

## AEC Models

# Adjustable Extension Column

For various flat panel mounts, projector mounts and ceiling plate accessories

Designed to blend in and work with almost any environment, the AEC adjustable column features the ability to extend drop lengths from 6 inches to 12 feet. Whether it's for an office or mounted from a tall cathedral ceiling, the adjustable column supports up to 900lb, making it ideal for exhibit, retail or digital signage applications. The new slot design makes for easy incremental height adjustments to find the perfect position and then securely locking it into place. The AEC column's cylinder shape conveniently offers ample internal space for cable management of multiple cords, ultimately giving a clean look to any installation.

Max load: 900lb (408kg)

### FEATURES

- 1-1/2"-11.5 NPT (38 mm) schedule 40 pipe threaded on both ends
- Height adjustment at 1" (25mm) increments
- Made of steel for use with multiple screen applications
- Offers unobtrusive cable management
- Notched adjustment design enables easy height adjustment and position locking
- Available in black, white and silver to match flat panel screens, projectors, mounts and ceiling surfaces
- 900lb load capacity

- **EASE OF ADJUSTABILITY**  
Simplest slot design allows for easy glide adjustment

Available in black, white and silver to match flat panel screens, projectors and ceiling mount surfaces

**AEC Models:** Adjustable Extension Column for various flat panel mounts, projector mounts and ceiling plate accessories
