Traditional Training & Placement Program is Cara's traditional services which includes a comprehensive range of training and support for motivated individuals affected by poverty and homelessness, including life-skills training, specialized job-skills training, and personalized career placement services. South Side Campus (SSC) is Cara's South Side campus and provides services similar to Cara traditional as well as assistance with income supports and financial literacy. The SSC helps residents establish careers, advance professionally, and accumulate assets through structured training, job placement support, and individual coaching. Employment Retention ensures that participants of Cara have the tools needed for long-term self-sufficiency. Cara offers personal and professional coaching throughout each participant's first year of employment. These services include: regular one-on-one meetings with employed participants about on-the-job successes and challenges; and development of individual long-term goals, including goals related to housing, education, and debt repayment. As a result, over 70% or more of employed Cara participants receiving this support remain in their first job placement for at least one year. In addition to employment retention support, Cara's Career Advancement Program supports participants who have not only achieved stability in their personal and professional lives, but who also show an exceptional drive to grow in their careers. Once participants have been employed for at least six months and are established personally and professionally, they may opt in to career advancement services.
