

# Amplify for iPhone XR

## Fortified Protection /

Crystal clear and blemish free. That's not too much to ask for your phone's screen, right? Amplify, engineered by Corning, delivers exactly that — a clear screen and pristine window into your world. The phone's important, but what matters most is everything inside it — pictures of cherished loved ones, videos of first steps and contact info for everyone you know. Do you even remember a phone number anymore? Amplify is engineered with long-lasting strength and up to 5x greater scratch resistance than the leading glass alternative\* to keep the view of all your important things perfectly clear.

## Features /

- Ultra-strong protection provides up to 5x greater scratch resistance than the leading glass alternative\*
- Long-lasting, high-strength glass helps protect screens against drops, impacts and daily wear
- Incredibly quick, hassle-free installation
- Engineered by Corning, maker of innovative glass products for over 167 years
- Limited lifetime warranty — no receipt, no registration, no need to return for a replacement
- Friendly and effortless customer service
- Pair with an OtterBox case for total phone protection

\* Versus soda lime glass. Based on Corning tests. Actual results may vary.
