## R-E-S-P-E-C-T

OSU is ranked as high as No. 8 in the preseason national polls, earning that ranking from USA TODAY Sports. The Cowboys are ranked No. 9 by *D1Baseball*, 11th by the NCBWA, 12th by *Collegiate Baseball*, 15th by *Baseball America* and 18th by *Perfect Game*.

OSU has been nationally ranked for 38 consecutive weeks dating back to the 2021 preseason polls. The Cowboys reached No. 2 twice in 2022, marking their highest-ever ranking under Josh Holliday, and finished the year ranked as high as No. 17 in the final polls.

From March 4, 2013 to April 3, 2017, a streak of 77 consecutive weeks, OSU was ranked in at least one national poll. During that time, the Cowboys spent 18 weeks in the Top 10, climbing as high as No. 3. They have finished in the top 10 in the final polls twice under Josh Holliday — 10th in 2014 and fourth in 2016.

## Big 12 Love For The Pokes

OSU placed four players on the 2023 Preseason All-Big 12 Team as Marcus Brown, Nolan McLean, Roc Riggio and Juaron Watts-Brown earned that distinction. Additionally, Watts-Brown was named the Big 12 Preseason Pitcher of the Year and Big 12 Preseason Newcomer of the Year.

The Cowboys were picked to finish second in the Big 12 standings, receiving four first-place votes from the league's coaches. Two-time defending champion TCU collected five first-place votes to edge OSU as the favorite.

## If You Build It...

OSU ranked eighth nationally in average home attendance in 2022; in the 32 home dates at O'Brate Stadium, the Cowboys averaged 5,580 fans.

OSU's total of 178,566 fans at O'Brate Stadium last season ranked ninth in the NCAA.

In a dozen Big 12 Conference games at home, OSU averaged 6,211 fans.

## All-American Golden Cowboys

Juaron Watts-Brown and Nolan McLean are both consensus Preseason All-Americans.

Watts-Brown, the Cowboys' sophomore right-handed pitcher, was a second-team pick by *D1Baseball* and *Baseball America* and a third-team choice by *Collegiate Baseball*, *Perfect Game* and the NCBWA.

A two-way standout, McLean was named a Preseason All-American as a utility player and earned second-team status from *D1Baseball* and *Collegiate Baseball* and third-team honors from *Baseball America*, *Perfect Game* and the NCBWA.

Both McLean and Watts-Brown are also on the Golden Spikes Award Preseason Watch List, which includes 55 of the nation's top amateur players.

## JOSH HOLLIDAY

Head Coach,  
11th Season

Josh Holliday returned home to Stillwater in 2012 poised to lead the Oklahoma State baseball program back to national prominence, and he has done just that over the decade.

Holliday took over OSU baseball on June 8, 2012, when he was named the 15th head coach in program history. The Oklahoma State alumnus and native of Stillwater had served the previous three seasons as an assistant coach at Vanderbilt and established himself as one of the nation's top assistant coaches over a span of just over a decade.

Holliday's hire has paid huge dividends as he has led the OSU program back to national prominence in his first eight seasons at the helm.

Since Holliday took over the reins, the Cowboys have never failed to make the postseason as he has guided them to eight NCAA Regional appearances. During his tenure, the program has also celebrated three Big 12 Conference championships, including the program's first-ever regular season title, three NCAA Super Regional berths and a return to the College World Series for the first time since his playing days in 1999.

Over the last 10 years, OSU has won 362 games, the second-highest win total among Big 12 teams during that span, and has finished first or second in the conference standings six times. His win total ranks as the second highest in program history, trailing only hall of famer Gary Ward's 953.

OSU's impressive 2016 run saw the Pokes make their 20th College World Series appearance, and Holliday became one of only 17 people in NCAA history to reach the CWS as both a player and head coach after playing for OSU teams in 1996 and 1999 that advanced to Omaha.

Holliday, who was named the 2016 ABCA/Diamond Midwest Regional Coach of the Year, guided OSU to a 43-22 overall record, and the Cowboys finished the season ranked No. 4 in the final national polls.

