

GENESIS

GENESIS GV80

The all new GENESIS GV80 has an innovative design and outlook that embodies the future identity of GENESIS. Succeeding the design identity of athletic splendor with impeccable balance, elegance, and tenacity while bolstering the absolute values of luxurious spacing, refined performance, and intricate comfort and safety, GV80 captures the classiness and confidence of genuine luxury.

As the very first SUV model from the brand, GV80 takes you on a new journey with its avant-garde philosophy and vision through the athleticism and elegance exclusive to GENESIS.

EXTERIOR

GENESIS GV80 integrates the athleticism of an SUV and elegance of a sedan to deliver a dynamic premium SUV through the athletic elegance of the muscular hood and tenacious bumper design, and the bold presence of its crest grille and quadlamps.

Full LED headlamps _ The slim space separating the upper and lower headlamps embodies the brand identity of GENESIS that adds to the presence of the athletic front design.

22" Sputtering Wheel Michelin tires _ Wheels with a stylish and luxurious design and large tires complete the proportionate look of a sporty SUV.

Full LED rear combination lamps _ Full LED rear combination lamps deliver the high-tech SUV look on top of a muscular low and wide rear design.

Gold Coast Silver (Diesel 3,0 / AWD with electronic limited-slip differential / 5 passengers / 22" sputtering wheels & Michelin tires / full package

Cardiff Green (Diesel 3.0 / AWD with electronic limited-slip differential / 7 passengers / 22" sputtering wheels & Michelin tires / full package)

INTERIOR

A wide cabin utilizing a horizontal layout that stresses the beauty of simplicity on top of a bold design identity and ergonomics, combined with an improved user experience along with the application of intricate materials and colors offer a premium interior.

Urban Brown / Vanilla Beige Two-tone (Vanilla Beige Seats), (Diesel 3.0 / AWD with electronic limited-slip differential / 5 passengers / Signature Design Selection II (Olive Ash real wood) full package included

Ultramarine Blue / Dune Beige Two-tone (Dune Beige seats), (Diesel 3.0 / AWD with electronic limited-slip differential / 5 passengers / Signature Design Selection I (G-MATRIX patterned aluminum) full package included

Crash pad with synthetic leather binding _ The crash pad is finished with soft-textured synthetic leather binding creating an elegant interior through refined stitching.

G-Matrix patterned aluminum interior _ G-Matrix patterned real aluminum is used throughout the interior to maximize elegance.

Two-tone leather steering wheel _ A leather steering wheel with a superior grip completed by a two-toned color design delivers the exclusive experience of GENESIS' uniqueness transcending luxury.

Prime Nappa leather-appointed interior _ The interior is appointed with Nappa leather, finished with the highest degree of craftsmanship exemplified by refined details. The Nappa leather upholstery boasts an unrivalled natural texture and luxury from G-Matrix pattern quilting.

Urban Brown / Vanilla Beige Two-tone (Vanilla Beige seats), (Diesel 3.0 / AWD with electronic limited-slip differential / 7 passengers / Signature Design Selection II (Olive Ash real wood interior) full package included

Cardiff Green (Diesel 3,0 / AWD with electronic limited-slip differential / 7 passengers / 22" sputtering wheels & Michelin tires / full package)

CONVENIENCE

GENESIS GV80 offers a premium driving experience characterized by comfort and pleasure through high-tech convenience features such as the optimum infotainment environment created through cutting-edge AI, connected-car technologies and an innovative air-conditioning system.

Maroon Brown / Smokey Green Two-tone (Diesel 3.0 / AWD with electronic limited-slip differential / 7 passengers / Signature Design Selection II (Olive Ash real wood interior) full package included

01.

14.5" infotainment system and 12.3" 3D cluster display _
The 14.5" infotainment system, the largest ever offered in its class with outstanding visibility, and a wide range of convenience features, as well as a large 12.3" 3D cluster display with a UHD LCD provide an improved user experience and a cutting-edge, sophisticated visual appearance.

02.

GENESIS integrated controller _ Instead of complicated keyboard input, the handwriting recognition features of the integrated controller make it easier and faster to set settings and enter navigation information.

03.

