## HISTORICAL NOTE

The Arizona Quilt Project was formed in June of 1986 by thirteen women from various parts of Arizona and incorporated as a non-profit Arizona Corporation. The project was formed to document the histories of quilts and quilt makers in Arizona. Over a two year period, twenty-seven Quilt Discovery Days were held in twenty-six locations throughout the state. A total of 2,774 quilts were documented.

The Arizona Quilt Project produced an educational program called Quilt-Ed, a video program, and a book. Quilt-Ed was written for fourth, fifth, and sixth grade classes and combined quilt making with lessons in history, art, language, math, writing and vocabulary. The *Arizona Quilts: Pieces of Time* video program was based on stories of Arizona quilt makers from territorial days to the present that were gathered at the Quilt Discovery Days (housed w/video collection). The book *Grand Endeavors: Vintage Arizona Quilts and their Makers* brought together 125 photographs of quilts, research information from the quilt maker histories and personal photographs of the quilt makers.

Fundraising for the Arizona Quilt Project came through a quilt raffle, Small Quilt Auctions, and the sale of Quilt-Ed manuals, videos, and conservation materials. Funds were also raised through grants and donations.

## SCOPE AND CONTENT NOTE

The Arizona Quilt Project Records are housed in 58 boxes and arranged in six series: Quilt Documentation, Quilt Owners and Makers, Business and General Files, Images, Memorabilia, and Oral Histories. These records include documentation of quilt construction and condition, owner information and quilt maker histories, correspondence, meeting minutes, bylaws, newsletters, book research, marketing, educational program, exhibition materials, and publicity. Some items were donated after the initial donation. The accession number for these items is 1997.320. Included in this donation are two(2) booklets published by the Arizona Quilt Project about making a quilt--"A Look to the Past, A Vision of the Future;" a typed nine-page paper titled "Memories of Pomerene," written by Ethelene S. Bailey, some miscellaneous correspondence and papers, and some miscellaneous photographs.

## SERIES DESCRIPTION

### **Series I: Quilt Documents**, 13¾ linear feet.

This series contains the documentation of the quilt construction and condition. It is arranged by the quilt documentation site and number. The sites are the Arizona Historical Society - Tucson, the Arizona Historical Society - Phoenix, Chandler, Casa Grande, Cottonwood, Douglas, Flagstaff, Fiesta Mall, Fredonia, Globe, Holbrook, Junior League, Kingman, Prescott, Page, Pine, Paradise Valley, Safford, Sun City, Scottsdale, Show Low, Sierra Vista, Tucson - Park Mall, Tucson Mall, Tempe Historical Society, Wickenburg, Westridge Mall, Wilcox, and Yuma. The number indicates the number of quilts documented that day.

### **Series II: Quilt Owners and Quilt makers**, 3 linear feet

This series contains owner information and quilt maker histories. It is also arranged by quilt site and number. Included in this series is the slide list.

### **Series III: Business and General Files**, 2.5 linear feet

This series contains the records of the various programs and activities of the Arizona Quilt Project. The records include the bylaws and I.R.S. documentation, meeting minutes, correspondence, grants, mailing lists, newsletters, quilt show manual, publicity, marketing, quilt day files, quilt documentation forms, marketing and sales files, Quilt-Ed files, exhibition files, book research files, and Penny Fowler Notebook.

### **Series IV: Images**, 1.5 linear foot

This series contains transparencies of quilts and personal photographs of quilt makers that were used in the book. There is a slide for each quilt documented and some detail slides that highlight unusual or museum quality quilting. The transparencies come from a professional photographing of the quilts that were selected for the book. **Notes:** Copy prints from AHS-Tucson are for book purposes only.

Items 1995.45.3351a through 1995.45.3408; 1995.45.3419-1995.45.3420 are miscellaneous photographs from the Project (also included are negatives for some of these photos); items 1995.45.3409 through 1995.45.3418 are slides made from Polaroids of damaged quilts; 1997.320.01 through 1997.320.09 are miscellaneous b/w photographs from the 1940s or 1950s.

**Transparencies/Slides:** These are cross-referenced on the "Arizona Quilt Project - Table as follows. The transparency catalog number corresponds with the slide catalog number and NOT the book (BK) catalog numbers near the end of the table.

Example: Under the "Quilt" column quilt HS21's slide is catalog number 1995.45.61. Near the bottom of the table, in the "Quilt #" column, the book slide for this quilt is BK HS21 and the catalog number is 1995.45.3148. The transparency will be found under the first catalog number 1995.45.61. However, for cross-referencing purposes, both entries indicate that a transparency exists. With the exception of transparencies and *non-book* photos, transparencies, etc., the best way to find the catalog number for slides, transparencies, photos or negatives of quilts and/or items pictured in *Grand Endeavors* is to look by the book's page number that is listed near the lower portion of "Arizona Quilt Project Table" (records 3152-3277 and records 3318-3347) in the "Notes" section. The prefix will be BK in the table's first column titled "Quilt #."

**Photographs:** Both color and black and white. The photos in *Grand Endeavors* have

catalog numbers that correspond to the book (BK) catalog numbers near the end of the table. Other photos (not in the book) are related to or of individual quilts. These catalog numbers correspond with the slide catalog numbers and NOT the "BK" catalog numbers.

**Series V: Memorabilia, .5 inches**

This series contains one item, an Arizona Quilt Project commemorative pin.

**Series VI: Oral Histories, 6 tapes**

This series contains six oral history tapes. The tapes are for quilt numbers CW 196, HS 179-181, HS 327, CG 6, F 48, and F 101.

## **PROVENANCE**

These materials were received in 1995 and 1997. The records were arranged by the Arizona Quilt Project.

## **RESTRICTIONS**

Information about the owners of the quilts is restricted. Additionally, information such as individuals' addresses, phone numbers, and account numbers are restricted. This specifically applies to two folders (133 and 134) in Box 48.

## **SEPARATIONS**

The oral histories have been housed with the oral history collection.

## **NOTES TO THE RESEARCHER**

A postcard inscription with quilt number P 109, states: "Because the above ornament which has been a symbol of friendship among our forefathers for many centuries has been desecrated recently by another nation of people. Therefore it is resolved that henceforth from this date on and forever more our tribes renounce the use of the emblem commonly known today as the Swastika or Flyfoot on our blankets, baskets, art objects, sandpaints and clothing."

Other information can be obtained in the Quilts & Quilting file located in the vertical files.
