

Vault Plus

**THE STORAGE YOU NEED,
THE PEACE OF MIND YOU WANT**

EZVIZ Vault Plus is a wireless network video recorder that can support up to 8 cameras. Use it to protect your business with 24/7 recording and storage of video streams or to store family videos at home. It supports hard disks of up to 6TB. With the dual-band Wi-Fi, a wireless range of up to 100 metres and 4 built-in network interfaces, you enjoy a stable connection to all your EZVIZ cameras wired or wirelessly. You choose whatever suits you best. The Vault Plus can record video streams of up to 8 cameras simultaneously. Open the EZVIZ app and play back video via the terminal device.

features

ABOUT EZVIZ

EZVIZ helps you to app your life. Right from the palm of your hand, you connect visually to your home or your work. Welcome to the smart home and business!

FEATURES

ALL THE STORAGE YOU NEED

the Vault Plus supports 3.5" and 2.5" hard disks of up to 6TB. Moreover, it is very easy to install the hard disk.

ENJOY A STRONG, STABLE CONNECTION

The Vault Plus has dual-band Wi-Fi, ensuring a strong and stable WiFi connection for your cameras and external devices.

WORKS WITH WIRED CAMERAS

If you have wired EZVIZ cameras, plug them into one of the 4 built-in network interfaces.

FEATURES

PLAY BACK, WHENEVER AND WHEREVER YOU WANT

Play back video via the app on your mobile or via your PC. You enjoy complete control.

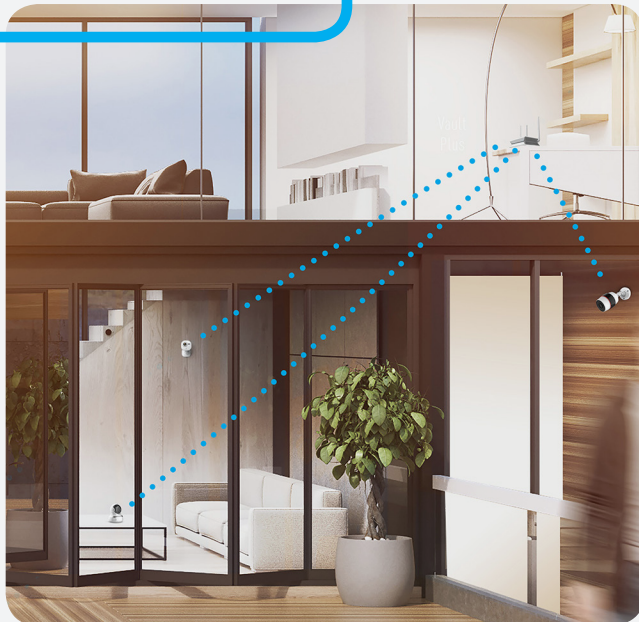

ONE APP DOES ALL THE WORK

With the easy-to-use EZVIZ iOS or Android app, you can view up to four live video streams at the same time. If you want to connect other EZVIZ security devices, such as cameras, sensors, or recorders, you just add them and start using them, all from one and the same app. Its clean layout makes it easy to find all your cameras, change settings and see what's happening with just a few taps.

WIDE COVERAGE

The Vault Plus has a wireless range of up to 100 metres and can go through maximum 3 walls.

EASILY SET UP

Just press the One-Touch button on the Vault Plus and the WPS button on your mobile phone or pc, and the connection will be set up.