Holliday is the first former OSU player to serve as the program's head coach. A four-year letterwinner for the Cowboys from 1996-99, Holliday was a starter on Cowboy teams that made four NCAA Tournament appearances and reached the College World Series in 1996 and 1999.

During a career that spanned 256 games, which ranks second all time at OSU, Holliday compiled a career .311 batting average to go along with 53 home runs, 62 doubles and 237 RBIs. He was inducted into the OSU Baseball Hall of Fame in 2003.

Holliday was a three-time All-Big 12 performer, earning first-team honors in 1998 (at catcher) and 1999 (at third base). He was a second-team selection as a utility player in 1997 and was named the Big Eight Conference Freshman of the Year and a Freshman All-American in 1996.

Holliday was selected in the 1999 Major League Baseball Draft by Toronto in the ninth round and spent two years in the Blue Jays organization. Following his professional baseball career, Holliday returned to Stillwater and joined the OSU coaching staff, where he served as an assistant for three seasons. He was a student assistant in 2001 before joining the full-time staff the following year.

Holliday left Stillwater to continue his coaching career in 2004, and over an 11-year span, he served as an assistant coach at some of the nation's top baseball programs, serving stints on the staffs at North Carolina State, Georgia Tech, Arizona State and Vanderbilt. He coached on seven NCAA Tournament teams and three of those advanced to the College World Series (Georgia Tech in 2006, Arizona State in 2009 and Vanderbilt in 2011).

### New Faces

OSU's roster includes 23 newcomers, and the Cowboys brought in a recruiting class and transfer class that were both ranked in the top 10 nationally.

The group of newcomers includes 12 freshmen, six Division I transfers and five players who joined the Pokes from the JUCO ranks.

### Two-Way Talent

Nolan McLean's powerful bat was a fixture in the middle of the Cowboys' order in 2022, and he also emerged as OSU's closer. That combination led to him being named a Perfect Game All-American and a semifinalist for the John Olerud Two-Way Player of the Year Award.

A native of North Carolina, McLean also became the third player in OSU history to earn All-Big 12 honors at two different positions — he was named to the All-Big 12 First Team as a utility player, was an All-Big 12 Second Team selection as a relief pitcher and collected honorable mention All-Big 12 plaudits as an infielder.

McLean slugged a team-high 19 home runs and hit .285 with 16 doubles and 47 RBIs while spending the majority of his time at third base. He was OSU's second-leading hitter in Big 12 play, posting a .330 average to go along with seven homers and 20 RBIs.

On the mound, McLean made 23 relief appearances and posted a 2-1 record and five saves while recording 39 strikeouts in 25 1/3 innings. Four of his saves came in league play.

McLean spurned professional baseball to return to Stillwater after being selected with the first pick of the third round of last July's Major League Baseball Draft by the Baltimore Orioles.

**Random Fact:** *McLean was a quarterback on the OSU football team during the 2020 season.*

### What Can Brown Do For You

Marcus Brown developed into the Cowboys' everyday shortstop as a sophomore in 2022 and thrived in that role, hitting .316 with 15 doubles, four homers and 31 RBIs to earn honorable mention All-Big 12 status.

Brown went on a tear at the plate during conference play. He entered league action hitting .256 but posted a .318 average against conference foes to boost that mark.

Brown, who also turned in the longest hitting streak by a Poke last season at 13-games, was named a Cape Cod League All-Star over the summer after starring for the Chatham Anglers.

**Random Fact:** *Brown was named the 2021 Appalachian League Player of the Year as a member of the Elizabethton River Riders.*

### Fab Frosh

Zach Ehrhard was a unanimous pick for the Big 12 All-Freshman Team last season as he proved to be one of the Cowboys' most consistent hitters and a fixture at the top of the lineup.

The Florida native finished second on the team with a .332 batting average and 23 multi-hit games and led the Pokes with 18 stolen bases on 23 attempts. He also had a streak of 23 games reaching base safely, the longest by an OSU player on the season.