Voice recognition vehicle control _ Operating the air-conditioning system, windows, sunroofs, and the trunk through voice commands ensures improved safety and convenience.

04.

Touch-type air-conditioning panel (haptic feedback included) _ Air-conditioning for the 2nd row seats can be controlled with a single touch. The touch-type air-conditioning control panel allows users to activate and adjust the air purification system including the fine dust detector, prefilters, and high-performance combination filters, significantly reducing dust particle concentration inside the passenger cabin, thereby ensuring a pleasant interior atmosphere.

05.

GENESIS digital key _ Without a separate physical key, drivers can lock and unlock doors or even start the engine using GENESIS Digital Key on their phones and can share the digital key with their family and friends.

06.

GENESIS Car Pay _ Pay at affiliated shops and stores highlighted on the navigation display through GENESIS Car Pay without a credit card for greater convenience.

ERGO Motion Driver Seats _ GENESIS GV80 features ergonomic ERGO Motion Seats with 7 air pouches that offer the ultimate in seating comfort while driving. Furthermore, the motion seats optimize vehicle conditions by recognizing individual drivers while the smart seating posture adjustment system offers recommended seating positions.

AGR (Aktion Gesunder Rücken e.V., Germany) Certification Campaign for Healthier Backs, or Aktion Gesunder Rücken e.V., bestows its international seal of approval to outstanding back-friendly products, such as car seats, after rigorous evaluation by its panel of orthopedic surgeons on how the seats can be adjusted to prevent discomfort and the impact of seat structures on back posture.

Urban Brown / Vanilla Beige Two-tone (Vanilla Beige Seats) Diesel 3.0 / AWD with electronic limited-slip differential / 7 passengers / Signature Design Selection II (Olive Ash real wood interior) full package included

Power and ventilated 2nd row seats _ The comfort adjustment functions including power 2nd row seats (for reclining, sliding, and tilting), one-touch relax, and 2nd and 3rd row power folding seats offer 2nd row passengers a level of comfort close to that of a luxury sedan. In addition, the driver can adjust the 2nd row seats and fold down the 2nd and 3rd row seats from the infotainment system without having to exit the vehicle through the rear-seat configuration feature.

* The features introduced in this brochure may vary from model to model.

3rd row power folding seats _ The easy-to-use touch of a button function on the luggage side allows even children to fold down the 3rd row seats while the rear-seat configuration feature allows folding of the headrest of those seats for ultimate convenience.

* The features introduced in this brochure may vary from model to model.

PERFORMANCE

GENESIS GV80 offers an elegant and athletic premium SUV experience through a comfortable and balanced driving experience with a more powerful, high-performance engine.

Cardiff Green (Diesel 3.0 / AWD with electronic limited-slip differential / 7 passengers / 22" sputtering wheels & Michelin tires / full package)

Electronically controlled suspension with road preview _ This system recognizes the surface conditions of the road ahead through a front-facing camera and GPS navigation, and controls the suspension to optimize for such conditions to ensure the ultimate in driving comfort and safety.

All driving mode / terrain mode _ Drivers can switch between Comfort, Eco, Sport, or Custom driving modes according to personal needs or driving conditions. Drivers can also switch between Mud, Sand, or Snow terrain conditions to balance power between wheels for outstanding off-road performance. The current status of the driving mode is shown on the cluster display and the infotainment system.

AWD System (electronic limited-slip differential, or e-LSD) _ Power is optimally distributed in accordance with off-road, on-road or other various driving conditions. The use of the AWD system that tracks vehicle speed and road conditions to control power between the left and right wheels, and the e-LSD that balances power between the front and rear wheels ensures stability while driving on rough roads.

New platform _ GV80 uses an optimized new platform for rear-wheel drive SUVs that incorporates a new suspension structure which provides ultimate driving performance while light weight technology and a reinforced SUV frame ensure driving stiffness. An aluminum body is used for the doors, hood, and tailgate. The average tensile strength of the body was increased significantly to ensure the best collision safety in its class. Hot stamping plates were used over a wider area around the passenger compartment to bolster passenger safety as our number one priority.

