INTERIOR (New Interior Soft Goods 2017 BY Gulfstream, Dallas)

This stunning sixteen (16) passenger executive configuration interior includes a full-service forward galley and aft cabin state room perfect for sleeping or additional privacy. The interior is finished off with beige leather upholstered club seats, new premium wool carpeting, and custom woodwork.

The forward cabin area includes a four (4) place Club configuration with pull-out tables. The full-service forward galley is equipped with a high temp oven, microwave oven, gasper cooled storage, espresso maker and TIA coffee maker, and sink with ice drawer. The forward cabin also includes a forward crew lavatory.

The mid-cabin includes a four (4) place conference grouping with hi-lo table for meals and gathering. Across from the conference grouping is a credenza with room for storage and entertainment equipment.

The aft section of the aircraft is divided by a solid bulkhead for privacy and two (2) four place divans, perfect for sleeping.

The aft section of the aircraft is also equipped with a full-service lavatory with ample storage and sink with vanity.

ENTERTAINMENT

Dual 24" Monitors with DVD and Airshow

Four (4) 7" Personal Monitors in Forward Cabin

ABOUT JET EDGE PARTNERS

Jet Edge Partners is a full-service aircraft broker and dealer formed as a division of Jet Edge International. The aircraft sales experts at Jet Edge Partners work to understand the mission profiles, goals, and operational budget of our clientele to ensure they are linked with the best possible aircraft to meet their individual needs. The team is integrated in real time to the movements in the markets and are skilled in projecting future trends in the aviation industry. Throughout their careers, the Sales team at Jet Edge Partners have successfully completed aircraft transactions totaling hundreds of millions of dollars. With offices and sales professionals located throughout the United States, Jet Edge Partners provide clients with the knowledge and understanding of the market needed in order to purchase or sell an aircraft with confidence and unmatched customer service. Jet Edge Partners not only transacts aircraft, but alongside Jet Edge International, it operates, owns, and manages one of the largest fleets in the world, providing clients with operational knowledge and resources unmatched in the industry.