Ehrhard started 44 games in right field and 11 in center field in 2022 but is expected to take over center field duties as a sophomore.

**Random Fact:** *At Wharton High School, Ehrhard was coached by MLB Hall of Famer Wade Boggs, who was a volunteer coach for the baseball team.*

### Roc Rolled

Roc Riggio enjoyed a Freshman All-American season in 2022, starting 53 games for the Cowboys and hitting .295 with 11 home runs, 14 doubles and 47 RBIs.

The second baseman caught fire at the plate in the postseason and was named to the all-tournament team at both the Big 12 Baseball Championship and the NCAA Stillwater Regional. In 10 games, he hit .458 (22-for-48) with six doubles, five homers and 19 RBIs.

**Random Fact:** *As an eighth grader, Riggio committed to play baseball at UCLA.*

### Meet The New Guy

OSU bolstered its pitching staff with the addition of transfer Juaron Watts-Brown, who is expected to lead the Cowboys' weekend starting rotation.

Watts-Brown transferred to OSU after earning Freshman All-America honors at Long Beach State last season. The right-handed pitcher went 4-4 with a 3.68 ERA in 15 appearances, including 12 starts, for the Dirtbags and racked up 111 strikeouts in 73 1/3 innings.

During the month of May, Watts-Brown went 3-0 with a 1.64 ERA and 55 strikeouts in 33 innings, and he posted double-digit strikeout games in four of his last five starts of the season.

Watts-Brown's first collegiate season also saw him toss the first complete game no-hitter in LBSU history, and he set the school record for strikeouts per nine innings in a season with 13.62.

**Random Fact:** *Watts-Brown was named the West Yosemite League Player of the Year in baseball, football and basketball during his prep career at Hanford High School; he played quarterback on the gridiron and forward in hoops.*

Another reliable bat in the middle of the Cowboys' 2022 batting order returns this season in the form of David Mendham.

In his first season in Stillwater after transferring from South Carolina, Mendham started 57 games (50 at first base) and hit .276 with 16 doubles, 11 homers and 45 RBIs.

Mendham, who was an honorable mention All-Big 12 pick, committed just one fielding error on the season.

**Random Fact:** Mendham is dating OSU softball All-American pitcher Kelly Maxwell.

### K Kounter

The 2022 OSU pitching staff shattered the program record for strikeouts in a season with 679, besting the previous mark by 91.

The Cowboys' 679 strikeouts ranked fifth nationally, and they ranked seventh in the NCAA in strikeouts per nine innings at 10.7.

### Statistically Speaking

OSU is coming off a 2022 season in which it ranked in the top 20 nationally in a number of categories, including walks (14th), doubles (13), hits (18), runs (19), fielding percentage (19), strikeout-to-walk ratio (17) and strikeouts per nine innings (7).

### Shoes To Fill

Seven pitchers from OSU's 2022 roster were MLB Draft picks and only one — Nolan McLean — is back for the 2023 season as five signed pro contracts and one transferred.

That group of six hurlers lost — Justin Campbell, Trevor Martin, Victor Mederos, Roman Phansalkar, Bryce Osmond and Kale Davis — combined for 128 appearances (48 starts), 28 wins, 460 strikeouts and 372 1/3 innings pitched a year ago.

### 2,748 & Counting

Oklahoma State began the 2023 season 14th on the NCAA's all-time Division I wins list with 2,748. The Cowboys are one of only 19 programs in Division I history to reach 2,700 victories, and of those, only one — Florida State and Miami (FL) — have played fewer seasons than OSU's 111.

### Star Studied

With Robin Ventura (volunteer asst.) and Jordy Mercer (student asst.) on staff, OSU has a coaching duo unique in college baseball. Between them, Ventura and Mercer played in over 3,000 Major League Baseball games over 26 seasons.

Ventura racked up six Gold Gloves as a third baseman for the White Sox, Mets, Yankees and Dodgers and also spent five seasons (2012-16) as the manager of the White Sox, leading them to 375 wins.

