

# Symmetry Series Folio

for iPad (8th gen)  
& iPad (7th gen)

## Slim, clear and tough iPad folio case /

Protecting your tablet is important. Its many uses require solid protection and compatibility with accessories and features. Symmetry Series Folio protects your tablet from drops, and with its clear back, you can easily identify the device by its engravings and asset tags. The folio's microfiber lining guards your screen and its magnets hold it closed for protection in bags and packs. Using your tablet in either typing or viewing mode is easy as the folio quickly converts into two positions. Plus, the case stays put on slick surfaces thanks to no-slip rubber feet. The protection you want with the convenience you demand is everything you get from Symmetry Series Folio.

## Features /

- Ultra-slim profile slips easily in and out of bags and packs
- Clear back makes identifying your tablet's asset tags and engravings quick and easy
- Multi-position stand holds your tablet stable and secure in both typing and viewing angles
- Attach point accommodates lanyards so you can carry your tablet hands-free (lanyard not included)
- Folio protects your screen while magnets activate sleep and wake modes
- No-slip rubber feet stabilize your tablet on slick surfaces
- Integrated Apple Pencil holder for safe storage and convenient access
- Works with OtterBox Alpha Glass tempered glass screen protector
- Limited lifetime warranty supported by hassle-free customer service