10-airbag system _ 10 airbags, including GENESIS' first center side airbag and driver and front passenger airbags that are deployed after sensing the severity of the impact and the presence of passengers, are installed to protect passengers against collisions from all directions.

Lexicon 18 speaker system (QuantumLogic Surround) _ This QuantumLogic Surround system offers a clear, dynamic sound without distortion and provides more powerful multi-dimensional surround sound.

Active road noise control _ This system feature is applied to detect tire vibration produced by the surface of the road and noise transmitted to the passenger compartment, and generates anti-phase sound waves in response through the vehicle's speakers, thereby reducing the noise and maintaining maximum tranquility.

Double-glazed and acoustic laminated glass (front windshield and all doors) _ Acoustic laminated glass is applied to the front windshield and the glass of the 1st and 2nd row doors to offer the ultimate in unrivalled tranquility inside the passenger cabin.

INTELLIGENT

GENESIS GV80 analyzes current driving conditions automatically and offers maximum safety and the ultimate driving experience through an active driver assistance system.

Cardiff Green (Diesel 3.0 / AWD with electronic limited-slip differential / 7 passengers / 22" sputtering wheels & Michelin tires / full package)

Highway Driving Assist II (Lane Change Assist included) _ On highways and motorways, this system maintains a safe distance from the vehicle in front and steers the vehicle to keep it centered in its lane at a speed preset by the driver. It also provides steering assistance when changing lanes by recognizing conditions in adjacent lanes when the turn signal indicator is switched on.

Smart Cruise Control with Driver Patterns Incorporated _ The cruise control system, powered by machine learning, picks up on the driving behaviors of the driver and controls the vehicle in a manner similar to the driver once the cruise control is activated.

Navigation-Based Smart Cruise Control _ This system, once it is switched on, ensures safe driving by automatically adjusting vehicle speed within safe driving zones, curved sections and ramps on highways and motorways through GPS navigation connectivity.

Lane Maintenance Assist _ This system recognizes the lane via a front-facing camera and helps steer the vehicle to keep it centered in its lane.

01.

Forward Collision Prevention Assist _ This system detects vehicles, pedestrians, and cyclists in front of the vehicle and alerts the driver of a potential collision. Additionally, the system activates the brakes if a collision is likely to occur. Also, with frontal and side radars installed, the system engages the brakes automatically to prevent collisions with vehicles approaching from the sides at intersections.

02.

Reverse Parking Collision-Avoidance Assist _ During low speed reverse driving, if pedestrians or objects are detected in the rear, the system alerts the driver of a potential collision and applies the brakes if a collision is likely to occur.

03. 04.

Driver Attention Alert _ A built-in interior camera and sensors ensure safety by monitoring the driver's line of vision and if the driver is deemed to have taken his or her eyes off the road, the system alerts the driver by sounding an alarm with a warning message on the cluster display.

Rear Cross-Traffic Collision Prevention Assist _ This system monitors the areas to the left and right when the vehicle reverses and alerts the driver of any approaching traffic on either side and applies the brakes, if necessary, to avoid a collision.

05.

Rear Collision Prevention Assist _ During lane changes, if there is a risk of a potential collision with vehicles approaching rapidly from the rear and sides, the system helps avoid the collision through differential braking. The system also detects possible collisions with vehicles approaching from the rear and the left and right when the vehicle moves forward out of a parking spot and applies the brakes, if necessary, to avoid a collision.

06. 07.

Surround view monitor _ Cameras provide the driver with a 360-degree 3D view of the surroundings and other images to facilitate safe parking.

Remote Parking Assist System _ This system inspects the parking spot and controls the steering wheel, vehicle speed and gear shift automatically to help the driver with parking or leaving the spot. A smart key allows the driver to activate the feature from outside the vehicle.

MOBILITY CARE

Guaranteed for up to 5 years or 100,000km
 - Applicable to the car body, general parts and engine, and major powertrain components
 ※ Warranties under Mobility Care will expire when either the mileage limit or the timeframe is reached.