Mercer was on three playoff teams for the Pirates and ranked in the top four in the National League in fielding percentage among shortstops four times. He also played for the Tigers, Yankees and Nationals.

### Orange Blood

Baseball — and Oklahoma State — is a family affair for Josh Holliday.

Josh's father, Tom, served as an OSU assistant coach for 19 years then took over as the Cowboys' head coach from 1997-2003, leading the program to a College World Series appearance in 1999 (and coaching Josh in his final three college seasons). Tom spent four decades as a collegiate coach and was inducted into the OSU Cowboy Baseball Hall of Fame in 2016.

Josh's younger brother, Matt, was a Major League Baseball standout from 2004-18 who was named to seven All-Star teams in 15 career seasons with the Rockies, Athletics, Cardinals and Yankees. Matt was on the OSU staff as a volunteer assistant from 2019-22.

Josh's uncle, Dave Holliday, was an OSU assistant coach from 1981-87 and has since held a variety of roles in Major League Baseball, including his current spot as a professional scout for Philadelphia.

### Building A Winner

In 10 seasons as head coach at his alma mater, Josh Holliday has built a sparkling resume.

- The Cowboys have earned nine NCAA Regional berths, advanced to three Super Regionals and played in the College World Series for the first time since Holliday was a senior for the Cowboys in 1999.
- OSU has finished first or second in the Big 12 Conference standings six times, claiming the program's first-ever regular season Big 12 title in 2014 and finishing second in 2013, 2015, 2016, 2018 and 2022.
- The Pokes have added three Big 12 championships to the program's total. In 2014, OSU won its first-ever Big 12 Conference regular season championship, and the 2017 club captured the second Big 12 Championship title in program history. The Cowboys also claimed the conference tourney title in 2019.
- OSU hosted NCAA Regionals in 2014, 2015 and 2022 and was the top-seeded team each time. The Cowboys were a national seed twice — No. 7 in 2022 and No. 9 in 2019.
- Holliday has coached 83 All-Big 12 performers, 12 All-Americans, two Big 12 Pitcher of the Year honorees, two Big 12 Newcomer of the Year winners and a Big 12 Player of the Year.
- With 362 wins, Holliday ranks second on OSU's all-time head coach wins list behind hall of famer Gary Ward, who guided the Pokes to 953 victories in 19 seasons.

### Go Pro

During Josh Holliday's tenure as head coach, OSU has had 58 players selected in the Major League Baseball Draft. Twenty-two of those were top 10 round picks, including two first-rounders in Jason Hursh and Justin Campbell; in 2022, a program-record seven Cowboys were top-10 round picks.

In 2016, OSU tied a program record with 11 MLB Draft picks. (The 2007 Cowboys also had 11 draftees). The 11 draft picks tied the Cowboys with Mississippi State for the third most of any Division I program in 2016 behind only Texas A&M (13) and Southern California (12).

OSU's nine 2022 draftees were the fourth most in program history and tied for the third most among Division I schools in '22.

### The Wizard

In 10 seasons under Rob Walton's direction, OSU's pitching staffs have thrived.

The Cowboys' success under Walton includes 32 All-Big 12 pitchers, four first-team All-Americans, (Brendan McCurry, Michael Freeman, Thomas Hatch and Justin Campbell), two Big 12 Pitcher of the Year winners (Freeman and Hatch) and 31 MLB Draft picks, including two first rounders (Campbell and Jason Hursh).

Walton pitched on four College World Series teams at OSU from 1983-86.

### All-Time Record at O'Brate Stadium..... 41-18-1

Oklahoma State began play in its new baseball complex, O'Brate Stadium, in 2021. Work on the \$75 million project (\$60 million in construction costs), which is located at the corner of Washington Street and McElroy Road, began in February 2018 and was completed during the spring of 2020. Named after serial entrepreneur Cecil O'Brate, who gave \$35 million toward the project, O'Brate Stadium was officially dedicated on August 14, 2020.

