the field on pressing cybersecurity issues and serve as a personal and local link for building a culture of cybersecurity within the Postal Service™. They stay in touch with the CyberSafe Guardian team at the Corporate Information Security Office (CISO) on current initiatives and cybersecurity awareness trends.

Safely file, pay owed taxes, and keep your personally identifiable information secure with the following cybersafe tips:

- **File early.** Filing taxes early means criminals can't do it first.
- **Verify the sender.** The IRS will never initiate communication by phone, email, or text.
- **Monitor your accounts.** Continuously monitor bank accounts for unusual activity or unauthorized deposits.

For more information on how, when, and where to safely file your taxes, see the IRS Fact Sheet: [irs.gov/newsroom/how-to-know-its-really-the-irs-calling-or-knocking-on-your-door](https://www.irs.gov/newsroom/how-to-know-its-really-the-irs-calling-or-knocking-on-your-door).

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international Postal Service money orders.
2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
 - When there is discoloration around the dollar amounts, this might indicate the amounts were changed.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at usps.com/shop/money-orders.htm.

3. If the money order seems suspicious, call the U.S. Postal Service Money Orderxxer Verification System at 866-459-7822.

Provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Other Information

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks must use the table with the Retail System Software terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply.

The entries under “Changes” appear in bold in the following APO/FPO/DPO table:

Safety and Health

Statutory Requirement to Review and Post OSHA Form 300A Summary for Calendar Year 2020

The Occupational Safety and Health Administration (OSHA) requires all Postal Service™ installation and establishment heads to complete and post the OSHA Form 300A, *Summary of Work-Related Injuries and Illnesses*, for calendar year (CY) 2020, in accordance with 29 CFR 1904, and the *Employee and Labor Relations Manual (ELM)*, part 821, *Actions in the Event of Accident, Injury, or Illness*.

From February 1 through April 30, 2021, installations are required to post a copy of the OSHA Form 300A for CY 2020 in a conspicuous place at every establishment where employees work or report to work.

When reviewing the OSHA 300 Log, installation heads must pay close attention to the following columns:

- Column F, which includes:
 - A description of the injury or illness,
 - The parts of the body affected (including which side of the body), and
 - The object or substance that directly injured or made the person ill (e.g., Second-degree burns on right forearm from acetylene torch).
- Columns K and L. If an injury is identified as “days away from work” in column K or “on the job transfer or restriction” in column L, installation heads must ensure that the number of days entered is accurate.

For every entry on the OSHA 300 Log, the installation head must ensure that there is a corresponding Accident Report Form 1769/301 in the Employee Health and Safety application, which populates the OSHA Form 301, *Injury and Illness Incident Report*.

The left side of OSHA Form 300A contains sets of information data points with a letter, such as the letter “K,” that corresponds to each data point. The data points come from the OSHA 300 Log summary columns with the same letter.

The right side of the OSHA Form 300A is self-explanatory except for the North American Industrial Classification code. The code for Vehicle Maintenance Facilities is 811111, and the code for all other Postal Service establishments is 491110.

Before posting and signing the OSHA Form 300A, the installation or establishment heads must review the OSHA 300 Log and the OSHA 300A Summary Reports. When they sign the OSHA Form 300A, they are affirming that they have reviewed both OSHA forms for accuracy and completeness, whether they use manual or automated versions of the forms.

Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears on the following pages. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers wishing to obtain a postmark must affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed next to the postmark.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 120 days to obtain the first-day-of-issue postmarks by mail. Each cover must have sufficient postage to meet First-Class Mail® requirements. Customers may purchase new stamps at their local Post Office™, by phone at 800-782-6724, or on The Postal Store® website at usps.com/shop.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service™ recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16-inch side seams with no glue on the flap. The maximum size of all digital color postmarks is 2 inches (vertically) by 4 inches (horizontally). Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers must submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of

their postmarked items. Address customer requests for digital color postmarks to:

Postal Service Flex-Fuel Vehicle Usage

Section 701 of the Energy Policy Act of 2005 requires all Postal Service™ dual-fuel vehicles to operate on alternative fuel rather than conventional petroleum, unless granted a waiver by the Department of Energy (DOE).

This mandate applies to anyone with access to a Postal Service vehicle, including drivers, fleet managers, and facility managers. This also includes Postal Service employees and contractors who may not have an assigned vehicle, but who may operate a vehicle as a minor portion of their responsibilities.

Dual-fuel vehicles are vehicles that can operate on two different types of fuel — an alternative fuel and petroleum fuel. They are also referred to as flex-fuel vehicles (FFVs).

Almost all dual-fuel vehicles in the postal fleet are E85 FFVs, which operate on either gasoline or E85. Take the following steps to determine if you are driving an E85 FFV:

- Check your gas cap. Most manufacturers began placing yellow gas caps on FFVs as of model year 2008.
- Check the fuel door. Some FFVs have labels on the fuel door indicating the fuel type.
- Look for badges or labels on your vehicle's body. Most FFVs have the terms "FFV," "E85 FFV," or "Flex Fuel" on badges attached to the rear or side of the vehicles.
- Check with your local fleet manager to determine if the vehicle is an E85 FFV.

Each time you drive a different Postal Service vehicle, first determine if it is an E85 FFV to ensure that you are refueling the vehicle with the correct fuel.

Conditions for the DOE waiver mentioned above are outlined in section 701 of the law. Vehicles may qualify for a DOE waiver if:

- Alternative fuel is not reasonably available, which means that alternative fuel cannot be obtained within 3 miles (one way) from the vehicle's:
 - Refueling location, if using the Voyager credit card; or
 - Vehicle domiciled location, if the refueling location is not displayed using the Voyager credit card.

- Alternative fuel is unreasonably expensive, which means that the standard marketed price for alternative fuel is more than gasoline at the same station. For the liquid fuels E85, liquid petroleum gas, and liquid natural gas, the marketed price is expressed in gallons. For compressed natural gas, the marketed price is gasoline gallon equivalent.

For more information on the waiver request process, visit energy.gov/node/728386. To find the nearest alternative fuel stations, use the DOE's Alternative Fueling Station Locator at afdc.energy.gov/locator/stations.

To find an alternative fuel station along your driving route or outside of your normal operating area, use the Plan a Route tool on the Alternative Fueling Station Locator at afdc.energy.gov/locator/stations.

There is also a mobile version of the Alternative Fueling Station Locator that can help identify the nearest alternative fuel stations. Simply search for and visit the Alternative Fueling Station Locator from your smartphone or other mobile device at afdc.energy.gov/stations/#/find/nearest. Drivers must be stopped, with the vehicle in park, before using any mobile tool while operating a federal vehicle.

E85 or ethanol fuel pumps may look different from conventional fuel pumps at fueling stations. In most cases, the E85 fuel pump will have a separate, yellow-colored nozzle handle or hose to distinguish it from conventional fuel pumps. The pump will also have a label stating that the fuel is E85 and for flex-fuel vehicles only.

The E85 pump itself may be located at a stand-alone site or under a separate canopy from the conventional fuels at the fueling station. Regardless of the pump's location at the station, please note that the fueling process for E85 is the same as for a standard gas or diesel fuel pump.

Since 2009, federal agencies have been required to inventory and reduce their greenhouse gas emissions. Increasing the use of alternative fuel as a substitute for petroleum is the most effective way that fleets can meet these greenhouse gas and petroleum reduction requirements.