Free replacement of disposable parts for up to three years or 60,000km
 (engine oil set and four major disposable parts within the warranty period)
 - Engine oil set - 3 times (3.0D), air conditioner filters - 3 times (3.0D), brake pads (front) - 1 time, wiper blades (front) - 2 times, brake oil - 1 time, Home-to-home service - 3 times

※ The manufacturer's replacement and exchange criteria shall apply to each replacement, and details of the replacement service may vary by engine type.
 ※ Warranties under Mobility Care will expire when either the mileage limit or the timeframe is reached.

3-year disposable parts replacement notification services (IT-based total vehicle care)
 - Vehicle check-up including mileage → Text message notifications of required repairs and parts replacement
 → Maintenance checks and repair services through Home-to-Home service

GENESIS Body Care Service
 - This unrivaled vehicle appearance care service provides body repairs, painting, and replacement relating to damage on the exterior surfaces of a newly purchased GENESIS.

GENESIS Butler Service
 - Scope: GENESIS customers (For corporate customers, services are available for registered members of GENESIS or for those who actually have purchased or are renting or leasing GV80.)
 - Service consultation with individually designated service managers is offered (on weekdays between 9 a.m. to 6 p.m.)

- Notification of upcoming events such as disposable parts replacements, notification of trouble codes, and maintenance scheduler alerts are provided for proper maintenance.
 ※ Contact: GENESIS Customer Service 080-700-6000

※ Warranty services and free replacement of disposable parts are provided to both the original and subsequent owners (remaining service coverage will be transferred).

GENESIS CONNECTED SERVICES

State-of-the-art GENESIS Connected Services based on wireless telecommunications networks ensures comfort, safety, and an exhilarating driving experience all year round. Experience unique offers available exclusively from GENESIS Connected Services.

Remote control
 Monitor and control your vehicle via smartphone at all times.

Safety and security
 This feature protects drivers and passengers from a wide range of accidents and emergencies.

Vehicle management
 This feature updates the GPS navigation system wirelessly and provides regular maintenance assistance and consultations remotely to ensure proper maintenance of the vehicle.

GPS Navigation
 Precise real-time traffic information as well as quick and easy to use voice activated destination setting offers a new driving experience.

- GENESIS Connected Service Center: 1899-5100

GENESIS Autocare Service (Autocare service at a requested time and location)
 - This is a service that brings free maintenance services and GENESIS Mobility Care to the place and time you prefer.
 - Scope: GENESIS customers (G90/EQ900, G80, GV80, G70)
 ※ For more information, please visit our website or contact GENESIS Customer Service.

5-year GENESIS Connected Services at no cost
 - For first-time subscribers, 5-year basic services (remote control, safety and security, vehicle management, and navigation) are provided free of charge. Inquiries: GENESIS Connected Services KakaoTalk Customer Service Center (enter "제네시스 커넥티드 서비스" (Genesis Connected Services) in the KakaoTalk search window and add as a friend)

Simple and easy vehicle management based on GENESIS Connected Services and Home-to-Home services

- **Service that you can always count on**
 Detection of issues through GENESIS Connected Services
 Maintenance announcements through the website or via text messages
 (For significant issues, a recommendation for a visit to a service center will be issued.)

- **Services that anticipate your needs in advance**
 GENESIS Connected Services notifies drivers of upcoming maintenance and parts replacement events and schedules service appointments based on vehicle mileage.

PRIVILEGE

Global Lifestyle Concierge
 - Global Lifestyle Concierge is a customer center offering lifestyle-related benefits and services around the world. Consultation services and recommendations across diverse areas from hotels and airlines, dining, golf and healthcare are offered.
 ※ Dedicated number to be provided via the membership guide.

GENESIS Privileges
 Choose 1 from among the 5 choices according to preference.
 - Hotel membership: Select 1 of the 10 affiliated hotels in Korea and receive a hotel membership service for 1 year.
 - Asiana Club: Enjoy all the benefits of Asiana Club as a Gold Member for 2 years.
 - Art & Culture: Receive benefits from various partners in the realm of art and culture.
 - Lifestyle subscription: Select flowers or coffee and receive subscriber benefits for 1 year.
 - Premium carwash: Receive either a premium carwash at home or a premium Sonax carwash.

※ Details of GENESIS Privileges benefits will be offered via our website or the membership guide.