Inspired by Boone Pickens Stadium, the new home of the Cowboys has several amenities that cater to fans and players alike. The complex includes 3,500 permanent seats, 11 suites and 420 premium seats in dedicated club and suite areas. Seating can be expanded to 8,000 as needed.

The concourse area encompasses the entire playing field and features restroom and concession stands down the first-base and third-base lines, plus restrooms and spaces for temporary options such as food trucks in the outfield. Other features of the concourse area are tailgating tents, refreshment areas down both the right field and left field lines, a dedicated student section with special loge seating and terrace seating in the outfield that serves families with young children and groups looking for space and the ability to move around freely while watching games.

A 2,000-square foot video board allows for top-of-the-line graphics and video content to further enhance the game day experience, and fans benefit from a large parking lot that accommodates about 600 vehicles beyond center field.

The playing surface is natural grass and features a top-of-the-line drainage system. A second artificial turf infield is used for practice and is one-third of a maximum-efficiency "training triangle" area that also includes an indoor facility and a pitching lab that allows the Cowboys to practice year-round, regardless of weather conditions, without having to utilize the ballpark's main playing surface.

There are several notable cutting-edge technology features for swing training and pitching development built into the complex, including the TrackMan system, which measures pitch velocity, exit speed, launch angle, distance and more. Additionally, pitchers benefit from specialized equipment built for arm care and injury prevention.

Situated along the left-field line, the clubhouse and team room areas provide plush accommodations for the Cowboys, starting with a 7,400-square-foot locker room and player lounge space that has top-of-the-line lockers for each player. In that same area are a nutrition center that includes a sports performance pantry and fueling station and can accommodate the Cowboys' game day nutrition needs, a tiered-seated classroom that seats 50 and a fully modernized grand entrance that leads to the new operations center.

The operations center houses a sports medicine area with state-of-the-art hydrotherapy equipment, a modern weight room and a baseball-specific laundry center and equipment room. Former players have a dedicated space within the operations center that includes lockers they can utilize when returning to campus to continue their professional baseball training while finishing out their academic degree programs.

"Our vision was to build a facility that would allow us to develop players at the highest level, teach leadership concepts and principles, embrace the team concept and provide a first-class experience for our loyal fans and alumni," said head coach Josh Holliday. "When we set out to do this, we wanted to do it with our Stillwater community in mind and capture the same game day passion we see on display each Saturday at Boone Pickens Stadium and throughout the winter at Gallagher-Iba Arena. The end result was exactly what we wanted. We accomplished our goal, and it is beyond anything I could have envisioned."

The lead architects were Jim Hasenbeck and Joshua Hill of Studio Architecture, who have also worked on the Sherman Smith Center and the Greenwood Tennis Center in the OSU Athletic Village, along with several other facilities on campus.

"Similar to Boone Pickens Stadium and Gallagher-Iba Arena, the ballpark was built to let the fans be right on top of the action," Hasenbeck said. "There is only about 30 feet from the back of the batter's box to the first spectator row, which is located right at field level. The student section down the left field line is only about eight feet away from the foul line. The design was influenced by Boone Pickens Stadium and much like it and the Sherman Smith Center, this ballpark uses the same modified Georgian architecture seen throughout campus - it looks like an Oklahoma State building."

The home of Cowboy Baseball bears the name of Cecil O'Brate, who gave \$35 million toward the project.

Born in Enid, Okla., O'Brate attended Oklahoma State (then Oklahoma A&M) from 1946-48 and went on to a career as a self-made serial entrepreneur. He is the owner, developer, and operator of multiple businesses in numerous and diverse industries such as agriculture, banking, manufacturing, energy, hospitality, real estate, alternative energy, medicine, and food science.

"OSU has always had a special place in my heart," O'Brate said. "My time at what was then Oklahoma A&M provided a strong foundation for the successes I have achieved over the years. I am honored to give back to the university that gave me my start 70 years ago. When I look at OSU today, I see a university that continues to enrich and inspire students. These students will carry the traditions and heart of OSU out into the world. For that reason, I am proud to give to OSU and the new generations of Cowboys. Go Pokes!"
