SMARTMOUNT XT™

## Universal Tilt Wall Mount for 46" to 70" Flat Panel Displays

Limitless placement opportunities are delivered with speed and ease with both horizontal and vertical adjustment capability. Its slim, open wall plate architecture delivers flat panel display placement flexibility and enables hands-free behind-the-display access along with cable management. Quick and easy installation and optional IncreLok™ Tilt technology complete the ultimate secure, low profile flat panel installation.

Display size: 46"-70"

Max load: 150lb (68kg)

### FEATURES

- Open wall plate design allows for total wall access, increasing electrical and cable management options
- Pre-tensioned universal tilt adapter brackets offer up to +15/-5° of One-Touch™ tilt adjustment in one easy motion
- Optional IncreLok™ feature offers fixed tilt lock in 5° increments
- Easy-Glide™ design ensures that the display is securely attached to the wall plate
- 5° of back tilt offers 3" of space for hands-free, behind the display access
- Up to 23" of horizontal adjustment for centering display on wall
- Up to 1" of vertical adjustment on each universal display adapter bracket for post-installation leveling and height adjustment fine-tuning
- Increased security with included Master Lock 510KAD keyed-alike padlock on locking model
- Universal tilt adapter brackets easily hook onto wall plate for fast installation
- Low profile design holds display 1.69" (43mm) from the wall
- Fits displays with mounting hole patterns from 100 x 100mm (3.94"W x 3.94"H) to 805 x 433mm (31.71"W x 17.04"H)
