PROPONENT SELECTION

The policy pertaining to the selection of suppliers is based on the principle that all suppliers must be treated fairly and equally. Suppliers are defined as an individual or firm that could provide, or has provided, goods or services or construction under contract.

CMHC utilizes the Supplier Information (SI) database, maintained by **Public Works and Government Services Canada** as the Official CMHC source list. All proponents **must** be registered with **Public Works and Government Services Canada** prior to submitting a response and the Procurement Business Number (PBN) provided by **Public Works and Government Services Canada** must be included with your response. CMHC shall conduct the RFQ process in a visibly fair manner and will treat all proponents equitably. It is intended that the lowest cost quotation will be accepted, however, CMHC reserves the right to accept or reject any or all quotations and to verify that the supplier is able to meet the conditions outlined in the RFQ prior to awarding a contract.

Without changing the intent of this RFQ or the lead proponent’s quotation, CMHC will enter into discussions with the lead proponent for the purpose of finalizing the contract. If at any time CMHC decides that the lead proponent cannot satisfy CMHC’s requirements, CMHC may terminate negotiations. If at this time CMHC feels that the secondary proponent may meet the requirements, CMHC will continue the process with the secondary proponent and so on.

Announcement of the successful proponent will be made to all proponents following the signing of a contract.
