USB-C to Dual HDMI 1.4 Video Adapter

Part number: K38286WW | UPC code: 085896 38286 7

### Stunning HDMI video from any USB-C Windows computer

Supports up to two 4K Ultra HD monitors @30Hz

Plug-and-play with ease

No drivers to install. Just connect the cable to a USB-C port that supports Alt Mode, connect your monitor cables, and it works.

Mirror monitors or operate each independently

Whether you want each monitor to display identical information or have each monitor dedicated to a separate page, tab, or application, you've got flexibility

Improved productivity

Multiple monitors reduce side scrolling and clicking back and forth between tabs, applications, windows, etc., and enhance presentations, digital messages and signage

2-year warranty

Rest assured knowing you're covered by Kensington
