6U 19in Wall Mount Server Rack Cabinet with Acrylic Door

Product ID: RK619WALL

The RK619WALL Wall Mounted 6U Server Rack/Cabinet can be fastened to most types of walls and features a sturdy, compact design that can be positioned almost anywhere without wasting valuable floor space. This TAA compliant product adheres to the requirements of the US Federal Trade Agreements Act (TAA), allowing government GSA Schedule purchases.

This equipment rack offers 6U of storage space and is designed to accommodate 19-inch (wide) servers, networking and telecom equipment. The rack features a 12cm fan, with ventilation positioned above and below the front panel glass door, helping to keep dust out of the rack while ensuring a cool operating environment for your valuable equipment.

To ensure optimum security and prevent tampering with the enclosed equipment, the cabinet/rack features a lockable, smoked acrylic front door that can be removed entirely or installed to open to the left or right as needed.

Backed by a StarTech.com Lifetime warranty.
